

The ultimate husband in Chinese chapter 1621-1630

Chapter 1621

Three rounds of wine and five flavors of food.

Soon, the dinner was over, and Han Aoran and Han Bing also left the palace.

Yue Wuya was sent all the way to the outside of the palace, then he stopped and waved goodbye to Han Bing: "Bing'er, when you have time in the future, come directly to the palace to find me!"

"Okay, brother Wuya!" Han Bing smiled in response, although the marriage was not successful, it was not affected by the mood.

It was already midnight.

However, on Huangcheng Street, it is still very lively, with a continuous stream of pedestrians, all kinds of stalls on the street, people kneading noodles, selling snacks, and buying candied haws, making people dazzled.

Seeing this scene, Han Ao Ran secretly sighed.

As expected of the Apocalypse Imperial City, it is so lively so late.

Han Bing is even more excited. At each stall, he has to stop for a while, look at this, flip through that, it is very cute.

"Mother!"

At this time, Han Bing thought of something, and couldn't help but ask, "Why don't you let me marry Wuya brother?"

As a daughter, she knows Han Ao Ran's personality very well. There are principles. She said that there must be a reason for disagreeing with this marriage.

"You two can't get married." Han Ao Ran responded without hesitation.

"Why?" Han Bing was puzzled.

"Because..." Han Ao Ran's red lips lightly parted, just as he was about to explain, suddenly, he heard a sound of beating and scolding from the alley ahead, accompanied by the cry of the child.

This chapter is provided by . Visit for daily update.

The cry of the child was very desolate and heart-wrenching.

“Mother!” Han Bing was kind-hearted, and as soon as he heard the cry, he was immediately touched and pulled Han Ao Ran’s arm: “Let’s go and have a look.”

Han Ao Ran nodded and walked into the alley with Han Bing.

Swish!

As soon as they entered the alley, when they saw the scene in front of them, Han Ao Ran and the mother and daughter were both very angry.

In the alley, a young man dressed in silk and satin was directing a few servants, punching and kicking a family of three. The family of three who was beaten was in ragged clothes. It was obvious that the family of three lived by begging and were beggars.

This son’s brother is Liu Dong, and his father is the deputy commander of the imperial city guards. Relying on his family background, Liu Dong made a fortune in the imperial city and made a famous playboy.

Today, Liu Dong was walking in the imperial city and met this family of three, who were begging for food. The bowl of begging accidentally bumped into Liu Dong. Liu Dong was instantly furious, so he asked a few servants to beat up the family of three.

At this time, Liu Dong seemed to be displeased, and he kept scolding: “Ma De, you bastards, your beggars have soiled my clothes, you should pay for it with your life! Hit me, hit me to the death! “The

voice fell, and the few servants fought more vigorously.

The family of three was beaten and rolled on the ground, screaming in pain: “This young man, we were wrong, our family, we really haven’t eaten for several days... I’m sorry for soiling your clothes. , I’m sorry...”

“Mother!” Seeing this scene, Han Bing’s little face was flushed with anger: “Someone has done evil!”

Han proudly smiled and asked: “Then what do you think we should do?”

“Of course. It’s doing the right thing for heaven!” Han Bing clenched her pink fist tightly, and said righteously: “Mother has always taught me, walking in the rivers and lakes, you must be a chivalrous person! In such a situation, these bad guys must be severely punished. Mother. , I’m going to beat the bad guys!”

“Yeah.” Han nodded proudly. That’s right, she has always warned her daughter that martial arts practitioners should be chivalrous and righteous, and they should draw their swords and help when they encounter injustice. But just now Han Bing said, to ‘do for heaven’. When Han proudly heard his daughter say these four words, his heart trembled.

These four words are the slogan of Tianmen. And the suzerain of Tianmen is Yue Feng. Over the years, the person Han Aoran didn’t want to remember the most was Yue Feng. But he is always remembered.

“Bing’er, don’t say the words ‘acting for heaven’ in the future.” Han proudly said lightly, and then waved to his daughter: “Bing’er, go beat the bad guys.”

Chapter 1622 “Mother, Bing’er

knows! Bing’er is going to beat the bad guys!” Han Bing smiled and nodded, then quickly stepped forward and shouted at Liu Dong and others: “Stop!”

!

In an instant, Liu Dong and his group all looked over. Stop beating that family of three.

“Yo?” Liu Dong reacted and looked at Han Bing with a smile: “Where’s the little girl from, she looks so beautiful, are you interested in playing with my son, my son invites you to drink!”

He said, Liu Dong waved his hand. The few servants behind him suddenly understood, and each with a playful smile, surrounded the ice.

“Big! Ice! Dragon! Palm!”

Looking at the few servants who came around, Han Bing didn’t panic at all. Although these few servants are all cultivators, their realm is too low to be taken seriously.

“Om!”

