

## The ultimate husband in Chinese chapter 1241-1250

Chapter 1241

How did Qin'er know about this?

In the past seven years, except for Mr. Hongye, he has not spoken to anyone.

“Crack!”

At the same time, Master Miao Yuan rushed over and slapped Zhou Qin in the face without warning!

“Qin'er, are you crazy?” Master Miaoyuan trembled with anger, and said coldly, “What nonsense are you talking about? That is your master, and you actually slandered her so much? What is your intention?”

” Zhou Qin, I am so disappointed!

“Master?” Zhou Qin covered her face with a sneer at the corner of her mouth, pointed at Han Aoran and shouted, “Is she worthy?”

After saying that, Zhou Qin looked directly at Han Aoran, unable to hide her resentment: “Han Aoran Ao Ran, it doesn't matter if you don't admit it, I just ask you, do you dare to confess your relatives with Han Bing in front of a hero in the world!”

When he said this, Zhou Qin's eyes flashed with revenge.

After realizing it, I clearly liked Yue Feng, but I didn't know it until the last few years.

As for himself, he was struggling with how to reconcile his relationship with Yue Feng, but Han Ao Ran took the lead and gave birth to a child with Yue Feng.

More importantly, as the senior sister of Emei, the position of the head of Emei in the future belongs to him.

But now, Han Aoran wants to pass the seat to his illegitimate daughter.

hatred!

At this time, Zhou Qin had only hatred in his heart!

This chapter is provided by . Visit for daily update.

Whoa!

The voice fell, and the audience fell silent!

Even if a needle is dropped, you can hear it clearly!

If everyone present was still skeptical about Zhou Qin's words, then, seeing Zhou Qin's confident face at this time, many people already believed it!

After all, Zhou Qin didn't dare to let Han Ao Ran 'recognize his relatives' without any certainty.

hum!

Zhou Qin's aggressiveness caught Han Ao Ran by surprise.

"Zhou Qin! You traitor!" At this moment

, Master Miao Yuan was so furious, her eyebrows stood upright, she glared at Zhou Qin and said bitterly, "Master is not mean to you, is that how you repay her? "

Miao Yuan Shi Tai at this time also realized that what Zhou Qin said might be true.

Otherwise, the head and senior sister would not be so silent.

But....

after all, today is the Millennium Ceremony of the Emei Sect. Zhou Qin said it in front of everyone, where is the Emei Sect? How will the Emei faction look up to see people in the future?

Zhou Qin ignored her at all, but looked at Han Ao Ran with a half-smile, and said slyly, "Master, I'm sorry, I don't want to do this either. When I joined the Emei Sect at the age of sixteen, it was your careful teaching. I have always been grateful for what I am today, and I have always respected you very much, but as the head of Emei, you secretly had an affair with Yue Feng, gave birth to a child, and ruined the reputation of the Emei sect. This disciple really can't stand it!"

After speaking, Zhou Qin gave Han Bing a scornful look: "And now, you have to pass the Emei faction to this illegitimate daughter, I want to ask, you are worthy of doing this. The ancestors of the Emei School?!"

Hearing this, Han Ao Ran's pretty face flushed and he was speechless.

"You said..."

Master Miao Yuan was so angry that he couldn't bear it any longer. He pulled out his Jian Jiao and shouted, and was about to stab Zhou Qin.

Master Miao Yuan is too convinced that even if what Zhou Qin said is the truth, the senior sister in charge must have her difficulties. Otherwise, she wouldn't hide it from everyone for seven years!

And Zhou Qin said this in front of the people in the rivers and lakes, which is to damage the reputation of the Emei School.

This kind of disciple is simply a white-eyed wolf, and it is a disaster to keep it, it is better to kill it directly!

However.

Before Master Miaoyuan rushed over, she was stopped by Han Ao Ran: "Junior Sister Miao Yuan, stop."

After speaking, Han Ao Ran bit her lip tightly, almost bleeding, and whispered: "Zhou Qin That's right, Han Bing, it is indeed Yue Feng's child."

Wow!

One stone creates a thousand waves!

Chapter 1242

At this moment, the entire Emei faction is full of discussions! All martial arts masters are boiling!

"I admit, Sect Master Han actually admitted that Han Bing is her and Yue Feng's daughter..."

"I didn't expect that Sect Master Han looked pure and clean, not eating fireworks, but behind his back, he had an affair with Yue Feng! What kind of decency is this! Han Aoran has a husband, and she actually carried Mr. Hongye on her back and gave birth to a daughter with Yue Feng, this, this..." "As

the head of Emei, what kind of decency is this!"

