

The ultimate husband in Chinese chapter 1766-1770

Chapter 1766

At this moment, Yue Feng sighed, looked at Tu Xingsun slowly and said, "When you play the show, the daylily will be cold, do you want me to try it?"

Shuh!

As soon as these words came out, Tu Xingsun, Chang'e, and Mu Xixi were all stunned, and their eyes suddenly converged on Yue Feng.

"What did you say?"

Chang'e's eyes flickered, and she looked at Yue Feng quietly: "Are you going to break through the formation?" Her tone was indifferent, but she revealed deep doubts.

As soon as he finished speaking, Mu Xixi, who had been silent next to him, quickly grabbed Yue Feng's arm and said in a low voice, "Yue Feng, don't talk too much."

Although this Yue Feng is a rare cultivation wizard, the formation method is one The technique is broad and profound, how could he be proficient?

After all, even Tu Xingsun was helpless in this stone formation.

At the same time, Song Qian also looked at Yue Feng in surprise! Brother-in-law, what happened? Are you deliberately showing off in front of Chang'e? I have never heard of him being proficient in formations before! Over the years, Song Qian has followed Mu Xixi and traveled south and north. She has heard the legend of Yue Feng, but she has never heard of Yue Feng's formation.

Yue Feng patted Mu Xixi's hand secretly, so she didn't need to worry. Then he smiled and nodded to Chang'e: "Yes, I can break this formation!"

Just before entering the stone formation, Yue Feng saw it!

This stone formation is an immortal formation!

It is recorded in "Bai Qi Shen Formation" that the Immortal Fascinating Formation is a superior formation technique handed down from ancient times.

Yue Feng has already made the spirit formation in vain, and he is thoroughly familiar with it, so he can naturally solve it!

"Boy!"

This chapter is provided by . Visit for daily update.

At this moment, Tu Xingsun jumped up suddenly, pointed at Yue Feng's nose, and shouted: "You are not young and your tone is not small, do you know what formation this is? Just say it boldly. The solution? Let me tell you, cheating on the goddess is a big sin!"

This kid doesn't understand anything at first glance, and he still wants to show it in front of the goddess? How ridiculous!

Yue Feng didn't speak, and spread his hands at Tu Xingsun: "Okay, look at this, you have thought of a way to break the formation, you come!"

This

sentence, Tu Xingsun suddenly lost his voice and his face was full of expression. embarrassment! If there was a way, I would have gone out long ago, so can I wait until now?

call!

At this moment, Chang'e tilted her head and looked at Yue Feng, her tone full of doubts: "Are you really going to break through the formation?"

Yue Feng was too lazy to talk nonsense, and shrugged: "Anyway, the empress doesn't believe it, so why bother asking, but , you have no choice, why don't you try your luck with me!"

After speaking, Yue Feng took Mu Xixi and Song Qian to the front.

Chang'e hesitated, and quickly followed.

"Niangniang!"

At this moment, Tu Xingsun looked embarrassed and anxious, and hurriedly said: "This kid doesn't understand anything at first glance, Niangniang can't believe him!"

"If you don't try with him, what else can you do?" Chang'e tilted her head to look at him, and said angrily, "Could it be that you can break

through the formation?" After speaking, Chang'e followed!

Uh...

Tu Xingsun was extremely embarrassed, scratched his head, and quickly caught up!

Ten minutes later, under the leadership of Yue Feng, he quickly walked out of this Immortal Immortal Array.

“Wow!”

The moment she walked out of the formation, Song Qian cheered, her eyes full of admiration and admiration: “Brother-in-law is amazing, he came out so soon.”

While saying this, Song Qian’s beautiful face was even more proud. With such an omnipotent brother-in-law, can you not be proud?

Chapter 1767

Mu Xixi also showed a smile, looked at Yue Feng, and nodded approvingly. This Yue Feng... even understands the formation technique.

Chang’e on the side only felt her legs go weak. This Yue Feng actually knew the formation technique! Not only understand, but also very proficient, you must know, this huge stone formation, even Tu Xingsun is helpless, but it was easily cracked by Yue Feng.

This Yue Feng is not simple.

Thinking to herself, Chang’e couldn’t hide the shock in her heart, her eyes were fixed on Yue Feng, her delicate body was trembling.

“Niangniang!”

At this moment, Yue Feng looked at Chang’e with a smile: “How? I’m not talking nonsense, right?”

Chang’e blushed and did not respond.

