

The ultimate husband in Chinese chapter 1841-1850

Chapter 1841 In the

blink of an eye, Yue Feng and Chang'e were surrounded.

Swish!

At the same time, all the guests in the casino box also focused on the two of them, and most of them focused on Chang'e.

beautiful!

So beautiful, is this a fairy descending to earth?

I have to say that Chang'e is worthy of being called the fairy of the Moon Palace by the world. Although she was very tired from running all the way, her delicate face and exquisite curves still showed a charming temperament, full of fairy spirit.

At this moment, whether it was the security guards or the guests, all the men in the box looked straight, and even a few of them kept swallowing their saliva and lost their souls.

A few seconds later, one of the security guards reacted and glared at Yue Feng and said, "Good boy, you are very bold. Not only do you dare to sneak into the VIP room to steal something? You also break into the bathroom and peep at the female guest?"

The security guard looked up and down . Yue Feng, looking at this kid's dress, it's not a good thing. This casino is the largest casino in Xuanye Continent. Near the casino, there are a lot of thieves. After a fierce battle before, Yue Feng was running all the way, and his clothes were dirty and rotten, so he was identified as a thief by the security guard. Looking at Chang'e, this woman looks like a fairy, and she must be a guest of the casino.

The security guard subconsciously thought that Yue Feng was a thief. Seeing Chang'e's beauty, he came to the bathroom to peep at her.

At this time, the guests around were also talking about it.

"This kid is not timid enough to sneak into this kind of place."

"The thieves are getting more and more lawless now."

"Let's teach you a lesson, blast it out, and don't interfere with our playing cards. By the way, do a search on him. , did you steal anything?"

Everyone looks at you, and when I say a word, they all think that Yue Feng is a thief.

This chapter is provided by . Visit for daily update.

Huh...

Seeing this scene, Chang'e couldn't help but feel relieved. This Yue Feng was smooth-spoken and cunning. Now he is being treated as a thief by these people. He will definitely teach him a lesson later. It's really great.

Squeak.

At this moment, hearing the movement of the box, the casino manager rushed in quickly with several bodyguards.

The manager is Wu Biao, about 30 years old, well-proportioned and slender, also a cultivator, Wuhou realm.

"What's the situation?" After coming in, Wu Biao asked with a cold face when he saw the situation in the box.

The leading security guard quickly explained the situation.

Knowing the situation, Wu Biao stared closely at Yue Feng and sneered: "Boy, we have caught him, how dare you talk back? Do you know where this place is? The first-class 'Black Tiger Casino' in Wanhai City, the boss It's business giant Li Heihu, Boss Li, who rushed to his place and didn't want to live you."

Nima.

Yue Feng was dumbfounded and speechless.

There are quite a few snobbish people in this world. These people think they are thieves just because they dress up. It's really interesting.

At the same time, Yue Feng was inexplicably surprised.

Haha...

It turns out that this is Wanhai City in Xuanye Continent, and the casino is still opened by Li Heihu, which is a coincidence.

Yue Feng clearly remembered that for thousands of years, in order to save the little fairy Erqing, he searched for the Panlong Jing, and asked Li Heihu to secretly arrange himself to go to Fang's house in Wanhai City, Xuanye Continent, as a personal bodyguard.

Now that a few years have passed, I never thought that I would come back through the teleportation array.

Thinking to himself, Yue Feng looked at Wu Biao and said lightly, "Are you the manager here? Let me tell you, we just happened to pass by here and didn't take anything here, and I'm not a thief, please speak with respect. "

Yue Feng is right, he and Chang'e really passed by here, but the way they passed, it was a little more special, and they were sent here.

US?

Chapter 1842

Hearing this, everyone present was stunned, looking at Yue Feng and then at Chang'e.

Are these two together?

Isn't it right, this kid is dressed so ordinary, at first glance he looks like a second-rate thief, but this woman is so beautiful, how could they be together?

"Haha..."

At this moment, Wu Biao chuckled, and then asked Chang'e politely, "Dear lady, do you know this kid?" Compared with Yue Feng, his attitude was completely different from the sky and the ground.

After all, how could such a beautiful woman meet such a person?

"I..." When

asked suddenly, Chang'e bit her lip lightly, shook her head and said, "I don't know him, I was just at my convenience, and this person suddenly came in."

Chang'e Bingxue is smart, seeing the atmosphere is not good, just immediately put aside the relationship with Yue Feng, and did not want to cause trouble to implicate himself. After all, his acupoints were blocked, let alone practitioners, even the security guards in front of him couldn't handle it.