The tide came. Han proudly looked around and continued: "I want to explain that this child, Han Bing, was conceived before I married Mr. Hongye. After marrying Mr. Hongye, I never saw Yue Feng again."

"Haha . . ."

However, before Han Ao Ran could finish speaking, Zhou Qin interrupted with a cold smile, then nodded with an exaggerated expression, "Oh... before you married Mr. Hongye, you ruined Yue Feng's child... ..I understand, Han Aoran, the mistakes you

and Yue Feng made, but let Mr. Hongye bear the responsibility, you are really shameful!”

Zhou Qin’s face was full of contempt, and he looked at the person next to him. Numerous Emei disciples said, “My fellow disciples, is this shameless woman still qualified to be our head?”

Jing!

The entire Emei Mountain was silent, and all the surrounding Emei Sect disciples did not respond, but looking at Han Ao Ran’s eyes, they lost their previous admiration and worship, but were full of complexity!

The Emei School has always had a very good reputation in the martial arts. The disciples of the Emei School are all very proud! However, his own head, unexpectedly, was pregnant with someone else’s child before marriage. Then, knowing that she was pregnant with a child, she married Mr. Hongye, which is too much!

At the same time, there was also a heated discussion among the other sects present!

“Tsk tsk... I really didn’t expect that the always cold and proud Han Ao Ran would turn out to be this kind of woman.”

“Goddess of Frost? Hehe...”

“It’s a shame that I have always regarded her as a goddess, Nima, before the wedding. , just hooked up with Yue Feng, it makes me sick just thinking about it...”

For a while, many people looked at Han Ao Ran and said coldly.

Originally, Han Ao Ran had a high status in the hearts of everyone in Jianghu, but at this moment, Han Ao Ran’s beautiful image in their hearts collapsed instantly.

Under everyone’s discussion, Su Qingyan and Xiao Yuruo who were sitting there were also blushing and embarrassed.

I thought it was just a farce.

Unexpectedly, what Zhou Qin said turned out to be true.

“Everyone!”

At this moment, Han Ao Ran looked around and smiled sadly: “I’m Han Ao Ran, I am ashamed of the predecessors of the Emei School, and I really don’t have the qualification to be the head of the Emei School.”

After speaking, Han Ao Ran took a deep breath . , tried his best to make himself look strong, and said word by word: “I!

Han proudly, I hereby announce that I will give up the seat of the head of Emei. From now on, the Emei faction and I will have nothing to do with me!” He squatted down proudly and gently stroked Han Bing’s face, with tears in his eyes: “Bing’er, I’m sorry, for the sake of my own fame, my mother kept you from you for seven years. In these seven years, I have not been a good mother. Responsibilities.”

“Mom...”

Feeling Han Aoran’s warmth, Han Bing calmed down, cried out, and threw herself into Han Aoran’s arms.

Han Ao Ran comforted a few words softly, then took Han Bing’s hand and turned to leave decisively.

Han Ao Ran is a very decisive woman.

This is the end of the matter, you can only let go of everything.

At this moment, everyone looked at the backs of Han Aoran’s mother and daughter, and they were all stunned, not knowing what to say.

Chapter 1243

“Senior sister in charge!”

At this time, Master Miaoyuan stomped his feet in a hurry, and ran after him and shouted: “Senior sister, the Emei faction can’t live without you!

” Very uncomfortable. How could she bear to see Han Aoran end up like this?

More importantly, over the years, under the leadership of Han Aoran, the Emei faction has spread far and wide. Although the Emei faction is all women, there is no force in the rivers and lakes that dares to despise the Emei faction.

This... is all due to Han proudly!

Now that she is gone, the Emei faction has lost its backbone, and the future is uncertain!

call!

Hearing Master Miaoyuan's call, Han Ao Ran turned around and smiled at her: "Junior sister, don't be sad, don't worry, without me, the Emei faction is still one of the five major factions.

"More to say, hugging the ice, jumped up gently, and disappeared in the sight of everyone in a blink of an eye.

"Senior sister..."

Miao Yuan Shi Tai's delicate body trembled, and she stared blankly at the direction where Han proudly disappeared, and tears flowed silently.

quiet!

The whole square was silent.

Everyone present did not expect that the Emei faction, which has been a thousand-year-old ceremony, turned out to be like this.

But...no one sympathizes with Han proudly.

The dignified master of a sect should do such a thing, which is simply laughing at the rivers and lakes.

"Zhou Qin!"

At this time, Master Miaoyuan came to his senses, and his delicate body trembled: pointing at Zhou Qin, "You...you are a rebel, why did you do this?"

When saying this, Master Miaoyuan was deeply impressed Disappointment, and anger.

