

The ultimate husband in Chinese chapter 1966-1970

Chapter 1966

Did you admit the wrong person?

Peng Jiang and Peng Hai looked at each other, stunned.

This is obviously the sister-in-law of Qingyan, how could she admit her mistake?

Thinking to himself, Peng Jiang scratched his head and smiled embarrassingly: "Sister-in-law, stop joking, you should also come to see Brother Feng, I heard that he became Emperor Xi Cang, our brothers are really happy for him. ." When the

voice fell, Peng Hai smiled and said, "Yeah, wait for a rest, let's go to the imperial city to find Brother Feng."

At this moment, Su Qingyan stomped her feet in a hurry: "I don't understand what you said. , In short, I'm not your sister-in-law, you must have recognized the wrong person."

These two people have problems with their minds, they said it themselves, they recognized the wrong person, and they called each other a sister-in-law.

Um?

Seeing Su Qingyan's resolute attitude, it didn't look like a joke, Peng Jiang and Peng Hai were completely stunned, but they couldn't recover for a while.

What is the situation.

Why doesn't the sister-in-law recognize herself? Did she quarrel with Brother Feng?

"Senior sister."

At this moment, Duan Yu, who was hiding in the dark, whispered to Su Qingyan: "They are right, these two are from Yue Feng, and the brother Feng they are talking about is Yue Feng. "

Looking at this situation, Yue Feng likes you, and his subordinates know all about getting your hands on you. Naturally, he will call you sister-in-law."

"But don't worry, now that my strength has recovered, you will be attracted to you in a while ." Their attention, I will take care of them."

This chapter is provided by . Visit for daily update.

After speaking, Duan Yu's voice was very low and low, only he and Su Qingyan could hear it.

What?

Hearing this, Su Qingyan's body trembled, and she was very nervous.

These two are also subordinates of Yue Feng?

Immediately, Su Qingyan felt annoyed in her heart, this Yue Feng is too hateful, in order to get herself, so unscrupulous, let her subordinates call her mother or sister-in-law, it is too shameless.

Thinking to herself, Su Qingyan said to the brothers, "Come here, I have something to say!" The

younger brother wanted to sneak attack, so he naturally had to cooperate.

However, on the surface, Su Qingyan was calm, but she was very nervous. After all, it was disgraceful to sneak a sneak attack.

Peng Jiang and Peng Hai looked at each other with smiles.

"Haha, I knew that my sister-in-law was joking with us."

"Yeah, I was wondering just now. My sister-in-law is always so nice to us, how could she not know us..." As they

said, the brothers hurried away came in.

When he got to the front, Peng Jiang respectfully said, "What's your sister-in-law's order?"

Om!

As soon as the words fell, Duan Yu, who was hiding in the dark, suddenly burst out with internal energy, and slapped him fiercely.

Bang!

Duan Yu's speed was too fast, Peng Jiang didn't have time to react at all, he snorted, his body was shaken, and flew more than ten meters away, landing on the rock outside the cave, a mouthful of blood spurted out, and he died.

"You..."

Suddenly seeing Duan Yu, Peng Hai turned pale in shock, gritted his teeth and said, "Duan Yu? It's you..."

Once, Duan Yu led an army to besiege the Ouyang family. At that time, the entire Tianmen desperately resisted. , Peng Hai still remembers the scene at that time, how could he not know Duan Yu.

At the same time, Peng Hai looked at Su Qingyan in surprise: "Sister-in-law, why is this..."

Brother Feng's woman was actually with Duan Yu and cooperated to kill his own brother.

"..."

Su Qingyan blushed, not knowing how to respond.

Chapter 1967

Seriously, although Yue Feng is hateful, his subordinates are not guilty enough to die. As soon as the younger brother comes up, he will make a killing move, which is really not right.

In the next second, Peng Hai was furious and shouted at Duan Yu: "Duan Yu, fuck you, pay back my brother's life." After the words

fell, Peng Hai burst out with all his strength and rushed forward. The murderous aura pervaded the sea, the surrounding air was distorted, and the

momentum was amazing.

Seeing Peng Hai attacking, Duan Yu looked disdainful.