More importantly, Yue Feng had been making jokes before, and Chang'e couldn't help it for a long time. Seeing Yue Feng being misunderstood at this time, Chang'e was very excited and wished Yue Feng was taught a good lesson.

"Boy?" After

receiving the answer, Wu Biao looked at Yue Feng with a hint of contempt at the corner of his mouth, and said coldly: "This lady has already said that she doesn't know you, and it proves that you sneaked in. Don't try to deny it."

Speaking, Wu Biao was too lazy to talk nonsense, and waved his hand: "Tie this kid."

Hula.

The voice fell, and several security guards rushed over directly.

Ugh.

Yue Feng shook his head secretly and sighed, then moved his wrists. These security guards had already made their words clear, and they had to be unhappy.

Yue Feng's current strength, a few small security guards did not pay attention to it at all.

Bang bang bang...

In the blink of an eye, before everyone present could see what was happening, they heard a few security guards grunt and fell to the ground one by one, curled up with pain on their faces.

Of course, knowing that these were all Li Heihu's people, Yue Feng didn't act ruthlessly.

hiss.

Seeing this scene, the guests in the entire box couldn't help gasping for air.

This kid looks like a fool, and the fight is so fierce?

Finally, Wu Biao reacted, took out his mobile phone, and yelled at Yue Feng: "Boy, whoever dares to touch Boss Li, you are dead today, don't run if you have any."

Yue Feng smiled slightly: "I Why are you running? You have to call someone, okay, I'll wait for you, it's better to call your boss."

Saying that, Yue Feng walked over and sat on the sofa with a thorny look like an uncle.

Huh..

Seeing this scene, everyone around was stunned, and then many people shook their heads secretly.

This kid is crazy!

However, after provoking Li Heihu, I am afraid that he will not be able to eat and walk around. After all, Li Heihu has been a popular figure in Wanhai City in recent years.

“Okay, there is a kind!”

Wu Biao was stunned for a moment, then grinned, then took out his mobile phone and made a direct call: “Boss Li, someone is making trouble in the box...and a cultivator....Yes, Better to send more people here, and, he said, better to call you.”

“What? Who is that crazy? You want to see me? Wait, I’ll come right over.” On the other side of the phone, Li Heihu heard Wu Biao’s words, and he was furious! Special code, who dares to make trouble in their own land?

Chapter 1843

“Boy!”

At this time, Wu Biao hung up the phone and looked at Yue Feng coldly: “It’s too late to run now, don’t cry when Boss Li comes.”

Yue Feng looked leisurely and lightly Laugh without saying a word.

Chang’e, who was next to her, was a little anxious. She came over and said softly: “Yue Feng, why don’t we hurry up? The Boss Li she mentioned seems to be very powerful.” The voice was very small and small, only Yue Feng could hear.

Speaking of which, Chang’e originally planned to use the people from the casino to teach Yue Feng a lesson, but the security guards were so weak that they didn’t even touch Yue Feng with a finger.

However, Chang’e could also guess that the boss Li they were talking about was a very powerful person. No matter how powerful Yue Feng was, it was impossible for him to be unscrupulous on other people’s sites.

However, Yue Feng did not hear the same thing and did not move.

Seeing Yue Feng’s seemingly impeccable appearance, Wu Biao couldn’t help sneering secretly.

Is this kid still pretending? Waiting for Boss Li to come, there are you to look good.

“Boom!”

At this moment, the door of the box was pushed open, and a man walked in quickly, wearing a casual suit, his imposing manner was Li Heihu!

Behind Li Heihu, there were more than a dozen men in black, all in Tang suits, with gloomy faces and tyrannical aura.

As the business became bigger and bigger, Li Heihu no longer hired ordinary people as bodyguards, but specially invited some cultivators to protect his safety.

Sure enough, as soon as Li Heihu arrived, all the guests in the box panicked, and quickly got up to say hello, each with a more polite attitude.

Li Heihu was full of anger, looked around, and roared: "Mad, who dares to run wild in Laozi's place? Is it too long? Who is it? Get out of here!"

Because Yue Feng was sitting on the sofa, There are so many people around, so Li Heihu hasn't seen him yet.

Seeing the boss coming, Wu Biao immediately relied on his confidence, pointed at Yue Feng and shouted, "It's this kid." With that, Wu Biao's inner strength exploded and he punched Yue Feng directly.

