

The ultimate husband in Chinese chapter 1501-1510

Chapter 1501

At this moment, Yue Chen also wiped away a cold sweat.

Yeah, it's finally safe and sound.

Of course, Yue Chen was not worried about the safety of Hu Mingyue, but worried that he would be implicated. This Hu Mingyue's hidden strength has not been discovered by others. As an examiner, this is a lack of supervision...

Phew!

At the same time, everyone around was secretly relieved for Yue Feng! At the same time, looking at Yue Feng's eyes, it has become different from before, with a strange brilliance.

It turns out... this Hu Mingyue is a disciple of an expert outside the world.

No wonder the strength is so strong that he is reluctant to reveal his identity.

"Continue the game!" Emperor Tianqi returned to the dragon chair and said lightly.

Yue Chen nodded quickly, then walked out and said loudly: "Okay, now we are going to decide the first place. The three people will start drawing lots. The two selected will compete against each other and win the qualification to enter the competition for the first place.

" After falling, Yue Feng and Lu Jiechen went up to draw lots.

As a result, Lu Jiechen and another one were drawn.

call!

Finally able to rest.

At this moment, Yue Feng breathed a sigh of relief and returned to the rest area. He didn't draw the sign, he just had to wait for the first place.

The duel started soon, and the result was as expected, Lu Jiechen won.

This chapter is provided by . Visit [for](#) daily update.

"Okay!"

At this time, Yue Chen walked out quickly, his face full of excitement: "The final finals, now begins, let's wait and see, see today these two, Lu Jiechen and Hu Mingyue, who is Wubi Number one!"

Whoops!

The voice fell, and the whole audience cheered, and the Emperor Tianqi and the members of the royal family on the high platform came out, and everyone in the surrounding seats stood up.

The deputy leader of the Ming sect, against Hu Mingyue, a disciple of the masters of the world.

This is bound to be an unparalleled decisive battle.

For a time, everyone in the audience was full of enthusiasm, and they all looked impatient.

"Guess, who will win between these two?"

"It's hard to say, this Hu Mingyue is very smart, and he hid his strength at first, but the leader Lu is calm and reserved, and his strength is not low..."

"It doesn't matter who he wins or loses, It's worth a lifetime to see such an epic battle."

Excited, many people started talking.

At this time, Xing Yao, who was sitting there, was also very excited, smiled and said to Ren Yingying: "Princess, let me just say, this Hu Mingyue is definitely not simple..."

Just halfway through, seeing Ren Yingying's face blank With an expressive face, Xing Yao closed her mouth very intelligently.

Alas, the princess is so infatuated, she can't let go of Yue Feng.

At this time, under the cheers of everyone, Lu Jiechen and Yue Feng slowly entered the stage.

"Boy!"

Lu Jiechen's eyes were bright, and he looked at Yue Feng with disdain: "You are sure to lose!"

"Really?" Yue Feng chuckled, very relaxed: "Deputy leader Lu, yes I'm always confident in my own strength."

Shuh!

The words fell, and Lu Jiechen's expression changed suddenly.

Others call themselves the leader, but this Hu Mingyue deliberately called the vice leader, obviously not taking himself seriously.

Thinking to himself, Lu Jiechen sneered: "Boy, don't think that if you hide your strength, you can win the first place. In my eyes, it's just a trick, a little clever."

Om!

The voice fell, and a violent aura erupted from Lu Jiechen's body and swept towards the surroundings. In an instant, the air in the entire arena seemed to be aroused. down!

hiss!

In an instant, everyone present felt the pressure of suffocation, their faces changed greatly, and they all gasped!

Nima!

Yue Feng's body was also stiff, and his heart was extremely shocked.

This... this Lu Jiechen, actually hides his strength? !

At this time, Yue Feng clearly felt that Lu Jiechen's strength was obviously countless times stronger than before!

The realm has also changed from the previous Martial Emperor Realm to the Tribulation Transcendence Realm!

A period of robbery!

"Wow!"

Just for a moment, the audience was boiling! Civil and military officials stood up one after another, and hundreds of thousands of people watching the battle shouted!

A period of Tribulation Realm, Lu Jiechen, turned out to be a Tribulation Realm! That is the tribulation realm!

Chapter 1502 A

passage of tribulation?

This Lu Jiechen turned out to have a hand too!

Yue Feng took a deep breath, and immediately became more energetic!

To be honest, if Lu Jiechen was in the realm of Martial Emperor, Yue Feng would not even bother to take a second look.

But the Tribulation Realm is different. This is the top existence in the Kyushu Continent.

You must know that Gonggong and Zhu Bajie of Northern Ying Continent are the ones who cross the tribulation realm!

