

The ultimate husband in Chinese chapter 2191-2200

Chapter 2191

Seeing Sun Ting's appearance, Dugu Jing guessed something and couldn't help shouting: "You won't be still worried about that wind wave, we can't protect ourselves now, an irrelevant person, worried about what he does?"

After speaking, Dugu Jing was very angry, and he babbled: "According to what I said, that Fengtao deserved it. He thought he had some strength, so he dared to provoke the son of the vigilante, Ma De, if he hadn't angered that Xie Zhendong, neither of us will be locked up."

Dugu Jing became more and more angry the more he thought about it, if it wasn't for his cousin, he would really want to scold him.

"Shut up..."

Sun Ting's petite body trembled and stomped her feet: "Dugu Jing, are you talking about human words? People offended Xie Zhendong in order to save me. If you don't appreciate it, forget it. Complain."

When she said this, Sun Ting looked at Dugu Jing with disappointment in her eyes.

It is also a man. At a critical moment, my cousin complied with Xie Zhendong, which really embarrassed the Dugu family, and that Feng Tao, although only an ordinary person, was not afraid of power, and was a man of true blood.

Compared to the two, they are really different.

"I..."

Being reprimanded by Sun Ting, Dugu Jing lowered his head very boringly and muttered: "Cousin, I compromised at that time, and it was for your safety..."

Sun Ting sneered and ignored it. .

Squeak!

Just as he was talking, he heard the door being gently pushed open, and then, two soldiers walked in quickly with serious expressions.

call!

Sun Ting and Dugu Jing suddenly became nervous, but they were stunned when they saw the people who followed behind.

This chapter is provided by . Visit for daily update.

I saw Xie Nanbo and Yue Feng walked in slowly.

“Fengtao, you were also arrested?” Sun Ting didn’t know Xie Nanbo, her attention was on Yue Feng, her delicate body trembled, and she couldn’t help asking.

Just after speaking, Sun Ting was stunned again when she saw that Yue Feng’s hands and feet were not tied.

what’s the situation? Feng Tao was not arrested?

Dugu Jing on the side was also full of surprise, looking at Yue Feng’s eyes with a bit of contempt and resentment.

“Sorry!”

Just when Sun Ting was secretly surprised, Xie Nanbo walked over quickly, with a smile on his face, apologetically: “This is Miss Sun from Zhongyuan Continent, I’m Xie Nanbo, Canglongguan Guard Officer , the dog is daring and offends the young lady, I’m really sorry. This official has taught this bad boy just now, I hope Miss Sun, the adults, don’t care about him.”

Speaking of which, Xie Nanbo was very proud, if it was normal, he would definitely Wouldn’t be so rude to a woman.

But I can’t help it. The one in front of me is His Majesty’s friend. Where is the offense?

What?

Hearing this, Sun Ting and Dugu Jing were stunned for a while, and then, when they saw Xie Zhendong standing outside the door with a bruised face, they were stunned and completely dumbfounded.

what’s the situation?

The old man in front of him is Canglongguan guard Xie Nanbo? And.... just taught Xie Zhendong a lesson?

Is this all because of the wind? What’s his relationship with Shenandoah?

This...

A few seconds later, Sun Ting reacted, looked at Yue Feng, and couldn’t help but wonder: “Fengtao, you... do you know this Master Xie?”

Yue Feng smiled and shook his head: "Where did I know Mr. Xie? It's Mr. Xie who has a sense of justice and can't stand his son's actions, so he has to come and let you go in person."

Yes, Yue Feng didn't want to reveal his identity in front of Sun Ting. In his heart, he and Sun Ting just met, and he had already concealed his identity in front of the common people, so he should continue to conceal his identity in front of Sun Ting.

"That's right."

As soon as he finished speaking, Xie Nanbo quickly nodded and agreed: "This villain has always been domineering. I have been busy with official business and have no time to discipline. Fortunately, this Your Excellency made a righteous move today, so that the villain did not make a big mistake."

Xie Nanbo It can be seen that Yue Feng doesn't want to publicize, and naturally he doesn't dare to reveal his identity, so he can only cooperate fully!

call!

Hearing this, Sun Ting and Duguojing were all surprised.

It turned out to be so, it seems that this Xie Nanbo is a good official, I thought he knew Feng Tao.

Duguojing breathed a sigh of relief and glanced at Yue Feng, without the slightest gratitude, but even more disgust.

Mad, this boy is very lucky. He met such a good official as Xie Nanbo. If Xie Nanbo favored his son, he and his cousin would have been miserable by him.

Chapter 2192

"Master Xie is really discerning."

At this time, Sun Ting reacted and smiled at Xie Nanbo: "It is admirable to be so selfless, Canglongguan has a good official like you, it is really a blessing for the people."

"Sun Da Miss Liao praised it." Xie Nanbo quickly waved his hand and smiled humbly: "Xie Mou is too proud." With

that, Xie Nanbo instructed the soldier next to him, "Why are you standing? Quickly untie the two of you.

" When the order arrived, the two soldiers quickly untied the ropes for Sun Ting and Duguojing.

Sun Ting was very happy when she regained her freedom, and thanked Xie Nanbo: "Thank you, sir."

Then, Sun Ting looked at Yue Feng: "Fengtao, can you say a few words alone?"

Hmm!

Yue Feng nodded and followed.

Seeing this scene, Dugu Jing also quickly chased out.

"Fengtao!"

