

The ultimate husband in Chinese chapter 1531-1540

Chapter 1531

At this moment, Yue Feng couldn't help but secretly guarded, although King Guangping took care of Qin Rongyin for several years before, and Qin Rongyin always said that he was a good person.

But...he was born in the Apocalypse royal family after all. Once he wants to help Emperor Tianqi, he is really difficult to do.

Qin Rongyin, who was on the side, also trembled, and couldn't help looking at King Guangping. After not seeing each other for many years, King Guangping is a little more mature and a little more charming as a man. Even his strength has reached the Tribulation Transcendence Realm.

Qin Rongyin's tears slightly moistened her eyes. King Guangping, this man, accompanied her for several years, treated her with respect and treated her unconditionally. And for her sake, he sacrificed his life many times! Not only that, King Guangping treats his own children well, he treats Yue Wuya like his own son.

How many times has this man moved Qin Rongyin!

Ten years apart. When Qin Rongyin saw King Guangping again, she couldn't help but tremble in her heart.

King Guangping hadn't seen Qin Rongyin yet. At this moment, he put his hands behind his back and walked slowly towards Emperor Tianqi with a smile.

When he got to the front, King Guangping looked at Emperor Tianqi with a half-smiling smile: "The dignified royal family was beaten like this by several sects. You emperor, you are not doing very well, why don't you let me help you?"

When he said this, King Guangping had a smile on his face, but gloomy eyes flashed in his eyes.

Ten years ago, King Guangping was executed. After escaping the catastrophe, he traveled around. During this period, he encountered several adventures, his strength increased greatly, and he made many friends.

In the past ten years, in addition to practicing hard, King Guangping has no pursuit of power. The only thing he never forgets is that he wants to go back to Tianqi Imperial City to have a look.

After all, this is his hometown.

Half a month ago, when he learned that the Tianqi royal family was going to hold a competition for Ren Yingying to recruit relatives, King Guangping quickly brought his men and came back to have a look.

As a result, I saw that on the imperial list on Huangcheng Street, there was still his own pursuit order posted.

At that time, the resentment that King Guangping had been squeezing for many years suddenly erupted.

This chapter is provided by . Visit for daily update.

In those years as a prince, he was loyal to the emperor and made great contributions, but Emperor Tianqi, because of his own fault, has been holding on to it.

It's been ten years, and he still hasn't withdrawn his arrest warrant.

Therefore, under the anger of King Guangping, when he saw Yue Feng and the royal family fighting each other, he kept holding back and waited quietly for the opportunity.

“You.... you're not dead!”

At this time, Emperor Tianqi looked at King Guangping closely, shocked and angry: “King Guangping, you committed the crime of deceiving the king back then, and the crime cannot be punished, and now you dare to come back. “

Speaking, Emperor Tianqi endured the injury and continued: “You have already been expelled from the royal family by me, you are just a sinner, and now the royal affairs have nothing to do with you.”

Emperor Tianqi is very conceited, despite the current situation, It's not good for the royal family, and I don't want to borrow the hand of a fugitive to turn the situation around.

“Haha...”

Hearing this, King Guangping laughed loudly, with resentment flashing in his eyes: “Sinner? Let me ask you, when you asked me to kill the woman I love, you are not worthy of being an emperor! Qin Rongyin is my whole life. The woman you love the most, but you let me kill her with my own hands, how can I do it?! As an emperor, you can take someone's life at will without asking the reason? I refuse to let Rongyin go quietly, and I will be considered a sinner?”

When the last sentence was uttered, King Guangping's voice was hoarse and his expression was extremely mad.

good!

Although ten years have passed, King Guangping still can't let go of what happened in the past.

Especially being forced to separate from Qin Rongyin was the pain in his heart for a lifetime.

"Presumptuous..."

Emperor Tianqi was furious, pointed at King Guangping, and his tone trembled: "You dare to speak to me like this, you will deceive the king, you will be treacherous, come here, take it down for me, take it down..."

The Emperor Apocalypse at this time was almost going crazy.

He is the dignified ninth-fifth of the honor, who can't be respectful when he sees it, this King Guangping, as a fugitive, even accuses himself of being wrong.

It really turned against him!

"Take it down, take down King Guangping, take down this traitor!" Emperor Tianqi shouted loudly, his face pale.

However!

The people on both sides, whether it was Xing Yao or Linghu Wushuang, were all exhausted at this time, how could they have the strength to deal with King Guangping?

Chapter 1532

"Bullying the king?" The

corners of King Guangping's mouth twitched, looking at Emperor Tianqi with a smile: "Brother Huang, I just said two facts, that is, I have cheated on the king? Well, then I'll let you see Look, what is the real deceiver!"

Om!

The voice fell, and a powerful breath burst out from King Guangping's body, and then he slapped it fiercely, hitting Emperor Tianqi's heart directly!

