

The ultimate husband in Chinese chapter 1781-1790

Chapter 1781

“Yes, Zhou Qin and I are both from the Emei faction.” Han Bing bit her lip, trying her best to calm herself down, looking at Zhang Jiao and said slowly: “She is indeed my senior sister, but she Ruthless, first grabbed my mother’s head, and then...”

In the next few minutes, Han Bing told everything he had experienced.

After he finished speaking, he remembered that his mother, Han Ao Ran, was still alive and dead, and that his uncle Miaoqing was also dead. Han Bing was saddened, tears kept coming, and he choked at Zhang Jiao: “Senior, I didn’t lie to you, Zhou Qin did it. My mother and I are so miserable, I wish I could kill her with my own hands!”

Phew!

Hearing this, Zhang Jiao couldn’t help moving, and at the same time let go of his hand.

Unexpectedly, the experience of this girl in front of me was worse than my own.

Originally, Zhang Jiao still had some suspicions in his heart, but seeing Bing Bing’s pitiful appearance with tears streaming down his face, his doubts disappeared immediately, and what was replaced was endless sympathy.

Han Bing cried for a while, gradually calmed down, and then slowly walked to the surrounding walls, using her internal strength to completely destroy the spell on the wall. Zhang Jiao said just now that as long as he breaks the incantation on the surrounding walls, he can regain his freedom. Han Bing has a smart mind and keeps it in his heart. Seeing Zhang Jiao let him go, in return, Han Bing decided to help him.

Buzz...

In an instant, the incantation was destroyed, and one after another invisible breath fluctuations were seen, escaping from the wall, and finally disappeared without a trace.

Bang!

Without the confinement of the power of the incantation, Zhang Jiao used his internal strength to directly break the black iron chains on his hands and feet. The decadent and lonely aura on his body was swept away, replaced by a powerful force that was arrogant in the world. aura.

Haha...

At this time, Zhang Jiao was very excited and excited when he moved his hands and feet.

For more than 2,000 years, after being imprisoned for so long, he can finally see the light of day again.

In the next second, Zhang Jiao tilted his head to look at Han Bing, his eyes full of complexity: "Doll, why do you want to help me?" The tone was not too loud, but there was a taste of scrutiny, no doubt.

call! Facing Zhang Jiao's questioning, Han Bing

let out a sigh of relief, and said very sadly, "Senior, I heard your experience just now. I think we are all people with a miserable fate."

Looking at the broken iron chain on the wall, he continued: "Senior has been trapped for so many years and suffered so much, even if he did something wrong, he has already paid it back, and now it is time to look at the outside world. ." Han Bing's

words came from the bottom of his heart.

When I saw Zhang Jiao for the first time, I was shocked by his miserable image. After listening to Zhang Jiao's story, Han Bing felt a sense of being connected with life.

Therefore, Han Bing did not hesitate, and directly helped Zhang Jiao to break the sealing spell on the surrounding walls.

Hearing this, Zhang Jiao fell silent, his face changed.

A few seconds later, Zhang Jiao looked at Han Bing with a slight smile, and said with approval: "Okay, haha, okay, girl, the old man was a little reckless just now, don't mind!"

When he said this, Zhang Jiao had a kind face on his face , before the slightest ruthless.

To tell the truth, as a well-known Tiangong commander during the Three Kingdoms period, Zhang Jiao was originally a ruthless person. After being deceived by Zhou Qin before, his heart became even darker, and he swore that he would never trust anyone again.

And just now, Zhang Jiao really wanted to kill Han Bing, but after listening to Han Bing's story, Zhang Jiao was deeply moved. At this time, he saw Han Bing help him break the spell, and his answer was touching. deep.

At this moment, in Zhang Jiao's heart, he could only feel the indescribable kindness of the ice in front of him.

Chapter 1782

"Senior." Han Bing looked at the hole above his head and continued: "Senior has regained his freedom, so I don't need my help anymore, we will have a future!" The voice fell, and Han Bing was about to leave the secret room.

"Wait!"

However, at this moment, Zhang Jiao shouted with urgency in his tone.

Han Bing turned around and smiled lightly: "Senior, what else do you need help with?"

Zhang Jiao looked at Han Bing tightly, and was very surprised: "Girl, you have helped me so much, don't you need anything in return? ?"

Return?

Hearing this, Han Bing was stunned for a moment, followed by a smile: "I'm helping the seniors to regain their freedom, I'm just doing my best, how can I get anything in return?"

Han Bing was taught by Han proudly since he was a child. Kindness, but also willing to help others, without asking for anything in return, Han Bing has always kept it in mind.

Han Bing's answer made Zhang Jiao nodded in approval.

The next second, Zhang Jiao sighed softly and said with emotion: "I didn't expect that Zhang Jiao was rebellious and unruly all his life, and no one has ever accepted it, but today I was convinced by a younger girl, but at a young age, but brave and courageous, It's really admirable."