In an instant, a powerful aura erupted from the body of Frost Bing, and I saw a long ice dragon twirling in mid-air, heading straight for those few householders!

Whoohoo!

A few servants didn’t react, and they were swept away by this ice dragon!

Frost’s big ice dragon palm, although still immature, its power should not be underestimated! After all, this is the supreme martial arts!

“Boom!”

With a roar, I heard several servants screaming, one by one, they were shocked and flew out, blood spurting from their mouths, and they lost their fighting power in an instant!

“Hey!”

Liu Dong’s expression changed when he saw several servants being sent flying, he was almost dumbfounded, his legs were weak, and he almost urinated his pants.

He never thought that the seemingly delicate little girl in front of him had such a terrifying cultivation strength.

“You... dare to provoke this young master, wait, you wait for me.” Liu Dong panicked, uttered a cruel sentence, greeted a few servants, and fled.

“A bunch of bad guys! Let you bully people!”

Looking at the backs of Liu Dong and the others fleeing, Han Bing snorted coldly.

At this time, Han proudly came over, smiled and praised: “Bing’er is not bad, you have improved a lot with this big ice dragon palm.”

Putong!

Just as he was talking, the family of three who had been beaten just now suddenly knelt down.

The father of the family of three, a middle-aged man, was full of gratitude at this time: “Thank you two benefactors, thank you, thank you... If it weren’t for you, our family of three would have been beaten to death, thank you, Thank you two fairy benefactors...”

With a smile on Han Bing’s face, he pulled the family of three up, and said to Han proudly at the same time: “Mother, let’s give them the dry food on us.”

This family of three is so hungry I have no strength to speak, which is really pitiful.

Han nodded proudly, took out the dry food, and handed it to the family of three.

The family of three took the dry food, quickly divided it, and then devoured it. At the same time, the man also briefly explained his own experience.

It turned out that the family of three, their hometown was in Diyu Continent, and the man’s name was Lu Jiu.

It turned out to be from a continent, no wonder the accent is so familiar.

Knowing this situation, Han Bing couldn't help feeling a little kindness in his heart, but also very sad.

Ugh!

There are so many poor people in this world.

"Bing'er, let's go." Han proudly greeted, turned and walked outside the imperial city.

Han Bing responded and quickly followed.

"Two fairy benefactors! Please stay..."

Just after taking two steps, Lu Jiu shouted.

Chapter 1623

Han Ao Ran and Han Bing immediately stopped and looked back.

At the same time, Han Ao Ran frowned and asked, "Is there anything else?"

Pu Tong, just after he finished speaking, Lu Jiu knelt down suddenly, his expression extremely miserable: "Two fairies benefactors, I beg you, save me. Save my little daughter, in fact, we are a family of four, I have a little daughter, just in the ruined temple outside the imperial city, my little daughter is dying, two fairy benefactors, I beg you, be good people In the end, save my little daughter..."

At the same time, Lu Jiu's wife and son next to him also knelt down.

little daughter?

Hearing this, Han Aoran and Han Bing were full of surprise.

Isn't this Lu Jiu a family of three, why does he still have a daughter? And, he didn't take it with him either.

At this time, Lu Jiu choked: "Two benefactors, my youngest daughter is in the ruined temple outside the imperial city. Two days ago, we met a group of wild dogs in the forest. My youngest daughter was bitten and the wound became infected. Now, we can't walk at all, so we didn't take her when we came out to beg for food."

After speaking, Lu Jiu burst into tears: "The two benefactors of the fairies are both powerful cultivators, and there must be a way to cure my daughter. I beg you to be merciful, I kowtow to you..."

After saying the last sentence, Lu Jiu kept kowtow and made a thumping sound.

call!

Knowing these circumstances, Han Bing took a deep breath and his eyes became moist.

This family is too miserable. Thinking to myself, Han Bing stopped Han Ao Ran's arm: "Mother, help people to the end, let's go and have a look."

"Okay." Han Ao Ran nodded without hesitation.

Although she is the goddess of the iceberg, Han Ao Ran is very kind at heart and has a righteous heart. The last thing she wants to see is the suffering of the people.

Back then, when Han Ao Ran first became the head of Emei, the people at the foot of Mount Emei, the road was blocked due to the collapse of the mountain. At that time, Han Aoran used the big ice dragon palm to shatter half of the mountain! This matter is still circulating in the rivers and lakes of Diyuan Continent.

So seeing Lu Jiu's family so miserable, Han Ao Ran was very sympathetic.

"Thank you, thank you two fairy benefactors." Lu Jiu was overjoyed, wiped away the tears from the corners of his eyes, got up quickly, and couldn't stop thanking him!

The wife and children next to him also kept bowing.

Han proudly waved his hand, indicating that there is no need to be more polite, and said lightly: "Let's lead the way ahead."

"Okay, okay!" Lu Jiu nodded again and again, greeted his wife and children, and walked outside the imperial city.

