

The ultimate husband in Chinese chapter 1861-1865

Chapter 1861

Han Bing looked at Zhou Qin and said coldly: "Did you not expect it? Let me tell you, when the old master was passing on your immortal scriptures, in order to prevent you from going back on your word, he kept a hand and deliberately did not pass it on. I learned a few formulas from you, so the immortal scriptures you practiced are incomplete, and what I cast is the real immortality scriptures."

What?

Hearing this, Zhou Qin's delicate body trembled, as if she had been slapped invisibly, and her face was extremely pale.

In the next second, Zhou Qin reacted and shook his head back and said, "No...it's impossible..."

This Han Bing must have said this on purpose, in order to disturb his state of mind.

Thinking to herself, Zhou Qin bit her lip tightly, and said tenderly, "Little evil, stop talking nonsense, and die." When the words

fell, Zhou Qin clenched his long sword tightly, like a spirit snake, and stabbed the ice again.

Frost did not panic at all, and went up to meet him.

Dang dang dang...

Zhou Qin and Han Bing's long swords kept colliding, making loud noises, and the two of them still cast the indestructible scripture at the same time. At first, Zhou Qin was very confident, but after a few rounds, he became It doesn't feel right.

Every time they fight, the two have the same skills, but the power of the ice burst is obviously much stronger than Zhou Qin.

At this moment, Zhou Qin believed what Han Bing said.

His own immortal scriptures are indeed incomplete.

Swish.

Realizing this, Zhou Qin's face suddenly became extremely ugly, as if he had been greatly humiliated, and his angered body kept trembling.

This chapter is provided by . Visit for daily update.

The dignified leader of the martial arts alliance, and even the goddess of frost, who has been famous for many years, Han Ao Ran is not his opponent. How could he be deceived by an old man who has been imprisoned for thousands of years? How can you bear it?

It's just that the inextinguishable scriptures that he cultivated are incomplete, and he can't beat the ice at all.

This is how to do?

Frightened and anxious, Zhou Qin accidentally saw Yue Wuya, and suddenly had a flash of inspiration.

The next second, Zhou Qin shouted at Faye Wong: "Faye Wong!"

As Zhou Qin's confidant, how could Faye Wong not know what she meant? Immediately he nodded understandingly.

"His Royal Highness, I'm sorry." Faye Wong shouted, raising her jade hand and calling directly at Yue Wuya.

Nima!

Yue Wuya's attention was always on Bingbing. He didn't expect Faye Wong to sneak attack. His face changed, and he wanted to dodge, but he couldn't use his inner strength. Where can he escape?

"Bang!"

This palm hit Yue Wuya firmly, only to hear a muffled groan, Yue Wuya flew out directly, flew a dozen meters away, landed heavily outside the hall door, and sprayed a mouthful. Blood came out.

To be honest, Faye Wong's raid was just to distract Han Bing, so she only used three layers of internal strength. If she burst out with all her strength, Yue Wuya would have no internal strength to resist, and I was afraid that she would be dead.

"Brother Wuya."

Seeing this scene, Han Bing's delicate body trembled, she couldn't help exclaiming, and tears welled up.

Swish!

Immediately afterwards, Han Bing's eyes locked on Faye Wong, and she shouted: "Faye Wong, you dare to attack Brother Wu Ya, I can't forgive you." The

voice fell, the ice flew up, and the long sword surged with a sharp breath, directly Towards Faye Wong.

"Master..."

Feeling the powerful aura contained in this sword, Faye Wong's body trembled, her face pale, and she couldn't help calling Zhou Qin for help: "Master, save me..."

Faye Wong's tone was all in panic. trembling.

This ice, in just a few days, her strength has grown by leaps and bounds, even the head Zhou Qin can't suppress her, how can she be an opponent?

Chapter 1862

"What are you afraid of?" Zhou Qin responded coldly. The next second, she took out a green and sparkling flute from her body. It was the Cui Xian flute.

She had been suppressed by Bingbing before and had no time to use Cui Xiandi. Now Faye Wong had attracted Bingbing's attention, and Zhou Qin immediately seized the opportunity.

Seeing Zhou Qin take out the Cui Xian Flute, the strong men of all sects present didn't have time to think, and quickly covered their ears.