After speaking, Zhang Jiao looked serious and looked at Han Bing: "Baby girl, I have clear grievances and grievances in Zhang Jiao. If you help me, I will repay you. In this way, I will tell you that you are immortal. Classics, and the secret technique of 'breaking life and forgetting death', what do you think?"

Ah?

Han Bing was stunned for a moment, then reacted after a few seconds, and shook his head: "Senior, I said it just now, helping the senior is just a gesture of effort, you don't need to repay me!"

As Han Ao Ran's daughter, Han Bing also has a arrogant and cold heart, and believes that the Emei School's exercises are the best and strongest in the world, and there is no need to practice outsiders' exercises.

More importantly, Zhang Jiao's inextinguishable scripture was cheated by Zhou Qin before. Han Bing hated Zhou Qin deeply, and naturally did not want to practice the same exercises as her.

However!

Zhang Jiao is stubborn, and the more Han Bing doesn't want it, the more he wants to give it.

"Doll!"

At this moment, Zhang Jiao's eyes flickered, and he said with a smile: "You said just now that your mother is trapped in Emei, and with your strength, you can't save it at all, but if you learn my inextinguishable scriptures, it's different, not only can you save your mother, but you can also rule the world."

After speaking, Zhang Jiao took two steps forward, and continued mysteriously: "Also, I can tell you that I passed it on to the man named Zhou Qin. Yes, it's not the complete immortal scripture!"

Not bad!

At that time, when Zhou Qin and Zhang Jiao were negotiating the terms, and listening to her request for benefits, Zhang Jiao kept an eye on it, and there were a few formulas that were not passed on to Zhou Qin. Therefore, there are still some flaws in the inextinguishable scripture that Zhou Qin cultivated.

call!

Hearing this, Han Bing's delicate body was shocked, his eyes flashed with a strange light, and his heart was extremely complicated!

Yes, with his current strength, how can he save his mother?

As long as he has practiced Zhang Jiao's "Indestructible Scripture", he will not be afraid of being rounded up by the Emei sect and the masters of various sects. More importantly, Zhou Qin's Inextinguishable Sutra is not the complete text, and after cultivating it all, can't she restrain her?

At that time, not only can I rescue my mother, but I can also help my mother regain the Emei Sect from Zhou Qin!

Chapter 1783

Poof!

In the next second, Han Bing no longer hesitated, and suddenly knelt in front of Zhang Jiao, with a beautiful face full of respect: "Disciple Han Bing, see Master!" The voice fell, and Han Bing kowtowed three times.

"Okay, okay!"

Seeing this scene, Zhang Jiao felt very relieved, and raised his hand with a smile: "Good apprentice, get up!"

Immediately, Zhang Jiao couldn't help the excitement in his heart and laughed loudly: "Haha.. I didn't expect Zhang Jiao, not only to see the sun again, but also to have a good apprentice, haha... Lu Bu, you've been sleepy for so long, but in the end, you still hate Jiuquan?"

After a few minutes of laughter, Zhang Jiao stopped. .

No wonder, whoever has been trapped for thousands of years, has to vent.

Immediately, Zhang Jiao looked at Han Bing seriously: "Good disciple, I am now passing on the complete copy of your Indestructible Scripture for your teacher, you must memorize it!" After speaking, Zhang Jiao explained the formula of the Inextinguishable Scripture. , said it word for word.

In Zhang Jiao's eyes, Han Bing is just a woman, and there is no threat to him at all.

While reciting the formula, Zhang Jiao looked at Han Bing, full of love. This apprentice is not only beautiful, but also has such a kind heart, who doesn't like it.

At this moment, Han Bing was in high spirits and kept the formula in his heart.

Finally, after Zhang Jiao said the last formula, he said to Han Bing: "Good disciple, this technique of immortal scripture is incomparably subtle and powerful. It cannot be practiced in a day and a half, it must be done step by step. , Do you understand?"

"My disciple understands!" Han Bing nodded obediently.

Next, under the escort of Zhang Jiao, Han Bing sat there cross-legged and began to practice.

On the other side, Apocalypse Continent.

In the Qianyuan Hall, the civil and military officials stood neatly on both sides of the hall, each with a sacred expression and a solemn atmosphere.

On the dragon chair in the main hall, King Guangping sat there in a golden dragon robe. His face was cut like a knife, and he was not angry. His whole body was filled with a royal majesty that was not dared to blaspheme.

“My dear fellows!”

At this time, King Guangping looked around and said lightly, “What good plan do you have? Tell me!”

When he said this, King Guangping’s face was calm, but his heart was burning with anger.

The friends of the Ouyang family and Yue Feng have been in prison for nearly a month. During this month, these people have been tortured and questioned every day. At the same time, the Tianqi royal family has been releasing news to attract Yue Feng. Just waiting for Yue Feng to save them, and then put Yue Feng to death.