Sun Ting said gratefully to Yue Feng when she reached the edge of the flowerbed outside: "Thank you for your righteous action just now, I was still worried about you just now..."

As the eldest lady of the Sun family, Sun Ting has a relatively personal personality. Arrogant, from childhood to adulthood, no man could make her look different, but today, Yue Feng's actions deeply touched her heart.

At this time, in Sun Ting's heart, Yue Feng was already regarded as a friend.

Yue Feng smiled slightly, with an indifferent expression on his face: "Hands up."

"Cousin!"

At this moment, Dugu Jing couldn't help but interjected: "Why are you thanking him, he is a reckless man, he will only make the situation worse, if it wasn't for him to intervene, Master Xie wouldn't lock us up in anger. , today is our luck, we met such a good official as Lord Xie..."

When he said this, Dugu Jing didn't forget to give Yue Feng a contemptuous look.

In his heart, the fact that he and his cousin can turn bad luck into good luck is all because Xie Nanbo is impartial and selfless, and has nothing to do with Yue Feng.

It's just that he didn't know that Xie Nanbo came to release them in person, entirely because of Yue Feng.

Dugu Jing was babbling on the side, but Sun Ting didn't bother to pay attention.

call!

Sun Ting breathed a sigh of relief and asked Yue Feng, "Fengtao, what are your plans next? I'm going to the imperial city, do you want to come with me? I'll ask you to help me when I've negotiated business here. I do things. Can you see?"

At this time, Sun Ting still believed that Yue Feng was fleeing from Diyuang Continent.

"No need!"

Yue Feng smiled and politely refused: "I heard just now that several relatives have also come to Canglong Pass. I want to join them, so I won't be with you.

"Going to rescue Diyuang Continent, how could it be possible to go to the imperial city with her?"

"Then... okay!"

Sun Ting's delicate face flashed a trace of disappointment when she heard the answer, and then she said with a smile: "Then let's go first, by the way, if you go to Zhongyuan Continent in the future, you will definitely find a way to inform me that when the time comes, I will treat you to tea!"

"Okay!" Yue Feng nodded with a smile, "I will definitely come to visit on that day."

Sun Ting said no more, and waved goodbye to Yue Feng, and Dugu Jing turned and left.

Seeing the figures of the two leave the mansion, Yue Feng put away his smile and his expression became solemn.

call!

The next second, Yue Feng took a deep breath, turned and returned to the wing, sitting on the chair in the middle, looking at Xie Nanbo lightly.

Feeling Yue Feng's gaze, Xie Nanbo suddenly panicked and did not dare to let out the air.

When it's over, the friend sends it off, and His Majesty is going to settle accounts with himself.

"Bold."

At this moment, Xie Zhendong walked in quickly, pointed at Yue Feng and shouted, "You can sit in this position too? Hurry up!"

He is just an ordinary person, so he doesn't put himself and his father on the line. In the eyes, it is too arrogant and hateful.

"Damn!"

Xie Nanbo roared angrily and his voice trembled: "Get down on your knees and confess your guilt to Your Majesty."

At this time, Xie Nanbo was about to faint from anger. Haven't seen this stupid son yet? How could he be so polite to an ordinary person when he was guarding the dignified Canglongguan, the other party must have a great background.

hum.

Chapter 2193

Hearing the roar, Xie Zhendong was shocked, looking at Yue Feng, his brain was buzzing.

What did father just say? His Majesty?

This... this person, is your Majesty today?

"Xie Nanbo!"

At this time, Yue Feng stared at Xie Nanbo, and said coldly, "As a minister in the court, I shoulder the heavy responsibility of guarding the Canglong Pass, but you son, how dare you be in front of the public without discipline? , do you wrong, do you know the crime?"

Putong!

When the words fell, Xie Nanbo trembled, and quickly knelt down, saying in fear, "This minister is guilty."

At the same time, Xie Zhendong also bent his knees and knelt down involuntarily, dripping with cold sweat and frightened. , almost in disbelief.

Done.

It turns out... I have been arguing with His Majesty, and I threatened to cut off my hands and feet and throw them away in the mountains to feed the wolves... It's over, it's a big crime to deceive the king, and it's completely over.

Yue Feng's expression was indifferent, without the slightest fluctuation.

For a time, the atmosphere in the room was extremely depressed.

“Xie Nanbo!”

Finally, after a few seconds, Yue Feng said slowly, “Don’t be nervous, I saw you when you taught my son just now, I will not execute him for the time being, but the death penalty can be avoided, and the sin of life cannot be atonement. “

Speaking, Yue Feng’s eyes fell on Xie Zhendong: “Xie Zhendong, I want to lead the army to rescue the land of Yuanzhou, you will be the vanguard general, charge for me, and atone for the crime.”

Seriously, with Yue Feng’s Personality will never spare Xie Zhendong lightly. However, the situation in the Earth Circle Continent is critical, and it is the time when Xie Zhendong is employed. Xie Zhendong is not weak. It would be a pity to kill him now.

“Your subordinate is leading the order.” Xie Zhendong trembled, and quickly responded: “Thank you for your grace of not killing the enemy. Your subordinate will definitely fight hard to kill the enemy and live up to His Majesty’s expectations.”

When he said this, Xie Zhendong was full of loyalty, but The heart is very bitter.

It’s too dangerous to go into battle and die accidentally, who wants to go.

But there is no way, I dared to commit a capital crime, Your Majesty, if you refuse to go out with the army, you can imagine the fate.