Everyone has experienced the power of the Cui Xiandi, and they all know how terrifying it is.

In the next second, Zhou Qin stimulated his inner strength to inject the flute, and at the same time put the flute to his mouth and played it gently.

"Wooooo..."

In an instant, a quiet and euphemistic flute sounded.

hum!

When the flute sounded, I saw a powerful wave that spread wildly around! In the air, layers of rhythm ripples are instantly formed!

At this time, Han Bing was almost in front of Faye Wong, but when he felt the fluctuation, his delicate body trembled, and his delicate face was full of surprise. After

hearing the sound of the flute, Han Bing only felt dizzy and almost stood there. Unsteady!

Not only that, but the inner strength of the dantian seems to be suppressed!

call!

At this moment, Han Bing stopped there, staring at Zhou Qin in awe, incomparably shocked inside.

This... what kind of flute is this? The sound of the blowing is so terrifying?

When did Zhou Qin have such an artifact?

call...

Seeing that Han Bing was successfully disturbed by the rhythm of Cui Xiandi's dantian, Zhou Qin finally showed a smile. While Han Bing was flustered, Zhou Qinyu raised his hand and hit Han Bing with a palm!

The speed of this palm was too fast, and Han Bing was affected by the rhythm and could not escape at all. At that time, in a desperate situation, he could only use his internal strength to greet him with one palm.

boom!

The two palms touched each other and made a dull vibration. At this moment, Han Bing's delicate body retreated several steps, and her face was instantly ugly!

Although Han Bing has learned all the indestructible scriptures and can suppress Zhou Qin in terms of skills, the inner strength of his dantian is not much inferior. !

"You..."

Han Bing only felt stuffy in his chest, stabilized his figure, looked at Zhou Qin in shock and anger, his face was full of unwillingness.

Zhou Qin was so shameless this time, she even ordered Faye Wong to sneak up on Brother Wu Ya to divert her attention.

"Haha..."

Zhou Qin sneered with a smug look on her face, looking at Han Bing and mocking: "What if you know all the inextinguishable scriptures? In the end, it didn't fall into my hands, and the little evil species dared to follow me. Dou, you are still too tender!"

Zhou Qin rushed over, quickly raised his hand, and tapped twice on the acupuncture point of the ice.

In an instant, Han Bing's delicate body froze, unable to move at all.

Seeing this scene, Yue Wuya's face changed greatly, and he couldn't help but exclaimed: "Bing'er, you..."

At this moment, Yue Wuya felt very uncomfortable.

It's all my fault. I trusted Zhou Qin so much that I fell into her trap. If I had insisted on forcing her to let go of Han Ao Ran three days ago, there would not have been so many problems.

Now, I can't use my inner strength, and Bing'er has also been caught, which is really suffocating.

"Zhou Qin, you let Bing'er!" Yue Wuya's eyes were blood red, and he shouted at Zhou Qin, his voice hoarse!

"Let her go?"

Zhou Qin showed a smile: "In order to catch this little villain, I have set up such a big game, and finally succeeded, you asked me to let her go? His Royal Highness, have you got water in your head? "

Chapter 1863

Originally Zhou Qin didn't want to tear his face off with Yue Wuya, after all, Yue Wuya is a prince and has an extraordinary position. But he turned against himself for the sake of Bingbing, and he didn't have to worry so much anymore.

"Zhou Qin!"

At this moment, Han Bing said coldly: "You can leave me alone. This is a matter of the Emei faction and has nothing to do with Brother Wu Ya. You let him go, and I'll let you handle it."

Saying this At that time, Han Bing tilted his head to look at Yue Wuya, his eyes were full of distress.

Originally, Han Bing was still surprised why Yue Wuya was here, but just now he found out that he was calculated by Zhou Qin to save his mother. And just now, brother Wu Ya was slapped by Faye Wong for himself.

Thinking of this, Han Bing was very distressed, and at the same time, he also thought about it. Today, he falls into Zhou Qin's hands, and his skills are not as good as others, but brother Wu Ya must not be involved.

"Little evil seed, what qualifications do you have to negotiate with me?" Zhou Qin sneered, walked to Han Bing step by step, and slapped her in the face!