However, up to now, Yue Feng has still not appeared. King Guangping was very annoyed by this matter, so he convened a hundred civil and military officials today to discuss how to deal with it.

Whoa!

As soon as the voice fell, everyone in the hall broke out into a heated discussion.

“Your Majesty, since that Yue Feng doesn’t show up, I don’t think we need to wait!”

“Yes, Yue Feng is very cunning. He predicts that if he doesn’t show up, His Majesty will not do anything to those people in the prison, so he has nothing to fear. In this case, Let’s behead all those repeat offenders...”

“No, if those people are dead, Yue Feng will not appear at all, don’t forget, Your Majesty’s ultimate goal is to draw out Yue Feng and kill those people. Use it.”

“Yes, Yue Feng is the confidant...”

For a while, everyone expressed their opinions, and the dispute between you and me was very fierce.

Bang!

Chapter 1784

Seeing this scene, King Guangping's head got bigger, he slammed the dragon chair, and said coldly: "It's alright, don't discuss it anymore. After all, there is no feasible way?" The

voice fell, and the hall was suddenly silent.

Feeling the anger of King Guangping, the civil and military officials lowered their heads one by one, not daring to let out the air.

"Father!"

At this moment, Yue Wuya walked out slowly, bowed his hands to King Guangping, and said respectfully, "I have a proposal!"

"Ya'er, tell me!" King Guangping showed a smile, urged. At the same time, he did not forget to glance coldly at those civil and military officials.

When these salaried people usually express their allegiance, one of them sounds better than the other, but at a critical time, none of them can be counted on, and in the end they have to rely on Ya'er.

Yue Wuya breathed a sigh of relief and said slowly: "Since Yue Feng is not here, let's take the initiative to attack."

After speaking, Yue Wuya's eyes showed a hint of coldness, and continued: "I heard this, a few days ago. The natural phenomenon in the Zhongyuan Continent was that the sleeping divine beast of the Tianquan Sect, the unicorn, had awakened. At that time, many sects in the Kyushu Continent had gone, and Yue Feng was also there. Later, Yue Feng disappeared.

"Feng must have returned to Diyuang Continent, so Erchen asked for orders to go to Diyuang Continent to investigate Yue Feng's whereabouts, as long as he is found, Erchen will definitely find a way to capture him."

At the end, Yue Wuya had a face on his face . resolutely.

Even though Yue Feng was his biological father, he left himself and his mother alone at the beginning, and even worse, he and his mother have been separated for so many years, so there is no need to talk about affection.

call!

Hearing these words, the surrounding people murmured and looked at Yue Wuya's eyes with complicated expressions.

The prince actually wanted to go out to catch Yue Feng in person?

Yue Feng is his biological father.

But these words, civil and military officials, can only think about it in their hearts, in front of King Guangping, who would dare to say it.

Um!

King Guangping nodded, looked at Yue Wuya, and praised: "Okay, just do as you said!"

When he said this, King Guangping was very relieved. Although this child was not his own, he was very considerate and sensible. , I really didn't hurt him in vain.

At the same time, King Guangping was a little proud. Yue Feng, Yue Feng, even if your righteousness is thin, so many people work for you, so what? Your own son, isn't it against you?

Thinking to himself, King Guangping looked at Yue Wuya with a smile, and waved his hand: "Go, pay attention to safety!"

"Yes, Father Emperor!" Yue Wuya responded, then turned and walked out of the hall.

Soon, after the preparations were made, Yue Wuya took tens of thousands of the Royal Forest Army and marched mighty towards the Diyuan Continent. Originally, Yue Wuya wanted to go by himself, but King Guangping was worried about his safety, so he specially sent the Royal Forest Army to protect him. .

After a long journey, Yue Wuya took the army and finally arrived at the boundary of the Earth Circle Continent.

At this moment, Yue Wuya's mood was very complicated when he stepped on the land of the Earth Circle.

It stands to reason that the Earth Circle Continent is his hometown, but this land is so unfamiliar to him.

Yue Wuya scratched his head and thought to himself: He brought an army of tens of thousands and rushed to Diyuan Continent to investigate the news. By the way, go to Zhou Qin first, she is the head of the Emei faction and the leader of the Earth Circle Continent. More importantly, she also wants to get rid of Yue Feng. So, Zhou Qin will definitely help.

After making up his mind, Yue Wuya let the army rest for a while, and then rushed directly to the Emei faction.

Yue Wuya has experienced ups and downs since childhood, and recently became a prince. Under the influence of King Guangping's imperial skills, his mind and shrewdness have already surpassed his peers.

Yue Wuya led the army and finally arrived at Mount Emei after another four-hour flight.

