

The ultimate husband in Chinese chapter 2121-2130

Chapter 2121

“Okay!” Yue Feng nodded, his expression serious, but his heart was secretly funny.

In the next second, Yue Feng continued: “Then let’s start.”

Hmm!

Yuwen Ji responded, and then, under Yue Fengshi’s gaze, turned around and slowly took off her long skirt.

Yue Feng swallowed a mouthful of saliva, and after a few seconds, Yue Feng walked over and began to adjust for Yuwen Ji.

At the beginning, Yuwenji was very nervous, especially when she sensed the temperature from Yue Feng’s hand, she bit her lip, her delicate body trembled, and gradually, as the pain in her body gradually disappeared, Yuwenji smiled.

Soon, half an hour passed.

“Okay!” Yue Feng withdrew his hand and looked at her with a smile: “The disorder in the main body of the pavilion is almost resolved by me.”

Phew!

Yuwenji breathed a sigh of relief, unable to hide her gratitude, and said softly, “Thank you, Mr. Feng, Mr. Feng is a wonderful doctor, and it really feels much better.”

Bang Bang Bang!

However, at this moment, there was a knock on the door outside.

This time, Yue Feng and Yuwen Ji were both stunned.

Nima!

Yue Feng frowned secretly and couldn’t help muttering.

This chapter is provided by . Visit for daily update.

Who is looking for him in the middle of the night? Could it be Yan Tingxue who came to ask him for advice on alchemy?

Thinking to himself, Yue Feng’s tone was calm: “Who?”

“Open the door.”

As soon as he finished speaking, a cold voice sounded outside the door, showing indifference and orders, it was Yu Wenyan.

In the past two days, Yue Feng has been careful everywhere and did not provoke Yu Wenyan, but in Yu Wenyan’s heart, he felt that there was something wrong with Yue Feng. After all, this man is so skilled in medicine, yet he has no name in the arena, which is too suspicious!

Therefore, Yu Wenyan secretly sent someone to investigate the medical family that Yue Feng said.

As a result, the following people searched for two days, and returned the news that the existence of this medical family was not found.

Hearing this news, Yu Wenyan was even more suspicious of Yue Feng’s identity, so he came over at night, intending to interrogate Yue Feng.

What?

Hearing Yu Wenyan’s voice, both Yue Feng and the pavilion owner’s expressions changed.

Especially the pavilion owner, his face is full of anxiety and panic.

It’s broken, his clothes are disheveled, and Mr. Hefeng is alone in a room, late at night. If Yu Wenyan finds out, he must have misunderstood.

Yue Feng naturally understood the mood of the pavilion master at this time, and said to the door: “It turns out that it is the lord, I have already rested. If the lord has something to do, come back tomorrow.”

“Fengtao!”

At this time, the person outside the door Yu Wenyan’s beautiful face was full of impatience: “If you fall asleep, get dressed and open the door for this deity. The deity has something to ask you.” The

voice was not loud, but it was full of strength, no doubt.

shit.

Hearing this tone, Yue Feng was very upset.

This Yu Wenyan really treats me as a servant? You tell me to get up and open the door, and I have to do it?

Thinking to himself, Yue Feng said lightly: "Honorable Lord, I really fell asleep, and my clothes are dirty, so I can't wear them anymore, it's really inconvenient."

Chapter 2122

"Stop talking nonsense, if you don't open the door again, I will just break in." Yu Wenyan was too lazy to talk nonsense, and said coldly.

The more Yue Feng did not open the door, the more suspicious Yu Wenyan became of him.

call! Seeing this scene, Yue Feng couldn't help laughing and crying. He turned his head towards the pavilion master and said, "Pavilion lord, what should I do?"

"

The charming face showed complexity and tension: "Don't let her know that I'm here, it's late at night, she will misunderstand." The

voice fell, Yuwenji turned around and climbed into the bed, pulling up the quilt to cover herself.

This...

Seeing this scene, Yue Feng was dumbfounded. This pavilion owner also loves face too much, in order to avoid being misunderstood by Yu Wenyan, he actually got into his own bed...

Boom!

Just when Yue Feng was sighing inwardly, the door of the room was kicked open. Then, Yu Wenyan's pretty face was cold and he walked in directly.

"Fengtao!"

The moment he came in, Yu Wenyan looked up and down at Yue Feng, suppressed his anger, and said coldly, "Didn't you say that you are resting? You also said that you are not wearing clothes, then you are dressed so neatly now, How should I explain it?"

When he said this, Yu Wenyan's delicate face was extremely cold.

This Feng Tao dares to deceive himself, it is really hateful.

“Honored lord!”

Yue Feng gave a wry smile and explained, “I did have a rest, but didn’t you insist that I open the door, I put on my clothes now.”

Saying that, Yue Feng looked very curious: “Your Highness, what’s wrong with looking for me so late?”

What happened today?

First, the pavilion master looked for him alone, but now this Yu Wenyan has also come, she won’t come to menstruation too.