"Crack!"

When the slap went down, I heard Han Bing's coquettish cry, and a slap print suddenly appeared on that fair face.

"You mother and daughter are both lowly women. Your mother seduced men and gave birth to you, and you have learned to seduce people at such a young age, tsk tsk, Your Royal Highness, you are fascinated by you, You really gave your mother a face..." Zhou Qin looked at Han Bing coldly, and almost squeezed these words out of her teeth!

I don't know why, seeing Yue Wuya's nervousness and coldness, Zhou Qin felt more jealous.

Han Bing clenched his fists and stared at Zhou Qin angrily: "Shut up, my mother is not a slut, you are a slut, and my brother Wuya and I are not as shameful as you said, we both are clear Bai Bai, you are not allowed to slander."

When he said this, his icy body trembled.

This Zhou Qin is so hateful. He slandered his mother's reputation before, but now he smeared his own innocence.

Such a woman's heart is more poisonous than snakes and scorpions.

"Crack!" After the

voice fell, Zhou Qin slapped him again!

"Little bitch, I teach you a lesson in the name of the head of the Emei faction, how dare you talk back?" Zhou Qin's eyes were cold, and his emotions were completely uncontrollable!

The dignified head of Emei, the leader of the martial arts alliance, was confronted by Han Bing in front of so many people, where should he put his face?

Zhou Qin became angrier the more she thought about it, raised her jade hand, and slapped it slap after slap.

clap clap clap!

A slap is heavier than a slap, and Frost is still young, how can he bear it?

While fighting, Zhou Qin said coldly: "What kind of mother is there, what kind of daughter, just relying on her own beauty, she will seduce men, and if you don't admit it, I will fight today until you admit it. ."

Han Bing bit her lip, but didn't make a sound.

Just like Han Aoran, Han Bing has a tough personality, not to mention being beaten, even if he is beheaded, he will not frown.

"Zhou Qin, what the fuck!"

Seeing this scene, Yue Wuya was completely mad, his eyes were blood red, he kept shouting at Zhou Qin, and at the same time he wanted to rush over, but he couldn't use his inner strength, and was caught by Faye Wong again. With a slap, he couldn't get through at all.

Finally, Zhou Qin was tired and stopped.

"Tsk tsk."

Feeling Yue Wuya's anger, Zhou Qin smiled slightly and couldn't help teasing: "His Royal Highness and this little villain are really affectionate and righteous. I haven't done anything to her yet, so you will feel distressed?"

"Zhou Qin, your special code let me go, let her go." Yue Wuya kept howling, his murderous eyes, and locked Zhou Qin tightly: "Hurry up and let her go, or I won't be able to spare you. !"

Chapter 1864

In Yue Wuya's heart, Han Bing has always been regarded as the closest person to her. At this time, seeing her being beaten so hard by Zhou Qin, she was so distressed that her heart was almost bleeding.

"It's impossible to let her go." Zhou Qin sneered, with a playful tone: "However, since His Royal Highness cares about her so much, I can keep you together and keep you close to each other more.

" Qin walked over, pinched Han Bing's chin, and immediately took out a pill from her body and threw it into Han Bing's mouth.

Gudong.

Han Bing didn't react at all, and swallowed it subconsciously.

“What did you give me to eat?” Han Bing’s delicate body trembled and couldn’t help asking.

Zhou Qin is so vicious, it is definitely not a good thing to eat for himself.

“Zhou Qin!” Yue Wuya also shouted, blood-red eyes staring at Zhou Qin: “What kind of poison did you give Bing’er, take out the antidote quickly, if she has three strengths and two weaknesses, I will step on it. Flatten your Emei.”

“If she has three strengths and two weaknesses, I will step on your Emei.”

This roar echoed endlessly in the hall.

hiss.

Feeling Yue Wuya’s anger, the sect masters present all looked at each other, and their hearts were shocked.

This sentence, if someone else said it, is definitely a big joke. You must know that the Emei faction, under the leadership of Zhou Qin, has long since changed, and it is not comparable to any force.

But Yue Wuya is different. He is the prince of Tianqi Continent, and he has the strength to pacify the Emei faction.

