

The ultimate husband in Chinese chapter 2166-2170

Chapter 2166

“Dong Long!”

Finally, Ye Xuan reacted, looked at Dong Long with a frown and asked, “What’s going on?”

This nephew, who has always been arrogant and domineering, suddenly knelt down to a woman, which is really puzzling .

Swish!

At this moment, everyone in Mingjian Villa also looked closely at Dong Long, waiting for his answer.

“This...”

Dong Long wiped the cold sweat from his forehead, thought about it, and said, “This... woman, who helped me and was my savior, was so far away that I didn’t recognize it.”

Saying this At the time, Dong Long was terrified, who was Yu Wenyan? Notoriously ruthless, if she exposes her identity, she will die.

However, Dong Long was still a quick thinker, so he made up a lie, saying that Yu Wenyan was his savior.

“Huh...”

Hearing this, everyone present nodded suddenly and breathed a sigh of relief.

It turned out that this woman was Dong Long’s savior, no wonder she wanted to kneel when she saw it.

call!

On the other hand, Yue Feng frowned.

Yu Wenyan is arrogant and ruthless, how could he be Dong Long’s savior. The two must have something else to do.

“Teach... Mrs. Yue.” Dong Long looked at Yu Wenyan. He originally wanted to call the leader, but when he thought of the situation in front of him, he immediately changed his name and said cautiously, “What’s going on?”

Seriously , Knowing that Yu Wenyan is a woman, Dong Long was very surprised, and thinking that Yu Wenyan was called Yue Feng’s husband just now, the whole person was completely stunned.

Didn’t the leader always seek revenge on Yue Feng, how could he be with him? Also known as husband and wife?

For a time, the more Dong Long thought about it, the more confused his mind became.

He didn’t know yet that Yu Wenyan called Yue Feng’s husband out of desperation.

“Crack!”

Just when Dong Long was puzzled, Yu Wenyan slapped Dong Long’s face again without warning!

With this slap, Yu Wenyan almost used all his strength, and saw that half of Dong Long’s face was swollen high.

At this time, Yu Wenyan was ashamed and angry.

This Dong Long is really an idiot. He called Mrs. Yue Feng just now because of the situation, but he called Mrs. Yue, and he really deserved a fight.

This...

Dong Long covered his face, very aggrieved, and looked at Yu Wenyan with a puzzled face: “Mrs. Yue! I, where did I say something wrong?!”

Not only Dong Long, but everyone present was confused. water!

This, what’s the matter?

Isn’t this woman Dong Long’s savior? How to do it again and again? Turn your face when you say it?

“Shut up for me, I just saved you, do you know you well? Don’t call me Madam Yue!” The more Yu Wenyan thought about it, the angrier he became, and he snorted at Dong Long. .

Dong Long was completely blinded and wanted to cry without tears.

Finally, Ye Xuan couldn't stand it any longer, and said to Yu Wenyan, "This heroine, let's talk about it, don't fight anymore."

If it was anyone else, Ye Xuan would never be so polite, but this one, but Yue The windy woman has to give some face no matter what.

However.

As if Yu Wenyan didn't hear it, he still vented his anger at Dong Long.

For a time, Ye Xuan was very embarrassed.

"Okay!"

Finally, Yue Feng came over and said, "Don't fight, you will kill people if you fight again."

Hearing Yue Feng's words, Yu Wenyan breathed a sigh of relief, and then stopped.

Chapter 2167

Call!

Seeing this scene, everyone's eyes flickered, and at the same time they finally understood something.

Dong Long has been accusing Yue Feng, saying that he is not a good person. Can this woman, as Yue Feng's wife, not be angry?

quiet!

For a time, the entire Sword Casting Pond was silent, and almost a needle could be heard clearly.

"Dong Long!"

At this moment, Yue Feng looked at Dong Long with a smile: "Now it's time to tell the truth, what happened that night?"

