

The ultimate husband in Chinese chapter 1801-1810

Chapter 1801

As soon as he arrived at the entrance to the forbidden area, Yue Feng was shocked and stopped.

Yue Feng could clearly hear the voices of a man and a woman from inside the forbidden area. It was Yue Wuya and Zhou Qin.

At this time, Yue Wuya and Zhou Qin were still trapped in the formation. Because the formation was too big, they were both trapped, but they still did not meet.

“Zhou Qin, what kind of formation is this?”

“I don’t know either, but it’s very powerful.”

“Alas, I have come up with a way to make Wang Fei and others attract the defenders of the imperial city, and I will come quietly by myself. I rescued you, but it turns out that stealing chickens won’t make you lose rice.”

“Can you speak well? Who do you compare to chickens?”

“Uh... well, I’m wrong.”

Yue Wuya and Zhou Qin, in the formation, while discussing the way to leave, he kept bickering, which was very interesting.

Ya’er?

Hearing this, Yue Feng, who was standing at the entrance of the yard, changed his expression, very surprised, and his mood was extremely complicated.

It turned out that it was Ya’er’s way of attacking the east and west, leading Yang Jian and the defenders to the outside of the city. He was so resourceful that he deserved to be his own son. It’s just... why did he save Zhou Qin?

At this time, Yue Feng still didn’t know that the ultimate goal of Yue Wuya’s rescue of Zhou Qin was to let Zhou Qin help him deal with him.

Thinking to himself, Yue Feng cleared his throat, performed ventriloquism, and shouted at Yue Wuya in the formation: “Hey, the kid inside, can you hear me?”

When he said this, Yue Feng pretended to be a The old man’s tone was hoarse.

This chapter is provided by . Visit for daily update.

“Who?”

Yue Wuya, who was still arguing with Zhou Qin, suddenly heard the voice, his body was shocked, and he quickly responded: “Who?”

“

Zhou Qin also hurriedly closed his mouth and became alert.

Yue Feng took a deep breath and continued to use the old man’s tone of voice: “Don’t be nervous, I just passed by here, and when I saw your kid trapped inside, I wanted to help you. Remember, I saw three wooden stakes. Where they are side by side, just turn left, then...”

In the next few minutes, Yue Feng told Yue Wuya how to break the formation.

Speaking of which, Yue Wuya rescued Zhou Qin, and Yue Feng was very unhappy. After all, what Zhou Qin did before was too abhorrent, not to mention being locked up for a few days, even a few years, would not be enough to make up for her fault.

But Ya’er is innocent. In Yue Feng’s heart, over the years, he had not fulfilled his responsibility as a father, and felt guilty towards Yue Wuya. Now, how could he just watch his son, trapped in the formation, and ignore it?

“When you see three wooden stakes side by side, turn right...”

Yue Wuya walked towards the formation while meditating silently. In less than two minutes, he met Zhou Qin in the formation. .

Haha...

Seeing Zhou Qin, Yue Wuya was very excited.

In the next second, Yue Wuya shouted to Yue Feng through the formation: “Thank you, senior! If there is no senior, I would be trapped in this formation.”

“No thanks!” Yue Feng showed a smile, He responded, ” It’s just a matter of raising your hands.”

“Dare to ask the seniors, Gao’s name.” Yue Wuya said respectfully, and said loudly: “My name is Yue Wuya. When I leave the palace safely, I will definitely come to thank you in the future.”

Phew!

Hearing this, Yue Feng took a deep breath and showed a relieved smile.

As expected of his own son, he knows how to repay his gratitude.

Thinking to himself, Yue Feng cleared his throat, continued to use ventriloquism, and responded with a hoarse voice: “No need, this old man said it just now

.

To be honest, Yue Feng really wanted to meet Yue Wuya, but thinking about his son’s resistance to him, let’s forget it.

“Senior, senior...”

Chapter 1802

Yue Wuya was in a hurry and couldn’t help shouting a few times, but the only one who responded to him was Xixi Yefeng.

At this time, Yue Wuya really wanted to go out immediately and meet this kind senior, but even if he had the method of breaking the formation, he would not be able to come out for a while, so he could only be anxious.

At this time, Yue Wuya didn’t know that the one who taught him how to break the formation was actually his own father.

“Okay.”

At this time, Zhou Qin came over and said softly to Yue Wuya: “Don’t shout again, be careful to attract the palace guards, now that you know the method of breaking the formation, let’s go out quickly, as for This senior, it’s not too late to ask him to thank him in the future.”

When he said this, Zhou Qin’s expression was very indifferent, but his heart was indescribably excited.

