

The ultimate husband in Chinese chapter 1471-1480

Chapter 1471

"That's the formation you deployed just now!" Ye Ziyi stomped her feet anxiously.

Is this guy still pretending to be himself?

Yue Feng scratched his head and said slowly: "I read a military book before, it was written how to deploy the formation, the situation was critical at that time, I suddenly remembered, and I will tell you!" The

military book?

Ye Ziyi frowned, thinking secretly in her mind: "Which book on military affairs? Why haven't I read it?"

As the eldest lady of Famous Sword Villa, Ye Ziyi is considered to be well-versed in books, and she has never seen such a 'platoon of soldiers' Array' method.

She still didn't know that this kind of formation was only recorded in the Baiqishen formation, and there was no record in the general military books.

Nima!

This Ye Ziyi is not easy to deceive.

Seeing the persistence on Ye Ziyi's face, Yue Feng was very helpless and said with a smile: "What is the formation, is it important? Anyway, we have already won."

"No!"

Ye Ziyi said firmly: "You must tell me. !"

Ye Ziyi is a very persistent girl, no matter what happens, she must figure it out.

Yue Feng couldn't help but nodded with a smile: "Okay, let me tell you, this formation is called the 'Four Elephants Array'." The

Four Elephants Array? Hearing this, Ye Ziyi

This chapter is provided by . Visit for daily update.

frowned, and then she couldn't wait to ask: "Since you know how to form, why did you form an alliance with me in the first place, and, in the end, let me command?" A turn: "I understand, you don't want to show your talent, you are afraid of being noticed

, right?”

Is this Ye Ziyi so smart? Immediately, he guessed his purpose.

Yue Feng looked surprised, looked at Ye Ziyi, nodded slowly and said: “Yes!”

“Why?” Ye Ziyi instantly became interested in Yue Feng’s identity: “Why do you hide your ability? Who the hell are you?”

With just a single formation, the alliance of four Zhang Qiang was easily defeated. The Hu Mingyue in front of him must have an extraordinary identity!

“Young Master Ye!”

Yue Feng thought about it quickly, with a serious look on his face: “You are right, I am covering up my strength, and my real name is not Hu Mingyue, but my real identity, I can’t tell you yet!”

After two days of understanding, Yue Feng could feel that Ye Ziyi was a kind-hearted woman, so she was not afraid to tell her a little secret.

“You...”

Seeing that he was halfway through his words, Ye Ziyi was very depressed and stomped her feet angrily.

At this time, Yue Feng continued with a smile: “Everyone has a secret, just like you, a woman disguised as a man to participate in a martial arts contest, so do I, now we both know each other’s secrets, and I hope each other can keep it a secret, what do you think? ?”

Seeing Yue Feng’s serious face, Ye Ziyi fell silent.

She is a smart woman, Yue Feng has said this, and he must have his own difficulties.

call!

Thinking to herself, Ye Ziyi breathed a sigh of relief, looked at Yue Feng and nodded: “Okay, since you said so, I won’t ask more, don’t worry, I won’t tell anyone about this. “

Okay!”

Seeing her promise, Yue Feng showed a smile: “Then it’s a deal!”

“Well, it’s a deal!”

After the agreement, Ye Ziyi didn't stop, just turned and left.

Looking at Ye Ziyi's back, Yue Feng smiled secretly and returned to the inn.

Chapter 1472

Back at the inn, Yue Feng directed at the four dragons and four phoenixes and said, "You guys wait near the palace and check the news about Princess Yueying..."

Although Ren Yingying can be seen on the field every day, but Yue Feng still wanted to know her situation in the palace. To be honest, Yue Feng really wanted to sneak into the palace to investigate, but thinking that there are many experts in the palace, and that he is now a contestant, he gave up the idea.

"Yes, boss!" The

voice fell, and the four dragons and four phoenixes did not dare to neglect, and hurriedly left the inn.

A few hours later, Silong Sifeng brought back the news.

Knowing that Ren Yingying had committed suicide several times in the past few days, all of which were discovered in time, Yue Feng couldn't tell how distressed she was.

That night, Yue Feng's mind was all about Ren Yingying, and he didn't fall asleep until the middle of the night.

Early the next morning, Yue Feng arrived at the martial arts arena and was stunned! It was seen that the contestants of Wubi did not enter the arena, but gathered on the street outside the entrance.

In addition, there are many garrison troops on both sides of the street, maintaining order.

Nima!

What's the situation?

Today's game, something went wrong?

Seeing this scene, Yue Feng frowned secretly, and then walked over quickly.