The moment he turned around, a sneer flashed in Lu Jiu's eyes.

Han Ao Ran and Han Bing slowly followed.

After a while, on a barren mountain outside the imperial city, in the distance, there was a ruined temple on the hillside, with oil lamps lit inside, emitting a faint light.

Han Ao Ran and Bing Bing didn't have time to think about it, and quickened their pace.

Soon, after entering the ruined temple, the courtyard was overgrown with weeds, and there was a desolate feeling everywhere.

"Where's your daughter?" Han Bing rushed to Lu Jiu and asked eagerly.

Lu Jiu hurriedly said, "It's inside." After

speaking, Lu Jiu pointed to the room inside, his face seemed very anxious, but he didn't go in the first time.

"Mother, let's go in and have a look." Han Bing didn't think much, and walked in quickly.

Han nodded proudly and followed behind.

Chi Chi...

At this moment, Lu Jiu, who was behind him, suddenly raised his hand and waved, and saw two cold beams, silently shooting towards the backs of Han Aoran's mother and daughter!

Lu Jiu's shot was very fast, and he was very close, so Han Aoran couldn't react at all, but felt his back numb, and he couldn't move at all!

"You...you are courting death!" Han proudly looked back at Lu Jiu, shocked and angry! She never imagined that this Lu Jiu would actually retaliate, let alone that Lu Jiu was a cultivator who hid his strength before. And he relaxed his vigilance at that time, but he didn't notice it at all!

Han Ao Ran clearly felt that Lu Jiu in front of him was a practitioner of the Martial Saint Realm!

To be able to reach the realm of Martial Saint, it is impossible to live with a family begging!

Chapter 1624

Han Bing trembled even more, and shouted at Lu Jiu: "My mother and I are kind to help you, why do you want to plot against us?"

"There are no little girls at all.

At this time, Han Bing fully realized that both himself and his mother had been deceived.

Lu Jiu sneered, his face full of sinister: "The so-called soldier never tires of deceit, since it is in my hands, you should be honest."

"Blue blood cold needle!" Han proudly trembled, at this moment she could feel that she The whole body began to be paralyzed, and there was a trace of coldness. Han proudly bit his lip and asked Lu Jiu, "Are you from Tangjiabao?"

Tangjiabao is a cultivation family in Diyuuan Continent. Inherited for hundreds of years, good at using hidden weapons. One of the most well-known hidden weapons is called the Jade Blood Cold Needle. After the practitioner is hit, they will be paralyzed and unable to use any strength.

Han Ao Ran has been the head of Emei for so many years, and he knows all the sects in the Earth Circle Continent like the back of his hand. Even if he can't see the cold needle on his body, he can guess it.

hiss!

Lu Jiu was stunned for a moment, and he couldn't help sucking in his cold breath secretly, and nodded in approval: "Yes, I'm from Tangjiabao, my real name is Tang Jiu!"

Immediately, Lu Jiu showed a smile: "Sect Master Han, don't stare like that. Fuck me, I lied to you, and I did what I was ordered to do!"

After saying this, Lu Jiu raised his head and whistled!

Hula...

In an instant, I heard footsteps coming from outside the broken temple, and then, dozens of figures walked in quickly, seeing the two Han Ao Ran, they were all very excited.

"Haha, I really caught it!"

"Tang Jiu is amazing..."

"This beggar doesn't have white clothes." During the

discussion, a middle-aged man in a blue robe slowly walked over and jokingly said to Han Ao Ran: "Master Han, I haven't seen you for many years, and you are still like this. Charming."

When he said this, the middle-aged man looked Han Ao Ran up and down without blinking.

It was Tang Qingyun, the owner of Tangjiabao Fortress.

"Tang Qingyun!"

Tang Qingyun's eyes made Han Ao Ran very uncomfortable, but there was no fluctuation on his face, and he said coldly: "I have no grievances with you Tang Family Fort, why did you plan to harm me?"

The situation is obvious, this Tang Jiu, under Tang Qingyun's order, pretended to be a beggar and deliberately tricked himself.

It's just that he and Tang Jiabao have no grudges. Why did they take so much trouble to deal with him?

For a time, Han Ao Ran was puzzled.

"Why?"

Tang Qingyun chuckled, with a bit of contempt in his eyes: "Han Aoran, you still have the face to say why? When you were still the head of Emei, you clearly had Yue Feng's flesh and blood, but in order to keep Fame, married Mr. Hongye."

"Afterwards, at the Emei Millennium Ceremony, your scandal was exposed, and you directly took the child with you. You are so selfish and unfeeling about abandoning Mr. Hongye. Not only is I sorry for Mr. Hongye, but it also violates the morality of the rivers and lakes! I will arrest you. , for the sake of justice, shouldn't it be?" In

just a few sentences, it was loud and hard to refute!