“Oh my god, did Master Lu also hide his strength?”

“Sure enough, Master Lu is still superior. This Hu Mingyue doesn’t seem to have thought of it..”

“Interesting and interesting, this game is getting more and more exciting. !”

For a while, while enduring the pressure of the strong breath, many people around couldn’t help but talk about it.

On the high platform, Emperor Tianqi also smiled and nodded: “This Lu Jiechen also hides his strength, okay, okay, I’m looking forward to the showdown between the two.”
The

voice fell, and Ren Yingying, who was sitting on the side, but He secretly pouted, disdainfully: “Both are hypocrites, what to expect.”

In Ren Yingying’s mind, Lu Jiechen and Hu Mingyue are both playing tricks and hiding their strengths, and they are not worthy of praise at all. .

At this time, in the arena.

“Hu Mingyue!”

Lu Jiechen looked at Yue Feng coldly, with a proud expression on his face: “It’s too late for you to admit defeat, wait for your fists and feet, and if you really want to kill you later, don’t blame me for not reminding you in advance. “

No matter how strong this kid is, he is only a fifth-rank Martial Emperor! And he is the transcendence realm, there is no comparison at all. It’s only a short period of time, it’s a world of difference!

“Go ahead.” Yue Feng said coldly.

Yes, Lu Jiechen's strength is indeed terrifying. But even if you fight for this life, you have to be the first! I can't give Yingying to him!

"Looking for death!"

Lu Jiechen stopped talking nonsense, his figure flashed, and he rushed over directly, raised his right hand, and a purple flame leaped out!

This purplish red flame is Lu Jiechen's Zixiao Divine Fire! Ranked seventh on the Different Fire List, in the entire Kyushu continent, only Lu Jiechen owns it!

Lu Jiechen has a tough personality. Seven years ago, the Ming Sect was destroyed by the three Yue Feng brothers. At that time, his Zixiao divine fire was restrained by Yue Feng. In the end, he and his sister were defeated, resulting in the destruction of the Ming Sect. Lu Jiechen has always been ashamed. .

In the following years, Lu Jiechen has been concentrating on cultivating Zixiao Shenhua.

Three months ago, because Yue Wuya got the rare elixir and healed Lu Jiechen's old injury, Lu Jiechen's strength was completely restored, and he successfully broke through the bottleneck and reached the transcendence realm.

After reaching the Tribulation Realm, Lu Jiechen's comprehension of Zixiao Divine Fire has reached a whole new level. It can be said that if Lu Jiechen breaks out with all his strength, every move and every move will have the effect of Zixiao Divine Fire!

hum!

At this moment, seeing Lu Jiechen's explosion of Zixiao Divine Fire, the surrounding air ignited, and everyone in the audience was dumbfounded!

"Is this the Zixiao Divine Fire of Cult Master Lu?"

"I only heard about it before, but when I saw it today, it really lives up to its reputation..."

"It seems that Hu Mingyue will lose this game."

In the hearts of everyone, in front of them The result of the battle was obvious.

The discussion continued to come from the surrounding, Yue Feng smiled and did not panic at all, and fought with Lu Jiechen in the air.

Bang bang bang...

For a time, the figures of the two were constantly shuttled in mid-air, and the breath that burst out shook the world.

call!

Seeing this scene, everyone around was hooked.

Such a wonderful battle, not to mention those ordinary people, are the masters of the rivers and lakes in Kyushu, and it is difficult to see them in a lifetime.

However!

Half an hour has passed, and the two are still fighting fiercely in mid-air, with no clear winner.

Chapter 1503

This... Is this Hu Mingyue so strong?

He is only a fifth-ranking Martial Emperor. Facing Lu Jiechen's attack, he could endure for so long...

The people below were shocked to see it, and their hearts became more and more puzzled!

Ordinary people can't see the situation between the two in midair, but some experts in the arena have found some clues.

I saw that although Hu Mingyue was struggling to support, he still fought back and forth with Lu Jiechen! At this time, Lu Jiechen was also more and more shocked.

what happened?

Every attack of his own comes with Zixiao Shenhua, but it can be easily resolved by Hu Mingyue.

Could this Hu Mingyue also contain Zixiao Divine Fire in his body?

At this time, Lu Jiechen hadn't realized that Hu Mingyue in front of him was actually his old enemy, Yue Feng!

Over the years, while Yue Feng has continuously improved his realm, he has also been working hard to cultivate his own white lotus cold fire.

Like Lu Jiechen, Yue Feng's comprehension of Bailian Lenghua has also reached the peak.

