Chapter 2061 When the

voice fell, the civil and military officials quickly shut their mouths, each and everyone was silent like a cicada.

After all, Long Qianyu has a high position in the Southern Cloud Continent and is very prestige. Seeing her angry at this time, there are no ministers present who are not afraid.

Even Yue Feng's heart trembled inexplicably, looking at Long Qianyu with complicated eyes, and muttered secretly.

Nima, as expected of the eldest Highness Princess.

This aura is too strong, and when you get married in the future, you have to be careful.

"Imperial sister!"

At this moment, the queen sighed lightly and looked at Long Qianyu helplessly: "Even if you don't want to get married now, you have to give a reason to convince everyone, you must know that your marriage, it's not about you alone, it's also about the reputation of our Nanyun royal family."

After speaking, the queen's face became serious and continued: "You don't want to get married, and you can't come up with a reason, how can this be done?"

I..."

Long Qianyu bit her lip tightly, thought for a while, looked at the queen and said, "Sister Huang, if you want me to marry Yue Feng, yes, but I have one condition.

"Then, Long Qianyu looked at Yue Feng with a half-smile, "I'm afraid he can't do it."

Huh?

Facing Long Qianyu's gaze, Yue Feng frowned secretly.

What is this woman going to do?

At the same time, the queen pondered for a while, then smiled: "Okay, tell me, what are the conditions?"

This chapter is provided by . Visit for daily update.

Phew!

At this moment, the surrounding civil and military officials were all very curious.

The eldest princess actually put forward conditions to the concubine.

What will this condition be?

But Yue Feng reacted, but he smiled without saying a word.

He could see that Long Qianyu was still very resistant to this marriage, saying that he had conditions, but in fact he wanted to continue procrastinating.

call!

Finally, Long Qianyu breathed a sigh of relief, looked closely at Yue Feng, and said word by word, "My condition is that within a month of Yue Feng, if he can sit on the emperor of Xi Cang Continent, I will marry him. I don't want to marry a man who can't even keep the throne. If he can regain the throne of Xi Cang within a month, I will marry him."

What?

Hearing this, there was an uproar in the audience, looking at Yue Feng one by one, his eyes flickering with complexity.

This...

Yue Feng was the emperor of Xicang Continent before, and was finally taken back by Duan Yu. Under such circumstances, how could Yue Feng be the emperor of Xicang Continent again?

Moreover, there is also a time limit, one month?

shit.

At this moment, Yue Feng was also stunned, not knowing whether to laugh or cry.

This Long Qianyu, really quick-witted, actually thought of a condition that he couldn't handle.

In the current Xi Cang Continent, I am afraid that Duan Yu has regained control. With the lesson of the last time, Duan Yu must be strictly guarded. How can he have a chance to regain the throne?

Don't say a month, I'm afraid that if I give it another two months, I can't do it myself.

quiet!

At this moment, the entire hall was silent, almost a needle drop could be heard.

Even the queen was completely silent, looking at Long Qianyu helplessly.

The Queen's mind is smart, and she naturally sees that Long Qianyu is deliberately making things difficult for Yue Feng, but so many ministers around are watching, how can she be so embarrassed to blame her?

Seeing this scene, Long Qianyu showed a smile, and looked at Yue Feng with some pride: "How? Can you do it?"

At this time, Long Qianyu was in a very relaxed mood, and even more proud of his own wit.

I'm really too smart to think of such a wonderful reason.

Chapter 2062

"The eldest princess."

Yue Feng scratched his head and gave a wry smile: "If I do my best, it is not difficult to take back the throne of Xi Cang, but it's just a little bit more pressing for a month, you see... .."

Before he could finish speaking, Long Qianyu interrupted directly.

"Yue Feng, don't ask me to extend the time for you. It's just a month. If you can't do it, you're not qualified to be my man." Long Qianyu said coldly.

Ugh!

Yue Feng sighed, very speechless.

This Long Qianyu is really difficult to deal with.

Thinking to myself, Yue Feng will agree.

"Your Majesty!"

However, at this moment, a eunuch walked in quickly and respectfully said to the Queen: "The envoy of Xi Cang is asking, and is now waiting outside the palace."

Huh?

In an instant, whether it was the Queen, Yue Feng, or everyone around, they were all stunned.

What a coincidence, just as Yue Feng could become the emperor of Xi Cang Continent again, this Xi Cang messenger came.

The next second, the queen reacted and raised her jade hand: "Announce him to come in."

"Yes." The eunuch responded quickly and walked out quickly.

A few seconds later, the eunuch walked in with a Xi Cang messenger.

Chen Yuan?

Seeing this messenger, Yue Feng was stunned.

This Xicang messenger, known to Yue Feng, is the Minister of Rites of Xicang Continent, called Chen Yuan. Before Yue Feng was the emperor in Xicang Continent, he had summoned him twice.

Swish!

At this moment, the eyes of everyone in the hall were also focused on Chen Yuan, all pondering the purpose of this messenger from Xi Cang.

However, at this moment, a scene that shocked everyone appeared.

Pfft!

Seeing Chen Yuan walking straight to Yue Feng, he knelt down directly, his face full of sincerity and urgency: "Your Majesty, the situation in Xicang Continent is chaotic now. I implore Your Majesty to return to Xicang Continent immediately to preside over government affairs and stabilize people's hearts."