Strange, I was trapped for a few days, and no expert came to help him. The expert appeared when Yue Wuya came.

This boy’s luck is also very good.

Um!

Yue Wuya responded, and according to the method of breaking the formation, with Zhou Qin, he slowly searched for the exit from the forbidden area.

In less than ten minutes, the two successfully walked out of the forbidden area.

call!

At this moment, Yue Wuya let out a long sigh of relief, and his mood that was originally anxious also suddenly relaxed.

Haha...

Zhou Qin was even more excited. Looking at the Beiyang Palace in front of her, she felt indescribable emotion in her heart.

You can be considered out. Immediately, Zhou Qin thought of Yue Feng, and her delicate face could not hide the resentment in her heart.

Yue Feng, you wait for me, you will be stuck here for a long time, we will settle this account sooner or later.

“Zhou Qin!”

At this moment, Yue Wuya couldn't help but ask: “How did you get trapped here? Is it Yue Feng?” In the

Kyushu, Zhou Qin could be so miserable, Only that man.

“Who said it was him?” Zhou Qin frowned and shook his head: “At that time, Yue Feng and I came in to look for treasures, but the royal guards found out, so I entered here by mistake.

” It was too embarrassing to be played by Yue Feng.

Oh.

Hearing this, Yue Wuya nodded thoughtfully.

“Why did you come to Beiyang Palace all of a sudden?” At this moment, Zhou Qin reacted and couldn't help but ask: “Your majestic prince, shouldn't you be enjoying yourself in Tianqi Palace?” His

voice was soft and somewhat mocking.

Yue Wuya said angrily: “It's not to save you...” Immediately afterwards, Yue Wuya explained the matter again.

At this moment, Zhou Qin felt a warm current in his heart.

It turned out that he took the initiative to save himself.

In the past, Zhou Qin must have been completely moved, but after becoming the leader of the martial arts alliance, Zhou Qin's mood has become much tougher than before, so his expression soon recovered.

Immediately afterwards, Zhou Qin thought of something, and said with a smile: "So, Faye Wong is leading the masters of various sects and is at the main gate of the imperial city, restraining each other? You came up with this way of attacking the east and west?"

Yue Wuya did not speak, nod.

"As expected of a young hero." Zhou Qin showed a smile, and his eyes were full of admiration.

Such a wonderful way, I'm afraid I can't think of it myself.

It's a pity that such a talented young man is Yue Feng's son...

When he thinks of Yue Feng, Zhou Qin's mood suddenly becomes complicated. The more he looks at Yue Wuya, the more he feels like Yue Feng. You know, Yue Feng He's also very smart, and there's nothing he can't do.

Chapter 1803

"Okay!" Seeing Zhou Qin looking at him, Yue Wuya couldn't help urging: "Let's go quickly, and delay for a while, I'm afraid Faye Wong and the others won't be able to carry it."

"What are you in a hurry?" Zhou Qin smiled and said softly: "His Royal Highness, I want to ask you, why did you take such a big risk to save me yourself, do you like me?"

When he said the last sentence, Zhou Qin's delicate face was somewhat charming, and her eyes were even more provocative.

The age difference between the two is too much. Originally, Zhou Qin would not tease Yue Wuya like this, but for some reason, after discovering that Yue Wuya and Yue Feng are more and more similar in all aspects, Zhou Qin couldn't control himself. .

The heat spurting out of Zhou Qin's mouth made Yue Wuya feel itchy in his ears, and he couldn't calm down.

call!

The next second, Yue Wuya breathed a sigh of relief, secretly adjusted his emotions, and said angrily: "Don't make trouble, this is the Beiyong Palace, it's not appropriate to stay for a long time, let's go quickly."

With that, Yue Wuya took the lead and walked forward. go.

“Oops.”

However, before taking two steps, Zhou Qin stopped him.

Immediately afterwards, Zhou Qin hugged Yue Wuya’s arm and urged coquettishly: “My prince, you are not shy, tell me what happened? I” I

don’t know why, the more Yue Wuya was Avoiding, Zhou Qin wanted to tease him more.

“You...”

Yue Wuya’s face became hot, very helpless, and he didn’t know what to say for a while. Although he had experienced a lot of things since he was a child and had a lot of experience, Yue Wuya was still a complete stranger in dealing with women. white paper.

At this time, facing Zhou Qin’s blatant teasing, Yue Wuya couldn’t bear it at all.

“Who?”

“Stop!”

At this moment, not far ahead, a group of patrolling guards suddenly came. Seeing Zhou Qin and Yue Wuya, they shouted angrily and surrounded them at the same time.

Nima!