Chapter 1785

The weather is very good and sunny today, but on Mount Emei, the atmosphere is solemn.

At the foot of Mount Emei, Yue Wuya asked the army to camp and wait on the spot, and then slowly climbed the mountain by himself.

Um?

As soon as he arrived at the Emei Mountain Gate, Yue Wuya felt that something was wrong, and frowned secretly. The Emei School is a well-known and authentic sect in the Earth Circle. It should be very lively, especially at this time, there should be many disciples in the square Cultivation, but today, the entire Emei Mountain is particularly deserted.

Not only that, the disciples who patrolled were all gloomy and dejected.

Did something happen to Emei dispatch?

Seeing this scene, Yue Wuya couldn't help but muttered.

"Hula!"

At this moment, the female patrolling disciples of the Emei faction found Yue Wuya and immediately surrounded her.

"Who? Trespassing on Emei?"

"Hurry up and stop!"

At the same time, these female disciples all had a look of vigilance on their faces.

Ever since Zhou Qin was trapped in the Northern Ying Continent, the spirits of the Emei faction were all tense.

Yue Wuya looked calm and smiled slightly: "Don't panic, I'm not here to make trouble, I'm a friend of your Zhou Sect Leader. This time I'm here in Diyu Continent, and I'm here to visit you."

Sect Leader Friend?

Hearing this, several female disciples looked at each other. One of them bit his lip lightly and responded, "We... our head of Zhou Qin is not here." Zhou Qin was trapped in the Northern Ying Continent. This matter is too embarrassing. It is about the prestige of the Emei faction. How could he take the initiative to say so? come out.

not there?

Now it was Yue Wuya's turn to be stunned.

Soon, Yue Wuya recovered and smiled, "It doesn't matter if she's not here, I'll go in and wait for her!" With

that, Yue Wuya was about to enter the hall.

"Wait!"

Before taking a few steps, he was overwhelmed by several female disciples, and then, the one in the lead walked over quickly, looked at Yue Wuya and said solemnly: "We have said it all, palm The disciple is not here, you want to visit, come again next time."

The moment he spoke, other disciples also came over, blocking Yue Wuya's way.

Um?

Yue Wuya knitted his brows tightly, feeling even more puzzled in his heart, and at the same time, he was also a little angry.

The next second, Yue Wuya said coldly, "What if I have to go in?" He was stubborn, and the more these disciples of the Emei Sect were, the more he wanted to go in and have a look.

Moreover, as the prince of Tianqi Continent, he has a distinguished status, and no one should be respectful when he sees it, but these female disciples of the Emei faction dare to stop him.

"Om!"

At the same time, a powerful aura erupted from Yue Wuya's body and swept all around.

Feeling Yue Wuya's aura, several female disciples looked at each other, feeling a little shocked.

This young man looks young, but his strength is amazing.

However, for the dignity of the Emei School, several female disciples still refused to give in.

For a time, the two sides were deadlocked, the atmosphere was very depressed, and the air was filled with the smell of gunpowder.

“What’s so noisy?”

At this moment, a crisp and cold voice came from the direction of the main hall, and then, Faye Wong walked over slowly.

Today’s Faye Wong, wearing a long pale pink dress, shows her sexy and tight figure to the fullest, and is indescribably beautiful and charming.

“Senior Sister Wang!”

“I’ve seen Senior Sister Wang.”

As soon as they saw Faye Wong and several female disciples, they quickly got out of the way and spoke respectfully.

Although she is the acting head, Faye Wong is Zhou Qin’s confidant. She has a high status in the Emei Sect, and her methods are as ruthless as Zhou Qin’s. Therefore, the disciples of the Emei Sect are both respectful and afraid of her.

Swish!

At this moment, Yue Wuya’s eyes fell tightly on Faye Wong, and a smile appeared on the corner of his mouth.

At this time, Faye Wong walked to the front, with a pretty face, and said coldly to several disciples: “What’s the matter, what are you arguing about here?” Faye Wong admires vanity, and naturally wants to show off while Zhou Qin is away. Chief’s shelf.

At this time, Faye Wong had not noticed Yue Wuya.

The ultimate husband in Chinese chapter 1786-1790

“Faye Wong, where is Zhou Qin?” Yue Wuya took a step forward and said coldly.

Swish!

Faye Wong’s face changed and she was furious. She is now the head of the Emei faction. Who would dare to call her by her name? Faye Wong turned her head, just in time to meet Yue Wuya’s gaze, she suddenly trembled.

“Ouch!” In the

next second, Faye Wong recovered and said to Yue Wuya with a full smile: “So it was His Royal Highness that arrived!” As Zhou Qin’s confidant, Faye Wong knew Yue Wuya and knew him even more identity of.

At this moment, Faye Wong’s smiling face was sweet, in stark contrast to the cold arrogance just now.