Bailian Lenghuo ranked first in the different fire list, completely restraining Zixiao Shenhuo. In this case, even if Lu Jiechen's realm was higher than Yue Feng's, it would be difficult to gain an advantage.

However, it is not easy for Yue Feng to win.

After all, Lu Jiechen was in the Tribulation Realm, and he was only a fifth-stage Martial Emperor. At this time, Yue Feng was trying his best to find out Lu Jiechen's flaws.

"After so long, you deserve to die!" Finally, Lu Jiechen was completely furious, his eyes were blood red, he roared wildly, and his hands condensed a huge purplish red flame, which smashed directly towards Yue Feng.

woohoo...

This purplish red flame has condensed all of Lu Jiechen's strange fire power, which is so powerful that the entire sky above the palace is burned!

Yue Feng chuckled lightly, instead of retreating, he went forward and went up to meet him!

"Hu Mingyue!"

Seeing this scene, Ye Ziyi in the crowd changed her expression and stomped her feet in a hurry.

That's Zixiao Shenhuo, who ranks seventh on the Different Fire List. This Hu Mingyue, don't you know how to hide?

hiss!

At the same time, the hundreds of thousands of people around were also gasping for air.

Emperor Apocalypse and many members of the royal family on the high platform also shook their heads secretly.

Lu Jiechen clearly broke out the strongest blow, and Hu Mingyue dared to meet her, she was just courting death.

It seemed that Lu Jiechen had already won the final duel.

Um?

In the next second, everyone in the audience was staring at Yue Feng, unable to say a word.

hum!

I saw that the sun-like Zixiao divine fire smashed on Yue Feng, and a shocking vibration broke out. The surrounding smoke filled the air. However, when the smoke dissipated, Yue Feng was proudly suspended in the air. Take half damage!

What?

This is impossible!

Lu Jiechen's face changed, and under his anger, a trace of panic also rose in his heart.

"Lu Jiechen, you lost!"

Just when Lu Jiechen was stunned, Yue Feng burst out and slapped Lu Jiechen in the heart!

"boom!"

When the dullness came, Lu Jiechen groaned and fell directly from the air, smashing a huge deep pit on the ring!

Silence!

At this moment, the entire Jiuyang Temple was deadly silent!

Seeing this scene, whether it is the Emperor Tianqi, the civil and military officials, as well as the masters and common people of the surrounding continents, they are all stunned! There was a burst of exclamation from the crowd, like a tide!

Chapter 1504

Lu Jiechen, since the beginning of the martial arts recruiting conference, the most vocal person, the strength of crossing the tribulation realm, can be said to be unmatched!

At this time, he lost so completely.

More importantly, his opponent, Hu Mingyue, was only a fifth-ranking Martial Emperor.

"You..."

At this time, Lu Jiechen came out of the deep pit in a state of embarrassment, staring at Yue Feng with blood-red eyes: "You.... You also practiced Zixiao Shenhuo?"

" , Lu Jiechen realized that it was wrong.

If the other party also cultivated Zixiao Shenhua, his realm is higher than his, and it is impossible to lose.

“It doesn’t matter whether I have practiced Zixiao Shenhua or not.” Yue Feng landed slowly, looking at

Lu Jiechen with a half-smile, “Because you have already lost!” When he said this, Yue Feng suppressed the anger in his heart.

Seriously, thinking of what Lu Jiechen had done, Yue Feng wanted to kill him with a slap.

But thinking that at this time, in the martial arts finals, he had to take Ren Yingying away, and Yue Feng held back.

“You... poof!”

Hearing this, Lu Jiechen was frightened and angry, and wanted to speak, but under the fire, he spat out a mouthful of blood.

Yue Feng’s palm, although not fatal, also hit his heart.

At this time, Lu Jiechen no longer has the strength to fight!

“Everyone!”

At this time, with the approval of Emperor Tianqi, Yue Chen walked out excitedly and said loudly, “Now I announce that the first place in the martial arts competition, Hu Mingyue!”

The voice fell, and everyone around the scene calmed down from the shock, but still no one spoke, but looked at Yue Feng in disbelief.

I have to say, this game was really unexpected.

Even Lu Jiechen, who had crossed the Tribulation Realm, lost. Who the hell is this Hu Mingyue?

Also, what kind of existence is he taking a master who is a master of the world? !

“It turned out to be... won?”

At this time, Xing Yao, who was sitting there, trembled faintly, looked at Yue Feng with incredible eyes, and his whole head was buzzing! Xing Yao couldn’t hide his excitement, and said to Ren Yingying, “Princess, Hu Mingyue is a rare talent. He actually won the first place...”

When he said this, Xing Yao thought to the bottom of his heart. Happy for Ren Yingying!