Although he still doesn't know what the relationship between Dong Long and Yu Wenyan is, he Yue Feng was sure that under the deterrence of Yu Wenyan, Dong Long would definitely not dare to talk nonsense any more.

"This..."

Dong Long said a word with a sad face, his eyes fell on Yu Wenyan, his heart trembled, and he couldn't continue.

He slandered Yue Feng to vent Yu Wenyan's anger, how could he say it?

"Speak!" Yu Wenyan was in a fit of anger, he didn't think much of it at all, and snorted coldly.

At this time, Yu Wenyan completely forgot that he had given Dong Long the task and asked him to find a way to catch Yue Feng. At this time, he just thought, Dong Long quickly explained the situation, and he and Yue Feng could leave.

Gudong.

Feeling Yu Wenyan's anger, Dong Long trembled and swallowed secretly.

The next second, Dong Long burst into tears and said, "Actually... In fact, that night, it was all arranged by me. I deliberately got Yue Feng drunk and sent him to my cousin's room."

"I like my cousin, Seeing that my cousin and Yue Feng have a close relationship, I couldn't stand it anymore, so I thought of this method and blamed him..."

After saying this, Dong Long lowered his head, indescribable misery and grievance.

What's the matter with Nima?

Originally, he slandered Yue Feng to vent his anger on the leader, but now, the leader is forcing himself to tell the truth.

Whoa!

After saying this, there was an uproar in the audience, looking at Dong Long with indescribable contempt!

It turned out to be slander, this Young Master Dong is too insidious.

"You..."

Ye Xuan trembled and pointed at Dong Long, so angry that he was speechless.

Ye Ziyi next to him was also stunned, his eyes fixed on Dong Long, his delicate body was trembling, and he was so angry that he knew that Yue Feng was not such a person. This cousin actually used such despicable means to slander Yue Feng, it's so nasty.

"It turned out to be a misunderstanding!"

At this time, Ye Xuan reacted and looked at Yue Feng and said apologetically: "My nephew is really outrageous, we misunderstood Sect Master Yue before, I am really ashamed, Sect Master Yue has a lot of people, don't worry about it. Don't mind."

When he said this, Ye Xuan's heart was extremely complicated.

This Yue Feng is a famous figure in Kyushu. If he has a revenge with him because of a misunderstanding, it will be too much loss.

"Master Ye is very polite." Yue Feng smiled and responded, feeling unspeakably comfortable at this moment.

Nima, the truth is finally revealed.

Immediately, Yue Feng clasped his fists at Ye Xuan: "Since it's all right, I still have something to do, so I'll leave." The voice fell, and Yue Feng left the Sword Casting Pond.

To be honest, if it were normal, Yue Feng would definitely not spare Dong Long lightly, but Yue Feng was in a hurry to meet Zhu Bajie, so he was too lazy to care.

Moreover, Yue Feng believed that after he left, Mingjian Villa would definitely punish Dong Long heavily.

Yu Wenyan didn't have time to think, and quickly followed.

Taking advantage of the fact that the people in Famous Sword Villa didn't recognize him, so hurry up and leave.

Ye Xuan and the others followed suit.

Finally, outside the gate of Mingjian Villa, Ye Ziyi quickly caught up and said softly, "Yue Feng."

Yue Feng stopped and looked back at her: "What's wrong?"

Chapter 2168 Ye Ziyi bit her lip lightly and whispered to Yue Feng: "Don't take offense at the previous misunderstanding, if you encounter trouble in the future, as long as you say

a word, our Mingjian Villa will definitely help."

At that time, Ye Ziyi's delicate face was full of sincerity.

Yue Feng, such a righteous big man, almost got stuck with him because of a misunderstanding, so he must make up for it.

“Okay!” Yue Feng nodded, and then waved goodbye to Ye Ziyi.

Famous Sword Villa’s casting skills are unparalleled in the world. With such an ally, there are only advantages and no disadvantages.

A few minutes later.