What?

In an instant, the entire hall was in an uproar, and everyone was stunned.

This... this messenger of Xi Cang, what are you calling Yue Feng? His Majesty?

Especially Long Qianyu, his delicate body trembled, his eyes fixed on Yue Feng, his delicate face was full of surprise.

This is impossible, Yue Feng has already lost the throne, how can he still be the emperor of Xi Cang Continent?

However, the envoy of Xi Cang in front of him clearly called him His Majesty, and he would not have heard it wrong.

Yue Feng was also stunned, looked at Chen Yuan with a puzzled expression, and was speechless.

What's the matter?

The next second, Yue Feng calmed down, looked at Chen Yuan and asked, "Chen Yuan, get up first and clarify the situation."

When he said this, Yue Feng's eyes were full of suspicion.

At that time in Mount Emei, Hong Fei took the lead and re-appointed Duan Yu as emperor. Why is there no emperor in Xicang Continent now?

Where did Duan Yu go?

"Your Majesty!"

Chen Yuan wiped the sweat from his forehead and told the whole story.

It turned out that Duan Yu was on Mount Emei and was severely injured by Yue Wuya. He didn't know where to hide to recuperate, and he did not return to the Xicang Continent at all. At that time, only tens of thousands of Xicang troops returned. In the days that followed, Duan Yu seemed to have disappeared and never returned.

Under such circumstances, Xi Cang Continent was suddenly in a state of leaderless dragons.

After saying this, Chen Yuan looked at Yue Feng with respect and anticipation in his eyes: "Your Majesty, the civil and military affairs of the dynasty are all waiting for His Majesty to go back and preside over the overall situation. Xicang Continent cannot do without His Majesty, so please go back with your Majesty. Let's go."

Recently, Yang Jian led the army to conquer various continents, and Xicang Continent, like other continents, was almost panicked.

Chapter 2063

Just last night, I learned that Yue Feng helped Nanyun Continent defeat Yang Jian's army, and the civil and military officials of Xi Cang Continent hurriedly held a meeting and finally decided to invite Yue Feng back.

After all, in the entire Kyushu, only Yue Feng can block Yang Jian's iron cavalry. With him, Xi Cang Continent can be assured of worry-free.

Phew...

Hearing this, Yue Feng took a deep breath and suddenly felt in his heart.

That's what happened.

"Your Majesty!"

Seeing that Yue Feng was silent and did not respond, Chen Yuan suddenly became anxious and pleaded: "That bastard Hong Fei actually betrayed His Majesty on Mount Emei and helped the villain Duan Yu, it is a crime that deserves death, so, Before the minister came, he and other ministers had joined forces to put Hong Fei in the prison, waiting for His Majesty to go back and deal with him personally!"

"Your Majesty, this minister is sincere, inviting His Majesty to go back, also represents the entire Xi Cang Continent people. Your Majesty will agree, His Majesty has a broad heart and cannot abandon Xicang Continent."

After saying this, Chen Yuan knelt on the ground and kept kowtowing at Yue Feng, his attitude was extremely sincere.

wow.

Seeing this scene, everyone around was dumbfounded, staring at Yue Feng, speechless.

Long Qianyu's body trembled even more, biting her lips tightly, her heart was extremely shocked. And looking at Yue Feng's eyes, it is even more complicated and unbelievable.

call!

Finally, Yue Feng reacted, looked at Chen Yuan dumbfounded, raised his hand and said, "Okay, don't kowtow, I promise to be the emperor of Xi Cang Continent."

In the current situation, if he doesn't agree, I'm afraid Chen Yuan wants to break his head.

Moreover, being the emperor of Xi Cang Continent has only advantages and no disadvantages, so why not agree.

"Your Majesty is merciful, and the ministers represent the civil and military affairs of the Manchu Dynasty. Thank you for your long grace." Chen Yuan was overjoyed, said very gratefully, and then stood up.

Yue Feng smiled, and then said seriously: "I can go back to preside over the overall situation, but not now, because I have more important things to do, so you go back first, rest assured, knowing that I am the emperor of Xi Cang Continent, Yang Jian doesn't dare to act rashly." The

reason why Yue Feng came to the Southern Cloud Continent was to find Su Qingyan. Now that Qingyan has not been found, how can it be possible to go to Xicang Continent to be the emperor?

"Yes, Your Majesty." Chen Yuan responded quickly.

Yue Feng was too lazy to talk nonsense, and after explaining a few words, let Chen Yuan leave.

Swish!

As soon as the forefoot left, all the Nanyun officials in the hall knelt down to Yue Feng and shouted in unison.

"Chen and so on, see Your Majesty Xi Cang."

"Long live, Long Live Your Majesty Xi Cang..."

Although Yue Feng is the emperor of Xi Cang Continent, he is also the honorable person of the Ninety-five Continent. You have to kneel too, the rules cannot be broken.

Of course, except for Long Qianyu, who is still stunned.

At the same time, the queen also stood up, looked at Yue Feng with a smile and said: "Congratulations, Yue Feng, you have become the emperor of Xi Cang Continent again." After

saying that, the queen pointed to the position around her and continued. : "Now that you and I have the same status, and we are on an equal footing, you should also come up and sit."

He is the consort of the emperor's sister. thing.