This Hu Mingyue, whether in terms of intelligence or strength, is a first-class existence, and he is not inferior to Yue Feng. If he is the concubine, the princess will definitely be very happy.

However!

Ren Yingying's face was cold and she didn't say anything, but suddenly stood up, turned and walked towards the palace, without even looking at Yue Feng in the field, her attitude was very indifferent.

Yes, this Hu Mingyue is indeed a talent, very similar to Yue Feng.

But... just because he is very similar to Yue Feng, Ren Yingying is very conflicted.

After all, in Ren Yingying's mind, no one can replace Yue Feng!

This...

Looking at Ren Yingying's back, Xing Yao sighed.

At the same time, Yue Feng, who was in the field, also smiled bitterly, and at the same time was a little moved. Yingying left angrily, obviously thinking about herself all the time.

Yingying, don't feel bad, in fact, I'm right in front of you...

At this moment, several royal guards came over, and no one was holding a plate with some top-quality medicine pills on it, which was the reward for the first place in Wubi.

Jiuzhuan Huanyang Pill, Tianxuan Pill... Each of them is a little bit of the best elixir.

Whoa!

At this moment, both the audience around and the contestants next to them are full of envy.

However!

Yue Feng did not show too much excitement, and bowed to Emperor Tianqi without being humble or arrogant: "Thank you, Your Majesty, for the reward!"

The purpose of winning the first place was to take Ren Yingying away.

Moreover, Yue Feng is an alchemist himself, and has a very high accomplishment in the art of alchemy. These medicinal pills rewarded by the Tianqi royal family can be easily refined by himself, which is not uncommon at all.

Chapter 1505

Until this time, the martial arts competition is completely over!

Yue Feng strode out of the arena under the cheers from the surroundings and the attention of all the people.

Back at the inn, the four dragons and four phoenixes have been waiting for a long time.

“Boss, it’s amazing!”

“First place in the martial arts competition, boss, you are my idol!”

“The battle with Lu Jiechen before was really exciting...” As soon as

he entered the room, four dragons and four phoenixes They gathered around, each with incomparable admiration and admiration!

In the previous martial arts competition, the four dragons and four phoenixes also went to the scene and saw Yue Feng defeat Lu Jiechen with their own eyes. When they saw that scene, the four dragons and four phoenixes were extremely excited!

I didn’t expect the boss to be so powerful, and even the deputy leader of the Ming Sect was no match for him.

Yue Feng smiled slightly, and

said lightly: “It’s just a martial arts competition, what’s the fuss about!” With that, Yue Feng took out the top-grade medicinal pills rewarded by the Tianqi royal family and shared them among the four dragons and four phoenixes.

These four dragons and four phoenixes have been loyal since they followed him, and these medicinal pills are even rewards for them.

hiss!

After taking over those medicinal pills, the Four Dragons and Four Phoenixes were all stunned, and one was flattered. !

Each of these medicinal pills is a treasure that cannot be found, and the boss actually gave it to him.

“Thank you, boss.”

After being stunned for a few seconds, Silong and Sifeng reacted and thanked them very happily.

Yue Feng smiled and did not speak, but sat there, closing his eyes and resting.

afternoon!

The literary competition field is still full of people!

Swish!

When Yue Feng appeared, the eyes of everyone in the audience focused on the past.

In the previous game, no one was optimistic about this Hu Mingyue, but after Hu Mingyue defeated Lu Jiechen in the morning, no one dared to despise him again.

“Hu Mingyue...”

“This Hu Mingyue is really hidden. In the morning martial arts final, he defeated Lu Jiechen and won the first place. This Wenbi final will not also be his first...”

“How is that possible? Although this Hu Mingyue is strong, there is an essential difference between Wenbi and Wubi. Even if he is talented, can he be compared to Master Dugu?”

Listening to everyone’s discussion, Yue Feng smiled and said nothing.

Soon, Emperor Tianqi brought members of the royal family, slowly entered the venue, and sat on the high platform.

Yue Chen, who was following behind, was even more full of spring breeze. As the chief examiner of this martial arts recruiting conference, the Wenbi competition can end smoothly, even if he has completed the task perfectly.

More importantly, if the princess chooses her favorite concubine, she will be considered a meritorious deed, and she will be rewarded.

Thinking to himself, Yue Chen became more and more complacent and excited.

Soon, after Emperor Tianqi sat down, he nodded to Yue Chen!

“Everyone!”

Yue Chen immediately understood, took a step forward, and said loudly: "Next, it's the finals of Wenbi. Your Majesty has already thought about the topic of the competition!"
After

speaking, Yue Chen showed a smile and looked at the person in front of him. Five contestants: "Your Majesty asked the five of you to compose a poem improvisationally based on the situation in front of you. Whoever makes a poem that echoes the current mood will be the first!"

