

## The ultimate husband in Chinese chapter 1931-1940

Chapter 1931

“Okay.” In the

next second, Situ Wangqing nodded and said with a smile, “Even so, I promise to take you in. From today onwards, you will take good care of your wounds in Wangyou Valley. Yougu will fully support you and help you regain the throne.”

Since Duan Yu and Yue Feng have such a bloody feud, he doesn't have to worry anymore.

“Thank you, Master.” Duan Yu made a very happy look, and quickly knelt down and bowed to the teacher: “Master is above, please accept the disciples.”

“Okay, get up!” Jade hand.

call!

At this moment, Su Qingyan, who had been silent next to him, couldn't help but let out a sigh of relief, frowning and said, “That Yue Feng is so abhorrent, a person like him became an emperor, didn't the people of Xicang Continent suffer? “

Su Qingyan took Wangyou Shui and lost her memory. Half a month ago, she was instilled by Jingguan and Situ Wangqing, saying that she had gone out to work before and encountered Yue Feng, and then she lost her memory.

Under such circumstances, Su Qingyan had a very bad impression of Yue Feng, and now that Duan Yu distorted the facts and fabricated Yue Feng's evil deeds, he hated Yue Feng even more in his heart.

Situ forgets his feelings and contemplates, and smiles without saying a word.

Um?

Seeing this scene, Duan Yu frowned again.

What the hell is going on here, aren't Su Qingyan and Yue Feng in a good relationship? Why does Su Qingyan treat Yue Feng like this? Surprised, Duan Yu finally couldn't bear it anymore, looked at Su Qingyan and asked, “This senior sister, do you know Yue Feng very well?” He joined Wangyougu, so he naturally wanted to call him senior sister.

“I...”

Su Qingyan bit her lip tightly and shook her head gently: "I'm not familiar with Yue Feng, but the master said that it was because of Yue Feng that I lost my memory..."

What?

Duan Yu was stunned for a moment, then excited.

Haha...

No wonder Su Qingyan was so wrong, it turned out that she had lost her memory.

"Senior sister, don't worry, since Yue Feng is our enemy, when I recover my strength, I will help you deal with him." Duan Yu said with a smile.

Um!

Su Qingyan nodded, feeling very warm in her heart. Originally, she joined Wangyougu relatively late, and she had to call her senior brother and senior sister when she saw her. Suddenly, she had a junior brother who treated herself so well, and anyone else would be in a good mood.

"Okay!"

At this moment, Situ Wangqing said with a smile, "Since you guys are chatting so speculatively, Qingyan, during this time, you should take good care of Duan Yu."

"Okay!" Su Qingyan was very obediently responded. She is a kind character, and the Master's order will naturally not be violated.

More importantly, Su Qingyan had a very good impression of this junior brother.

At this time, Su Qingyan did not realize that the new junior brother in front of him was his man's old enemy. Moreover, grievances are never shared.

Situ Wangqing said no more, and left the room with Jing Guan and the other disciples.

"Good Senior Sister."

As soon as he left, Duan Yu showed a smile and cupped his hands at Su Qingyan: "I will trouble you more in the future. To be taken care of by a beautiful Senior Sister like a fairy, I, Duan Yu, really came from Sansheng. Blessed."

Chapter 1932

When he said this, Duan Yu's eyes were looking up and down at Su Qingyan's graceful curve, and his heart was restless.

Yue Feng, you have taken everything from me, and I will recover some of this debt from your woman first.

...

on the other side, Mount Emei.

On the steps under Mount Emei, several people walked towards them.

The one headed is Faye Wong.

Behind her, Liu Xuan, Zhu Rong and Shennong slowly followed.

Zhu Rong and Shen Nong looked relaxed and walked while admiring the scenery on both sides, while Liu Xuan had a complex expression on her face.

Half a day ago, Faye Wong took a gift and made a special trip to Yunzhou City to visit, saying that on behalf of Zhou Qin, she came to invite Liu Xuan to visit Mount Emei, and said that it was a misunderstanding before, and her attitude was very sincere.

To be honest, Liu Xuan didn't want to come, but Shen Man tried his best to persuade him, saying that the dignified martial arts alliance leader sent someone to invite him and brought gifts.

Zhu Rong and Shen Nong, unaware of the grievances between Zhou Qin and Yue Feng, followed Liu Xuan's promise.

When Liu Xuan, Zhurong and others arrived at the square of the Emei Hall, they could see Zhou Qin standing at the door of the hall from a distance. Behind her, on both sides, the disciples of Emei, and the masters of the various factions, were neatly arranged in a great pomp.

call!

At this moment, feeling the strength of Zhu Rong and Shen Nong, all the Emei disciples present couldn't help but take a deep breath.

powerful!