King Guangping's killing intent has been decided! Back then, he made great contributions to the South and North War, but Emperor Tianqi still wanted to kill himself. The seeds of hatred had already been planted in his body! Now he just wants to kill Emperor Tianqi!

"Don't..."

Seeing this scene, Yue Feng's face changed and he couldn't help shouting.

Emperor Tianqi was Ren Yingying's father. Yue Feng had never killed Emperor Tianqi before. Because Yue Feng knew that if Emperor Tianqi died, Yingying would be very uncomfortable. At this time, Yue Feng wanted to make a move to stop King Guangping, but Yue Feng was slashed with hundreds of knives, and he was so scarred that he had no strength to stand up at all!

Hiss...

At the same time, the surrounding people also exclaimed.

This... what's the situation?

King Guangping wants to kill Emperor Tianqi?

In particular, Xing Yao and some royal guards were all taken aback and scolded.

"King Guangping, how dare you..."

"Stop..."

Under the anger, Xing Yao and a few were about to fly over and block in front of Emperor Tianqi.

However, the speed of Guangping Wangdu's Tribulation Realm's strength is really too fast. Several Xing Yao are injured, so it is still a step slower!

Emperor Tianqi was also furious, but he was also injured in the fierce battle before, and he couldn't avoid it at all!

boom!

This palm hit Emperor Tianqi's heart hard, and he heard a groan. The whole person was like a kite with a broken string, and he flew out directly. It hit the pillar in front of the main hall and fell softly.

"Pfft..."

At the moment when he was paralyzed there, Emperor Tianqi spat out a mouthful of blood again, stared at King Guangping with wide eyes, and died without saying a word!

This palm contained the eighth-ninth-level power of King Guangping, which completely shattered his heart. It is impossible to save the gods at all!

hiss!

Seeing this scene, everyone around couldn't help gasping for air, and froze there, all stunned.

This...

King Guangping really killed Emperor Tianqi!

Nima!

At the same time, Yue Feng was also stunned, staring blankly at King Guangping, speechless!

This King Guangping is too ruthless, and Emperor Tianqi is also his royal brother no matter what, he doesn't even blink his eyes when he shoots.

"Your Majesty!"

Xing Yao and the surrounding palace guards cried out in grief, tears falling down their faces!

"Royal father..."

Ren Yingying collapsed directly, shouted, and in extreme grief, her eyes darkened and she fainted.

Yue Feng was quick-witted, hurried over, and hugged her in his arms.

quiet!

At this time, the audience was silent, and even if a needle was dropped, you could hear it clearly!

King Guangping suddenly shot and killed Emperor Tianqi, which was too unexpected. For a time, everyone present looked at him in astonishment, unable to speak for a long time.

call!

Facing the eyes of everyone, King Guangping did not panic at all, he let out a sigh of relief, and showed a smile.

The next second, King Guangping glanced at the body of Emperor Tianqi lightly, and said slowly: "As an emperor, you are stubborn and don't think about your courtiers. You should abdicate a long time ago. Brother Huang, you can rest in peace."

” King Ping slowly turned around, headed in the direction of the Temple of Sacrifice, bowed deeply, and said loudly: “The ancestors of the Tianqi royal family, I, King Guangping, did not intend to fight for power, and did not want to be an emperor, but I am Brother Huang, during his reign, he was ignorant and unreasonable and lost public opinion. I had no choice but to replace him! Ancestors and sects can rest assured that with me, King Guangping, the Tianqi Royal Family will surely prosper the country and everything will be prosperous...”

Chapter 1533 The

words are loud and proud!

call!

In an instant, everyone present, whether they were members of the royal family, experts in the arena, and people in the distance, all took a deep breath.

Obviously, this King Guangping wants to proclaim himself emperor!

At this time, in the crowd of royal family members, there is a man and a woman, who are communicating quickly with their eyes.

The men are dressed in brocade robes, and the women are compact and sexy.

It was Yue Chen and Chen Yun!

Yue Chen is cunning by nature. Before Yue Feng exposed his identity, and in the fierce battle with Emperor Tianqi, Yue Chen considered his own safety and did not take action, but hid in the dark to observe the situation.

At this time, seeing that Emperor Tianqi was dead, and King Guangping was about to become emperor again, Yue Chen couldn't help but muttered in his heart.

What should I do myself?

“Don't be stunned!” At this moment, Chen Yun gave him a secret wink.

My husband is really stupid. The situation in front of me is so obvious, whoever is stronger must be with whomever is stronger.

Hearing the hint, Yue Chen immediately understood, and hurried out, knelt down in front of Wen Chou Chou in public, with a humble and respectful expression on his face, and said loudly: “Chen Yue Chen, see Your Majesty, long live my emperor, long live...”