Whoa!

The voice fell, and a heated discussion broke out in the audience.

"It turns out that the last game is to write a poem!"

"I write a poem improvisationally? It's very difficult..."

"Of course, this is about choosing a consort. If it was easy, you and I could play..."

"The audience was talking. But the five contestants on the stage were all confident. After all, going to the finals, everyone is talented. Although it is difficult to improvise poetry, it is not difficult for the five contestants. Every contestant has a lot of confidence in himself. Especially Dugu Jiu, the corner of his mouth evoked a confident smile. With this laugh, the onlookers screamed again, and countless girls were fascinated to death.

The ultimate husband in Chinese chapter 1506-1510

Chapter 1506

Dugu Jiu has been known as a 'prodigy' since childhood. He can write poetry at the age of seven! Although it is difficult to improvise poetry, it is not a problem for Dugu Jiu!

What the hell!

to write poetry?

Yue Feng, who was on the side, secretly said to Pang Tong in the Linglong Tower:
"Pang Tong, I'll see you later!"

“Master, don’t worry, improvising poetry is for the next. “Pang Tong smiled and responded very relaxed and confident!

“Wenbi finals, now officially begins!”

At this moment, at the behest of Emperor Tianqi, Yue Chen smiled and said loudly: “Number one, Dugu Jiu will come first!”

Shuh!

At this moment, everyone’s eyes were focused on Dugu Jiu’s body, and many women who admired Dugu Jiu couldn’t help but exclaimed.

“Ah... Young Master Dugu!”

“Young Master Dugu is the first to play, so handsome...”

“Young Master Dugu, come on...”

Seeing this scene, Emperor Tianqi on the stage smiled and praised: “It seems that Dugu Jiu’s voice is very high.”

When he said this, Emperor Tianqi’s eyes were full of admiration.

The voice fell, and the queen on the side was also looking closely at Dugu Jiu in the field, unable to hide her appreciation: “Chic and suave, with outstanding literary talent, this Dugu Jiu is really the ideal candidate for the concubine...” After

This chapter is provided by . Visit for daily update.

speaking, the queen turned her head to look Looking at Ren Yingying, she asked with a smile, “Yueying, what do you think of this Dugu Jiu?”

To be honest, the queen doesn’t like fighting and killing, so the contestants in the martial arts competition, whether it’s Lu Jiechen or Hu Mingyue, don’t like it very much, but they appreciate this Dugu Jiu very much. .

However!

However, Ren Yingying shook her head and said lightly, “It’s just normal.”

Although this Dugu Jiu is talented, he is just a scholar, and he lacks the temperament of people in the world.

More importantly, he could not replace Yue Feng at all.

Hearing this, the queen smiled bitterly, her face full of helplessness.

My own daughter is too picky.

At this time, under the gaze of everyone, Dugu Jiu slowly came to power.

In the next second, Dugu Jiu first bowed to Emperor Tianqi, then cleared his throat, and then slowly chanted: "Since meeting a beautiful woman, you are happy in the Northland, and frost and snow can also be beautiful in your life. Who knows that deep love can be hard... .. an inch of lovesickness is even more distant!"

"Wow!" The

verse fell, and the audience shouted! Every young girl outside the venue is crazy about this poem!

When reading the last sentence, Dugu Jiu smiled and looked at Ren Yingying!

Obviously, this poem is a confession to Ren Yingying. The mood of this poem is really far-reaching!

'Since you meet a beautiful woman, you will be happy in the Hokuriku, frost and snow can also be beautiful! '

The word 'Northland' in this poem refers to winter. At this time, spring and winter are alternating, and these two poems are very suitable for the occasion.

Especially the last sentence 'Who knows that deep love is so bitter, an inch of lovesickness is even more distant!' These two sentences are the finishing touch! It is wonderful to express your admiration for the princess.

Whoa!

In an instant, the audience was full of admiration, and many civil servants standing behind Emperor Tianqi couldn't help but applaud.

"What a poem!"

"The artistic conception is excellent, what a wonderful sentence...!"

"To be able to write such a good poem with such a profound artistic conception in such a short time, in the whole essay, only this Dugu son can write Come out!"

At this time, Emperor Tianqi also nodded in approval, unable to hide his inner appreciation, looked at Dugu Jiu and said with a smile: "Okay, okay! As expected of a famous talent in Zhongyuan Continent, this poem is really wonderful. !"

Dugu Jiu smiled and hurriedly cupped his hands: "Thank you, Your Majesty, for your praise."

At this moment, the eyes of everyone around looked at Dugu Jiu, all of them flickering with envy.