Is this the legendary fire god Zhurong and Shennong? The strength is really strong.

Even Zhou Qin's body trembled, and a bit of fear appeared on her beautiful face. Immediately afterwards, Zhou Qin showed a bright smile, hurried up to meet her, and

held Liu Xuan's hand very affectionately: "It's been a long time, your face has become as beautiful as it used to be, it's really nice.

", Zhou Qin greeted Zhu Rong two with a very polite attitude: "These two are the well-known senior Zhu Rong and senior Shennong, right? My subordinates had a bad attitude towards you before, it was all a misunderstanding, two seniors. It's a lot, don't worry about it."

Zhu Rong and Shen Nong looked at each other and waved their hands generously, indicating that they were all right.

"Zhou Qin!"

At this moment, Liu Xuan bit her lip tightly, looked at Zhou Qin and said, "You don't need to be so polite, what's the matter, you can tell me directly."

"Nothing else, just to catch up with you . ." Zhou Qin smiled and responded.

call!

Liu Xuan took a deep breath and said seriously: "If you don't say anything, I'll say, Zhou Qin, why are you dealing with Yue Feng, you used to be such good friends, do you have to do it all the time? You let your subordinates go. My family is investigating Yue Feng's whereabouts, and they have sent people to monitor me, do you think I'm stupid? Don't you know?"

Seriously, if Liu Xuan was alone, she would never have said it outright, after all Zhou Qin is a martial artist now. The leader, identity and status are not what they used to be.

But Liu Xuan is not afraid, there are elder brother Zhu Rong and senior Shennong by her side.

Ugh!

Hearing this, Zhou Qin sighed lightly and looked very emotional: "Xuan'er, I know you blame me in your heart, yes, I have done a lot of things that I am sorry for Yue Feng before, but do you think I am willing to do that? Let me tell you the truth, at that time I liked Yue Feng, and because Yue Feng rejected me, I did so many absurd things out of love and hatred, but now, I want to understand and completely repent."

"Recently, I have been inquiring about Yue Feng's whereabouts, to atone for his sin, to help him, you think, he provoked Yang Jian in Beiyang Continent, and Tianqi Continent is also chasing him everywhere, can he handle it alone? I don't Can I help him?" At the end, Zhou Qin pretended to say: "To tell the truth, I came here to discuss with you how to help Yue Feng deal with these troubles, as his women and friends, we can't just

stand by our side. Seeing that Yue Feng is in trouble, I can't help you with anything, what do you think?" The

words were extremely sincere, but Zhou Qin's eyes flashed with a smile.

This....

Hearing this, the alertness on Liu Xuan's face disappeared a lot, and she bit her lip lightly: "Then... how can we help Yue Feng?"

Liu Xuan is kind and soft-hearted, Seeing that Zhou Qin was so sincere, the suspicion in his heart dissipated without a trace.

At this time, Liu Xuan didn't know that Zhou Qin's attitude at this time was all fake. Zhou Qin hated Yue Feng to the core, how could she help him?

"Don't be in a hurry!"

### Chapter 1933

Zhou Qin showed a smile and took Liu Xuan's hand: "We haven't seen each other for a long time, let's talk about the old times first, it's been a long time since we sat and chatted like we are now."

Said, Zhou Qin directed at Faye Wong next to him: "Quick, prepare for the banquet. Today, I am going to entertain my friends and two seniors."

"Yes!" Faye Wong responded and hurried to prepare.

At this time, Zhou Qin smiled and invited Liu Xuan, Zhu Rong and Shennong to enter the hall.

After a while, the sumptuous banquet was ready. Zhou Qin specially invited Liu Xuan to sit beside her and asked how the years were going. They are very intimate, like a pair of good girlfriends who can talk about everything.

Facing Zhou Qin's enthusiasm, Liu Xuan completely let go of her guard.

"Two seniors."

At this time, Zhou Qin raised his glass with a smile, looked at Zhu Rong and Shennong and said, "I have admired the prestige of the two seniors for a long time, and I am truly fortunate to be able to meet them today. Come, I respect you both. Seniors have a cup. Today, the two seniors must have a good time."

"Haha!"

Zhu Rong laughed, looked at Zhou Qin and praised: "The girl's mouth is quite sweet, well, I see you are so sincere, the old man today Have a good drink." Saying that, Zhu Rong drank the wine in the glass, very wild and heroic.

It was the first time Zhu Rong saw Zhou Qin, and he didn't know her very well, but seeing her apologize for the previous incident, her attitude was sincere, and she had already let go of her guard. And Zhu Rong is also very good at wine. Zhou Qin treated her with delicious wine, and Zhu Rong felt a little bit more favorable towards her in his heart.