Emperor Tianqi is dead, and he must find a new backer.

And the king of Guangping in front of him is a suitable candidate!

“Chen wait, see Your Majesty!”

In an instant, Linghu Wushang around him, as well as many royal guards, knelt down.

Just like Yue Chen, Linghu Wushang and the others were just recruited experts. They didn't have much emotion for Emperor Tianqi, and they didn't feel the slightest sadness for his death!

As long as he can be prosperous and rich, whoever is the emperor is the same.

At the same time, the people in the distance also knelt down one after another.

“Long live my emperor!”

“Long live...”

However, there were still many people who did not kneel, except for Yue Feng's group, many princes of Emperor Tianqi, and Xing Yao.

At this time, Xing Yao's face was indifferent, and there was no slight fluctuation in his expression.

Emperor Tianqi was not mean to himself. Seeing that the emperor was killed by King Guangping, Xing Yao was full of resentment. However, the internal strength of the previous fierce battle was almost exhausted, so he could only bear it.

At this time, seeing King Guangping proclaiming himself emperor, Xing Yao would not support him even more.

“Okay!”

King Guangping was very satisfied with the scene in front of him, and raised his hand with a smile: “Everyone is flat!”

When he said this, King Guangping's eyes swept away from Xing Yao and the princes without leaving a trace. pass.

If these people dare not support themselves, they must find a way to get rid of them.

However, there is still a lot of things to do, so let these people live a little longer.

After these years of wandering, King Guangping's mood has changed a long time ago, a little less kindness, a little more ruthless, it can be said that there is no compromise to achieve the goal!

Whoa!

The voice fell, and the people who knelt in the audience stood up one after another.

“Father!”

At this moment, a joyful voice came, and then, a handsome young man rushed over and threw himself into King Guangping’s arms.

It was Yue Wuya!

In the previous fierce battle, Lu Jiechen was also injured, and Yue Wuya, as a disciple, has been taking care of Lu by the side.

At this time, when King Guangping appeared, Yue Wuya was both surprised and delighted.

Until this time, Yue Wuya still believed that King Guangping was his biological father.

“Y’er?”

King Guangping was also full of surprises when he saw Yue Wuya, he couldn’t help but reached out and touched Yue Wuya’s head, and said happily: “My Ya’er has grown up, grown up... grown up. ..” King Guangping’s tears were blurred.

Chapter 1534

said, there was a bit of kindness in the eyes of King Guangping: “Ya’er, now the father is the emperor, and I will be called the father in the future, and you are also the prince. Gao is not happy.”

Although Yue Wuya Not his biological son, but as soon as he saw Yue Wuya, King Guangping remembered the old days and still regarded him as his own.

Um!

Yue Wuya scratched his head, very happy: “Happy, so happy, congratulations to the emperor.” To

be honest, Yue Wuya was not interested in being a prince at all, but he was so happy when he saw King Guangping.

What?

This....this child is his own child, Ya’er?

At this moment, Yue Feng froze there, staring blankly at the two of them, his emotions were up and down, and he was speechless.

After reuniting with Qin Rongyin, Yue Feng knew that his child was called Yue Wuya, but he never knew what he looked like. All I know is that the child's nickname is Ya'er, because he has lived in Guangping Wangfu for several years, and has always called Guangping Wang his father.

At this time, I saw Yue Wuya called King Guangping King and Father King! He must be wrong!

The funny thing is, I met him at the ancient tomb of Lv Bu and saw him with Zhou Qin, and thought he was the son of Zhou Qin and Hao Jian.

Thinking to himself, Yue Feng stared at Yue Wuya, amused, ashamed, and a little excited.

"Ya'er."

At this moment, King Guangping looked at Yue Wuya with a smile: "How have you been all these years? Where is your mother?"

Thinking of Qin Rongyin, King Guangping couldn't calm down.

"Father!" Yue Wuya's expression darkened, very sad: "My mother and I were separated ten years ago, I have been looking for her for a long time, but there is no news, but... I have been good these years. , I worshipped a great master and learned a lot of skills!"

"Haha..."

Hearing this, King Guangping was relieved and nodded, "Okay, okay, Ya'er has the skills, and I will stay with my father from now on. By the emperor's side, help me deal with things, okay?"

He had just proclaimed himself emperor, when he was in urgent need of talents.

And Ya'er is the child he sees as his own, and the person he trusts the most. It would be better to have him by his side to help.

"Okay!"

Yue Wuya nodded in agreement without thinking about it.

In his heart, King Guangping and his mother were the closest people to him, and they were reunited after a long absence today, so naturally they didn't want to be separated.

“Y’er!”

At this moment, a voice came from the side, and then, Qin Rongyin walked out slowly, looking at Yue Wuya, tears blurred her eyes, her voice trembled: “Y’er, my Ya’er, mother finally found you...”

