Chapter 2211

And Sun Dasheng, Wen Chou Chou and some people who were too injured went to the backyard to heal their injuries.

“Leader Yue.”

At this moment, Tang Qingyun stood up first, and said to Yue Feng: “Fortunately, the leader of the alliance came back in time, otherwise, Zhongzhou City is really finished today.” The

voice fell, and everyone around They all nodded.

Yue Feng smiled and waved his hands: “Everyone is polite. Now is not the time to talk flattery, but to think about how to repel the Beiyang army.”

When he said this, Yue Feng glanced at Tang Qingyun, his eyes penetrating. calm.

To be honest, a villain like Tang Qingyun, Yue Feng has always been very disgusted, but seeing him this time, with the disciples of Tangjiabao, desperately defending Zhongzhou City, Yue Feng doesn't care so much.

As for the alliance leader, Yue Feng just heard Jiang Shan say that it was the initiative of various sects who recommended him to do it.

In the past, Yue Feng would definitely give in a little, but now that the enemy is facing the enemy, Yue Feng is too lazy to waste his words and admit it.

“Leader Yue.”

At this time, the real Lingbao looked at Yue Feng and couldn't help but said, “Before in the Southern Cloud Continent, you defeated Yang Jian's Beiyang army and became famous all over the world. Since you have won the battle, you must still have it now. Let's force Yang Jian back...”

Shuh!

At this moment, the eyes of everyone in the audience focused on Yue Feng.

Yes, they were able to defeat Yang Jian before, so there should be a way now.

Uh...

This chapter is provided by . Visit for daily update.

Facing everyone's attention, Yue Feng scratched his head and looked embarrassed.

Nima, who was in the Nanyun Continent at that time, was able to defeat the Northern Ying army completely with the help of Senior Guiguzi. But now, Guiguzi doesn't know where he is wandering. Without his help, he would have no way to defeat Yang Jian.

Thinking to himself, Yue Feng smiled bitterly and said, "Yang Jian has already figured out the number of ways I have. It was only luck that I won against him before. Now I want to defeat the Beiyang army, I'm afraid it will be difficult."

Alas...

hear this At the words, everyone sighed, a little lost, and at the same time a little anxious.

Even Yue Feng can't do anything about it, Zhongzhou City is really finished now.

Um!

At this time, Yue Feng looked around and found that there were a lot of people missing, so he couldn't help asking Jiang Shan, "Aunt Jiang, where are my sisters and Yingying?"

Yes, Yue Feng saw that Meihui was not here, Ren Yingying was not there. And several members of the Ouyang family were not there either.

"They..."

Hearing the question, Jiang Shan's beautiful face revealed a bit of self-reproach, and said softly, "A few of them were captured by Yang Jian when Yunzhou City was breached."

Thinking of her daughter and Ren Yingying, Jiang Shan couldn't tell the heartache and guilt.

Back in Yunzhou City, they were arrested because of their lack of command.

Speaking of which, Jiang Shan had thought of many ways to rescue Meihui and the others these days, but they all failed. You must know that the Beiyang camp was too heavily guarded, and it was almost more difficult to sneak in than to climb into the sky.

What?

Yue Feng was stunned for a moment, clenching his fists, both shocked and worried.

Yingying and Meihui were caught by Yang Jian. With Yang Jian's personality, would they have already killed them?

The more Yue Feng thought about it, the more anxious he became.

"That's right!"

At this moment, Jiang Shan thought of something, looked at Yue Feng and said, "There is one more person, you absolutely can't think of it." After

speaking, Jiang Shan adjusted her mood and continued softly: "Zhou Qin Not dead, now in the dungeon of our Ouyang family..." Immediately, Jiang Shan explained the scene of Zhou Qin coming to report the letter at that time.

What?

Hearing this, Yue Feng only felt his brain buzzing, and the whole person was stunned.

Zhou Qin...she is not dead?

"Quick!"

Finally, after more than ten seconds, Yue Feng reacted and ordered the family disciples outside the door: "Bring Zhou Qin here."

In addition to being shocked, Yue Feng was a little happy to learn that Zhou Qin was not dead. You must know that at the beginning, his son Yue Wuya buried Zhou Qin alive in front of his own face. This was a hurdle in Yue Feng's heart that he would never get over, and he only felt that he was sorry for Zhou Qin.