“Yeah!”

Yue Feng nodded with satisfaction, and then ordered Xie Nanbo: “Pass on my will, call all the soldiers of Xi Cang, come to Canglong Pass to meet.”

“Yes, Your Majesty!” Xie Nanbo responded and hurried to do it .

A few hours later, the defenders of the Western Cang Continent, as well as the imperial guards, gathered at Canglong Pass. A total of 300,000 troops, led by Yue Feng, marched mighty towards the Diyuan Continent.

....

on the other side.

On the Yellow Sea Continent, a hundred miles away from Fengling Town, on a barren mountain.

On the half slope of the barren mountain, there is a ruined temple. At this time, Duan Yu was sitting in the ruined temple, with a smile that was not a smile on his face. He rolled his eyes and looked at Su Qingyan and Xu Qingyi in front of him.

Both Su Qingyan and Xu Qingyi had their acupoints sealed and placed on a pile of straw. The perfect curves were looming, and they were enticing. However, Su Qingyan and Xu Qingyi were both extremely frightened and their delicate faces were very delicate. Is nervous.

“Duan Yu!”

Finally, Su Qingyan couldn't bear it anymore, bit her lip tightly, and said, “What do you want to do? Hurry up and relieve me...”

What?

Duan Yu chuckled, full of resentment: “Senior sister, I really like you, but you are so indifferent to me, I feel uncomfortable.” As he

spoke, Duan Yu stood up, walked over slowly, and grabbed it Su Qingyan's hand.

At the same time, Duan Yu got closer, took a deep sniff, and said intoxicated: “Senior sister, you are so fragrant, just stay with me tonight, don't worry, you become my woman, and I will protect you even if I die. Yes, I will never leave you alone again.”

“You...”

Su Qingyan's body was trembling, and she was so angry that she struggled and shouted: “Let me go, you let me go...”

At this time, Su Qingyan was extremely ashamed and angry. She never thought that the junior brother she admired at first was a beast in clothes, but now she was going to sully her, and there was another Xu Qingyi watching.

“Duan Yu!”

At this time, Xu Qingyi couldn't stand it anymore, her pretty face was flushed, and she couldn't help scolding: “Stop now.”

After saying that, Xu Qingyi's eyes showed seriousness: “Duan Yu, you know Is it? In my heart, you are a real man who stands up to the sky, and you are not such a despicable villain who takes advantage of others and bullies women, can you calm down a bit?”

At this time, Xu Qingyi was also embarrassed and angry.

Duan Yu is really crazy, to forcibly defile Yue Feng's woman, you know, he is still watching from the side, so daring, is there no sense of shame in his heart?

Chapter 2194

Haha...

Hearing this, Duan Yu couldn't help sneering, looked closely at Xu Qingyi and said, "Since in your heart, I am a real man who stands above the ground, why do you have to separate from me? Relationship, make me forget you?"

"I..." Xu Qingyi's heart trembled, and she opened her mouth, but she was speechless.

During the period of separation from him, so many things happened, how to explain it clearly?

Seeing her expression, Duan Yu chuckled and said, "Can't tell? Actually, what you said just now was lying to me, right? In your heart, I am a failure, and even my own woman has completely abandoned me. , what else should I care about?" The

voice fell, Duan Yu's eyes flashed with madness, completely lost his mind, and suddenly pulled Su Qingyan into his arms.

Su Qingyan exclaimed and slammed into Duan Yu's arms directly. Before she could struggle, she was hugged tightly by Duan Yu.

"Senior sister, don't be afraid, I will take good care of you in the future." Duan Yu smiled and slowly put his mouth up.

Realizing that she could not escape the clutches, Su Qingyan gave up her struggle and closed her eyes in despair.

Is this your life?

Su Qingyan's eyes were red and tears couldn't help falling. She could feel Duan Yu's heavy breathing hitting her face, and she was extremely ashamed and angry.

Thinking of Xu Qingyi watching next to her, Su Qingyan could not wait to die immediately.

Being humiliated, and there are other people watching, this feeling is more uncomfortable than death.

"Amitabha!"

Just when Su Qingyan's heart was ashes, suddenly, a Buddha's call came from outside the ruined temple. The sound was loud and reverberated throughout the ruined temple.

Um?

Duan Yu was very annoyed and looked back.

Who is not afraid of death, dare to disturb their own good things?

Seeing this, Duan Yu frowned and was stunned.

I saw a monk appearing at the entrance of the ruined temple. He was wearing a gray monk's robe. He was tall, and on his polished head, the nine-point ring scar was very conspicuous, and his eyes were like electricity, as if he could see through people at once.

call!

At this moment, Su Qingyan and Xu Qingyi were also stunned. They never thought that they would meet a monk in this ruined temple in the wilderness.

Afterwards, Su Qingyan breathed a sigh of relief, secretly rejoicing.

When someone came, did you escape the disaster and avoid being humiliated?

“Where did the dead bald donkey come from?”

Finally, Duan Yu reacted, his eyes flashing fiercely, and he shouted coldly, “Hurry up!” The tone was cold, revealing a strong evil spirit.

When he decided to defile Su Qingyan in front of Xu Qingyi, Duan Yu had already wiped out his humanity, and when he saw a monk at this time, he would be even less polite.

“Donor!”

Feeling Duan Yu's murderous aura, the monk didn't panic at all, clasped his hands together and said slowly: “The donor is full of suffocating aura, and he was going to be rude to this woman just now. Sangha, you have a predestined relationship with the Buddha, and the poor monk advises you to return from the lost path and return to the right path.”