Even Emperor Tianqi praised it. It seems that the first place in the Wenbi this time is Dugu Jiu!

Nima!

Chapter 1507

This Dugu Jiu is indeed a bit talented!

Seeing this scene, Yue Feng frowned secretly, and at the same time asked Pang Tong: "Pang Tong, how? Do you have the confidence to surpass this Dugu Jiu?"

Seriously, Yue Feng boasts that his literary talent is not bad, but he is not the same as Dugu Jiu. Still a little nervous.

After all, this Dugu Jiu is a recognized talent, with real talent and real learning. "Master, don't panic!" Pang Tong smiled and comforted: "This Dugu

Jiu does have some talent, but I have the confidence to win him!" As a figure on the same level as Wolong Kongming, Pang Tong has never obeyed anyone in terms of talent and learning. When the two said this, the other three contestants also came on stage one after another. Although they all wrote poems, compared with Dugu Jiu's, both the artistic conception and the words and sentences were too different. Whoa! For a time, Dugu Jiu's voice became louder. "Young Master Dugu, you must be number one now!" "Looking at the situation, you can't go wrong!" "Young Master Dugu, your talent is the best in the world, and your writing style is number one..." In the surrounding discussions, some people couldn't help but feel a big He shouted, as if Dugu Jiu had secured the victory. No one cares about Yue Feng. In their hearts, although this Hu Mingyue is superior in martial arts, he is definitely not Dugu Jiu's opponent in Wenbi. After all, no one is perfect, and there are too few peerless geniuses with both civil and military skills. "The last one, Hu Mingyue!"

At this moment, Yue Chen waved his hand, motioned everyone to be quiet, and then read out Yue Feng's name.

call!

It's finally my turn!

At this time, Yue Feng secretly exhaled and slowly walked into the arena.

“Master!”

At this moment, Pang Tong’s voice sounded: “The poem has been written, master, listen carefully...” Immediately, he said the poem he made.

Yue Feng nodded silently, savoring the artistic conception of this poem in his heart, and after a few seconds, he was full of admiration.

As expected of a famous advisor in the Three Kingdoms, this poem is truly amazing.

Admiring in his heart, Yue Feng did not rush to read it out, but looked at Ren Yingying sitting there, his mood was up and down.

Yue Feng clearly felt that Ren Yingying lost some weight after not seeing him overnight.

Obviously, Ren Yingying didn’t sleep well all night, knowing that the competition for recruiting relatives was about to end and the concubine was about to be selected.

“Hu Mingyue has played...”

“Haha, this frowning look, it seems that I can’t think of it!”

“If it were me, I would have been satisfied. The first place in Wubi and the top five in Wenbi are already amazing. Your honor!”

At this moment, seeing Yue Feng standing there, thinking silently, many people around couldn’t help but talk about it, and laughed even more alluringly.

“What kind of trick is this Hu Mingyue doing?” The queen frowned and said unhappily, “I haven’t opened my mouth for so long, is it intentional to be grandstanding?”

Although Hu Mingyue took the first place in the martial arts competition, but in the heart of the queen, the ideal candidate for the concubine is Dugu Jiu, so naturally she is not very happy with him.

“He...”

Xing Yao, who was sitting on the other side, also secretly said: “This Hu Mingyue can’t really write poetry, right?”

If this Hu Mingyue can get the first place in both civil and military, it will be interesting. .

However, from the current situation, it seems impossible.

Hearing Xing Yao’s muttering, Ren Yingying looked indifferent, without the slightest expression. However, his heart was indescribably anxious.

How to do?

Wenbi's first place is about to appear, and this competition for recruiting relatives will also end. Do you really want to choose a man to be your own from these people?

Thinking about it, Ren Yingying's eyes turned red, very miserable.

Chapter 1508

"Hu Mingyue!" At this time, Yue Chen and the others were impatient and walked out quickly, and couldn't help urging: "Read the verse you wrote!"

Phew!

Yue Feng breathed a sigh of relief, nodded, and said with a smile, "Okay, then I'll read the first one first!"

Yes, just now Yue Feng didn't speak up because he saw Ren Yingying's thin appearance and felt distressed, Intrigued, I made a song myself.

In addition to Pang Tong's work, it is exactly two poems.

What?

This... This Hu Mingyue wrote two poems?

In an instant, there was an uproar in the audience, all of them looked at Yue Feng in shock, unable to speak.

I thought this kid couldn't make one song at all, but he didn't expect that he made two songs at once.

At this moment, whether it was the surrounding audience or the Emperor Tianqi and others on the high platform, there was a strong interest on their faces.

