

## The ultimate husband in Chinese chapter 2201-2210

Chapter 2201

“Yes!”

Zhang Jiao responded, then stood up, selected several powerful generals on the spot, and let them sneak into the Ouyang family to catch Jiang Shan.

Speaking of which, if Zhang Jiao and Yang Jian took action personally, they would definitely increase the success rate, but one of them is the emperor and the other is a military advisor, how could it be possible for them to take action in person? So, you can only let your subordinates do it.

Soon, a few minutes later, the selected generals, disguised as citizens returning from other places, sneaked into Zhongzhou City.

At this moment, the Ouyang family.

In the hall, all the members of the Ouyang family, as well as the masters of various sects, gathered together, each with a solemn expression, and the atmosphere was extremely depressing.

The Northern Ying army is approaching the city, and Zhongzhou is in danger.

Although the attack of the Northern Ying army had just been blocked, no one was happy.

Just now, Jiang Shan called everyone over to discuss the next countermeasures.

However, after discussing for a long time, there was no way to do it. Thinking of the strength of the Northern Ying army, everyone's heart was like a big mountain, and there was nothing they could do.

Ugh!

Seeing this scene, Jiang Shan frowned and sighed.

Is Zhongzhou really helpless? Is it God's will?

“If Fengzi is here, we don't have to worry anymore.” Sun Dasheng next to him was also extremely anxious, and muttered: “This kid went to find Su Qingyan, but he didn't know where he went, and no one could find it.”

Yes !

This chapter is provided by . Visit for daily update.

Hearing this, everyone present nodded silently.

If Yue Feng was there, there must be a way. After all, he had successfully defeated the Beiyang army in Nanyun Continent.

It's just that Yue Feng has no news now, and everyone can only worry.

"Mrs. Jiang!"

At this moment, Wen Chou Chou looked at Jiang Shan and said warmly, "In the past two days, you commanded everyone to resist the Beiyang army, but you didn't have a good rest. Now Yang Jian has not moved for the time being, you should go and have a rest. Don't worry, we won't be slack in the defense of Zhongzhou City."

Wen Chou Chou's heart was like fine hair, seeing Jiang Shan's tired face, but still holding on, he couldn't bear it.

The voice fell, and everyone around them also spoke.

"Yeah, Mrs. Jiang, go and take a rest."

"Let us take the defense of Zhongzhou City."

"Yes, Yue Feng is not here, you are our backbone, don't let your body break down."

Everyone, you I heard one sentence after another, all of which showed concern. Although Jiang Shan is a woman, she has led everyone to resist the Northern Ying army these days. Her outstanding leadership skills have convinced many people.

"Okay."

Hearing everyone's words, Jiang Shan smiled lightly and was very moved. She nodded and said, "Then I will go to rest for a while. I will trouble everyone about defense."

After saying this, Jiang Shan was in Under everyone's attention, he slowly walked out of the hall.

call!

When they got to the backyard, Jiang Shan took a deep breath, unable to hide her exhaustion. Although Jiang Shan has a tough personality, she is a woman who is responsible for defending Zhongzhou City. The pressure in her heart can be imagined.

rustling...

Just when Jiang Shan was about to enter the room, she suddenly heard footsteps in the garden not far away.

Immediately afterwards, more than a dozen men in black appeared in front of them, each with a strong aura.

Hula...

As soon as they saw Jiang Shan, the eyes of these men in black lit up.

The leader, with a stern expression and a bit of excitement in his eyes, was Huang Yan.

Chapter 2202

Yes, these men in black are the generals of the Northern Ying army specially selected by Zhang Jiao to arrest Jiang Shan, and Huang Yan is the captain in charge of this operation.

hiss!

Seeing these men in black suddenly, Jiang Shan's delicate body trembled, and she couldn't help taking a breath of cold air.

Who are these people? How dare you break into Ouyang's mansion?

"Haha..."

At this time, Huang Yan smiled proudly, looked at Jiang Shan and said, "I didn't expect it to be so smooth, I saw Mrs. Jiang as soon as I came in, Mrs. Jiang, come with us!"

Saying this At that time, Huang Yan felt extremely relaxed. I thought it would be difficult to sneak into the Ouyang family and catch Jiang Shan, but I didn't expect that, as soon as I walked through the back garden, I saw Jiang Shan.

More importantly, Jiang Shan is still alone, and there is no one around to protect her!

Haha...what a godsend.

When the voice fell, Huang Yan did not hesitate, and slapped Jiang Shan with a palm!

At the same time, more than a dozen companions next to him also urged their figures to surround Jiang Shan.

call!

Seeing Huang Yan and everyone rushing over, Jiang Shan felt a little flustered, but she was a wise woman, she quickly calmed down, jumped up slightly, and ran towards the depths of the back garden.

To be honest, Ouyang's mansion has always been heavily guarded. If it was normal, people like Huang Yan would not be able to sneak into Ouyang's mansion so easily. It's just that the Northern Ying army came to invade, and many people of the Ouyang family were arranged to go out to deploy defense, and there was almost no one in the backyard.