Yu Wenyan was too lazy to talk nonsense, stared at Yue Feng, and asked word by word, “Fengtao, who are you? Tell me honestly.” The

tone was strong and could not be refuted.

identity?

Hearing this, Yue Feng was stunned for a moment, and then smiled: “I have not said all about my identity before, my ancestors were a medical family, and then they fell..”

However, before he could finish, Yuwen was arrested. Flame interrupted.

“Bold Fengtao, you dare to deceive this deity.” Yu Wenyan frowned, and said coquettishly: “This deity specially sent someone to investigate. In the Yellow Sea Continent, there has never been a medical family with the surname Feng.”

Speaking of this, Yu Wenyan’s eyes Flickering suspicion and cold: “Say, who are you?”

Nima!

Yue Feng’s heart jumped, and he suddenly became a little nervous.

This Yu Wenyan, acting too carefully, actually investigates himself secretly.

At the same time, Yue Feng was also a little funny.

Haha... The medical family I mentioned doesn’t exist at all, so of course you can’t find it out.

Thinking to himself, Yue Feng responded very seriously: “Your Highness, my hometown is in the Southern Cloud Continent, and the family has been in decline for hundreds of years. You are in the Yellow Sea Continent, so naturally you can’t find it out.”

When he said this , Yue Feng carefully paid attention to Yu Wenyan's reaction.

In order not to make Yu Wenyan doubt his true identity, Yue Feng did not say that he came from the Earth Circle Continent, but said that his hometown was in the Southern Cloud Continent.

“What did you say?”

Yu Wenyan was stunned for a moment, looked at Yue Feng closely, and wondered: “You are not from the Yellow Sea Continent? Then what are you doing here? Did you deliberately break into the forbidden area of Xiyuan Pavilion? What's the purpose, say it!”

At this time, Yu Wenyan became more and more impatient, and his heart was full of anger.

Chapter 2123

This wind wave, the words are getting more and more out of line.

Ugh!

Feeling Yu Wenyan's anger, Yue Feng didn't panic at all, sighed softly, and said slowly: “Your lord should have heard that Yang Jian from the Northern Ying Continent led an army to attack the Southern Cloud Continent a few days ago. , I couldn't stay in my hometown anymore, so I came to the Yellow Sea Continent to take refuge, who would have accidentally broken into the forbidden area of Xiyuan Pavilion.”

After saying the last sentence, Yue Feng looked helpless, as if it was true It's like fleeing.

call!

Hearing this, Yu Wenyan took a deep breath and doubted: “Really? You didn't lie to the deity?”

Yue Feng guessed right, Yu Wenyan couldn't send someone to Nanyun Continent to check his details, but Shan Yu Wenyan didn't believe it very much in his heart.

But think about it carefully, some time ago, the Beiyang army was indeed attacking the Nanyun Continent. I heard that many people were displaced and left the Nanyun Continent to take refuge.

“Everything I said is true.” Yue Feng gave a wry smile and responded, “Besides, I have no grudges and no grudges against the Lord, so why should I lie to you?”

“Okay!”

Seeing Yue Feng's sincere expression, Yuwen Yan nodded: "I believe you for the time being, but I will be honest in Xiyuan Pavilion in the future."

Yue Feng nodded quickly, serious on the surface, but secretly funny in his heart.

Haha... Although this Yu Wenyan is very powerful, her experience in the arena is mediocre. Just a few words of her own will deceive her.

Yu Wenyan was too lazy to say more, and turned to leave.

Um...

However, at this moment, the pavilion master who was hiding in the bed let out a soft exhalation sound. Just now, the pavilion owner was very nervous. He realized that Yu Wenyan was going to leave, and his heart fell to the ground, so he secretly breathed a sigh of relief.

It's just that she didn't know that Yu Wenyan had not gone far.

Um?

Hearing the sound of exhalation, Yu Wenyan turned around, his eyes locked on the bed.

In the next second, Yu Wenyan glared at Yue Feng and scolded: "What a daring madman, do you have a female disciple of Xiyuan Pavilion hidden in your bed? Hand it over."

In the entire Xiyuan Pavilion, except for this man, there is no outsider, but there is another person's breathing sound on his bed, obviously there is a problem.

In Yu Wenyan's heart, Yue Feng peeked at her bathing before, and her nature was impure, so the person on the bed must be a female disciple whom he had captured and wanted to do something wrong.

He is the lord of Xiyuan Pavilion, how can he allow such a thing to happen?

What the hell!

At this moment, Yue Feng didn't know whether to laugh or cry, and he glanced at the bed from the corner of the corner, very helpless.

This pavilion master, can't you bear it for a while?

Thinking to himself, Yue Feng showed a smile and said to Yu Wenyan, "Your lord misunderstood, there is no one in my bed, you heard it wrong."

Yue Feng knew that the pavilion owner did not want to be seen by Yu Wenyan, for fear of being caught. There was a misunderstanding, so I helped the pavilion master to cover it up.

However.

The more Yue Feng was like this, the more suspicious Yu Wenyan became.

