

The ultimate husband in Chinese chapter 2321-2330

Chapter 2321 Just

one glance, Yue Wuya clenched his fists instantly, excited and angry.

I saw a figure standing on the back of a giant fool, holding the raised fins tightly with both hands, chasing after something. That man was wearing a monk's robe, but his expression was arrogant. It was Duan Yu.

The thing he was chasing was swimming very fast in the sea water. At first glance, it looked like a fish, but when everyone saw it clearly, all of them opened their mouths and were shocked.

is a girl.

The girl looked sixteen or seventeen years old, with long dark blue hair, a compact and graceful figure, and very special clothes. It was sewn with special pieces of fish scales. From a distance, it really looked like a fish.

"Sea merman?" Long Zang stared blankly at the girl in the water, extremely shocked, and muttered to himself: "I didn't expect that the rumors in the return to the ruins sea area were true, and there really was a sea merman."

call!

The people around were also dumbfounded, unable to speak.

"Big Brother Long!" At this moment, Han Bing reacted and couldn't help asking: "What is a sea merman?"

Long Zang took a deep breath and said slowly: "The sea merman is the guardian of the ancient sea of Guixu. A secret tribe, it is said that thousands of years ago, the tribe moved into the Guixu sea area. Because they live in the sea all the year round, their customs and habits are very different from those of us. Have you seen her clothes? Fish scales It is made, because it looks like a fish from a distance, so it is called a sea shark."

When he said this, Longzang was very excited.

Since becoming a pirate, Long Zang has always heard about the secrets of the Guixu sea area and the legend of the sea merman, but he has never seen it. Today, when he came to the edge of the Guixu sea area, he met a sea merman. .

Made!

At this time, Duan Yu, who was standing on the back of the giant shark, saw Long Zang and Yue Wuya, his expression changed, and he was full of resentment. It's disgusting that these people are chasing after themselves.

The giant shark under Duan Yu's feet was caught in a deep sea a day ago. Duan Yu's water is not good, but with the power of the opening axe, he still said that this giant shark was tamed and became his own sea tool.

This chapter is provided by . Visit for daily update.

“Haha...”

At this moment, Duan Yu gave up the pursuit of the sea shark girl, and laughed loudly at Long Zang and the others: “A bunch of useless pirates actually chased here beyond their ability, sooner or later one day. , I will throw all of you into the sea to feed the fish.” His

expression was arrogant and arrogant.

Swish.

Long Zang's fiery temper was instantly enraged. He clenched his blue long knife and said to Yue Wuya, “Little brother, just go with that sea shark girl. I'll deal with this stinky monk.

” Zang burst out, jumped into the sky, and came directly to Duan Yu.

“Brother Longzang, be careful.” Yue Wuya shouted, jumped directly into the water, and rescued the sea shark girl.

The girl was very frightened, but when she sensed that Yue Wuya was not hostile, she relaxed her vigilance, but when she got to the deck, her body was still trembling, and she looked very cautious.

“What's your name? Why are you being hunted down by that person?” Yue Wuya asked softly in a gentle tone.

Swish.

At this moment, everyone around them gathered on the girl, and they were all extremely curious and deeply attracted at the same time.

Beautiful, so beautiful.

The facial features are exquisite, and the body is compact and charming, especially the clothes sewn with fish scales, which fit tightly and perfectly set off her figure. Fa, it is simply a fairy descending to earth, a princess in the sea.

Being watched by so many people, most of them were pirates, the girl felt uncomfortable.

After a few seconds, the girl calmed down and said gratefully to Yue Wuya: "Thank you, my name is Hai Ling'er, the princess of the sea shark clan, I came out to play today, and when the bad guy saw it, he kept chasing me. "

Chapter 2322

Hiss!

Hearing this, there was exclamation all around.

She is really a princess, no wonder she is so beautiful.

Yue Wuya was also deeply attracted by Hai Ling'er. He couldn't help but glance at it a few more times before smiling: "Don't be afraid, with us here, you are safe." After

speaking, Yue Wuya looked not far away . .

At this time, Long Zang and Duan Yu had already started a fierce fight.

Bang bang bang...

A burst of internal force vibrations kept coming, Long Zang's face was full of anger. He had suffered a disastrous defeat under Duan Yu before, which was regarded as a great shame. This time, he must regain his face.

Long Zang claims to be the king of the sea, fighting fiercely at sea, and he thinks that no one in the world is invincible, even if Duan Yu has an axe, he can suppress him.

But Duan Yu, relying on the giant shark under his feet, did not panic at all. Instead of being suppressed by Long Zang, he gradually occupied the upper peak.