The so-called family ugliness should not be made public. Zhou Qin did this today, and he couldn't help but destroy the senior sister in charge, and even ruin the reputation of the Emei faction!

Feeling the anger of Master Miaoyuan, Zhou Qin did not panic at all, and sneered: "Master, is it wrong for me to do this? Han proudly did such a thing, and Yue Feng secretly had a child, but concealed the Emei faction. Seven full years, and now she has to pass the position of the head of the family to her illegitimate daughter, so she is embarrassing for the Emei faction!"

"You..."

Hearing this, Master Miaoyuan Tai was about to explode with anger, his face flushed, but he couldn't find anything to refute.

A few seconds later, Master Miao Yuan took a deep breath and looked at Zhou Qin with great disappointment: "Even if you say it well, you shouldn't force her to leave, do you know that the senior sister in charge did it for our Emei faction? How much? Without her, there would be no Emei today. She is gone, what will we do with Emei? Have you ever thought about it?"

Master Miaoyuan said more and more excited: "Senior sister, the head of our Emei, now she No, what should we do after Emei? What should we do if the Emei sect is in disaster!"

Hearing this, the surrounding Emei sect disciples also pondered one by one.

Yes!

Han proudly left, and Emei lost its backbone. If a strong enemy came later, how should she resist?

"Master, you are too pessimistic." Zhou Qin said with an indifferent face, and chuckled: "Now that the world is peaceful and prosperous, what catastrophe can the Emei sect have? Could it be that...the Emei sect will be destroyed without Hanaoran? It's ridiculous. Well, our Emei has been passed down for thousands of years! Without Han Ao Ran, our Emei faction will only get better and better!"

#### Chapter 1244

"Rebel, rebel!" Master Miaoyuan looked at Zhou Qin, her body trembling with anger! Thoroughly disappointed!

"Qin'er, my good apprentice, you are really my good apprentice!" Master Miao Yuan pointed at Zhou Qin and said angrily, "Senior sister and I have taught you for so many years, and have always held high hopes for you. , I really didn't expect that a white-eyed wolf came out in the end! Today is the big day of my Emei sect, and heroes from all walks of life came to congratulate, but you are so lucky, you actually forced your head master to leave Emei! Okay, In this case, you can do it, the head of the Emei faction. From today, my Miaoyuan has nothing to do with the Emei faction!" The

voice fell, the teacher too did not have the slightest nostalgia, jumped up, and under everyone's attention, towards the Fly away!

This...

seeing this scene, everyone present looked at each other in dismay.

Today is the Millennium Ceremony of the Emei School. It was originally a lively and festive martial arts event, but I didn't expect it to end up like this. Han Ao Ran and Miao Yuan Shi Tai left Emei one after another. For a time, the heads of the major sects

present were extremely embarrassed. They wanted to say something, but they were hesitant to say anything.

After all, this is the family business of the Emei faction, and outsiders like myself are not qualified to intervene at all.

In the huge square, there was no sound, and the atmosphere was very embarrassing and dull!

call!

At this moment, Ouyang Zhennan stood up and said to the people in Emei in front of him, "I suddenly remembered that the family still has some things to do, so I will leave first!"

When he said this, Ouyang Zhennan was very excited complex.

Han Ao Ran is a powerful figure in the arena, but Zhou Qin forced him to withdraw from Emei.

More importantly, this matter is directly related to Yue Feng. Yue Feng is his adopted son. Under such circumstances, how could Ouyang Zhennan have the nerve to stay here?

At the same time, Su Qingyan, Xiao Yuruo, Qin Rongyin and the others all stood up one after another.

Like Ouyang Zhennan, Su Qingyan and the others were extremely embarrassed. As a woman of Yue Feng, she witnessed another romantic debt of Yue Feng. At this moment, Su Qingyan's complicated feelings could not be described in words.

It's better to leave as soon as possible than to stay here embarrassed!

Soon, Ouyang Zhennan, Su Qingyan and others left.

Seeing this situation, the disciples of Tianmen, Huaguo Mountain, and the disciples of the Hall of Longevity also left afterward. It can be said that the sects related to Yue Feng walked cleanly at this moment.

After all, what happened today is directly related to Yue Feng. Huaguo Mountain and the Hall of Longevity are in the same breath as Yue Feng's Heavenly Gate. It would be boring to continue to stay.

Watching the three sect people leave, Zhou Qin didn't take it to heart at all!

On the contrary, Zhou Qin's mood at this time is indescribably smooth!

Both Han Ao Ran and Miao Yuan Shi Tai left Emei.