Did you hear me wrong?

Yu Wenyan laughed, and said coldly at Yue Feng: "Fengtao, do you think this deity is a three-year-old child, so foolish?"

Whoosh!

The voice fell, Yu Wenyan's body trembled, and he rushed directly to the bed. The speed was so fast that Yue Feng couldn't react at all.

The next second, the quilt was quickly lifted by Yu Wenyan.

Swish!

Seeing the scene in front of him, Yu Wenyan's body trembled in an instant, and the beautiful face was extremely complicated!

I saw that the pavilion master curled up there, because he was stuffy in the quilt for too long, and his face was extremely red and charming.

Chapter 2124

"You..."

Finally, Yu Wenyan reacted, frowned, looked at the pavilion master and said, "Why are you here? You and this Feng Tao..."

When he said this, Yu Wenyan's mood is extremely complicated. In her eyes, even though Feng Tao is skilled in medicine, he is just a doctor, and he doesn't look down on him at all.

At the same time, Yu Wenyan firmly believes that the pavilion owner is also arrogant and cannot easily accept a man.

But Yu Wenyan never thought that the pavilion owner, who is as close as a sister to him, actually fell in love with this wind wave, and came to the room to meet Yue Feng in the middle of the night, and it has developed to this point... To

be honest Yes, in the current situation, anyone else would suspect that the pavilion master is still lying in Yue Feng's bed, and Yue Feng has been reluctant to open the door before...

Obviously, just now Are the two of them...doing something between a man and a woman?

Thinking of this, the queen couldn't help but blushed.

"Sister, when did you and Yue Feng get along?" Yu Wenyan couldn't help but ask: "If you really like him, you can tell me, you don't need to be so secretive. Besides, it's like this before you get married. Intimacy, isn't there something wrong?"

She and the pavilion master are brothers and sisters, and have always been called sisters.

"I..."

Feeling the complexity in Yu Wenyan's eyes, the pavilion master bit his lip tightly, his face blushed, opened his mouth, and quickly explained: "Sister...you misunderstood, I and Mr. Feng are not.... "

The pavilion master at this time was in a state of confusion and was so anxious.

However, he was interrupted by Yu Wenyan before he could finish speaking.

"Okay, no need to explain!" Yu Wenyan pursed his lips and waved his hand: "Sister, the love between men and women, what you love and I wish for, is the most common thing in the world, you don't need to be embarrassed. Besides, I'm not the kind of stubborn person."

After speaking, Yu Wenyan's eyes fell on Yue Feng, and his tone became cold: "Fengtao, since you and my sister are married, I won't say much more. What's the matter!"

"Uh..." Yue Feng was very embarrassed, squeezed out a smile, scratched his head and said, "Your Highness, you really misunderstood, and the Pavilion Master and I really have nothing to do."

At this time, Yue Feng , was extremely embarrassed.

Nima, I was actually misunderstood, I need to clarify it quickly.

Swish!

Hearing this, Yu Wenyan's pretty face changed, his eyes locked on Yue Feng, and his murderous intent flashed.

"Bold Fengtao!" Yu Wenyan said coldly, his anger rising: "Do you want to die

when you say this?" Yuwenyan's jade hand clenched the changeable death scabbard as he said this, looking like he would take action at any time.

In Yu Wenyan's heart, the scene in front of him, the two must have had a relationship, the pavilion master denied it because the woman was thin-skinned and embarrassed.

But this wind wave in front of him, as a man, even denied that he had no responsibility at all. It was really hateful.

Nima! Seeing the ever-changing life-threatening box, Yue Feng frowned secretly. This Yu Wenyan believed that he had a relationship with the pavilion master, and it was difficult to do this now.

Thinking to himself, Yue Feng smiled bitterly: "Respect your anger, the pavilion owner and I are a long story, so let the pavilion owner explain it to you?"

Since Yu Wenyan has already misunderstood, it is useless to say more. It's better to hold her down for a while.

The voice fell, the pavilion master bit his lip and said to Yu Wenyan: "Yes, sister, don't get excited, Mr. Feng is right, today's situation, there is really another hidden reason, it's my body that is not feeling well, let me Mr. Feng took care of me, so..."

Before she could finish, she was interrupted by Yu Wenyan.

"Conditioning your body, under the quilt?" Yu Wenyan held back his smile and asked gently.

This...

Pavilion Master's delicate face was flushed, and he was speechless.

Yeah, how to explain this?

At this time, the pavilion master was in a hurry.

"Okay!"

At this time, Yu Wenyan breathed a sigh of relief, and said to the pavilion owner: "Don't explain any more, I can guess what the real situation is, I have always regarded you as my sister, what happened today, since I ran into it, I have the responsibility to take care

of it. Although it is the most common thing in the world to love a man, it cannot be so casual.” After

speaking, Yu Wenyan tilted his head to look at Yue Feng, and said coldly, “Feng Tao , it seems that my sister really likes you.”