Yue Feng smiled slightly, shook his head and said, "Your Majesty, don't be polite, I'm more casual, and it's the same wherever I sit."

Then, Yue Feng looked at Long Qianyu with a smile: "Your Highness, what did you say just now?"

Swish!

The voice fell, and the eyes of the entire hall focused on Long Qianyu.

Just now Long Qianyu said that as long as Yue Feng becomes the emperor of Xi Cang Continent again within a month, he will agree to marry.

And now, in less than half a moment, Yue Feng did it directly.

Now, Long Qianyu should have nothing to say.

“I...”

Long Qianyu bit his lip, almost bleeding, and he couldn't go on after only one word.

She never dreamed that she had deliberately created a problem for Yue Feng, thinking that he could not do it, but in a blink of an eye, Yue Feng really became Emperor Xi Cang again.

It was so unexpected.

Moreover, this Yue Feng's luck is also very good.

Chapter 2064

“Imperial Sister!”

Seeing Long Qianyu's delay in making a decision, the Queen said softly: “Okay, the conditions you mentioned before are considered a joke, your marriage is related to two continents. The fate between the two, don't hesitate, what date will your marriage be, you can tell for yourself.”

Seriously, if the envoy from Xi Cang hadn't come and the scene just now hadn't happened, the queen would have acquiesced to Long Qian. Yu's decision to let her continue to drag.

But now, Yue Feng has become the Emperor of Xi Cang again, and his identity is different. Moreover, so many ministers around him are watching, if the emperor's sister goes back on her word, it will be unreasonable, and she will lose face.

“Then...”

Seeing the Queen speak, Long Qianyu knew that it would be impossible for him not to agree to the marriage today, so he lowered his head and said softly, “Then it will be a month later. If it is a few days, then it's too hasty, after all, the marriage is a major event, and many things have to be prepared.” To be

honest, Long Qianyu was very conflicted with Yue Feng's marriage.

But there is no way, the condition is proposed by himself, and Yue Feng has done it, so he has nothing to say.

“Okay!”

With a smile on the Queen’s face, she nodded and said, “Then it will be a month later.”

Immediately, the Queen ordered to the civil and military officials: “Starting from tomorrow, immediately prepare for the wedding of the eldest princess, and no details can be made. Sloppy.”

“Yes, Your Majesty!” The civil and military officials responded in unison.

Immediately afterwards, they approached Yue Feng and held their hands together to celebrate.

“Congratulations, Concubine, oh no, Your Majesty...”

Yue Feng smiled slightly, but he was not too excited or excited.

Su Qingyan hasn’t found it yet, how can she be happy?

Two hours later, the celebration banquet was over, and the queen, Long Qianyu, and hundreds of civil and military officials left the hall one after another.

At this time, Yue Feng called all the generals together.

“Send the order, send these portraits immediately, no matter what, find her.” Yue Feng took out Su Qingyan’s portrait and handed it to the general in front of him, with a serious look on his face.

This portrait was painted by Yue Feng before he attended the celebration banquet. The Queen and Long Qianyu were present before, so I was embarrassed to take it out.

“Yes.” The generals responded in unison, and then quickly went to prepare.

call!

At this moment, Yue Feng looked up at the night sky above his head, let out a long sigh of relief, and prayed secretly in his heart.

Light smoke, no matter where you are, I will definitely find you.

—Yue

Feng led the Nanyun army, defeated Yang Jian's army in one fell swoop, and forced Yang Jian to withdraw from the Nanyun Continent. This matter soon spread throughout the Kyushu Continent.

For a time, Yue Feng's reputation spread far and wide, and he became a famous figure in the Kyushu mainland, everyone knows it.

You must know that Yang Jian is a peerless powerhouse who has been famous for many years. It is incredible that Yue Feng can defeat him.

At this moment.

Northern Ying Continent, Imperial Palace.

In the hall, Yang Jian sat there in a dragon robe, his face extremely gloomy.

Below, the Gonggong and civil and military officials stood there tremblingly, not daring to take a breath.

At this time, Yang Jian was very annoyed.

He was defeated and retreated in the Nanyun Continent, and the news spread. Now all continents are talking about this matter, and he has become the laughing stock of the Kyushu Continent. The prestige of Erlang Zhenjun is almost destroyed.

Yang Jian was always arrogant, but now being laughed at by the Kyushu mainland is more uncomfortable than killing him.

"Gonggong."

Finally, Yang Jian looked at Gonggong and said coldly: "Send someone immediately to monitor Yue Feng's every move. Remember, you must pay special attention to Guiguzi, and if there is a situation, report it immediately."

Yang Jian once He is also the owner of Linglong Pagoda. Of course, he knows that Guiguzi is trapped on the fourth floor of Linglong Pagoda. Therefore, after withdrawing to Beiyang Continent, Yang Jian realized that Guiguzi must have been released by Yue Feng from Linglong Tower.

It's just that when Yang Jian controlled Linglong Tower, he couldn't order Guiguzi to do things for him, and naturally he didn't believe that Guiguzi would recognize Yue Feng as the master.

But Guiguzi helped Yue Feng, it was a fact.

Yang Jian was very jealous of Guiguzi. As long as Guiguzi was by Yue Feng's side, Yang Jian would not dare to act rashly.