During the fierce battle, the two unknowingly approached the huge vortex rapids not far away.

"Big Brother Long!"

Seeing this scene, Yue Wuya was a little worried, and he couldn't help but say, "Be careful, don't fight anymore, come back quickly." He saved the princess of the sea shark clan, so you don't have to worry about this dangerous sea area .

After all, the sea sharks have been guarding here for thousands of years, and with Hai Ling'er's help, they will definitely be able to successfully capture Duan Yu. In this case, there is no need for Long Zang to stalk Duan Yu.

However, Long Zang was angry, as if he hadn't heard Yue Wuya's words.

Seeing that, Long Zang and Duan Yu were getting closer and closer to the whirlpool rapids.

Under the huge suction and pulling force of the vortex rapids, Duan Yu was able to maintain flexibility by relying on the giant shark, but Long Zang was in danger.

Bang!

Finally, Duan Yu found the opportunity and slashed with the opening axe. Long Zang didn't dare to meet him, so he could only try to dodge. Son.

"Big Brother Longzang!"

"Leader!"

Seeing this scene, Yue Wuya, Han Bing and everyone were shocked and couldn't help exclaiming.

Many pirates have tears in their eyes and are very sad.

"The leader is... dead?"

Yue Wuya and Han Bing were also heartbroken. They never thought that Long Zang, who was traversing the sea, would be defeated by Duan Yu like this, and he was also involved in a huge vortex. middle.

Hahaha...

Duan Yu stood on the back of the giant shark, and laughed loudly: "A defeated general who is out of his own hands, dares to shoot at me, this is the end."

After speaking, Duan Yu's eyes fell on Yue Wuya. , sneered: "Boy, I'm in a good mood today, so I'll let you go for a while, we'll have a future." The voice fell, Duan Yu's face was full of pride, and he rode the giant shark towards the distance.

Duan Yu is ruthless, and it is impossible to let Yue Wuya go easily. It was just a few days ago that the fierce battle has not fully recovered Duan Yu's internal strength. He fought against Long Zang just now, which has consumed a lot, and Yue Wuya has an overlord in his hands. The hammer should not be taken lightly, so Duan Yu decided to leave temporarily after weighing the pros and cons.

Click.

Yue Wuya clenched his fists tightly, looking at the direction Duan Yu was leaving, his eyes were blood red.

He wanted to catch up and kill Duan Yu on the spot, but the vortex rapids were too dangerous. Duan Yu was fine with the giant shark, but he couldn't.

“Brother Longzang.”

The next second, Yue Wuya knelt down in the direction where Long Zang was engulfed by the vortex, and shouted with tears in his eyes: “Don't worry, I will definitely avenge you. If I don't kill Duan Yu, I swear not to be a human being.

”

Many pirates around were also mourning.

At this moment, Xue Luo Siyan suddenly came out, knelt down in front of Yue Wuya in public, and said in unison: “My subordinate Xue Luo Siyan, I implore Young Master Yue to be our new leader!

” Yan Xin is arrogant and arrogant. If it was before, he would not recommend Yue Wuya, but Long Zang is dead, and a new leader must be elected. Although Yue Wuya is young, he has the Overlord Hammer and is powerful. More importantly, he is the son of Yue Wuya, who is famous for moving Jiuzhou. It is most suitable for him to be the leader.

“See the leader!”

In an instant, nearly a thousand ships knelt down in an instant.

Chapter 2323

Long Zang and Yue Wuya are brothers, and they highly respect him. If he doesn't become a leader, who is qualified?

However!

But there was a person standing there proudly, not moving. Looking at Yue Wuya coldly, with a sneer on the corner of his mouth, he was very unconvinced.

This person's name is Ye Hong. He is Long Zang's right-hand man. He is powerful. It can be said that among the blood sharks, his status is higher than that of Blood Luo Siyan.

After Long Zang died, he should be the leader in terms of qualifications. Seeing that everyone recommended Yue Wuya, he was immediately dissatisfied. Ye Hong looked around and said

coldly: "This sea area is very dangerous, we should stay away, and then discuss the leader, but you are so easy to hand over the blood shark to an outsider!"

Zhu Yue Wuya: "Boy, how many days have you been in the blood shark? What ability do you have to be the leader?"

Wow!

As soon as these words came out, everyone looked at each other and talked a lot!

Yue Wuya looked at him indifferently: "I don't think I am qualified either. According to you, what will everyone do next?"

Yes, Yue Wuya didn't want to be the leader of the blood shark, after all, this is a pirate.

"In my opinion, leave here first, give up the pursuit of that monk, and then elect a new leader." Ye Hong said coldly.