Shen Nong next to him also smiled slightly, picked up the wine glass, and drank it.

Seeing that they all drank, the smile on Zhou Qin's face became more beautiful and moving, but the smile was somewhat meaningful.

"Xuan'er!"

At this time, Zhou Qin asked Liu Xuan, "Do you know where Yue Feng is?"

Yes, Zhou Qin spent so much talk just now to gain Liu Xuan's trust. The ultimate goal was to inquire about Yue Feng's news and whereabouts.

Liu Xuan whispered: "We also lost contact with Yue Feng. I don't know where he is now. I'm very worried."

Hearing this, Zhou Qin was very angry. It took so much effort to win Liu Xuan's trust, but in the end, she didn't know Yue Feng's whereabouts.

"Zhou Qin!"

Seeing Zhou Qin being thoughtful, Liu Xuan couldn't help but ask, "If there is Yue Feng's whereabouts, how are you going to help him?"

Shuh!

Zhu Rong and Shen Nong also looked at Zhou Qin subconsciously, waiting for her answer.

You must know that Zhou Qin is now the leader of the martial arts alliance in the Earth Circle Continent. If she does her best to help Yue Feng, I believe that no matter how big the trouble, it can be solved.

This...

Zhou Qin showed a smile and said slowly, "Of course, I'll invite him to Emei first."

“And then?” Liu Xuan asked.

Zhou Qin chuckled lightly, with a bit of gloom in his eyes: “When he comes to Emei, I will find a way to make him stay. It’s best not to leave Mount Emei for the rest of my life.”

“If he doesn’t leave Emei, he won’t be anywhere. If you make trouble, there won’t be so many troubles, what do you think?” At the

end, Zhou Qin was still smiling, but in that smile, there was an extremely uncomfortable coldness.

Yes, at this time, Zhou Qin couldn’t help but reveal his true colors.

Anyway, I have asked what I should ask, and there is no need to put it on.

What?

Liu Xuan’s delicate body trembled, and she looked at Zhou Qin in surprise: “You...you want to keep him in Emei for the rest of your life?” After

speaking, Liu Xuan realized something, her pretty face paled, and she continued: “Speak up, You still have to deal with Yue Feng, right? Zhou Qin, why? Why are you doing this?”

Chapter 1934

“Why?”

Zhou Qin sneered and said with great resentment: “Yue Feng ruined my life, how can I forgive her so easily? You are right, my ultimate goal is to imprison Yue Feng for the rest of my life. , I’m going to put him in a dungeon and rely on my alms every day to survive, but before that, I’m going to ruin his reputation.” At the

end, Zhou Qin’s face was covered with frost, and he almost lost his mind.

“Mad, you are a mad woman.” Liu Xuan was so angry that she got up and was about to leave, but as soon as she stood up, Liu Xuan’s delicate body trembled, and her eyebrows were suddenly furrowed.

At this time, Liu Xuan’s face was pale.

what happened? I was fine just now, why is my body so soft now that I can’t exert any strength?

Seeing this scene, Zhou Qin put down the wine glass gracefully and looked at Liu Xuan with a smile: "Liu Xuan, what's the matter, are you drunk?"

Liu Xuan's red lips parted slightly, just as she was about to speak, she was interrupted by Zhou Qin .

At this moment, Zhou Qin's delicate face was full of jokes and pride: "Liu Xuan, do you feel that your body is weak and weak, and your inner strength can't be motivated?"

Huh.

At this moment, Liu Xuan's delicate body was shocked, her face changed suddenly, she looked at her in surprise: "How do you know?"

"Hehe..."

Zhou Qin smiled proudly: "Of course I know, because of you I was poisoned in the wine glass."

What?

Liu Xuan was shocked and angry, and she was extremely shocked. Zhou Qin was so insidious this time. She greeted her with a smile on the surface, and secretly used poisonous hands. It was simply too sinister.

"What a sinister and vicious girl." At this time, Zhu Rong couldn't help it on the spot, slapped the table, glared at Zhou Qin and cursed: "We trust you so much, but you are poisoned by wine, you are an old man. It 's easy to bully?"

Zhou Qin didn't panic at all, and looked at Zhu Rong with a smile: "Senior Zhu Rong, don't be so angry, don't worry, you and Senior Shennong's wine glasses were also poisoned by me, you are strong. , the onset of the poison effect is slow, but it's almost there now."

After the last word, Zhu Rong's face changed, and his body froze there.

Zhu Rong clearly felt that his inner strength could not be exerted, and at the same time, his body was also soft.

At the same time, Shen Nong next to him also frowned and his face was extremely gloomy.

Like Zhu Rong, Shen Nong didn't expect that this smiling woman in front of her was so beautiful, her heart was so sinister, and she actually poisoned herself in wine?