Jianghu morality?

Hearing these words, Han Ao Ran couldn't help but chuckle, and said coldly, "You don't need to talk so much, talk about it, it's just my business, it's not your turn to point fingers."

As he spoke, Han Ao Ran's eyes were full of coldness: "Tang Qingyun, you Tang Family Fort are just a second-rate cultivation family, you know better than me what the consequences will be, you know better than me, let us go immediately, I will not follow You care, otherwise, I will make you regret it. I will make your entire family go away."

Chapter 1625

Gudong!

Feeling the coldness in Han Aoran's eyes, Tang Qingyun's heartbeat suddenly accelerated, and he couldn't help swallowing his saliva secretly, feeling a little flustered in his heart.

What Han Aoran said was right. Tangjiabao was not ranked in the rivers and lakes of the Earth-round Continent at all. To provoke a character like Han Aoran was undoubtedly asking for trouble.

However, thinking of the backer behind him, Tang Qingyun suddenly felt confident.

At this time, Han Ao Ran was already impatient, and urged coldly: "Why don't you bring the antidote?"

"Tsk tsk..."

As soon as he finished speaking, there was a chuckle from outside the broken temple, followed by a few The slender figure walked in slowly, the pure white long dress, fresh and refined, it was the disciple of the Emei School!

The leader is wearing a dark black dress, incomparably cold and glamorous, and there is a bit of evil spirit between the mesmerizing smiles.

It was Zhou Qin!

Behind Zhou Qin, a handsome figure followed closely, it was Hao Jian. At this time, Hao Jian, in a suit and leather shoes, was in high spirits, but in front of Zhou Qin, he was flattering and flattering.

Since Zhou Qin became the head of Emei, his status has soared, and Hao Jian has become more fascinated by her, always following Zhou Qin, and trying to please her in every possible way.

"Zhou Qin, it's you."

Seeing Zhou Qin, Han Ao Ran's body was shocked, and he immediately understood: "You arranged all of this?"

I knew that Tang Jiabao didn't have the courage at all, so it turned out that they were backing them Yes, it is the Emei School.

The ice next to him was also shocked and angry, and looked at Zhou Qin closely: "Zhou Qin, why are you doing this?"

Zhou Qin sneered and said nothing.

After sitting as the leader of the alliance, Zhou Qin sent Wudang and Shaolin to return to the Diyuan Continent to eradicate the forces related to Yue Feng, leaving only Tangjiabao and the others.

Zhou Qin did this because she wanted to stay and continue to inquire about the news of the imperial city prison. After all, Yue Feng's family and friends are still detained. Yue Feng, who values love and righteousness, will definitely come back to save people. Zhou Qin wanted to catch Yue Feng, and dreamed of it!

As a result, Zhou Qin did not wait for Yue Feng, but inadvertently learned that the mother and daughter Han Ao Ran came to the imperial city. For Zhou Qin, this is simply

a prey that came to the door. How could he miss the opportunity? Up to now, Zhou Qin still hates Han and Ao Ran! This Han Ao Ran, a few years ago, was Zhou Qin's most respected head master. However, the head master, whom he respects, had a child with Yue Feng!

Zhou Qin is proud of Han, and only hates him! Even if she forced Han Ao Ran to resign as the head of Emei, Zhou Qin still didn't relieve her hatred! Therefore, when I heard that Han Aoran came to Tianqi Imperial City, Zhou Qin explained to Tang Qingyun and asked him to design an ambush for Han Aoran.

Seeing that Han proudly was successfully captured at this time, Zhou Qin felt an indescribable joy in her heart.

For a time, the atmosphere of the broken temple was extremely solemn and depressing.

"Zhou Qin, I'm asking you, why are you planning to ambush me?" Han Ao Ran frowned and asked coldly again.

"Presumptuous!"

As soon as he finished speaking, he saw Tang Qingyun striding out and angrily scolded Han proudly: "The name of the Zhou Alliance is also what you can call?"

When saying this, Tang Qingyun carefully observed Zhou Qin's face. , a dog slave attitude.

Before, Zhou Qin used the Black Heaven Pill to subdue the major sects in the Earth Continent. After the major sects surrendered, some small sects also came to join Zhou Qin. After all, everyone knows that Zhou Qin is the leader of the martial arts alliance. There are many benefits to following her.

Among those who defected to Zhou Qin was Tangjiabao. For nearly a hundred years, Tangjiabao's talents have withered away, and it has always been in a state of decline. As the patriarch, he has long been aiming to revitalize the family and bring the family back to its peak!

It's just that Tangjiabao's strength is too weak, and no sect can look down on it.

And now, Tangjiabao has defected to Zhou Qin, Tang Qingyun believes that soon, Tangjiabao will be revived! So Tang Qingyun tried his best to please Zhou Qin.

Chapter 1626

What?