When I got to the front, I saw that on the high platform inside, the Emperor Tianqi and the civil and military officials had already arrived.

It's just that there was no one in the arena, and all the contestants were concentrated on the street outside.

Seeing this scene, Yue Feng was even more puzzled.

Nima!

What the hell is the royal family going to do in this weather?

"Everyone!"

At this moment, Yue Chen slowly walked out of the arena and said slowly, "First of all, congratulations to all of you for getting all the way up to this point. Today is the semi-final of Wubi.

"It's going to be a semifinal?"

Hearing this, Yue Feng couldn't help but look around, feeling very emotional.

It can be seen that the tens of thousands of people who signed up for the martial arts competition at the beginning, after two days of competition, there are now only more than 200 people left.

In today's finals, the top ten will be determined to enter the final finals.

For a time, Yue Feng secretly clenched his fists, his heart filled with infinite fighting intent. No matter what the rules of today's semifinals are, I will advance no matter what.

"Your Majesty's decree just now." At this time, Yue Chen continued: "Today's semi-finals will be held in the Royal Trial Ground. In the Royal Trial Ground, there are often Fengling wolves. Everyone should know that Fengling The wolf is also a kind of spiritual beast, and once the strength reaches the realm of the Martial Saint, the inner core will be condensed in the body."

Speaking of this, Yue Chen's mouth twitched: "Today's game rule is, everyone enters the royal trial ground and kills them. Feng Linglang, get the inner alchemy, get the top ten with the most inner alchemy, successfully advance to the finals, and the rest will be eliminated."

Wow!

In an instant, there was an uproar in the audience, and nearly two hundred contestants were all shocked.

As we all know, the strength of spirit beasts, like human cultivators, is also divided according to 'martial masters, military commanders, martial sages...'.

The wind spirit wolf is a kind of spirit beast. It is famous for its speed. It comes and goes like the wind, especially the wind spirit wolf in the martial arts realm. It is as fast as lightning. Inner alchemy in its body.

For a time, many contestants with lower strength were secretly complaining.

For them, today's semi-final can be said to be difficult.

However, Lu Jiechen and some of the top-ranked contestants had a relaxed look on their faces.

However, some wind spirit wolves are just a handful.

Yue Feng stood there with a smile on the corner of his mouth.

No wonder no one was in the arena. It turned out that today's game was held at the Royal Trial Ground. As for those wind spirit wolves, Yue Feng didn't even pay attention to them.

At the realm of his fifth-stage Martial Emperor, killing Feng Linglang is no problem at all.

"Okay!"

At this time, Yue Chen waved his hand and signaled everyone to be quiet: "It's almost time, now I will take you to the trial ground."

Chapter 1473 The

voice fell, Yue Chen rode on a big horse, and under the escort of many imperial guards, with many contestants, slowly walked out of the imperial city and headed for the trial site.

The Royal Proving Ground, located a few miles south of the Imperial City, is actually an ancient battlefield site. There are many ancient battlefields in the Apocalypse Continent. Because it is very close to the Imperial City, it is listed as a forbidden place by the Royal Family, specially for the trial of royal children. use.

In the semi-finals of this competition, Emperor Tianqi specially allowed it to be open to the contestants as a competition venue.

Soon, everyone arrived at the ancient battlefield.

hiss!

At this moment, seeing the ancient battlefield in front of him, Yue Feng couldn't help taking a breath.

As you can see, the ancient battlefield in front of you is not only extremely wide, but also has a very complex environment. There are trees and trees everywhere, and some broken walls and tiles are faintly exposed between the trees and trees, revealing an ancient and mysterious atmosphere.

Around the ancient battlefield, it was surrounded by hundreds of thousands of imperial guards to prevent others from entering, leaving only one exit.

“Okay, everyone can go in.” At the entrance, Yue Chen smiled and said: “Remember, before it gets dark, the top ten with the most Inner Alchemy will be promoted smoothly, and I wish you good luck!”

Hula!

The voice fell, and nearly two hundred contestants poured in.

Yue Feng didn't have time to think about it, and rushed in. After entering, Yue Feng did not go with the other contestants, but went to a place with few people.

Haha...

In this trial ground, there is no invigilator watching, so I don't have to hide my strength, and I can use the exercises at will.

Whoosh!

Soon, when he reached a forest, Yue Feng saw a white shadow flashing in front of him. The speed was very fast, his body was covered in snow-white hair, full of spiritual energy, and a pair of blood-red eyes shone with a frightening light.

It is a wind spirit wolf!

I was lucky, I just came in and met one.