Yue Wuya didn’t have time to think, and shouted at Zhou Qin: “Come on!” After the voice fell, Yue Wuya flew into the sky and rushed out of the palace first.

Zhou Qin reacted quickly, her toes were a little on the ground, her figure was light, like a butterfly, and she followed closely behind.

Soon, Yue Wuya and Zhou Qin disappeared into the night sky above the palace, and the bickering between the two also sounded in the air from time to time.

“I told you to go just now, but I have to leave. Now it’s alright, I’ve been discovered.”

“Hee hee, you look nervous, are you afraid that you will be recognized as the prince of the Apocalypse Continent?”

“Zhou Qin, I didn’t I’m joking with you, your junior sister Faye Wong is still outside the city gate, fighting against the Beiyang army. Now that we are being watched by the guards, how can we join them?”

“It’s fine, as long as we are both safe and sound.”

” You...”

...

On the other side, Yue Feng was walking in the Beiyang Palace, rushing towards the Kizang Pavilion.

After finding the place, Yue Feng first walked through a long secret road, and finally came to a stone gate with exquisite patterns, and saw a round bulge on the wall next to it.

Haha...

Yue Feng is very excited, because this place is the entrance of the Tibetan Pavilion.

Excited, Yue Feng couldn’t wait to press the circular protrusion.

Card wipe.

With a dull sound, the stone gate slowly opened!

hiss!

At this moment, seeing the scene in front of him, Yue Feng’s body was shocked, he couldn’t help gasping for air, and the whole person was stunned.

In front of him is a huge secret room, the size of a basketball court. The entire ground is paved with gilt and white jade. The circular dome is inlaid with various gems, like the sun, moon and stars.

The floor of the secret room is full of rare treasures, such as thousand-year-old jade ganoderma lucidum, ten-thousand-year-old snow ginseng, blood jade corals several meters high, and so on.

In addition to these, there are many treasures of heaven and earth, as well as various top-quality weapons.

Chapter 1804

Of course, most of them are rare Lanjie weapons and purple-rank weapons, and Yue Feng didn't see any artifacts.

Even so, Yue Feng was dazzled, his brain was buzzing, and his heart was extremely shocked.

Total shock.

Nima.

It is worthy of being the place where Emperor Hou Yi hid treasures. If you take anything out of it, it is enough to cause a shock in Kyushu.

correct!

After being shocked for more than ten seconds, Yue Feng reacted and remembered the business.

I came here to get the magic face beads, wondering what these treasures are doing? No matter how many rare treasures there are, they can't compare to a single hair of Xuan'er.

Muttering in his heart, Yue Feng walked in quickly and began to look for it among the many treasures.

call.

At first, Yue Feng was dazzled by the dazzling array of treasures in front of him, but soon, he discovered that a bead was quietly placed on the innermost jade platform.

The beads are egg-sized, crystal clear and round, exuding colorful light.

found it!

Yue Feng was overjoyed, walked over quickly, and grabbed it in his hand.

Shennong said that the magic face beads gather the essence of the weather and are colorful, and it must not be wrong.

While grabbing the Huanyan Pearl, Yue Feng quickly put it away, and then looked around at the rare treasures around him, and his heart suddenly moved.

Nima, this Ksitigarbha Pavilion, is it too much of a loss to come here with only one magic face pearl and leave?

But before she left, Chang'e had told her not to let herself mess with things and go back on her word, isn't it bad?

For a time, Yue Feng stood there entangled.

I don't know how long it took, Yue Feng took a deep breath and made up his mind.

There are so many treasures here, I definitely can't take them all, but it should be fine to take one or two of them. Anyway, Emperor Hou Yi is dead, Chang'e can't protect herself now, and she won't do anything to herself.

Thinking to himself, Yue Feng looked around and began to choose what he liked.

Haha...

Soon, Yue Feng's eyes flashed and he saw something. He walked over and grabbed it in his hand.

At this time, a delicate vial was filled with some white powder.

If it was someone else, they would definitely not take this thing seriously, but Yue Feng recognized that when he took Zhu Bajie and escaped from the palace, Zhu Bajie took out something and let Yue Feng change himself. The appearance of posing as Emperor Hou Yi, that thing is called Yi Rong San.

And this thing in front of me is Yi Rong San! Brother Zhu once said that this Yi Rongsan is only available to him in the world, but he did not expect that Yi Rongsan was also found here!

Yue Feng knew that this was an unattainable treasure. He didn't think much about it at the moment, and just pretended.

Um?

At this moment, when his eyes fell on the northwest corner, Yue Feng's expression was startled, and he was very excited.

So... a

celestial stone?