Yue Wuya smiled and said lightly: “Don’t be so polite, I’m here to talk to Zhou Qin.”

When he said this, Yue Wuya’s expression was indifferent, but he sneered inwardly.

This princess, with such a strong adaptability, will also be a difficult master in the future. However, she is a prince, so don’t worry about her.

“Oh, that’s it...”

Faye Wong’s face changed, and she said with a shallow smile: “The head is not here, if His Royal Highness has something to do, let’s go into the hall to talk!” After speaking, Faye Wong made a gesture of invitation.

At the same time, he did not forget to shout at the disciples behind him: “What are you doing? Why don’t you step back? Even the prince dares to stop him. I think you don’t want to live anymore.”

What? !

Several female disciples retreated one by one with sincerity and fear, looking at Yue Wuya, their hearts were extremely shocked.

This... this boy, is the prince?

This chapter is provided by . Visit for daily update.

In fact, Yue Wuya visited the Emei Sect a few years ago. At that time, it was the Millennium Ceremony of the Emei Sect. When Yue Wuya passed by Emei, he came up to talk to Han Bing, but Han Ao Ran just left with Han Bing. At that time, Yue Wuya was

still making a lot of trouble in Emei, and many disciples of the Emei sect still remember it fresh, but in the past few years, Yue Wuya has become more mature, and these disciples are no longer recognizable.

Soon, under the leadership of Faye Wong, Yue Wuya walked into the hall.

Faye Wong was very attentive, greeted Yue Wuya to take a seat, and then ordered the disciples to make tea and pour water.

Yue Wuya was not in the mood to drink tea. As soon as he sat down, he asked Faye Wong, "Faye Wong, where is your head? Also, what happened to the Emei faction, why are you so dead?"

Alas!

Faye Wong sighed, with a bit of shame on her delicate face: "To be honest, our head is trapped in the palace of Northern Ying Continent!"

What?

Hearing this, Yue Wuya was taken aback.

The Kyushu Continent has been communicating with each other for more than ten years. As a prince, Yue Wuya has a detailed understanding of the situation of each continent, especially this Northern Ying Continent. The Great Emperor, Empress Chang'e, Zhu Rong, Gonggong, etc...

It can be said that any of these masters are the top powerhouses in other continents.

Therefore, Beiyong Continent is the most powerful among the Kyushu, and Zhou Qin is actually trapped in the palace of Beiyong Continent, I am afraid it will be difficult to get out.

In shock, Yue Wuya looked at Faye Wong tightly: "What the hell is going on here?"

"It's not because of that Yue Feng." Faye Wong said with resentment on her face, "The head was deceived by Yue Feng, He was led to the palace in Northern Ying Continent..."

In the next few minutes, Faye Wong explained the situation in detail.

At the end, Faye Wong said bitterly: "After Yue Feng lied to the head, he escaped from the palace alone and disappeared without a trace. This bastard, I can't wait to stab her with a thousand swords."

Phew!

Hearing this, Yue Wuya did not lock up, and secretly exhaled.

No wonder Yue Feng never came to Tianqi Continent. It turned out that he was caught by Zhou Qin...

“Senior Sister Wang!” As

he was talking, suddenly a disciple guarding the dungeon walked in quickly, his beautiful face full of anxiety “Sister Wang, it’s not good, it’s not good!”

The female disciple was panting and dripping with sweat.

“What are you panicking about?” Faye Wong glared her eyes and said angrily, “Didn’t you see me talking to His Royal Highness? There’s no manners at all?”

The female disciple was about to cry, so anxious.

“What’s the matter, tell me.” Faye Wong sipped her tea and urged angrily.

The female disciple trembled, knelt down on the ground, sweat dripping all over her body, and hurriedly said: “Senior Sister Wang, it’s not good... it’s not good... just... just now, Han arrogantly bit his tongue and committed suicide! “

What? !

Faye Wong’s face changed and she stood up all of a sudden: “What did you say?! Han Ao Ran bit his tongue and committed suicide?”

Han Ao Ran, this slut, really knows how to find trouble! At the beginning, Zhou Qin caught Han Aoran just to deal with Yue Feng, but now if Han Aoran dies, the plan will fail.

More importantly, Han Ao Ran’s accident happened under his supervision. After Zhou Qin was to blame, he could not escape the guilt!

Chapter 1787

At this moment, Yue Wuya only felt that his brain was buzzing, and the whole person was stunned!

what’s the situation?

Bing’er’s mother, bit her tongue and committed suicide?

A month ago, Han Bing and Han Aoran entered the Tianqi Palace and enjoyed a night banquet with King Guangping, so why didn't Yue Wuya know about Han Aoran?

Something happened to Han proudly, how is Binger?

Thinking about it, Yue Wuya was so anxious!

At this time, Faye Wong looked at the female disciple and was very anxious: "Is the person out of breath?"