Among the younger generation, he has the highest qualifications, and in the future, the Emei faction will have the final say.

Thinking about it, Zhou Qin couldn't help showing a bit of pride in his eyes. Going to the secret room of the Emei faction, take out the Emei seal and hold it high.

"Emei disciples, our Emei sect is headless. From today, I agree to be the head of Emei, who would disagree?" Zhou Qin held the big seal, and his voice spread all over the place.

The hundreds of thousands of Emei disciples were silent. Nobody spoke. After a long time, one of the Emei disciples stood up slowly and said, "Senior Sister Zhou Qin, you are the headmaster, we have no objection!"

The Emei disciple who spoke, Mingjiao Liu Yingying, usually has a good relationship with Zhou Qin.

In this case, if one person stands up and speaks, someone will follow suit in an instant. Sure enough, when the words fell, all the Emei disciples knelt down on one knee: "This disciple pays respects to the head of Zhou Qin!"

Usually Zhou Qin is in the Emei faction and is the senior sister, and everyone has a good relationship with her. Han Ao Ran and Master Miao Yuan left Emei, and now there is no leader of the Emei faction, and Zhou Qin is the head of Emei, of course everyone agrees.

Zhou Qin held the Great Seal of Emei and raised his hand gently: "Disciples, please get up."

Chapter 1245

The rest of the sects present looked at each other, and after a while, they applauded.

The Emei Sect is a major sect, and now Zhou Qin is in charge, all major sects want to befriend her, so they all applaud and congratulate her.

A satisfied smile appeared on Zhou Qin's face.

....

at this moment, in the woods dozens of miles away from Mount Emei.

Han proudly pulled the ice and walked forward slowly!

When Zhou Qin revealed his secret, Han Ao Ran was very angry at first, but after calming down just now, he slowly figured it out.

Over the years, my biological daughter has been by my side, and I have never recognized her for the sake of fame and reputation. I am truly ashamed to be a mother.

Now that I am not the head of Emei, I am relaxed, and I can accompany my daughter to grow up in the future.

Thinking to himself, Han proudly looked at Han Bing beside him, his eyes full of tenderness.

“Master...”

Feeling Han Aoran’s warmth, Han Bing couldn’t help but speak, but because of habit, he subconsciously called for Master, but he corrected it in time: “Mom... where are we going? “

Speaking, Han Bing blinked and asked curiously, “Are we going to find Dad?”

Although Han Bing is only seven years old, he knows a lot about Jianghu’s situation.

Especially Tianmen.

In recent years, Tianmen has developed rapidly, becoming the number one sect in the Earth Circle Continent, and as the sect master of Tianmen, Yue Feng is even more of an influential figure in the arena.

Knowing that Yue Feng is his biological father, Han Bing is not only surprised, but also a little happy.

Have a father who is famous all over the world, can you be unhappy?

Swish!

Hearing this, Han Ao Ran’s face suddenly turned cold: “Bing’er, you don’t have a father, you are not allowed to mention Yue Feng’s name in the future, you know?”

” There is no doubt!

If it wasn’t for Yue Feng, he wouldn’t have ended up like this!

Although he has already figured it out, in Han Ao Ran’s heart, he will never forgive Yue Feng!

“Mom, why?” Han Bing blinked with big eyes and asked in a puzzled way: “Didn’t you admit it just now? I am the daughter of you and Yue Feng, I...” The

words were not finished . , Han Ao Ran interrupted directly: “I said, don’t mention him again, don’t you understand?”

“Oh..” Han Bing hurriedly stopped and lowered his head, feeling very aggrieved!

Why?

Why doesn’t my mother allow herself to recognize her father? Don’t you want to mention him?

Seeing Han Bing’s silence, Han Ao Ran realized that he was too emotional just now, his heart softened, and he said softly: “Bing’er, mother didn’t recognize you before, it’s mother’s fault, don’t worry, from today on, mother I will take good care of you... You must also listen to your mother’s words and cultivate well. We mother and daughter will travel the world together, you know.”

## **The ultimate husband in Chinese chapter 1246-1250**

### **Chapter 1246**

“Well! Mom, Bing’er will definitely listen to you.” Han Bing nodded with a smile on his face.

Han proudly took Han Bing’s hand, and the mother and daughter walked towards the distance.

...

On the other side, the Emei faction.

Han Ao Ran and Master Miao Yuan left, and Tianmen and several sects left one after another. The atmosphere that was full of joy suddenly became depressed.

In this case, the Millennium Ceremony is over.

At this time, Zhou Qin and several senior sisters were at the entrance of the main hall, respectfully sending off the various sects.

“Amitabha!”