His words were extremely sincere.

However, Duan Yu couldn't listen to a half sentence, looked up and down the monk, and said coldly: “Dead bald donkey, do you have a Dharma name?”

“The poor monk's Dharma name is Moraya!”

Moroye responded: “Linyin Temple from the Chaos Mountains, passing by here today, is considered to be related to the donor. The donor asked the name of the poor monk, but he repented in his heart?”

Chaos Mountains? Linyin Temple?

Hearing this, Duan Yu frowned.

Duan Yu of the Chaos Mountains had heard that on the border of Kyushu, the environment was said to be harsh and it was a barren land. Most people rarely go to such places. I did not expect this monk to come from the Chaos Mountains.

As for Linyin Temple, I have never heard of it.

Muttering in his heart, Duan Yu was too lazy to think too much, with an impatience on his face, he sneered: "What kind of repentance? Duan Yu has never regretted what I did. I asked your name because my subordinates never kill. Anonymous."

Om!

The voice fell, Duan Yu's inner strength was urged, the figure erupted, and a palm hit Moroye straight.

Chapter 2195

This palm, Duan Yu, used all his strength, and saw the strong wind whistling in the broken temple, the air was distorted, and the power was amazing.

In Duan Yu's heart, Moroye in front of him was just an inconspicuous monk, and he could easily kill him if he made any move.

call!

Seeing this scene, Su Qingyan and Xu Qingyi raised their hearts and sweated for Moroye.

At this time, Moroye didn't mean to back down.

On the contrary, looking at Duan Yu who was rushing towards him, Moroye shook his head slightly, with a bit of pity in his eyes.

"Master, be careful." Su Qingyan was in a hurry and couldn't help but remind her.

Next to Xu Qingyi, he was also nervous. You must know that Duan Yu has the existence of the opening axe, and there are very few people in Kyushu who can subdue him.

boom!

Finally, Duan Yu's palm hit Moroye's chest firmly! Only heard a muffled sound!

Su Qingyan and Xu Qingyi couldn't help but closed their eyes, in their opinion, if Duan Yu slapped him, this monk would definitely not be able to survive.

Um?

However, when they opened their eyes again, they were stunned and saw Moroye standing there, motionless, while Duan Yu was pale and took a few steps back!

Obviously, Duan Yu's palm didn't hit Moroye badly, but instead injured himself.

This...

Xu Qingyi looked at Moroye closely, and was extremely surprised.

Is this monk so powerful? Can you resist Duan Yu's palm?

Su Qingyan next to her was also full of disbelief! Looking at Moroye in disbelief, her red lips opened slightly, and she couldn't say a word in shock!

"You..."

Duan Yu stabilized his figure and looked at Moroye in surprise: "Who are you?"

Mad, this stinky monk, had hidden his strength before.

At this time, Duan Yu was very frightened and angry, because he clearly sensed that the inner strength of Moroye in front of him was unfathomable, and compared with the ordinary breath just now, it was completely different.

"The poor monk has said it just now." Moraya folded his hands together, still showing a gesture of compassion, and said slowly: "The poor monk Moraya, from the Linyin Temple in the Chaos Mountains."

Two thousand years ago, Fomenda Master Mo traveled all over the world, experienced the suffering of all beings, and finally reached the Chaos Mountains, and finally became a Buddha, so he built a temple here. Because there was a unicorn spirit beast beside Master Bodhidharma, it was named Linyin Temple.

For thousands of years, the monks under the sect of Linyin Temple have always followed the teachings of Patriarch Bodhidharma and practiced asceticism in the Chaos Mountains. Therefore, very few people in the Kyushu Continent know about it!

The head of Linyin Temple has been passed down for thirty generations, and Moraya is the current head.

Moraye, among the masters of all dynasties, has the highest comprehension, and has learned a lot of the stunts of Patriarch Bodhidharma. The palm that resisted Duan Yu just now was one of Patriarch Bodhidharma's many stunts, 'Vajra Wuxiang'.

At this time, Moroye and Duan Yu looked at each other and said lightly: "Although the donor is very powerful, the Buddha Dharma is boundless. You are not my opponent, so let's put down the killing thoughts and let it go."

Shuh!

Hearing this, Duan Yu's self-esteem was suddenly stimulated, and his eyes were blood red.

Not your opponent?

The former Emperor of Xi Cang, who possessed the existence of the Heaven-opening Axe, was so despised by a monk?

The throne of the emperor is gone, the woman he loves has to leave him, and now, a monk is also pointing fingers at him, which is really hateful.

Click!

Thinking of this, Duan Yu's inner anger rose, raised his hand and waved, and with a clear sound, the opening axe burst out of the air.

In an instant, a touch of golden light erupted from the opening axe, like a round of sun, illuminating the hillside around the broken temple.

"I don't know how high the sky is, the dead bald donkey, I just underestimated the enemy for a while, but said that I am not your opponent? Go to hell!" Sen Leng's voice came from Duan Yu's mouth.

When the words fell, Duan Yu clenched the Heavenly Axe tightly, and slammed the axe out!

"Roar!"

Only a dragon roar was heard, emanating from the giant axe, and the next moment, a touch of golden light seemed to tear the world apart and swept towards Moraya!

The ultimate husband in Chinese chapter 2196-2200

Chapter 2196

Call!