Yue Wuya frowned: "You don't want to take revenge for Long Zang?" "You have to take revenge

, but you must save your strength first. The dragon leader was buried in the sea because he was too conceited." Ye Hong responded, but his eyes Flickering complex.

Yes, Ye Hong didn't think about taking revenge on Long Zang, but only thinking about how to deceive everyone's trust so that he could take the position of leader.

Ha ha!

Yue Wuya saw Ye Hong's expression in his eyes, and sneered: "What is the preservation of strength, you are just a simple person, let me tell you, I am not interested in your leader position, but now, I sit it 's settled!" "Okay, very good..." Ye Hong's eyes locked on Yue Wuya

, his face full of disdain: "I want to see, what skills do you have other than the Overlord Hammer?"

With gloomy eyes, Hong rushed over and suddenly slapped Yue Wuya!

At the same time, he said coldly, "If you don't need the Overlord's Hammer and can catch my palm, I will recognize you as the leader!"

Seeing this scene, everyone was stunned!

No one expected that Ye Hong would suddenly take action!

You must know that Ye Hong's strength is second only to Longzang, the realm of the fifth-stage Martial Emperor, and Yue Wuya is still young. Although his strength is also strong, the biggest reliance is the Overlord's Hammer. Without the Overlord's Hammer, and Ye Hong In the competition, the winning rate is greatly reduced.

"Brother, be careful!"

Seeing this scene, Han Bing couldn't help but let out a low cry, and Hai Ling'er beside her was also sweating for Yue Wuya.

"Okay!"

Seeing Ye Hong burst out, Yue Wuya was not afraid at all, he was so angry in his dantian, he raised his hand and gave him a head-to-head slap!

"Touch!" The

palms of the two were facing each other, Ye Hong only felt a strong force coming, and staggered back a few steps! There was blood oozing from the corner of his mouth.

Obviously, this palm, Yue Wuya has the upper hand. Although young, Yue Wuya used to be the prince of Apocalypse Continent, and took a lot of heaven and earth treasures, and then followed Yang Jian to conquer the Quartet. He has rich experience in facing the enemy and is no weaker than Ye Hong.

This...

Ye Hong only felt chest tightness and shortness of breath, qi and blood in his body were churning, and he glared at Yue Wuya. He never thought that the other party didn't use the Overlord Hammer, and he was not an opponent.

At this moment, Yue Wuya's face was cold, he quickly walked over to charge, slapped Ye Hong's face with a slap!

"Crack!"

With this slap, Yue Wuya used all his strength! I saw Ye Hong's body, flying more than a hundred meters away, fell on the bow of a boat, and spit out several mouthfuls of blood.

Yue Wuya was very angry, Long Zang was very good to Ye Hong, but when Long Zang died, Ye Hong was not in a hurry to take revenge, but thought about how to take the position of the leader. It would be a pity to kill such an unfaithful person.

call!

Seeing this scene, everyone around was slightly moved!

I really did not see the wrong person, this Yue Wuya really has the demeanor of being a leader.

Chapter 2324

Click!

Yue Wuya's expression was cold, he summoned the Overlord Hammer and shook hands tightly, and walked towards Ye Hong step by step: "So unfaithful and unrighteous, you should go down and accompany Big Brother Longzang."

Gudong!

Ye Hong was full of cold sweat, feeling the killing intent on Yue Wuya, and instantly lost his previous arrogance. He quickly knelt down and said in fear: "Leader, forgive me, I was so offended just now, please give me a chance..."

At this time, Ye Hong wanted to cry without tears. I thought I could take this opportunity to take the position of the leader, but I didn't expect that I almost took my life in it.

Yue Wuya breathed a sigh of relief and said lightly: "Okay, I'll give you a chance, I hope you can take this as a warning. Next time, I won't forgive me lightly." To

be honest, Yue Wuya really wanted to immediately Killed Ye Hong, but he just sat on the leader of the blood shark, but now he is in the return to the ruins waters, the surrounding crisis is everywhere, it is the time of employing people, killing him is not a wise choice, let him make up for it.

Huh..

Hearing this, Ye Hong wiped the cold sweat off his forehead, and said with gratitude, "Thank you for not killing the leader." The

voice fell, Ye Hong stood up, and respectfully stepped aside, no more Nonsense.

Yue Wuya looked around and instructed: "Everyone take a break, and then prepare to enter the depths of the Returning Ruins Sea." Yue Wuya firmly believed that Long Zang

was involved in the vortex and rapids, and it was very likely that he would not die, so he decided to Enter the depths of the Returning Market Sea to explore.

“Yes, chief.” Xue Luo Siyan and Zhong Pirates responded in unison!

“Benefactor!”