Just...what poison is this? I didn't even notice it at all!

At this moment, Zhou Qin's smile grew thicker, looked at Zhu Rong, and said proudly: "Senior, you don't have to guess, what I use for you is my unique poison, Heitian Pill."

Heitian Pill, yes A poison that Zhou Qin refined in the Inextinguishable Book of Truth is extremely sinister and domineering. Back then, the masters of the various sects in the Earth Circle Continent had to obey Zhou Qin only after taking the Black Heaven Pill.

Speaking of which, when Zhu Rong was drinking just now, he really smelled a special fragrance in the wine, but he didn't care, thinking it was the fragrance in the wine, but he never thought that it was poisoned.

"Okay, very good..."

At this time, Zhu Rong was shocked and angry, staring at Zhou Qin, his face ashen.

I have been in the arena for many years and have been honored by the world as the existence of the Vulcan. I didn't expect to be planted in the hands of a younger generation of the arena and the hands of a woman. It is a shame!

"Come on, tie them all up." At this moment, Zhou Qin chuckled lightly and instructed the surrounding Emei disciples.

Whoops!

As soon as the voice fell, Faye Wong took the lead and gathered around a dozen Emei disciples.

stop!

However, at this time, Shen Nong suddenly shouted angrily, and then walked out slowly.

What?

In an instant, not only Zhou Qin, but the surrounding masters of various sects were all shocked, and looked at Shen Nong blankly, with a look of disbelief.

Hei Tian Dan is such a domineering poison that Shen Nong has nothing to do with it?

They didn't know that the reason why Shennong was called the ancestor of medicine was that he had tasted all kinds of herbs, and he had already achieved a physique that was invulnerable to all poisons.

Chapter 1935

"You..."

At this time, Zhou Qin looked at Shennong closely, her delicate body trembling.

It was just that Zhou Qin was interrupted by Shennong as soon as he said one word.

“Baby girl, I have to say that you are not only cunning and cunning, but also very good at disguising.” Shennong looked at Zhou Qin with a cold face and said, “I, Shennong, claim to have seen a lot of things in the world, but I was deceived by you after all.”

“However . . . , to me, this trick of yours is just a little trick, a small black celestial pill, I don’t even care about it.” The

voice was not loud, but it was cold and arrogant.

quiet!

For a while, in the Emei Hall, there was silence, and a drop of a needle could be heard clearly.

Everyone present looked at Shen Nong blankly, not daring to act rashly.

This is Yaozu Shennong, who dares to enter.

call!

At this moment, Shennong took a deep breath and looked at Zhou Qin coldly: “Baby girl, this old man has limited patience, hand over the antidote immediately, otherwise, don’t blame me for being rude.”

Seriously, this was the first time Shennong heard about it. Heitian Pill, but with his attainments in pharmacy, it is not difficult to refine the antidote of Hei Tian Pill, but the situation is urgent, and there is no herbal material on his body, if he wants to refine the antidote, he has no way to start, and he can only force Zhou Qin handed over the antidote.

“Impossible!” The

cold three words came from Zhou Qin’s mouth, with a firm attitude and without the slightest hesitation.

Before, Zhou Qin designed and locked Yue Wuya and Han Bing in the cave of Houshan. He thought that the two brothers and sisters would not be able to help themselves and make Yue Feng lose their reputation. As a result, Yue Wuya would rather self-harm than touch her. When the ice froze, his bamboo basket was empty.

And now, he set up a game to deceive Liu Xuan, and finally succeeded, how could he let them go easily?

“Senior Zhu Rong, do you think you still have the qualifications to negotiate with me? Your friend Zhu Rong and Liu Xuan are all in my hands.” Zhou Qin chuckled at Shen Nong and said coldly, “I don’t believe what you dare to do. , unless you don’t care about Zhu Rong and Liu Xuan’s life or death!” As the

voice fell, Zhou Qin gave Faye Wong a wink.

“Go!”

Faye Wong understood, she snorted tenderly, clenched a long sword, and stabbed Shennong directly.

Whoops!

At the same time, the surrounding masters of various sects also exploded their inner strength, surrounding Shennong in groups.

“Senior Shennong, be careful.” Seeing this scene, Liu Xuan was anxious and couldn’t help but exclaimed.

At this time, Liu Xuan regretted it very much.

Knowing that Zhou Qin was so insidious, he should not have been invited to Emei. It doesn’t matter if something happens to you, if Zhu Rong and Shennong are involved, you will not be at ease for the rest of your life.

When the words fell, Zhu Rong smiled lightly and comforted: “Brother and sister, don’t panic, Shennong alone is more than enough to deal with these younger generations.”

Om!