Yue Feng was overjoyed and quickly chased after him. He felt that the group of wind spirit wolves in front of him belonged to the Martial Saint Realm, that is to say, there must be an inner core in the body!

Bang...

A few seconds later, Yue Feng successfully caught up and killed the wind spirit wolf.

Haha...

a Neidan in hand! The moment he took out the inner alchemy, Yue Feng smiled and felt very relaxed.

Um?

There seems to be more in there!

Yue Feng clearly sensed that there were some spiritual energy fluctuations in the depths of the woods. Obviously, there were more than one wind spirit wolf inside.

“Oh? You’re lucky!”

Just as Yue Feng was about to enter the depths of the woods, there was a chuckle behind him, and he saw a man in a black tights walking over with a smile that was not a smile.

This person is called Wu Cang, from the Divine Wind Gate of Xi Cang Continent, the second-rank Martial Emperor.

Wu Cang always occupied the top five in the Wubi rankings of the first two days.

Seeing Wu Cang, Yue Feng frowned and did not respond.

“Tsk tsk.” At this time, Wu Cang looked at the corpse of Feng Linglang next to him, and said lightly to Yue Feng: “You kid is lucky, you just killed one when you came in.”

After that, Wu Cang stretched out his hand, not allowing him Doubt: “Hand over the inner alchemy.”

I turned around just now, but I didn’t see a single wind spirit wolf. Seeing that Yue Feng had got one, Wu Cang immediately became eager to snatch it.

Nima!

Is this to rob Naidan?

Muttering in his heart, Yue Feng chuckled and looked at Wu Cang: “Wu Cang, the rules of the game are very clear, everyone enters the royal trial grounds, everyone depends on their abilities, why should I give you the inner elixir that I got by myself? “

Why?”

Hearing this, Wu Cang sneered, his eyes flickering with sullenness: “Just because I am stronger than you!”

Chapter 1474

“Om!”

At the moment when the voice fell, a powerful breath burst out from Wu Cang, directly locking Yue Feng.

In Wu Cang's eyes, Hu Mingyue in front of him was only in the realm of Martial Saint, and he could easily crush it with one hand.

interesting!

Yue Feng was suddenly a little angry, and he didn't panic at all: "Really? If you want to grab it, come and try."

When he said this, Yue Feng secretly used his internal strength and was ready to take action.

Anyway, no one around sees it. If this Wu Cang really wants to die, he will show his true strength and fulfill him.

"Yo?"

Seeing that Yue Feng still dared to challenge himself, Wu Cang grinned and walked over slowly!

For a time, the atmosphere was very tense, and the air was filled with the smell of gunpowder.

Swish...

At this moment, a footstep sounded not far away, and then, a tall figure appeared in front of Yue Feng and Wu Cang.

This man is tall and mighty, and the powerful aura permeating his body is even more heart-pounding.

"Yan Yunfei?"

Wu Cang was stunned when he saw the person coming.

Yan Yunfei, from the Shenghai Pavilion of the Southern Cloud Continent, is the fourth rank of Martial Emperor, and his strength is tyrannical. In this martial arts competition, he shines brightly!

Nima!

Why another one!

At this time, Yue Feng also frowned secretly.

One Wu Cang, I can handle it myself, and another Yan Yunfei at this time, it will be difficult to handle. If I use my real strength and can't kill these two people quickly, my identity will be exposed.

"It's very lively!"

At this time, Yan Yunfei looked at Wu Cang and Yue Feng, and said slowly, "You two are here, are you trying to form an alliance?"

After speaking, Yan Yunfei looked at Feng Ling on the ground. Wolf carcass.

"Haha, Yan Yunfei, you are too good at joking. Even if I find someone to form an alliance, I won't find this kid." Wu Cang laughed dumbly, looking at Yue Feng with a hint of contempt.

Immediately, Wu Cang looked at Yan Yunfei: "Yan Yunfei, why don't we join forces, this time the semi-finals will definitely advance smoothly, in order to show my sincerity, the wind spirit wolf inner pill on this kid belongs to you, How is it?"

Wu Cang's eyes were full of anticipation when he said this.

This Hu Mingyue is only in the Martial Saint Realm, and he is too lazy to take a look, how can he form an alliance with him.

But Yan Yunfei was different. His cultivation realm was higher than his own. If he could successfully form an alliance, he would be properly promoted today.

"Okay!"

Yan Yunfei showed a smile and nodded in agreement without thinking about it.

In the next second, Yan Yunfei walked up to Yue Feng: "Hu Mingyue, the person who knows the current affairs is Junjie, give me the inner elixir on your body."