I saw an inconspicuous piece of jade in the northwest corner. It was thrown there at will, and the dust was still there. It was obvious that no one had touched it for a long time.

But Yue Feng could tell at a glance that this was the Heaven Patching Stone!

At this moment, Yue Feng walked over quickly, took it in his hand, sensed the aura of the weather inside, and was instantly ecstatic!

Haha, it's really a sky-filling stone.

At this time, Yue Feng was both excited and emotional.

Nima, this Emperor Houyi is really extravagant, such a treasure of heaven and earth, to throw it on the ground at will, it is a waste of heaven, but after thinking about it, Houyi's existence, such a thing as a heaven-repairing stone, is right. He was really useless.

Excited, Yue Feng clenched the Heaven Patching Stone and took out the Linglong Pagoda impatiently. The shape of this sky-filling stone is in line with the defect on the third floor of Linglong Pagoda.

Chapter 1805

Call!

At this moment, Yue Feng placed the Heaven Patching Stone on the defect of the third floor, and then chanted a spell to make the Linglong Tower bigger.

hum!

In an instant, an extremely strong spiritual energy permeated from the Linglong Tower, filling the entire room, and then, one after another, figures came out from the second floor of the Linglong Tower!

There are a hundred and fifty!

The Linglong Pagoda is divided into five floors. There are a thousand strong people detained in it. The first floor detains 500 people, and the second floor detains 200 people. The lower the number of people detained, the stronger the strength.

At this time, Yue Feng clearly saw that each of these hundred and fifty people was very powerful, and there were at least a dozen of them, all of which were capable of crossing the Tribulation Realm.

What the hell!

More than a dozen people who have crossed the Tribulation Realm have now become their subordinates.

At this moment, Yue Feng was extremely overjoyed, walked over at the same time, and looked at the more than ten powerhouses who had crossed the tribulation realm in front of him.

Arriving in front of a tall man, Yue Feng couldn't help but ask, "Who are you?" The man in front of him was not only tall, but his strength was also unfathomable. Yue Feng sensed that the person in front of him should be in the third stage of the Tribulation Realm! The oppressive force on this person is simply too powerful.

It is worth noting that this person has a complex pattern that stretches from the neck to the arms. At first glance, it looks like a tattoo, but Yue Feng knows that this is not a tattoo, but a kind of 'Meridian appearance' phenomenon.

It is said that some people have a special physique. After cultivating to a certain level, the meridians of the whole body will be revealed. This phenomenon is called 'external meridian manifestation'.

Rumor has it that people with meridian appearances, the inner strength contained in their dantian is much stronger than those of the same level!

The man smiled slightly, and his voice was as loud as a bell: "Master, my name is Youyan, I am under the tutelage of Jade Ding Zhenren, and the law is known as the Great Sage!"

What?

Hearing this, Yue Feng scratched his head, confused.

You Yan? The French name is a great saint? This name sounds domineering, but in historical records, it seems that there is no such person.

In his heart, Yue Feng was about to take them into the Linglong Tower and leave.

wrong!

As soon as he picked up Linglong Pagoda, Yue Feng suddenly realized something, and his eyes turned back to You Yan instantly, unable to hide his expectation and surprise: "What did you just say your name? "The

real Yuding? !

Master Yuding, that is the most powerful of the twelve ancestors of the Taoist sect. According to ancient records, Yang Jian's strength was taught by him, and he was Yang Jian's master.

And the person in front of him is also the apprentice of Master Yu Ding. Isn't that the same as Yang Jian, who belong to the apprentice brothers?

"Yang Jian?"

Youyan smiled, bent down slightly, and responded respectfully to Yue Feng: "He's the junior brother, what's the matter? The master knows him?"

"

Hearing this, Yue Feng was stunned, and he could hardly stand still. Nima, this Youyan in front of him turned out to be Yang Jian's senior brother? !

Thinking of Yang Jian, Yue Feng remembered the first time he met him, wearing golden black armor, holding a three-pointed two-edged sword, straddling the roaring dog, majestic, like a god.

And now, Yang Jian's senior brother has become his servant.

When I met Yang Jian before, Yue Feng didn't dare to have the slightest intention to make mistakes, but now, with Youyan as a subordinate, do you still need to be afraid of Yang Jian?

Haha....

It's really cool to think about it.

The more Yue Feng thought about it, the more excited he became, but he didn't forget his business. He quickly put You Yan and the others into the Linglong Pagoda, and quickly left the Ksitigarbha Pavilion.

The ultimate husband in Chinese chapter 1806-1810

Chapter 1806

Leaving the Tibetan Pavilion and seeing that the palace guards were still loose, Yue Feng secretly breathed a sigh of relief. Thinking of Yue Wuya, Yue Feng went to the forbidden area to take a look. Seeing that Yue Wuya and Zhou Qin were no longer in the great formation, it was obvious that the two had successfully left.