As soon as he finished speaking, he saw Shennong slowly raise his hands and chanted a spell in his mouth. In an instant, the entire hall was surging, and a white mist suddenly rose.

Immediately afterwards, I saw Faye Wong and the masters of the various sects, their faces changed greatly, and they screamed again and again.

“Ah! Poisonous scorpions...”

“Snake, what a big snake!”

“Where do so many poisonous insects come from?”

I saw that, in the white fog, everyone had a poisonous insect lying on their body, some centipedes, some poisonous scorpions, and colorful poisonous snakes. , apparently extremely poisonous.

Shen Nong is not only skilled in medicine, but also good at controlling poisonous insects.

For a time, everyone's face was pale, and they didn't dare to move. They all knew that once they made a move rashly, the poisonous insects on their bodies would bite.

## **The ultimate husband in Chinese chapter 1936-1940**

### Chapter 1936

Huh!

Seeing this scene, Zhou Qinjiao's body trembled, and her delicate face was extremely shocked and angry.

I thought that the situation had been firmly under my control, but I never expected that it would be reversed so easily by Shennong.

"How is it?"

At this time, Shennong looked indifferent, looked at Zhou Qin and said coldly: "Baby girl, is this old man qualified to negotiate with you now? Hand over the antidote, and I will let your subordinates go."

Said When he got up, when he released the poisonous insects just now, Shennong thought about putting one on Zhou Qin, but Liu Xuan and Zhou Qin were too close, and Shen Nong gave up because he was afraid of hurting Liu Xuan.

But it doesn't matter. Anyway, Zhou Qin's subordinates are firmly controlled, so she is not afraid that she will not compromise.

Zhou Qin bit her lip tightly and did not respond, her face was extremely ugly!

Shen Nong was too lazy to talk nonsense, and walked over slowly: "What? Are you still stubbornly resisting? Give up, you are not the opponent of this old man." His tone was indifferent, but there was a kind of absolute contempt.

Yes, in Shennong's eyes, even if Zhou Qin is the leader of the martial arts alliance, he is still a junior, not qualified to be his opponent.

"Stop for me!"

Seeing Shennong getting closer, Zhou Qin's tender body trembled and she let out a coquettish cry, then grabbed Liu Xuan and shoved a dagger across Liu Xuan's face.

"If you take one step further, I will draw dozens of knives, a hundred knives on her face!" Zhou Qin bit her lip tightly, her beautiful face full of madness: "Senior Shennong, I know you The medical skills are the best in the world, even Liu Xuan's ugly face has been cured, but if I cut her face hundreds of knives, thousands of knives, I don't know if you can help her heal it again?"

"Also, do you want to take the lives of these people to threaten me? You are wrong. I, Zhou Qin, can have what I am today, all by myself, so I will never take their lives and deaths in my heart."

"You If you want to kill them, just let these poisonous insects bite down, I don't care. In short, if you kill them, I will cut Liu Xuan's face and make her ugly for the rest of her life."

This chapter is provided by . Visit for daily update.

Zhou Qin almost shouted out the last sentence. Delicate face, full of madness, completely lost his mind.

"You..."

Shennong's expression changed and his brows furrowed. He never imagined that the woman in front of him would be so ruthless.

Moreover, Zhou Qin was right. Although Shennong's medical skills were unparalleled in the world, he was not an immortal after all. Zhou Qin really wanted to cut hundreds of knives on Liu Xuan's face, and the whole face was completely destroyed.

More importantly, Shennong was extremely conceited. He once assured Yue Feng that he would protect Liu Xuan comprehensively. If something happened to Liu Xuan and he saw Yue Feng in the future, how would he explain to him?

Liu Xuan was also terrified, not daring to move, not even breathing.

She is not afraid of death, but she is afraid that she will become ugly and shameless to see Yue Feng.

After all, he has been separated from Yue Feng all these years because his appearance has been destroyed and he has no self-confidence. Now his face has finally returned to its original state.

call!

Finally, Shennong took a deep breath and looked at Zhou Qin with complicated eyes: "Okay, very good, girl baby, you won!"

Seriously, Shennong is respected by the world, and he has never been so aggrieved, but there is no way, Yue Feng respects herself so much, trusts herself, and can't gamble with her wife's appearance.

Especially seeing Liu Xuan's nervous appearance, Shen Nong couldn't bear it.

The voice fell, Shen Nong chanted the incantation silently, and saw that the white fog in the hall quickly dissipated, and the poisonous insects on Faye Wong and everyone disappeared without a trace.

Seeing this scene, Zhou Qin showed a smile and sarcastically said, "Hehe...Senior Shennong, he is really chivalrous and kind."