This axe seemed to split the entire night sky into two worlds!

In an instant, Su Qingyan and Xu Qingyi's hearts were trembling, and they couldn't help worrying about Moroye.

Duan Yu used the Heaven Opening Axe, this monk was afraid it was dangerous.

Open the axe?

Feeling the formidable power contained in the golden glow, Moroye was also secretly surprised. Without the indifference just now, he never expected that the other party actually possessed the Heaven-Opening Axe.

As the head of Linyin Temple and the inheritor of Dharma of Bodhidharma, Moroye is erudite and knowledgeable.

"It turns out that you have a magic weapon, no wonder you are so unscrupulous." Moroye took a deep breath and spoke slowly. At this time, his face was extremely solemn.

hum!

The moment the voice fell, Moroye's figure was suspended in mid-air, and he recited a Buddhist mantra. In that instant, Moroye's whole body was filled with a golden Buddha's light.

In the next second, Moroye folded his hands together, mobilized his inner strength, and deployed a protective layer in front of his eyes.

Seeing the golden light shining on this protective layer, it was Moroye's defensive skill: the Heavenless Brahma.

boom!

At this moment, the axe slashed on the protective film, making a roar that shocked the world, and the entire barren mountain seemed to tremble.

Under the roar, I saw the golden protective layer, which was instantly defeated, but Moroye was unscathed, but his face was a little pale.

This chapter is provided by . Visit [for](#) daily update.

Moroye is a peerless genius of Buddhism, and his internal strength is extremely strong. However, although he blocked this blow, it was after all an axe, an ancient divine weapon, and Moroye still suffered some shock injuries.

However, the Buddhist practice of Linyin Temple is extremely mysterious. After just a few seconds, Moroye silently ran the practice, adjusted his internal energy, and his face quickly recovered some blood.

What?

Seeing this scene, Su Qingyan and Xu Qingyi both trembled and were shocked and speechless.

This Moroye, actually blocked Duan Yu's Heaven Opening Axe?

How is this possible? Are you blindfolded? You must know that Duan Yu's axe has the power to open up the world, even Yue Feng would not dare to take this axe hard.

The monk in front of him actually did it.

Um?

At this moment, Duan Yu also frowned and stared at Moroye, in shock.

This dead bald donkey seems to be inconspicuous, but its strength is so strong.

“Donor.”

Facing Duan Yu's surprise, Moroye's face was extremely calm, he took a deep breath, and persuaded again: “Since you have such a magical weapon as the opening axe, you can't do anything wrong, poison the people, and the poor monk finally I advise you to put down the butcher knife immediately, and turn back to the shore.”

As a Buddhist, Moroye doesn't like to be aggressive, and he doesn't want to fight Duan Yu.

“You die for me!”

At this moment, Duan Yu was completely insane, he couldn't hear it at all, he roared, his figure roared up, and the opening axe in his hand slashed towards Moroye again!

At this time, it was midnight, and the power of yin and yang of Kaitian Axe reached a perfect balance.

So this blow is Duan Yu's strongest blow! Duan Yu firmly believed that when his power exploded and this axe fell, Moroye would surely die even if he was the powerhouse of the Mirror of Tribulation!

call!

The following Su Qingyan and Xu Qingyi were dripping with sweat, biting their lips tightly, in a hurry!

Duan Yu made a killing move, can this monk still bear it?

Seeing Duan Yu rushing in, Moroye's eyes flickered, not as surprised and solemn as before, but with an indescribable complexity.

Alas....

Seeing that Duan Yu was approaching, it was at this moment that Moroye sighed softly, then slowly raised his hands, and two golden beams suddenly shot out from his eyes.

“Om!”

At this moment, the air around Moroye suddenly twisted and surged, and then a powerful Buddhist aura burst out.

“Since the evil nature of the donor does not change, the poor monk can only go all out.”

Chapter 2197

Finally, a cold voice came from Moroye's mouth!

“Thousand Buddha Buddha!”

When the last word fell, the world changed color! Seeing the dark sky, a golden auspicious cloud suddenly appeared. Moraya rushed into the air and floated between the auspicious clouds. Immediately, a huge Buddha shadow appeared behind him. Condensed, but the shape is like substance, as if the real Buddha had descended.

“Boom!”

Immediately, with a loud bang, the entire barren mountain vibrated violently, and the ruined temple collapsed instantly. The radius of several kilometers was covered by this incomparably bright Buddha light.

Thousand Buddhas Buddha! It is the strongest of all the stunts of Patriarch Bodhidharma, and it is also the most difficult to practice. For thousands of years, the heads of Linyin Temple in all dynasties have not been able to successfully attain enlightenment.

It was not until ten years ago that Moraya took over as the head of the sect, and with his outstanding understanding, he finally realized the essence of the 'Thousand Buddha Buddha'.

However, the Thousand Buddhas Buddha is extremely profound, with a total of seven levels. Ten years later, Moraya has only reached the fourth level.

To be honest, even with the Thousand Buddhas Buddha's stunt, Moroye was not sure to completely defeat Duan Yu. After all, the Heaven-Opening Axe was an ancient divine weapon, but Moroye firmly believed that with his full strength, the strongest blow to block Duan Yu was still. no problem.

Because Moroye sensed that using the Heavenly Axe would consume a lot of internal strength, Duan Yu at this time seemed to be unmatched, but in fact he was already at the end of the battle.

hum!