Seeing this situation, Yue Feng had no worries at all, and flew directly into the sky, towards the outside of the imperial city.

Um?

Just after leaving the imperial city, Yue Feng immediately stopped and frowned when he saw the scene outside the city.

I saw that hundreds of thousands of Northern Ying troops formed several square formations, trapping the masters of various sects in the Earth Circle Continent in the woods on the outskirts, surrounded by three layers and three layers, like a copper wall and an iron wall.

In the sky, Yang Jian held a three-pointed two-edged sword and rode a roaring dog, commanding the battle with ease.

Among the people in the Earth Circle Continent, Faye Wong, who was the leader, had already turned pale, without the confidence and composure she had before.

what's the situation?

Seeing this, Yue Feng was very surprised.

Didn't Ya'er and Zhou Qin successfully escape from the palace? They should have joined these sect masters long ago, and then quickly retreated.

Why....these people are still in a stalemate with the Beiyang army?

And... how about Ya Er and Zhou Qin?

At this time, Yue Feng did not know that after Zhou Qin and Yue Wuya walked out of the forbidden area, they missed the best time to leave because Zhou Qin teased Yue Wuya.

Now Yue Wuya and Zhou Qin are still being pursued by a group of palace guards.

So, the situation has become like this.

This chapter is provided by . Visit for daily update.

Ugh!

At this moment, Yue Feng sighed, without thinking much, and flew straight towards the woods.

To be honest, Yue Feng broke into the palace alone this time, and just wanted to help Liu Xuan get the magic face beads as soon as possible, and didn't want to meddle in his own business, but it was different when it came to the Earth Continent.

Although the various sects in the Earth Circle Continent fell victim to Yue Feng at a critical moment, in Yue Feng's heart, as a person from the Earth Circle Continent, he must do his part.

If these sect masters were all wiped out by the Northern Ying army, the entire Earth Circle Continent would be over.

Of course, Yue Feng was not confident enough that he would dare to fight against Yang Jian and an army of hundreds of thousands. While flying, Yue Feng took out Yi Rong San, kneaded quickly on his face, and with a burst of clarity, I saw Yue Feng's face, which changed little by little, and finally became the appearance of Emperor Hou Yi.

That's right.

After Yue Feng thought about it, he pretended to be Emperor Houyi, scare Yang Jian, and after helping the people of the Earth Circle to solve the crisis, he took the opportunity to leave.

At this moment, in the woods. The masters of various sects in the Earth Circle Continent were beaten down.

"What should I do?"

"It's over, it's over..."

"There are so many people on the other side, and their strength is still so stiff. More importantly, there is also a real Lord Erlang sitting in the town. I'm afraid we will be doomed this time."

" Could it be that the sky is going to destroy the earth and the world?"

The lamentations of the people kept coming, and Faye Wong was also trembling with a delicate body, and there was a hint of despair on her beautiful face.

What happened to Yue Wuya? It stands to reason that he has already slipped into the palace. Didn't he find the senior sister?

If I had known this earlier, I would not have come to Beiyong Continent with Yue Wuya to save people.

"People from the Earth Circle Continent, listen."

At this time, Yang Jian, who was suspended in mid-air, said lightly: "I will now give you one last chance to disarm and surrender one by one. If not,

don't blame me for killing them all.” , but clearly spread to every corner of the imperial city, revealing a heart-pounding majesty and domineering.

Chapter 1807

“People from the Earth Circle Continent, if you don't surrender, I will kill you all!” Yang Jian's cold voice spread throughout the audience.

Swish!

Hearing Yang Jian's words, Faye Wong's face became extremely ugly, her beautiful face had no previous pride and confidence, only fear.

How to do?

Do you want to lead the various sects to surrender?

At this moment, the other masters of the surrounding sects also lost the courage to continue fighting. They were ready to drop their weapons and surrender one by one. The disparity in strength between the two sides was too great.

“Yang Jian!”

However, at this moment, a cold voice suddenly came from the sky not far away, followed by a man who flew quickly.

It was Yue Feng.

However, at this time, Yue Feng had already used Yi Rongsan to dress himself up as Emperor Hou Yi.

What?

Yang Jian followed the voice and looked back. When he saw Yue Feng, he was shocked and almost fell off the roaring dog.

Emperor Hou Yi?

He... didn't he die suddenly? A day ago, I personally held a funeral for him, and watched him be buried in the corpse with my own eyes, how could he suddenly come to life?

