Chapter 1666

“Roar!”

At this moment, the fire unicorn suspended in the air let out a roar that shocked the world!

hum!

Immediately afterwards, a purple flame spewed out of the unicorn's mouth! Go straight to Sanjue Master and the surrounding Tianquan Sect disciples!

“Ah!”

Many Tianquan Sects didn't have time to react, and they were instantly enveloped in flames and screamed. They didn't expect that this fire unicorn would kill their own people under the madness!

In the blink of an eye, more than 100 Tianquan Sect disciples turned into ashes in the flames, leaving no bones behind.

Seeing the flames coming, Sanjue real person didn't have time to think, raised his hand and put a protective film in front of him.

boom!

The flame impacted on the protective film, and I saw Sanjue Daoist trembling, the protective film was immediately burned, and his whole person flew out directly, spurting out a mouthful of blood.

Even if the real Sanjue reached the transcendence realm, they would not be able to stop the terrifying flame attack of the fire unicorn.

hiss!

Seeing this scene, the audience was shocked.

“Ziyan Tianhuo? This... This fire unicorn, spit out, turned out to be Ziyan Tianhuo!”

“More than that, He Huo Qilin is still the strength of the Tribulation Realm, too strong!”

“Yeah, the Tribulation Realm is too strong!” With the strength and Ziyang Skyfire, who can stop this?”

Ziyang Skyfire, ranked fourth on the Different Fire List! The power is terrifying.

“Roar!”

As soon as he saw the blood, the fire unicorn went completely crazy, and once again burst into the sky with a roar, and immediately rushed into the crowd of Tianquan Sect disciples.

“Ah!”

A scream came, and nearly a thousand disciples of Tianquan Sect fell in a pool of blood.

Yue Feng guessed right, this fire unicorn, in the back mountain cave of Tianquan Sect, has been sleeping for thousands of years. Now after waking up, he has encountered peace. Before the fire unicorn roared, the phenomenon of heaven and earth caused by it was breaking through the bottleneck.

It's just that it was unlucky and failed to break through the bottleneck, so it went completely berserk.

Done!

Seeing the disciples of Tianquan Sect, dead dead, wounded, and the face of Sanjue real person, all of a sudden, it was extremely pale. This holy beast, the unicorn, had followed the existence of the ancestors back then, and its power was infinite, and with its own strength, it could not be suppressed at all.

But... you can't just watch the sect disciples and be slaughtered by it.

Thinking to himself, Master Sanjue looked around and shouted eagerly: “Fellow fellows in the rivers and lakes, the holy beast unicorn is frantic, my Tianquan Sect is difficult to suppress, and I also ask everyone to help, as long as the holy beast unicorn is successfully subdued, my Tianquan Sect will definitely have a great reward.” To be

honest, after subduing the holy beast unicorn, Sanjue real person does not want other sects to intervene in his heart.

But in the current situation, I really can't do anything about it.

call!

Hearing this, the sect masters from the nine continents all looked at each other with displeased expressions on their faces.

“It’s really interesting, we didn’t let us intervene before, but now I’m asking for help?”

“This fire unicorn is so terrifying, whoever encounters it will die.”

“However, if you don’t help, the Tianquan Sect will be wiped out. At that time, the Tianquan Sect will be dead, and this fire unicorn will deal with us.”

Everyone’s words, my words, continue to spread, but Not one stood up.

Seeing this situation, Sanjue Zhenren was furious.

“Spiritual Master Sanjue, I’m here to help you Tianquan Sect.”

At this moment, a coquettish shout came, followed by a graceful figure, stunned, rushing towards the fire unicorn in mid-air, wearing a long skirt, The wind swayed like a fairy, but there was a suffocating aura all over his body.

It was Zhou Qin!

“Thank you, thank you!” Sanjue real person was overjoyed and clasped his fists again and again.

Chapter 1667

Zhou Qin’s face was calm and did not fluctuate in the slightest. Avoiding the attack of the fire unicorn, he tilted his head towards the major sects of the Earth Circle below, and said coldly: “What are you doing? Why don’t you hurry and help?”

To be honest, Zhou Qin would not be so kind to help. However, as the leader of the Martial Arts Alliance in the Earth Circle, everyone’s every move is attracting attention. In this case, it is natural to set an example.

More importantly, this fire unicorn has lived for thousands of years, and its strength has crossed the tribulation realm.

Zhou Qin thought about it, and by helping him, he took the opportunity to kill the fire unicorn. When the time comes, the inner elixir will fall into his hands, and it will be a success.

“Yes, Alliance Leader!” The masters of various sects in the Earth Circle Continent responded one after another, and immediately urged their inner strength to rush towards the flaming unicorn.

What?

Seeing this scene, Yue Feng's heart was shocked, and the whole person was blinded.

This week, Qin, became the leader of the Earth Circle Continent?