At this time, Master Kong Wu recited a Buddha’s name at Zhou Qin and said, “Zhou Sect, our Shaolin Sect, we will leave first. Today, Zhou Qin, you have just become Emei Sect Master, so it is reasonable to say that. Said, Lao Na should give you a generous gift to express congratulations. But today, Lao Na has nothing to give you. So, three days later, it will be the alchemy conference. When that time comes, Lao Na will bring it with him. A generous gift for Sect Master Zhou.”

That’s right, three days later, there was an alchemy conference in Zhongzhou. This conference is huge! It was organized by the Alchemy Association. At that time, all alchemists in the Earth Circle Continent will participate. It can be said that the scale of this competition is much larger than the previous alchemy competition held in Donghai City.

“Okay, Master Kongwu, we will meet at the Alchemy Conference in three days.” Zhou Qin said softly.

When the words fell, Master Kong Wu nodded and left with the Shaolin disciples.

At this time, the real person Lingbao also came to say goodbye: “Zhou Sect, so do my Wudang Sect. I will bring a generous gift to Zhou Sect at the alchemy conference in three days. See you in Zhongzhou in three days.”

At the same time, other major sects also came to say goodbye to Zhou Qin. The current Zhou Qin is the head of the Emei sect, and any sect wants to curry favor with her.

Zhou Qin said goodbye to everyone with a smile, and her heart was indescribably excited.

This chapter is provided by . Visit [for](#) daily update.

Three days later, the alchemy conference was held in Zhongzhou.

And Zhongzhou is the seat of the Ouyang family. Yue Feng has been living in the Ouyang family all these years. When the time comes, Yue Feng will also appear at the alchemy conference... After

so many years, does Yue Feng still hate himself?

Thinking to herself, Zhou Qin couldn’t help her heart beat faster!

“Huh? Whose child is this?”

Just as Zhou Qin was thinking about this, a surprised voice sounded from the surrounding crowd.

Immediately afterwards, everyone's eyes turned to the entrance of the mountain gate.

I saw that a little boy came slowly. This child is not very old, only about ten years old. Wearing a black Tang suit, it can give people the feeling of being old-fashioned and stable.

Yes, this child is Yue Wuya!

Recently, Yue Wuya has been practicing all over the world. In the past few days, he has come to the Earth Circle Continent!

As soon as he came to the Earth Circle Continent, Yue Wuya heard about the alchemy conference, and immediately became interested.

At the beginning, Master Lu Jiechen was seriously injured by Yue Feng. Unless there is a natural resource for treatment, he will not be able to fully recover in his life. Yue Wuya is grateful for Lu Jiechen's education, and he is thinking about how to cure Master.

Later, Yue Wuya learned that there is a rare elixir called 'Qiqiao Linglong Pill', which can completely heal Master Lu Jiechen's injuries, so Yue Wuya searched everywhere for Qiqiao Linglong Pill, but there was no clue.

Therefore, when he learned that the Earth Circle Continent was going to hold an alchemy conference, Yue Wuya thought, at this conference, would anyone be able to refine Qiqiao Linglong Pill.

After all, this alchemy conference is the provincial capital of all alchemists in the entire Earth Continent, and there are so many experts. If someone really can refine this medicine pill, he will grab the medicine pill himself!

However, the alchemy conference will not be held until three days later. Under the boredom, Yue Wuya thought of Frost Bing!

A month ago, in the ancient battlefield of Tianqi Continent, Yue Wuya and Han Bing went through a few days of trials together, and the relationship between the two was much better. When they parted, Yue Wuya promised Han Bing that he would definitely come to Emei to find her when he came to the Earth Circle Continent.

So today, Yue Wuya came to the Emei faction and planned to play with Hanbing for three days before going to the alchemy conference.

Seeing Yue Wuya, everyone around didn't take it to heart, thinking that it was the children of the mountain people near Mount Emei who broke in by mistake!

## Chapter 1247

After all, today's Millennium Ceremony of the Emei Sect, many people nearby came to watch the fun.

"Children, you are not allowed to rush in here!"

At this time, an Emei disciple walked over and said to Yue Wuya, "Hurry up and get out!"

Hearing this, Yue Wuya smiled and pointed at the disciple. He said politely, "Sister, you misunderstood. I didn't break in by mistake, I came to find someone!"

Looking for someone?

In an instant, everyone around was stunned.

A little boy came to Emei School to find someone? It's really strange, you must know that the Emei faction never accepts male disciples, and according to the sect rules, it even orders the disciples to not interact with men!

Who is this kid looking for?

The female disciples of the Emei School who were present smiled and asked Yue Wuya: "Little boy, who are you looking for?"