At this moment, Hai Ling'er came over, looked at Yue Wuya and said softly: “Are you going to enter the depths of the Returning Market Sea? I am familiar with the environment here and can show you the way.”

His tone was soft and with unparalleled sincerity.

Great!

Yue Wuya was overjoyed and couldn't help holding Hai Ling'er's hand: “Then thank you very much.”

Being held by Yue Wuya, Hai Ling'er's beautiful face turned red all of a sudden, she wanted to struggle, but she couldn't. Excuse me.

Realizing that he was a little abrupt, Yue Wuya was very embarrassed and released his hand: “I'm sorry. I ordered someone to prepare a cabin for you, so you can rest well,”

Hai Linger responded and entered the cabin to rest.

At this moment, Yue Wuya looked at Hai Ling'er's back, unable to calm down for a long time.

In Yue Wuya's heart, in the world, mother, aunt Ren Yingying, and sister Han Bing are the most beautiful women, but she never thought that in this vast sea, she could meet such a fairy-like existence. .

puff.

Seeing this scene, Han Bing came over and couldn't help laughing: “Brother, if you like this Hai Ling'er, just confess it quickly. When the family returns to the sea shark clan, it will be too late to regret it.”

Bing Bingxue is smart, It was obvious at a glance that Yue Wuya was deeply attracted by Hai Linger. As a younger sister, she naturally wanted to support her.

“I... how can I have it?” Yue Wuya's face flushed and he hesitated. But thinking of Hai Ling'er's beautiful figure, a throbbing rose in her heart.

Han Bing pursed his lips and smiled, and said nothing more.

.....

Zhongyuan Continent, on a river bank dozens of miles away from Tianzhong City. A man was lying there all wet, unconscious.

It was Yue Feng.

Yue Feng was knocked off the hillside by Gonggong, fell into the river, drifted with the current, and was washed dozens of miles away.

Yue Feng did not know how long he had been in a coma, as if he had had a long dream.

call!

Finally, Yue Feng woke up, only to feel his brain bursting.

Chapter 2325

The moment he opened his eyes, Yue Feng saw the surrounding woods were dense and the river was rushing in front of him.

Nima's, this despicable and shameless Zhang Jiao is too ruthless.

Cursing inwardly, Yue Feng wanted to stand up, but found that his body was limp and had no strength at all.

What shocked Yue Feng even more was that his dantian disappeared without a trace, and there was nothing left. When he found this, Yue Feng's brain was like a thunderbolt, and when he was shocked, he was indescribably anxious.

It's over... After a few minutes, Yue Feng reacted and his heart sank.

When he was attacked by Zhang Jiao, he was already at the bottleneck period of breaking through, but at that time, he first inhaled the Bone-Breaking and Tendon-breaking Pill, and was hit hard by Zhang Jiao. As a result, he failed to break through and lost all his inner strength.

Do not! You can't be without inner strength.

He had taken so many elixir, treasures from heaven and earth, and a physique that was invulnerable to all poisons, and his inner strength would definitely come back.

Thinking to himself, Yue Feng quickly sat down and tried to practice.

A minute passed.

Two minutes passed.

Half an hour passed in a blink of an eye, and what made Yue Feng extremely disappointed was that there was no reaction at all in his dantian.

At this moment, Yue Feng's heart sank to the bottom.

Have you become a jerk from now on?

At this time, Yue Feng was extremely sad and angry, thinking about the situation in the Primal Chaos Mountains, Yue Feng took a rest, and then started to go on the road.

Brother Wen, the Great Sage, and Ren Yingying are already in the Chaos Mountains. They will rush over first, meet them and then make plans.

....

on the other side! Chaos Mountains.

The Chaos Mountains, located on the border of Kyushu, are a natural barrier to block the wild and strange realms. The original environment was relatively harsh, and today, the sky is even more gloomy and scary.

Over the Chaos Mountains, dark clouds are rolling, filled with volcanic ash, accompanied by thunder and lightning, as if the world is ending.

At the foot of the mountain, in the open space a few hundred meters away from Lingyin Temple, a lot of people gathered, it can be said to be a sea of people!

Visions continued to spread from the other side of the Chaos Mountains. The news spread, and forces from all continents sent people to come, dozens of sects, adding up to hundreds of thousands of people, the scene was extremely grand!

Looking from a distance, I saw many familiar figures, Tianmen, Ouyang family, Huaguoshan, and various sects in the Earth Circle Continent, Danzong, Wenzong, and Jianzong in Dongao Continent, led by Long Qianyu in Nanyun Continent. The Royal Imperial Forest Army, the Xi Cang Army, and the various sects of the Xi Cang Continent.