At this time, Qin Rongyin was extremely happy and excited! I’m really happy today, not only did Yue Feng not die, but he also found his long-lost Ya’er!

Excited, Qin Rongyin burst into tears, feeling like she was in a dream, unspeakably happy and happy.

“Mom...”

Yue Wuya was shocked, surprised and happy!

In the next second, Yue Wuya couldn’t hold back, and suddenly jumped into Qin Rongyin’s arms, and couldn’t help crying: “Mom, is it really you? Mom... I miss you so much, I miss you so much. ...”

In the past ten years, Yue Wuya has cultivated painstakingly and practiced everywhere, and his mind is much more mature than children of the same age. Never shed tears easily.

But when he saw Qin Rongyin, Yue Wuya could no longer control himself.

For so many years, Yue Wuya has been looking for news of Qin Rongyin all the time, looking forward to reuniting with his mother sooner, but seeing her now, all his thoughts have turned into tears of excitement.

“Ya’er, my dear Ya’er, don’t cry, don’t cry...” Qin Rongyin hugged him tightly, soothing her softly, and at the same time, she felt unspeakable guilt.

Wow...

Seeing this scene, many people around looked at each other in dismay and whispered.

“What’s the situation?”

“Isn’t this Yue Feng’s woman? Why...her child, called King Guangping’s father?”

Huh! At this moment, King Guangping was also surprised and delighted, his eyes fixed on Qin Rongyin with affection in his eyes.

After not seeing each other for so many years, Madam is still quiet and charming, with a bit more mature charm, not to mention more provocative.

“lady!”

Chapter 1535

After dozens of seconds, King Guangping reacted and looked at Qin Rongyin affectionately: “Long time no see Madam! How are you all these years?”

“I...I’m fine!” Qin Rongyin bit her lip, replied softly.

However, when he spoke, Qin Rongyin didn’t look at King Guangping, and he seemed very restrained.

To be honest, in Qin Rongyin’s heart, he has always been very grateful to King Guangping. Without his protection, he would have died long ago, and it was impossible to give birth to Ya’er smoothly.

But... But Qin Rongyin had already returned to Yue Feng’s side, so naturally he didn’t want to have too much involvement with King Guangping. And Yue Feng was still watching from the side.

“Father, mother...”

At this moment, Yue Wuya couldn’t hide the joy in his heart: “Our family is finally reunited, and we will never be separated in the future, okay?”

When he said this, Yue Wuya said Wu Ya has a serious look on his face, and his eyes are even more hopeful for a better future.

It is the happiest when the family is together.

“Haha...” When the

voice fell, Guangping Wang was full of relief, laughed, and reached out to touch Yue Wuya’s head: “Okay, okay, Ya’er is more sensible than before. I will arrange for your mother and son to enter in a while. Gong, we will never be separated again...”

Speaking of the last sentence, King Guangping looked at Qin Rongyin with a smile: “What do you think? Madam...”

Seriously, after becoming emperor, King Guangping does not worry about whether Accompanied by beautiful women, the three palaces and six courtyards, the world’s beauties can be chosen at will, but in his heart, Qin Rongyin is the most beautiful woman in the world, and no one can replace it.

“I...”

Qin Rongyin bit her lip, thinking of rejecting it decisively, but looking at Yue Wuya's expectant eyes, she couldn't say anything.

At this moment, Yue Chen walked out quickly, knelt on the ground, and shouted loudly: "Congratulations, Your Majesty, the family is reunited."

When he shouted these words, Yue Chen had a complimenting smile on his face, but he was very uneasy.

Yue Wuya and Qin Rongyin, how could he not know each other? Ten years ago, they also sent someone to assassinate their mother and son.

Originally, Yue Chen didn't want to come out to flatter him. But no way.

Now that King Guangping is the emperor, for the sake of prosperity, Yue Chen can only support and support from all sides.

"Congratulations, Your Majesty!"

In an instant, Linghu, who was surrounded by innocent people, also knelt down.

Dog minion!

Seeing Yue Chen's flattering look, Xing Yao frowned, and couldn't help but cursed in her heart.

"Haha.."

King Guangping smiled and felt very comfortable. He raised his hand and said, "All of you Aiqings, please pass the word of my word, canonize Yue Wuya as the prince, Qin Rongyin as the queen, and enjoy forever..."

Wait..." Before

he could finish speaking, he was interrupted by a voice. Then, a figure stood up slowly, his face still pale, but his eyes flashed with determination.

It is Yue Feng!

At this moment, Yue Feng showed a mocking smile and looked at King Guangping quietly: "King Guangping, I am very grateful that you took care of Mrs. for so long before, but it seems a bit unreasonable to completely win people's love."

When he said this, Yue Feng looked polite.