Jiang Shan is very smart, feeling the powerful aura of everyone in Huangyan, naturally she will not go up to them stupidly and fight them.

"Run?" Huang Yan snorted coldly, greeted his companions, and quickly caught up!

While chasing, Huang Yan ordered his companions: "Quick, you must fight quickly, and don't give her a chance to move rescue troops!"

"Understood!" A dozen companions responded in unison.

Jiang Shan used the speed to the extreme, and at the same time kept looking back, she saw that the distance between Huang Yan and herself was getting closer and closer, and they were about to catch up!

However, at this time, Jiang Shan did not panic at all, but instead showed a confident smile.

Because, in the depths of the back garden, is a peach blossom forest. This peach blossom forest was left by the ancients. It is a very mysterious formation. Back then, Yue Feng broke in by mistake and was almost trapped in it.

Jiang Shan firmly believes that as long as people like Huang Yan are introduced into the Peach Blossom Forest by themselves, they will never come out.

Although the incident happened suddenly, Jiang Shan had every opportunity to lead Huang Yan and others to the front hall, because there, Sun Dasheng, Wen Chou Chou, and masters of various sects were there.

But Jiang Shan thought deeply.

Although there are many people in the front hall, if there is a fight with these people, if the Northern Ying army takes the opportunity to attack the city, then the situation will be chaotic, and Zhongzhou will not be able to keep it.

At this moment, Jiang Shan did not hesitate in the slightest. When she reached the entrance of Peach Blossom Forest, she jumped lightly and jumped in!

When Yue Feng was in the dry well in the Peach Blossom Forest, after he obtained the Baiqi Divine Formation, it didn't take long before he told Jiang Shan how to crack the Peach Blossom Forest.

With the cracking method, Jiang Shan is not afraid of being trapped inside.

At the same time, outside the Peach Blossom Forest, Huang Yan and his companions stopped and did not enter rashly, but frowned and observed.

"It's such a big peach blossom forest, what is this woman doing?"

"This woman won't cheat."

"Yeah, let's be careful."

During this time, Jiang Shan led the various sects in the Diyu Continent to resist the Northern Ying army. Huang Yan and the others knew very well that this woman was resourceful.

call!

Huang Yan took a deep breath and frowned before thinking about it, "This woman just wants to take advantage of this peach blossom forest to get rid of us. Time is running out, so hurry up and chase." The

voice fell, and Huang Yan rushed in first.

The dozen or so companions in the back looked at each other in dismay, and quickly followed.

Um?

The moment they entered the Peach Blossom Forest, Huang Yan and his companions were all stunned!

Chapter 2203

Swish!

I saw that in the peach forest in front of me, each one seemed to have life and was moving! Seemingly out of order, it seems there are traces to follow.

For a time, everyone in Huangyan was dazzled and confused.

"Oops, this is a formation." Then, someone shouted, and everyone panicked.

Swish!

Huang Yan's face was extremely ugly, and he never thought that he would fall into Jiang Shan's trap.

The next second, Huang Yan thought of something, and hurriedly turned around to find the exit, but when he saw it, he was completely stunned. I saw that the place where I came in behind was gone. Everywhere I could see were peach blossom trees.

"Don't panic, everyone!"

Huang Yan tried his best to calm himself, shouted, and ordered: "Everyone spread out and see if there is an exit. If you see the woman, you must send a signal, and don't do it privately."

When he said this, Huang Yan's face was ashen, and he was indescribably angry.

As a general of the Northern Ying army, he followed His Majesty's expedition to the north and south.

"Yes..." The crowd responded and quickly dispersed.

call!

Seeing this scene, Jiang Shan, who was hiding not far away, showed a smile and quietly left the Peach Blossom Forest.

Jiang Shan thought about it, these people are in a strong momentum now, and it is not easy for her to make a surprise attack. She will trap them for a while, and then capture them all by herself.

Although he didn't recognize who Huang Yan was, Jiang Shan could guess that it was definitely sent by Yang Jian.

Early the next morning, Jiang Shan went to Peach Blossom Forest to check.

Soon, at the center of the Peach Blossom Forest, several Huang Yan were found.

puff!

At this moment, seeing the state of Huang Yan and the others, Jiang Shan couldn't help laughing. I saw them sitting in front of the peach blossom tree one by one, dispirited and completely collapsed.

Obviously, they looked for the exit last night, and they searched all night, and they were very tired.

“You...”

Hearing the movement, Huang Yan opened his eyes and suddenly saw Jiang Shan, suddenly shocked and angry!

At the same time, the surrounding companions were also furious and wanted to stand up and besiege Jiang Shan, but they were too tired last night, and their movements seemed very stiff.

clap clap clap!

At this moment, Jiang Shan held back her smile, her figure was light, and she quickly sealed the acupoints of everyone in Huangyan.

Immediately afterwards, Jiang Shan tied their hands with a rope and led them out of the Peach Blossom Forest.

Whoa!

In the front hall, Wen Chou Chou and Sun Dasheng, as well as the masters of various sects, all gathered around. Seeing Jiang Shan arrest more than a dozen men in black, all of them are amazed.