"Kacha!"

Only a loud noise was heard, and the axe burst out, and was firmly held in Duan Yu's hand!

In an instant, the mountain-blazing axe burst into light, like a scorching sun, radiating in all directions.

Mad... open the axe!

Seeing the opening axe, Peng Hai was startled and wanted to dodge, but it was too late.

“A clown jumping on the beam, dare to be presumptuous in front of me?” Duan Yu said coldly, and the moment the voice fell, he waved hard! Just saw a touch of golden light burst out from the opening axe!

Of course, Duan Yu didn't use all the power of Kaitian Axe, but even so, it was not something Peng Hai could contend with.

At this moment, Jin Mang erupted, and Peng Hai had no time to react and was directly hit.

“Ah...”

Peng Hai let out a scream, and the whole person shed a rain of blood, flew out at once, and finally landed on the ground, losing his breath, but his eyes were wide and he couldn't rest.

These brothers, they didn't understand until they died, their respected sister-in-law would cooperate with Duan Yu and attack them.

So strong!

At this moment, looking at the scene in front of her, Su Qingyan's body trembled, and her heart was extremely excited.

The power of this opening axe is too strong.

It's just that these two didn't do anything to themselves, and the junior brother killed them directly, which was a bit cruel.

“Senior sister.”

Seeing the change in Su Qingyan's expression, Duan Yu guessed something, came over with a smile and comforted: “Yue Feng is cunning and cunning, and his subordinates are not good people, so when dealing with them, you can't be lenient.”

Said Duan Yu said with sincerity and seriousness: “Senior sister, don't worry, as long as I am here, I will never let you fall into the hands of a lecher like Yue Feng, his subordinates, come one and I will kill one, come two. , I'll kill a pair.”

Hmm!

Hearing this, Su Qingyan responded softly, and at the same time felt warm in her heart.

It is an honor to meet such a good teacher and brother.

“Senior Sister!”

At this moment, Duan Yu glanced outside the cave and urged Su Qingyan, "It's not advisable to stay here for a long time. Before their reinforcements come, let's go quickly."

With that, Duan Yu took the lead. Get out of the cave.

Su Qingyan didn't have time to think about it, and quickly followed.

When she went outside, looking at the mountains and high ground in front of her, Su Qingyan felt lost in her heart: "Junior brother, where are we going next?"

Su Qingyan only knew one Wangyou Valley, and now Wangyou Valley can't go back, she really doesn't know where to go. . Duan

Yu thought for a while, then said slowly: "Let's go to the Earth Circle. The Earth Circle is my hometown. I'm very familiar with it. I'll definitely be able to find a place to hide."

But it was cold.

Duan Yu thought about it, rather than passively being chased and killed by Yue Feng's troops, he might as well take the initiative to attack and return directly to the Earth Circle Continent to turn Tianmen and the Ouyang family upside down.

Tianmen and the Ouyang family are the foundation of Yue Feng. As long as these two places are in chaos, Yue Feng will definitely be in chaos.

Um!

Su Qingyan didn't think much about it, and nodded very warmly.

Immediately, the two set off immediately, heading towards the Earth Circle Continent.

Chapter 1968

Hula...

As soon as Duan Yu and Su Qingyan left, Hong Fei rushed over with a few Xi Cang guards.

Um?

After entering the cave and seeing the bodies of Peng Jiang and Peng Hai inside, Hong Fei and the others were shocked.

It was so cruel, the hearts of both of them were shattered forcibly.

Hong Fei could clearly see the scene of Duan Yu's sneak attack just now. Although he didn't know Peng Jiang, Hong Fei concluded that since they were so familiar with Su Qingyan, they must be from Yue Feng.

At this moment, Hong Fei didn't have time to think about it, and ordered: "Leave a few people, bring the corpses, and go back with me to see Your Majesty. For the rest, continue to follow Duan Yu, and make no mistake."

"Yes, your leader." A guard, in unison.

.....

At this time, inside the palace.

Yue Feng sat on the top of the dragon, with a gloomy face and extremely depressed mood.