In addition, there are Famous Sword Villa in the Yellow Sea Continent, Yu Wenyan in Xiyan Pavilion, the sisters of Yuwen Ji, and the Dugu Family in Zhongyuan Continent, etc.

Of course, Moroye leads the monks of Lingyin Temple. , also in the crowd.

The crisis in the nine continents is approaching, and the forces of all parties dare not neglect, so many sects, gathered together, can be said to be an unprecedented union in the history of the nine continents!

On the hillside not far away, there was another hundreds of thousands of troops. The prestige was strong, and the leader was a man dressed in golden armor, arrogant and arrogant, and there was a big black dog by his side, it was Yang Jian.

After learning that Yue Feng was successfully assassinated, Yang Jian was overjoyed. After rewarding Gonggong and Zhang Jiao, he immediately led the army to the Chaos Mountains.

At this time, Yang Jian's handsome face was full of smiles.

Yue Feng is dead, and he has no worries. Next, he only needs to lead the crowd to defeat the Rakshasa clan, and he will be the well-deserved Supreme Lord of Kyushu, and be supported by the world.

Behind Yang Jian, Zhang Jiao, Gonggong, and many powerful generals stood there quietly.

At this time, Gonggong was wearing a long white dress, which set off a tight curve, and the beauty was indescribable. However, there was a trace of lingering melancholy between his brows.

Yes, after cooperating with Zhang Jiao to raid Yue Feng, Gonggong felt guilty all the time.

Although he didn't use his internal strength at that time, Yue Feng was beaten down the hillside by himself, and he died and died, and he couldn't get rid of himself.

The ultimate husband in Chinese chapter 2326-2330

Chapter 2326

"Everyone!" At this time, Yang Jian was suspended in mid-air, looking at the powerhouses of various continents, and said with a smile: "Everyone thinks about the safety of Kyushu, and can gather here to resist the coming Rakshasa clan, I, Yang Jian, are very happy. It is admiration, before the war comes, I hope everyone can unite as one and wait for the dispatch of my commander Zhang Jiao, only in this way can we be invincible!" The

voice fell, Zhang Jiao rose into the air, and looked down on the audience.

Yue Feng is dead, and there is no one else who is qualified to command the crowd, except Zhang Jiao.

hiss!

Feeling Yang Jian's breath, many people present gasped for air.

Unfathomable strength! Strong...too strong!

As expected of the true Monarch Erlang, who has been honored by the world for thousands of years.

However, under the shock, none of the powers of the major roads stood up to express it.

"Yang Jian!"

At this moment, Sun Dasheng came out, looked at Yang Jian and said, "It's too early for you to let everyone obey Zhang Jiao's command before Yue Feng arrives." The

voice fell, and many people nodded in agreement.

"Yeah, when it comes to the ability to arrange troops, Yue Feng is not inferior to Zhang Jiao!"

"Yes, Yue Feng hasn't arrived yet, so don't be in a hurry."

Everyone present, except Beiyang Continent, everyone agreed with Yue Feng. With a deep friendship, it is natural to hope that Yue Feng can command everyone, not Zhang Jiao.

More importantly, although Zhang Jiao is resourceful, he is too cruel.

This chapter is provided by . Visit for daily update.

Hearing everyone's discussion, Yang Jian frowned secretly. This Yue Feng was already dead, but he never expected that his influence on various continents would be so far-reaching.

Zhang Jiao's face is extremely ugly, these people are ignoring him?

Hahaha...

Finally, Yang Jian reacted and couldn't help laughing: "You want to follow Yue Feng's command, yes, but have you ever thought about it, the Chaos Mountains in front of you, the situation is critical, there is no time to delay, if the Rakshasa clan fights Come here, Yue Feng hasn't appeared yet, so you have to wait?"

Yang Jian naturally wouldn't say about the secretly sending someone to assassinate Yue Feng, anyway, Yue Feng is dead, and there is no proof of death, the most important thing now is to win people's hearts .

call!

Hearing this, Sun Dasheng, Wen Chou Chou, and even everyone fell silent, and at the same time, everyone was extremely surprised.

Yes, what's up with Yue Feng?

Why hasn't it come yet?

At this moment, Dugu Hongyu thought of something and looked at Gonggong: "Your Excellency Gong, weren't you and Yue Feng together at that time? Why are you here and Yue Feng is not here?"

Shuh!

The voice fell, Wen Chou Chou, Sun Dasheng, and even the eyes of many strong people all converged on Gong Gong.

what happened? Yue Feng was with Gonggong? How do you not know.

Suddenly being noticed by everyone, Gong Gong's delicate body trembled, and he couldn't help but feel a little flustered.