Being able to be a manager under Li Heihu, Wu Biao is smart and clever. When he saw Li Heihu coming, he was eager to perform.

Swish!

At this moment, Li Heihu followed his gaze and saw that it was Yue Feng, Li Heihu trembled, almost not scared to pee on the spot.

This .. special code, Wu Biao, the person who wants to teach a lesson, is actually Brother Feng? !

Li Heihu fell down in a cold sweat. He was a person who repaid his gratitude. He was not Yue Feng back then, and he would not have what he is today. Especially in these years, his business has grown bigger and bigger, and he can't forget Yue Feng's back then. support.

But now, Wu Biao, who doesn't have long eyes, wants to move Brother Feng? What's even more irritating is that he even moved himself out to help. Is he trying to kill himself?

"Crap you, stop!"

Seeing that Wu Biao's punch was about to hit Yue Feng, Li Heihu rushed over and grabbed Wu Biao's arm. cursed. Although Li Heihu is very rich now, he still can't get rid of the habit of being a gangster at the time. Moreover, Li Heihu has also begun to cultivate over the years. Although his strength is not as high as Wu Biao, it is still no problem to stop Wu Biao.

“Boss...you...”

Wu Biao was stunned, looking at Li Heihu's words in surprise, but he was interrupted by Li Heihu as soon as he said three words.

“Snapped!”

The next second, Li Heihu slapped Wu Biao's face without warning!

This slap, almost exhausted all his strength, only to hear Wu Biao groan, the whole person turned around in place, and finally sat on the ground.

Wu Biao covered his face, his face full of puzzlement: “Boss! It's this kid who made trouble in the box and beat our security guard just now... You... how did you hit me...”

Not only Wu Biao, Everyone present was stunned!

This... what's the situation? Isn't Li Heihu Wu Biao's boss? How do you turn your face away? He moved his hand directly.

Chapter 1844

“Did you screw you, you want to kill me?!” The more Li Heihu thought about it, the more angry he became, and he was a big mouth at Wu Biao. Push him to the ground, kicking him constantly.

While kicking, Li Heihu yelled at Wu Biao: “You idiot, how did Lao Tzu teach you? In business, don't judge people by their appearance, let alone offend customers at will...”

“Boss!”

Wu Biao shouted unwillingly , with red eyes: “Boss, I did exactly what you taught me, and this kid is not a guest at all, but a ninth-class guy who sneaked in...”

Li Heihu trembled with anger, pointing at Yue Feng said: “Nine-class people? Blind your dog's eyes. Do you know that without this person, there is no me now! He is the hero of the Earth Circle, my benefactor of Li Heihu in this life! He It's the Tianmen Sect Master Yue Feng and Yue Wudi! You dare to call him a ninth-rate jerk, I will kill you today, will you be mad at you!”

What? !

At this moment, the whole box was silent!

Wu Biao is already completely stupid. He has not grown up with Li Heihu. He was only promoted in recent years, but he often hears from the boss that before he became the

boss, Li Heihu was very down and out. Later, he was a man named Feng Ge. Pulled Li Heihu.

Wu Biao at this time! I never dreamed that this poor and sour guy turned out to be Brother Feng, the benefactor Li Heihu said.

What's more, this brother Feng is even more famous in Kyushu, and everyone knows Yue Feng.

This...

At this moment, Chang'e is also stupid!

At this moment, her legs felt weak, and her delicate body couldn't help but take two steps back.

She thought that when this Boss Li came, Yue Feng would be very miserable, but at this time, she saw that this respected business man was standing in front of Yue Feng with a respectful face!

How could this be? Isn't this kid just a scumbag? Do you have such patience?

Chang'e has lived in the northern mainland for a long time and rarely travels far. She knew that Yue Feng was famous in other continents, but she always thought it was just a rumor, but she never thought that Yue Feng's name would be so loud.

Come to any place, the local big bosses are so respectful to him.

It was so shocking.

wow.

At this moment, the others in the box were also in an uproar, looking at Yue Feng, speechless in shock.

Yue Feng? Is this person Yue Feng?

At a young age, he created a sect, the hero of the Earth Circle?

"Brother Feng!"

At this time, Wu Biao reacted, almost crying, and kept bowing to Yue Feng to apologize: "Brother Feng, I was wrong, it's because I have eyes and don't know Mount Tai, you are a lot..."

Hehe. ..

Looking at Wu Biao, who was sweating coldly, Yue Feng's mouth twitched, but he smiled without saying a word.

broken.