#### Chapter 1937

At this time, Faye Wong and everyone walked over without waiting for orders, and tied Zhu Rong, Shen Nong, and Liu Xuan Wu Hua.

"Zhou Qin...you vicious woman, you will not end well!" At this moment, Liu Xuan finally reacted and shouted extremely angrily.

Zhou Qin used her appearance to force Senior Shennong to compromise. Just too vile and vicious.

Feeling Liu Xuan's anger, Zhou Qin smiled proudly and said, "It's not your turn to tell me what will happen to me, but I tell you, there will definitely not be a good outcome between you and Yue Feng."

When saying this, Zhou Qin's smile was filled with endless coldness.

Yue Feng missed his life, how could he let him and Liu Xuan live together?

When the words fell, Zhou Qin stopped talking nonsense and waved his hand. Immediately, Faye Wong led the Emei disciples and took the three Liu Xuan into the dungeon.

At this moment, on the other side, on the Xicang Continent, inside the emperor's palace.

The brilliant candlelight illuminated the bedroom, and Yue Feng, dressed in a golden silk nightgown, was half lying on the soft slump, very relaxed and comfortable.

In front of him, there are 108 graceful women kneeling neatly, each of them is a beautiful country, a beautiful country, a thin and fat woman, it can be said that each has its own merits, only Yue Feng is dazzled.

Yes, these women are Duan Yu's one hundred and eight concubines.

At this moment, the one hundred and eight concubines knelt there quietly, their bodies trembling, their hearts were trembling, and they lowered their heads and did not dare to look at Yue Feng.

"Your Majesty!"

At this moment, the little eunuch next to him walked over slowly and respectfully said to Yue Feng: "It's getting late, Your Majesty should rest, the servants will let them undress and serve the bed?"

What the hell!

Yue Feng was stunned for a moment, and hurriedly stopped: "Slow... wait, I don't need them to sleep, but I have something to ask."

After speaking, Yue Feng said to the eunuch: "You go out first. "

When he said this, Yue Feng was calm on the surface, but his heart was very complicated.

Nima, more than a hundred beauties, sleeping together, who can stand it.

"Yes, Your Majesty." The little eunuch said no more, and quickly left the hall.

call!

At this time, the many concubines who were kneeling there were also stunned, and they were all very surprised.

This new emperor, did not let himself sleep?

You must know that there is no man in the world who doesn't love beautiful women. Duan Yu had just let these concubines serve the bed on his first night as the emperor, but this one in front of him didn't even act excessively.

This is a true gentleman, a generation of wise men.

These concubines were a little nervous at first, but at this time they all breathed a sigh of relief.

"Don't panic, everyone."

At this moment, Yue Feng said with a smile: "I'm calling you all here, not to do anything to you, I just want to ask you a question. As long as you answer honestly With my question, I will let you go, and I will never make it difficult for you."

## Chapter 1938

Yue Feng looked very serious, looked at the one hundred and twenty concubines, and said word by word: "You all used to share the same bed with Duan Yu, but have you ever heard him say that the divine axe has What are the disadvantages, or the flaws?"

Yes, Yue Feng called these concubines to the bedroom, not to occupy them, but to ask them how to deal with Kaitian Axe.

After all, the power of the Sky-Opening Axe is really terrifying.

Yue Feng knew in his heart that he was able to shock Duan Yu during the day, which was completely unexpected, and the victory was that Duan Yu underestimated the enemy. If both parties went all out and took out their weapons, Yue Feng would not be Duan Yu's opponent at all.

During the day, the people who went out to chase Duan Yu came back and said that Duan Yu would die if he fell off the cliff, but Yue Feng was worried and asked them to check the bottom of the cliff. If Duan Yu died, he would bring back the opening axe.

As a result, after everyone went back to inspect, they did not find the Kaitian Axe, nor did they find Duan Yu's body.

Upon hearing this news, Yue Feng knew that Duan Yu was not dead. He issued an imperial decree to hunt down Duan Yu with all his strength.

In order to meet Duan Yu in the future and be more confident in the fight, Yue Feng called these concubines and asked about the Kaitian Axe, hoping to find out the flaws in the Kaitian Axe.

After all, in the world, there are advantages and disadvantages, and artifacts are not perfect.

call!

Hearing this, many concubines looked at each other, and then all shook their heads.

“Your Majesty, when Duan Yu asked his concubines to serve in the bed, he never said anything else.”

“Yes, whether there are any flaws or drawbacks in the Kaitian Axe, the concubines don’t know.”

“The concubines don’t know either.”

Numerous concubines Concubine, your answer is one word and one word, Yue Feng immediately frowned, depressed.

Nima.

This section of Yu is quite cautious, these are his women, and they don’t reveal any secrets.

It seems that tonight, I have to work in vain.

“Your Majesty!”