After all, Zhou Qin had already reformed at that time.

And now, Zhou Qin survived the catastrophe. For Yue Feng, he can finally not feel guilty.

Chapter 2212

Soon, two disciples of the Ouyang family brought Zhou Qin up.

I have to say that Zhou Qin is worthy of being a goddess-level woman. Although she was locked in the dungeon for a few days, her hands and feet were still wearing chains, and she was a little embarrassed, but her charming talent and beauty could not be concealed.

Swish!

At this moment, the eyes of everyone in the hall were focused on Zhou Qin. Many men hardly blinked.

Of course, while appreciating Zhou Qin, many people also have deep fear in their hearts. After all, Zhou Qin is a former martial arts alliance leader, and he is ruthless. Is there anyone present who has not suffered from her?

She...she really isn't dead!

Seeing Zhou Qin, Yue Feng's heart shuddered, and there was some indescribable excitement and joy, but his face was very indifferent, without the slightest fluctuation.

To be honest, Zhou Qin has done so many bad things, and now he has decided to change his mind, but in Yue Feng's heart, there is already a separation between Zhou Qin and Zhou Qin, and he can no longer return to the close state he used to be.

"Yue Feng!"

At this time, Zhou Qin also saw Yue Feng, her delicate body was shocked, and she was very happy: "You are back, great!" The

voice fell, Zhou Qin couldn't hide his excitement, and was about to come over .

However, before taking two steps, he was stopped by a cold drink.

"Stop." Tang Qingyun, who was sitting on the side, couldn't help standing up and said coldly to Zhou Qin: "You can call the name of the leader of the Yue alliance? Zhou Qin, do you still think you are the leader of the alliance? Or is it the head of the Emei faction? Door? Sober up, you are just a prisoner now."

Immediately, Tang Qingyun turned his head to look at Yue Feng, his face flattering: "Alliance leader, this woman is very cunning, she has framed you a lot before, so you can't take it lightly."

When he said this, Tang Qingyun gave Zhou Qin a proud look, his eyes were full of contempt, showing a bit of revenge.

When Zhou Qin was the leader of the martial arts alliance, he didn't treat Tang Qingyun as a person at all. Tang Qingyun was narrow-minded. Seeing Zhou Qin's downfall at this time, he would naturally not miss the opportunity to ridicule him.

As soon as these words came out, many people around also nodded.

"Lord Tangbao is right!"

“Yes, this woman is beautiful on the outside, but her heart is like a scorpion, so you must be careful!”

“Alliance leader, you must be cautious when dealing with such a woman...”

Everyone’s discussion, you said, When I heard a sentence, all of them were full of resentment towards Zhou Qin. You must know that Zhou Qin used the Black Heaven Pill to force the various sects to surrender. No one has forgotten this and has always been ashamed of it. Seeing Zhou Qin at this time, how could he have a good face?

Hearing these words, Zhou Qin looked calm and did not refute.

In Zhou Qin’s heart, she had indeed done too many wrong things before, and since she was wrong, she must admit it.

call!

Yue Feng breathed a sigh of relief, looked around the audience, and waved his hands: “Okay, don’t talk about it.”

Immediately, Yue Feng glanced at Zhou Qin: “Release her.”

“Yes!” The two Ouyang family disciples With a sound, Zhou Qin loosened the tie.

Whoa!

This time, many people around were stunned and looked at Yue Feng in confusion.

This wicked woman ended up like this, she deserved what she deserved, but Yue Feng actually released her? This Yue Feng is unequivocal in the meaning of the rivers and lakes, but in terms of women, he can never be firm.

How can a woman’s kindness do great things?

For a time, many people felt dissatisfied with Yue Feng.

Yue Feng saw the unhappiness in the eyes of everyone, but he didn’t care.

The next second, Yue Feng sat there, looked at Zhou Qin and said, “Zhou Qin, it is said that you came here to spread the news, tell me carefully, how did you know that the Beiyong army was coming? Or... Yang Jian sent it on purpose. You’re here.”

Yes, Yue Feng asked this on purpose, so that Zhou Qin could explain it clearly, so as to eliminate everyone’s misunderstanding about her.

call!

Zhou Qin took a deep breath and said slowly: "At that time, when I discovered the Beiyang army at the border, I immediately notified the major sects. But in the end, not only did they not believe it, they even locked me up."