Yue Feng had never seen King Guangping before, but after hearing Qin Rongyin mention it, he knew that he was a kind and righteous person.

Therefore, when I saw King Guangping and Yue Wuya recognize each other just now, Yue Feng did not intervene, nor did he stop him. After all, they had helped them raise their children.

But... King Guangping ignored his existence and even kept his children and his wife in the palace, which made Yue Feng unable to bear it.

Swish!

Hearing this, King Guangping's face changed suddenly, his eyes fixed on Yue Feng, and he sneered silently.

At the same time, a heated discussion erupted from the surrounding people.

"What's the situation?"

"King Guangping and Yue Feng are robbing women?"

"An emperor, a Tianmen sect master, want to fight for a woman? Interesting, but then again, this woman is really the best..."

The ultimate husband in Chinese chapter 1536-1540

Chapter 1536

Everyone's discussions kept coming, Yue Feng just pretended he didn't hear it, and Jing Jing and King Guangping looked at each other, fearless.

You've already become an emperor, and you still want to rob other people's women. How do you explain it in front of everyone.

"Yue Feng!" At this moment

, Yue Wuya clenched his fists and stared at Yue Feng fiercely: "When will it be your turn to make irresponsible remarks about our family?"

There was anger in his eyes.

This Yue Feng is the number one enemy of the Ming Sect. In the previous battle, the master was injured by him again, but now, he finally reunited with his father and mother, and he came out to disrupt the situation again.

Simply unforgivable.

“I...”

Feeling Yue Wuya’s anger, Yue Feng opened his mouth, not knowing whether to laugh or cry.

This kid...doesn’t know that I’m his biological father.

“Yue Feng, my Ming Sect was once destroyed by you, and now my father Huang has just proclaimed himself emperor, and you are making trouble again.” Yue Wuya couldn’t help but stare at Yue Feng and continued: “So arrogant, arrogant, and not enough to die. Unfortunately, you don’t want to leave alive today.” As he

spoke, Yue Wuya slowly walked towards Yue Feng.

Whoa!

Seeing this scene, many people present secretly sweated for Yue Feng.

“Bad! Now Yue Feng is in trouble...”

This chapter is provided by . Visit for daily update.

“Yes, this child is the canonized prince of the new emperor. After the fierce battle before, Yue Feng has no strength to fight anymore. Provoking the new prince...”

“Isn’t this courting death...”

Under the discussion of the surrounding people, Yue Wuya slowly came to Yue Feng.

“Yue Feng! Accept your fate!” A

cold voice came from Yue Wuya’s mouth, and then he slowly raised his hand. The inner strength surged throughout the body, and the momentum was astonishing.

“Boy, don’t hurt my brother Feng!”

“Little baby, you dare...”

“You dare to touch my brother Feng, I can’t spare you...”

Seeing this scene, Sun Dasheng, Wen Chou Chou, and Duan Duan The four brothers Feng and others were all shocked and shouted angrily.

At this time, they still hadn’t reacted. This Yue Wuya was the child of Yue Feng and Qin Rongyin.

At the same time, Dasheng Sun wanted to rush over, but they consumed too much internal energy before, and it was too late.

Nima!

At this time, Yue Feng also wanted to cry but had no tears.

Their own children, who do not know themselves, have to kill themselves.

This father, he is really a failure.

“Ya’er, stop!”

Seeing that Yue Wuya’s palm was about to hit Yue Feng, Qin Rongyin let out a coquettish cry and rushed over to block Yue Feng.

“Mom. Why are you helping this kind of person?” Yue Wuya was stunned, his face full of confusion.

When he was talking, he didn’t forget to give Yue Feng a stern look.

Snapped!

As soon as he finished speaking, Qin Rongyin slapped Yue Wuya’s face directly.

A crisp slap sounded, and the surroundings were suddenly silent!

Yue Wuya covered his face, and the whole person was stunned. He stared at Qin Rongyin blankly: “Mom, why are you beating me?” Since childhood, Qin Rongyin has been very fond of him. scolding.

But at this time, my mother beat herself for Yue Feng.

“Y’er, you are not allowed to talk about him like that, he is your father, your biological father, do you know...” Qin Rongyin was very excited and shouted at Yue Wuyajiao, her voice trembling.

Chapter 1537

What?

Hearing this, Yue Wuya's body was shocked, his mind buzzed, and he was completely stunned.

Whoa!

At the same time, the audience exploded. There was an uproar, and countless pairs of eyes converged on Yue Feng and his son, full of shock.

"This child...is Yue Feng's?"

"No wonder, I said that Yue Feng would not stand up for no reason."

"God...their relationship...is too messy.... "

At this time, Sun Dasheng, Wen Chou Chou and others were also stunned.