Yu Wenyan grew up with the pavilion owner and knew the pavilion very well. For so many years, he had never seen the pavilion owner so nervous about a man, but today, he was actually afraid of killing himself. This storm.

In this case, Yu Wenyan was more determined, and the pavilion owner had a relationship with Yue Feng, otherwise, the pavilion owner would not be so nervous.

Yue Feng scratched his head and smiled bitterly.

Yu Wenyan looked at Yue Feng and continued: “Since my sister likes you so much, I will not break up you, but there is one condition that you must agree to. Otherwise, even if my sister blames me, I will take your life.”

Chapter 2125

Nima!

Yue Feng was shocked and frowned secretly.

What is this Yu Wenyan trying to do?

Even if I really have something with the pavilion master, I don't care about you.

Forget it, let's see what she has to say.

Thinking to himself, Yue Feng squeezed a smile on his face and motioned Yu Wenyan to continue.

“My conditions are very simple.” Seeing that Yue Feng had no objection, Yu Wenyan softened his tone and said word by word, “From now on, you must love her with all your heart, stay in Xiyuan Pavilion forever, and stay by her side. “

What?

Hearing this, Yue Feng was stunned and almost jumped up.

Can't leave Xiyuan Pavilion for a lifetime?

Isn't this Nima the door-to-door son-in-law? Moreover, he and the pavilion master are innocent, how can they stay with her forever?

Swish!

At this moment, the pavilion master's delicate face was also extremely blushing, and he stamped his feet anxiously: "Sister, Mr. Feng and I are really not what you think, in fact we..." The

pavilion master knew that Yu Wenyan did this, All for myself.

But this is a misunderstanding, you and Mr. Feng, you can't just make mistakes and turn the misunderstanding into reality.

Before she could finish speaking, Yu Wenyan waved his hand: "Okay, sister, I know you are concerned about your own face, and I'm embarrassed to admit it, so don't explain it!"

Yu Wenyan glanced at Yue Feng and continued: "But then again, if it's really a misunderstanding, then I'll have to kill this Feng Tao on the spot."

Yu Wenyan has a decisive personality and never acts sloppily.

If it is really a misunderstanding, this Feng Tao must die. After all, the previous Feng Tao, who peeked at his bath, was already dead. Tonight, the pavilion owner was also seen by him. If he continued to tolerate it, where would he put his face?

This...

Hearing this, the pavilion master bit his lip and fell silent.

Yes, if my sister knew it was a misunderstanding, according to her personality, she would never forgive Mr. Feng lightly.

At this time, the pavilion owner regretted it very much. If he knew this earlier, he would not hide under the quilt just now, and it would be better to let Mr. Feng open the door directly.

Seeing the pavilion's silence, Yu Wenyan stopped talking nonsense.

The next second, Yu Wenyan stared at Yue Feng and said coldly: "Fengtao, this deity has limited patience. If you agree to the conditions just now, I will announce in public tomorrow that I will appoint you as the monarch of Xiyuan Pavilion. , don't blame me for being cruel." What the hell

!

Hearing this, Yue Feng's head was buzzing, blank, staring blankly at the pavilion master, speechless.

As long as you promise, you will become the monarch of Xiyuan Pavilion? With Yu Wenyan, the pavilion master is on an equal footing? Not only that, but also became the man of the pavilion master?

This is too surprising!

Seriously, this pavilion master is charming and charming, and it seems not bad to have such a woman.

However, he wanted to find Su Qingyan, and at the same time, there were still many things to do in the Earth Continent, waiting for him to do it, how could he stay here all the time?

The pavilion master trembled even more delicately, his delicate face was extremely blushing, and at the same time he was in a hurry.

“Fengtao!”

Seeing Yue Feng’s silence, Yu Wenyan lost his patience: “Have you thought about it?”

“Uh...”

Yue Feng reacted and smiled bitterly: “Your lord said so, if I refuse, wouldn’t I know what’s wrong? Well, I promise!”

When he said this, Yue Feng gave the pavilion a wink.

To be honest, Yue Feng didn’t intend to agree at all, but if he refused, he would have to fight with Yu Wenyan. At that time, his strength would be exposed, and his true identity would not be concealed.

Um!

Seeing Yue Feng agree, Yu Wenyan nodded in satisfaction.

Immediately, Yu Wenyan smiled at the pavilion owner: “Okay, I won’t disturb you, go to rest first!”

The ultimate husband in Chinese chapter 2126-2130

Chapter 2126 When the

voice fell, Yu Wenyan turned and left the room.

call!

At this moment, Yue Feng secretly sighed in relief. Nima, this Yu Wenyan is finally gone.

“Mr. Feng!”

At this time, the pavilion owner blushed and looked at Yue Feng very displeasedly:
“Why did you agree?”

Although this Mr. Feng is skilled in medicine, he has no love for him yet. Can you be his wife?

Too much fun.

“Pavilion Master!” Yue Feng gave a wry smile and explained, “This is also an expedient measure for me. You have seen the situation just now. If I refuse, the Lord will definitely kill me.”