When saying this, Zhou Qin still suffocated.

"Zhou Qin." Lingbao Zhenren sighed and couldn't help but say, "If you didn't do too much evil before, how could everyone lose trust in you?"

Chapter 2213

This....

Zhou Qin blushed and was speechless.

"Okay!"

At this time, Yue Feng smiled slightly and said, "Everyone, Zhou Qin did make mistakes before, but now she has started to reform herself. I hope everyone can put aside their prejudices and give her a chance." The

voice fell, Everyone looked at each other.

"Leader Yue."

At this time, Tang Qingyun couldn't help but say: "Knowing the person and the face but not the heart, who knows if she really regrets it, and also, there is a saying in our ancients that it is called beauty and disaster, and the leader of Yue alliance can Don't be fooled by her appearance." The

voice fell, and many people nodded in agreement.

"Yeah, this woman is too cunning."

"Before we believed in her too much, and we fell in love with her."

"Leader Yue Meng is chivalrous and kind, but some things can't be too kind."

I'll go!

Hearing this, Yue Feng frowned secretly, feeling annoyed.

These people are too stubborn in their thinking, why can't I explain it to them?

Thinking to himself, Yue Feng smiled bitterly: "Okay, okay, let's not talk about this for the time being, let's think of a way to resist the Beiyang army."

Since Zhou Qin's matter is unclear, let's change the subject.

call!

Hearing this, everyone shut their mouths one after another, all at a loss.

"Yue...Leader of Yue."

Seeing this scene, Zhou Qin couldn't help but ask softly, "How is the situation now?"

Zhou Qin originally wanted to call Yue Feng's name, but considering the current situation, in order to prevent people around him from making irresponsible remarks, He changed his words in time and called the Alliance Leader Yue.

These days, Zhou Qin has been imprisoned in the Ouyang family's dungeon, so she doesn't know what's going on outside.

However, Zhou Qin has already made up his mind to correct his past mistakes. This time when the Northern Ying army comes, he must do something to make up for his past mistakes.

call!

Yue Feng sighed lightly, looked at Zhou Qin and smiled bitterly; "It's not optimistic." After speaking, he explained the situation in front of him in detail.

What?

Knowing the situation, Zhou Qin's delicate face was full of shock, and her heart was even more anxious.

So many places in the Earth Circle Continent have already fallen? And now, Zhongzhou is about to fail?

At this time, Yue Feng continued: "The overall strength of the Beiyong army is very strong, but if we deploy it properly, we still have a chance to resist. The key is that Zhang Jiao. This man uses his troops like a god, which is really a headache.

", Yue Feng felt extremely bitter in his heart.

When he was in Nanyun Continent before, Yue Feng fought Zhang Jiao more than once. At that time, Zhang Jiao used the common people to make meat walls, but Yue Feng had nothing to do. Until the Beiyong army hit Nanyun Imperial City, Yue Feng released him. It was only after the Guiguzi in Linglong Tower that the situation was reversed.

However, Guiguzi Ning refused to accept the master. After helping Yue Feng to push back the Beiyang army, he left and is now missing.

Without Guiguzi's opponent, Yue Feng was no match for the cunning and ruthless Zhang Jiao.

More importantly, the Beiyang army is only temporarily evacuated. When they recover, they will definitely make a comeback. At that time, even if there is a Xicang army, it will be useless.

Zhang angle?

Hearing this, Zhou Qin's body trembled, and she was stunned.

Thinking of Zhang Jiao, Zhou Qin was not only panicking, but also felt a little guilty. Back then at the ancient tomb of Lv Bu, Zhou Qin deceived Zhang Jiao of the inextinguishable scripture, and then brutally stabbed him with a sword. This is what Zhou Qin has done. Among the mistakes, the most cruel one, although later learned that Zhang Jiao was not dead, Zhou Qin still regretted it in his heart.

But soon, Zhou Qin calmed down, looked at Yue Feng and said softly: "Leader Yue, I have a way to deal with Zhang Jiao."

After speaking, Zhou Qin pondered for a while, and continued seriously: "Although this corner is The use of troops is like a god, but every time the troops are deployed, the means used are always inseparable from the 'Zhou Tian Yi Shu', as long as the Yue alliance leader starts from this aspect, he will definitely be able to find a way to deal with him."