The Thousand Buddhas Buddha has the supreme Buddha power. At this moment, the moment when the Thousand Buddhas Buddha is displayed, the Buddha's light shines in the night sky. Then, the Buddha's shadow behind Moraya disappears, but in front of him, a shadow is formed. Huge Buddha print out.

The Buddha's seal is the palm print, but it is called the Buddha's seal in Buddhism.

Just see this buddha! Thousands of meters in diameter! It seems to cover the entire barren mountain!

Feeling the boundless Buddhist power of the Buddha's seal, Su Qingyan and Xu Qingyi below were all trembling, completely stunned, and at the same time inexplicably excited!

"Donor, admit defeat!"

Moroye shouted loudly, and the huge Buddha seal roared down and slapped Duan Yu in an instant!

Just saw that the place where the Buddha's seal passed, the world was distorted!

What?

Duan Yu was startled, and hurriedly raised the Heaven-Opening Axe to resist!

"Boom!"

The Buddha's seal slammed on the opening axe, and the terrifying power of Buddhism erupted, covering a radius of hundreds of miles, completely illuminated by a golden light!

"Wow!"

Duan Yu spat out a mouthful of blood, and his body flew out!

Moroye felt right. Just now, Duan Yu used the Heavenly Axe one after another, and his internal energy was almost exhausted, so he couldn't stop this move.

After flying a few hundred meters away, Duan Yu stabilized his figure and spit out a few mouthfuls of blood!

As for Moroye, after performing this trick Qianfo Buddha, he was also a little weak, but he was an eminent Buddhist monk, and his condition at this time was much better than Duan Yu.

This....

Seeing this scene, Su Qingyan and Xu Qingyi were stunned, unable to recover for a long time.

This... This Moroye, actually defeated Duan Yu, too strong.

In particular, the skills that Moroye unleashed were shocking.

“donor!”

At this time, Moroye looked at Duan Yu, his expression was as gentle as before, and said lightly: “No matter how strong you are, you are only a drop in the ocean in front of the boundless Buddha Dharma. Do you have any regrets now?”

” Dead bald donkey, stop talking nonsense.. I have to kill you today!”

At this moment, Duan Yu resisted the weakness of his body, clenched the axe, locked Moroye tightly, his face was full of hideous and Crazy, rush to Moroye again!

In fact, Duan Yu had no strength at this time, but he couldn't swallow this bad breath. He was running across the continent of Kyushu, and even Yue Feng was afraid of him when he saw him. Tonight, he was taught a lesson by a monk. It was a great shame, so Duan Yu tried his best to kill him!

Seeing Duan Yu rushing in, Moroye shook his head secretly.

Papa ..

In the next second, Moroye gently avoided Duan Yu's slash, then turned around, and shot like electricity, sealing several acupoints on Duan Yu's body.

Although Moroye also consumed a lot of internal energy, his Buddhist teachings are profound and his background is not comparable to Duan Yu.

For some time, Duan Yu's body trembled and he couldn't move.

Chapter 2198

“Donor!”

At this time, Moroye looked at Duan Yu quietly and said slowly: “My Buddha is merciful and merciful to the world. No matter how vicious a person is, as long as he abandons evil and follows good, Buddha will forgive him and accept him. His. You are already defeated by the poor monk, but do you still have something to say?” The

voice was not loud, but it was full of majesty.

“Haha...”

Hearing this, Duan Yu looked up to the sky and laughed, his eyes full of arrogance and unrestrainedness: “Want me to be submissive? Dead bald donkey, you are afraid that this is the first time you know me Duan Yu, tell you, I, Duan Yu, used to be the emperor of Xi Cang, possessing ancient divine soldiers, and no one in the world can make me submit, not even the Buddha.”

Shuh!

The words fell, Moroye's face finally changed, his eyes widened, like the anger of King Kong, staring at Duan Yu, burning with anger.

As a monk, Moroye has always pursued the principle of compassion, but it is not without bottom line. At this time, seeing Duan Yu speak contempt for the Buddha, Moroye was suddenly triggered.

“Amitabha!” In the

next second, Moroye chanted a Buddha's name and said coldly: “Okay, since the donor is stubborn and ineffective, then no wonder the poor monk.”

Qiang!

The voice fell, and Moroye pulled out a Jie Dao from his body. The Jie Dao was about a foot long, and the cold light was threatening.

The Jie Dao is a tool used by Buddhist monks. It is not a weapon, because the monks want to travel from all directions, save the world, and often sleep in the wild. The Jie Dao is an indispensable tool for them.

As the head of Linyin Temple, this Jie Dao of Moroye is very well made, and it is not comparable to ordinary Jie Dao.

Seeing Jie Dao, Duan Yu was secretly surprised: "What are you doing?"

Su Qingyan and Xu Qingyi next to them also raised their hearts.

Although Duan Yu's actions were very abominable, and his death was not a pity, the expression of the monk in front of him was too scary, and he even pulled out his sword.

Moroye didn't respond, but grabbed Duan Yu and walked behind the mound not far away. The mound was formed by the shaking of the barren mountain just now, just enough to block Su Qingyan and Xu Qingyi's sight.

call!

Seeing this scene, Su Qingyan and Xu Qingyi became even more curious in their hearts.

"Ah..."

Just when Su Qingyan and Xu Qingyi were both guessing what Moroye was going to do, they heard a shrill scream from behind the mound, which cut through the night sky.

This scream was made by Duan Yu.

A few seconds later, Moroye walked back with Duan Yu.

hiss!