At this moment, Han Ao Ran's delicate body trembled, full of shock.

Zhou Alliance Lord?

This... Zhou Qin became the leader?

The ice beside him also froze.

"Han Aoran!"

At this time, Zhou Qin took a few steps forward slowly, stared at Han Aoran closely, and teased: "Did you not expect it? A disciple who was despised by you in the past now has such a position. , Yes, I am now the leader of the martial arts alliance in the Earth Circle Continent."

Said, Zhou Qin became more and more proud: "When you were the leader, Emei was only on an equal footing with Wudang Shaolin and the others, but now, Emei is in my hands, no matter what. Fame and status are not what they used to be, so it was right for me to drive you away from Emei. What do you think?"

Hu!

Hearing these words, Han Ao Ran breathed a sigh of relief, his face did not fluctuate in the slightest, and said lightly: "I am no longer from Emei, whether Emei is down or prosperous, it has nothing to do with me, you quickly let me go, let's go each other. Their paths are irrelevant to each other!"

Although Zhou Qin became the leader of the martial arts alliance, Dang Han proudly was shocked, but it was only temporary.

After years of traveling around, Han Ao Ran took everything lightly, even if the sky fell, he would not frown.

"Let you go?"

Zhou Qin sneered: "Do you think it's possible?"

After saying that, Zhou Qin tilted her head and glanced at Han Bing, with a smile on the corner of her mouth: "This evil seed was born to you and Yue Feng, what do you think? Will I let you go easily? I will use the ice to draw out Yue Feng. I will catch Yue Feng and make you, a pair of dogs and men, unable to survive."

This chapter is provided by . Visit for daily update.

When saying this, Zhou Qin had a smile on his face, but he couldn't hold back the monstrous resentment in his heart!

Originally, he and Yue Feng were a pair of immortals.

But Yue Feng didn't even look at him, but he gave birth to a child with this woman, Han Ao Ran!

What's even more hateful is that she used to respect Han Ao Ran so much, but she robbed her man!

I will never be able to swallow this breath!

Han Ao Ran said word by word: "Zhou Qin, I can tell you now that the beast of Bing Bing is completely an accident, I have no relationship with Yue Feng at all, if you want to use us to deal with Yue Feng, then you are a big deal. It 's very wrong."

Han Ao Ran was right at all, she hated Yue Feng in her heart, and naturally didn't care about Yue Feng's life and death, and she didn't want to get involved with this man at all.

However!

Zhou Qin didn't believe it at all, and sneered and mocked: "The children are born, and they say that it has nothing to do with each other. Who are you lying to?"

Wow!

As soon as the words fell, the surrounding Tangjiabao disciples and the Emei Sect disciples couldn't help booing and sneering.

"You can have children together without any feelings? It's interesting!"

"I didn't expect that the famous 'Frost Goddess' could say such a sentence. After giving birth to a child with someone else, Yue Feng, he would not admit it in a blink of an eye, tsk tsk "

That is, what Goddess of Frost, we are all deceived by her appearance, in fact, she is just a

slutty bitch...” Tang Qingyun, everyone, arguing at Han proudly, the more they talked, the more excited they became.

They could all see that Zhou Qin hated Han Aoran very much, and in order to please him, he deliberately humiliated Han Aoran, and the more he scolded it, the worse it sounded.

Anyway, with Zhou Qin’s backing, they were not worried about being retaliated by Han proudly.

Only one person was silent, his eyes were looking at Han Ao Ran tightly. It was Hao Jian!

The moment he saw Han Ao Ran just now, Hao Jian was immediately attracted and couldn’t move his feet.

I really didn’t expect that Han Ao Ran was still so sexy after not seeing each other for several years. Especially her calm and unhurried temperament, being arrested, but still so calm, she is really a fairy who doesn’t eat fireworks, it’s so fascinating.

Swish!

The mockery from the crowd kept coming, Han proudly trembling, staring at Zhou Qin and scolding: “Zhou Qin, let us go immediately, or you will regret it!”

Chapter 1627

Han Ao Ran’s tone is awe-inspiring, and there is killing intent in his eyes!

This Zhou Qin, he loved her so much back then, and even thought about letting her take over the position of head, but she brought a group of people and humiliated herself in various ways.

It is simply deceiving the teacher and destroying the ancestors!

“Shut up!”

As soon as he finished speaking, Zhou Qin snorted with a cold face, then walked over and slapped Han proudly on his face without warning!

“Crack!” With this slap, Zhou Qin almost used all his strength! Taking Han Ao Ran back a step, a slap print appeared on the beautiful face.

Zhou Qin sneered, he is now the leader of the martial arts alliance, and his status is detached, but Han Aoran talks to him like this, and he is asking for trouble.

hiss!

Seeing this scene, everyone in Tang Qingyun couldn't help gasping for air, and at the same time admired Zhou Qin even more.