When did this Zhou Qin have such ability?

hiss!

The next second, Yue Feng was even more surprised when he felt Zhou Qin's burst of strength.

Fifth stage Martial Emperor?

The last time when the ancient tomb of Lu Bu was opened, Zhou Qin's cultivation level was not very high. How long did it take for her to reach the fifth stage of Martial Emperor?

For a time, Yue Feng frowned, puzzled.

Whoa!

At the same time, the surrounding sect masters immediately exploded when they saw Zhou Qin leading the sects of Diyu Continent to help.

"Diyu Continent has helped, do we want to go up?"

"This... I think it's better. It is said that when the unicorn reaches this state, it also possesses the red sandalwood sky fire. Its inner core is called the 'heavenly fire pill'. Is that droplet-shaped thing? It's called the tears of the goddess. It is said that in ancient times, the goddess Nuwa used all her internal energy to transform into illusion, which has the effect of bringing back the dead..."

"I'm going, really..." During the

discussion, many people stared at the fire unicorn closely, and sure enough, they saw a drop-shaped thing hanging from its neck.

Seeing this, many people were very excited.

"Fuck, there are so many treasures on this Fire Qilin?"

"Tianhuo Pill and Goddess Tears? If you get them, wouldn't you be able to look down on the Kyushu Continent?"

“What are you waiting for, come on!”

Hula!

Excited, the sect masters of various continents no longer hesitated, and they all mobilized their internal strength to attack the flaming unicorn.

Before these people were shocked by the strength of the fire unicorn, and now they know that there are two treasures on it, one by one suddenly has no scruples.

“Brother-in-law, let’s help too!”

At this moment, Song Qian was also eager to try, and said to Yue Feng excitedly: “The disciples of Tianquan Sect are so miserable! The disciples of Tianquan Sect are about to be killed. The unicorns are all killed.”

Song Qian was kind-hearted, others would only help for the treasures on the unicorns, but she couldn’t bear to see Tianquan Sect suffer disaster.

“Don’t panic!” Yue Feng smiled slightly and spit out two words.

With so many people helping, Tianquan Sect is no longer in crisis, so it’s better to wait and see for a while.

To be honest, in the past, Yue Feng would have gone up to help without saying a word, but after so many years, Yue Feng has learned to wait and see, make decisions and then act.

“Xiaoqian.” Liu Xuan came over and looked at Song Qian with a worried face: “That fire unicorn is so powerful, you better not go up.”

At the same time, Mu Xixi also shook her head at Song Qian.

Just like Yue Feng, the situation in front of him is so chaotic, it is better not to interfere.

After all, so many sects have taken action, and Tianquan Sect is not in danger for the time being.

“Then... Okay!”

Song Qian looked lost, pouted, and stood aside. However, even though she didn’t go up to help, Song Qian couldn’t help but moved closer to the place where everyone was fighting fiercely. You must know that it is a rare encounter in a century for so many masters of all corners of the world to fight against the beast unicorn. The scene was unprecedented. Song Qian’s character also likes to join in the fun. At this time, watching the crowd battle the unicorn, watching it with relish.

Chapter 1668

Seeing Song Qian standing on tiptoe and watching the battle, Yue Feng secretly shook his head and smiled.

This girl has grown up, but her mood is still the same as before, so she likes to join in the fun.

At this time, under the siege of the masters of the various sects, the fire unicorn became more and more irritable, and the flames burning all over the body were dozens of meters high. gas.

Roar ...

A roar, constantly resounding, the completely violent fire unicorn has almost doubled its strength. In this case, although the masters of various sects surrounded them, they could not be subdued, let alone Said to be killed.

Soon, half an hour has passed, the fire unicorn is huge and has a huge body, constantly jumping and jumping in the air, and its power is not diminished, and the masters of various sects are somewhat powerless.

“Haha...”

At this moment, there was a burst of laughter in the sky not far away, and then, a fiery red figure flew over quickly, with frantic long hair, showing wild and uninhibited, and the whole body was even more diffused With a strong breath.

It is Zhu Rong!

Swish!

In an instant, everyone present focused on Zhu Rong's body, feeling the unfathomable strength, and their hearts were extremely shocked.

Who is this person?

What a strong strength!

“Brother Zhu Rong!”

Yue Feng, who was watching the battle from the sidelines, was extremely happy and couldn't help but shout.

At this time, Yue Feng was indescribably happy.

It was an unexpected joy to meet Song Qian in Tianquan Sect. Unexpectedly, I saw Zhu Rong again.

“Haha!”

Seeing Yue Feng, Zhu Rong laughed again, and his loud voice echoed throughout the Tianquan Sect: “It’s you, Brother Yue Feng, I didn’t expect that after I cleaned up this fire unicorn, we Let’s talk about the old again.”