Chapter 2214

When saying this, Zhou Qin smiled lightly. Speaking of which, although Zhou Qin's personality is rather extreme, he is very smart in terms of cultivation and understanding. Although he has not learned all the Indestructible Sutras before, in recent years, Zhou Qin has learned a lot of indestructible things with his intelligence and wisdom. The essence of annihilation.

The Inextinguishable Sutra is extensive and profound, and what Zhou Qin has comprehended is not only limited to exercises, but also astronomy, geography, art of war, and so on.

Just now, when Yue Feng described his confrontation with Zhang Jiao, Zhou Qin was very keen to find that Zhang Jiao's formation was based on the number of changes in Zhou Tianyi in the Indestructible Scripture, which made Zhou Qin very excited.

Knowing this is equivalent to clearing Zhang Jiao's thinking trend, which will be of great help to the next battle against the Northern Ying army. The so-called knowing oneself and knowing one's enemy can be invincible in a hundred battles. Can you be unhappy?

"Zhou Tianyishu?"

At this moment, Yue Feng was stunned for a moment, then looked at Zhou Qin tightly: "What you said is true?"

Hmm!

Zhou Qin nodded with certainty.

"But..." Yue Feng scratched his head and said very ashamedly: "But I don't understand Zhou Tianyishu."

Zhou Tianyishu is the most difficult and profound one among the Qimen Dunjia. "Yin-Yang Feng Shui" and "Bai Qi Shen Array" also cannot comprehend the mysteries in Zhou Tian Yi Shu.

"Leader Yue, don't worry, I understand Zhou Tianyi." Zhou Qin smiled and said.

Haha...

Hearing this, Yue Feng was extremely excited, swept away the previous depression, and felt indescribably comfortable.

Unexpectedly, Zhou Qin actually understands Zhou Tianyishu. With her help, are you afraid that she will not be able to deal with Zhang Jiao?

"Okay!" Yue Feng nodded and looked at Zhou Qin with a smile: "When the Beiyong army comes back to attack, we will..."

Before he could finish speaking, he was interrupted by a voice.

"Leader Yue."

Su Santong, the head of the beggar gang, stood up and said with a worried expression: "What this woman said may not be credible. Please think twice about the leader of the alliance." After speaking

, Su Santong did not forget to glance at Zhou Qin. His eyes were full of suspicion.

When the words fell, Tang Qingyun also quickly stood up and said loudly: "Yeah, the lord, the god of war, Zhangjiao is elusive, and even you can't solve it, but she swears that there is a way, it is clearly deceitful. "

Tang Qingyun wanted to speak just now, but he was afraid of offending Yue Feng, but seeing that the head of the Beggar Gang was the first to take the lead in opposing it, he quickly stood up and added fuel to the flames.

Whoa!

When the voice fell, there was an uproar in the hall, and many people also spoke.

“Zhou Qin, this woman, must be playing some tricks again, the leader of the alliance must not be deceived.”

“Yes, first to gain the trust of others, and then surprise, this is the woman’s usual style.”

“The leader of the alliance think twice.

” Objection, you and I heard one sentence, Yue Feng frowned secretly and had a headache.

At this time, Yue Feng never expected that everyone would hold such a grudge against Zhou Qin. Zhou Qin has reformed, but these people are still suspicious of her.

It’s hard to do now.

“you...”

At this moment, Zhou Qin finally couldn’t bear it anymore, trembled with anger, looked at Tang Qingyun and said, “Can you believe me once? Yes, I was sorry for everyone before, and I am sorry for the whole world, but I already know that. Wrong, and everything I said is true, now that the enemy is in front of us, can’t we unite a little bit?”

Zhou Qin was in a hurry when he said this.

This group of people, full of chivalrous words, did not give them any chance to reform themselves, which is really speechless.

I believe you?

Tang Qingyun sneered and mocked Zhou Qin: “Are you still qualified to make us believe? Even the leader of the Yue alliance is helpless, but you have a way, how do you understand Zhou Tianyishu? What is it that you lie? The leader of the alliance is still powerful? Okay, even if you didn’t lie, why would you let us believe it? You must give us a reason to believe.” The

voice fell, and many people followed suit.

“Yeah, let’s talk about it.”