“These people should have been sent by Yang Jian. I was trapped in the peach blossom forest last night.” Jiang Shan smiled and told the story.

Whoa!

The voice fell, the audience was in an uproar, and then, many people couldn't help but praise.

“Mrs. Jiang is really witty and smart.”

“Yes, these people are not low in strength, and they look familiar, like the generals of the Beiyang army...”

“Haha, I caught so many at once. Madam is really amazing.”

Everyone's praise, you and I came, and they were all very exciting.

You must know that since the invasion of the Northern Ying army, the Diyuan Continent has been in a passive state. Today, Jiang Shan has captured so many generals of the Northern Ying army, which can be regarded as a face for the Diyuan Continent. , also boosted morale.

“Ma'am!”

At this moment, Wen Chou Chou came out and smiled at Jiang Shan: "Ma'am is really resourceful, what shall we do next? What are these people going to do?"

Chapter 2204

Swish!

At this moment, everyone's eyes were focused on Jiang Shan. At this time, many people wanted to kill Huang Yan and the others immediately. After all, the Northern Ying army had captured so many cities and hurt the people.

But... Jiang Shan is everyone's leader now, so she naturally wants to listen to her.

Jiang Shan pondered for a while, and said softly, "Tie them up one by one, pull them outside the city, and let Yang Jian take a good look."

When she said this, Jiang Shan looked calm, but her eyes flashed with light.

To be honest, Jiang Shan also wanted to kill Huang Yan and the others immediately, but after thinking about it, if they were pulled out of the city, the hundreds of thousands of soldiers in the Beiyang army would definitely lose their morale. You must know that morale is very important when the two armies face each other. If the morale of the Northern Ying army is low, there will be a chance on the Earth Circle Continent.

"Okay!"

Wen Chou Chou nodded in approval and said with a smile, "This is a good way."

He thought carefully, and immediately guessed Jiang Shan's intention.

The people around also nodded in agreement.

A few minutes later, everyone from Huangyan was pulled out of the city, tied to wooden stakes one by one, facing the Beiyang camp far away.

At this moment, the Beiyang camp is in the middle tent.

Yang Jian frowned, looking at the sand table in front of him, feeling very anxious. Zhang Jiao next to him seemed calm, but there was a bit of solemnity between his brows.

People like Huang Yan have been there all night, and haven't replied yet... It

's not because their whereabouts were revealed, they were arrested!

"report—"

At this moment, a soldier ran in and knelt down with a plop: “Your Majesty, counselor, no... not good, General Huang and the others were... arrested by the Ouyang family, and now they are all tied up outside the city to show the public. ...”

What?

Hearing this, Yang Jian’s face changed, and he was shocked and angry: “Is the news true?”

“It is absolutely true!” The soldier was sweating profusely and responded cautiously.

Swish!

Yang Jian didn’t say more, walked out of the tent quickly, Zhang Jiao quickly followed.

When he got outside, seeing the situation in front of him, Yang Jian’s face was ashen and furious.

Just seeing those people in Huang Yan, they were really tied to the stakes, their heads bowed, how could they still have the demeanor of a Beiyang general?

“Trash, it’s all trash!”

Finally, Yang Jian reacted, howling loudly, and then shouted: “If you send the order, you can attack the city, and the Ouyang family and those sects will not be left behind!” In the

last sentence, Yang Jian almost is screaming out.

The Northern Ying army was a huge shock in Kyushu, and Huang Yan, as Bei Ying generals, failed to raid a woman, but was arrested instead, and now they are still tied there to show the public, and they have lost the face of the Northern Ying army.

Originally, Yang Jian wanted to show his kindness to the people when he captured Zhongzhou, but now that his anger has been aroused, he can’t care so much.

“Boom! Boom! Boom!”

Hearing Yang Jian’s order, the Beiyang army quickly assembled, and a few seconds later, the drums were beating! Hundreds of thousands of troops launched a mighty charge towards Zhongzhou.

.....

On the other side, in the sea several hundred miles away from Donghai City.

Between the waves and blue waves, a wooden boat is traveling with the waves!

Moraye was sitting on the bow of the boat, his eyes were slightly closed, his eyes were watching his nose, his nose, his heart, and he was meditating. Behind him, Duan Yu was holding a pair of oars in his hands and was rowing the boat hard.

Even though he was rowing, Duan Yu's attention was always on Moroye. , and there was a hint of resentment in his eyes.

After being abolished by Moroye, Duan Yu hated him forcibly. In the past two days, he has been thinking of revenge all the time. However, his lifeblood was abolished, and his dantian was injured by Moroye. Duan Yu was greatly injured. It takes a long time to recover.

As for Moraya, the Dharma is profound, and in just over a day, he completely recovered.

In this case, Duan Yu could only hold back.

“Huh!”

At this moment, Moroye opened his eyes, finished his meditation, and stood up slowly.

The next second, Moroye looked at the sea in front of him and asked, “Transformation! How long will it take to enter the Earth Circle?”