Yang Jian thought about it, and found out what happened to Yue Feng and Guiguzi as soon as possible. As long as the situation was thoroughly investigated and he knew himself and the enemy, he could deal with Yue Feng.

"Yes, Your Majesty!" Gong Gong responded and walked out of the hall quickly.

call!

At this moment, Yang Jian's eyes narrowed slightly, looking at the sky outside, his face was calm, but his heart was filled with anger.

Yue Feng, you'd better not let me take the chance.

Otherwise, I will make you regret coming into this world.

.....

Two days later, Nagumo Continent.

Royal Palace.

At this time, Yue Feng, wearing a silk nightgown, was lying on the soft couch very depressed.

For two days, he had sent people to search all over the Nanyun Continent, but Su Qingyan had never been found.

Light cigarettes will not be a problem, right?

Chapter 2065

Thinking of this, Yue Feng became more and more anxious.

"Master Consort!"

At this moment, a military general walked in quickly and said to Yue Feng, "Good news, we have found the trace of Su Qingyan."

Since he was not in Xicang Continent, Yue Feng specially ordered The people below, don't call yourself Your Majesty, so everyone can only call him Consort.

Yeah?

Hearing this, Yue Feng was shocked, almost jumped up from the soft couch, and looked at the general: "Where is she now?" After

saying that, Yue Feng was about to change his clothes and go out immediately.

"Master Consort, don't get excited." The general scratched his head and said in a complicated tone, "We just found the traces of Su Qingyan, but we didn't find her. Moreover, according to the clues, Su Qingyan has already left the Southern Cloud Continent. "

What?

Hearing this, Yue Feng was originally excited, but instantly became half cold.

Qingyan left the Nanyun Continent?

"Master Consort!" The general said the situation with a helpless expression on his face.

It turned out that Yang Jian led the army to invade before, and the entire Nanyun Continent was in a panic. Many people left their homes and went to other continents for refuge. Under such circumstances, Su Qingyan couldn't stay in the Nanyun Continent anymore.

At the end of the story, the general said cautiously, "Master Consort, we got a clue. Someone saw that Su Qingyan followed a caravan to the Yellow Sea Continent."

Yellow Sea Continent?

Yue Feng frowned, and in his mind, a pretty figure disguised as a man could not help but emerge. It was from the Yellow Sea Continent, and she was also the daughter of the owner of the Famous Sword Villa, Ye Ziyi.

Yue Feng clearly remembered that when the Tianqi royal family held a competition for Ren Yingying to recruit relatives, he knew Ye Ziyi on the first day he signed up. At that time, he thought she was a man, and finally realized that she was an eldest lady. He also helped her a lot.

I have never been to the Yellow Sea Continent, and I know almost nothing, and Famous Sword Villa is famous in the Yellow Sea Continent. If you ask Ye Ziyi to help, you will definitely be able to find Su Qingyan.

Thinking to himself, Yue Feng did not hesitate, looked at the military general in front of him and said, "Get ready now, I want to go to the Yellow Sea Continent right away."

"Yes, Consort!"

To be honest, the concubine is only a false name, and he has no right to command these generals, but Yue Feng has a military talisman in his hand, and the military power is in his hands, so these generals naturally dare not disobey.

A few minutes later, everything was arranged properly, Yue Feng said goodbye to the Queen, and hurried to the Yellow Sea Continent.

.....

Yellow Sea Continent, Famous Sword Villa!

Famous Sword Villa is located in the southeast of the Yellow Sea Continent, surrounded by mountains and rivers, with beautiful scenery.

Famous Sword Villa is famous for casting weapons and has been passed down for thousands of years.

Speaking of which, the location of Mingjian Villa is a bit remote, and because it is an important place for casting weapons, there are usually very few visitors, but today, it is crowded with people and it is very lively.

Because today, Famous Sword Villa holds the annual sword tasting conference.

The Swordsmanship Conference is a grand gathering of Jianghus and lakes set by Famous Sword Villa thousands of years ago. It is held once a year. At this time of each year, Famous Sword Villa will invite all parties in Jianghu to appreciate the latest weapons.

I have to say that the ancestors of Famous Sword Villa are very far-sighted. Since the establishment of the Sword Contest, the reputation of Famous Sword Villa has gradually increased in the Yellow Sea Continent, and the relationship with various forces is also very harmonious.

You must know that the weapons cast by Mingjian Villa are first-class products when placed outside. It is the dream of every cultivator in the Yellow Sea Continent to get weapons cast by Mingjian Villa.

At this time, the Famous Sword Villa was full of lanterns! Inside the manor, distinguished guests gathered. It can be said that it is a sea of people, there are tens of thousands of people!

It can be said that almost all the forces in the Yellow Sea Continent are here!

At this time, outside the gate of Mingjian Villa, on the side of the road diagonally opposite, stood a handsome man quietly.

She was dressed in ordinary clothes, but her body was filled with a unique aura.

It was Yue Feng.

Deciding to ask Ye Ziyi to help, Yue Feng came directly to Mingjian Villa after he came to the Yellow Sea Continent, but at this moment, when he saw the scene in front of him, Yue Feng was stunned.

I go!

What's the situation? Isn't Famous Sword Villa specialized in casting weapons? The surrounding area should be heavily guarded, and outsiders are not allowed to approach. Why is it so lively?