The more Yue Feng was like this, the more panic Wu Biao felt. When it was over, he offended the boss's benefactor. Looking at the situation, he would not forgive himself lightly.

The next second, when Wu Biao saw Chang'e, he immediately patted his head and shouted to Li Heihu, "Boss, this is the beauty just now, saying that Brother Feng is a thief, there must be something wrong with her!"

Since Yue Feng is the boss's honored guest, That can't be a thief who slipped in, and although this woman is beautiful, she has never seen it before, so there must be something wrong.

call!

Hearing this, Li Heihu took a deep breath and looked at Chang'e up and down: "Who are you? Why are you here? If you are a member, please show your VIP card." To

be honest, Li Heihu was also surprised by Chang'e's beauty. Arrived, but Li Heihu is a smart man, and quickly regained his composure.

Chapter 1845

"I..."

Facing Wu Biao and Li Heihu's questioning, Chang'e was inexplicably panicked, her delicate body trembled, and she shook her head and said, "I...I just passed by here, I don't have a VIP card!" The

VIP card is what? The pass token for this place?

Although she has lived for thousands of years and has a lot of knowledge, it is the first time Chang'e has come to a modern society, and it is the first time she has faced such a thing. In addition to doubts, she is also nervous.

"Don't have a VIP card?"

Wu Biao's eyes were red, and he suddenly gained confidence. He pointed at Chang'e and roared loudly: "It took a long time for you to sneak in, such a hateful woman, if it weren't for you, How could I offend Brother Feng! I tell you you don't want to leave today." As he

spoke, Wu Biao secretly watched Li Heihu's reaction.

Li Heihu also had a gloomy face, looked at Chang'e, and instructed the surrounding men: "What are you still doing? Leave this woman and interrogate her well, why did she sneak into the VIP room."

Om!

At this moment, Chang'e's beautiful face was instantly bloodless!

Chang'e bit her lip tightly, shocked and angry, this Li Heihu is not easy to offend at first glance, if he is caught, he will definitely be waiting for endless humiliation! You are the dignified fairy of the Moon Palace, how can you be arbitrarily done by these people?

"Yue Feng..."

Seeing the bodyguards getting closer and closer, Chang'e's tender body trembled, bit her lip, and hurriedly walked to Yue Feng, pulled one of his arms, and said softly, "You... Tell them quickly, we are together, our own..." The voice was so small that only she and Yue Feng could hear it.

Ha ha...

Hearing this, Yue Feng felt so relieved that he could let Chang'e, who is aloof, put down his posture. There are not many such opportunities.

However, just softening his attitude is not enough.

Thinking to himself, Yue Feng deliberately raised his head and said slowly: "Is it my own? Who said that you don't know me just now?"

"Yue Feng!" With a blushing face, he lowered his head and said, "I'm wrong, okay?" When the last sentence was uttered, the voice was even lower, and if you didn't listen carefully, you couldn't hear it at all.

At this time, Chang'e never dreamed that one day she would apologize to this troublemaker! He didn't even expect that His Majesty, His Majesty, the mother in the world, would become so servile in front of this troublemaker!

Yue Feng lazily sat back on the sofa with a condescending attitude.

Seeing the scene in front of him, Li Heihu stopped a few of his subordinates, and then looked at Chang'e and said politely, "This lady, are you and Brother Feng together?"

Li Heihu is a smart person, and it was immediately obvious that Yue Feng not only I met this beautiful woman and deliberately teased her.

However, in order to be cautious, Li Heihu has to confirm.

“Well, together.” Chang’e responded quickly. His face was calm, but there was a bit of urgency in his eyes.

Oh.

Li Heihu was stunned, and then smiled: “Since it’s my own, then it’s fine.”

This woman is as beautiful as a fairy, maybe she is the future sister-in-law Feng, how dare you offend.

Phew...

Hearing this, Chang’e relaxed and breathed a sigh of relief at the same time.

It’s finally all right.

“Li Heihu.”

However, at this time, Yue Feng took a cigarette from the coffee table, lit it, and said slowly, “I haven’t seen you for a few years. Are you doing things so casually? Don’t ask me what is the relationship between this woman and me, Just relying on one sentence of understanding, it’s all right? So sloppy, how did you become the boss?” When

he said this, Yue Feng looked at Chang’e with a smile, with a bit of pride in his eyes.