At the same time, Yang Jian and Zhang Jiao's eyes were also flickering, secretly anxious, broken, if Gonggong's answer was a little careless, Yue Feng's assassination would be exposed.

"I..."

Finally, Gong Gong reacted and said slowly: "I came to the Chaos Mountains at that time, and Yue Feng, who I met on the way, learned that he was going to convince the Dugu family, so he stopped by."

Saying that, Gonggong looked around and continued: "After leaving Tianzhong City, where the Dugu family is located, Yue Feng said that he had other things to do, so we separated."

At this time, Gonggong was deeply complicated . Incomparably, she doesn't want to lie, but she also knows that if she tells the truth, Yang Jian will not only not let herself go, but will also turn against the road.

Hearing this, Wen Chou Chou and everyone had no doubts. Just more suspicious.

Does Yue Feng have other things to do? What is more important than the Chaos Mountains?

“Look over there, someone is coming!”

However, at this time, someone shouted, and all eyes were on the mountain road in the distance, and they saw a tired and weak figure. , is coming step by step.

It was Yue Feng.

At this time, Yue Feng was full of wind and dust, his face was pale, very weak, and his legs were limping.

Chapter 2327

Not bad, Yue Feng had no inner strength, and he came over from Zhongyuan Continent after hardships.

“Yue Feng...”

At this moment, Wen Chou Chou, Sun Dasheng, Ren Yingying, and even the people around were overjoyed and greeted them one after another.

Especially Ren Yingying and Xiao Yuruo were so excited that they fell into Yue Feng’s arms.

What?

Seeing this scene, Yang Jian shuddered, his brain buzzed, and he was furious.

This... Yue Feng is not dead?

Zhang Jiao also widened his eyes, his face full of incredulity. How can it be? This kid was hit by his own tendon and bone-breaking pill, and was beaten down the hillside by Gonggong. It is impossible for him to be alive.

Gonggong’s body trembled, unable to tell whether he was happy or delighted, and stared at Yue Feng blankly, unable to speak for a long time.

“Yue Feng!” At this moment, Wen Chou Chou clearly felt that Yue Feng was extremely weak and had no inner strength. He was shocked: ” Fengzi

? What happened? What about your inner strength?”

He also looked at Yue Feng closely, shocked.

They also felt that Yue Feng's internal strength was gone, and now he is no doubt like ordinary people.

Especially Sun Dasheng, he suddenly pulled out his double axe and shouted: "Fengzi, have you been raided by someone, tell me quickly, brother will avenge you." The voice fell, and many people around followed him.

"Yes, everyone is angry with you."

"Who made you look like this?"

Yue Feng did not respond, his eyes slowly swept across Yang Jian, Zhang Jiao, and Gong Gong.

To be honest, Yue Feng was full of grief and anger at this time, and when he saw Yang Jian, he was even more angry. Yang Jian, a hypocrite, pretended to resist the Rakshasa together, but secretly sent someone to assassinate him.

Now I have lost everything inside myself.

Yang Jian and Zhang Jiao also looked at Yue Feng closely, with gloomy eyes flashing in their eyes.

Especially Yang Jian, holding the three-pointed two-edged sword tightly, silently mobilizing his inner strength, with a gesture of making a shot at any time. Yang Jian thought about it, as long as Yue Feng identified himself, he would kill him without hesitation.

Anyway, if the plan is revealed, there is nothing to worry about.

call!

A few seconds later, under the indignant questioning of everyone, Yue Feng took a deep breath and said with a wry smile: "Don't get excited, I was about to break through before, but I failed, and it became like this."

When he said this, Yue Feng glanced at Yang Jian, and was filled with grief and indignation.

To be honest, Yue Feng really wanted to tell the truth, but he saw that there were constant visions on the Primal Chaos Mountain Range, and the Rakshasa tribe was likely to climb over the Primal Chaos Mountain Range and attack at any time.

If he tells the truth, Wen Chou Chou, Sun Dasheng and Dalu will definitely avenge himself and fight with Yang Jian. When the situation is chaotic, how can they stop the Rakshasa clan? How to protect the people of the Kyushu mainland?

Yue Feng's heart is in Kyushu. Compared with the safety of the people of Kyushu, it is nothing to be wronged.

It was so!

Hearing this, everyone nodded suddenly and looked at Yue Feng with sympathy in their eyes.

It is indeed very difficult to break through the realm of the Martial Emperor.

"Yue Feng, let me take you to have a good rest." Ren Yingying hugged Yue Feng's arm, and said very distressedly: "Your current state is too bad."

The camps of the major road forces are located in the woods not far away. Ren Yingying felt sorry for Yue Feng, and just wanted to take good care of him at this time.