Like Wu Cang, Yan Yunfei didn't put Yue Feng at all . In his eyes, he thought he was a nobody in the Martial Saint realm.

Nima!

Facing the situation in front of him, Yue Feng secretly sneered.

The two boys in front of them, as cultivators, are bullying the weak, and they have no morals at all, and they don't know how the weather royal family let them pass during the audition.

It's just a joke for such a person to really want to be a concubine.

Thinking to himself, Yue Feng was too lazy to talk nonsense, looked at Yan Yunfei and said lightly: "I won't give you the inner pill, if you want it, just take it according to my ability!"

When he said this, Yue Feng's eyes flickered cold.

Yue Feng has already thought about it, even at the risk of revealing his identity, he will take these two people down!

Chapter 1475

"Okay, okay!" Seeing Yue Feng's resolute expression, Yan Yunfei was stunned for a moment, then sneered: "The boy is quite principled, if that's the case, don't blame us for being rude!"

At this moment, Wu Cang rushed up: "Yan Yunfei, this kid is not worth your shot at all, let me deal with it!" The voice fell, and he slapped him hard, calling directly at Yue Feng.

In Wu Cang's heart, Yan Yunfei was stronger than himself. If he wanted to form an alliance with others, he naturally had to flatter him.

call!

Wu Cang shot quickly, and saw that the palm contained extremely strong internal force, and the surrounding air was distorted. Seeing this palm, it was about to reach Yue Feng's eyes. Suddenly, Yan Yunfei

cried out, "Wait a minute, wait a minute!" what's the situation? At this time, Yue Feng also frowned secretly, very puzzled. To be honest, Yue Feng was confident enough to defeat Wu Cang with one move, but he did not expect that Yan Yunfei would suddenly stop. This... conscience found out? At this moment, Yan Yunfei walked over quickly, staring closely at the piece of white jade on Yue Feng's waist, her tone was complicated, and she was a little surprised: "Hu Mingyue, where did you get this jade card?" Saying this At the time, Yan Yunfei tried his best to restrain his excitement! Because of this white jade waist card, Yan Yunfei was too familiar with it! It is the token of the Nagumo royal family! The Shenghai Pavilion where Yan Yunfei was located, although it was a martial art of Jianghu, had an inextricable relationship with the Nanyun royal family. More than ten years ago, in a dispute between rivers and lakes, Shenghai Pavilion was almost destroyed. At a critical moment, the Nanyun royal family took action to stop the dispute and supported Shenghai Pavilion.

It can be said that without the Nagumo Imperial Family, there would be no Shenghai Pavilion today.

And Yan Yunfei, as the senior brother of Shenghai Pavilion, was summoned by Queen Nanyun more than once, so he knew the royal family's token best.

The white jade waist badge on Yue Feng's body, whether it is texture or carving technique, belongs to the Nanyun Royal Family!

This Hu Mingyue actually has a token of the Nanyun royal family, and his identity is no trivial matter. He can't make the wrong person.

At this moment, I felt that Yan Yunfei's attitude was obviously different from just now, and his expression was a little subtle. Although Yue Feng didn't understand what was going on, he vaguely guessed something!

The next second, Yue Feng was very calm, and said lightly: "This is my thing!"

Yue Feng was right, he and Long Qianyu had a marriage contract. His letter.

What?

Is this his thing?

Could it be....the person in front of me is....a member of the royal family of the Southern Cloud Continent?

Hearing this, Yan Yunfei's body trembled, and cold sweat broke out, then he was about to bend over to salute. However, Yue Feng stopped him in time with his eyes.

No matter who this Yan Yunfei thinks he is, there is Wu Cang watching, if Yan Yunfei is too excited, his identity will be exposed!

After all, in this semi-final, it is better not to kill or not to kill. "Don't salute, let alone let others know my identity. Do you know?" Yue Feng whispered to Yan Yunfei.

Yue Feng's words made Yan Yunfei nodded again and again. The person in front of him must be a member of the Nagumo Royal Family. He doesn't want to reveal his identity, because he doesn't want to be too public! No matter what status he is in the royal family, he must not ruin his plan!

"Hey, Yan Yunfei, what's the situation?" At this moment, Wu Cang, who didn't know what to do, said in a very puzzled manner.

Yan Yunfei looked at Wu Cang coldly: "Wu Cang, I'm here today, don't try to draw Hu Mingyue's attention, get out of here!"

When he said this, Yan Yunfei's body filled with evil spirits. It was this Wu Cang who belonged to Nima, who almost offended his own people.

hiss!

Feeling the killing intent in Yan Yunfei's eyes, Wu Cang couldn't help gasping for air, with a confused look on his face: "This..."