Huasheng is the name of Duan Yu's Buddhist sect.

Chapter 2205

Duan Yu replied: “In half a day, you will be able to see the port of the Earth Circle Continent.” After speaking

, Duan Yu couldn't help being curious and asked: “Master, I heard that the Beiying army is attacking the land. Yuan Continent, the situation is in chaos now, why do we have to go to Earth Yuan Continent?”

During the two days of contact, Duan Yu learned that the Linyin Temple where Moroye is located has been in a state of escapism all the time. , The monks under the door rarely go down the mountain.

But Moroye, as the head, not only went down the mountain, but also kept asking himself about the situation in the Kyushu Continent, as if he had some kind of mission, which made Duan Yu very curious.

call!

Moroye breathed a sigh of relief and looked at the clear water and blue sky in front of him, but he did not feel the slightest ease, but extremely worried, and said slowly: "A vision has appeared in the Chaos Mountains, and there will be disasters in the Kyushu Continent. This matter, only the rulers of each continent must unite, and it is possible to eliminate the disaster."

After speaking, Moroye glanced at Duan Yu, and continued: "Among the nine continents, the Northern Ying continent is the most powerful. Strong, but Yang Jian, who led the army to conquer all over the world, insisted on disturbing the turmoil in the Kyushu continent, and took you to the Diyu continent for the teacher, just to dissuade Yang Jian and let him stop the war. That's the most important thing..."

What?

Hearing this, Duan Yu was stunned.

This monk wants to dissuade Yang Jian and stop the war? Also said.... There is a vision in the Chaos Mountains?

What kind of vision can threaten the safety of the entire Kyushu?

Thinking about it, Duan Yu only felt that his brain was buzzing, and he couldn't calm down for a long time.

.....

On the other side, the Earth Circle Continent, Zhongzhou City!

At this time, Zhongzhou City was like hell, the ground was stained red with blood. Under the strong attack of the Northern Ying army, the disciples of the Ouyang family and the various sects fell into a pool of blood one by one!

The two sides have been fighting here for five hours!

During these five hours, the Ouyang family and the major sects continued to suffer casualties. Originally, there were more than 300,000 people, but under the onslaught of the powerful Northern Ying army, they died and were injured. There are only less than 100,000 people left!

The Beiyang army, because of its overall strength, only lost more than 10,000 people.

The disparity in strength is getting bigger and bigger, and the Ouyang family and the major sects can no longer hold on, but these people are the only ones left, still clenching their teeth!

Zhongzhou City was at stake, and forces from other cities, as well as major families, came to support them from all directions.

However, in the eyes of the Northern Ying army, these forces and families are completely no threat.

The fierce battle is still going on, and the casualties continue to increase on the side of the Earth Continent!

At this time, the entire Zhongzhou City was drowned in the howls of slaughter, the air was filled with blood, and even the sun was eclipsed, as if it was dyed red by blood.

The Ouyang family, the major sects, and various forces retreated while fighting, and finally retreated to the Ouyang mansion.

By this time, half of Zhongzhou had fallen under Yang Jian's control.

The situation is getting more and more unfavorable, but the Ouyang family and the major sects still haven't given up and are still fighting bloody battles.

In the melee, there is a figure, brave and unusual!

It is Sun Dasheng!

At this time, Dasheng Sun was already covered in blood. From head to toe, there was no intact place. There were more than 100 wounds, just like a bloody man!

Behind him, Jiang Shan and Wen Chou Chou, as well as the masters of various sects, almost tried their best to stand still, but they all had a firm expression and did not retreat at all, still holding the sword in their hands.

In front of him, countless Northern Ying soldiers, one after another, swarmed, unable to kill them all.

Sun Dasheng almost tried his best, and he could barely hold his axe, but he still gritted his teeth and rushed to the front.

Sun Dasheng is notoriously violent and bloody. He knows that this battle will not be won, but he still has to rush to the front and wants to kill a few more enemies.

"Great Sage, come back!"

"Retreat one after another, don't rush anymore."

Seeing that Sun Dasheng would not retreat, Jiang Shan and the others, who were slowly retreating, were extremely anxious.

However, Sun Dasheng was already red-eyed and couldn't hear it at all.

Finally, because he rushed too far ahead, Dasheng Sun was quickly surrounded, and there were more and more enemies! A Beiyong soldier went around behind Sun Dasheng, holding a spear in his hand, and stabbed Sun Dasheng in the back at once!

"Puchi!"

Blood rushed out all of a sudden!

Pfft!

Sun Dasheng only felt that all the strength in his body was taken away in an instant.

## **The ultimate husband in Chinese chapter 2206-2210**

Chapter 2206

At the same time, there were several Beiyong soldiers who took the opportunity to rush in, and the long swords in their hands stabbed at Sun Dasheng!

"Great Sage!"

At this moment, Wen Chou Chou roared, rushed over quickly, blocked in front of Sun Da Sage, and waved his right hand in the air to form a protective film.

"Dangdangdang!"

Dozens of long knives slashed on the protective film in unison, making a metal crash sound.