Ur... At this moment, Tu

Xingsun pouted for a while, and said angrily: “Boy, didn’t you just make a mistake and get out by luck, what’s there to be proud of?”

In Sun Xin, Yue Feng was lucky enough to take everyone out. He didn’t have much attainment in the battle technique. After all, this huge stone formation is an advanced formation technique. There is no way to break it, how could he break the formation as a young boy?

“Yue Feng.” At this time, Chang’e reacted and said lightly to Yue Feng: “We have left the imperial city safely, tell me quickly, how can I get my innocence back? How can I prove that I didn’t kill Your Majesty?”

Yue Feng smiled slightly, looked at Chang'e, and said slowly, "Niangniang, what are you worried about, I have already thought about the solution, but before I say it, you must promise me two conditions!"

What?

Hearing this, Chang'e frowned, and her beautiful face suddenly showed a bit of displeasure. This Yue Feng is really daring and dares to negotiate with himself.

"Good boy!"

At this time, Tu Xingsun couldn't help it, jumped up and yelled at Yue Feng: "I think you can't cry without seeing the coffin, the empress has a noble status, what are you, and you want to be with the empress? Talk about conditions?"

Hehe.

Feeling Tu Xingsun's anger, Yue Feng ignored him. Instead, she looked at Chang'e with a smile: "Miss, don't you believe me now? Since we escaped together, we must have enough trust in each other. Otherwise, you should let Tu Xingsun take care of me. Let's send the three of us back to the cell."

When he said this, Yue Feng looked relaxed and comfortable. Yue Feng was certain that Chang'e would not dare to send the three of her back to the cell.

call!

Sure enough, hearing this, Chang'e breathed a sigh of relief, bit her lip and nodded: "Okay, what are the two conditions, you can tell me."

Yue Feng suddenly proposed two conditions, which made Chang'e very annoyed. As a high-ranking empress, who dares to talk to me like this?

But thinking about it carefully, the great formation that Tu Xingsun couldn't break was easily broken by Yue Feng. It can be seen that this person really has some skills.

More importantly, in Chang'e's heart, her innocence is more important than her life, not to mention two conditions, even if Yue Feng said ten, she would agree.

"That's right!"

Seeing Chang'e's answer, Yue Feng showed a smile, and then said slowly: "The first condition is to let them go." The voice fell, and Yue Feng pointed to the two Mu Xixi. .

"Okay!" Chang'e nodded without hesitation.

These two women have little to do with the matter of being slandered. More importantly, they are both injured, and they are a burden to take with them. It is better to let them go.

Soon, at Chang'e's suggestion, Tu Xingsun untied the ropes of Mu Xixi's hands and feet.

"Brother-in-law!"

Chapter 1768

At this moment, Song Qian walked over quickly and held Yue Feng's hand tightly: "I don't want to leave, I want to be with you."

Chang'e is a woman with too much temper. With her brother-in-law staying by her side, there are many dangers. How can I let my brother-in-law be in danger alone?

Mu Xixi, who was next to him, didn't speak, but there was a hint of worry on her beautiful face.

"It's okay, you go first, and then I'll find you." Yue Feng patted Song Qian's hand and comforted with a smile.

When saying this, Yue Feng gave Mu Xixi a reassuring look.

"No, brother-in-law..." Song Qian was about to say something, but was interrupted by Mu Xixi.

Mu Xixi came over, took Song Qian's hand, and said softly, "I believe in your brother-in-law, let's go first."

After this period of contact, Mu Xixi deeply felt that Yue Feng was not someone who spoke big words at will. Man, since he reassured himself, it means that there is a way out of danger.

Thinking to herself, Mu Xixi pulled Song Qian and walked towards the distance.

Song Qian was very reluctant in her heart, but she had to listen to what the master said, so she reluctantly said goodbye to Yue Feng, and turned back three times, looking pitiful.

call!

Seeing the backs of Mu Xixi and the two walking away, until they disappeared into the woods, Yue Feng breathed a sigh of relief.

"What about the second condition?"

At this time, Chang'e's red lips parted lightly, and she spoke lightly, without the slightest fluctuation on her face.

Yue Feng smiled and said, "This second condition, please help me to unlock the acupuncture point. It's too uncomfortable to have my internal power blocked for so long."

When he said this, Yue Feng looked like a fool. When he came out of the cave just now, Tu Xingsun helped Chang'e untie the cave. You must know that Chang'e and Tu Xingsun are both capable of crossing the Tribulation Realm. Yue Feng's acupoints were sealed, and it was really dangerous to stay by their side. Therefore, Yue Feng knew that the safest thing was to restore his strength by himself.

