

## The ultimate husband in Chinese chapter 2171-2180

### Chapter 2171

When he said this, Han Bing's eyes were full of prayers, and he almost cried.

call!

Yang Jian had a cold face and did not respond.

Han Bing was completely panicked, and knelt down with his knees bent: "Your Majesty, I beg you, I beg you..."

Like Han Aoran, Han Bing is arrogant and has never been soft to anyone since he was a child. But today, in order to keep her brother, she gave up all her dignity.

"Bing'er..."

Seeing this scene, Yue Wuya's nose was sour, and she almost cried. At the same time, she was also moved.

The younger sister has always been arrogant, but for herself, she humbly pleaded with Yang Jian.

"Han Bing!"

Finally, at this moment, Yang Jian took a deep breath and looked at Han Bing lightly: "Get up, I promise you, I will spare his life."

Seriously, in Yang Jian's heart, Han Bing She's just a little girl with a talent for cultivation, and she doesn't take it seriously at all, but her master Zhang Jiao is her own military advisor.

In the future, we will rely on Zhang Jiao to make plans for the conquest of various continents. Therefore, after careful consideration, Yang Jian decided to give Han Bing a face.

call!

Hearing this, Han Bing was extremely happy, and quickly thanked him: "Thank you, Your Majesty, for your kindness."

Yang Jian waved his hand, motioning for Han Bing to get up. In the next second, Yang Jian

's eyes fell on Yue Wuya, and his tone was cold: "Yue Wuya, today I see the face of Miss Bing, I will spare you for a while, but the death penalty can be avoided, and the life crime cannot escape."

Directed at the surrounding masters: "Lock up Yue Wuya, and then deal with him when the Earth Circle Continent is completely captured."

"Yes, Your Majesty!" The masters responded, and then escorted Yue Wuya and Ren Yingying into the cell.

Immediately, Yang Jian greeted Gonggong and left. Only the ice remained, stunned in place.

This...

A few seconds later, Han Bing reacted, and was anxious.

How could this be?

Didn't your majesty promise yourself? Why are you still imprisoning your brother?

No, I must rescue my brother.

Thinking about it, Han Bing hurried towards the place where Zhang Jiao rested.

After thinking about it, Han Bing has no weight to speak in front of Yang Jian, but it is different when Master comes forward. After all, Yang Jian needs to rely on Master's advice to conquer various continents.

A few minutes later, Zhang Jiao rested in the room.

After Han Bing came, he quickly recounted what happened, and then begged: "Master, please save my brother."

"Good boy!"

Zhang Jiao stroked his beard and said complicatedly: "You must know, the military order. Rushan, your brother is going to commit a crime by letting him go privately, it is already a capital crime, His Majesty did not kill him, it is already a blessing, how can you ask the teacher to help?"

This...

Hearing this, Han Bing was so anxious that he suddenly remembered What, hurriedly said: "Master, I don't want to stay here, as long as we rescue my brother, we will leave. Didn't you become Yang Jian's military advisor because of me?"

“Go?”

Zhang Jiao frowned slightly, shook his head and said: “Why do you want to leave? Because the teacher doesn’t like to give up halfway, and the unification of Kyushu has not yet been completed, how can you leave?” The

tone was calm, but his eyes flashed with a kind of obsession.

As the leader of the Yellow Turban Army at the time, Zhang Jiao was originally a hero of a generation. He was imprisoned for thousands of years. He was originally disheartened. At first, Zhang Jiao decided to play for Yang Jian because of the ice, but after this period of battle, Zhang Jiao’s deep-seated ambition has been inspired, how could it be stopped?

Chapter 2172

“Good disciple!” Zhang Jiao waved his hand and said slowly: “Since Your Majesty is only imprisoning your brother, he will be fine for the time being, you should go and rest, Master still needs to look at the map and study the next step. Offensive route.” The

tone was gentle, but there was no doubt.

“Yes, Master!” Han Bing responded and exited the room.

When he got outside, Han Bing felt extremely lost and anxious at the same time.

Master, isn’t everything underestimated? In just a few days, he has changed into a person who is so keen on war...

How could this be?

If Master doesn’t help, I can’t save my brother by myself.

How to do?

...

At this moment, the Yellow Sea Continent, Fengling Town.

Fengling Town is located in the southeast of the Yellow Sea Continent, with beautiful scenery and pleasant environment.

At this time, in a hotel room in Fengling Town, Zhu Bajie was sitting there with a fine wine in his hand, his posture was leisurely, but he was in a bad mood, and his handsome face was very depressed and helpless.

Xu Qingyi next to her also frowned.

On the chair in front of them, Su Qingyan sat there, her acupoints were blocked, her delicate face flushed red, and she was struggling.

“Who are you? Why are you arresting me? Let me go...” Su Qingyan struggled and kept shouting, extremely nervous, looking at Zhu Bajie’s eyes, full of resistance and resistance.

Su Qingyan lost her memory, even Yue Feng, so naturally she didn’t know Zhu Bajie.

This...