Wen Chou Chou's strength at this time is already the fourth stage of the Martial Emperor, but in the fight just now, a lot of internal strength was consumed, and at this time, blocking the blades of so many Beiyong soldiers made his face pale!

"Beyond one's own strength!"

At this moment, a coquettish shout sounded, and then a slender figure appeared, which was Gonggong.

In the fierce battle just now, Sun Dasheng and Wen Chouchou were very brave and unusual, and they attracted the attention of Gonggong. At this time, seeing that both of them were injured, but they killed a lot of Beiyong soldiers, Gonggong couldn't help it.

Click!

The next second, Gonggong Yushou, a purple-level long sword appeared in her hand, and then a sword stabbed at Wen Chou Chou!

At the same time, hundreds of Beiyong soldiers around them also swarmed up, all rushing over! For a while, Sun Dasheng and Wen Chou Chou were surrounded!

“Clang!”

Sun Dasheng’s double axe was constantly waving to resist, but there were too many people, and he couldn’t stop it at all. There were more and more wounds on his body, and the whole person almost became a bloody man.

“Am I cheating on you!”

This chapter is provided by . Visit for daily update.

Blood flowed down, Dasheng Sun’s eyes were blood red, completely mad, holding a giant axe, chopped over a dozen people in a row.

Beside, facing Gonggong’s attack, Wen Chouchou was also too tired to deal with it. One of them was accidentally slapped on the chest by Gonggong! At that time, Wen Chou Chou vomited several mouthfuls of blood, staggered, and retreated to Sun Dasheng’s side.

“Brother Wen, you shouldn’t rush over.” Sun Dasheng said to Wen Chou Chou, extremely guilty.

If it weren’t for the battle by himself, Brother Wen would not have come to help him, nor would he have been injured.

“You and my brother, don’t say such things.” Wen Chou Chou’s face was pale, but he gritted his teeth and said word by word, “Anyway, Zhongzhou City can’t be saved today, and it will be difficult for us to break out, it is better to die Before, kill a few more...”

“Yes! Let’s have a good time today.” Sun Dasheng shouted with high fighting spirit, and then the two brothers rushed out again!

“Dang! Dang!”

Sun Dasheng didn’t remember how many axes he swung, and how many knives he took. I only saw that his body was covered in scars, and the blood had already dyed his clothes red!

At this time, Dasheng Sun was already exhausted, and he was hanging with one breath. He could clearly feel the pain coming, and there was no pain in his entire body!

“Pfft!”

Next to Wen Chou Chou, facing the powerful Gong Gong, he has always been at a disadvantage. Suddenly, Gong Gong stabbed with a sword. This sword Wen Chou Chou couldn't avoid, and pierced his shoulder directly!

Wen Chou Chou only felt that his strength was rapidly draining, his body trembled, and he staggered back.

“Go to hell!” Gonggong sneered and chased after him, hitting Wen Chou Chou with a slap in the heart.

In Gonggong's eyes, Wen Chou Chou is nothing but the realm of Emperor Wu, and fighting against himself is courting death.

“Palace Master Wen!”

“Be careful...”

Seeing this scene, Jiang Shan, who was not far away, and the masters of various sects couldn't help exclaiming, and wanted to rush over, but there were too many Beiyong soldiers around, and they were stopped before they took two steps. down.

“Brother Wen!”

At this critical moment, Sun Dasheng's eyes were extremely blood-red, he shouted loudly, and stood in front of Wen Chou Chou, and took Gong Gong's palm.

puff!

At the moment when the two palms collided, Sun Dasheng snorted, a mouthful of blood spurted out, and his body stepped back ten steps before he stabilized his figure.

At this time, Sun Dasheng and Wen Chouchou were exhausted and had countless wounds on their bodies, almost to the point of running out of oil, but facing the Gonggong and Beiyong soldiers in front of them, they were still unafraid!

“Come on! If you want to kill us, come up as soon as possible!” Sun Dasheng screamed desperately with red eyes!

Next to Wen Chou Chou, his face was pale, but his eyes also showed tenacious will.

Chapter 2207

Call!

Seeing this scene, many Beiyong soldiers looked at each other in dismay! A trace of fear rose in my heart.

Suffered such a serious injury, still not falling down?

Is this Iron Man? Bleeding endlessly?

Even Gonggong's eyebrows were furrowed, and his heart couldn't help being touched.

These people from the Earth Circle are really tenacious. The situation in front of them is already one-sided, but they are still fighting with their lives to resist.

Are you really not afraid of death?

Jiang Shan, and the masters of various sects, were shocked when they saw this scene, and many people's eyes turned red.

Yue Feng, the two sworn brothers, are indeed real men who stand upright in the sky.

In order to defend the Earth Circle Continent, I would rather risk my life and fight until my entire body is wounded, rather than stand back a single cent!

"So what if you're not afraid of death?" At this moment, Gonggong

calmed down and sneered: "You guys are powerful enough to block the Beiyong army, but it's just a man's arm as a chariot!"

The Ying soldiers issued an order: "They have run out of strength, don't be afraid, kill them quickly!"