When he said this, Zhu Rong’s eyes were fixed on the fire unicorn, flashing with excitement.

Zhu Rong also sensed the vision of heaven and earth on this side of Zhongyuan Continent in Buzhou Mountain. Not only did he sense it, but he also knew that it was a fire unicorn that had lived for thousands of years.

Zhu Rong is known as the God of Vulcan. He likes to study all kinds of different fires the most. He knows that this fire unicorn is not only powerful in cultivation, but also has a purple flame. At that time, Zhu Rong didn’t even think about it, and rushed over directly.

Whoa!

Seeing this scene, everyone present was stunned, looking at Zhu Rong’s eyes, all flashing complex.

“This... who is this person? Such a powerful strength?”

“It’s broken, this person intervenes, and when the next fire unicorn dies, I am afraid that the treasure will not be our share...”

Everyone was talking, There is a look, staring at Zhu Rong, flickering coldly.

It was Zhou Qin.

At this time, Zhou Qin didn’t have any fluctuations on the surface, but he was extremely frightened and angry in his heart.

Originally, I thought that after killing this fire unicorn with the masters of the sects of various continents, with my status and strength, I can get Tianhuo Pill and Goddess Tears.

However, once this Zhu Rong comes, his chances are small.

The more Zhou Qin thought about it, the more angry she became, looking at Zhu Rong’s eyes, full of murderous intent.

“Naughty beast, obediently die!”

Zhu Rong ignored everyone’s discussion, shouted angrily, and charged directly towards the flaming unicorn.

“Roar!”

Huo Qilin was not afraid at all, roared, waving flames and sharp claws, attacked, and instantly fought with Zhu Rong.

The people around, all in a daze, reacted quickly, and at the same time launched another attack on the fire unicorn.

The situation reversed in an instant.

In the fierce battle before Chapter 1669

, Huo Qilin was under siege by experts from various continents. Although he was not subdued, he could not escape. At this time, Zhu Rong suddenly joined, and Huo Qilin could no longer support it.

After all, Zhu Rong has been famous for thousands of years.

boom!

After fighting fiercely for half an hour, Zhu Rong’s inner strength exploded, and he slapped Huo Qilin’s head with a palm. He saw Huo Qilin whimper, and opened his mouth to spit out a burning inner alchemy.

It is the inner core of the fire unicorn, Tianhuo Dan!

At the same time, the tears of the goddess on the neck also fell off.

Two treasures, facing the huge body of the fire unicorn, fell to the ground at the same time.

“Haha, Tianhuo Pill, Goddess Tears!” Zhu Rong laughed loudly, extremely excited, urging the figure to grab the two treasures.

hum!

At this moment, Zhou Qin sneered and slapped Zhu Rong’s back with a fierce palm: “You want to snatch the treasure?”

When saying this, Zhou Qin’s beautiful face was full of resentment .

If it were anyone else, Zhou Qin wouldn't make a sneak attack, but Zhu Rong was Yue Feng's friend, and he couldn't let him get the treasure no matter what!

"Want to get treasure?"

"What an arrogant guy, who wants to get two treasures by himself?" "Get off!"

At the same time, other sect masters around also shouted angrily and burst out at Zhu Rong. attack.

Hundreds of masters of the Martial Emperor realm shot at Zhu Rong at the same time, the formidable power was so amazing that the sky would be distorted.

"Brother Zhu Rong, be careful!"

Seeing this scene, Yue Feng's face changed, he couldn't help exclaiming, and at the same time urged his figure to rush up, trying to save Zhu Rong, but the distance was too far, and it was too late.

"A group of little dolls, dare to do it with me?"

Zhu Rong sneered, his figure turned and jumped in the air, easily avoiding the attack of many people.

But Zhou Qin practiced the indestructible scripture at a very high speed, and Zhou Qin's position was behind Zhu Rong, Zhu Rong avoided other people's attacks, but couldn't avoid Zhou Qin's palm.

boom!

The next second, Zhou Qin slapped Zhu Rong's back with a palm. This palm contained Zhou Qin's eight-layered skill and was extremely fierce.

"Pfft!"

Zhu Rong's body was shocked, and he opened his mouth to spit out a mouthful of blood, and the whole person quickly fell down, and neither of the two treasures was snatched.

What!

At this moment, Zhu Rong was burning with anger.

It is really annoying that a cultivator who has been famous for thousands of years has been attacked by a group of juniors.

“Tianhuo Pill and Goddess Tears!”

“Grab, whoever grabs it.”

“Haha, you are not as fast as me!”

At this time, everyone shouted, and at the same time urged their figures to tear at Tianhuo Pill and Goddess. rush away.

Now everyone wants to grab two treasures, and the scene was very chaotic for a time!

You must know that Tianhuo Pill is the inner pill of the unicorn beast. As long as you eat it, the inner strength of the cultivator will be greatly improved!