A few seconds later, Yue Feng pulled a passerby to inquire, and only then did he know that today was the Sword Art Conference held at Mingjian Villa.

"Nima, I knew this earlier, so I prepared a gift in advance." Yue Feng muttered and walked towards the gate.

However, as soon as he arrived at the gate, he was stopped by the guard: "Hey? You stop." The

guard was a boy in his twenties, with an arrogant face. At this moment, he looked up and down at Yue Feng, his face full of impatience.

Famous Sword Villa, but a famous foundry family in the Yellow Sea Continent, invites heroes from all walks of life for the annual Sword Art Conference, not just anyone can come in.

Yue Feng didn't care about the guard's attitude, showed a smile, and

said, "I'm here to visit." After that, he was about to go in.

"What's the matter?"

At this moment, the housekeeper Ye Min happened to be not far away. Seeing the situation here, he frowned and walked over with a lofty attitude.

Famous Sword Villa is sought after by the entire Yellow Sea Continent. Therefore, the servants of the villa have also developed a habit of arrogance.

"Housekeeper, this kid wants to sneak into the conference, I think he wants to steal weapons." The guard quickly said.

In the past few years, every time the Sword Art Conference was held, there would be some scoundrels who would sneak into the conference while taking advantage of the excitement and try to steal the weapons on display. Although they were unsuccessful, this kind of thing happened more than once.

The boy in front of him, dressed in ordinary clothes, was definitely not invited, and his motives must be impure.

The ultimate husband in Chinese chapter 2066-2070

Chapter 2066

Want to sneak into the Sword Art Conference?

The housekeeper Ye Min looked up and down Yue Feng, and couldn't hide his contempt: "Boy, you are not allowed to enter without an invitation, no matter what your purpose is, I will give you a chance, and hurry up, otherwise, don't blame me for being rude!" The

current generation of rats in the rivers and lakes has become more and more bold, and it is really hateful to dare to blatantly sneak into the Sword Contest.

To deal with such a person, there is no need to be polite.

Like the guards, Ye Min also believed that Yue Feng wanted to sneak into the conference to steal the displayed weapons.

What the fuck?

Does this person from Jianshanzhuang speak so arrogantly?

Yue Feng frowned, feeling a little unhappy in his heart, but he still smiled and looked at Ye Min and said, "You are the housekeeper of Mingjian Villa, right? Please inform your young lady that there are guests visiting!

" At that time, Yue Feng was very helpless.

When she was separated from Ye Ziyi, Ye Ziyi once said that if she visited by herself, she would definitely come to greet her in person.

It's just that Yue Feng didn't expect that he came to Mingjian Villa, but was stopped by the housekeeper and guards. If he couldn't get in and couldn't see Ye Ziyi, how could he ask her to help find Su Qingyan?

Um?

At this moment, Ye Min was stunned for a moment, followed by a sneer: "Boy, don't you understand people's language? Don't think I don't know, you want to go in and steal the weapons we showed, and even use our lady as a weapon. Excuse me, I don't think you will cry until you see the coffin."

Ye Min waved his hand when the voice fell.

Whoops!

This chapter is provided by . Visit for daily update.

In an instant, several disciples of the famous Sword Villa walked over quickly and surrounded Yue Feng.

This time, a lot of people gathered around, all pointing at Yue Feng.

"This kid, dare to come to Mingjian Villa to make trouble? Are you tired of living..."

"That is, looking at his appearance, he was not invited, he must be trying to steal weapons while there are many people..."

"Also No wonder, every weapon cast by Famous Sword Villa is a fine product, and people in the world, who doesn't want to own one?"

Everyone's comments, you and me, were all contemptuous, and no one sympathized with Yue Feng.

Nima!

Seeing this scene, Yue Feng was ridiculous and a little angry.

There are quite a few people in this world who look down on people.

"Good boy!"

Seeing that Yue Feng didn't mean to leave, Ye Min suddenly became angry and shouted: "You're not going away, right? It seems that if I don't give you some color, you don't know how powerful our Famous Sword Villa is. Take him down for me and torture him."

Buzz buzzing... As

the voice fell, several disciples of the famous Sword Villa burst out their inner strength and prepared to attack Yue Feng.

To be honest, Yue Feng hid his inner strength because he didn't want to make it public. Otherwise, these disciples of the famous sword villa would definitely not dare to be so reckless when they felt the breath of Yue Feng.

Looking at the disciples of the famous Sword Villa who rushed over, Yue Feng did not panic at all.

These disciples are all in the Martial Saint Realm, and Yue Feng has full confidence that they will all lie on the ground within a second without hurting anyone.

“Stop!”

However, just as Yue Feng was about to start, there was a coquettish shout, and then, a slender figure came out of the yard.

It was Ye Ziyi.

Ye Ziyi was in the courtyard, chatting with the guests, and when she heard the movement outside the door, she came out to have a look. When she saw a few disciples surrounding Yue Feng, she exited to stop it.

At this time, Ye Ziyi hadn't seen Yue Feng's face yet, but she only knew that today's Sword Art Conference was related to the statement of the famous Sword Villa.

In an instant, everyone around was agitated.

“Miss Ye is here.”

“It's so beautiful...”

“As expected of the number one beauty in Famous Sword Villa...”

Chapter 2067 During the

discussion, many men stared at Ye Ziyi, their eyes straight.