At the same time, Xiao Yuruo and the little fairy Erqing also came over and supported Yue Feng, their faces full of worry.

Um!

Yue Feng nodded, he came all the way from Zhongyuan Continent, and he was really exhausted.

But before going to the camp to rest, Yue Feng did not forget to explain to Wen Chou Chou and others: "When I was resting, if the Rakshasa clan attacked, you must not mess up, you must unite and cooperate with each other."

"Don't worry! Wen Chou Chou smiled and comforted: "You have a good rest, we are still waiting for you to command."

Chapter 2328

Yue Feng nodded, and under the watchful eyes of everyone, he was supported by several Ren Yingying and went to the camp to rest.

call!

Seeing this, Yang Jian secretly let out a sigh of relief, and slowly loosened his clenched hands.

This boy Yue Feng is quite clever, and he didn't tell the truth in order to protect himself.

the other side.

After entering the camp, Yue Feng lay on the bed under the services of Ren Yingying. ”
Yue

Feng!” Ren Yingying frowned slightly, and couldn’t help but ask softly, “You lied just now, it’s not because you failed to break through that you became like this, right?”

Among them, Ren Yingying is smart, wise, and thoughtful, and at a glance, it can be seen that what Yue Feng said is not the truth.

He has a physique that is invulnerable to all poisons, and he has taken so many treasures from heaven and earth. It is not difficult to break through the calamity realm.

There must be a secret in this.

Swish!

At this moment, Er Qing, Xiao Yuruo, and Zhou Qin all looked closely at Yue Feng, waiting for his answer.

Yue Feng took a deep breath and looked at Ren Yingying with a wry smile. As expected of my Yingying, she guessed it at once.

The next second, Yue Feng said slowly, “Yes, but I can’t tell you for the time being. I’ll tell you when I recover my skills.” Yang Jian’s strength is tyrannical. If he tells the truth, even if everyone unites, they are not opponents. So, let’s hold back for now.

Seeing that he didn’t say anything, Ren Yingying didn’t force it, she was with Zhou Qin and took care of her carefully.

After a while, Yue Feng fell asleep.

When he woke up again, he saw that it was already dark outside, and Ren Yingying was still standing by. Yue Feng was indescribably moved that he could have so many confidantes, it was worth it in this life.

Rumble.

At this moment, I heard a roar in the direction of the Chaos Mountain Range, and the movement was so great that the ground shook.

Yue Feng hurriedly sat up and was alert: “Did the Rakshasa clan call?”

Ren Yingying smiled lightly and comforted: “No, this is a vision, we have been here for a day, this kind of movement, see It ‘s been many times.” As the words

fell, Er Qing nodded and comforted Yue Feng at the same time.

“Yue Feng, you have a good rest.”

“Yes, there are people from various continents watching over the Chaos Mountains. There will be no problem.”

Hearing this, Yue Feng nodded, but he was still a little worried, he said with a smile :
“Okay, leave me alone, and hurry up and defend with everyone. I’m almost resting now, you don’t have to take care of me all the time.”

This...

Ren Yingying and Er Qing were a little hesitant, but Seeing Yue Feng’s serious face, he nodded and walked out one after another.

Try again and see if you can restore your inner strength.

Just after Ren Yingying left, Yue Feng sat up cross-legged, closed his eyes, and tried to practice again.

The result was the same as before, Dantian didn’t move at all.

Now Yue Feng is in a hurry.

Shasha...

And at this moment, there was a sound of footsteps outside, very light.

Yue Feng frowned, looked over immediately, and saw a slender figure walking in slowly, with a tight and sexy body and a beautiful face.

Chapter 2329

is Yu Wenyan who had some grudges in the Yellow Sea Continent before.

“It’s you!” Seeing Yu Wenyan, Yue Feng showed a smile: “Are you here to visit me? It’s really touching.”

This Yu Wenyan is the leader of the Phantom Sound Sect in the Yellow Sea Continent, and the Lord of Xiyan Pavilion. , detached status, extremely cold, Yue Feng offended several times at that time, and even finally forced Yu Wenyan to admit that she was his wife in the sword casting pool of Mingjian Villa.

In Yue Feng’s heart, Yu Wenyan was arrogant and arrogant, and she must have hated herself very much, but she did not expect that she not only knew the righteousness, but

came to the Chaos Mountains to defend against the Rakshasa clan, and came to visit her at this time regardless of her previous suspicions.

“Don’t put gold on your face, who will come to see you? I’m here to see if you’re dead!” Yu Wenyan blushed and said angrily.

The voice fell, Yu Wenyan took a step forward, stretched out his hand without warning, and tapped Yue Feng’s acupuncture point!