Yue Wuya didn't care about the gazes of the people around him, and said slowly, "I'm looking for Han Bing!"

When he said this, Yue Wuya searched the Emei Sect crowd, but couldn't see the shadow of Frost Bing, so she couldn't help frowning secretly.

Why isn't Bing'er here?

Whoa!

In an instant, when they learned of Yue Wuya's intention, everyone present was in an uproar.

It was actually here to find Han Aoran's daughter!

At this moment, Zhou Qin came out and looked at Yue Wuya with a half-smiling smile: "Hey, boy, what are you doing with Han Bing? What is your relationship with her?"

"I'm friends with Bing'er!" Yue Wu Ya didn't even think to reply, then looked at Zhou Qin and asked, "This beautiful sister, where is Bing'er?"

Friends?

Zhou Qin was stunned for a moment, then sneered, and said angrily: "That scumbag has already been expelled from Emei by us! I'm afraid you made friends by mistake! I advise you not to look for her! She and her The shameless mother is gone."

When he said this, Zhou Qin couldn't hide the meanness on his face.

The faces of the people around were also complicated.

Many Emei disciples felt that it was too much, but what she said was true.

Han Aoran and Yue Wuya secretly gave birth to a child and kept it a secret for seven years. At this time, everyone had seen it, and Han Aoran himself admitted it.

"What did you say?"

At this moment, Yue Wuya's heart was shocked, the smile on his face disappeared instantly, and he stared at Zhou Qin: "I don't allow you to say that to Bing'er! She is not a villain!"

At that time in the ancient battlefield, When he and Han Bing met by chance, seeing that he was in trouble, Han Bing did not hesitate to help.

Such a kind girl with a sense of justice is said to be so unbearable.

At this moment, Yue Wuya's heart suddenly burst into flames!

Especially seeing Zhou Qin's acerbic appearance, Yue Wuya felt even more upset.

Zhou Qin didn't care about Yue Wuya's expression at all, and continued with a sneer: "If it's a villain, you'll know if you ask the people around you. Just now, her shameless mother admitted it herself."

Phew!

Yue Wuya took a deep breath, stared at Zhou Qin and asked, "Don't tell me this, I just ask you, where did Bing'er go?"

At this time, Yue Wuya had lost the politeness he had before, secretly Suppress your anger!

He didn't know how Bing'er offended the Emei faction, but Yue Wuya knew in his heart that even if everyone in the world despised Bing'er, Yue Wuya wouldn't care!

Chapter 1248

Seeing that Yue Wuya hadn't left yet, Zhou Qin was also a little impatient, and said to Yue Wuya, "Whose child are you? You don't understand human language? The shameless mother has left Emei, who knows where the person is? If you want to find Hanbing, don't come to Emei! That evil seed is not in Emei!"

Yue Wuya clenched his fists, his face became more and more ugly, pointed at Zhou Qindao : "You scold Bing'er again, the young master smashes your slut! You Emei faction, you can't think of peace!" The

voice fell, Yue Wuya's whole body filled with suffocation!

Whoa!

The voice fell, and everyone around was in an uproar.

This kid is not big, but his tone is not small. Dare to be wild in the Emei faction?

Who gave him the courage?

At the same time, the expressions of many disciples of the Emei Sect also changed, frowning and glaring at Yue Wuya.

How could the dignified Emei faction tolerate a ten-year-old child running wild on its own territory?

Zhou Qin's face flushed with anger, waiting for Yue Wuya Jiao to shout: "Where is the wild child, dare to act wild in my Emei faction? Today, I will teach you how to be a human being for your parents!" The

voice fell, Zhou Qin waved his jade hand: "Emei disciples, take this child down for me!"

Hula!

In an instant, more than a dozen disciples of the Emei School came over and surrounded Yue Wuya!

Although Zhou Qin is the head of Emei, her order, the Emei faction, no one disobeyed!

"Do you bully the less with more?"

Seeing these Emei female disciples gathered around, Yue Wuya smiled coldly, not panic at all!

Whoosh!

The next second, Yue Wuya jumped up, suspended in mid-air, and pulled out the Overlord's Hammer at the same time!

"Om!" When the

Overlord's Hammer was held in his hand, a dazzling ray of light erupted, like a round sun!

In an instant, the entire Mount Emei, everyone was stunned, their eyes full of shock!

The hammer in this child's hand, what weapon?

What a strong power fluctuation!

Artifact? !

Zhou Qin's tender body trembled, and her eyes were fixed on the Overlord Hammer in Yue Wuya's hand, with a scorching heat: "Take him, quickly, take him down..."