At this time, Ye Ziyi, dressed in a bright yellow dress, perfectly displayed her exquisite figure, her delicate face, her hair like clouds, and her head wearing a pearl hairpin, which was indescribably glittering and charming.

hiss!

At this moment, Yue Feng was also stunned, and couldn't help but take a deep breath.

I'll go, is this still Ye Ziyi who disguised herself as a man?

I didn't expect her to look so sexy in women's clothes.

To be honest, when he was in the Apocalypse Continent before, when he participated in the competition to recruit relatives, what Yue Feng always saw was Ye Ziyi disguised as a man. The crime of deceiving the king should be beheaded.

At this time, when he suddenly saw Ye Ziyi wearing women's clothes and felt her charming and moving, Yue Feng was stunned.

beautiful!

So beautiful.

"Miss!"

At this time, Ye Min quickly walked up to meet him, smiling with a smile: "There is a rat in the rivers and lakes who wants to infiltrate our sword-picking conference, and I am slamming him away."

When he said this, Ye Min still Do not forget to look at Yue Feng with contempt.

Um!

Ye Ziyi nodded and said softly: "Even so, let's not do it, there are so many distinguished guests here watching, we have to pay attention to the impact... eh?" As

she was talking, Ye Ziyi looked at it lightly. Glancing at Yue Feng, his delicate body trembled.

This...you read it right.

Is this Yue Feng? Is he the rat in the rivers and lakes that the housekeeper said?

At this moment, Ye Ziyi was both stunned and surprised. You must know that when Yue Feng was in the martial arts competition, every match was outstanding, especially the last match, which was amazing.

After that, Yue Feng's identity was exposed, and with his own strength, he resisted the many masters of the Tianqi royal family, which deeply shocked Ye Ziyi's heart.

In Ye Ziyi's heart, Yue Feng is a hero who stands above the ground, is omnipotent, and is also his idol. Can you be unhappy when you see it suddenly at this time?

A few seconds later, Ye Ziyi reacted, walked over quickly, her delicate face was full of surprise, and said to Yue Feng, "Are you here to find me?"

Ye Ziyi was very happy when she said this.

Yue Feng is from the Earth Circle Continent, and it is impossible for him to come to the Sword Art Conference. When he parted ways with him last time, Yue Feng had said that he would visit him if he had the opportunity.

Can you not be happy when idols come to find you?

“Yes.” Yue Feng nodded with a smile, then thought of something, leaned a little closer, and whispered to Ye Ziyi: “I’m here this time, besides meeting your friend, there are important things that need your help. , Just to be cautious, don’t reveal my true identity.”

The

voice was so small that only Yue Feng and Ye Ziyi could hear it. That’s right, Yue Feng tried his best not to reveal his identity, because Yue Feng knew that now Yang Jian must be chasing him everywhere.

Um!

Ye Ziyi nodded quickly, smiling like a flower, unable to hide her inner excitement.

This....

seeing this scene, everyone around was dumbfounded, looking at Yue Feng blankly, very surprised.

This kid actually knew the Miss Ye family.

At this time, Ye Min reacted and looked at Yue Feng with a complicated look, feeling a little uneasy in his heart.

It’s broken, I just slammed him away, will the lady blame herself?

“Ye Min!”

At this moment, Ye Ziyi turned to look at Ye Min, and said lightly, “This person is my friend, not some kind of rat in the rivers and lakes. Don’t do this until the situation is clarified in the future.”

When saying this , Ye Ziyi looked calm and did not fluctuate in the slightest, but her anger was suppressed in her heart.

The housekeeper and the door guard, relying on the reputation of the famous sword villa, became more and more outrageous. If Yue Feng was not willing to reveal his identity, he really wanted to reprimand them.

“Yes, miss!” Ye Min wiped the sweat from his forehead and nodded quickly in response.

Chapter 2068

Ye Min squeezed a smile at Yue Feng: “It turned out to be a distinguished guest, I’m really sorry, I’m sorry...” The

mouth was respectful, but Ye Min looked at Yue Feng’s eyes, still revealing a bit of Disdain.

Everyone in Famous Sword Villa knows that although Ye Ziyi is the eldest lady, she likes to disguise herself as a man, travels around, and has a cheerful personality. Every time she goes to a place, she makes many friends.

At this time, in Ye Min’s eyes, although Yue Feng was a friend of the young lady, he definitely had nothing to do with him. She was so disrespectful to him just now, but the young lady did not punish herself, but said a few words lightly.

If it is really a distinguished guest, will the lady forgive herself lightly?

At the same time, many people around them reacted and couldn’t help but whisper.

“This kid has no background at first glance, but he is actually a friend of Miss Ye?”

“Yeah, I heard that Miss Ye likes to go out and travel, and prefer to make friends. This kid must be lucky to meet Miss Ye. “...”

“Looks like I’ll have to find out more about Miss Ye’s movements in the future, and when she travels next time, I’ll have an encounter with her too, haha...”

Like Ye Min, everyone around me also He thinks that Yue Feng is an unknown person Ye Ziyi knew in the arena.

Yue Feng could hear the surrounding discussions clearly, but he didn’t care.

Although Ye Ziyi is a girl, she has a cheerful personality and doesn’t care about these gossips. At this time, she pulls Yue Feng with great interest: “The sword art conference is about to start, let’s go in and talk.