And the tears of the goddess is a treasure made by the goddess Nuwa herself. It is said that it has the effect of bringing back the dead! These two treasures are the treasures that practitioners dream of! At this time, Zhu Rong was seriously injured and did not have the strength to snatch these two treasures. Everyone wants to grab these two babies!

All of a sudden, millions of people scuffled, and the scene was called chaos! The sound of various weapons colliding spread throughout the audience! In order to snatch these two treasures, millions of people are red-eyed!

Chapter 1670

At this time, the fire pill and the goddess tears that day floated in the air.

Millions of cultivators are in full swing in order to snatch these two treasures.

“Dangdangdang!”

The sound of the collision of weapons kept coming! More and more people are dying here, with blood flowing into rivers!

Zhou Qin held the Cui Xian Flute and blew it gently. The beautiful flute sound floats in the air. But those who heard the flute only felt a headache!

This Cui Xian Flute was an artifact that Zhou Qin had just obtained. The sound of the flute can suppress the inner strength of others!

After the song was played, thousands of cultivators fell to the ground with their heads covered in pain!

Zhou Qin's red lips opened slightly: "Everyone in the Earth Circle Continent obeys the order. In the name of the martial arts alliance leader, I want you to help me to snatch the Skyfire Pill and the Goddess Tears!"

"Subordinates obey!" The masters of the Earth Circle Continent responded in unison drink!

No one noticed, Zhu Rong on the side clenched his fist!

Zhu Rong has practiced for thousands of years, what kind of storm has he never seen before? But it's the first time it's so hot!

"Huh...huh..." Zhu Rong gasped heavily. Just now that unicorn went mad and killed it by himself. Zhu Rong originally thought that after the death of the unicorn, he would be able to get the Heavenly Fire Pill and the Goddess Tears. But he didn't expect that when he was about to take these two treasures, Zhou Qin would sneak a slap at him!

"A group of little dolls, dare to snatch the baby with me, Zhu Rong!" Zhu Rong roared. At that time, he used all his strength and endured the pain. He stood up all of a sudden, his anger was sinking into his dantian, and he saw his hands folded, beside him, suddenly There is a fire!

"Wild fires start a prairie fire!"

A few cold words came out of Zhu Rong's mouth. In the next instant, the flame in front of Zhu Rong expanded rapidly! Within a thousand miles, a raging fire was ignited! Looking around, it looks like a sea of fire! You know, these flames are all different fires!

Wildfires start a prairie fire! This is Zhu Rong's strongest skill! This skill is devastating!

But under normal circumstances, Zhu Rong will not release this skill. Just because of this skill, it consumes too much internal energy. After releasing this skill, Zhu Rong's internal strength will be hollowed out!

"Ah!"

After the wildfire was released, countless people screamed! Buried in flames!

Some cultivators with low cultivation bases were directly burned with no bones left. Even the powerhouses in the Tribulation Realm must use all their strength to release a protective film to block the flames.

"A group of little dolls, and I Zhu Rong grab the baby, you are a little tender." Zhu Rong laughed, flew up, and used all his strength to hold the Tianhuo Pill and Goddess Tears in his hands!

At that time, millions of people were present, all resisting the flames, and no one could stop Zhu Rong!

When Zhu Rong held the two treasures in his hands, the wildfire prairie fire skill gradually lost its power, and the surrounding sea of fire gradually disappeared. Until this time, everyone reacted and looked at Zhu Rong! One by one is furious!

“Heavenly Fire Pill and Goddess Tears were snatched by him!”

“Catch him!”

Millions of people, seeing Zhu Rong snatching the treasure at this time, all blushed, and they all took guns and knives to kill Zhu Rong!

Zhu Rong's face was pale. In fact, when he released the wildfire just now, he had no strength. When he saw everyone, they all rushed to him. Zhu Rong's heart sank, he shouted bad, turned around and ran!

However, Zhu Rong's internal strength at this time was already very weak, and he was caught up by Zhou Qin before he took a few steps.

I saw Zhou Qin slap backhand and slap Zhu Rong's chest again!

“Pfft!”

Zhu Rong spat out a mouthful of blood, and his body flew dozens of meters! At the moment of landing, Zhu Rong only felt that he had no strength at all.

“Hand over the Heavenly Fire Pill and Goddess Tears, and spare your corpse!” Zhou Qin drew out his long sword and stabbed Zhu Rong instantly!

“I wish big brother!” Yue Feng shouted and ran over at once, trying to save Zhu Rong. But he was too far away from Zhu Rong, it was too late!

“Hahaha!” Zhu Rong didn't have the slightest fear, and laughed loudly: “The baby I can't get, none of you can get it!” The

voice fell, and Zhu Rong grabbed a backhand and grabbed a little girl! It's Song Qian!