Saying that, what did Yue Feng think of? , continued: “Since the lord has already misunderstood, if I continue to stay, I am afraid that the misunderstanding will deepen, otherwise, the pavilion lord let me leave, and when I leave, you can explain it to the lord.”

When he said this, Yue Feng had a serious look on his face, but his heart was full of anticipation.

This pavilion master, so pure and self-love, will definitely not keep himself.

Um!

Sure enough, hearing this, the pavilion master nodded and said softly: “That’s the only way. I will arrange it now, and I will send you away before dawn.” To

be honest, in the pavilion owner’s heart, Yue Feng He was so skilled in medicine that he was reluctant to let him go.

But there is no way. If he is allowed to stay, he must be his own man. The pavilion master doesn’t have a bad impression on Yue Feng, but the matter between men and women does not want to be like this.

This chapter is provided by . Visit for daily update.

With that said, the pavilion master walked out quickly.

Ha ha...

Looking at the back of the pavilion master leaving, Yue Feng couldn't hide his excitement and excitement.

Nima, I can finally leave.

After a while, the pavilion master came back, changed his clothes on purpose, and greeted Yue Feng: "Let's go, I'll take you out."

Speaking of which, if it's normal, if the pavilion master says a word, Yue Feng can leave. .

But the situation is different now. Now she and Yue Feng are misunderstood by Yu Wenyan. If it is announced that Yue Feng is to be released, it will be easy for Yu Wenyan to know.

Therefore, in order to be on the safe side, the pavilion owner decided to personally send Yue Feng away from Xiyan Pavilion.

Um!

Yue Feng nodded and walked out with the pavilion master.

At this time, the Xiyan Pavilion was silent, and the night breeze brought bursts of clarity.

"Mr. Feng!"

When approaching the gate, the pavilion owner hesitated and said softly to Yue Feng: "If the misunderstanding is resolved, will you come to Xiyan Pavilion in the future?"

The pavilion owner at this time, I don't know why, obviously I have no love for Mr. Feng, but when I think of him leaving, I suddenly feel a little bit of reluctance in my heart.

This...

Yue Feng scratched his head and smiled: "The pavilion master is good to me. I will definitely come when there is a chance in the future." After

speaking, the two walked out of the door.

"Okay!"

At this time, Yue Feng took a deep breath and smiled at the pavilion owner: "Thank you pavilion owner for sending me out in person, we will have a date later." After that, Yue Feng was about to leave.

Um!

The pavilion master responded lightly, looking at Yue Feng's eyes with a hint of complexity.

rustling.

However, at this moment, I saw the direction of the holy lake. Several female disciples, supporting a graceful figure, were walking over quickly.

Seeing this scene, the pavilion master frowned lightly, slowly went up to meet him, and asked, "What's the matter?"

As he spoke, he looked towards the woman who was being supported, and the pavilion owner was stunned for a moment.

What a beautiful woman.

Swish!

At this moment, Yue Feng was about to leave, but when he saw the situation here, he was shocked, surprised and happy.

I saw that the women supported by these Xiyuan Pavilion disciples were none other than Su Qingyan.

However, Su Qingyan's state was not very good, her pretty face was pale, her eyes were closed, and she was in a coma.

Chapter 2127 Light

smoke!

For a time, Yue Feng was extremely excited and distressed at the same time. Qing Yan lost his memory. There was a person who was wandering, and he must have suffered a lot. I didn't expect to see a light smoke here!

"Report to the pavilion master!"

At this time, a female disciple who led the team responded respectfully to the pavilion owner: "We were patrolling near the holy lake just now and saw this woman falling from the cliff. Depending on the situation, who is being chased by us, we Bring her back."

Phew!

Hearing this, the pavilion master nodded silently, then saw that Yue Feng hadn't left, he was stunned, and said in surprise, "Mr. Feng, why haven't you left yet?"

However, Yue Feng did not respond, but watched closely. Su Qingyan felt extremely guilty and heartache in her heart.

Realizing that something was wrong with Yue Feng, the pavilion master couldn't help but say again: "Mr. Feng? Do you know this woman?"

This time, Yue Feng finally reacted and quickly smiled: "Yes, she is a friend of mine..."

When he said this, Yue Feng's heart was extremely complicated.

Qingyan lost her memory and completely forgot herself. It can only be said that it is a friendship.

At the same time, Yue Feng was extremely excited.

Haha...

Today is really lucky, not only can I leave Xiyan Pavilion, but also find Qingyan.

"This way..."

Hearing this, the pavilion owner hesitated, bit his lip and said, "Then... you can take her away with you."

Although the woman is not in good condition, Mr. Feng is very skilled in medicine. Being friends with her will definitely cure her.

What?

In an instant, several female disciples around were stunned.

Didn't the pavilion master let Mr. Feng stay here and help her to regulate the cold poison on her body? Moreover, the Honorable Lord also needs him to treat his injuries. Why did he suddenly let Mr. Feng go again?

Despite the doubts in their hearts, the female disciples did not dare to ask more questions.