Just looking at it, Su Qingyan and Xu Qingyi both felt their hearts tremble, they couldn't help gasping for air, their delicate and beautiful faces were also blushing.

This... This monk castrated Duan Yu?

I saw Moroye's face was grim, holding Duan Yu in one hand and a bloody thing in the other.

On the other hand, Duan Yu's face was extremely pale, with a hint of sallow yellow, and he was dripping with cold sweat. His whole body bowed like a shrimp, and under his dantian, a piece of blood was blurred and blood was flowing.

Seeing this scene, Su Qingyan and Xu Qingyi were a little relieved, but they were more shocked.

This monk is too decisive, and he is very ruthless. Although Duan Yu has been castrated, he will not be able to harm women in the future, but his life will be completely ruined.

“Dead bald donkey.”

At this moment, Duan Yu endured the severe pain, glared at Moraya fiercely, and howled: “You better kill me now, or when I recover, not only will I chop you up. If you become flesh, you must kill the Primal Chaos Mountains and wash Linyin Temple with blood...”

When he said this, Duan Yu’s eyes were blood red, and his heart was filled with endless anger and resentment.

At this moment, Duan Yu was completely insane. He never thought that this Moroye would be so ruthless that he would destroy himself.

Become a waste, still a man? Even if you have an axe and a powerful strength, what can you do? If you lose the most important thing in a man, will you be ridiculed by the world? !

The more Duan Yu thought about it, the more indignant he became. He wanted to eat Moraye alive. If his eyes could kill, Moraye at this time would have died thousands of times.

However, in the face of Duan Yu’s resentment and threats, Moroye was unmoved and his expression was extremely indifferent.

The next second, Moroye tilted his head to look at Su Qingyan and Xu Qingyi, and said slowly, “Two female benefactors, this wicked person has been subdued by me, you are safe, leave quickly!”

Chapter 2199

This...

Hearing this, Su Qingyan and Xu Qingyi looked at each other and hesitated.

To be honest, Su Qingyan was completely disappointed with Duan Yu’s actions before, and wanted to see how Moroye would deal with Duan Yu after he castrated him.

However, feeling the powerful aura on Moroye’s body, Su Qingyan and Xu Qingyi didn’t dare to stay long, they nodded and went down the mountain together.

call!

Seeing the two girls leave, Moroye took a deep breath.

The next second, Moroye tilted his head and looked at Duan Yu quietly, and said word by word: “The poor monk will get rid of your calamity, because I don’t want you to harm

innocent women again. Next, the poor monk will save the evil thoughts in your heart. And killing.”

After speaking, Moroye picked up a string of Buddha beads, looked very serious, looked at Duan Yu and continued: “It’s just that your murderous intentions and evil thoughts are too heavy, and it will be difficult to return to the right path in a short period of time. The poor monk has decided to accept you as a disciple, to spread your supreme Buddhist teachings, and hope that your sins can be completely saved, would you like to?”

In Buddhism, the more wicked people are, the more they must be saved.

Swish!

Hearing this, Duan Yu’s body froze, and he was about to explode with anger, and his eyes could almost spit fire.

This dead bald donkey has made himself an incomplete man, and now he wants to accept himself as a disciple?

If you agree, what will you see?

“I worship you as a teacher?”

Finally, Duan Yu reacted and stared at Moroye fiercely: “Dead bald donkey, I am at odds with you, you better kill me quickly, or you will regret it.”

Saying this At the time, Duan Yu’s voice was hoarse, as if it was coming from hell.

At this time, Duan Yu could not wait to slash Moroye with a thousand swords, how could he be his disciple.

“Good, good.”

Moraya shook his head and said seriously: “The poor monk never kills easily, since you don’t want to worship me as a teacher, the poor monk will not ask for it, and will not take your life, but... To prevent you from doing bad things again in the future, the poor monk had no choice but to abolish your practice and take away your axe, so that even if you heal your wounds, you will not be able to do bad things.”

Yes, Moraya has always pursued One principle is not to kill easily, otherwise, Duan Yu would not have been castrated just now, but he would have been killed directly.

Swish!

Hearing this, Duan Yu’s expression changed. In addition to being frightened, he also had endless fear in his heart.

This dead bald donkey didn't even kill himself? But to abolish your own practice?

For a time, Duan Yu's face was extremely ugly, and his heart kept shaking.

I am already an incomplete man. If I don't have any exercises and become an ordinary person, what's the point of living?

"Donor, I'm sorry!"

At this moment, Moroye slowly raised his hand, his inner strength surged, ready to hit Duan Yu's dantian.

"Wait."

At this critical moment, Duan Yu hurriedly shouted, and then endured the severe pain, bowed his head at Moruo: "The disciple is willing, the disciple will meet the master."

These words, Duan Yu almost It was said through gritted teeth, and at the same time, endless resentment and unwillingness flashed in his eyes.

To be honest, to take Moroye as a teacher and join Buddhism, Duan Yu felt ten thousand resistance in his heart.

But there was no way, this Moroye didn't kill himself, but wanted to abolish his own skills. In Duan Yu's heart, this result was even more uncomfortable than killing himself.

Duan Yu thought about it, and he pretended to promise that as long as he preserved his strength, he would look for an opportunity to kill this Moroye when he recovered from his injuries.

After all, if you keep your powerful strength, you will have the chance to take revenge, otherwise, everything will be in vain.

Um!