What's going on?

Why in a blink of an eye, this Hu Mingyue has become Yan Yunfei's own person?

"Don't get out yet?" Seeing Wu Cang standing still, Yan Yunfei shouted angrily again.

At the same time, Yan Yunfei looked at Yue Feng for instructions, as long as Yue Feng nodded slightly, Yan Yunfei would take action without hesitation.

The ultimate husband in Chinese chapter 1476-1480

Chapter 1476

"Okay, okay..." Seeing that the situation was not good, Wu Cang was frightened and didn't dare to stop. He responded twice and walked away in a daze.

no way.

This Hu Mingyue can be ignored, but Yan Yunfei can't afford to offend him.

call!

Seeing Wu Cang walk away, Yan Yunfei took a deep breath. Immediately afterward, he said respectfully to Yue Feng: "Sir, let me help you get the inner alchemy later, and I will definitely help you advance smoothly!"

"No need!" Yue Feng smiled slightly and shook his head: "Let's go separately. Right ."

In the hearts of everyone, he was just a nobody, and suddenly walking away with Yan Yunfei, it was easy to be suspected.

"Then... okay."

Hearing this, Yan Yunfei no longer insisted, and waved goodbye to Yue Feng and left.

Seeing Yan Yunfei leaving, Yue Feng didn't stay long, turned around and entered the depths of the woods.

Soon, walking through the woods, Yue Feng saw that there was a hole under the ruins in front of him! At the entrance of the cave, there are several wind spirit wolves walking back and forth.

There are two of them, both in the realm of Martial Saints.

Haha...

It seems that I am lucky today, and I met three heads in a while.

Yue Feng was overjoyed, and before he could think about it, he urged his figure to rush over.

This chapter is provided by . Visit for daily update.

“Bang Bang...” In

a few breaths, Yue Feng easily killed several wind spirit wolves and obtained two inner cores again.

“Ow, ooh...”

However, at this moment, I only heard howls of wolves coming from the surroundings, and then, one after another, snow-white figures quickly gathered together!

What the hell!

So many wind spirit wolves? Did you break into their lair?

Seeing this scene, Yue Feng was both shocked and delighted. With so many wind spirit wolves, there must be a lot of inner alchemy. He must have been promoted steadily today!

Thinking about it, Yue Feng's inner strength turned, and he burst into a powerful fighting spirit, rushing into the Fengling Wolves!

In a short while, Yue Feng killed more than a dozen Feng Ling wolves in the Martial Saint Realm, and the Martial Emperor Realm broke out in full force. Although these Feng Ling wolves were many, they were not Yue Feng's opponents.

“Roar...”

Just when Yue Feng was killing, a roar that shocked the world suddenly came from a hole not far away.

hiss!

Yue Feng hurriedly looked back, his body was shocked, and he couldn't help gasping for air!

I saw a huge figure jumping out of the hole, covered with snow-white hair, like silver satin, with a powerful breath all over his body, almost breathless.

That heart-shattering roar just now came from this huge wind spirit wolf!

This wind spirit wolf is more than ten meters long and three meters high. There are several eye-catching lines on its forehead, and a pair of eyes flashing scarlet light!

What the hell!

Is this a wind spirit wolf king?

Yue Feng was stunned, only to react after a few seconds, and his heart was extremely shocked!

Yue Feng guessed right, the giant beast in front of him is the Fengling Wolf King. It was resting in the cave, and when it sensed that there were strong human beings and slaughtered its own group, it rushed out.

This wind spirit wolf king, the strength has reached the realm of the emperor, and has a certain intelligence!

“Roar!”

At this time, seeing that Yue Feng had killed more than a dozen of his own clan, Feng Linglang's eyes were extremely blood red, and he let out a roar.

Kachacha...

In the blink of an eye, the Fengling Wolf King arrived in front of Yue Feng, and his front claws suddenly swung out, causing a burst of thunder and lightning.

Damn, this wolf king actually has lightning strikes.

*

-Yue Feng was startled, but he didn't panic too much. He sneered and fought fiercely with this wind spirit wolf king.

“Ow, ooh...”

At this moment, the other wind spirit wolves around raised their heads and howled, cheering on their leader.

Chapter 1477

Seeing this scene, Yue Feng sneered secretly.

“Bang!”

Yue Feng Chunyang’s internal energy exploded, and he slapped the head of the Fengling Wolf King with a palm. He saw its huge body tremble, screamed, and then slammed to the ground and took his last breath.

“Ouch, ooh...”