Hula!

When the voice fell, dozens of Beiyong soldiers with long spears rushed up.

puff!

Sun Dasheng lost his strength and couldn't dodge in time. More than a dozen long spears all stabbed Sun Dasheng on the body at once.

This time, Sun Dasheng couldn't hold it any longer, and the blood was pouring out!

Wen Chou Chou was also hit hard again, and his face was extremely pale.

"Sect Master Sun, Master Wen!" "Master

!"

“Master...”

Seeing this scene, Jiang Shan and all the sects and all the sects were stunned. Many disciples from Huaguo Mountain and the Hall of Longevity had blood-red eyes and screamed madly. They couldn't hold back their tears, and they kept flowing!

Sun Dasheng wiped the blood from his mouth with all his strength, looked at Wen Chou Chou and smiled weakly: “Brother Wen, I have no regrets in my life to be able to die here with you, but it's a pity that at this last moment, our three brothers did not We can get together!”

Phew!

Hearing this, Wen Chou Chou smiled weakly, and then said seriously: “It's good that Feng Zi is not here, I can avenge both of us in the future.” After

saying that, Wen Chou Chou looked around at the dense number of Beiyong soldiers in front of him, and roared up to the sky: “Defend the land. Yuan Continent, I, Wen Chou Chou, have done my best, and I will die without regrets!”

Roar!

This heroic, soaring to the sky!

“Our three brothers lived and died together. I am still here, and I will never allow you two to have an accident.” At this moment, only a roar was heard, coming from the horizon!

Whether it was the people from the Earth Circle Continent or the Northern Ying army, when they were roared by this roar, their hearts trembled, and they all looked for the sound!

Seeing this, everyone was stunned!

I only saw that there was a huge figure in the sky, flying very fast!

This is a giant beast, with a body of nearly 70 meters. It looks like a tiger but not a tiger. It has a dark purple body and a pair of wings on its back. It is surrounded by the light of lightning.

Divine beasts are poor!

On Qiongqi, there is a man standing, this man, with knife-like facial features, is extremely cold! It is Yue Feng!

After so many years, Xiao Qiongqi's strength is close to the transcendence realm!

Yue Feng stood on Qiongqi, majestic! Behind Yue Feng, the army of 300,000 followed neatly, it was the soldiers of Xicang Continent!

## Chapter 2208

At this time, Yue Feng stood proudly on Qiong Qi's back, his aura was overwhelming, but his eyes flashed with tears.

After summoning the Xi Cang army at Canglong Pass, Yue Feng did not stop for a moment, and went directly to Diyuan Continent. Along the way, Yue Feng saw that many cities fell into ruins, and in the ruins, there were even the corpses of countless people!

At this time, I finally arrived in Zhongzhou City, and I saw that as far as I could see, the flames of war were pervading. The bustling and lively Zhongzhou City was now like hell, with blood everywhere.

And his two sworn brothers, Wen Chou Chou and Sun Dasheng, almost all became bloody men under the fierce battle.

Yue Feng was chivalrous and benevolent, and when he saw this scene, his heart ached.

"Fengzi.."

"Sect Master!"

"Haha, the leader of the Yue alliance is back..."

Seeing Yue Feng, there was cheers from the Diyuan Continent, whether it was the Ouyang family, the Tianmen, or the major sects, everyone Incomparably excited, a ray of dawn also rose in the heart of despair.

Yue Feng is back, and the Earth Circle Continent is saved!

"Brother Wen, Great Sage!"

At this moment, Yue Feng's eyes fell on Wen Chou Chou and Sun Da Sheng, and the tears finally couldn't be held back and flowed down: "I'm sorry, brother is late."

Yue Feng saw clearly that Wen Chou Chou He and Sun Dasheng were full of knives and blood dripping. They were completely two blood people, but they were still standing there.

Behind the two, the brothers of Tianmen, as well as people from the Ouyang family and various sects, almost covered the ground with corpses, countless!

Those who were lucky to survive were also seriously injured.

“You should all be damned if you hurt my brother’s family!” A cold voice came from Yue Feng’s mouth, and in the next instant, Yue Feng raised his hands suddenly! I saw a terrifying force in the air, quickly condensing around Yue Feng.

“Big Sky Breaker!”

Yue Feng almost roared out, pointing at the Beiyong army!

Buzz!

A violent aura erupted, forming a hurricane-like vortex, sweeping down! Go straight to the ground!

“Roar!”

At the same time, Qiong Qi also let out a loud roar and rushed towards the crowd.

“Ah...”

In an instant, in the roar of Da Tianshu and Qiongqi, nearly a thousand Beiyong soldiers, too late to react, let out a scream, and fell into a pool of blood!

call!

Seeing this scene, the martial arts masters in the Earth Circle Continent were extremely excited and cheered loudly.

“Yue Feng.”

At this moment, only a cold voice was heard from the Beiyong military camp. Immediately afterwards, a golden figure hovered above the air, majestic and majestic, it was Yang Jian.