Zhou Qin could feel the powerful spiritual energy contained in the Overlord Hammer.

Speaking of which, just now Zhou Qin was still worrying about how to convince the public as the head of her own. After all, her strength is much different from that of Han Ao Ran.

But the child in front of him suddenly presented an artifact, how could Zhou Qin not be excited? !

Swish! Swish! Swish!

As soon as the words fell, dozens of female disciples of the Emei School rose into the air one after another, and they rushed towards Yue Wuya!

At the same time as Yue Wuya was surrounded, these female disciples of the Emei School formed an Emei sword formation. In an instant, the sword formation was formed, and the burst of aura distorted the sky!

"Ladies, don't say that I don't pity Xiangxiyu, you forced me!"

Yue Wuya said with a sneer, clenched the Overlord's hammer, and swung it out at once!

"Buzz!"

I only heard a thunderous vibration, which came from the Overlord's Hammer. The next moment, a dazzling light burst out, sweeping towards the dozens of Emei disciples around!

Bang bang bang!

In the blink of an eye, those dozens of Emei disciples felt that their bodies were imprisoned and could not dodge.

Seriously, seeing that they are all women, and they have no grievances or enmity, so Yue Wuya only motivated the power of the first floor of the Overlord Hammer!

If they burst out with all their strength, these dozens of Emei disciples would definitely be unable to resist!

hiss!

Seeing this scene, both Zhou Qin and other Emei disciples couldn't help gasping for air!

This...

Chapter 1249

This is just a ten-year-old child, holding a peculiar hammer, how can it burst out with such power?

What kind of artifact is this hammer? !

Under everyone's astonished gaze, Yue Wuya slowly landed and looked directly at Zhou Qin: "This is the strength of the Emei faction? That's all, tell me quickly! Where has Bing'er gone?"

"You little boy ? I'm going to educate you for your parents today!" Zhou Qin's delicate body trembled, her voice fell, she tapped the ground with her toes, pulled out her long sword, and stabbed directly at Yue Wuya!

call!

With this sword, Zhou Qin stimulated ten successes! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

Yue Wuya smiled coldly and looked at Zhou Qin: "Teach me

a lesson? You are not qualified!" After saying this lightly, Yue Wuya raised the Overlord Hammer and blocked the sword. Overlord Hammer has a powerful Spirit power, under the collision, Zhou Qin's long sword was sent flying!

Immediately afterwards, Yue Wuya raised his hand, quickly touched Zhou Qin's body, and touched her acupuncture point.

In an instant, Zhou Qin's body trembled, and she couldn't move!

"You..."

Zhou Qin looked at Yue Wuya in shock and anger, his face was full of incredible!

This.. how is this possible!

This is just a ten-year-old child, so strong?

At the same time, everyone around was stunned!

This kid is so strong! Why haven't you seen him before?

Which sect's disciple is he? !

And the disciples of the Emei School present were even more shocked and angry, and they all shouted.

"Head Sect Zhou..."

"Let Sect Master Zhou go!"

"You kid, you are so bold..."

Under the swearing, there was not a single disciple of the Emei School who dared to take a step forward!

Zhou Qin is the new head of the Emei faction, and he is no match for this kid!

"Am I bold?" Yue Wuya sneered as he listened to the coquettish shouts of the surrounding Emei disciples, and then moved his wrist: "The more daring ones are still to come!" The

voice fell, and Yue Wuya walked over without warning. A slap was thrown on Zhou Qin's face!

"Clap!"

When the slap went down, Zhou Qin let out a coquettish cry, and a slap print appeared on her fair face.

Although Yue Wuya is still a ten-year-old child, he has been with Lu Jiechen for seven years, and his character has long been influenced by Lu Jiechen.

“You scolded Bing’er just now, this slap, I will teach you a lesson for her!” Yue Wuya looked at Zhou Qin coldly, with a strong aura on her slightly immature face! Zhou Qin was so angry that she almost cried, she gritted

her teeth and said, “Who the hell are you, wait, I will kill you sooner or later!

“

past!

“Dare to scare me? You are now in my hands, and you dare to kill me?” Yue Wuya showed a bit of drama on his face, and said coldly!

Seeing Senior Sister being humiliated, the surrounding Emei Sect disciples couldn’t bear it any longer and rushed up one after another.

At this time, there were still many sects that did not leave Emei. Such as Beggar Gang, Constellation, Xiaoyao, etc. But these sects, watching Zhou Qin being beaten, hesitated and did not step forward to help.

Speaking of which, these sects and Emei are of the same spirit, and they can be regarded as alliances.

At this time, Zhou Qin was humiliated by Yue Wuya. It stands to reason that these sects should not sit idly by.