Dugu Jiu also frowned, looked at Yue Feng, and said with a slight smile: "In such a short period of time, I wrote two poems? Wouldn't it be limericks?"

When he said this, Dugu Jiu had a smile on his face, but his tone was different. With a bit of a smile.

He couldn't achieve this speed of writing poetry himself, how could he possibly do it?

In Dugu Jiu's heart, this Hu Mingyue, even though he took the first place in the martial arts competition, was nothing but a reckless man.

Nima!

This Dugu Jiu really considers himself the first?

Muttering in his heart, Yue Feng ignored him, but slowly paced and recited:

“Anyone who is lustful will return to Manzhu. If you wash the old land with deep affection, where can you find love!”

This is a five-character rhythm poem written by Pang Tong.

Yue Feng and Ren Yingying’s emotional journey, as their subordinate Pang Tong, is the most clear. I wrote it out of my own feelings.

Especially the last two sentences, “Washing the old land with deep affection, where can I find love”, the meaning is obvious. Before Yue Feng made a lot of trouble in the Tianqi Imperial City, and now he is hiding his identity to participate in the competition to recruit relatives, isn’t it just that he came to the old land?

call!

Hearing this song, all the people around fell silent, and many people silently repeated in their hearts, feeling the mood in it.

“Lovely wash the old land, where can I find love...”

“Wonderful, although it is a five-character rhythm poem, it has a very good mood...”

“I went, I didn’t expect this Hu Mingyue to have such a talent... It’s amazing. !”

After a few seconds, everyone reacted, and the look in Yue Feng’s eyes was obviously different.

“Not bad!”

At this time, Yue Chen recited it silently, and nodded in approval: “What about the second song?”

At the same time, Emperor Tianqi on the dragon chair also nodded in approval. At the same time, he looked at Yue Feng, full of expectations.

Yue Feng smiled slightly, looked around lightly for a week, and said aloud: “Where is Xu Xianchou, you can fill in the sea and fill in the words. At this time, I don’t dare to see it with my eyes, in short, everything is lovesick!”

After reading the last sentence, Yue Feng said Feng couldn't hold back the feelings in his heart, and looked at Ren Yingying tightly, tears flashing faintly.

good!

This second song was made by Yue Feng himself.

After hearing Pang Tong's verse just now, and seeing Ren Yingying's increasingly thin appearance, Yue Feng's heart was full of emotions, and on the basis of Pang Tong's verse, he re-created a poem with his own emotions.

The first two sentences, "Where is Xu Xianchou, can fill in the sea and fill in words" expresses Yue Feng's depressed mood these days.

Chapter 1509 The

last two sentences of "I don't dare to see it with my eyes at this time, in short, all kinds of lovesickness" mean more obvious, the beloved is in front of you, but you can't boldly recognize each other, everything turns into each other's lovesickness.

To be honest, Pang Tong's poems on the subject of lovesickness are certainly very good, but after all, he is an outsider.

And Yue Feng felt it, and integrating his thoughts and emotions into the poems is the most real and touching.

hiss!

When Yue Feng finished reading the last sentence, the audience suddenly fell silent, and everyone present was shocked!

These are... two poems!

Moreover, one is more profound and thought-provoking than one!

In an instant, the entire Tianqi Imperial City was silent!

Where is this Xu Xianchou, you can fill in the sea and fill in the words.

At this time, I don't dare to see it with my eyes, in short, all kinds of lovesickness!

Peerless good words, peerless good poetry!

Apocalypse Continent, dozens of civil servants took a deep breath. Which of these civil servants is not talented, but they ask themselves, improvising poems, they can't make such quatrains!

Emperor Tianqi and the queen looked at each other, and they couldn't hide their inner shock!

"This Hu Mingyue!"

Xing Yao's body trembled, and she was indescribably surprised and excited: "It turns out that this Hu Mingyue, in the Wenbi competition before, also hid his talent and learning, which is really unexpected, amazing, amazing Now!"

As he spoke, Xing Yao quietly observed Ren Yingying's expression.

Ren Yingying frowned slightly, her eyes showing a bit of conflict: "Both Wenbi and Wubi have hidden strength. What is there to praise for such a deep scheming and shrewdness?"

When she said this, Ren Yingying was exquisite His face was full of displeasure. This Hu Mingyue, it's just a matter of hiding his strength and playing tricks. When reading poetry, he keeps staring at himself, which is really disgusting.

At this time, Ren Yingying was preconceived, and she always resisted Hu Mingyue in her heart, so she didn't taste these two poems at all.

"Okay!"

At this moment, Emperor Tianqi couldn't bear the excitement in his heart, stood up all of a sudden, and looked at Yue Feng with a smile: "Being able to write two poems in such a short period of time is such a talent for learning. , it's really rare, rare!"