Zhu Bajie scratched his head, looked at Su Qingyan and smiled bitterly: “Miss Qingyan, I said it several times on the way, I’m Zhu Bajie, and Yue Feng is a brother, why are you not at all? Remember? You won’t forget Yue Feng, will you?”

After speaking, Zhu Bajie thought about it and continued: “Also, this is all planned by Yue Feng, he will come soon, don’t you? Hurry up!”

Yue Feng?

Su Qingyan frowned, and couldn’t help but ask, “Did Yue Feng let you catch me?”

Su Qingyan looked puzzled when she asked this.

No, in the circumstances at that time, it was clearly Zhu Bajie who made trouble in Xiyan Pavilion, where could there be Yue Feng?

“Fengtao is Yue Feng.” Zhu Bajie responded in surprise: “Yue Feng has changed his face, you don’t know?”

What?

Hearing this, Su Qingyan’s tender body trembled, her delicate face was full of surprise, she stared at Zhu Bajie blankly: “What did you say? That Fengtao is Yue Feng?”

Su Qing said this. Yan Yifang’s heart kept trembling, and her emotions were extremely complicated.

No wonder that Feng Tao, after seeing him, behaved so strangely, it turned out that he was Yue Feng. This person is despicable and shameless, hiding his name in Xiyan Pavilion, there must be nothing good.

The more Su Qingyan thought about it, the more angry she became, and she looked at Zhu Bajie excitedly: “I’m not familiar with Yue Feng at all, you...you quickly let me go.”

Because she was taught that 'Yue Feng is a bad person' So when he heard about Yue Feng, Su Qingyan instinctively repelled it. At this time, when he learned that Zhu Bajie, who was in front of him, was with Yue Feng, he became even more excited.

What's the matter?

Seeing this scene, Zhu Bajie only felt that his mind was in a mess, and he was even more depressed.

Isn't this Su Qingyan Yue Feng's woman? Why do you feel so repulsive when you hear Yue Feng's name?

Next to Xu Qingyi, was also confused.

"lady!"

Chapter 2173

Finally, Zhu Bajie reacted and instructed Xu Qingyi: "You look at her first, and I'll pick up Brother Yue Feng!" After speaking, Zhu Bajie drank a glass of Chinese wine, turned around and walked out Room.

Zhu Bajie had already thought about it, and let Yue Feng handle the matter in front of him. After all, Su Qingyan was his woman.

"Miss Qingyan!"

After walking away, Xu Qingyi breathed a sigh of relief, walked over slowly, and comforted Su Qingyan: "Calm down first, there must be some misunderstanding between you and Yue Feng, wait a minute. Yue Feng is here, you two have a good talk..."

Xu Qingyi was gentle and wise, and at a glance, she could see that there was a misunderstanding between Su Qingyan and Yue Feng.

If it was before, Xu Qingyi would not be so talkative, but after following Zhu Bajie, she also regarded Yue Feng as a friend, and when she saw the situation in front of her, she wanted to mediate.

However, Su Qingyan didn't listen at all, she shook her head and resisted: "There is no misunderstanding between me and him, please let me go, let me go..."

Alas.

Seeing this, Xu Qingyi sighed, very helpless.

At this moment, on the street outside, a person slowly walked towards the inn, dressed in a black robe, with sharp facial features, very handsome, and his face full of vigilance.

It was Duan Yu.

Yes, Duan Yu followed Zhu Bajie and the three to Fengling Town.

In Mount Emei, after being seriously injured by Yue Wuya, Duan Yu fled in a hurry, and finally hid in a hidden place to recover. After the injury was healed, Duan Yu wanted to seek revenge on Yue Feng, just in time for Yang Jian to send troops to conquer Nanyun Continent. At that time, he learned that Yue Feng had defeated the Northern Ying army in Nanyun Continent, and he was famous in Kyushu. Duan Yu was both envious and resentful. At the same time, he also knew that he would not be able to take advantage of Yue Feng's current situation.

In the end, Duan Yu decided to practice around, and when his strength improved, he would go to Yue Feng to settle the account. Recently, he was training in the Yellow Sea Continent. Just now, Duan Yu was passing by Fengling Town and happened to see his wife Xu Qingyi and his senior sister Su Qingyan. At that time, Duan Yu was surprised and delighted, but he was only afraid of Zhu Bajie's strength, and he never did. show up.

Just now, Duan Yu observed secretly, saw Zhu Bajie leave the inn alone, and quickly appeared.

....

in the inn room.

Xu Qingyi sat beside the bed, still patiently persuading Su Qingyan. It was just that the effect was minimal, and Su Qingyan still couldn't hear it.

Bang Bang...

At this moment, the door was suddenly knocked.

"You guys are back!"

Xu Qingyi's face was overjoyed, thinking that Zhu Bajie and Yue Feng were back, and quickly stood up to open the door!

Swish!

At the moment when the door was opened, Xu Qingyi's delicate body trembled, and the whole person was stunned. Just outside the door, Duan Yu stood there quietly, his handsome face full of complexity.

It's...it's him! ?

Seeing Duan Yu, Xu Qingyi's brain was buzzing, a heart beating faster, and her mood was extremely complicated.