"Okay, thank you pavilion master." Yue Feng nodded, thanked him, and was about to go over and hold Su Qingyan over.

"What happened?"

At this moment, a cold voice came from the direction of the gate, and then, Yu Wenyan came slowly.

At this time, Yu Wenyan, wearing a dark long dress, was unparalleled in the moonlight, but there was an aura that made people dare not blaspheme.

Originally Yu Wenyan had already rested, but he heard that the disciple was near the holy lake and rescued a woman, so he came to take a look.

Nima.

Seeing Yu Wenyan, Yue Feng was shocked and extremely depressed.

It's broken, I can't go now.

To be honest, at this moment, Yue Feng wanted to hug Su Qingyan and leave directly, but with one person, he couldn't walk fast at all, and Yu Wenyan could easily catch up.

In order to avoid Su Qingyan being hurt, Yue Feng did not dare to act rashly.

At this moment, the pavilion master's delicate face also flashed helpless.

If Mr. Feng left immediately, he would definitely be able to leave, but now because of this woman's delay, it is too late to leave. At this moment, Yu Wenyan

came to him, glanced at Su Qingyan who was in a coma, and said lightly, "Is this the woman who was rescued in the holy lake?"

But with a hint of envy.

Such a beautiful woman, like a fairy.

To be honest, Yu Wenyan has always been very confident about his appearance, but after seeing Su Qingyan, he became a little jealous.

At this time, Yu Wenyan still didn't know that the woman in front of her was not only Yue Feng's woman, but also a famous talented woman from Dongao Continent, the Sect Master of Wenzong.

The pavilion master nodded, then glanced at Yue Feng, and said with a smile, "It's this woman. Coincidentally, this woman is still Mr. Feng's friend?"

Friends?

Hearing this, Yu Wenyan was very surprised, and took a deep look at Yue Feng: "Really?"

Gudong!

I don't know why, when Yu Wenyan looked at her like this, Yue Feng was upset, couldn't help swallowing, and nodded with a smile: "Yes, I haven't seen her for a long time, I didn't expect to meet her here. There ."

"In that case, take it back." Yu Wenyan said lightly, turning around and returning to the main altar.

Yue Feng sighed secretly and had no choice but to follow.

Chapter 2128

Soon, in the hall, under everyone's attention, Yue Feng began to treat Su Qingyan.

In fact, Su Qingyan wasn't injured, it was just that she was in a coma due to being too tired.

Yue Feng checked Su Qingyan's state, and asked Yan Tingxue to get a Qingxin Pill, a Qingxin Pill, which could relieve fatigue and restore vitality. .

Um!

After taking the Qingxin Pill, Su Qingyan let out a low moan and woke up faintly.

"You..." In the

next second, Su Qingyan looked around and saw the delicate faces of Yue Feng and Xiyan Pavilion, full of doubts and alerts: "Who are you? Where is this place?"

What?

In an instant, everyone present, whether it was Yu Wenyan and the pavilion master, or those female disciples, were all stunned and looked at Yue Feng in astonishment.

Didn't Mr. Feng say that this woman is his friend?

But why...she doesn't know Mr. Feng?

Uh...

At this moment, Yue Feng was also extremely embarrassed. Looking at Su Qingyan, he couldn't help laughing and crying.

Almost forgot, Qingyan lost her memory, and she changed her face, she must not know it.

Thinking to himself, Yue Feng said to Su Qingyan gently: "Qingyan, how do you feel? Don't panic, this is Xiyan Pavilion, there are good people present and won't hurt you.

", Yue Feng looked at Su Qingyan, very distressed.

She was so tired that she fell into a coma. It can be seen that she suffered a lot during this time.

Xiyan Pavilion?

Su Qingyan frowned, she had never heard of this place, and at the same time, she looked at Yue Feng vigilantly: "Who are you? How do you know my name?" Yue Feng changed his face, of course Su Qingyan didn't know him.

Whoa!

The voice fell, and the whole hall was in an uproar.

At this moment, Yu Wenyan frowned and finally couldn't bear it anymore, and asked Yue Feng, "Fengtao, what's going on? Didn't you say she's your friend? Why don't you know you?"

Saying this At the same time, Yu Wenyan couldn't help but glance at the pavilion master next to him, secretly thinking that she was not worth it.

This Fengtao must have seen this woman beautiful, and said that she was his friend, and he didn't know what his sister thought, but she liked this kind of rambunctious person.

Swish!

At this moment, the gazes of the pavilion master and the surrounding female disciples also converged on Yue Feng, waiting for his response, all eyes flashing with complexity.

Yue Feng said he was a friend, but people didn't know him, which was really suspicious.

"Honored lord, don't get me wrong." Yue Feng scratched his head and explained with a wry smile: "My friend, Su Qingyan, has experienced some things before, which led to amnesia, so he didn't know me."

When he said this, Yue Feng had a wry smile on his face, and his heart was full of guilt.

Qingyan's amnesia was caused by his own negligence, and he must make up for it.

Amnesia?