However, the other party is a ten-year-old child, and the sects of Xiaoyao and Xingsu, each of which is famous and authentic, are not easy to shoot.

It’s disgraceful to win this child, and it’s even more disgraceful to lose to this child!

Seeing the people from the Emei faction rushing in again, Yue Wuya frowned and asked impatiently at Zhou Qin, “I’ll ask you one last time, where

is Bing’er ?” Wu Ya hooked Zhou Qin’s chin and said with a smile: “I have a way to let you say it.” When the words

fell, Yue Wuya waved the Overlord Hammer, forcing the surrounding Emei disciples to retreat, and then, with one hand, Zhou Qin was thrown back. Pick it up, turn around and fly down the mountain!

Chapter 1250

Watching Yue Wuya carry Zhou Qin away, the disciples of the Emei Sect panicked and did not dare to chase. After all, this little boy is really too strong.

In the blink of an eye, Yue Wuya hugged Zhou Qin and disappeared from everyone's sight!

...

On the other side, in Donghai City, Liu Xuan's house.

In the villa hall, Liu Xuan sat on the sofa and kept looking at the direction outside the door.

After the seven-year appointment, Yue Feng didn't come, and Liu Xuan felt uncomfortable for a long time!

In the past few days, Liu Xuan also wanted to understand!

Now that the fate with Yue Feng has come to an end, you don't need to be too entangled, there is still a long way to go in life, so let's start a new life!

After she figured it out, Liu Xuan asked people everywhere to find a way to treat her face.

Just yesterday, Liu Xuan met a medical expert on the Internet, and the other party said that Liu Xuan could recover. And agreed to come to Liu Xuan's house to meet today.

Jingle Bell!

Just then, the living room doorbell rang.

Liu Xuan hurriedly got up to open the door, and saw a young man standing outside, dressed in a suit, with eyes, and a gentle manner.

"Miss Liu Xuan! My name is Chen Qi, a medical expert. I can cure your face." Chen Qi said with a smile.

Liu Xuan nodded quickly, then said with a smile, "Mr. Chen, please come in!"

Chen Qi walked in, sat on the sofa, looked at Liu Xuan's half-ugly face, and said with regret, "Oh, Miss Liu Xuan. It's such a pity to have such a beautiful face and such a beautiful face!"

With that said, Chen Qi took out a set of things from his purse: "This is a new type of skin medicine that we have developed, which can regenerate skin tissue, and has already obtained many patents!"

Liu Xuan took a look in her hand. , I saw this set of therapeutic drugs, beautifully packaged, not like a fake, but still a little suspicious: “This... can really cure my face?”

Chen Qi laughed: “Liu Xuan Miss, I doubt that I can understand, but you can rest assured that our products have been specially tested, here, this is my certificate.” After speaking, Chen Qi took out his certificate.

Seeing the documents, Liu Xuan’s doubts in her heart were immediately dispelled, and she asked softly, “How many courses of treatment will it take to completely heal my face, and how much will it cost in total?”

” of urgency.

My face is better, I don’t have to stay at home all day, I can go out to relax.

Chen Qi smiled slightly: “Our medicine has an exclusive patent, and we don’t need a few courses of treatment. This set is enough! Well, seeing that Miss Liu Xuan is also a destined person, I’ll charge you 50 million!”

What?

Fifty million?

Hearing this number, Liu Xuan’s body was shocked, and she suddenly exclaimed: “This... is too expensive!”

Chen Qi smiled and said patiently: “Miss Liu Xuan, we only have this kind of treatment medicine. A family, let’s talk about it, the so-called price is worth the money, fifty million in exchange for a good life, you are not at a loss!”

Having said that, Chen Qi looked around the villa: “Besides, you can live in such a good house. , I think, Miss Liu Xuan is not bad for this amount of money.”

“This...”

Liu Xuan bit her lip tightly, pondered, nodded and said: “Okay, you wait for my news, within two days, I will give you the news when I have the money!”

“Okay!”

With a sigh, he got up and said goodbye to Liu Xuan.

Watching Chen Qi leave, Liu Xuan couldn’t help but let out a long sigh of relief, then looked at the villa in front of her, very reluctant.

That's right, 50 million, Liu Xuan can't come up with it, the only way is to sell the villa!

And this moment.

As soon as Chen Qi walked out of Liu Xuan's villa, when he reached the intersection, he got into a car, and the driver was Liu Zhiyuan. At this time, Liu Zhiyuan, with a

sinister look on his face, said to Chen Qi, "How is it? Has that bitch been fooled?"

I'm so excited, I said to raise money within two days!"