Seeing Duan Yu's answer, Moroye nodded in satisfaction, then thought for a while and said, "You have already entered the Buddhist sect, so I will give you a Dharma name for my teacher, let's call it Huasheng, I hope you can be saved and reborn and change Rehabilitation."

"Yes, Master." Duan Yu replied, with no expression on his stern face.

But in his heart, he scolded Moroye a thousand times.

Dead bald donkey, you wait for me, and when I find a chance in the future, I will let you live and die.

Chapter 2200 On the

other side, the Earth Circle Continent, Zhongzhou City.

The hundreds of thousands of troops led by Yang Jian had already set up camp outside the city at this time.

A few days ago, Yang Jian completely broke through Yunzhou City. After a short rest, he continued to set off. He attacked the city and conquered the land all the way, and was invincible. He arrived at Zhongzhou City in just a few days.

Just now, Yang Jian ordered a siege, but was blocked by the Ouyang family and the various sects.

Speaking of which, with the strength of the Ouyang family and various sects, they are not the opponents of the Northern Ying army at all. However, Zhongzhou City is the hinterland of the Earth Circle. It is the most prosperous big city. Its area is five times that of Yunzhou City. Its fortifications are almost the largest in the Earth Circle.

Under such circumstances, the Ouyang family and various sects were fortunate enough to block the attack of the Northern Ying army. It can be said that they were able to defend most of it with the help of the people of Zhongzhou City and strong fortifications.

After the failed attempt to siege the city, Yang Jian did not take further action, but ordered the army to temporarily cultivate in the camp.

The Ouyang family and the masters of various sects did not dare to relax in the slightest. With the help of the common people, they strengthened their defenses at all entrances of Zhongzhou City. At the same time, they sent people to observe the movements of the Beiyang army at all times to prepare for the next siege of the city.

For a time, the entire Zhongzhou City was shrouded in shadows.

At this time, in the military tent of the Xi Cang camp.

Yang Jian sat in the commander-in-chief position with a gloomy face.

Zhang Jiao next to him also frowned, and the dozen or so generals standing there didn't dare to let out a sigh of relief.

The atmosphere of the entire military tent seemed calm, but there was a suffocating depression.

At this time, Yang Jian was very annoyed. I thought that the first wave of attacks would take Zhongzhou, but I didn't expect it to fail.

But having said that, Zhongzhou is worthy of being the largest city in the mainland. It not only has a large population, but also has numerous fortifications, which is really a headache.

At this moment, the forward general Huang Yan walked out slowly.

When he got to the front, Huang Yan asked cautiously: "Your Majesty, before it gets dark, do you want to try to attack the city again?"

Yang Jian waved his hand and said angrily, "What is there to try? You are sure to break through those fortifications in Zhongzhou City. Is it?"

Uh...

Huang Yan looked embarrassed, then thought about it, and whispered: "Actually, with the strength of our army, we can attack with all our strength."

"Don't you know this?" Yang Jian said coldly. "Forcibly captured Zhongzhou City, let's not talk about the casualties of the army, the people of this Zhongzhou City must also be killed and injured countless times. I have already taken down other cities before, and I have already carried a lot of infamy. Do you still want me to be in the hearts of the people of Zhongzhou City? Also leave the impression of a tyrant?"

Yang Jian was very annoyed when he said this.

Huang Yan was right. With the strength of the Beiyang army, as long as you go all out, you can completely forcibly capture Zhongzhou, but in this way, this prosperous Zhongzhou will surely become a ruin.

More importantly, Yang Jian didn't want to lose the hearts of the people.

Yang Jian has a arrogant temperament and maintains his own identity. He wants to unify Kyushu and become an emperor who has never been seen before or since. However, when he conquered other cities before, because he didn't think too much about it, he made a mess of the occupied cities and caused the people to complain. , This made Yang Jian very uncomfortable.

In this attack on Zhongzhou City, Yang Jian thought about it, he must occupy Zhongzhou City at the least cost, and try not to hurt innocent people.

Well...

Huang Yan had an embarrassed look on his face, and quickly knelt down on the ground and said in fear: "Your Majesty, please calm down, the last general has no intention of this, but just wants to occupy Zhongzhou City as soon as possible and share the worries for Your Majesty.

” He backed off.

In the next second, Yang Jian tilted his head to look at Zhang Jiao: “Master, can you have a good plan?”

Phew!

Zhang Jiao took a deep breath, pondered, and said slowly: “Your Majesty doesn’t want to harm innocent people and occupy Zhongzhou at the least price. It’s not that there is no way, but I’m not sure whether it will be successful!”

“Please say it! “Yang Jian was overjoyed and hurriedly urged.

Zhang Jiao smiled slightly and said, “My solution is very simple. Let’s send a few experts to sneak into the Ouyang family’s mansion quietly, catch that Jiang Shan, and everything will be solved.

” On the other side, the one who has been commanding the battle is the woman named Jiang Shan, as long as she is caught, there will be no leader in the land of the earth, and there will be chaos.”

At the end, Zhang Jiao pointed at the sand table in front of him with confidence, and continued: ” I just took a look. The Ouyang family’s mansion is located in the northeast of Zhongzhou City, and the north is the suburban barren hills. It is not difficult to sneak in. It’s just that it is hard to say whether you can catch Jiang Shan or not.”

Hahaha....

Hearing this, Yang Jian was overjoyed and said with heartfelt admiration: “This method of military division is really not good! We can try it, and this matter will be left to the military division.”