On the hillside a few miles away from Mingjian Villa, Yue Feng stopped, tilted his head and looked at Yu Wenyan with a smile, his eyes full of deep meaning.

“What are you doing?” Feeling Yue Feng’s gaze, Yu Wenyan felt uncomfortable, and his heart suddenly panicked.

Yue Feng smiled slightly, and said slowly: “If my guess is right, then Dong Long is your person. You brought the Magic Sound Sect and besieged the famous sword villa before. Did he act as an inner responder for you?”

Shah!

Hearing this, Yu Wenyan’s body trembled, and he was very shocked.

This Yue Feng is really powerful, he was actually guessed by him.

Thinking to himself, Yu Wenyan’s eyes flickered, and he said vaguely: “I don’t know what you are talking about. Dong Long and I have only met a few times. We have only saved him before, and we are not familiar with him at all!”

Yu Wenyan thought about it, No matter what, I can’t admit the relationship between Dong Long and myself.

Ha ha!

Hearing her answer, Yue Feng smiled lightly: “It’s fine if you don’t admit it, but I warn you, the eldest lady of Famous Sword Villa is my ally, and you should pay less attention to Famous Sword Villa in the future. I will definitely not sit back and watch what Jianshanzhuang does.”

“I’ve already said it here, whether you listen or not is up to you.”

After saying this, Yue Feng glanced at Yu Wenyan with a half-smiling smile. Turn away.

call!

At this moment, looking at Yue Feng’s leaving back, Yu Wenyan bit his lip, and his beautiful face was full of humiliation and anger.

Yue Feng, you wait for me, I will definitely repay all the humiliation you have done to me today.

.....

the other side.

Diyuan Continent, Yunzhou City.

At night, the entire Yunzhou City was silent. In the southwest corner of Yunzhou City, there is a three-story building with many Beiyang soldiers patrolling and guarding it closely.

This building is the temporary prison set up by the Northern Ying army.

At this time, in the room on the first floor of the building, the captured masters of various martial arts sat there one by one, with their heads downcast and depressed.

In the farthest corner, Ren Yingying's delicate face was full of exhaustion and haggard.

Yunzhou City has been occupied, and the situation is extremely bad. If Yue Feng does not come back, I am afraid that the Earth Circle Continent will soon be completely occupied.

The more Ren Yingying thought about it, the more anxious she became, and at this moment, she heard footsteps suddenly coming from outside the door. The footsteps are very soft!

Squeak –

a few seconds later, the iron door was quietly opened, and then, a few figures walked in. The one at the head, dressed in silver armor, indescribably heroic and extraordinary, is Yue Wuya.

Behind Yue Wuya, there are several personal guards, all of whom are Yue Wuya's cronies.

call!

At this moment, everyone in the Earth Circle Continent was taken aback and instinctively alerted.

This enemy general, coming to the cell so late, must be fine.

But Ren Yingying trembled, surprised and delighted!

Ya'er?

The moment she saw Yue Wuya, Ren Yingying was very excited! Speaking of it, the two hadn't seen each other for several years. At this time, Ren Yingying, why didn't he think that now he was reduced to a prisoner, locked in such a ghost place, and met Yue Wuya!

At this time, Ren Yingying didn't know that Yue Wuya had been following Yang Jian to fight everywhere, but this time, Yang Jian did not let him go into battle.

Long time no see, Ya Er has grown up and matured a lot.

Chapter 2169

"Y'er, why are you here?!" Ren Yingying couldn't help asking.

"Auntie, don't ask so much.." Yue Wuya walked over quickly and helped her untie the rope, his handsome face was full of distress, and said softly: "Auntie, are you alright, do you have any? Injured.." As he

spoke, Yue Wuya couldn't hide his concern and looked at Ren Yingying up and down, for fear that she was injured.

In Yue Wuya's heart, Ren Yingying was one of his countless relatives, like his mother and sister. Seeing her so embarrassed, he was very distressed.