Just when Yue Feng was extremely depressed, a petite figure stood up among the concubines and said softly, “I remember, three nights ago, when my concubine was in bed. , Duan Yu once said a word, I don’t know if it is of any use to Your Majesty.” The voice was soft and pleasant, the beautiful and soft face, and the graceful figure, it was Concubine Yun.

Concubine Yun, among so many concubines, was Duan Yu’s favorite.

“Come on!” Yue Feng was overjoyed and hurriedly urged.

Concubine Yun frowned lightly, thought for a while, and responded, “That night, Duan Yu told the concubine that he became an emperor and would expand his territory in the future, so he couldn’t always favor his concubine at night. The concubine was very curious at the time. Just ask him why.”

Yes!

Yue Feng was also stunned.

What does it have to do with expanding territory and pampering your concubine at night?

At this time, Concubine Yun continued: "Duan Yu said at that time that he realized the real secret of the opening axe, which is that it cannot be easily used during the day, and it can only exert its greatest power at night, so he will lead the army in the future. If you go to conquer other continents, you can only fight at night, and naturally you won't be able to favor women often in the future."

Phew!

Hearing this, Yue Feng took a deep breath and fell into deep thought.

Open Heaven Axe, can it exert its greatest power only at night?

Why is this so?

The next second, Yue Feng thought of something, and his eyes flashed. Yes, every time the power of Kaitian Axe explodes, it is like a round of scorching sun, and it contains the power of the strongest sun in the world, but if this kind of power reaches the limit, it is not a good thing.

You must know that, just after Yi Zhe, if the masculine power of Kaitian Axe reaches a terrifying peak state, Duan Yu will definitely be unable to control it, and even, he will be attacked by this masculine power.

Chapter 1939

The ultimate state of cultivation in this world is the balance of yin and yang.

In yin-yang feng shui, daytime is yang.

During the day, the scorching sun shines, and the scorching sun belongs to the positive. Duan Yu casts the axe during the day and absorbs too much positive energy. Of course, Duan Yu is not easy to control.

At night, everything is silent, and the yin energy fills the heaven and the earth. At this time, Duan Yu uses the heavenly axe to absorb the yin energy of the heavens and the earth, and can restrain the masculine force in the heaven and earth axe, thus achieving a state of yin and yang balance.

It turned out to be like this...

Thinking of this, Yue Feng couldn't help showing a smile. He is proficient in Yin-Yang Feng Shui, and he figured out the mysteries in one fell swoop.

Haha...

It turns out that the drawbacks of opening the sky axe are here.

No wonder, in the daytime, Duan Yu never took out the Heaven Opening Axe until he finally escaped.

Great... Knowing this secret, if I meet Duan Yu in the future, I will have a way to deal with him.

Excited, Yue Feng was in a good mood and waved at the concubines: "Okay, it's all right, you all go back to rest."

"Yes, the concubines retire." The concubines responded quickly, They all left the bedroom.

Watching the concubines leave, Yue Feng also lay down and rested.

Because he knew the secret of Kaitian Axe, that night, Yue Feng slept very soundly.

"Your Majesty!" Early the

next morning, a eunuch stood outside the palace door and called out cautiously, "Your Majesty, it's time to get up, Your Majesty..."

Yue Feng sat up in a daze, rubbed his eyes, I was very upset.

Nima!

You are already an emperor, can't you sleep peacefully?

The next second, Yue Feng said angrily: "What are you talking about in the early morning?"

"Your Majesty." Summoned by His Majesty."

The messenger of Nagumo?

Yue Feng was stunned for a moment and asked, "Who is the envoy at the head?" The

Southern Cloud Continent and the Western Cang Continent seem to be in an alliance relationship. Yue Feng clearly remembers that ten years ago, in order to regain the Panlong Jing, he sneaked into the Nanyun Palace and pretended to be a little eunuch. At that time, the Xicang Continent sent an envoy. The surface was to worship the Queen of Nanyun, but in fact he wanted to give the Nanyun Continent a disgrace. , deliberately made a problem in the main hall. Thread red rope with ants.

At that time, it was fortunate that Yue Feng came forward and easily solved the problem of the envoy of Xi Cang, and gave Nanyun Continent a face. Xi Cang Continent no longer dared to underestimate Nanyun Continent. After that, the two sides signed an alliance treaty.

More than ten years have passed since these things, but Yue Feng has a good memory, as if it happened yesterday.

“Report to Your Majesty.” The little eunuch responded, “The one who leads the mission is Her Royal Highness the Eldest Princess of the Southern Cloud Continent.”

What?

Hearing this, Yue Feng was shocked, and a cold and charming figure suddenly appeared in his mind.

Princess Long Qianyu?

how is she?