Chang'e frowned and pondered. This Yue Feng, who seems to be honest, is actually very cunning. If he helps him unravel the acupuncture points, what if he is not careful and runs away?

Swish!

At this moment, Tu Xingsun couldn't bear it anymore, walked out, pointed at Yue Feng and shouted, "Boy, don't be too aggressive, it's already a blessing that the empress can bring you out, do you still want to recover your inner strength? Are you dreaming? ?"

After saying that, Tu Xingsun said to Chang'e, "Niang Niang, this kid looks like a ghost, and he looks deceitful at first glance, don't fall for him."

Nima!

Hearing this, Yue Feng was dumbfounded.

This Tu Xingsun, he looks like a big mouse, but also wants to judge other people's appearance! really interesting.

Thinking to himself, Yue Feng didn't bother to talk nonsense with him, so he said seriously to Chang'e: "Niangniang, I'm restoring my inner strength to help you restore your innocence better. Think about it, I haven't recovered my strength at all, I'll go anywhere. No, how can I help you?"

"Okay!"

Chang'e thought for a few seconds, nodded, looked at Yue Feng and said, "I can help you solve acupoints, but if you lie to me, I won't forgive you! When the

voice fell, Chang'e raised her jade hand and touched Yue Feng like a lightning bolt, helping him to unlock the acupuncture point.

At this moment, Tu Xingsun wanted to stop it, but it was too late.

hum!

As soon as I unlocked the acupoint, I sensed that there was a fluctuating breath in the woods not far away, and then, a woman came quickly!

Chapter 1769

This woman, in a long black dress, sets off the cold and arrogant, graceful curves and delicate facial features.

It is Gonggong.

Nima!

Seeing Gonggong, Yue Feng's face changed, and he almost wanted to cry without tears!

This Gonggong is really haunted, why is it her again?

Um?

With this colleague, Chang'e was also stunned, her eyebrows furrowed, and she looked at Gong Gong in a complicated way.

At this time, Gonggong came to the front and gave Chang'e a respectful salute: "See you!"

While speaking, Gonggong's eyes were always on Yue Feng.

"Gonggong!"

Chang'e reacted and said softly, "Did you follow Yang Jian's order to come after Ben Gong on purpose?"

"I didn't come to stop the lady from leaving."

Saying that, Gonggong put away his smile and raised his finger to Yue Feng: "The purpose of my visit is him!"

Yes, Gonggong came for Yue Feng.

Gonggong wanted to get Fang Tianhuaji wholeheartedly. Even if Yue Feng was locked in the prison, he did not give up the idea. Therefore, Gonggong kept an eye on the movement of the cell all the time.

Just now, Gonggong went to the cell to check the situation and found that Yue Feng and others were gone. Gonggong was taken aback and did not report to Yang Jian, but chased out alone.

What?

At this moment, Chang'e's delicate body was shocked, what's the situation? Gonggong came here specifically for Yue Feng, what is their relationship?

"Gonggong." Chang'e asked curiously, "Why did you come here specially for Yue Feng?"

Gonggong's eyes flickered, and he smiled lightly: "This is a private matter between me and Yue Feng, so there is no need to ask more questions.

Haha... As

soon as he finished speaking, Yue Feng couldn't help laughing, and looked at Gonggong with a playful face: "Gonggong, are you chasing after me because you like me? If so, Just say it directly, don't be embarrassed, maybe I will promise you. Anyway, I have a lot of women, and you don't have too many women!"

When he said this, Yue Feng deliberately put on a frivolous look.

Swish!

Gong Gong's delicate body trembled, his face flushed red, and he was extremely embarrassed. He glared at Yue Feng and said coldly: "Yue Feng, wait a while, I will make you not survive, you can't die!"

Gong Gong endured his anger, Facing Chang'e, he said seriously: "Niangniang, when I take Yue Feng away, Niangniang don't stop me. In return, I won't tell anyone, including Yang Jian, about Niangniang's departure from the prison!"

"No!"

Leng The word "cold" came out of Chang'e's mouth without any hesitation. I still need Yue Feng's help to find out the truth of Houyi's death, and I am innocent. How can I let Gonggong take him away?

call! Hearing this, Gong

Gong's face changed, and his tone became cold: "If that's the case, don't blame me.

"

What do you mean? You want to tell Yang Jian?"

"Can you tell me whether or not to tell?" Gong Gong sneered, with no room for negotiation in his tone: "I've said everything I need to say, but if the lady doesn't cooperate, neither will I. way."