I thought I could catch Duan Yu this time, but I didn't expect that he would run away again, and what made Yue Feng even more depressed was that Su Qingyan had amnesia, not only completely forgetting herself, but also desperately protecting Duan Yu.

Seriously, if it wasn't for the worry that Su Qingyan was injured, Duan Yu would be hard to fly today.

"Your Majesty!"

At this moment, Hong Fei walked in in a hurry, sweating profusely: "Just now, my subordinates encountered some situations on the way to track Duan Yu."

Shah!

Hearing this, Yue Feng stood up suddenly, his eyes full of anticipation: "What's the situation? Has Duan Yu separated from Qingyan?"

"

"No!" Hong Fei shook his head and responded respectfully, "We found two bodies, and the subordinates saw it with their own eyes, and they were killed by Duan Yu." The

voice fell, Hong Fei waved his hand, and suddenly, the guards outside, The two bodies were brought in.

Nima...

Yue Feng is very annoyed, just found two bodies, what's the fuss about?

Thinking to himself, Yue Feng frowned and looked over. At this look, it seemed like a thunderbolt hit his mind, and his whole body froze for a moment, and a sadness rose leisurely.

I saw that the two people who were carried in were Peng Jiang and Peng Hai.

At this time, the two brothers were covered in blood, with a large dent in their hearts, their faces were pale, their eyes were closed, and they were not breathing.

How could this be?

After being stunned for more than ten seconds, Yue Feng recovered, his eyes were sore, and the tears couldn't stop flowing. These brothers, who have followed him for so many years, are loyal and take the Tianmen disciples to punish the evil and help the weak. He has made a lot of contributions to the rivers and lakes of the Earth Circle.

And now, it's such a tragic death.

"You said just now that they were all killed by Duan Yu?" Yue Feng asked coldly, his voice extremely hoarse.

Hong Fei wiped the cold sweat off his forehead and said cautiously: "Yes, they were all killed by Duan Yu, and my subordinates saw it with their own eyes."

Duan Yu! Duan Yu!

Hearing this, Yue Feng's eyes were extremely blood red, and his heart was even more angry.

For this section of Yu, it's enough to deceive Su Qingyan, and now he kills his own brother, and swears not to give up until he is not torn into tens of thousands of pieces!

"You can send the order, assemble the black cavalry army, and follow me to pursue Duan Yu." A roar came from Yue Feng's mouth, echoing throughout the hall, shocking people's hearts.

At this time, Yue Feng was filled with murderous aura, extremely terrifying.

Originally, Yue Feng was concerned about Su Qingyan's safety and did not dare to press Duan Yu too tightly, for fear that if he pressed Duan Yu too hard, it would hurt Su Qingyan.

But Yue Feng never thought that his relaxation made Duan Yu unscrupulous. At this time, when he saw the bodies of the two brothers Peng Jiang, Yue Feng was completely furious and lost his mind.

“Yes, Your Majesty!” Hong Fei responded loudly and hurriedly called for the army.

A few minutes later, the black cavalry army was assembled, and under the leadership of Yue Feng, they chased in the direction of Duan Yu’s escape.

Chapter 1969

...

At this moment, the Earth Circle Continent, Mount Emei.

In the main hall, many Emei elders and elite disciples stood there respectfully, not daring to let out the air.

On the throne, Zhou Qin was wearing a long purple dress, looking extremely charming, but on her delicate face, her eyebrows were lightly locked, revealing a bit of gloom and anxiety.

Just now, Zhou Qin received news that Yue Feng became the emperor in Xicang Continent.

This news sounded like a thunder in Zhou Qin’s heart. You must know that Zhou Qin captured Liu Xuan and Zhu Rong before, went to surround and suppress the Ouyang family, and gave them back to the Ouyang family to forcibly take Heitian Pill, all because Zhou Qin had enough self-confidence.

Zhou Qin is now the leader of the martial arts alliance, with a high position and authority, while Yue Feng is just the sect leader of Tianmen, and he is not afraid at all.

But when Yue Feng became the emperor of the Xi Cang Continent, it was different. You must know that the power of the rivers and lakes in the Earth Circle Continent is not very strong. Even if Zhou Qin convened masters from various schools, it would not be hundreds of thousands of troops in the Earth Circle Continent. opponent.