Hearing this, everyone looked at each other, each with a more wonderful expression.

This answer seems a bit perfunctory.

“Fengtao!”

At this moment, Yanyue came out from the crowd, her eyes flashing with contempt, and sneered at Yue Feng: “Don’t talk nonsense here, this beauty looks smart, how does she seem to have amnesia? According to me Look, you know someone, but they don’t know you!” As

she spoke, Yan Yue looked around, her tone full of mockery, and continued, “You insist that you are friends with her because you see that people are beautiful and Seeing her in a coma, I wanted to take advantage of the dangers of others and plan to do something wrong, right?”

When the last sentence fell, Yan Yue looked at Yue Feng with a sneer, her eyes full of contempt.

Although she is the senior sister of Xiyan Pavilion, Yanyue is narrow-minded. When Yue Feng first came to Xiyan Pavilion, Yanyue was very unhappy because of her frivolous words. Later, when refining the Yang Shendan, Yue Feng let Yan Yue Fighting, in Yanyue’s heart, is a complete humiliation.

Later, Yue Feng peeked at Yu Wenyan taking a bath. Although it was a misunderstanding at the time, in Yan Yue’s heart, she was even more contemptuous of Yue Feng.

In the past few days, Yanyue has been trying to find a way to trouble Yue Feng, but Yue Feng is Yu Wenyan and the pavilion master, and has a special status. .

In the current situation, Yan Yue guessed that Yue Feng had bad intentions, and naturally he would not miss such a good opportunity to expose Yue Feng’s true face.

After listening to Yanyue’s words, many young disciples around also nodded in agreement.

“Senior sister is right, this is too strange, Mr. Feng must have another purpose.”

“I didn’t expect that Mr. Feng’s medical skills are so good, but his character is...”

“It seems that he looked at Zun before. The Lord bathed on purpose.... It’s terrifying to think about such a person staying in Xiyan Pavilion...”

Chapter 2129

Everyone's discussion, you and I came, Yan Yue showed a smug smile.

Fengtao, a despicable and shameless person like you, don't want to stay in Xiyan Pavilion any longer. Today, I will show you what you are.

Thinking to herself, Yanyue looked serious and said to Yu Wenyan and the pavilion master: "Respected lord, pavilion lord, what is going on in front of you is very obvious, Feng Tao has bad intentions, and he says that he is this beauty's friend, but he really wants to Do some shameful things."

After a pause, Yanyue made a righteous and dignified gesture, and said word by word: "Such a person, staying in the Xiyan Pavilion is a disaster, the disciple urges you to honor the Lord and the pavilion. Lord, kill Feng Tao on the spot, or drive him out of Xiyan Pavilion." The

voice fell, and many disciples nodded in agreement.

This...

Seeing this scene, Yu Wenyan frowned, a little embarrassed.

To be honest, in Yu Wenyan's heart, she also believed that Yue Feng had impure motives. With her personality, such a man would definitely be killed on the spot.

It's just that Feng Tao and his sister have already done things between men and women last night. If he kills him, I'm afraid my sister will be sad.

The pavilion master next to him also bit his lip lightly, with a bit of embarrassment on his delicate and charming face.

In her heart, she hopes that Yue Feng will leave Xiyan Pavilion. If he continues to stay, I am afraid that the misunderstanding will deepen. However, with Yu Wenyan present, it was impossible for Mr. Feng to leave so easily.

Nima!

Yue Feng frowned secretly, looking at Yan Yue with a smug look on his face, his heart was secretly burning.

The brain is sick this month.

I didn't provoke you, but I was always against me, and even wanted Yu Wenyan to kill me?

Wasn't it the time when I was refining alchemy before, I asked you to fight for me, as for such a vengeance?

Thinking to himself, Yue Feng chuckled lightly and did not speak.

He knew that in this case, the more the explanation, the more troublesome it was.

For a while, the hall was silent, and the atmosphere was extremely depressing and heavy.

“I...”

Finally, at this moment, Su Qingyan looked around and said softly, “I have indeed lost my memory. I can’t remember many things from the past.”

After speaking, Su Qingyan said Glancing at Yue Feng, he asked, “Since you know my name, you must know about my past. Can you tell me something? By the way, what’s your name?”

Su Qingyan was thoughtful, although the women around her, It was said that the man in front of him had bad intentions towards him, but he could sense that the man in front of him did not mean anything blasphemous towards him, but was full of sincerity.

“My name is Fengtao!” Yue Feng smiled slightly, looked at Su Qingyan and replied, “We met ten years ago, and we haven’t seen each other for a long time. You asked me to tell you about your past, but I really said no for a while. Come out, but don’t worry, I know medical skills, and I will definitely find a way to restore your memory.”

When he said this, Yue Feng’s face was gentle, but his heart was extremely bitter.

Seriously, at this time Yue Feng wanted to tell Su Qingyan that he was Yue Feng and her man, but, with Yu Wenyan, the pavilion master, and so many Xiyan Pavilion disciples watching, how could it be possible to reveal the truth? identity?