A few seconds later, Wen Chou Chou was the first to react, laughing loudly, and said to Yue Wu Ya, "I was wondering before, why your child looks a bit like Feng Zi, so you are my eldest nephew. Ah, haha..." The

voice fell, and Sun Dasheng also laughed and coaxed: "Ah, your name is Wuya, right, you are so ignorant, how can a son beat his father? Hurry up and apologize to your father..."

After a long time, it turned out to be Feng Zi's son.

Really a false alarm.

However.

Yue Wuya didn't say anything, looked at Yue Feng with complicated eyes, and didn't say a word.

At this time, Yue Wuya had a storm in his heart, and he could not calm down for a long time.

In his heart, he always believed that King Guangping was his biological father.

More importantly, in the past few years of Mingjiao, Yue Wuya had been instilled with hatred by Lu Jiechen, and he regarded Yue Feng as an enemy from the bottom of his heart.

Suddenly, the enemy has become his biological father, which is really difficult for him to accept.

“Y’er!” At this moment, Qin Rongyin

came over and said softly: “Hurry up and help your father up, let’s go back to the Earth Continent together, and we will never be separated, okay?”

Love and hope.

Yue Wuya still did not speak.

After a few seconds, Yue Wuya breathed a sigh of relief and shook his head: “Mom....I...I don’t want to go with you!” After

saying that, Yue Wuya turned around and stood in front of King Guangping. Beside him, he had a determined look on his face.

“Ya’er, why?” Qin Rongyin was stunned.

Yue Feng also frowned secretly, very puzzled.

call!

Yue Wuya took a deep breath and said slowly: “In my heart, my father has always been the emperor!”

When he said this, Yue Wuya’s tone was firm and unquestionable, and he didn’t even look at Yue Feng. .

“You...” Qin

Rongyin stomped her feet angrily and pointed at Yue Wuya: “How could you say such a thing? Your biological father is Yue Feng, how could you not recognize him?”

Very miserable.

I thought that if I found Ya’er, I could happily go back to reunite, but I didn’t expect that the child didn’t recognize Yue Feng.

“Do I recognize him?”

Hearing this, Yue Wuya’s backlog of grievances for many years burst out, and cried at Qin Rongyin: “Why should I recognize him? Mom, when we were bullied, he Where was he? Where was he when we were separated?”

Yue Wuya became more and more excited as he spoke. Tears kept flowing, and his voice became hoarse. He pointed at Yue Feng: “Have you looked for my mother and

me for so many years? You don't even know that you have a child, right? Say it, say it..."

Phew!

Facing Yue Wuya's accusation, Yue Feng took a deep breath, filled with guilt, and said bitterly: "Ya'er, I'm sorry, it's my father's fault!" The

child was right, he did not fulfill his father's duty!

"Don't call yourself a father to me!" Yue Wuya shook his head desperately, then hugged King Guangping's arm: "In my heart, he is my father, and you....not worthy!"

Chapter 1538

Unworthy!

These two words, like an invisible sledgehammer, smashed into Yue Feng's heart!

Dengdengdeng....

Yue Feng staggered back a few steps, his face was extremely pale, and his heart was painful and uncomfortable!

"Brother Feng..."

"Stinky boy..."

"Boy, if you talk to your father like this again, be careful I beat you."

Seeing this scene, the four brothers Duan Feng, Sun Dasheng and Wen Chou Chou were all angry. not.

Especially Sun Dasheng, with a hot personality, almost jumped up and stared at Yue Wuya: "Boy is neither big nor small, I think you need to be beaten..."

"Shut up!" Yue Wuya looked at it lightly. He glanced at him: "Our family affairs, why are you interrupting?"

"You..."

Hearing this, Sun Dasheng was about to explode with anger, but he was speechless.

Yes, this is indeed Fengzi's family business, but he is Fengzi's brother, Fengzi's son, his own son! This kid is so ignorant, it's really annoying! Sun Dasheng was so wounded

at this time that he really couldn't move, otherwise, he really wanted to slap this kid twice!

Wow...

At this moment, everyone around has complicated eyes and couldn't help but talk in a low voice.

"Being a son doesn't even recognize his father..."

"It's getting more and more interesting..."

"I'll go, how many women does Yue Feng have? He has a son, and he didn't know it before?..."

Qin Rongyin was embarrassed and angry when everyone said your sentence and my sentence.

It should have been a happy reunion scene, but now it has become like this, and it has been laughed at by the people in the rivers and lakes of the nine continents.

What a shame.

"Haha..."

At this time, King Guangping laughed and stroked Yue Wuya's head: "Ya'er, your royal father didn't hurt you in vain. Are you really willing to stay by your father's side?"

When he said this, King Guangping deliberately looked at Yue Feng with a somewhat provocative look in his eyes.

What if you were the hero of the Earth Circle?

Does your son still deny you?

"Yeah!" Yue Wuya nodded his head, without the slightest hesitation!