Seeing this situation, the surrounding wolves suddenly froze, bared their fangs and roared at Yue Feng. Appears to be attacked at any time.

Although Yue Feng killed the wolf king in seconds, animals like wolves are never afraid. If someone kills their own kind, they will avenge their comrades even if they try their best.

Seeing the wolves coming, Yue Feng didn’t panic at all. The wolf king was killed by himself, and the remaining wolves were nothing to worry about.

Um?

Just when Yue Feng was about to take out the wolf king’s inner core, he suddenly found something and was stunned.

I saw that there was a rope tied around the neck of this wolf king, and there was a black ring on the rope.

What the hell is this?

Yue Feng frowned, pulled the ring off, held it in his hand and looked at it.

“Uuuu...”

It was at this moment that the wolves around were about to attack. When they saw the black ring in Yue Feng’s hand, they all let out low roars and slowly backed away, very jealous. look.

Holy crap, can this thing drive away wolves?

Seeing this scene, Yue Feng was both surprised and happy, and became even more puzzled about this ring.

“Pang Tong, do you know what this is?” Yue Feng couldn’t help asking. Pang Tong was a well-known advisor in the Three Kingdoms.

“Go back to the master!”

As soon as the voice fell, Pang Tong responded slowly: “This thing, it should be the ring of the beast.” Ring of the

beast?

Hearing this word, Yue Feng froze for a moment, and became even more puzzled.

Before he could continue to ask, Pang Tong slowly explained: “The beast-controlling ring is a token for the beastmaster to control the spirit beasts. Through the beast-controlling ring, the beastmaster can communicate with the spirit beasts well...

”, Pang Tong simply told some things about the animal master.

It turned out that in addition to alchemy masters, there are also beast masters in the cultivation world, but in the past thousand years, as the number of spiritual beasts has become less and less, the beast masters have also broken the inheritance, it can be said that the current Kyushu continent, no animal masters can be seen teacher’s figure.

“Master!”

Just when Yue Feng was secretly shocked, Pang Tong continued: “This beast ring can deter wolves, presumably, its owner used to be a great animal master, this thing must be good Keep it, maybe it will be useful to you in the future.”

When he said this, Pang Tong’s tone was very serious.

Um!

Yue Feng nodded and agreed.

This beast ring, which can make the wolves so jealous, must be a good thing, how could it be thrown away.

Thinking to himself, Yue Feng put the beast-fighting ring on his body, and then dismantled the wolf king’s body and took out the inner alchemy.

Holy crap ...

The moment he took out the wolf king's inner alchemy, Yue Feng's spirit was shocked, and the whole person was surprised and happy!

I saw that the inner core of the wolf king was not only twice the size of the other inner cores, but also golden, with a lustrous body, exuding a dazzling light.

Haha...

golden inner alchemy.

With just this one, I can steadily advance. At this moment, Yue Feng was indescribably excited.

Whoosh!

At this moment, a powerful aura wave came from the sky not far away, and then, a figure flew over quickly.

Nima!

How is he?

Yue Feng looked up and frowned immediately. What was originally a relaxed and happy mood suddenly became very bad.

I saw the arrogance on the face of the person who came, revealing incomparable self-confidence, and a strong aura pervaded his body.

It was Lu Jiechen!

Chapter 1478

Lu Jiechen landed on the ground, seeing so many wind spirit wolves around, he was extremely excited: "Haha! So the wolf pack is here." The

next second, Lu Jiechen saw the wolf king's body and directed at Yue Feng He asked coldly, "So big, the wolf king? How did he die?"

When he said this, Lu Jiechen didn't even look at Yue Feng, his tone was high and commanding.

At this time, Lu Jiechen did not know that the person in front of him was his great enemy Yue Feng.

In his heart, the Hu Mingyue in front of him is just a small character who ranks low, and he is not worthy of his attention at all.

Nima!

After not seeing him for a few years, this Lu Jiechen is still so arrogant.

With a curse in his heart, Yue Feng secretly clenched his fists, but after a few seconds, he still pretended to be very honest and responded: "This... I'm not very clear, I heard the sound of fighting here just now, I rushed over and saw that the wolf king was dead."

When he said this, Yue Feng's expression was very natural. It doesn't look like a lie at all.

Yue Feng could feel that Lu Jiechen's strength was much improved than before, and he had a cunning temperament. If you want to win against Lu Jiechen, that's definitely not a problem. But it's almost impossible to kill him in seconds. Once Yue Feng kills Lu Jiechen, he will definitely use all his cards. In that case, Yue Feng's identity will be exposed.