Junior Brother?

At the same time, Su Qingyan was also stunned, her beautiful face was full of surprise.

In Su Qingyan's heart, Duan Yu left him alone in Mount Emei and fled alone. He and he would never meet again, but he never thought that they would meet here.

"lady!"

At this moment, Duan Yu was emotional, and with his handsome face, he couldn't hide the ecstasy and excitement in his heart: "I finally found you!" He opened his hands to hold Xu Qingyi in his arms.

Although Duan Yu acts without compromise, he is not a cold-blooded person, and he also has feelings, and the woman he loves most is Xu Qingyi.

Duan Yu was almost insane after his wife Xu Qingyi was captured by Zhu Bajie in the ancient tomb of Lv Bu. After that, he has been sending people to find her whereabouts. At the same time, he has been looking for trouble with Yue Feng, also to find clues about Xu Qingyi. .

It just backfired, Duan Yu never found out about Xu Qingyi. Now that we meet again after a long absence, it is natural to be excited.

Chapter 2174

"You..."

However, what Duan Yu didn't expect was that before he got close, he saw Xu Qingyi like a frightened bird, taking a step back, her delicate face showing resistance, and she said, "Don't come here. .."

Swish!

Duan Yu stopped in his footsteps, stunned, the smile frozen on his face, and he was very puzzled.

what happened? Madam has always been very gentle and submissive to herself. How did she become so lively after not seeing her for such a long time?

Yes, she must be blaming herself for not looking for her for so long.

Thinking about it, Duan Yu smiled bitterly and explained to Xu Qingyi: "Madam, I'm sorry, it's not that I didn't find you for so long, but I sent a lot of people, but I couldn't find out about you."

"Don't worry . . . , After we meet again today, I will never let you leave me again." The voice fell, and Duan Yu was ready to approach again.

"Duan Yu!" Xu Qingyi bit her lip tightly and shook her head gently: "The fate of you and me is long overdue, I'm fine now, you better.... Forget me."

When saying this, Xu Qingyi's face was calm, without the slightest emotional fluctuations.

To be honest, at the beginning, when Zhu Bajie was taken away, Xu Qingyi still thought about Duan Yu, but after contacting Zhu Bajie, Xu Qingyi was gradually infected by Zhu Bajie's unique charm, and she completely let go of and Duan. Feather's feelings.

More importantly, his body was already possessed by Zhu Bajie, and it was impossible to reunite with Duan Yu.

forget me, please!

The four words, like an invisible giant hammer, smashed into Duan Yu's heart.

Duan Yu froze there, staring blankly at Xu Qingyi, heartbroken.

Madam wants to sever ties with herself?

Why?

It must be a hallucination, not real.

what!

At this time, Duan Yu shouted up to the sky and almost collapsed. Xu Qingyi was the only woman he loved deeply in his life, but now he broke up with him, and no one could accept it.

For a time, Duan Yu's face was extremely ugly, and his whole body couldn't help shaking.

Seeing his appearance, Xu Qingyi suddenly became nervous and took two steps back cautiously.

She knew Duan Yu too well, and her temperament was extreme. What she said just now stimulated him. If she didn't comfort him in time, she would definitely take extreme actions.

Thinking about it, Xu Qingyi said softly, "Duan Yu, you are a person who does great things, don't be entangled by the love of your children, and I'm sorry for this matter, don't do this, okay?"

"At these times, Xu Qingyi's face was calm, but she was secretly alert.

call!

Duan Yu took a deep breath, nodded with a wry smile, and said, "Okay, since Madam said that, I'm not obsessed anymore, I wish you happiness!"

Congratulations on his lips, but Duan Yu's eyes flashed gloomily.

The next second, Duan Yu turned his head to look at Su Qingyan, and smiled slightly: "Senior sister, stay safe."

Su Qingyan's face was cold and did not respond.

Before in Mount Emei, Duan Yu left her alone and didn't ask, Su Qingyan had a knot in her heart, and naturally she would not have a good face towards him.

call!

Seeing this scene, Duan Yu took a deep breath and explained seriously: "Senior sister, I know you blame me, but I was on Mount Emei at that time, and I had no choice but to leave in time. If I don't leave in time, my life will be lost, please forgive me."

Duan Yu was in a bad mood after being distanced by Xu Qingyi, and wanted to be comforted by Su Qingyan at this time.

However.

Su Qingyan didn't give him a chance to explain at all, and interrupted before she finished speaking.

"Duan Yu, you don't need to explain." Su Qingyan said coldly, "Let's not say this in a fake way, on Mount Emei, I have already seen your person clearly, you can abandon me once, you can abandon me twice, From now on, you are only my junior brother in name, and we have nothing to do with each other." The

voice was not loud, but it was decisive.

Su Qingyan is a wise woman, although she lost her memory, she still sees people accurately. Duan Yu's actions made Su Qingyan completely disappointed, how could he forgive him?

hum!

At this moment, Duan Yu only felt a dull thunder sounded in his head, and the whole person was stunned there, and his mood was extremely bad.