The ultimate husband in Chinese chapter 1846-1850

Chapter 1846

Originally Yue Feng didn’t want to embarrass Chang’e, but made her look down on herself all the time? This time, I used Li Heihu to tease her.

Uh...

Li Heihu is a smart person, how could he not know that Yue Feng was joking on purpose? He was stunned at first, and then he deliberately lowered his face.

The next second, Li Heihu said coldly to Chang'e: "Ms. Feng, Brother Feng is right, this matter can't be fooled like this. You said that you and Brother Feng know each other, so what is the relationship between you two?"

"I ..." Chang'e bit her lip tightly, tangled in an instant.

Yes, what is the relationship between you and Yue Feng?

say friends? In his heart, he is not worthy.

But if it doesn't matter, Boss Li in front of him will definitely not let him go.

At this moment, Chang'e bit her lip. If it was normal, who would dare to speak to herself like this? But now there is no way, the acupuncture points are blocked, and I can't exert any inner strength...

Haha...

Seeing this scene, Yue Feng's heart is very happy.

Chang'e, who prided herself on being aloof, would never have thought that she would have such a difficult day.

Muttering in his heart, Yue Feng dropped the cigarette butt, stood up and smiled at Chang'e: "Okay, wife. Just kidding with you, you should take it seriously, Li Heihu is his own, so don't be so restrained in front of him, our Relationship, just say it directly, don't be embarrassed."

"Wow!"

As soon as these words came out, all the men present were extremely envious.

This chapter is provided by . Visit for daily update.

This Yue Feng is so beautiful, and such a beautiful woman is actually his wife?

Li Heihu also hurried to accompany the smiling face, and said politely to Chang'e: "Aiya, it turned out to be my sister-in-law. Misunderstandings are all misunderstandings. Don't take offense, sister-in-law."

Shah!

Chang'e's face turned red all of a sudden, and she ignored Li Heihu, her delicate body trembling.

In the next second, Chang'e glared at Yue Feng, stomping her feet angrily: "Shut your stinky mouth, stop talking nonsense, who... who is your wife?"

This Yue Feng was too bold, and even took the opportunity to occupy himself Cheap?

Ugh!

Hearing this, Yue Feng sighed softly, and then gave Li Heihu a meaningful look.

This Chang'e was so arrogant, she had to scare her.

Li Heihu has been in the shopping mall for a long time, and has long been a person. How could he not know what Yue Feng meant, his face suddenly turned cold, and he said coldly to Chang'e: "What? It's not a sister-in-law. If that's the case, then take it down and interrogate it. Is it a spy sent by another casino?"

"Yes!" The voice fell, and the surrounding bodyguards suddenly gathered around.

Chang'e was frightened, hid behind Yue Feng, and whispered, "Yue Feng help me..."

Before she could finish her sentence, she was interrupted by Yue Feng.

"You have nothing to do with me at all, how can I help you?" Yue Feng looked at Chang'e with a smile, his eyes full of sly smug: "I tell you, this Boss Li is a ruthless character, and very lustful, if he Knowing that you are the Moon Palace Fairy Chang'e, I will definitely take you as my own. I said just now that you are my wife, and I just want to help you again. Because Boss Li is very loyal, knowing that you are my wife, he will not dare to make mistakes. It's a pity that you don't appreciate it, and you said that I took advantage of you, sigh..."

"Then... I'll admit it." Chang'e's jade hand was tightly clasped, her palms sweating.

The next second, Chang'e tilted her head to look at Li Heihu and said, "I am indeed Yue Feng's wife... I was just playing with him." When she said this, Chang'e's beautiful face was extremely blushing. All her dignity, all her self-respect, was left behind.

"Haha..."

Li Heihu nodded with a smile: "So it's a joke? It's okay, sister-in-law, don't be nervous, haha..."

Chapter 1847

Hearing Li Heihu's sister-in-law, Chang'e stomped her feet angrily, took Yue Feng's arm, and whispered, "Yue Feng, let's go quickly." Her majesty, Her Royal Highness,

was forced to reluctantly admit that she was with Yue Feng. The wind has something to do with it, it's a shame.

Taking advantage of these people, who still don't know their identity, it's better to leave quickly.

Um!

Yue Feng responded, and then said lightly, "However, what did you just call me?"

Having said this, Yue Feng licked his ears and looked at Chang'e with a smile.

Feeling the playfulness in Yue Feng's smile, Chang'e's delicate body suddenly trembled. How could she not know what Yue Feng meant.

"Hu... husband." Zhao Lu bit her lip tightly and whispered.