It is better not to be impulsive if it is too small. Therefore, Yue Feng still made up a lie and stabilized Lu Jiechen first.

"The sound of fighting?" Lu Jiechen frowned, then walked over slowly: "You mean, this wolf king was killed by someone else?"

Lu Jiechen had no doubt that the wolf king was killed by Hu Mingyue Dead, because he is in the Martial Saint Realm, and he has no such ability at all.

"It should be!" Yue Feng began to talk nonsense: "And there is more than one person. After they killed the wolf king, there should be a dispute over the distribution of the results, and then infighting broke out. As for who these people are, I have no idea. See, just guess..."

"Haha..." Hearing this, Lu Jiechen showed a smug smile and looked at the wolf king's corpse closely: "It seems that I am lucky today, I picked up a ready-made one. It's cheap."

This wolf king's inner core must be very rare, as long as he gets the wolf king's inner core, he can easily advance to the semi-final today.

At this time, Lu Jiechen didn't know that the wolf king's inner core had been taken out by Yue Feng.

With pride, Lu Jiechen was too lazy to talk nonsense, and waved at Yue Feng: "If that's the case, then you can go, it's none of your business here."

There are so many wind spirit wolves around, and the wolf king, so Good things, of course, have to be enjoyed alone.

Nima! This Lu Jiechen is indeed a wolf's ambition, and he still wants to take it alone...

He cursed inwardly, Yue Feng didn't show it on his face, but he still made an unwilling look, rushed to Lu Jiechen with a wry smile: "Lord Lu, There is a saying that 'meeting is divided into half', this wolf king's body, anyway, I found it first, isn't it inappropriate for you to let me go."

Seriously, the wolf king's inner core has already been obtained, Yue The wind can go directly.

But since it's played, it's a full set.

After all, Lu Jiechen is too cunning, and if he has something wrong, he will see the clues.

really!

Hearing this, Lu Jiechen sneered, his face full of arrogance: "Boy, do you have the qualifications to negotiate with me? Hurry up while I'm in a good mood now!"

"Okay!"

Yue Feng smiled bitterly, with a reluctant expression on his face: "Then I wish Cult Master Lu good luck." The

voice fell, and Yue Feng left with great fear. The moment he turned around, Yue Feng's eyes were full of gloom.

Lu Jiechen, I'll make you proud for two more days. When the finals meet, let's settle the old accounts.

"Whoosh!"

Watching Yue Feng walk away, Lu Jiechen didn't have time to think, his body flashed, and he went directly to the wolf king's body.

"With such a big wolf king, the inner alchemy must be extraordinary." Lu Jiechen's face was full of excitement, and at the same time he reached out to take the inner alchemy.

Chapter 1479

Huh?

In the next second, Lu Jiechen was furious, only to see that the wolf king's body was empty, and the inner core was long gone.

“This Hu Mingyue dares to lie to me and seek death!” In an instant, Lu Jiechen’s face was extremely ugly, his eyes spitting fire. He clenched his fists tightly, and his body was filled with a powerful evil spirit.

The situation in front of him was obvious. Hu Mingyue had taken the inner elixir long ago, but pretended to have just arrived in front of him.

In anger, Lu Jiechen stood up quickly and was about to chase in the direction Yue Feng left.

“Ow...Ow...”

However, at this moment, the wolves gathered around, let out a howl that shocked the soul, and they rushed up one by one, surrounding Lu Jiechen.

When Yue Feng was there before, because of the beast-fighting ring on his body, the surrounding wolves were afraid and did not dare to attack.

But now that Yue Feng was gone, and seeing Lu Jiechen desecrating the wolf king’s body, these wolves were instantly inspired by bloodthirsty beasts.

“A bunch of beasts, get out of my way.”

Seeing this situation, Lu Jiechen didn’t know why, he was shocked and angry, and he roared and exerted his internal strength, sending the Fengling Wolf who was pounced into the air.

However, the number of wolves was too large, thousands of them, and as soon as a few were repelled, more wind spirit wolves rushed forward one after another.

In this case, Lu Jiechen couldn’t get away at all, and could only entangle himself with the wolves.

...

the other side!

Hearing the roars of wolves coming from behind and Lu Jiechen’s angry scolding, Yue Feng felt indescribably happy!

Ha ha...

Lu Jiechen, let you be so self-righteous and deal with the wolves well.

Muttering in his heart, Yue Feng probed towards another forest. Before you know it, a day has passed.

When night was about to fall, Yue Feng left the trial site, where he was at the exit, and joined the other contestants.

When they were about to exit, they saw Yue Chen leading the royal guards from a distance, and they were already waiting there.