When he said this, the eyes of Emperor Tianqi flashed with excitement!

Both civil and military, this Hu Mingyue is truly civil and military! Such a talent, it is really a blessing for the royal family to be his own son-in-law, and it is a blessing for the Apocalypse Continent!

"Everyone!"

At this time, Yue Chen hurried out and announced loudly, "Now I announce that Wenbi is number one, Hu Mingyue!"

Yue Chen is clever and good at reading words and expressions, His Majesty stood up and praised, the meaning is obvious, Wen Compared with the first place, Hu Mingyue deserves it.

Whoa!

The voice fell, and the audience was in an uproar as if the pot had exploded!

Everyone's eyes were fixed on Yue Feng, each of them stunned, unable to hide the shock in their hearts!

This...Hu Mingyue took the first place again.

Civil and military double first! Double first!

This Hu Mingyue is good at literature and martial arts, brave and resourceful, I am afraid that the entire Kyushu continent will not be able to find a second one!

"He's really talented in both civil and military affairs!" "Damn, he even won double first. Is this Hu Mingyue

still human?

"

There was a lot of discussion, and there was thunderous applause! Like a tide, it lasts forever!

Chapter 1510

"Heaven..." At this time, Xing Yao on the stage was also trembling, looking at Yue Feng in disbelief, unable to speak for a long time.

This Hu Mingyue really took the double first.

You are not dreaming, are you?

In the continent of Kyushu, when did such a genius appear?

At the same time, Ren Yingying, who had always been disdainful of Hu Mingyue, was also stunned at this moment, her delicate face moved slightly, and she was speechless for a long time.

This guy...really got a double first.

"There are still people who can surpass Lonely Nine in terms of talent and learning?" At this time, the queen was also trembling, and she couldn't help but admire: "I didn't expect that this Hu Mingyue, with an ordinary appearance, is a hidden big man. Talented man." To

be honest, the queen didn't think much of Hu Mingyue's ability, but seeing Hu Mingyue taking the first place in both civil and military affairs, her opinion of him suddenly changed a lot.

“Hu Mingyue, you are so amazing...”

At this time, in the crowd in the stands, there was a figure who was extremely excited, and his delicate face also showed a charming blush because of the excitement!

It was Ye Ziyi.

Ye Ziyi’s shock at this time was far greater than that of everyone present.

After all, she and Yue Feng had been in contact for several days, and they were considered friends.

In Ye Ziyi’s heart, it was a miracle that Yue Feng was able to take the first place in the martial arts competition, but he did not expect that in the final of the Wenbi competition, he would also be the champion.

Such talents are rare in the past and present!

Under everyone’s attention, Yue Feng stood upright and secretly sighed.

I got the first place in both civil and military affairs, and I can finally take Ren Yingying away later.

At this moment, amid the cheers of the surrounding people, Emperor Tianqi smiled and waved at Yue Feng: “Hu Mingyue, come here, come to me!”

After speaking, Emperor Tianqi turned to Yue Chen next to him. Said: “Call up the second and third place in Wubi, and the second and third place in Wenbi!”

Yue Feng walked over without hesitation.

Soon, Lu Jiechen and Dugu Jiu came up.

For a time, everyone’s eyes will focus on the five of them.

Of course, most of the eyes are still looking at Yue Feng.

After all, he is the No. 1 in both civil and military affairs, and he must be his consort.

“Yueying!”

At this time, Emperor Tianqi tilted his head to look at Ren Yingying, and said with a smile: “My father has selected for you a versatile civil and military talent in Kyushu. This Hu Mingyue has both civil and military skills and extraordinary knowledge, what do you think? “

When he said this, Emperor Tianqi looked relieved.

If you can get a talent like Hu Mingyue, this competition for recruiting relatives will not be held in vain.

Swish!

At this moment, everyone's eyes turned to Ren Yingying.

Yue Feng also looked closely at Ren Yingying, his eyes kept unblinking, restraining the excitement and excitement in his heart.

Yingying, promise, I am your Yue Feng! As long as you promise to choose me as your concubine, we can be together forever.

For a time, under the excitement, Yue Feng's eyes flickered faintly with tears.

However!

Ren Yingying just glanced at Yue Feng lightly, with an indifferent expression and no interest at all.

The next second, Ren Yingying said to Emperor Tianqi: "Father, I can choose anyone."

"This...!" Emperor Tianqi was stunned, then nodded: "Yes! In theory, you should Choose the champion. However, you can choose your own husband, whatever you choose!"

I really didn't have a rule, so she had to choose the first to be the concubine.

call!