When she said this, Faye Wong looked urgent.

Although she really wanted Han Ao Ran to die, she couldn't die under her own supervision.

"Senior Sister Hui Wang, Han Aoran is not dead!"

The female disciple lowered her head and said cautiously, "Fortunately, we found it in time and quickly stopped it, but Han Aoran bit his tongue and passed out at the time. After waking up, she is still thinking of suicide, and we don't know what to do."

Phew!

Hearing this, Faye Wong was instantly relieved, it would be good if he didn't die!

"Report the situation in the future, and finish it all at once." Faye Wong glared at the female disciple, then waved her hand: "Hurry back and take care of it strictly."

When she said this, Faye Wong's face was extremely ugly, and she said no Out of suffocation.

Han Ao Ran, this slut, actually committed suicide. It seems that she has to find a way to take good care of her.

"Yes, Sect Master."

Feeling Faye Wong's anger, the female disciple's delicate body trembled, she answered and hurried out.

Swish!

After the female disciple left, Yue Wuya tilted her head to look at Faye Wong: "You caught Han Aoran?" The

tone was calm, but there was an aura of oppression.

“Yeah!”

Faye Wong nodded calmly and smiled, “Why? Your Highness is interested in this bitch?”

“Where’s Hanbing?” Yue Wuya asked coldly, too lazy to talk nonsense.

In Yue Wuya’s heart, apart from King Guangping and Qin Rongyin, the closest person in the world is Han Bing.

“That little bastard!”

Faye Wong’s mouth twitched a bit, and she chuckled softly: “She had a great fate, she escaped from the dungeon two days ago, and no one has caught it yet.”

Frost fell into the ancient tomb of Lu Bu, When the masters of various sects reported to Emei, they did not explain the truth, only that they had not been caught. After all, the masters who chased down Han Bing were afraid of the poisonous insects and hidden weapons in the ancient tomb, so they did not enter the ancient tomb to chase after Bing Bing. How could they say such a shameful fact that they lost their identity.

When saying this, Faye Wong paid attention to Xiayue Wuya’s face.

As the acting head of the Emei faction, Faye Wong naturally knew that if the friendship between Yue Wuya and Han Bing was someone else, Faye Wong would not speak so politely, but Yue Wuya was different.

After all, he is the prince of Tianqi Continent, so he can’t afford to offend him.

“Shut up!”

As soon as the voice fell, Yue Wuya shouted angrily, his handsome face couldn’t hide his anger: “You are not allowed to call Bing’er that.”

Bing’er is so smart and cute, Faye Wong actually called her a little villain. so nasty.

Chapter 1788

“Your Highness...”

Faye Wong’s body trembled, and he would never forget this look in his life.

too terrifying.

In the next second, Faye Wong squeezed out a smile and pretended to be very frightened: “His Royal Highness atonement, I can’t speak...”

"I ask you!" Yue Wuya's face was cold, no nonsense, and he asked bluntly: "Why did you arrest Han Aoran and Bing'er? What did they do wrong?"

Faye Wong hesitated, then said carefully, "Your Highness, you forgot, when we were in the Millennium Hall of Emei, you came to look for Han Bing, the head of the school at that time. Senior Sister, I'll tell you, Han Ao Ran is the former head of the clan, but he has sex with a wild man and gave birth to the evil Han Bing... illegitimate daughter, violated the rules of the family, and was expelled from Emei."

"Han Ao Ran offended. The rules of the sect have brought shame to the Emei faction, and it is reasonable for the senior sect master to arrest their mother and daughter." When she said this, Faye Wong's expression was calm and natural.

Hearing these words, Yue Wuya clenched his fists secretly, feeling annoyed beyond words.

Han Ao Ran and Bing'er had been expelled from Emei for several years, and even if they were at fault, they would have already paid it back, but the Emei faction actually held on to it. Is it necessary to let their mother and daughter be completely ruined?

Thinking to himself, Yue Wuya's eyes were extremely red, and he glared at Faye Wong: "Let Han Ao Ran

go immediately." Han Bing escaped, and he doesn't have to worry about it for the time being, but Han Ao Ran is Bing'er's mother, and now he knows she is in the dungeon. Suffering cannot be ignored.

This...

Faye Wong's face changed, she bit her lip tightly, shook her head and said, "Your Highness, I'm afraid I can't do this!

"The suffocating air filled the air, and the person who was almost pressed couldn't breathe.

hiss!

Feeling Yue Wuya's murderous aura, Faye Wong trembled and took a deep breath.

The next second, Faye Wong pretended to be calm and said with a smile: "Your Highness, you know, I'm just an acting head, I just deal with the little things of the Emei faction, a traitor like Han Aoran, how can I have the right? Dispose of it."