Her face was already flushed red. To be honest, in her heart, Yue Feng had always been a shameless swindler. I gave up all my dignity, and I still called my husband!

"Husband doesn't sound friendly. Since you have come to Xuanye Continent, just follow the local customs and call my husband." Yue Feng said with a smile.

"You..."

Chang'e was so angry that she looked at Yue Feng with shame and anger, almost speechless.

This Yue Feng is really getting bolder and bolder. It's not enough to call her husband, so she has to call her husband?

At this time, Chang'e could not wait to kill Yue Feng immediately, or turn around and leave. But seeing the crowd around Li Heihu, Chang E bit her lip and held back.

A few seconds later, Chang'e adjusted her mood, lowered her head and whispered to Yue Feng, "Husband..."

Haha...

These two words were shouted softly and magnetically. Hearing Yue Feng's whole body becoming numb, being called her husband by Chang'e, this was something that was put in the past, but it was something that I didn't dare to think about, but now, it's really happening. .

It was so cool.

“Brother Feng!”

At this moment, Li Heihu came over and said with a smile: “I haven’t seen it for a few years. I will find a place to arrange it in the evening so that Brother Feng and sister-in-law can take care of the wind and wash the dust.”

When he said this, Li Heihu had a sincere expression on his face.

Yue Feng shook his head with a wry smile: “No, no, I still have something urgent to do. You should be busy with you. Next time we have a chance, let’s sit back and relax.”

Uh...

Li Heihu is very helpless , nodded with a smile, and then ordered Wu Biao: “Quick, go and prepare the car, no matter where Brother Feng goes, be sure to escort him.” After the words

fell, Li Heihu and Yue Feng said goodbye and left.

Yue Feng shook his head with a smile, this Li Heihu really thought about everything.

Later, under the escort of Wu Biao, Yue Feng took Chang’e and walked out of the box quickly.

Outside the box is a VIP room. At this time, thousands of people were gambling in the VIP room. As soon as Yue Feng came out, from a distance, he saw two familiar figures in the crowd.

These are two sexy women, one of them is wearing a long purple dress, with an extremely sexy body and suffocating beauty, but they feel very cold and arrogant, and they just watch from the side without playing.

The other, wearing jeans and a white t-shirt, is indescribably sweet and moving, very unrestrained, and is making bets with the people around him.

It is the sisters of the Fang family, Fang Zhiqiu and Fang Ting!

Ha ha...

Seeing this scene, Yue Feng showed a smile and was very emotional.

What a coincidence, I didn’t expect to meet this pair of sisters here. Yue Feng still clearly remembers that a few years ago, in order to save the little fairy, he came to Xuanye Continent and served as bodyguards for the two young ladies of the Fang family. The place where he saw the sisters was in the casino.

Chapter 1848 But I

didn't expect that when we meet again, it's still a casino.

It was so interesting.

In his heart, Yue Feng was about to take Chang'e away. The most important thing now is to go back and find Xuan'er and Zhu Rong. How can there be time to catch up with the Fang sisters.

Besides, when I stole the Panlong Jing from their Fang family back then, how could I be so embarrassed to see the Fang family sisters again.

At this time, Fang Ting was busy gambling, and did not notice Yue Feng. Fang Zhiqiu, who was sitting there, looked at Yue Feng!

"Yue Feng?"

"Stop!"

Before taking two steps, there was a coquettish shout from behind. Yue Feng stopped and looked back, only to see Fang Zhiqiu stepping on high heels and chasing after him, with a beautiful face. up, full of frost.

"Wow!" The

movement attracted the attention of everyone around, and they all turned their attention to the excitement.

At this time, Fang Ting also saw Yue Feng, and her body was shocked, and then she walked over quickly and said, "Wow, Yue Feng, you still dare to come to Wanhai City!"

Fang Ting said this, A puffed up look, very charming and cute.

Yue Feng was immediately amused and looked at Fang Ting with a smile: "Oh, isn't this the two young ladies of the Fang family? It's been a long time, but the second lady doesn't seem to like me very much, so why don't I dare to come here? "

Don't get close to me." Fang Ting snorted, without any nonsense: "Hurry up and hand over our fake Coiling Dragon Spirit." The voice was not loud, but there was no doubt.

"Hula!"

In an instant, several bodyguards in black suits walked out quickly, looking at Yue Feng eagerly, as if they wanted to do something at any time.

yo?

Feeling the strength of several bodyguards, Yue Feng did not panic at all, but secretly laughed.