Back then, in Lu Bu’s ancient tomb, Yue Feng was forced by Long Qianyu to teach false formulas, which led to Long Qianyu’s infatuation. At that time, when Queen Nanyun saw it, he mistakenly thought that the two had acted between men and women, in order to protect the royal family. Face, on the spot canonize Yue Feng as the concubine.

At that time, Long Qianyu had no choice but to agree, but in his heart, he always resisted this matter and never regarded Yue Feng as his concubine.

However, in Yue Feng’s heart, he always regarded her as his own woman. Therefore, Yue Feng was very excited when he heard that Long Qianyu was coming.

Chapter 1940

“What are the Nagumo Messengers doing?” Yue Feng asked.

He was already the emperor of Xi Cang Continent, so he naturally wanted to ask about the purpose of Nan Yun Continent.

The little eunuch thought for a while and responded, “Go back to your majesty, as far as the servants know, Nannan Yunlu sent a group of envoys this time to re-sign the alliance.”

Re-sign the alliance?

Yue Feng was stunned for a moment, no, a dozen years ago, the Southern Cloud Continent and the Xi Cang Continent had been allied long ago.

“Your Majesty!”

Just when Yue Feng was surprised, the little eunuch explained: “Your Majesty doesn’t know anything. When Duan Yu killed the former emperor, the previous covenant was voided. After all, there is one emperor and one courtier.

”, the little eunuch saw the change in Yue Feng’s expression, and his tone became cautious: “Moreover, this time to sign an alliance with Nanyun Continent again, it is also Duan Yu’s intention. But he is no longer the emperor, and the current Xicang Emperor is you. ..so you have the right to decide whether to ally with the Nagumo Continent.”

Phew!

Hearing this, Yue Feng took a deep breath and his eyes darkened.

After a long time, Nagumo Continent was planning to sign an alliance with Duan Yu. It’s just that they didn’t expect that Duan Yu was no longer the emperor. The current Emperor of Xi Cang is Yue Feng.

At this time, the little eunuch said cautiously: “Your Majesty, the Southern Cloud Messengers do not know yet. Your Majesty has replaced Duan Yu’s throne. If Your Majesty does not want to ally with the Southern Cloud Continent, the servants will send a message and let them return the same way.

” No!”

Yue Feng shook his head and showed a smile: “The alliance is a good thing, why would you refuse it?”

Immediately, Yue Feng asked with a smile, “You said just now that people from the Southern Cloud Continent don’t know Duan Yu is no longer the emperor?”

“Yes, they don’t know.” The little eunuch scratched his head, and said very ashamedly: “The servants learned that the messenger group was coming, so they hurried to report to His Majesty. Before they could inform them, the Western Cang Continent has changed its dynasty.”

Yue Feng nodded . Head: “Okay, I know, you don’t need to notify, go down first.” The little eunuch responded quickly and exited the palace.

Watching the little eunuch leave, Yue Feng did not hesitate, changed his clothes, and went directly to the Ziyang Palace.

Yue Feng did not wear a dragon robe, but dressed up casually.

Haha...

On the way to Ziyang Palace, Yue Feng felt extremely comfortable.

I haven't seen Long Qianyu for a long time, and I really miss him a bit.

Moreover, this woman had always looked down on herself before, and felt that she was not worthy of her, but now, she is the emperor of Xi Cang Continent, and now it is not the same as before, does Long Qianyu dare to be arrogant?

Yue Feng wanted to see what Long Qianyu's expression would look like after learning that he was the emperor of Xicang Continent.

Soon, we arrived at the Ziyang Palace.

hiss!

The moment he walked in, when he saw the scene in front of him, Yue Feng couldn't help taking a deep breath, and his eyes couldn't move.

I saw a slender and charming figure with his back to the door, admiring the calligraphy and painting on the screen.

It is Long Qianyu.

At this time, Long Qianyu was dressed in a long purple dress and beaded flowers on her head. She was simple yet elegant and noble, especially the S-shaped curve. Any man would go crazy when he saw it.

I have to say that Long Qianyu is really a fairy-like existence. After a while, she becomes more and more charming and sexy.

call!

After watching it for a few seconds, Yue Feng realized it and walked over with a smile on his face.

Because his back was facing the door, he was appreciating the calligraphy and painting. At this time, Long Qianyu didn't realize that Yue Feng was coming.

When he got to the front, Yue Feng said with a smile, "Oh, isn't this Your Highness the Princess, long time no see!"

"Your Majesty..."

Suddenly hearing the voice, Long Qianyu's tender body trembled, and she said subconsciously, she was originally I thought it was Duan Yu, but as soon as I said a word, when I saw Yue Feng, the whole person was stunned.

Yue Feng?