"Besides, it was Senior Sister Head Sect at the time, and the mother and daughter Han Ao Ran were arrested. His Highness is chivalrous and kind. If you really want to help

them, you can directly mention Senior Sect Senior Sister, I think, based on your relationship. , she will definitely not refuse, what do you think?"

Being able to be Zhou Qin's confidant, Faye Wong is very scheming, and with just a few words, she put the responsibility on Zhou Qin.

Anyway, since Zhou Qin is not here, you can say whatever you want, as long as the goal is to stabilize Yue Wuya.

"Faye Wong, don't tell me this is useless!" Yue Wuya sneered and said solemnly: "Zhou Qin is trapped in the palace of Northern Ying Continent, how can I ask her to mention this matter in person? You want to tell me Playing slow tactics? I tell you, it's useless!"

After speaking, Yue Wuya's expression was firm, and there was no room for negotiation: "I repeat, let go!"

Om!

The last sentence fell, and a powerful aura erupted from Yue Wuya's body, followed by a crisp sound, the Overlord's Hammer was tightly held in his hand.

In an instant, a dazzling light erupted from the Overlord's Hammer, like a luminous sun.

call!

Faye Wong's tender body trembled, looking at the Overlord Hammer in Yue Wuya's hand, she only felt that her legs were softened.

At the same time, feeling the movement in the hall, many disciples of the Emei faction rushed over, but they felt the powerful breath of the Overlord's Hammer, all of them were stunned, their eyes full of shock.

"Your Highness!"

After more than ten seconds, Faye Wong reacted and bit her lip, looking very delicate: "Your Highness has something to say, I really don't have the right to let go of Han Aoran, if I let go, senior sister in charge will definitely Kill me! That wicked Bing Bing has already escaped, I can't let go of the cold arrogance..."

"I'm sorry!" Yue Wuya roared frantically, his eyes were red: "I repeat, Bing'er is not a wicked seed. , she's not!"

"Crack!" The

voice fell, Yue Wuya slapped him fiercely, and threw it on Faye Wong's face!

"I have a special code for you to release people, release people!" Yue Wuya almost roared out!

Chapter 1789

"His Royal Highness!" Faye Wong was sweating profusely, bit her lip, looked at Yue Wuya and said, "Your Highness has something to say, I really have no right to let go of Han Aoran, if I let it go, senior sister in charge will definitely It will kill me!"

Said, Faye Wong bent her knees, knelt directly in front of Yue Wuya, and continued to plead: "Also, please, Your Highness, find a way to save Senior Sister Sect Master, as long as His Highness saves Zhang Senior Sister Men, His Highness is the great benefactor of our Emei faction. When the time comes, as long as His Highness says a word, Senior Senior Sister Sect Master will definitely agree to let Han Ao Ran go."

"Also, Your Highness and Senior Senior Sect Master are not only friends, but also a common enemy. Yue Feng, as long as His Royal Highness is willing to help save Senior Sister Sect Master, then Senior Sect Master Sect will not only let Han Ao Ran go, but will also do her best to help you catch Yue Feng, what do you think..."

Seriously, Xiang Yue Wu Ya knelt down, Faye Wong felt ten thousand reluctance in her heart.

But there is no way, this Yue Wuya has not only divine soldiers, but also the support of the entire Tianqi royal family.

call!

Hearing these words, Yue Wuya's expression changed, and his heart became hesitant and complicated. Afterwards, Yue Wuya slowly put away the Overlord Hammer, glanced at Faye Wong, and said lightly, "Get up!" To

be honest, Yue Wuya really wanted to rescue Han Aoran immediately, after all, she was Bing'er's mother. But what Faye Wong said was not bad. The main purpose of her coming out was to catch Yue Feng.

Moreover, Han Bing has already escaped, and as the former head of Han Ao Ran, the Emei faction will not do anything to her.

More importantly, although I have brought tens of thousands of troops, it is far from enough to deal with Yue Feng. Only by cooperating with the Emei faction can we have a better chance of winning.

"Get up first." Yue Wuya raised his hand gently and helped Faye Wong up.

call!

Faye Wong secretly breathed a sigh of relief, and quickly stood up, her delicate face full of compliments: "His Royal Highness is generous, Faye Wong is grateful!"

"I don't need to embarrass you, Han Ao Ran, you don't have to let it go for the time being!" Yue Wuya was too lazy to talk nonsense, looked at Faye Wong, and said word by word: "But you Emei faction, you must treat her well, if she has three strengths and two weaknesses, I will never forgive you!"

Although I can't take Han proudly away, I can't let her continue to suffer. .

After all, she is Bing'er's mother.

"Yes.."

Faye Wong trembled and nodded again and again: "Don't worry, His Royal Highness, I will not be embarrassed and proud!"

After speaking, Faye Wong shouted at the disciples outside the door: "What are you still doing? Please come out of the dungeon proudly, bring it to the backyard, and take good care of it!"