Chapter 2175

"Okay, okay!" In the

next second, Duan Yu's face was full of bitterness, and he smiled: "In this case, I have nothing to say."

At this time, Duan Yu had a smile on his face, but his heart was cold. If ice. The woman she loves the most has severed her relationship, and Su Qingyan refuses to forgive herself.

Originally, Duan Yu thought that these two women would be able to return to him, but he never imagined that the reality and what he imagined were completely different.

Papa... When

the voice fell, Duan Yu's mouth curled into a smirk, suddenly rushed in, raised his hand and touched Xu Qingyi's acupuncture point.

Xu Qingyi was unprepared, her delicate body trembled, and she couldn't move for a moment.

"Duan Yu, you..."

Xu Qingyi looked pale, shocked and angry: "What are you doing?"

Duan Yu didn't answer, knocked Xu Qingyi unconscious, then picked her up, and walked away Go to Su Qingyan.

"You..."

At this time, Su Qingyan was also trembling and panicked: "Duan Yu, you are crazy, what are you going to do?"

What?

Duan Yu showed a smile, and his handsome face was full of madness: "What do you say I'm going to do? In your hearts, Duan Yu is an out-and-out bastard, and I don't have the right to have a relationship with you. In this case, I will let you know what a real bastard is."

When he said this, Duan Yu looked at Su Qingyan recklessly, with evil fire flashing in his eyes.

After all, he was also the emperor of Xi Cang, but he was abandoned by two women one after another. How could he bear this tone? Since you are heartless, don't blame me for being unrighteous.

Duan Yu thought about it, not only to get Xu Qingyi back today, but also to get Su Qingyan.

In the next second, without waiting for Su Qingyan to respond, Duan Yu hugged her by the waist, and then jumped out from the back window of the room. Su Qingyan had been tapped by Zhu Bajie before, and she was unable to resist.

Speaking of which, Duan Yu was bringing two women, which was very eye-catching, and at the same time he couldn't walk fast, but at this time night had fallen, and there was a hillside behind the inn, and no one noticed it for a while.

Soon, Duan Yu, along with Su Qingyan and Xu Qingyi, disappeared into the vast darkness.

Not long after leaving, a figure walked quickly to the door of the inn, sweating profusely, with a handsome and stylish face, unable to hide his inner excitement.

It was Yue Feng.

Tongfu Inn...that's it.

At this moment, Yue Feng looked up at the inn's signboard, and then strode in, pulling a shop assistant to ask: "Excuse me, is there a guest surnamed Zhu who has reserved a room here, the man is very handsome, and he has brought two very beautiful women."

Yue Feng's face was full of anticipation when he asked these questions.

That's right, when Yue Feng and Zhu Bajie pretended to fight in Xiyan Pavilion before, it was agreed that after Zhu Bajie took Su Qingyan away, he would wait for him at this inn in Fengling Town.

"Hey...let go!" The

shop assistant looked down at Yue Feng with a look of contempt, and said angrily, "Who are you? We can't disclose the information of the guest casually. Seeing you like this, it doesn't look like you're looking for someone. He looks like a liar, hurry out."

The man in front of him, dressed in ordinary clothes and still in the dust, must be a liar from other places.

During this period of time, because Yang Jian led his troops to fight in various places, many people were displaced. On the Yellow Sea Continent, many refugees and various liars have recently arrived.

Nima!

Seeing the face of the second shopkeeper, Yue Feng scolded inwardly, too lazy to talk nonsense, let go, and went directly to the room on the second floor to search.

At this time, Yue Feng was in a hurry to meet Zhu Bajie, and was too lazy to care about this shop's second.

"Hey, what are you doing?" The second shopkeeper was very angry, and quickly chased after him, shouting, "Did you not hear when you go out? You dare to break into the guest's room without permission..."

Yue Feng I just pretended not to hear it, and checked the rooms on the second floor one by one, but I didn't find Zhu Bajie, nor did I see Su Qingyan or Xu Qingyi.

What's the matter?

Going downstairs, Yue Feng found a chair and sat down in the lobby of the inn, his brows furrowed, and he muttered in his heart.

Is this the inn right? Why didn't I see the three Zhu Bajie?

Could it be that they encountered other things along the way and hadn't come over yet?

For a time, Yue Feng was in a mess.

At this time, Yue Feng didn't know that Zhu Bajie went out to meet him, but the two went astray and didn't meet, and Su Qingyan and Xu Qingyi were taken away by Duan Yu.

Chapter 2176

"Hey!"

At this time, the second shopkeeper looked angry, came over and pointed at Yue Feng and shouted: "I told you to get out, can't you hear? Are you deaf?"

"He glanced at it and ignored it.

"What's the matter?" The shop owner came over and asked with a frown. The philistine on his face looked like someone who bullies the soft and fears the hard.

Whoops!

At the same time, the movement also attracted a lot of onlookers.

"Boss."

Seeing the boss coming, the second shopkeeper became more confident, pointed at Yue Feng and said contemptuously, "This kid broke into the guest's room, and he still won't leave. I think it's either a thief or a liar."

What?