"I'm fine..." Ren Yingying showed a smile, shook her head, and then asked, "Y'er, why did you become a general in the Beiyang army?"

"I..."

At this moment, Yue Wuya was very surprised. Embarrassed, he bowed his head and said, "A month ago, the Tianqi Continent fell, and the emperor became a minister to Yang Jian for me, and I also served by Yang Jian's side!"

When he said this, Yue Wuya's tone was complicated. You know, Ren Yingying used to be the princess of the Apocalypse Continent, and she would definitely feel uncomfortable when the Apocalypse Continent fell.

However.

What Yue Wuya didn't think about was that Ren Yingying heard it, her expression was very indifferent, she smiled softly, and said, "I already know about the fall of the Apocalypse Continent." After so long, Ren Yingying has already looked away, Ronghua Wealth and honor are all things in the past, and being with the people you love is the most important thing.

Saying that, Ren Yingying looked closely at Yue Wuya and said complicatedly: "It's just that I didn't expect you to work for Yang Jian, but have you ever thought about it, your biological father is Yue Feng, and your hometown is Earth Circle Continent, and now, However, you are helping Yang Jian to conquer the Earth Continent. Aren't you afraid of being called a sinner through the ages?"

Shuh!

Hearing this, Yue Wuya's face changed, and he shook his head and said, "Auntie, don't tell me about Yue Feng... He abandoned me and my mother for more than ten years, regardless of whether this land is his hometown. It has nothing to do with me at all."

Immediately, Yue Wuya looked at Ren Yingying and said, "Auntie, I sneaked in to let you go, let's not say anything else!"

Alas!

Ren Yingying sighed softly, nodded and said, "Okay!"

At this moment, Ren Yingying felt very helpless. Ya'er held such a grudge against Yue Feng that she really didn't know how to persuade her.

The next second, Ren Yingying thought of something, and said to Yue Wuya, "If that's the case, let go of all the people here." The

arrested people are the main force resisting the Beiyang army. If they were all beheaded, the Earth Circle Continent would be severely damaged.

all let go?

Yue Wuya was stunned for a moment, then laughed, shook his head and said: "Auntie, I only care about your safety, their life and death, what does it have to do with me? Auntie. Time is running out, hurry up with me.

" He pulled Ren Yingying and walked out of the cell quickly.

Several personal guards followed closely behind to escort him.

When he got outside, Yue Wuya was calm on the surface, but he was nervous in his heart. He was going to commit a crime by letting go privately, but it was a capital crime, can you not be afraid?

However, in front of Ren Yingying, Yue Wuya did not show his inner tension, but a calm appearance of a man.

Yue Wuya thought about it, the aunt used to love herself so much, but now that she is in trouble, she has to keep her safe no matter what.

soon!

Escorted by several personal guards, Yue Wuya took Ren Yingying across the main street, and was about to leave Yunzhou City.

Whoa!

As a result, at this moment, a fire lit up in front of me!

hiss!

Yue Wuya looked at it subconsciously, and when he saw it, his whole mind went blank!

I saw that at the intersection in front of me, a torch suddenly lit up, and everyone holding the torch was powerful! The one at the head, dressed in golden armor with a gloomy face, is Yang Jian!

Beside Yang Jian is the sexy and charming Gong Gong, but at this time, Gong Gong's delicate face also shows a bit of gloom.

broken!

Yue Wuya only felt the hairs on his body stand up! what happened? ! How could Yang Jian lie in ambush here? ! I plan to let go of what I want to commit, but I haven't leaked it out.

For a time, Yue Wuya frowned, puzzled! The heart is pounding!

Ren Yingying's body trembled, and she couldn't be in a hurry.

Damn, Ya'er let him go privately, and Yang Jian would definitely not let him go easily.

"Yue Wuya!"