In front of Yue Chen, nearly two hundred contestants had almost all arrived.

Haha...

Yue Feng saw Lu Jiechen standing in front of him at a glance, and almost couldn't help laughing.

I saw that Lu Jiechen's clothes were messy, with holes in many places, blood dripping from his body, and he was very embarrassed, as if he had escaped.

good! Lu Jiechen was besieged by wolves before. Although he finally managed to escape, he was also bitten by wolves in several places on his body. Although it was only a skin injury, it was also very embarrassing for Lu Jiechen.

"Good boy, you still dare to come out!"

Seeing Yue Feng, Lu Jiechen's breath was not in a single place, his eyes almost spitting fire.

Swish!

In an instant, the eyes of everyone around him also converged on Yue Feng.

what happened?

This Hu Mingyue, offended Lu Jiechen? Isn't this looking for death?

At this time, everyone didn't know what happened. After all, Lu Jiechen was arrogant and arrogant, how could it be possible to say it in public.

Chapter 1480

"Lord Lu!" Yue Feng didn't panic at all, and smiled slightly: "Why don't I dare to come out? Speaking of which, if I hadn't given up the wolves to you, you wouldn't have gotten so many inner pills. Right?" With

that, Yue Feng glanced at the ranking list next to him.

Yue Feng was the last one to come out. Before he came out, the provisional ranking for today's semi-finals had already been figured out!

As you can see on the list, Lu Jiechen is still far ahead, having obtained 1,260 Inner Pills, ranking first, nearly a hundred more than the second place.

What the hell!

Seeing the list, Yue Feng was secretly surprised.

This Lu Jiechen is quite ruthless, he actually got 1,260 inner cores.

“You...” Lu Jiechen stared at Yue Feng tightly, his eyes blood red! Yue Feng was right. Although Lu Jiechen was besieged by the wolves, he also obtained a lot of inner elixir.

However, Lu Jiechen was extremely angry! This Hu Mingyue, obviously took the wolf king's inner pill, but gave himself the wolf king's body and played himself as a fool. This bad breath cannot be swallowed like this.

The more Lu Jiechen thought about it, the more angry he became, and he couldn't help but want to take action against Yue Feng, but in the end he held back. After all, I still have to participate in the competition and win the first place, so that I can marry the princess.

More importantly, Yue Chen and Yu Linjun were watching.

“Oh! Hu Mingyue.”

At this moment, a fair-looking boy came out and said with a smile: “Stop talking nonsense, and quickly take out the inner elixir you got. However, looking at you like this, it must be in Not in the top ten...” The

tone was very disdainful.

This kid is called Tian Jing. He is one of the newly appointed guardians of the Ming Cult.

Seeing the deputy leader's attitude towards Hu Mingyue, Tian Jing vaguely guessed something, so he hurriedly mocked Yue Feng to vent his anger on the deputy leader.

Dare to provoke our deputy leader, it is simply impatient to live!

At the same time, Yue Chen also said lightly, “Hu Mingyue, today's semi-final is over soon, hurry up and hand over the inner elixir you got!”

When he said this, Yue Chen looked impatient. Like everyone around him, Yue Chen didn't take this Hu Mingyue seriously at all.

Although, in the previous game, Hu Mingyue defeated Ye Wentian, but relying on a lot of luck, in the final analysis, he is only in the martial arts realm, even if he obtains the inner alchemy, it is impossible to compare to the top ten on the temporary list. many.

“Okay!”

Yue Feng smiled slightly, and then took out the inner core from his body.

Haha...

In an instant, the number of Inner Alchemy in Yue Feng’s hand was filled with laughter.

Only a handful of thirty. This kind of achievement, let alone in the top ten, even the top 100 has no place for him.

“Ouch...”

Tian Jing laughed, leaning back and forth, tears almost bursting out, pointing at Yue Feng: “I laughed so hard, you were the last one to come out, and you only got so many inner pills? What? Was it being chased by the wind spirit wolf all over the mountain? Just escaping for your life? Haha...” The

voice fell, and the others around also pointed at Yue Feng, sneering.

In the face of everyone’s ridicule, Yue Feng smiled and said nothing. That’s right, Yue Feng hasn’t taken out the golden inner core of the wolf king! However, at this moment, Yan Yunfei on the side couldn’t help it.

“Tian Jing!” Yan Yunfei took a step forward and looked at Tian Jing coldly: “Is this interesting? The same contestant, Hu Mingyue got the inner alchemist, should you be laughed at?”

“Wow!”

At this moment, everyone around suddenly stopped laughing, and there was an uproar!

what happened?