Hearing this, the shop owner immediately became angry, pointed at Yue Feng and shouted angrily: "Where is this kid who doesn't know how to live or die? Break a leg for me and throw it out."

Like the second shopkeeper, the shop owner also thought that the person in front of him was in front of him. , came from other places to escape the war, after all, Yue Feng's dress is too ordinary.

Whoa!

The words fell, and several guys in the store rolled up their sleeves and surrounded Yue Feng.

At this moment, everyone around them shook their heads secretly, and many people pointed at Yue Feng.

"I'm afraid this kid is going to be unlucky."

This chapter is provided by . Visit for daily update.

"Yes, the owner of this inn, but a respectable person in Fengling Town, this kid dares to make trouble here? Looking for death..."

"Looking at his appearance, he must be fleeing from another place. Come here, sigh, you are young, what you do is not good, you have to cause trouble..." The

surrounding discussions kept coming, and the corners of Yue Feng's mouth twitched, very funny.

Nima!

Do you look like a refugee?

At this time, Yue Feng was very funny. He didn't want to attract attention, so he hid his strength, but he didn't expect to be regarded as a liar who escaped. It was ridiculous.

"Boy! I really can't see the coffin, so I can't cry."

Seeing that Yue Feng could still laugh, one of the shop assistants finally couldn't hold it anymore, shouted angrily, and punched him fiercely.

Yue Feng's face was calm and composed, and he didn't mean to hide at all.

These shop assistants are all ordinary people, and their shots seem to be very fierce, but hitting Yue Feng is like scratching a tick.

"Boss, do you have a room?"

Seeing that the punch was about to hit Yue Feng, suddenly, a voice came from outside, and then, a man with a good temperament walked in slowly.

Wearing a black brocade robe, it shows a good temperament. He is about thirty years old, and his body is thin, but his body is filled with an aura that is not to be underestimated.

The man's name is Ye Fei, a martial emperor, and he is a branch hall master of Tianmen.

Ye Fei?

Why is this kid here?

Seeing Ye Fei, Yue Feng was stunned for a moment, and was very puzzled.

Recently, Yang Jian sent troops to conquer all over the world, and he specially gave orders to Tianmen to be ready at all times to defend the Earth Circle Continent. Ye Fei is not in the Earth Circle Continent at the moment, so why did he come to the Yellow Sea Continent?

Swish!

At the same time, the eyes of everyone present suddenly converged on the past.

Just looking at it, almost everyone believes that this person in front of him has such a strong aura, he has an extraordinary origin, and his identity is definitely not simple!

“This guest officer!”

At this time, the shop owner responded with a smile on his face and respectfully said to Ye Fei: “This is the best inn in Fengling Town, with the best room. I’ll arrange it for you.”

Like everyone else, the shop owner also believed that it was not easy to come, and at this time, he looked like a servile and respectful person.

At the same time, when the shop owner’s eyes swept over Yue Feng, there was still a hint of contempt.

Wait until you have arranged the distinguished guests, and then take care of this kid.

“Yeah!”

At this moment, Ye Fei nodded and said lightly: “Go get ready, I have to rest quickly.”

When he said this, Ye Fei couldn’t hide his tiredness.

Yes, Ye Fei should not have appeared here originally, but the Northern Ying army suddenly invaded the Earth Continent. The Huashan area and Yunzhou City have been occupied. Now the entire Earth Continent is in chaos. Under such circumstances, Tianmen sent many people. , went to various continents to find Yue Feng.

After all, only Yue Feng can save the situation in the Earth Circle Continent.

In this case, Ye Fei was responsible for coming to the Yellow Sea Continent to look for it.

“Okay!” The shop owner nodded in response, and quickly ordered Dian Er to prepare the room.

Um?

But at this moment, Ye Fei’s eyes flashed, and when he saw Yue Feng sitting there, he was shocked and surprised.

metropolitan? !

Ye Fei rubbed his eyes, thinking he was wrong, but after a closer look, he was really the sect master!

Excited, Ye Fei pushed the shop owner away and walked towards Yue Feng quickly.

Whoa!

Chapter 2177

Seeing this scene, everyone present was stunned.

This... what's the situation?

This extraordinary guest, know this kid?

Pfft!

Just when everyone was secretly suspicious, they saw Ye Fei approaching Yue Feng, bent his knees, and knelt down directly.

This time, everyone was completely stunned!

And even more, they were still shocked.

Seeing Ye Fei's excited face, he said to Yue Feng: "Subordinate Ye Fei, see Sect Master, Sect Master... I have finally found you."

Hiss!

For a moment, the entire inn was silent, and many people couldn't help gasping for air.

metropolitan? This guy in ordinary clothes turned out to be the suzerain?

It's just...he's the suzerain of that sect?

"You...you..."

Finally, the shop owner was the first to react, looking at Yue Feng, his throat trembled, and he couldn't say anything in shock.

Before he could finish speaking, he was interrupted by Ye Fei's angry shout.

"Presumptuous." Ye Fei glared at the shop owner and scolded coldly: "This is our Tianmen Sect Master, Your Excellency Yue Feng, you dare to be so rude and seek death!"