How to do?

At this time, Zhou Qin was calm on the surface, but was extremely worried in his heart.

He captured Liu Xuan himself, and gave the Ouyang family the Heitian Pill. If Yue Feng found out, he would be furious. It would be bad if he led an army to besiege Emei.

“Sect Master!”

At this moment, a female disciple of Emei walked in quickly and reported, “Sect Master, I just got the news that someone found Duan Yu in the area of Wolong Mountain, along with him, and others. A woman, Su Qingyan.”

What?

Hearing this, Zhou Qin's delicate body was shocked, and she stood up at once, her delicate complexion constantly changing.

Duan Yu was robbed of the throne by Yue Feng, wasn't he arrested? Even returned to the Earth Continent?

Also, Su Qingyan is Yue Feng's woman, why are you with him?

Thinking about it, Zhou Qin looked around and directly ordered: "Issuing an order from Jianghu immediately, let all the sects go to Wolong Mountain immediately, and capture Duan Yu and Su Qingyan incomparably."

In Zhou Qin's heart, Su Qingyan was determined. It was caught by Duan Yu. Duan Yu grabbed Su Qingyan to deal with Yue Feng.

To be honest, Zhou Qin hates Yue Feng very much, but in her heart, she still retains a selfish feeling towards Yue Feng: in this world, only herself can threaten and frame Yue Feng, and no one else can.

For example, this Su Qingyan, in Zhou Qin's heart, only she can capture and threaten Yue Feng, not others.

The Jianghu order was issued soon, and immediately, the major sects sent their masters to gather at Wolong Mountain.

At this moment.

In a forest in the northwest of Wolong Mountain.

Duan Yu and Su Qingyan walked slowly forward, from the Xicang Continent to the Earth Circle Continent, the two of them trekked through mountains and waters for more than ten hours, and at this time they arrived at the Earth Circle Continent, and they still did not stop.

Duan Yu was already very tired at this time, but he did not dare to stop. He knew that Yue Feng would be furious when he discovered the bodies of the two brothers Peng Jiang, and then personally led the army to chase, so he couldn't stop. Once he stopped, he might be caught up.

I don't know how long I ran, Su Qingyan was dripping with sweat, and finally couldn't hold it anymore, and said softly: "Junior Brother, we have reached the Earth Circle, where are we going next?"

Duan Yu rolled his eyes and said with a smile: "Senior sister, hold on a little longer, and walk for another two hours, we will reach Zhongzhou City, and then we can rest for a while!"

"Zhongzhou City?" Su Qingyan was stunned.

Duan Yu showed a smile and said, "Yes, the Ouyang family is in Zhongzhou."

Su Qingyan looked puzzled: "Junior brother, where is the Ouyang family?"

She lost her memory and completely forgot that she was in Ouyang. The family lived for more than ten years, and it was also the place she used to call home.

Hu...

Duan Yu took a deep breath, his handsome face showed no emotion at all: "The Ouyang family is Yue Feng's home, his old nest, senior sister, you shouldn't know, the reason why Yue Feng acts unscrupulously is that Because of the backing of the Ouyang family, it can be said that the Ouyang family is the cancer of the rivers and lakes in the Earth Circle!"

Duan Yu's eyes flickered coldly: "As long as the Ouyang family is eradicated, Yue Feng will have no support in the Earth Circle. Senior Sister, I plan to eradicate the curse of the Ouyang family, do you want to join us?"

He knew that Su Qingyan was righteous, so he deliberately made up nonsense and smeared the Ouyang family.

"Okay!"

Hearing this, Su Qingyan didn't hesitate, nodded and said, "Since this Ouyang family is helping Zhou, it is so abhorrent, it should have been eliminated sooner, junior brother, you are so many, it is for the benefit of the rivers and lakes of the Earth Circle, Of course, Sister will help you."

Chapter 1970

At this time, Su Qingyan didn't know that she was deceived by Duan Yu.

Duan Yu smiled and nodded, but his heart was extremely proud. Haha... If Yue Feng knew, Su Qingyan would help him to make trouble with the Ouyang family and vomit blood in anger.