It seems that after he left Xuanye Continent before, the Fang family has given this sister a new bodyguard, and there are more than one, but this strength is just average.

If you really want to make a move, Yue Feng can easily do it.

However, Yue Feng will not shoot, after all, this is Li Heihu's chassis.

At this time, seeing that the atmosphere was not good, Wu Biao hurried out and smiled at Fang Ting: "Second Miss Fang, we have something to discuss. This is our Boss Li's VIP, please don't be impulsive."

When he said this, Wu Biao had a smile on his face, but his tone was very firm.

I offended Brother Feng just now, so there must be no problem this time.

Fang Ting frowned. You must know that Li Heihu has been a well-known figure in Wanhai City in the past few years.

Fang Ting glanced at Wu Biao: "I don't care what his relationship with your boss is. Today, Miss Ben, I have to take him away." The

Panlong Jing is a treasure handed down to the Fang family and must be brought back no matter what.

Wu Biao was in a hurry and was about to speak, but was stopped by Yue Feng.

"It's alright, I'll handle it myself." Yue Feng whispered to Wu Biao with a relaxed and confident face.

The next second, Yue Feng smiled at Fang Ting and said, "Second miss, how can I tell you? The Panlong essence is not on me, even if you take me back to Fang's house, you won't be able to get it. It's better than this, I have something urgent to do now, you let me go first, and when I am free, you must come to visit, how?"

When he said this, Yue Feng's face was sincere, but his eyes were wandering, not looking at Fang Ting.

After getting the Coiling Dragon Essence back then, Yue Feng used it for the little fairy, so the Coiling Dragon Essence had long since ceased to exist, and Yue Feng could not get it out at all.

Chapter 1849

“No way!” As soon as

Yue Feng finished speaking, Fang Zhiqiu, who had been silent, spit out two words coldly, unable to refute: “Yue Feng, you must go back to Fang’s house with me today, and give us Panlong. Essence!”

This Yue Feng is not only strong, but also very cunning, I finally met him today, and must not let him go.

For a time, the atmosphere suddenly became solemn.

Seeing this scene, Chang’e frowned, secretly anxious.

It’s really a wave of unresolved waves. I just solved the misunderstanding in the box, and now I just came out and encountered trouble again.

This Yue Feng is really a broom star, he is really unlucky to follow him.

Thinking to herself, Chang’e couldn’t help but glared at Yue Feng.

“Then what do you want?” At this time, Yue Feng looked at Fang Zhiqiu with a wry smile: “Miss, I can’t get the Panlong essence for the time being, it’s useless for you to stop me, I said it just now, in the future If you are free, I will visit again, how about?”

“Two options.” Fang Zhiqiu’s delicate face did not fluctuate at all, and said coldly: “Either, you can find a way to hand over the Panlong Jing, or you can follow us. Take a trip. You don’t have a third option.”

Damn.

Hearing this, Yue Feng was angry and funny, raised his eyebrows at Fang Zhiqiu and said, “Even if I go with you, you won’t be able to get the Panlong essence for the time being, why? Take me home in such a hurry. Want to recruit a son-in-law?”

At this time, Yue Feng was impatient.

Why can’t these two Miss Fang family make sense?

“you...”

Fang Zhiqiu blushed and stared at Yue Feng, her red lips slightly parted but she didn’t know how to refute. I never thought that Yue Feng, the dignified Heaven Sect Sect Master, the hero of the Earth Circle Continent, would speak so impolitely.

Whoa!

At the same time, everyone in the casino was in an uproar, looking at Yue Feng with incomparable admiration.

Niu, worthy of being a well-known figure in Kyushu, how dare to talk to the eldest miss of the Fang family like this. "Yue Feng!" At this moment, Fang Ting said

angrily: "Stop smiling, my sister has already stated the conditions. If you don't cooperate, don't blame us for being rude."

Ting winked at several bodyguards. Suddenly, several bodyguards took a step closer and surrounded Yue Feng.

Hehe...

Yue Feng didn't panic at all, smiled and said, "I want to do it, but what do you think your chances of winning are?"

Fang Ting blushed and was speechless for a while.

Yes, although there are many people, but Yue Feng's strength is very strong, these bodyguards are afraid that they can't get close to him.

call!