“Yue Feng, you finally appeared!” Yang Jian’s eyes were cold, and he said word by word: “I wanted to occupy the entire continent, and then try to catch you, but I didn’t expect you to show up.”

Saying, Yang Jian looked at the 300,000 Xi Cang army behind Yue Feng, and said with disdain: “The Earth Circle Continent is exhausted, surrender immediately and serve me, I may be able to spare your life.”

When he said this, Yang Jian’s face was full of pride.

Although the 300,000 Xicang army brought by Yue Feng was not small, the strength of Xicang Continent was not worth mentioning compared to Beiyang Continent, so Yang Jian didn't take it to heart at all.

surrender? Still allegiance to you?

Hearing this, Yue Feng smiled coldly, met Yang Jian's eyes, fearless, and his voice spread throughout the audience: "Yang Jian, you are just my defeated general, in Nanyun Continent, you were killed by me and ran away. , but still have the face to make me surrender? Who gave you confidence?"

Yue Feng deliberately mocked Yang Jian, this Yang Jian, taking advantage of his absence, led an army to sneak up on Diyu Continent, it was really despicable and shameless.

Swish!

Hearing this, Yang Jian's face was extremely ugly, and he was burning with anger.

He is a dignified true monarch Erlang, who has been in the world for thousands of years, when has he been ridiculed like this?

"You are courting death!"

Sen Leng's three words came out of Yang Jian's mouth, his eyes fixed on Yue Feng, and he raised his hand and waved: "The whole army obeys the order, people from these sects in the Earth Circle Continent, and the soldiers of Xi Cang. , annihilate them all, and leave none of them!"

Chapter 2209

Before in the Southern Cloud Continent, the reason for defeat was entirely because of Guiguzi's presence, but now, Yang Jian no longer has any scruples when he sees that there is no Guiguzi around Yue Feng.

"Kill!" The

voice fell, and the army of Beiyang let out a howl that shocked the world. They pulled out their weapons and rushed towards Yue Feng.

call!

With a solemn expression on his face, Yue Feng took a deep breath and shouted loudly: "All the soldiers of Xi Cang, immediately meet the enemy guards, never back down, kill !

“

They responded in unison, and the momentum shook the sky, rushing up like a tide!

“Come on, defend the homeland!”

At the same time, the Ouyang family, Tianmen, and the disciples of various sects were boosted by morale, temporarily forgetting the pain, and rushed forward.

In the blink of an eye, the two sides collided head-on, and a fierce fight broke out!

“Ah!”

For a while, shouts and roars continued to sound, and blood continued to splash, dyeing the earth red again.

Whoosh!

At this moment, Yang Jian, who was suspended there, suddenly burst out, heading straight for Yue Feng.

In a blink of an eye, Yang Jian was in front of Yue Feng, with absolute contempt in his eyes: “Stinky boy, there is no senior Guigu around, I see what ability you have, it won’t end well if you go against me, just keep your hands on it and capture it!

” !

The voice fell, and a terrifying aura burst out from Yang Jian’s body, and in an instant, the surrounding air seemed to be stagnant! At the same time, the three-pointed two-edged sword was tightly held in Yang Jian’s hand.

As soon as the knife came out, the surrounding temperature seemed to plummet!

Speaking of which, Yang Jian has an arrogant temperament and holds his own identity. He has never taken action in person since he fought to conquer various continents, because in Yang Jian’s mind, none of the masters of the arena from various continents is worthy of his action.

But Yue Feng is different. He is a hero of the Earth Circle Continent, and he once fought off his Northern Ying army in the Southern Cloud Continent. As long as he was captured alive, he would be able to completely strike the Earth Continent psychologically. More shameful.

More importantly, Chang’e had been missing for so long and could never be found, and Yue Feng had been with Chang’e before, so he must have known Chang’e’s whereabouts.

Yang Jian thought about it, captured Yue Feng alive, and forced the people of Diyuang Continent to surrender, and then tortured Yue Feng to extort a confession and inquired about Chang'e's whereabouts.

Nima!

Seeing Yang Jian rushing straight in, Yue Feng was startled and couldn't help scolding secretly.

This Yang Jian is too ruthless. After all, he has become famous for thousands of years, but at this time he has no reputation at all. It is really too ruthless to attack him in public.

hum!

Yang Jian didn't talk nonsense. With a strong wave, he heard a whistling sound that shocked the world. It came from the three-pointed two-edged sword. Then, a golden light ripped apart the world and burst towards Yue Feng.

Yang Jian's speed was too fast, and Yue Feng had no time to dodge, so he had to mobilize his internal strength, quickly summon Fang Tianhua, and stand in front of him to block it!

He had fought against Yang Jian, and Yue Feng knew how powerful he was, so all his internal power burst out.

boom!

Jin Mang slammed on Fang Tianhua, when he heard Yue Feng let out a muffled groan, the whole person was shocked and flew out, and flew more than 100 meters before falling heavily to the ground.

During this period of time, Yue Feng has gained a new understanding, his strength has improved a lot, and he will soon break through the Tribulation Transcendence Realm. However, Yang Jian's strength is much stronger than before, so even if Yue Feng tries his best, he cannot stop him. Live Yang Jian's powerful blow.