Ye Fei is a smart person, seeing a few shop assistants, surrounded by Looking at Yue Feng, he immediately guessed something.

What?

Hearing this, the entire inn immediately exploded, and everyone stared at Yue Feng in stunned shock.

Total shock.

This person turned out to be the Tianmen Sect Master Yue Feng? Some time ago, the existence of helping the Nayun Continent to repel the Northern Ying army? The Emperor of Xi Cang, Yue Feng?

The shop owner only felt that his legs were weak, and he was dripping with cold sweat. Totally speechless.

He turned out to be Yue Feng?

Just now, I even asked the guy to shoot him, which is simply courting death.

At this time, Ye Fei came over delicately and said coldly: "If you dare to be disrespectful to our sect master, don't even think about living." The voice fell, Ye Fei's inner strength exploded, and he was about to shoot.

The shop owner and a few guys were so frightened that they even peed their pants on the spot.

"Forget it!"

At this moment, Yue Feng said lightly: "I don't blame those who don't know. Besides, they didn't do anything to me."

When he said this, Yue Feng didn't even look at the shop owners. In his heart, there is no need to care about these people at all.

"Yes, Sect Master." Ye Fei responded and retreated.

"Ye Fei!" At this moment, Yue Feng frowned and asked, "Why did you come to the Yellow Sea Continent

? What happened?"

The news of the invasion by the troops has not yet reached this side, and Yue Feng naturally does not know.

Ye Fei looked at the people around him and hesitated.

Yue Feng realized something, got up and took Ye Fei to an empty room on the second floor.

A few minutes later.

Ye Fei was in the room and explained the situation of the Earth Circle Continent in detail.

At the end, Ye Fei looked ashamed and anxious: "Sect Master, we have done our best, but the Beiyang army is too strong. Now not only Huashan area and Yunzhou City have fallen, but many people have been captured by Yang Jian. .."

Om!

Hearing this, Yue Feng's body trembled, his brain buzzing, shocked and angry.

Nima, this Yang Jian is too cunning to attack Diyu Continent while he is away?

A few seconds later, Yue Feng reacted and quickly said to Ye Fei: "Quick, in my name, immediately ask for help from the royal family of the Southern Cloud Continent, as well as the Wen Zong and Dan Zong of the Dongao Continent!"

When he said this, Yue Feng said Anxious. The Beiyang army is strong and powerful. Even if he goes back on his own, it will be difficult to restore the situation, and he can only ask for help from other continents.

"Yes, Sect Master!" Ye Fei responded and walked out of the room quickly.

Watching Ye Fei leave, Yue Feng found paper and pen in the room and wrote a letter to Zhu Bajie.

After writing it, Yue Feng called the owner of the inn and instructed: "If there is a person named Zhu Bajie who comes to the inn, give this letter to him. Remember, you must hand it over to him, understand?"

Seriously , Yue Feng really wanted to stay here and continue to wait for Zhu Bajie. After all, Qingyan lost her memory. After looking for her for so long, she finally found her, and she really didn't want to leave like this.

But there is no way, the Earth Continent is at stake, and we must go back to preside over the overall situation.

Moreover, with Zhu Bajie watching around Qingyan, there is no danger.

“Yes, yes, Sect Master Yue, rest assured, the villain will do it.” The shop owner nodded again and again, extremely respectful, and did not dare to violate the slightest. Compared with before, his attitude was completely different.

The person in front of him is a big man who is famous in Kyushu. How can he be the owner of a small shop in his own place?

After arranging everything, Yue Feng left Fengling Town and rushed towards the Xicang Continent.

Yue Feng thought about it, and went to Xicang Continent to gather an army first, so that he would have a better chance of winning against Yang Jian.

## Chapter 2178

After a long flight, Yue Feng arrived at the boundary of Xicang Continent.

At this moment, stepping on the land of Xi Cang Continent, Yue Feng was inexplicably excited.

Nima, it's finally here.

The strength of Xi Cang Continent is still at the forefront of the Kyushu. Yue Feng believes that as long as the Xi Cang army is summoned, even if it cannot defeat Yang Jian, it can at least help Di Yuan Continent to delay the time.

Thinking about it, Yue Feng finally arrived at Canglong Pass after more than an hour of flight.

Canglong Pass, located on the border of Xi Cang Continent, is one of the important gates to enter Xi Cang Continent.

The reason why Yue Feng came to Canglongguan was because the distance from Canglongguan to Di Yuan Continent was the closest.

Yue Feng thought about it. After arriving at Canglong Pass, he directly asked the garrison to convey his will, let the army come to meet, and then quickly supported the Di Yuan Continent. After all, the Di Yuan Continent was in critical condition and could not be dragged on for a moment.

call!

On the official road outside Canglong Pass, Yue Feng took a deep breath and landed slowly.

After flying for more than ten hours in a row, Yue Feng was a little tired, and he still had a few hundred meters to go, so he decided to walk over.

Um?

After a few steps, Yue Feng stopped, frowning secretly as he looked at the front.

I saw a car parked on the road in front of it, the hood was smoking, obviously it broke down, and a young man and woman stood next to it, unable to do anything.