I have to say that this kind of Yi Rong San is really a rare treasure in the world. When Yue Feng helped Zhu Bajie escape from the palace, he used this trick to deceive Chang'e. Now, even Yang Jian can't tell the difference.

Whoa!

At the same time, there was an uproar among the hundreds of thousands of Beiyang troops, but these soldiers were strictly disciplined and did not open their mouths to discuss, but they were all shocked.

Your Majesty...

Are you dazzled?

Is His Majesty not dead?

"Your Majesty!"

At this moment, Yang Jian reacted, twitched his Adam's apple, and said in disbelief, "You..."

He was interrupted by Yue Feng as soon as he uttered a word.

"Yang Jian, you are not too timid." Yue Feng used ventriloquism, imitating the tone of Emperor Houyi, and said coldly: "I just made a joke for you before, fake death, but you took the opportunity to seize the rank, you If you say it yourself, what should I be guilty of?"

Because he had learned from Emperor Houyi once before, Yue Feng had experience and his voice was exactly the same as Emperor Houyi.

puff.

This time, Yang Jian's body trembled, and he hurriedly knelt on the ground, sweating profusely, and said with sincerity and fear: "Your Majesty atonement, this minister has absolutely no intention of rebellion and treason, this minister ascends the throne only to stabilize the foundation of the imperial court, and at the same time to better investigate His Majesty's crimes. The cause of death, Your Majesty clearly sees it."

When he said this, Yang Jian was dripping with cold sweat.

For a moment, Yang Jian was still a little suspicious, but when Yue Feng made a sound, his voice was exactly the same as Hou Yi. The suspicion in Yang Jian's heart suddenly disappeared without a trace. Speaking of which, the prestige of the true monarch Yang Jian Erlang has spread all over the world. He is extremely arrogant and invincible, but he is the only one who is afraid of Hou Yi.

Swish, swish, swish!

At this moment, the army of hundreds of thousands of Beiying also knelt down at Yue Feng and shouted.

“See Your Majesty!”

“Long Live Long Live Your Majesty!”

Hiss!

Seeing this scene, Faye Wong and the masters of the various sects in the Earth Circle were stunned and gasped.

“This... what’s the situation?”

“Is this the Great Emperor Hou Yi? No, didn’t it mean that he suddenly died suddenly?”

Faye Wong and the masters of the major sects in Diyuang Continent were even more uneasy in their hearts.

Chapter 1808

Even the Great Emperor Hou Yi appeared, and if you, like yourself, rashly came to the imperial city to provoke him, wouldn’t the end be even worse?

call!

Seeing Yang Jian respectfully kneeling in front of him, Yue Feng felt indescribably happy.

Haha...

Majesty Erlang Zhenjun actually knelt down to himself, how dare he think about it before.

Secretly excited, Yue Feng cleared his throat with a serious face, and said to Yang Jian, “Yang Jian, hurry back to the palace and wait for my hair to fall.” After

speaking, Yue Feng put on a royal demeanor, directed at the army of hundreds of thousands of Beiying forces. He waved his hand: “All the soldiers have also worked hard. Hurry up and go back to the barracks.”

Ah?

As soon as these words came out, both Yang Jian and the princess were all stunned.

In particular, the sect masters of the Earth Circle Continent all looked at each other in dismay, inexplicably surprised. what happened? These people, rashly came to the Beiyang Palace to provoke, instead of being annoyed, Hou Yi withdrew his soldiers...

Faye Wong bit her lip tightly, looking up at 'Hou Yi' in mid-air, her eyes flickering faintly, the heart can not tell the complexity.

This Hou Yi, are you not going to care about it? I haven't heard of Hou Yi's relationship with the Earth Circle Continent. It's really confusing.

At this time, Faye Wong didn't know yet that the one floating in the air was not Hou Yi at all, but Yue Feng who pretended to be wearing makeup.

"Your Majesty."

At this moment, Yang Jian reacted, crouched on the ground and said anxiously, "These people from the Earth-round Continent have gathered in a crowd, and they don't care about our Northern Ying Continent, and they must not be spared lightly. , so, you can't retreat."

The words fell, and all the generals in the surrounding Beiyang army also said:

"Yes, Your Majesty, these arrogant people must not be tolerated."

"Kill them to shock our Beiyang prestige."

"Please, Your Majesty Issue the order to destroy these ignorant guys."

When the generals commanded you, and my plea came, Yue Feng suddenly frowned. Nima, these people from Northern Ying Continent, are quite loyal to Hou Yi.