Um!

Hearing this, Su Qingyan smiled lightly and nodded.

I can’t remember the person in front of me at all, but I don’t know why, but there is a very familiar feeling in him.

What?

Seeing this scene, everyone in the hall was stunned.

This... this woman, really lost her memory.

Moreover, Mr. Feng seems to really know her.

Especially Yanyue, her face flushed and embarrassed, and at the same time, she was also a little unconvinced.

Do you really know? This is too coincidental.

Thinking to herself, Yanyue asked Yu Wenyan, "Your Highness, since this beauty has lost her memory, we must be more cautious. The disciple suggested that Feng Tao be locked up first and be severely tortured. This beauty is so caring, who knows if she has the heart of a beast!

"

Hearing this, Yue Feng was so angry that he almost couldn't help cursing.

Is this Yanyue brain sick?

Whether I know Qingyan or not is our business. Where is your turn to make irresponsible remarks here?

"Okay!"

At this moment, Yu Wenyan waved his jade hand and said to Yanyue: "This beauty said that she has lost her memory, and Mr. Feng has not deviated from her behavior, so don't be too suspicious. It's over."

"Yes, your lord!" Yanyue responded reluctantly and retreated.

At the same time, he did not forget to give Yue Feng a stern look.

I really don't know what's so good about this wind wave, so I will give some medical skills, and the Lord will protect him like this.

Chapter 2130

"Fengtao!"

At this time, Yu Wenyan's eyes fell on Yue Feng, and his tone was solemn: "Since this woman is your friend, you should take care of it, but it should be done in moderation, and those who should avoid suspicion should also Avoid suspicion, understand?"

Yu Wenyan kept paying attention to the reaction of the pavilion master next to him when he said this.

Yes, Yu Wenyan said these things for the sake of the pavilion owner. After all, Mr. Feng is the man the pavilion owner likes. How could he be allowed to get too close to other women?

Yue Feng is not a fool, how can he not hear the deep meaning of Yu Wenyan, he smiled, nodded and said: "Relax, Lord, I understand." He

promised, Yue Feng already had a plan in his heart.

When Qingyan's condition is better, even if she breaks her face with Xiyuan Pavilion, she will be taken away.

Um!

Seeing Yue Feng agree, Yu Wenyan nodded with satisfaction and showed a smile.

In the next second, Yu Wenyan looked around the audience, his red lips parted lightly, and he said slowly: "Just right, everyone is present, the deity will announce something. From today, Mr. Feng will officially become the monarch of our Xiyuan Pavilion. It is the husband of the pavilion owner, and his status is the same as the deity and the pavilion owner, so everyone should be respectful and polite when they meet him in the future, and not be rude, understand?" After

speaking, Yu Wenyan tilted his head and smiled at the pavilion owner: "This Not only what I meant, but also what the pavilion master meant, right."

Hmm!

At this moment, the pavilion's delicate body trembled, biting his lips, and softly responded, a bit of shyness on his delicate and charming face. However, there was an indescribable helplessness and anxiety in my heart.

In front of so many people, the pavilion master was extremely reluctant to admit that Mr. Feng was his man.

But there is no way. Last night, I hid in Mr. Feng's bed and was hit by Yu Wenyan. It was completely incomprehensible.

What?

In an instant, the entire hall was in an uproar, and everyone was stunned, staring blankly at Yue Feng, speechless.

This... Mr. Feng turned out to be the pavilion master's man? Also became the monarch of Xiyuan Pavilion?

This is too sudden, when did he get along with the pavilion master?

Especially Yanyue, watching Yue Feng closely, her delicate body trembled, her heart was extremely shocked.

Total shock.

No wonder the venerable lord was so protective of him just now. It turned out that he became the woman of the pavilion lord.

call!

At this moment, Su Qingyan was not too shocked, but looked at Yue Feng in surprise.

This person turned out to be the monarch of Xiyuan Pavilion.

Although she had never heard of Xiyuan Pavilion, Su Qingyan knew that the man in front of him who could sit in such a position in a sect was by no means an ordinary person.

I go!

Yue Feng smiled bitterly, extremely embarrassed, and his heart was extremely complicated.

This Yu Wenyan really did what he said, he actually announced it in public, and, what made people sigh, was in front of Su Qingyan.

But fortunately, Qingyan temporarily lost her memory. If she didn't lose her memory, knowing that her man was getting along with other women, she would definitely be very sad.

Thinking to himself, Yue Feng tilted his head to look at Su Qingyan, feeling even more guilty.

Qingyan, don't worry, I won't stay in Xiyuan Pavilion, what kind of monarch I am here, I will definitely take you away as soon as possible!

"Respected lord!"

At this time, Yanyue reacted, walked out, and said to Yu Wenyan: "Respected lord, since the establishment of Xiyuan Pavilion, we have never accepted male disciples, and even refused men to enter. Mr. Feng, since it is understandable to be a companion with the pavilion master, but if you are a monarch, I am afraid it is very inappropriate! I hope your lord will think twice."