"Yes, Sect Master." The

voice fell, and several disciples outside the door responded one after another, and hurriedly went.

Um!

Seeing this scene, Yue Wuya nodded very satisfied, and then said to Faye Wong: "Hurry up and prepare, let's set off immediately, go to the Northern Ying Continent, and rescue Zhou Qin!" The

voice was not loud, but there was no doubt.

To be honest, going to Beiyang Continent to save people is full of difficulties. Yue Wuya doesn't want to take this risk, but to deal with Yue Feng in the Earth Circle Continent, relying on his own strength is far from enough. After all, the Earth Circle Continent is Yue Feng. Wind site.

And Zhou Qin is the leader of the martial arts alliance in the Earth Circle Continent. With her help, it will be easier to deal with Yue Feng, so Zhou Qin must be rescued.

"Okay, I'm going to prepare right away!"

Faye Wong was overjoyed when she heard this, and she hurried to prepare.

Half an hour later, Faye Wong issued an order from all corners of the world, summoning experts from various sects, and then together with Yue Wuya, they headed for the Northern Ying Continent.

...

the other side!

In the northwest of the Northern Ying Continent, in a forest.

Yue Feng hugged Chang'e and rushed in the direction of Buzhou Mountain! Before Tu Xingsun and Gonggong had a fight, Yue Feng took the opportunity to click on Chang'e's acupuncture point and carried her away.

Today's Yue Feng is indescribably excited. Finally regaining his freedom, the most important thing now is to find Liu Xuan first.

Chapter 1790

Before Yue Feng and a few people, when they were just caught by Zhou Qin, Zhu Rong came to rescue them at night, but unfortunately they were met by Zhou Qin. At that time, the situation was critical, and Zhu Rong could only take Liu Xuan first. Zhu Rong has been living in seclusion in Buzhou Mountain, and he must have returned to Buzhou Mountain with Liu Xuan.

Chang'e's body was tensed up, she was ashamed and angry, and she kept scolding Yue Feng!

"Yue Feng, you arrogant traitor, quickly let Ben Gong down."

"Have you heard, Ben Gong will give you one last chance. If you don't let me down, Ben Gong will make you regret living in this world.

" Fairy Moon Palace, the high-ranking empress, was actually held in the arms of a big man, which was a great humiliation.

Chang'e's anger, Yue Feng did not take it to heart at all, but made fun of Chang'e very easily.

"Niang Niang, you should calm down for a while. You said you were going to kill me, so how could I let you go?"

"Actually, I can't do anything about it. In the previous situation, if I didn't catch you, I wouldn't be able to escape. So, you'd better be wronged..."

Hearing this, Chang'e was very angry, but she was helpless.

While bickering, Yue Feng hugged Chang'e and came to the foot of Buzhou Mountain.

Not Zhoushan?

Looking at the majestic mountains in front of her, Chang'e's delicate body trembled, and her beautiful face was filled with doubt and shock.

Buzhou Mountain is the Northern Ying Continent, a place where many people from outside the world live in seclusion. As the empress of the mother world, Chang'e certainly knows this place.

Yue Feng knows the people on Buzhou Mountain?

Thinking to herself, Chang'e bit her lip and said eagerly, "Let me go! I can go by myself."

Anyway, they were all brought, so let's go up and take a look. However, because of his special identity, it is really indecent to be held by Yue Feng all the time.

Yue Feng said with a smile: "Niangniang, don't kill me now?"

"You..."

Chang'e's face flushed with anger, but she didn't know how to deal with it.

This Yue Feng is not only cunning, but also glib, it is really difficult to deal with.

Yue Feng put it away when he saw it, put Chang'e down, and then walked up the mountain first. Anyway, Chang'e was sealed off, so he wasn't afraid of her escaping.

Chang'e quickly adjusted her long skirt and followed closely.

Buzhou Mountain stretches for thousands of miles and has complex terrain, but Yue Feng came here once and was familiar with the road, and soon found the blessed land of Shennong.

call!

Entering the blessed land of Shennong, Chang'e's body trembled when she saw the scene in front of her, and she was stunned!

This... This Buzhou Mountain, there is such a beautiful place!

It's just a paradise.

Chang'e knew about Buzhou Mountain, but she had never been there. She never thought that the scenery in Buzhou Mountain would be so beautiful.

At this time, Yue Feng was also feeling ups and downs. After a few years, I came to Shennong Blessed Land again.

With emotion, Yue Feng walked towards the stream in front!

At this time, Chang'e was stunned for a few seconds, but she also reacted, and quickly followed!

Soon, they crossed the stream and reached the thatched hut in front of them. In the distance, they saw Shennong and Zhu Rong sitting at the door, drinking freely. Beside them, there was also a woman sitting, dignified, charming and temperamental.

The woman's body was extremely compact, but half of her face was black.

It is Liu Xuan!