Although he is Yue Feng's biological son, he has no relationship with him at all, so he is more comfortable staying by his father's side.

"Okay, okay!"

Hearing the answer, King Guangping was even more cheerful and looked at Qin Rongyin with a smile: "Madam, Ya'er has decided to stay, so you can join us."

"I won't stay!" Qin Rongyin shook shook his head.

Immediately, Qin Rongyin looked closely at Yue Wuya: "Ya'er, you really don't want to go back to the Earth with your mother?"

Qin Rongyin felt very uncomfortable when the words fell, and tears fell down her face again.

Yue Wuya didn't respond, obviously acquiescing, but there was a flash of reluctance in his eyes.

To be honest, Yue Wuya really wanted to be with Qin Rongyin, but he resisted Yue Feng from the bottom of his heart.

"lady!"

At this moment, King Guangping sighed softly, looked at Qin Rongyin, his eyes flickered: "You don't want to stay because of Yue Feng, right?"

"That's right." Qin Rongyin didn't even think about it, and answered very succinctly. To be honest, Qin Rongyin is very grateful to King Guangping for taking care of her before, but in her heart, she has only one man, Yue Feng, and it will never change in her life. The lord is very good, but she, Qin Rongyin, is not a woman who is always busy.

Ugh!

Hearing this, King Guangping sighed: "In this case, I allow Yue Feng to stay together, how about that?" At the same time as he spoke, King Guangping walked slowly with a smile on his face, but there was a hint of difficulty in his eyes. Perceived gloomy.

Chapter 1539

What?

Qin Rongyin was stunned!

Does he want Yue Feng to stay with him? He is the emperor now. If he does this, is he not afraid of others gossip?

Thinking to herself, Qin Rongyin subconsciously looked back at Yue Feng.

Whoosh!

It was at this moment that King Guangping suddenly increased his speed and used electricity to seal Qin Rongyin's acupuncture point.

"You..."

Qin Rongyin's body trembled, and she couldn't move. She looked at King Guangping in shock and anger: "What are you doing?"

"Madam, I'm sorry." King Guangping showed a smile, but his eyes flashed resolutely: "I can't let you go with Yue Feng, and Ya'er and I can't be without you..."

I can think about her everywhere, follow her in everything, and spoil her! But ten years ago, I had missed my wife, and now I can't miss her again!

"You..." Hearing this, Qin Rongyin stomped her feet in anger, but was speechless.

Yue Wuya watched quietly, without saying anything. Completely acquiesced to the practice of King Guangping.

In his heart, he, his mother, and King Guangping are one family. As for Yue Feng, although he is related by blood, he is also an outsider.

"King Guangping!"

Seeing this scene, Yue Feng clenched his fists tightly, burning with anger.

"King Guangping!"

Sun Dasheng shouted angrily, his eyes were extremely blood red, and he pointed at King Guangping and cursed: "It's okay to rob someone else's child, and now you have to rob a woman of the wind. You are shameless? That's all. To be an emperor? I bah..."

When the words fell, Wen Chou Chou couldn't help but say, "As an emperor, isn't it bad to win someone's love?" To be

honest, Wen Chou Chou was also a little angry, but he was calm and didn't scold him.

Swish! Hearing the words of the three Yue Feng brothers, King Guangping's face suddenly became extremely gloomy. He pointed at Yue Feng and shouted angrily:

"Come on! Take Yue Feng and his

comrades down to me!"

It's the emperor, but Yue Feng and the others still call themselves King Guangping, and they don't take themselves seriously at all.

It's just too nasty!

As soon as the words fell, Yue Chen rushed out first and shouted: "Take it, take it all!"

Immediately, Yue Chen flicked his wrist, a machete appeared in his hand, and then slashed at Sun Dasheng!

Before the melee between Emperor Tianqi and Yue Feng, the strength of both sides was strong, Yue Chen took into account his own safety, so he hid, but now, Yue Feng and these people, the internal strength has not completely recovered, it is a good time to take action.

Whoops...

At the same time, many imperial guards and royal guards swarmed over, and in a blink of an eye, they surrounded Yue Feng and everyone! In fact, these imperial guards are all wounded and have no strength, but at this time King Guangping has become the new emperor, who doesn't want to make a contribution? Even if you don't have the strength at this time, you have to rush up to make a contribution!

"Yue Chen, you despicable and shameless villain, even if I die today, I will drag you to hell with you!" Facing Yue Chen, who was rushing up, Sun Dasheng howled loudly and went up to meet him directly.

When Yue Chen framed Fengzi at the beginning, everyone in Diyu Continent knew about it.

Now seeing him fall into the trap again, Sun Dasheng was instantly furious!

"clang!"