“Zhou Tian Yi Shu, it is said to be the most esoteric type of Qimen Dunjia. It has been lost for a long time. Who would you lie to?”

“Hehe...let her make it up.. .”

Phew!

Chapter 2215 In the

face of Tang Qingyun’s questioning and ridicule, Zhou Qin bit his lip tightly, and then slowly said: “The inextinguishable scriptures that I cultivate contain the art of Zhou Tianyishu, and this immortal scripture is hidden in it. It was me and Zhang Jiao who learned the scriptures...” As

he said, Zhou Qin explained in detail how he met Zhang Jiao and how he deceived him at the ancient tomb of Lv Bu.

At the end, Zhou Qin looked around, her delicate face full of shame: “At that time, I wanted to monopolize this stunt, and after I got the formula, I stabbed Zhang Jiao with a sword... who knew he wasn’t dead, He also managed to escape and became Yang Jian’s military advisor...” To

be honest, Zhou Qin was reluctant to tell this unknown fact, after all, it would damage his image, but in order to gain everyone’s trust , can only tell the truth.

What?

In an instant, the entire hall was silent, and everyone’s eyes were looking at Zhou Qin with disgust and contempt.

This woman, Zhou Qin, is too vicious. She lied about Zhang Jiao’s practice, and even killed her.

call!

Even Yue Feng took a deep breath, his emotions surging.

The situation of Zhou Qin in the past was really hot, but fortunately, now that she has reformed, if she is still like before, she really can’t keep her.

“Everyone!”

At this time, Zhou Qin’s face returned to calm, looked around, and slowly said: “Now everyone should believe me, right? I have learned the Sutra of Immortality, and I understand Zhou Tianyishu, which can completely help Alliance Leader Yue deal with Zhang Jiao. .”

Phew!

The voice fell, the whole hall was silent, no one responded, and they were all thinking about it.

“Ha ha!”

At this moment, Tang Qingyun sneered, breaking the silence, and shook his head at Zhou Qin: “Zhou Qin, Zhou Qin, you don’t need to pretend, you said it yourself that you learned your exercises from Zhang Jiao. Here, it is obvious that you are a spy sent by Zhang Jiao. As for you saying that you killed Zhang Jiao with a sword at that time, it is completely made up. Your heart has been pierced, can you still live? It is impossible. You This lie is made up, I don’t believe it...”

“Yes, Tang Baozhu’s analysis is correct.”

“I said this Zhou Qin, why is he so anxious to help, it turns out to be a spy of the enemy army.”

“Too much . Damn, are you playing us like children...”

Many people present glared at Zhou Qin, scolded and scolded him.

Swish!

At this moment, Zhou Qin’s face flushed red, her body trembled with anger, and she was speechless.

She never thought that when she told the situation, instead of winning everyone’s trust, it deepened the misunderstanding.

Seeing this scene, Yue Feng also had an incomparable headache.

“Leader Yue!”

At this moment, Tang Qingyun pleaded at Yue Feng with a sincere expression: “Zhou Qin is a woman with ulterior motives. I beg you to deal with her immediately, and must not be lenient!

” The few people nodded in agreement.

“This woman is so abhorrent. As a person from the Earth Continent, she has tried everything possible to plot against us.”

“In my opinion, no need to talk nonsense, just tied it up...”

“Yes, it’s better to abolish her practice and fight. ” Enter the dungeon.”

At this moment, the entire hall was filled with indignation, and no one sympathized with Zhou Qin. On the contrary, thinking of Zhou Qin’s past actions filled his heart with incomparable disgust and hatred.

Zhou Qin panicked and looked at Yue Feng closely, his eyes full of help.

Yue Feng doesn’t believe in himself, does he?

Yue Feng sat there without speaking, his expression was indifferent, without the slightest fluctuation.

“Everyone be quiet.”

Finally, after a few minutes, Yue Feng took a deep breath and said slowly, “Zhou Qin has already said that she needs to reform herself. I believe her.”

Phew!

Hearing this, Zhou Qinfang’s heart trembled, and she was moved beyond words. At this time, she wanted to rush over and threw herself into Yue Feng’s arms.

He once framed him so much, he didn’t care about himself, and he stood up to speak for himself when he needed help the most.

I have not misunderstood the person from beginning to end, Yue Feng is indeed a real man who stands above the ground.