Even the former 'Frost Goddess' dared to fight, worthy of being the leader of the martial arts alliance, too bold!

Han Ao Ran stared at Zhou Qin tightly, speechless.

Rebel!

What a rebel!

She used to be her master no matter what, she just planned an ambush, and she even started it.

This is simply deceiving the teacher and destroying the ancestors.

"Dare to stare at me?" Zhou Qin chuckled, with a bit of ruthlessness on his delicate face: "You were the head of Emei before, but you were unclean and self-love. Child, shouldn't we fight? I will teach you a lesson for the ancestors of the Emei faction right now!" The

voice fell, and Zhou Qin raised his hand again!

"Qin'er!" At this moment, Hao Jian walked up quickly and persuaded with a smile: "Okay, okay, how can you say she was your master, how can you do it? You calm down, calm down!"

When he said this, Hao Jian Yuguang glanced at Han Ao Ran and felt pity in his heart.

Such a beautiful frost goddess, it would be bad if her face was slapped.

"You step back for me!" The cold tone came from Zhou Qin's mouth, and there was no doubt: "I told you before that I will be called Zhou Alliance Lord in the future, and you are not allowed to call me Qin'er." In the

past, Zhou Qin and Hao Jian's feelings, although not inseparable from life and death, are still somewhat emotional.

But since Zhou Qin became the head of Emei and practiced the indestructible scripture, his mentality has completely changed and he has become very heartless.

In this situation, Zhou Qin never looked at Hao Jian directly.

If it weren't for the reputation issue, Zhou Qin and Hao Jian would have rescinded their marriage.

"Yes, Sect Leader Zhou!" Hao Jian nodded with a smile, and stood aside in a daze.

In the past, Zhou Qin was very strong, and now he is even more unequivocal. In front of her, Hao Jian did not dare to be presumptuous.

"You bitch!"

At this moment, Zhou Qin stared at Han Aoran, and said coldly, "You said that it has nothing to do with Yue Feng, and it wasn't the first time to hear that his friend was locked up in prison. Came here? Emei is a shame for a shameless woman like you!"

"You are the slut!" As the

voice fell, Han Bing next to him couldn't help it, and shouted at Zhou Qin, "You are I feel jealous when I see my mother and Yue Feng getting better, I feel uncomfortable, I deliberately make excuses, you are a bad woman, a bad woman..."

When he said this, Han Bing's face flushed and he was very angry.

This Zhou Qin is so hateful, even if there is something wrong with her mother, she was once her master, but Zhou Qin is so vicious, not only arresting herself and her mother, but also doing it.

Just too nasty.

Snapped!

Zhou Qin's face changed, he stepped forward, raised his jade hand and threw it directly on Han Bing's face.

"What qualifications do you have to speak of this seat? Are you courting death?" Zhou Qin said coldly, with a gloomy expression and no emotion at all.

Chapter 1628

At this time, in Zhou Qin's heart, there was a trace of killing intent towards Han Bing. You must know that, in front of so many subordinates, the dignified leader of the martial arts alliance was so abused by the little girl Han Bing, where did you put your face?

For a time, the surrounding atmosphere was extremely solemn!

Whether it is Hao Jian, Tang Qingyun and others, they are all afraid to let out the air.

A few seconds later, Zhou Qin chuckled lightly and ordered, "Take these two shameless mothers and daughters to me and take good care

of them!" When saying this, Zhou Qin seemed to be very generous and spared the cold Proud of the two, but my heart is full of anger!

Seriously, Zhou Qin really wanted to kill Han Aoran's mother and daughter immediately. But Han Ao Ran is his own master after all. If he really wants to kill, he will be talked about, and he will get a bad reputation!

Zhou Qin thought about it, and locked up Han Aoran for the time being. It would not be too late to make plans when there was news about Yue Feng.

Thinking to herself, Zhou Qin looked up at the night sky with a smile on her face.

Yue Feng, your woman and daughter have already fallen into my hands.

You just wait to be heartbroken.

"Qin... Alliance Leader Zhou!"

At this moment, Hao Jian walked over, squeezed out a smile, and said cautiously, "Let me take care of this mother and daughter, I'm fine anyway."

Hmm.

Zhou Qin responded lightly, waved his hand, and agreed.

"Don't worry, Alliance Leader Zhou, I will take good care of the two of them, and there will never be any problems." Hao Jian nodded with joy in his heart.

Having said that, Hao Jian tied Han Aoran's mother and daughter Wu Hua and took them out.

When he walked out of the ruined temple, Hao Jian's eyes were looking at Han Ao Ran closely, he was extremely excited, and he kept gulping.

Haha...

The goddess of frost, who was once looked up to, has now fallen into her own hands.

God is so mean to himself!

To be honest, since Zhou Qin became the head of Emei, Hao Jian clearly felt that his relationship with her had become more and more alienated and unfamiliar.