Thinking to himself, Yue Feng sullenly scolded Yang Jian, "Yang Jian, you are so bold, as an emperor, do I need you to teach me what to do? Retire me." The

voice was not loud, but it was clear With coercive majesty. However, Yue Feng was stern on the surface, but deep in his heart, he seemed to be hanging a drain bucket, up and down. You know, the person in front of you is Zhenjun Erlang, the existence of Megatron Kyushu.

"Yes, Your Majesty." Yang Jian replied in a low voice, and retreated unwillingly.

Although Yang Jian did not see through Yue Feng's identity, at this time, he also felt that the 'Hou Yi' in front of him was a little different from before, and he secretly muttered in his heart.

what happened?

With His Majesty's temper, if another continent came to provoke him, he would have ordered an attack long ago.

However, His Majesty in front of him let the soldiers disband and return to the barracks. This is not the style of Hou Yi before. Could it be that...because of suspended animation, something went wrong with his brain?

Haha... Seeing Yang Jian retreating to the side, Yue Feng felt incomparably happy, and a smile appeared on his face.

It's really cool that the famous Erlang Zhenjun is being played around by himself.

Excited, Yue Feng looked around and scolded the hundreds of thousands of Beiyang troops: "Why haven't you disbanded and returned to the camp? Do you all want to resist the decree?"

"Om!" The

voice fell, and a powerful aura erupted from Yue Feng's body, sweeping towards the surroundings.

Puff, puff...

Feeling His Majesty's anger, the hundreds of thousands of troops, silent like a cicada, knelt on the ground one by one, not daring to take a breath.

At the same time, dozens of generals wiped the cold sweat from their foreheads, and responded in unison: "Follow Your Majesty's decree!" After the words

fell, these generals quickly got up and returned to the camp with an army of hundreds of thousands. Not one left.

Seeing this scene, Yang Jian couldn't be more anxious, but when he saw Yue Feng's cold face, he didn't dare to say anything, but the doubts in his heart became stronger and stronger.

What the hell happened to your majesty? It was obvious that he could annihilate the people of Earth Circle Continent in one fell swoop, but he gave up.

Chapter 1809

"Huh..."

Looking at the retreating Beiyang army, Yue Feng breathed a sigh of relief. Nima, finally fooled these Northern Ying soldiers away. The next second, Yue Feng was speechless when he saw Faye Wong and everyone still staying there.

Damn, these idiots, why don't you hurry up and leave after such a good opportunity, what are you doing there? Thinking to himself, Yue

Feng cleared his throat and shouted at Faye Wong and the others, "Listen to all of you from the Earth-round Continent, no matter what the purpose of your coming here is, I will not care, I will give you a chance."

Feng pretended to be very stern: "If there is a next time, I will never forgive me, let's go."
The

last sentence fell, and Yue Feng waved his hand in a big way.

This....

Seeing this scene, Faye Wong and many masters from the Earth Circle Continent were ecstatic, and kowtowed to Yue Feng to thank them.

"Thank you, Your Majesty."

"Thank you, Your Majesty, for not killing..."

"Your Majesty is virtuous, wise, and mighty. It's really admirable..."

In the sound of compliments, Faye Wong also knelt on the ground, facing Yue Feng kowtowed to thank him, his delicate body trembled, unable to hide the happiness and excitement in his heart.

Fortunately, Hou Yi is magnanimous, otherwise, people like myself would really take their lives here.

Soon, after kowtowing a few times, Faye Wong hurriedly greeted everyone, left quickly, did not dare to stay for a moment, and disappeared into the vast woods in the suburbs in the blink of an eye.

Ugh.

Seeing this scene, Yang Jian was in a hurry, feeling helpless and holding back his fire.

Today, the Kyushu Continent has communicated with each other for more than ten years. The Northern Ying Continent is very strong. Today, the Earth Circle Continent has taken the initiative to send it to the door, which is a great opportunity for the Northern Ying Continent to show its power.

But Hou Yi was easily wasted.

call!

Yue Feng breathed a sigh of relief, the big stone hanging in his heart finally fell to the ground.

Nima, it's finally done.

To be honest, pretending to be Hou Yi and angering Yang Jian, any one of them is a big crime of beheading. Yue Feng is not nervous, it is fake, and Yue Feng was worried at first that Yang Jian would resist the decree and insist on destroying the Earth Circle Continent. sect.

But it was unexpected that the plan went so smoothly.

“Your Majesty.”

At this moment, Yang Jian walked over slowly and said respectfully, “Those people from the Earth Circle Continent have already left, let your servant escort Your Majesty back to the palace.” After

speaking, Yang Jian lowered his head and continued. Said: “I have something to do, and I want to apologize. At that time, His Majesty suspended his death, and the minister saw the engraving on the jade platform in the secret room, and thought it was the Empress Chang'e, who had harmed His Majesty together with Zhu Bajie, so the minister took the liberty to imprison the Empress, and then, Niangniang escaped from prison again, and now she is nowhere to be found, please forgive me.”