At this moment, Fang Zhiqiu calmed down and looked at Yue Feng coldly: "Yue Feng, I know you are very strong, well, when you start, you can go all out, and we have nothing to say if we lose. It can be said, but when you leave, I will spread your character." After speaking

, Fang Zhiqiu made a look of indifference, and continued: "Our Fang family, in Kyushu, does not have much reputation. It doesn't matter if you are embarrassed, but what about you? The dignified Tianmen sect master, the hero of the Earth's Round Continent, if you let others know that you lied to our Fang family's Panlong Jing, don't pay it back if you are a scoundrel, and even beat people. When the time comes, you say What should the rivers and lakes of the Kyushu continent think of you?"

I'll go!

Hearing this, Yue Feng was stunned for a moment, staring blankly at Fang Zhiqiu, speechless.

This Miss Fang is amazing, she actually knows how to use public opinion to put pressure on her.

Because Fang Zhiqiu was right, he did use disgraceful means to take away the Coiling Dragon Spirit.

For a time, Yue Feng scratched his ears and scratched his cheeks, not knowing whether to laugh or cry, feeling depressed.

“You two!”

At this moment, Chang’e finally couldn’t bear it anymore, walked out slowly, looked at the sisters and said, “You said, Yue Feng took away your family’s Coiling Dragon Spirit?”

Fang Zhiqiu and Fang Ting said to each other. Glancing at him, he nodded.

Chapter 1850

Chang’e continued: “Well, let us leave for now, and when Yue Feng is free, I will let him visit and return the Panlong Jing, how about it?” After

speaking, Chang’e continued: “If you If you don’t believe him, I can testify.”

As the fairy of the Moon Palace, Chang’e naturally knew what the Panlong Jing was. However, in the eyes of others, the Panlong Jing was a treasure that could not be found. That said, it’s just an ordinary external thing.

After all, there are a lot of rare treasures in the Jizo Pavilion in the Beiyong Palace. If you take out any one, it is a treasure of heaven and earth.

Um?

Hearing this, the two sisters were stunned, and the beautiful faces were more exciting than the other.

Fang Ting couldn’t help laughing: “It’s interesting, you’re here to testify? Why should I believe you?”

Fang Zhiqiu nodded and said, “Yes, we don’t know you, why should we listen to you? You are Who?”

Huh!

At this moment, the eyes of everyone present were focused on Chang’e’s body, all of them were overwhelmed by Chang’e’s beauty, and at the same time, countless greetings rose in their hearts.

What an alluring beauty.

But, who is she and what is her relationship with Yue Feng? Why help Yue Feng?

I?

Chang'e smiled lightly, ignoring everyone's gaze, but looked at Fang Zhiqiu, and said softly, "My name is Chang'e, and the world is honored as 'Fairy Moon Palace', I'll testify, no problem."

When she said this, Chang'e's face There was not much fluctuation, but there was a bit of pride in his eyes.

To be honest, Chang'e didn't want to worry about Yue Feng's business, but she didn't know anything about the environment in front of her, so she could only rely on Yue Feng.

More importantly, Chang'e was in a hurry to return to the Northern Ying Continent to clear her suspicions, so she could only help Yue Feng escape.

Yue Feng can't go, isn't he trapped?

What?

In an instant, the entire hall exploded.

"Chang'e?"

"I heard it right, she is the Moon Palace Fairy?"

"That's a fairy-like existence, and she is actually with Yue Feng? Just kidding..."

Everyone said your words, and my words came, all heard It's astonishing.

Even the Fang Zhiqiu sisters looked at each other and couldn't believe it.

After all, Chang'e is a legendary beauty who doesn't eat human fireworks. How could she appear here? More importantly, he was still with Yue Feng.

call!

Seeing that everyone didn't believe it, Chang'e sighed softly, took out the Xingyue Sword with her jade hand, and slowly swung it. Although Chang'e had no inner strength at this time, she was still wielding the Xingyue Sword with a graceful posture. Sprinkle to make Chang'e more sexy and charming.

hiss.

Seeing this scene, there was an uproar in the audience, and everyone's eyes were straight.

"Is this...is it the Xingyue Sword?"

"It is said that this sword was given to Chang'e by Hou Yi, and it is precisely because of this sword that Chang'e was called the Fairy of the Moon Palace."

"So, she It's really Empress Chang'e, no wonder Mei is so thrilling."

During the discussion, the sisters Fang Zhiqiu and Fang Ting were also dazzled and their delicate bodies trembled.

Just now, Chang'e had no evidence, and the sisters did not want to believe her words.

Then, once the Xingyue Sword is taken out, who would dare to doubt it?