Although Hao Jian has been following Zhou Qin during this period of time, serving him in every possible way, but Hao Jian is very bitter in his heart. Not to mention being close to Zhou Qin, he has never even held Zhou Qin's hand. The fiancée is right next to her, but she can only look at it and not touch it. Who can stand it?

So at this time, when Hao Jian saw Han Ao Ran who was tied up with five flowers, his heart suddenly became restless. Compared with Zhou Qin, this woman is really different. Not only that, Han Ao Ran's daughter Han Bing, although young, is also very beautiful.

Hao Jian took a deep breath and felt that the air was full of fragrance. I'm so lucky tonight, haha!

.....

the other side! Northern Ying Continent.

Holy Void Mountain!

This mountain range is very sacred. In Beiyong Continent, there are two sacred mountains, one is Buzhou Mountain, where the strong people of Shennong and Zhurong live in seclusion, and the other is Shengxu Mountain!

On the halfway of Shengxu Mountain, there is an antique building, that is the famous Shengzong General Altar.

At this moment, dusk is approaching, and in a quiet courtyard behind, Yue Feng and Ren Yingying, the queen, have just had dinner.

Previously at sea, after two days and two nights of sailing, the three of Yue Feng followed Mu Qingyue back to the main altar of the Holy Sect. Originally, it was impossible for a disciple of the Holy Sect to have such treatment, but considering that Yue Feng brought his wife and mother-in-law, Mu Qingyue specially arranged a yard for him.

To be honest, on the way back to Shengzong, Yue Feng planned to find an opportunity to escape.

But after thinking about it, Master and Senior Sister are good to me, and I still have injuries on my body, so I might as well stay in the Holy Sect first, and then make plans after my internal strength has completely recovered.

What's more, with Ren Yingying and the queen by their side, even if they escape halfway, there is nowhere to go.

call!

Eat well.

Yue Feng sat on the chair with a big thorn, and felt his chubby belly with a contented expression on his face.

Chapter 1629

During the time of wandering at sea, I haven't had a good meal for a long time.

"Yue Feng!"

At this moment, the queen frowned and ordered angrily: "After eating, why don't you clean up the table?"

She is the queen, and her daughter is the princess. They are all golden branches and jade leaves. This kind of rough work, of course, Yue Feng will do it.

"Okay!" Yue Feng nodded with a smile without complaining at all. After so many days of contact, he has become accustomed to the Queen's strength.

"Husband, I'll help you!"

Seeing this scene, Ren Yingying hurried over and helped Yue Feng to clean up the dishes together.

The queen looked displeased, her eyebrows knitted tightly: "Yueying, let him do this kind of thing himself, come and talk to me for a while!" The voice was not high, but the tone was unquestionable.

Ren Yingying looked helpless and could not refuse, so she had to walk over.

Swish...

At this moment, there was a slight footstep outside, and then, a slender figure walked in.

Wearing a long moon-white dress, she couldn't hide her charming and exquisite curves, with a sweet smile and charming temperament.

It is senior sister Liu Qingqing.

puff!

Seeing that Yue Feng was cleaning the table, Liu Qingqing couldn't help but pursed her lips and laughed.

This junior brother is really a diligent and good man. It is a blessing to be able to marry him.

“Senior sister?” Yue Feng was stunned and couldn’t help but ask, “Why are you here?”

Liu Qingqing first greeted Ren Yingying’s mother and daughter, nodded and said with a smile, “Junior brother, you promised to teach me ventriloquism before, don’t forget, I have time tonight, can you teach me?”

When saying this, Liu Qingqing’s eyes were full of anticipation.

Who doesn’t want to learn the ventriloquism that can attract the arowana.

Uh...

Yue Feng scratched his head and pondered.

Will it be a little inconvenient for senior sister to find herself to learn ventriloquism at night?

“He’s not free!”

Just when Yue Feng was thinking about it, the queen couldn’t help but interject, her attitude was very firm: “Miss Qingqing, it’s getting late, you should find him tomorrow, he will wait for me to go to bed later. What.”

Although she has always looked down on Yue Feng, but seeing such a beautiful senior sister and Yue Feng getting so close, the queen suddenly felt a sense of crisis in her heart, and secretly worried for Ren Yingying.

She lives in the palace all the year round, and everything is attended by eunuchs and palace maids.

Ah?

At this moment, Liu Qingqing was stunned.

As a son-in-law...want to wait for the mother-in-law to go to bed?

Is this custom? It feels so weird.

I go!

Yue Feng was also unable to laugh or cry, very embarrassed.

This queen is afraid that senior sister will take away her daughter's status, but what she said is too straightforward.

Ren Yingying on the side was also blushing.

Swish!

Seeing their expressions, the queen realized that she had said the wrong thing, her face was blushing, she bit her lip and whispered: "...I mean, it's getting late, we should rest..."