The man is about twenty-five years old, quite handsome, wearing a brown plaid suit, but wearing ancient short boots on his feet.

The woman looked younger. She was wearing a plain white cheongsam, which perfectly showed her exquisite and tight figure. Her facial features were exquisite and charming, and there was a hint of stubbornness between her eyebrows. Yue Feng noticed that the woman's long hair was up, similar to the ancient maid's head shape.

This pair of men and women, dressed in modern clothes, but with ancient elements on their bodies. In the past, Yue Feng must have been puzzled, but now he is not surprised.

Since the enchantment of the Kyushu Continent disappeared, in the past ten years, the various continents have communicated with each other, and the humanities and customs have collided.

“You two!” In the

next second, Yue Feng reacted, walked over, and said to the man and woman, “Do you need help?” To be

honest, Yue Feng was in a hurry to gather the army. The cheongsam woman in front of her raised her hands and gestures like Liu Xuan, so she decided to help.

“Go go go...” The

man in the suit looked disgusted, looked at Yue Feng up and down, and said angrily: “You are passing by, what are you doing? This is called a car, have you seen it?”

The boy in front of him, Dressed in ordinary clothes, you don't know much at first glance.

In the heart of the man, he thought that Yue Feng was a commoner of the Xicang Continent and had never seen a car. After all, the Xicang Continent was an ancient society. Although the continents had been in communication for a long time, it was difficult for ordinary people to see such a high-tech product as a car!

Yue Feng frowned secretly.

Nima, this kid has a strong sense of superiority.

“Cousin.” At this moment, the beautiful cheongsam pulled the man in the suit and said softly, “Don’t do this.”

Then, the beautiful cheongsam smiled at Yue Feng: “I’m so sorry, you just said Want to help, can you fix the car?”

The voice is melodious and pleasant.

Yue Feng nodded and said with a smile: “Understand a little bit, your car broke down, it seems that the problem is the outlet pipe.” As the former young master of the Yue family, Yue Feng is no stranger to cars.

While speaking, Yue Feng opened the hood and checked it.

Um?

Chapter 2179

Seeing this scene, the man in the suit was very surprised, as if he didn’t expect Yue Feng to really repair cars, but there was still a bit of disdain in his eyes.

Soon, Yue Feng checked the fault and began to repair it. At the same time, he asked the beautiful woman in cheongsam, “Where did you come from? Has this car been out of maintenance for a long time?”

Many parts of this car need to be repaired. Men and women do not know how to maintain at all.

Swish!

Hearing this, the man in the suit frowned and cried out in disgust, “Ah, if you can do it, hurry up, what are you asking? Where did we come from, who are we, and does it have anything to do with you? In the

words, there is a strong contempt, in the eyes of the men in suits, Yue Feng is not qualified to know their identities.

As soon as the words fell, the cheongsam beauty looked unhappy, and blamed the man in the suit: “It’s okay to help us, it’s okay to ask, don’t talk about guns and sticks.” After speaking

, the cheongsam beauty apologized to Yue Feng . He smiled: "My cousin is like this, don't mind, we are from Zhongyuan Continent, my name is Sun Ting." The

Sun family is a big and famous family in Zhongyuan Continent. She is the eldest lady of the Sun family.

Although Sun Ting is a wealthy lady, she has a strong personality. In recent years, the family business has been expanding to other continents. Sun Ting wanted to share some of it. This time, she took the initiative to come to Xicang Continent to find some business cooperation for the family.

As for this car, it was Sun Ting's father, who got it from the Diyuan Continent. Sun Ting was a novelty for a while. After learning how to drive, she drove it to the West Cang Continent. gone, broken on the side of the road.

call!

Yue Feng nodded silently, it turned out to be from Zhongyuan Continent. Like Apocalypse Continent, Zhongyuan Continent is also an ancient society. This pair of men and women, dressed in such avant-garde, must have an unusual status in Zhongyuan Continent.

"That's right!"

At this time, Sun Ting introduced the man in suit to Yue Feng: "This is my cousin, Dugu Jing."

Well!

Yue Feng responded, but was too lazy to say hello to Dugu Jing, this kid was disrespectful and was too lazy to pay attention to him.

However, Yue Feng murmured in his heart.

This kid's surname is Dugu? Could it be from the same family as that Dugu Jiu?

When the Tianqi royal family held a contest to recruit relatives for Ren Yingying, Zhongyuan Continent came to a contestant with a high voice, Dugu Jiu, Yue Feng clearly remembered that at that time that Dugu Jiu was the Dugu family from Zhongyuan Continent. A well-known talent, in the final of the literary competition, Yue Feng also compared with Dugu Jiu to write a poem.

And the Dugu Jing in front of him is also from the Zhongyuan Continent. Could it be that he and that Dugu Jiu belong to a family?

Yue Feng guessed right, this Dugu Jing is from Dugu Jiu's family, and he is also Dugu Jiu's younger brother.

The Dugu family and the Sun family have been married for generations. Dugu Jing is Sun Ting's cousin. He liked this cousin since he was a child. When he learned that Sun Ting wanted his only son to drive to Xicang Continent to find business opportunities, Dugu Jing followed him shamelessly.