After all, Yang Jian is Erlang Zhenjun who has been famous for thousands of years, and his background is not comparable to Yue Feng.

"Sect Master!"

"Leader Yue!"

"Fengzi"

saw this scene, Sun Dasheng, Wen Chou Chou, Jiang Shan, and many others couldn't help but exclaimed and wanted to rush over, but under the melee, Surrounded by Northern Ying soldiers, it was too late to provide support.

"Boy!" At this moment, Yang Jian stared at Yue Feng, his expression extremely arrogant: "This is the gap between the strong and the weak, and if you go against me, this is the end." As

he spoke, Yang Jian held his hands tightly. The three-pointed, two-edged sword slowly walked towards Yue Feng.

A strong breath permeated the whole world.

Chapter 2210

Nima!

Seeing Yang Jian approaching step by step, Yue Feng was furious.

This Yang Jian's strength is also too terrifying, he can't stop his move with all his strength!

hum!

The next second, Yue Feng thought of something, and immediately opened the Linglong Tower. Suddenly, dozens of powerful figures burst out of the sky, it was You Yan, Yuan Tiangang and the others.

"Block him." The moment these figures appeared, Yue Feng couldn't help shouting, and at the same time, the figures quickly retreated back.

buzzing.

Hearing Yue Feng's order, You Yan, Yuan Tiangang and the others burst out with internal force and surrounded Yang Jian.

Although Yang Jian is unparalleled in strength, but you Yan and the others are not weak. In a blink of an eye, Yang Jian was successfully held back.

call!

Seeing this scene, Yue Feng breathed a sigh of relief, and then shouted at the Xicang army below: "All officers and men obey the order, the 50,000 forward troops move fifty steps to the left, 50,000 officers and men to the right, and retreat twenty cloths..."

Not bad . , Yue Feng is starting to form an army. The overall strength of the Beiying army is too strong, and the soldiers of Xi Cang are not opponents at all.

Wow...

Hearing Yue Feng's words, the hundreds of thousands of Xi Cang's army reacted quickly and changed their formations quickly.

"The whole army obeys the order."

Seeing that the Beiying army was about to be besieged, at this moment, a voice came out, and then Zhang Jiao jumped into the sky and commanded loudly: "Everyone retreat, temporarily and the enemy. The army keeps a distance..."

As the military advisor of the Northern Ying army, Zhang Jiao is very resourceful, how could he give Yue Feng a chance?

Hearing Zhang Jiao's order, all the soldiers of the Beiying army retreated a dozen steps and escaped the danger of being besieged.

Nima.

Seeing this scene, Yue Feng's face was extremely ugly, and he was very annoyed.

It's this horn again.

In anger, Yue Feng once again commanded the army, changing the formation.

Zhang Jiao's accomplishments in the art of war were no worse than Yue Feng's. Seeing Yue Feng changing the formation of the army, he immediately responded and ordered the Beiying army to adjust quickly.

For a time, what should have been a fierce confrontation between the two armies turned into a battle of war between the two.

Soon, half an hour later, Yue Feng was still unable to reverse the situation, and Zhang Jiao couldn't make the Beiying army go further, so the two sides became deadlocked.

In the midair not far away, Yang Jian was also dragged tightly by the strong men in Youyan, and he couldn't take care of him at all.

"Your Majesty!"

Finally, Zhang Jiao lost his patience and shouted at Yang Jian, "Let's retreat temporarily, this is not the way to stay in a stalemate."

When he said this, Zhang Jiao glanced at Yue Feng and was very angry.

To be honest, with Zhang Jiao's personality, he would never retreat easily. However, the Beiyang army had fought fiercely with the masters of various sects in the Deyuan Continent for too long, and their internal strength was almost exhausted. The Xi Cang army brought by the wind is full of momentum.

In such a situation, it would be very unfavorable for the Beiyang army to continue to consume, so we could only retreat temporarily and let the soldiers regain their strength.

Um!

Hearing this, Yang Jian snorted, and then his internal strength exploded, waving a three-pointed two-edged sword, forcing everyone in front of Youyan back.

The next second, Yang Jian looked around the audience and waved his hand: "Retreat!" The

voice fell, and Yang Jian took the lead in flying towards the direction of the camp.

Like Zhang Jiao, Yang Jian never thought of retreating, but he trusted Zhang Jiao very much. Since Zhang Jiao said retreat, he must have his reasons.

Wow...

Seeing Yang Jian withdraw from the battlefield, Zhang Jiao and the Beiyang army quickly followed without hesitation.

call!

Seeing this scene, whether it was Yue Feng, the masters of various sects, or the army of Xi Cang, all secretly breathed a sigh of relief.

This battle is finally over for now.

Later, Yue Feng reacted and hurriedly ordered someone to treat the wounded.

A few minutes later, in the hall of the Ouyang family mansion.

Yue Feng sat in the middle chair with a solemn expression.

On both sides, Jiang Shan, as well as the masters of various sects, sat there quietly, with endless fatigue on their faces.