After saying the last sentence, Yang Jian knelt down on one knee, his handsome face full of shame.

shit.

Hearing this, Yue Feng was stunned, and then he couldn't help but nodded in approval. As expected of True Monarch Erlang, not only is he extremely powerful, but he is also brave and brave, especially loyal to the Northern Ying Continent, which is really rare. With such a loyal subject, Hou Yi should also smile at Jiuquan.

Thinking to himself, Yue Feng raised his hand at Yang Jian and said with a smile: “The so-called, those who don't know are innocent, you can make such a decision, it shows that you are loyal to me, how can I blame you?”

“As for Empress, don't worry, I have already sent someone to look for it, so don't worry.” When he said this, Yue Feng's tone was gentle and his expression was very relaxed.

Uh...

Yang Jian froze there, staring blankly at Yue Feng, unable to regain his senses for a long time.

Is all this true? You are not dreaming.

Chapter 1810

Not only did he almost overpower Hou Yi's emperor, but he also put his woman, Chang'e, in jail, and he didn't blame him at all? It's understandable that Houyi doesn't care if she calls herself emperor, but Chang'e is different. She and Houyi have been together for thousands of years. They have a deep love and righteousness. You know, Houyi loves Chang'e, but it's a fact that everyone knows. However, when Chang'e was locked up by himself, Hou Yi was not angry at all.

This is so elusive.

At this moment, Yang Jian only felt that the 'Hou Yi' in front of him was very unfamiliar, so unfamiliar that he seemed like another person.

Could it be that...

he is not Hou Yi, but someone else pretending to be?

Suddenly, a bold idea flashed in Yang Jian's mind. As soon as this thought flashed, Yang Jian himself was startled, but thinking about it carefully, only this guess can explain the situation in front of him.

After all, this majesty in front of him is too abnormal. First, he let go of the people from the Earth Circle at will, and then he forgave his own mistakes.

If it was Hou Yi, those people from the Earth Circle Continent would have been wiped out long ago, and he had already been thrown into prison.

"Huh..."

Seeing Yang Jian staring at him without blinking, his eyes flickering constantly, Yue Feng suddenly had a bad idea.

Nima, this Yang Jian, won't doubt himself.

No, you have to find a way to get away quickly.

Thinking to himself, Yue Feng cleared his throat and said to Yang Jian seriously: "Yang Jian, it's all right here, you should step back quickly." After

speaking, Yue Feng turned and walked out of the city.

You have to hurry up, facing an existence like Yang Jian, the longer you stay, the easier it will be exposed.

At this time, Yue Feng didn't know, but Yang Jian was already suspicious.

"Your Majesty." Before taking two steps, he heard Yang Jian's eager voice: "Your Majesty, wait!"

Yue Feng stopped and looked back at Yang Jian, making a very displeased look: "Yang Jian, what else do you have to do? Do you want to play?"

"Your Majesty." Yang Jian and Yue Feng looked at each other and said slowly, "If Your Majesty goes back to the palace, you are going in the wrong direction."

As he spoke, Yang Jian looked at Yue Feng's expression.

Yue Feng was stunned for a moment, and said lightly: "Who told you that I am going back to the palace? I have been in the palace for a long time, and I want to go out for a walk."

Hearing this, Yang Jian hurried forward a few steps with a loyal look on his face: "Even so, please let your servants accompany him to protect His Majesty's integrity."

When he said this, Yang Jian's mouth evoked a faint smile.

At this time, Yang Jian had already determined that the Hou Yi in front of him was fake, because the real Hou Yi would never walk outside the palace alone.

"No!"

Yue Feng, too lazy to talk nonsense, responded lightly with two words, and turned to leave.

Whoosh!

However, at this time, Yang Jian's body flashed and blocked in front of Yue Feng. At the same time, the three-pointed two-edged sword was also tightly held in his hand.

At the same time, the roaring dog next to him, under the hint of Yang Jian, also stared at Yue Feng.

The atmosphere suddenly became solemn.

"Yang Jian." Yue Feng was shocked and angry, glaring at Yang Jian: "You are so bold, you dare to stand in my way, what do you want to do? Rebellion?"

When he said this, Yue Feng was so panicked.

“Your Majesty.” Yang Jian smiled slightly, neither humble nor arrogant: “How dare you, my minister, to block Your Majesty’s way, but there is a problem, I would like to ask Your Majesty for help.”