Finally, Yang Jian showed a smile, in which he couldn't hide his anger: "I have always trusted you, just now Gonggong asked me for instructions to prevent you from letting you go privately, but I still refused to do so. I believed it, but I didn't expect that you really did this, and you disappointed me!"

Chapter 2170

"Your Majesty, I..." Yue Wuya's heart trembled and he opened his mouth, but he didn't know how to explain it.

“Okay, you don’t need to explain.” Yang Jian looked impatient, too lazy to talk nonsense, pointed at Yue Wuya and said coldly: “Take it for me!”

Swish swish... The

voice fell, Gonggong and the surrounding people The masters rose into the air one after another and charged directly towards Yue Wuya!

“Y’er, be careful...”

Looking at Gonggong who rushed up and the many masters, Ren Yingying’s body was trembling.

Click!

At this moment, Yue Wuya didn’t have time to think, a golden light flashed on the palm of his hand, and he summoned the Overlord’s Hammer!

Having said that, Yue Wuya didn’t want to be so stiff with Yang Jian!

But the other party is pressing step by step, and he will not give himself any way to retreat. There is no way, he can only tear his face completely!

Bang bang bang...

In the blink of an eye, the two sides were fighting together, and terrifying breaths collided, constantly spreading out, breaking the silence of Yunzhou City.

Although Yue Wuya possesses the Overlord’s Hammer and is powerful, but Yang Jian’s subordinates are powerful, and together with the peerless powerhouses who have practiced for thousands of years, they are completely outnumbered.

boom!

Finally, after less than five minutes of fierce fighting, Gonggong found an opportunity and slapped Yue Wuya on the back. Hearing Yue Wuya groaning, his figure was shaken dozens of meters away and fell heavily to the ground.

hula.

In the next second, the surrounding masters quickly surrounded and tied Yue Wuya Wuhua.

At the same time, Ren Yingying was also re-subdued.

“Your Majesty!”

At this time, Gonggong walked up to Yang Jian and said respectfully, "Yue Wuya betrayed Your Majesty and released the felon in private. He resisted just now. How should we deal with it?"

"Beheaded on the spot!" He opened his mouth coldly.

At the same time, Yang Jian looked at Yue Wuya's eyes, and his eyes flashed coldly without any hesitation.

In Yang Jian's heart, in order to complete the great cause of unifying the Kyushu, there can be no benevolence of women. Although this Yue Wuya is a rare general, but betraying himself, there can be no mercy.

"Yes!" Gonggong responded, pulled out his long sword, and walked towards Yue Wuya step by step.

Swish.

At this moment, Yue Wuya's face was extremely pale, and his heart was extremely frightened.

Did you die like this? I'm so unhappy.

"Y'er! Don't..." Ren Yingying's delicate body was trembling, she couldn't help exclaiming, and at the same time wanted to rush over, but her hands and feet were tightly bound, and she couldn't move at all.

At this time, Ren Yingying was so anxious that Ya'er was still young, so he couldn't just watch him die like this. Moreover, he was arrested by Yang Jian to save himself. If he was killed, how would he face Yue Feng in the future?

However, with his hands and feet tied, he couldn't help at all.

The more Ren Yingying thought about it, the more anxious she became, and she almost fainted under the rush of fire.

Finally, Gonggong walked up to Yue Wuya, raised the long sword in his hand, and said coldly: "Yue Wuya, if you can let me take you on the road, you can be considered dead without regrets." The

voice fell, the long sword in his hand. The sword is about to fall.

"stop!"

At this critical moment, not far away, I suddenly remembered a coquettish shout, and then, Han Bing hurried over, and the delicate face was full of anxiety and tension.

Han Bing was resting, but when he heard a fight here, he hurried over to take a look, only to see that his brother was tied up with five flowers, and Gonggong was about to execute him.

When he got to the front, Han Bing pleaded with Yang Jian: “Your Majesty, I beg you to let my brother go. Even if he is wrong, he has done a lot of credit before, so please spare his life.”