"Boy!"

Seeing that Yue Feng was ignoring his love, Dugu Jing suddenly became angry and sneered: "Have you heard of the Dugu family in Zhongyuan Continent? I am the young master of the Dugu family, as long as you fix the car, Young master, I will reward you with a silver ingot." The

voice fell, and Dugu Jing took out a silver ingot, with an aloof arrogance on his face.

In Dugu Jing's heart, even if Yue Feng knew how to repair cars, he was just an ordinary person, and the silver ingot he gave him would never be seen in his life.

Haha..

Seeing the silver ingot, Yue Feng's face was indifferent, without the slightest fluctuation, but his heart was secretly funny.

This Dugu Jing really belongs to the Dugu family. But this kid is really interesting. He is just a young master of the family.

Thinking to himself, Yue Feng still ignores Dugu Jing.

After a while, the car was repaired, Yue Feng put down the hood and smiled at Sun Ting: "Okay, you can continue on your way."

Chapter 2180

"You're amazing."

Sun Ting clapped her hands, excited and looked at Yue Feng with gratitude and admiration: "I thought this car was completely broken, but I didn't expect you to fix it so easily. "

Speaking, Sun Ting couldn't help but ask: "Yes, I don't know what your name is, where did you come from."

"Me!"

Yue Feng thought for a while, and replied: "My name is Fengtao, the continent of Earth Circle. I'm here."

Yue Feng wanted to say his real name, but then he thought that his reputation was too loud, so it's better to keep a low profile.

"It turned out to be from the Earth Circle, so it's no wonder that he can repair cars." Sun Ting looked surprised.

In the Kyushu Continent, the Earth Circle Continent is technologically advanced, and almost everyone there understands cars, and it is not surprising that they can repair cars.

Immediately, Sun Ting thought of something, and asked Yue Feng curiously, "Did you come to Xi Cang Continent to escape the war?"

Ah?

Hearing this, Yue Feng was stunned.

With a complicated expression on her face, Sun Ting continued: "On the way here, I saw a lot of people fleeing, most of whom came from the Diyuan Continent. Alas, they are all brought by their families, so pitiful..."

Phew!

Yue Feng took a deep breath and clenched his fists secretly, feeling very uncomfortable.

For his own selfish desires, Yang Jian launched an army to invade the Diyuan Continent, and in the end it was the common people who suffered.

I have to hurry up and mobilize the Xi Cang army to resist Yang Jian.

"Oh, boy!"

At this moment, Dugujing looked at Yue Feng up and down, and said contemptuously: "I can't see, you really repaired the car, now, this young master's words count, this is a reward for you." The

voice fell, Dugujing general A silver ingot in his hand was thrown at Yue Feng's feet with a very arrogant attitude.

Dugujing has been pursuing Sun Ting. At this time, seeing Sun Ting and Yue Feng talking and laughing, he is very upset, like a blow to Yue Feng's self-esteem.

Nima!

Yue Feng frowned secretly, without even looking at the silver ingots on the ground, at the same time, his heart was a little angry.

This kid, I ignore you, you are getting more and more excited.

“Yo?”

Seeing Yue Feng standing still, Dugu Jing sneered and mocked: “Why? Too little? Let me tell you, this piece of silver ingot is enough for a person like you for a long time, so don’t know what to do.

” Cousin!”

Sun Ting couldn’t stand it any longer, and stomped her feet: “Can you stop doing this?”

Dugu Jing quickly smiled and coaxed: “Cousin, don’t be angry, a person like him looks ordinary at first sight. People, I’m helping him by giving him money.”

Yue Feng chuckled and said lightly, “I’m helping you repair your car out of good intentions, and I don’t want to repay.”

Hmm!

Hearing this, Sun Ting nodded in approval.

Help without asking for anything in return, such good people are rare.

At this time, Sun Ting was very fond of Yue Feng.

The next second, Sun Ting smiled and invited Yue Feng: “It seems that you are also going to Canglong Pass. Since we are on the way, let me take you for a ride.”

When saying this, Sun Ting’s charming eyes , full of sincerity.

“What?”

Dugu Jing suddenly shouted: “Cousin, this person is so dirty, how can he ride in our car? Anyway, the Canglong Pass is right in front of him, let him walk by himself.”

When he said this, Dugu Jing did not forget to look at Yue Feng with a look of disgust.

A low-class person, how can he be qualified to ride in his cousin’s car?

“Dugujing, are you enough?” At this time, Sun Ting was completely anxious, and she shouted coldly: “If you do this again, don’t follow me.”

After saying that, Sun Ting smiled at Yue Feng: “Feng Tao , let’s get in the car.” The voice fell, and Sun Ting sat in the driver’s seat.

Um!

Yue Feng nodded and got into the car.

To be honest, Yue Feng didn’t want to take the car. After all, the Canglong Pass was close at hand, but Sun Ting’s kindness was difficult, and he was really embarrassed to refuse.

“Cousin, wait for me.” Dugu Jing called out and quickly sat up.