” Otherwise, it is his honor that he is willing to come to him.

After all, this is a hero who is famous in Jiuzhou.

“Okay!” Yue Feng nodded with a smile, and then walked in with Ye Ziyi.

At this time, the hall was almost full of high-ranking friends, and all the people who came were people with heads and faces in the rivers and lakes of the Yellow Sea Continent.

Swish!

At this moment, seeing Ye Ziyi bringing an ordinary boy in, everyone's eyes suddenly converged on Yue Feng.

Who is this kid? Dressed in such an ordinary manner, she was greeted in person by the Miss Ye family?

However, most people are not too surprised, because they all know that Ye Ziyi has made many friends on the rivers and lakes.

"Just sit here."

Ye Ziyi didn't pay attention to everyone's eyes, went straight to the front row and sat down, then pointed to the seat next to him, and smiled at Yue Feng: "This was originally my cousin's seat, he has something to do. If you let me know before you come, I will definitely help you arrange a better position."

Ye Ziyi's delicate face was full of sincerity and reverence at this time.

A character like Yue Feng, who comes to the Sword Art Conference, is definitely the first place in the VIP seat.

"Haha..."

Yue Feng smiled, shook his head and said, "Miss Ye doesn't need to be so polite, it's the same wherever I sit."

The purpose of his visit was to find Su Qingyan, not to participate in the Sword Contest. Location doesn't matter.

What?

Seeing this scene, everyone in the hall was stunned again.

what's the situation?

Even if this kid is a friend of Miss Ye's family, he has no background at all, so he was actually placed in the VIP seat?

Moreover, Miss Ye's relationship with him seems to be quite close...

Originally, the surrounding guests didn't pay much attention to Yue Feng, but when they saw Ye Ziyi's attitude towards him, they couldn't help but speculate.

To be honest, although Yue Feng has a very good reputation in Kyushu, he has never been to the Yellow Sea Continent. Therefore, these people from the Yellow Sea Continent do not know him either.

"Huh?"

Finally, in the whispered discussion of the crowd, a man couldn't help but stand up, looked up and down at Yue Feng, and asked in a bad tone: "This looks like a freshman, dare to ask where he came from. My friend!"

This person is called Dong Long, Ye Ziyi's cousin, and the Dong family behind it is a famous cultivation family in the Yellow Sea Continent, and it is very powerful. Therefore, as the young master of the Dong family, Dong Long has a strong sense of superiority.

More importantly, Dong Long has liked Ye Ziyi since he was a child. At this time, seeing her bring an ordinary boy in, not only sitting together, but also talking and laughing, Dong Long felt very upset for a while.

Chapter 2069

Dong Long's eyes made Yue Feng feel very unhappy, but he still smiled slightly and responded: "I'm just a nobody in the world. I'm fortunate enough to know Miss Ye, and I don't have any background!"

Seriously, Yue Feng knows how to hide Identity will bring a lot of inconvenience.

But there is no way. Now that Yang Jian is attacking other continents, the situation in Kyushu is very tense, and he has defeated Yang Jian's army in the Southern Cloud Continent, making Yang Jian's reputation discredited. If Yang Jian knew that he had come to the Yellow Sea Continent alone, Surely someone will be sent to kill him.

So, to be on the safe side, it's better to hide your identity.

When the voice fell, Ye Ziyi also said: Yes, this is my friend. "

This cousin has used a gun to bully the weak since he was a child. Ye Ziyi doesn't like him from the bottom of his heart.

Friends?

Hearing this, Dong Long and the people around him looked at Yue Feng's eyes at the same time, and it became even more interesting!

Pfft!

Ye Ziyi is in a class. Sister, couldn't help but laugh: "Sister Ziyi, what kind of friend are you, you look so stupid. At

this time, Dong Long reacted, sneered, and said yin and yang strangely: "Cousin, we all know that you like to make friends everywhere, but today is the sword tasting conference of Mingjian Villa, which is of great significance. The eldest lady, you can't bring in all kinds of cats and dogs, it will affect the image of Mingjian Villa..."

When he said this, Dong Long gave Yue Feng a contemptuous look.

Wearing such ordinary clothes, it's not a cat or a dog. How can I be qualified to enter the hall and sit in the VIP seat? A cat or a

dog?

Hearing these four words, Yue Feng's expression changed slightly, and he felt a little harsh, but he didn't care much.

If it was ten years ago, Yue Feng's blood was strong, and he would definitely not be able to bear it.

But now, Yue Feng is too calm, and, like Dong Long, who judges people by their appearance, Yue Feng has seen too many, and there is no need to care.

However, Ye Ziyi couldn't listen anymore, she stood up all of a sudden, glared at Dong Longjiao and said, "I'm the eldest lady of Famous Sword Villa, and it's my right to let whoever sit beside me at this Sword Contest. , don't worry about it."

At this time, Ye Ziyi was very angry.

Yue Feng is his idol, but his cousin calls him a cat and a dog. Can you not be angry?

Uh...

In front of everyone, being reprimanded by his cousin, Dong Long was very embarrassed, blushing and speechless.

The next second, Dong Long accompanied the smiling face and said to Ye Ziyi: "Oh, I'm just joking, why is my cousin so angry?" The

voice fell, Dong Long sat down, just looking at Yue Feng's eyes, still Glittering deep cold.