Zhou Qin was also shocked, and then looked at Yue Wuya with a smile: “His Royal Highness, please calm down first, don’t worry, I will not kill Han Bing, you care about her so much, how dare I, as for her What you are taking, you will know in a while.”

When saying this, Zhou Qin had a smile on his face.

call!

Hearing this, Yue Wuya frowned.

Zhou Qin is so cunning, do you want to believe her this time?

Thinking to himself, Yue Wuya looked at Han Bing nervously, and saw that she looked calm and there was no sign of anything wrong.

At this time, Zhou Qin was too lazy to talk nonsense, and turned to Faye Wong and instructed: “Go, put His Royal Highness and Xiao Xiezhong together. His Royal Highness is so sympathetic and cherishing jade, it seems that he can’t wait.”

Seriously, Zhou Qin did not want to be with Yue Wu. The trouble was so stiff, but seeing him protecting Han Bing so much, Zhou Qin was jealous and couldn't control it any more.

Moreover, Zhou Qin is not afraid of Yue Wuya's revenge. As I said before, this is after all the family affairs of the Emei faction. Yue Wuya has to intervene, even if he is the prince, he can't justify it.

Under this premise, even if the Tianqi royal family knew about it, there was no reason to send troops to attack the Emei faction. After all, the teacher was unknown.

"Yes, Sect Master." Faye Wong responded, beckoned to call for a few Emei disciples, and took Yue Wuya and Han Bing down.

The two were taken away, and the atmosphere in the hall suddenly became less tense.

"Everyone."

Zhou Qin looked around and smiled slightly: "Okay, it's all right, everyone continue, I still have something to do, so I won't accompany you, everyone, don't be restrained, you must be drunk today. ." The

voice fell, and Zhou Qin slowly walked out of the hall.

"Thank you for your hospitality." The masters of various sects responded in unison and watched Zhou Qin leave.

Chapter 1865

Leaving the hall, Zhou Qin went directly to the dungeon.

As soon as he entered the dungeon, he saw Han Ao Ran sitting in the cell, closing his eyes and resting.

"Tsk tsk." The corners of

Zhou Qin's mouth twitched, mockingly said, "Very calm, Han proudly tells you good news, your daughter has come to save you."

Shuh.

Hearing this, Han Ao Ran opened his eyes instantly, looked Zhou Qin tightly, but did not speak.

“There is another piece of bad news.” Zhou Qin continued with a proud look and a very leisurely look, “She was caught by me, not only by me, but also locked up with Yue Wuya.”

At this moment, Han Ao Ran couldn't hold it any longer, stood up suddenly, and shouted: “Zhou Qin, you ungrateful scoundrel, what are you doing?”

His tone was lingering, but there was something inexplicable in Han Ao Ran's heart. of unease.

Yue Wuya, also Yue Feng's child, was locked up with Bing'er. Zhou Qin did this deliberately, and it was definitely not a good thing.

Zhou Qin walked slowly to the iron fence: “As far as I know, this Yue Wuya is the child born by Yue Feng and that Qin Rongyin, and it is also a wicked breed. In this way, he and Han Bing are half-brothers. Brothers and sisters, right.”

After speaking, Zhou Qin's smile gradually deepened: “Also, Yue Wuya and Han Bing seem to have a good impression of each other, so I locked them together with the beauty of adults, and also gave Han Bing. “Meixiang Powder” to help them achieve good things, Han Aoran, I'm helping your daughter as a matchmaker, you have to thank me.”

What?

Hearing this, Han Ao Ran's delicate body trembled, her delicate face instantly turned extremely pale, and her eyes turned black, and she almost fainted from anger.

That's right, what Zhou Qin gave Han Bing before was not poison, but Meixiang Powder.

Meixiang Powder is an extremely powerful love potion in the arena. It is said that no matter how strong the cultivator is, whether male or female, as long as they take Meixiang Powder, they will completely lose their minds, and there is only an endless desire for the opposite sex in their minds. It can be said that this is the most shameless love potion for people in the world.

And Zhou Qin in front of him, as the head of the Emei Sect and the leader of the martial arts alliance, actually used such despicable methods.