Thinking to himself, when he saw a small stream in front of him, Duan Yu smiled and said, "Senior sister, let's rest here now, drink some water, refresh our spirits, and then continue to the Ouyang family."

Well!

Su Qingyan responded.

Just as he was talking, there was a sudden sound of footsteps in front of him. The footsteps were very dense and fast, and there were obviously many people.

Duan Yu and Su Qingyan were both stunned for a moment, then followed the voice to look over.

hiss!

Seeing the scene behind him, Duan Yu couldn't help taking a deep breath.

I saw the direction in front of me, a group of people came, each with a sword, murderous aura, among these people, there are many familiar figures, Kongtong sect, beggar gang, raging fire hall, etc. Almost all sects gathered Elite.

The leader, dressed in a long purple dress, was indescribably charming and moving, but there was an aura that people dared not to despise, it was Zhou Qin.

Seeing this scene, Su Qingyan's body trembled.

At this time, these people also saw Duan Yu and Su Qingyan, and they were all in high spirits.

"I found it!"

"Duan Yu and Su Qingyan, that's them!"

Zhou Qin waved his hand: "Take these two for me." Zhou Qin just wanted to catch Su Qingyan!

swoosh swish...

Zhou Qin's voice fell, and more than a dozen masters of the Earth Circle Continent sect jumped into the air and charged directly towards Duan Yu!

These masters are all elites in various sects, and their strength is powerful. In an instant, the aura of a dozen masters distorted the sky, and the momentum was amazing.

Made!

Seeing this scene, Duan Yu was very angry. These people are very arrogant, and they do it without saying a word.

I thought to myself, Duan Yu didn't talk nonsense, and directly summoned the Kaitian Axe. He didn't panic at all, his expression was proud, and there was no nonsense.

"Roar!"

Only a dragon roar was heard, coming from the giant axe, and the next moment, a touch of golden light seemed to tear the world apart!

"Death!" Duan Yu yelled angrily!

"Ah!" In the

blink of an eye, more than a dozen sect masters screamed incessantly, one by one fell from the air and fell into a pool of blood.

hiss!

Seeing this scene, both Zhou Qin and the people from all sects present couldn't help gasping for air!

This... is this the power of the divine axe?

At this time, Zhou Qin's delicate body was trembling constantly, looking at Duan Yu's eyes with endless shock.

More than ten years ago, Zhou Qin had seen the power of the Heaven-Opening Axe, but at that time, Duan Yu had not fully grasped the power of the Sky-Opening Axe, but now, Zhou Qin clearly felt that Duan Yu used the Heavenly Axe, The power that erupted was many times stronger than before.

quiet!

For a time, the audience was silent, and a drop of a needle could be heard clearly.

Duan Yu killed more than a dozen masters, but did not make another shot, but quietly looked around the audience, arrogantly Lingyun.

"Haha..."

After a few seconds, Duan Yu laughed and said slowly at Zhou Qin: "Isn't this Donghai City, the famous police flower Zhou Qin? I didn't expect that after a few years of absence, it turned out to be a circle. The martial arts leader of the mainland is really handsome."

After speaking, Duan Yu thought of something, and continued: "Zhou Qin, I heard that you have been dealing with Yue Feng in recent years, and Yue Feng is also my enemy. In this case, Why don't we form an alliance? Why do we kill each other?"

When he said this, Duan Yu's face was serious, and his eyes were even more arrogant.

To be honest, with Duan Yu's strength, he is not afraid of Zhou Qin and the rest. But after escaping all the way from the Xi Cang Continent, Duan Yu was physically and mentally exhausted, and was really in no mood to fight Zhou Qin.

More importantly, Duan Yu and Zhou Qin didn't have a deep hatred, and they had a common enemy, Yue Feng, so they didn't have to kill each other.

However.

Zhou Qin was too lazy to talk nonsense, with her delicate face, without the slightest fluctuation, she said lightly to Duan Yu: "Duan Yu, stop talking nonsense, leave Su Qingyan behind, you can leave, I won't stop you."