To be honest, Gonggong is still very afraid of Chang'e. But now, Chang'e is the main suspect in the sudden death of Emperor Hou Yi, so there is no need to be afraid of her. More importantly, in order to get Fang Tianhuaji, Gonggong has already sacrificed himself.

"Okay! Very good!" Chang'e's body trembled with anger, and ordered to Tu Xingsun: "Take the Gonggong to me!"

When she said this, Chang'e couldn't hide her anger, even though she couldn't bear it. Bai Zhi injustice, but in the end she is also a concubine with a noble status. What kind of thing is this Gonggong, and you dare to be disrespectful to yourself?

"Buzz!"

Chapter 1770 When the

voice fell, Tu Xingsun's inner strength exploded, and he slapped Gonggong with a palm!
"Stinky

mouse!" Gonggong's beautiful face showed a bit of disgust, and he shouted: "Get away from me, it's none of your business!"

Cultivation world, known as 'Escape Gopher', especially in the hearts of women like Gong Gong, it is very unpopular.

Tu Xingsun didn't respond, with a cold face, he kept attacking. Incomparably mighty, the momentum is amazing!

Gonggong didn't want to fight Tu Xingsun, but in the face of Tu Xingsun's fierce attack, he had to fight back.

In the blink of an eye, the two were in mid-air, fighting fiercely together.

The strength of the two is similar, and for a while, no one can do anything about the other.

In the blink of an eye, ten minutes passed, and Tu Xingsun and Gonggong in mid-air were still undecided.

Chang'e was a little anxious now, and her beautiful face was full of anxiety and worry. Chang'e really wanted to take action in person and help Tu Xingsun work together. But Chang'e held her own identity and held back. As the queen's concubine, how can you do anything casually?

Haha..

Seeing the scene in front of him, Yue Feng is excited. Fight, fight, the harder you fight, the better it will be for me.

In his heart, Yue Feng did not forget to admire Gonggong's graceful figure.

At the same time, Yue Feng also kept an eye on Chang'e next to him, and saw that Chang'e's attention was all above the air. Yue Feng's eyes suddenly turned, his body flashed, and he went around behind Chang'e and shot like lightning.

Papa...

Yue Feng shot quickly, Chang'e didn't have time to react, she was hit on the acupuncture point all of a sudden, her delicate body trembled, and she was furious.

Yue Feng looked at Chang'e with a smile, picked her up in his arms, turned around and ran away!

"You...you let me go!" Chang'e's body trembled with anger and wanted to struggle, but the acupoints on her body were taped and she couldn't move at all, so she could only let Yue Feng hold her.

"Yue Feng, let go of your mother!"

"Yue Feng, stop for me!"

Tu Xingsun and Gong Gong were in a hurry and wanted to catch up, but Yue Feng had already run away with Chang'e in his arms.

.....

the other side!

The Earth-round Continent, the Emei School.

In the dungeon where the sun was not visible, two graceful figures sat cross-legged in the cell, closing their eyes and resting.

This is a mother and daughter. The mother is charming, and her body is filled with a coldness that is thousands of miles away. The daughter is pure and lovely, giving her a vibrant youthful atmosphere.

It is Han Ao Ran and Han Bing.

Many days ago, Han Ao Ran and her daughter were captured by Zhou Qin and imprisoned in the prison of the Emei sect.

Although in the dungeon, the treatment was not bad, but the mother and daughter were detained for so many days, and they were a little bit down.

“Mother!”

At this moment, Han Bing couldn't help but said, “What shall we do? Are we going to be locked here forever?”

Alas!

Han Ao Ran didn't respond, and sighed quietly.

In the past few days, Han Ao Ran has thought of many ways to escape, but because his internal strength has not been fully recovered, all of them have failed.

What makes Han Ao Ran even more uneasy is that Zhou Qin has completely changed, and he has become like a different person from before. I don't know what she wants to do with herself and Han Bing. Han Ao Ran has been locked in the dungeon all the time. He doesn't know that Zhou Qin has been trapped in the formation of Beiyang Palace.

Han proudly leaned against the wall and exhaled softly. It doesn't matter if he is trapped in the dungeon, but the ice is still small. Now that she is locked in a prison, her daughter is unhappy every day, and Han proudly feels distressed.

“Squeak—“

But at this moment, he heard footsteps coming from outside the prison door. The footsteps are very soft! A few seconds later, with a slight noise, the cell door was gently pushed open a gap, and then a person walked in.