“Zhou Qin, you are still not human.” Han Ao Ran bit his lip and scolded Zhou Qin: “It doesn't matter how you treat me, what Han Bing says, she is also your little junior sister, but you use such despicable means, If you destroy her innocence, you are not afraid of being struck by the sky and thunder?”

Although Han Ao Ran is usually very strict with Han Bing, he loves his daughter very much in his heart, and when he learns that her daughter is about to lose her virginity, her heart hurts.

More importantly, Yue Wuya is Bing'er's older brother, how could the two of them...

Han Ao Ran became more and more anxious as he thought about it, and almost fainted under his anger.

"Junior sister?" Zhou Qin sneered: "In my heart, she is a villain. Let me tell you Han Aoran, Yue Feng and your mother and daughter ruined my life. There is no face to face anyone, and Yue Feng must be completely ruined."

"Hee hee... Even if he is the sect master of Tianmen, a hero of the Earth Circle, if people know that they are secretly cooperating, what kind of public opinion will it cause? It's really exciting."

"Han Aoran, you should wait for the news slowly. I will send someone to inform you of the results from your good daughter." The

voice fell, and Zhou Qin walked out with a proud face. cell.

At this time, Zhou Qin's delicate face was full of madness, and he had completely lost his mind.

In her heart, both Yue Feng and Yue Wuya have a special status. And Han Aoran is a mother and daughter, the mother took Yue Feng, and the daughter confused Yue Wuya again.

This made Zhou Qin unacceptable.

Under the jealousy and resentment, Zhou Qin only thought of revenge before taking this step.

"Evil gangster, gangster..."

"Zhou Qin, you won't die well, you won't die well..."

The moment Zhou Qin walked out of the cell, cold and arrogant whispers kept coming from behind him.

At this moment.

Emei School Houshan Stone Cave.

This cave was the place where the previous heads of the Emei Sect practiced in seclusion. Ordinary disciples were not allowed to approach it at all.

But Yue Wuya and Han Bing were brought in.

Bang!

The moment Yue Wuya and Han Bing were pushed into the cave, the stone gate behind them was closed.

The light suddenly dimmed, depressing.

“Bing’er, are you all right?” Yue Wuya did not check the environment of the stone cave, but asked Han Bing.

She was beaten so many times by Zhou Qin just now, it must be very painful.

“Brother Wuya.” Han Bing replied, “I’m fine...”

“Yeah.”

Yue Wuya hurried over to see the situation of Bing. Because the light is too dim, you can only see clearly if you look closely.

hiss.

Seeing this, Yue Wuya couldn’t help but take a breath, and the whole person was dumbfounded.

I saw Han Bing’s delicate and pretty face, which was extremely red, and her body was hot. At this time, she curled up there, and her delicate body kept shaking slightly. It seems so painful!

This is... what’s the situation?

The poison that Zhou Qin had given her before had a seizure?

Thinking to himself, Yue Wuya was in a hurry, he quickly pulled Han Bing’s arm, and persuaded: “Bing’er, don’t be afraid, I’ll help you to expel the poison, don’t be afraid!”

At this time, Yue Wuya, still I don’t know, what Zhou Qin gave Han Bing was not poison, but love potion.

.....

On the other side, Xuanye Continent.

After Yue Feng and Chang'e left the casino, they were escorted by Li Heihu's car and quickly left Wanhai City, heading towards the Northern Ying Continent.

Speaking of which, Yue Feng didn't want to trouble Li Heihu. As long as Chang'e's acupuncture point is unlocked, the two can fly away.

But Yue Feng thought about it and decided not to relieve Chang'e.

After all, Chang'e is too powerful, and Yue Feng can't stop him if he suddenly gets angry.

After several hours of driving, Li Heihu drove Yue Feng and Chang'e, and finally arrived at Fengyun City, a border city on Xuanye Continent.

"Brother Feng."

As soon as he entered the city, Li Heihu squeezed out a smile and flattered: "After walking for so long, why don't you find a place where you and sister-in-law can rest?"

Shuh.

Before Yue Feng could respond, Chang'e's face turned red all of a sudden. On the way, Li Heihu didn't know how many times he called his sister-in-law.