Chapter 1630

"Mother!"

At this moment, Ren Yingying smiled and said, "It's still early, let Yue Feng go."

When saying this, Ren Yingying smiled slightly at Liu Qingqing, with a slight smile with a smile.

Since he came to the main altar of Shengzong, this Liu Qingqing has been taking good care of them. Now that they have something to do with Yue Feng, how can they make Yue Feng embarrassed?

More importantly, Yue Feng has promised to teach Liu Qingqing ventriloquism, so he can't go back.

Seeing Ren Yingying speak, the queen said nothing.

"Senior sister!"

At this time, Yue Feng looked at Liu Qingqing with a smile, and said, "Let's go!" Yingying understood this, and she could go out with peace of mind.

When the voice fell, he took the lead and walked outside.

Liu Qingqing hummed and followed quickly.

Soon, on a platform in the back mountain, Yue Feng was in a particularly comfortable mood when he saw the night scene in front of him.

I saw the bright moon in the head, the sky full of stars, the mountains and mountains in front of me, the clouds and mists were shrouded in mist, and the night wind was blowing gently.

It would be nice to enjoy such a good night view with Yingying.

However, it seems not bad to have a beautiful senior sister by her side.

“啾!”

Just when Yue Feng was secretly sighing, suddenly, he heard a clear cry from the towering peaks in front of him, and then, he saw two big eagles, circling in the air. .

I go!

What kind of eagle is this?

Yue Feng couldn't help squinting his eyes, took a closer look, and suddenly his heart was shocked.

I saw that the two big eagles were stretched out with two arms, and they were more than five meters long. Their feathers were as white as silver. A pair of eagle eyes flashed with the light of stars, and they were extraordinary.

These two big eagles, and the snow eagle that Yue Feng obtained in Diyuan Continent, look similar in appearance, but in terms of imposing manner, they are completely different!

hiss!

And sensing the strength of the two big eagles, Yue Feng couldn't help gasping for air.

Fifth stage Martial Emperor!

These two big eagles are actually in the realm of the fifth rank of Martial Emperor!

For a time, Yue Feng was very emotional.

This holy sect is indeed a sect that has been passed down for tens of thousands of years. There are dragons and crouching tigers everywhere. Even the nearby spirit beasts are so powerful.

“Junior brother, I'm surprised!”

At this time, Liu Qingqing smiled lightly, looked at the two big eagles circling in the sky not far away, and said, “They seem to be big eagles, but they are actually a very rare spirit. The beast is called the Silver-winged Cangyu Eagle, and the top of the mountain is their habitat, and it is said that they have stayed there for thousands of years!” After speaking

, Liu Qingqing said with emotion: “It is said that thousands of years ago, when the Holy Master was young, once competed with people and almost fell off a cliff. At a critical

moment, these two big eagles saved him. Later, the Holy Master ordered that his disciples were not allowed to disturb them, so the disciples of the Holy Sect hated and respected this pair of silver-winged Cangyu. Eagles, never dare to disturb them.”

Liu Qingqing is right, these two silver-winged Cangyu eagles have extraordinary status in the Holy Sect, not to mention ordinary disciples, they are the altar masters of the Five Elements Altar, and they are all the same when they meet them. Respectfully. After all, they saved the Lord’s life. Holy Master, that is, the suzerain of the Holy Sect.

It was so!

Hearing this, Yue Feng breathed a sigh of relief and nodded silently.

“Junior brother!” Liu Qingqing said with a smile, “Let’s start teaching me ventriloquism.”

“Okay!” Yue Feng responded, nodded with a smile, and said slowly: “Senior sister, the ventriloquism I learned is quite special and requires Use the power of Dantian to make a sound...”

Yue Feng was explaining, but at this moment, only a voice was heard from not far away.

“Who is it? What are you doing here in the middle of the night?!”

Looking at the voice, I saw a figure approaching quickly, with a gloomy face and a bit of arrogance.

It is Senior Brother Shen Lang!

Nima.

How did this idiot come.

Seeing Shen Lang, Yue Feng frowned secretly.

At that time on the deserted island, when he first worshipped Mu Qingyue as his teacher, this Shen Lang, relying on his identity as a senior brother, kicked himself and had to kneel, and then mocked himself everywhere, so Yue Feng was right. He didn’t like it at all.

“Senior brother?” Liu Qingqing was stunned for a moment, and then said: “Why are you here?” Shen Lang said

lightly: “I’m patrolling around! See if there are any disciples who don’t have long eyes, violating the rules!”

, Shen Lang stared at Yue Feng and scolded: "Feng Tao, don't rest at night, what do you do when you run out? Our holy sect has a rule that you can't walk around at night! You start tomorrow and face the wall for half a month!

" For Senior Brother, Shen Lang has the right to punish anyone who violates the rules.

Nima!

Hearing this, Yue Feng immediately became angry.