Mad, a boy without any background, how could He De be so favored by his cousin?

The surrounding guests also looked at Yue Feng and couldn't help but whisper.

"This young lady from the Ye family is too self-willed to bring everyone in..."

"Yeah, it's absurd that a boy with no background should be placed in the VIP seat."

"Forget it, this is someone else's. Let's not worry about the Famous Sword Villa." While we were discussing, we saw a middle-aged man in a black silk robe walking slowly into the hall, with a refined and aura.

Whoa!

As soon as this person appeared, all the guests present warmly greeted them one by one.

"Master Ye, it's been a long time!"

"Haha... Master Ye is still the same."

"Master Ye, what kind of magical weapon has your Famous Sword Villa forged this year? Let the disciples present it. Let's see and see..."

Everyone greeted me one by one, showing great compliment to this person.

Yes, the person who came was Ye Xuan, the owner of Mingjian Villa.

Chapter 2070

Call!

At this moment, Yue Feng looked at Ye Xuan and couldn't help nodding secretly.

Is this the owner of Mingjian Villa, Ye Ziyi's father? Truly extraordinary.

Ye Xuan smiled and waved to everyone.

At this time, Ye Xuan also noticed Yue Feng, and when he saw him sitting next to Ye Ziyi, dressed in ordinary clothes, he knew that he was a friend of his daughter's acquaintance on the rivers and lakes.

Ye Xuan loves Ye Ziyi very much. Seeing that she arranged an ordinary boy in the VIP seat, it was inappropriate, but he didn't care.

Afterwards, when he arrived at the booth in the middle of the hall, Ye Xuan cleared his throat, and a very rich voice came out of his mouth: "Everyone from the rivers and

lakes, I can come to the sword tasting conference today, and my name is Jian Shanzhuang. It's really bright.

"Over the past year, my name Sword Villa has improved the forging method and forged a new batch of weapons, please appreciate it below." After the

voice fell, Ye Xuan waved his hand, and immediately there was a disciple, holding a long sword, He walked over slowly and placed it on the booth in the middle.

Whoa!

At this moment, everyone present gathered their gazes, unable to conceal their inner shock.

"I'm going, the first weapon on display here is the Qing-rank weapon."

"It's worthy of being a famous sword villa, I remember that the first weapon displayed at last year's sword tasting conference was the yellow-rank weapon..."

"It seems that , The casting skills of Mingjian Villa have improved a lot."

Many people couldn't help exclaiming, while appreciating and marveling at the same time.

You must know that the weapons in the world are divided into seven levels, namely red, orange, yellow, green, blue, blue and purple. The lowest level is the red level, and the highest level is naturally the purple level.

As for Famous Sword Villa, the first weapon displayed at this Sword Contest is the green rank, and it is not enough to be admired. You must know that in the Jianghu, most of the weapons used by the people are around the yellow rank. The green ones are almost rare.

call!

At this moment, Yue Feng looked at the green-ranked long sword and nodded in approval.

It is worthy of being a famous sword villa, just take out one, it is a green-level weapon, it is amazing!

However, a green-ranked long sword was nothing in Yue Feng's eyes, so Yue Feng soon recovered his calm.

"This friend!"

At this moment, Dong Long stood up and smiled at Yue Feng: "This is your first time to come to the Sword Contest, tell me, how is the first weapon on display?"

Saying this At the time, Dong Long was full of smiles, but there was a hint of cunning in his eyes.

An unknown soldier, who was not qualified to participate in the Sword Art Conference, sat in the VIP seat with his cousin's light, and he was going to make a fool of himself no matter what.

Swish!

At this moment, the eyes of everyone in the hall focused on Yue Feng.

These guests were originally unhappy because Yue Feng was sitting in the VIP seat. At this time, they saw that Dong Long was deliberately trying to trouble this kid, and they all gloated to watch the fun.

You!

Yue Feng frowned and couldn't help muttering in his heart.

This idiot has a sick mind.

I'm not familiar with you at all, but I've always been against me.

Thinking to himself, Yue Feng glanced at the long knife on the display stage, and said lightly: "This green-level long knife has a sharp edge and a chilling air. It is worthy of the hand of Mingjian Villa. It is very good."

To be honest, Yue Feng was too lazy to care about Dong Long at first, but because of Ye Ziyi's face, he was too lazy to care.

Moreover, what Yue Feng said is not against his heart, this green-rank long knife is indeed very good.

Of course, this is for the people of Putong Rivers and Lakes. For Yue Feng, there is nothing special. After all, Yue Feng owns the Fangtian Huaji, and the green-level long knife in front of him is simply disgusting.

"Haha!"

Dong Long sneered, looking at Yue Feng, unable to hide the contempt in his heart: "Of course this knife is not bad, but what do you need to say? The weapons shot by Mingjian Villa are all fine. You little pawn, I've never seen it before."

Immediately, Dong Long's smile grew stronger, and he continued: "This is just the beginning, there are higher-level and better weapons in the back, don't blink your eyes, don't be surprised. Dropped my chin, haha..."

Boom!

When the words fell, there was laughter around, and many people followed suit and mocked Xiang Yue Feng.

"That's right, this kid has never seen the world at first glance, and a green-level long knife shocked him."