In the blink of an eye, Yue Chen and Sun Dasheng collided fiercely, and saw Sun Dasheng groaned and was shaken back more than ten meters. His mouth was pale and he spat out blood, but Sun Dasheng's eyes still flashed with high fighting intent. Sun Dasheng's strength is very high, but he is injured, of course he is not Yue Chen's opponent!

boom! boom! boom!

On the other side, Yue Feng gritted his teeth and waved Fang Tianhua halberd to resist the attack of the Apocalypse soldiers, but there were too many people to stop him.

"Pfft..." During the

melee, I don't know who, slashed Yue Feng in the back, and the blood was dripping all of a sudden.

However, blood poured out in an instant! Yue Feng gritted his teeth, but he didn't say a word!

At this time, Yue Feng was so angry that he could not express his anger. He thought that when King Guangping appeared, the battle would be completely subsided, but he did not expect that King Guangping would act directly for the sake of his wife, without saying any rules!

Chapter 1540

“It’s broken, now Yue Feng is completely over!”

“Yeah, my own son doesn’t recognize him, and now even women are taken away...”

“Alas, the end of the hero...”

Seeing this scene, everyone in the distance whispered and looked at Yue Feng’s eyes with regret.

“Yue Feng...”

At this time, seeing Yue Feng’s continuous injuries, Qin Rongyin couldn’t help crying: “You don’t have anything to do, don’t have anything to do.” With

that, Qin Rongyin asked King Guangping: “Lord, don’t kill Yue Feng, let them go, I’m willing to stay, I’m willing to...”

Qin Rongyin at this time was about to collapse. In her heart, ten thousand people do not want to stay in the palace.

But no way.

I finally reunited with Yue Feng, and I haven’t had a good time together, so I can’t just watch him die here.

“Haha...”

Upon hearing this, King Guangping was full of joy, and nodded with a big smile: “Okay, it’s fine if Madam is willing to stay!”

Immediately, King Guangping shouted at Yue Chen, “Yue Aiqing, today is my proclamation as emperor. On the first day of the first day, don’t commit murder, arrest Yue Feng and these people, don’t kill them.”

In fact, King Guangping wished to kill Yue Feng immediately, only by killing Yue Feng, his wife would be completely Forget it.

But King Guangping knew Qin Rongyin’s character, and he really wanted to kill Yue Feng in her face, and he would never want to gain her heart in the future.

Therefore, it is still temporarily arrested, and when the wife is not present, I will slowly deal with Yue Feng and his comrades.

“Yes, Your Majesty!” Yue Chen responded loudly.

When responding, Yue Chen was respectful on the surface, but his heart was indescribably gloomy.

What! I thought I could take the opportunity to kill Yue Feng today to avoid future troubles, but I didn't expect His Majesty to capture him alive.

However, as long as Yue Feng is captured alive, there are many opportunities to kill him in the future.

Thinking to himself, Yue Chen greeted the surrounding Royal Forest Army and launched attacks continuously.

Bang bang bang...

Although Yue Chen and the surrounding royal guards obeyed the words of King Guangping, they didn't kill, but under the constant attack, Yue Feng and the others couldn't stand it anymore. And there are more than a dozen Martial Emperor powerhouses under King Guangping! Where can Yue Feng stand?

In just half a minute, Yue Feng was stabbed a few more times, and the blood on his body was dripping down!

Sun Dasheng, Wen Chou Chou, and Ouyang Zhennan were all surrounded by circles, and the situation was not optimistic!

“Am I cheating on you!”

Sun Dasheng was completely mad, holding a giant axe, he chopped down seven or eight people, but he was still slapped on the chest by Yue Chen! In an instant, Sun Dasheng vomited several mouthfuls of blood and retreated to Yue Feng's side.

“Dasheng, I'm sorry, brothers always cause trouble.” Yue Feng smiled bitterly and said to Sun Dasheng.

“Fart. My brother, don't say such things!” Sun Dasheng gritted his teeth and scolded, and at the same time he swung out an axe and shouted: “Fuck him, I don't believe it, a King Guangping can make us Stop, let's rush together!”

“Okay!”

Hearing this, Yue Feng's blood boiled and he shouted, and then the two brothers converged towards Wen Chou Chou and broke out again!

However! King Guangping's subordinates, and the Tianqi Yulin Army, the offensive is too fierce, Yue Feng and others can't resist it at all!

"Clang! Dang!"

Yue Feng held Fang Tianhua's halberd tightly, and he didn't know how many times he swung it, let alone how many knives he took. I only saw that his body was covered in scars, and the blood had already dyed his clothes red!

Yue Feng could clearly feel the pain coming from the whole body, limbs, back, and there was no pain!

"Pfft!"

Another sword stabbed, this sword directly pierced Yue Feng's shoulder!

Yue Feng only felt that his strength was quickly lost, and he couldn't help falling to the ground.