Yue Feng had no inner strength, so he didn’t have time to dodge. He couldn’t move in an instant. He looked at her in surprise: “You..”

“You bastard, I didn’t expect to have a day in my hands, right?” Yuwen Yan said coldly: “Don’t think that I have forgotten what you did to me before!”

Yes, Yu Wenyan came here not to visit Yue Feng, but to teach Yue Feng a lesson. At that time, in the Yellow Sea Continent, Yu Wenyan was humiliated several times by Yue. Yu Wenyan regarded these things as a humiliation and would never forget them in his life.

It’s just that Yue Feng is too strong, and Yu Wenyan wants to take revenge, but he is powerless. Now, Yue Feng’s breakthrough has failed and he has become a waste. Yu Wenyan will naturally not miss such a good opportunity.

When it was dark, Yu Wenyan rushed over quietly, but at that time several of Ren Yingying were there. Just now, seeing several of Ren Yingying leaving, Yu Wenyan broke in directly.

What the hell!

Feeling Yu Wenyan’s anger, Yue Feng didn’t know whether to laugh or cry: “Yu Wenyan, at the sword-casting pool in Mingjian Villa at that time, the situation forced you to call me husband as a last resort. There is no need to hold grudges until now, right?”

“You still said ?” Yuwen stomped his feet arrogantly, and when he thought of the scene at that time, his face turned red.

In the next second, Yu Wenyan stopped talking nonsense, raised his hand with a palm, knocked Yue Feng unconscious, and then took Yue Feng away from the camp. Finally, a cave was found more than ten kilometers away from the Chaos Mountains.

I don’t know how long I was in a coma, but Yue Feng finally woke up.

Nima!

The moment he opened his eyes, Yue Feng found himself tied up by five flowers, and couldn't help but cursed in his heart.

Immediately seeing the environment in front of him, Yue Feng was stunned.

He saw that he was in a cave, the air was humid, and the sound of running water could be faintly heard in the depths of the cave. After looking around, Yue Feng's eyes fell on Yu Wenyan in front of him.

Yu Wenyan was sitting on a stone, lighting a bonfire in front of him, and under the reflection of the fire, he was indescribably sexy and charming.

Seeing Yue Feng staring at him tightly, Yu Wenyan smiled slightly, stood up from the sofa, and walked slowly to Yue Feng.

The slender waist and slender legs were so close together that Yue Feng couldn't help but twitch his Adam's apple.

"Yuwenyan, what are you doing?" Yue Feng couldn't help laughing and said, "Don't you like me and want to elope with me?"

Papapa!

As soon as he finished speaking, Yu Wenyan stretched out his jade hand and struck Yue Feng's face a few times as fast as lightning.

"The dog's legs can't spit out ivory. If you talk nonsense, I'll cut your tongue."

Sighing, Yue Feng sighed: "Yuwenyan, now the Rakshasa clan is about to cross the Chaos Mountains, the situation is critical, we are allies now, we should unite, but you arrest me, isn't it a bit inappropriate?"

Yu Wenyan chuckled, looked at Yue Feng and said, "Unity? You are now a waste, how can you resist the Rakshasa clan? Even if I kill you now, I guess not many people will be distressed, right?"

Yue Feng was very helpless, said with a wry smile: "Okay, but I guess, you arrest me not just to vent your anger, right?"

Yu Wenyan frowned and looked at Yue Feng: "You are smart!" After

saying that, Yu Wenyan picked up Linglong Pagoda, said slowly: "It is said that this pagoda is a rare treasure in the world. There are many ancient powerhouses trapped in it. If you tell me how to use it, I will spare you." When Linglong Pagoda was not in use, it was reduced to the smallest by Yue Feng. look, worn around the neck.

When Yue Feng was in a coma just now, Yu Wenyan took it down when he saw it, and after researching it for a while, he couldn't find the trick.

Chapter 2330

Nima!

Seeing the Linglong Pagoda, Yue Feng was shocked and furious.

However, his face was still very calm, he smiled and said: "Yu Wenyan, this is Linglong Pagoda, it's a small ornament I wear, the real Linglong Pagoda, it's in the camp, you take me back, I Bring it to you."

His face was indifferent, but Yue Feng was secretly anxious in his heart.

Since he lost his inner strength, his connection with Linglong Pagoda also disappeared, that is to say, now Yue Feng can't use Linglong Pagoda for the time being, and let out the powerhouses inside to help.

But after all, this is a treasure in the world, how could it be possible to give Yu Wenyan his beloved thing?

"Don't lie to me, is it Linglong Pagoda, so I won't recognize it? Are you going to tell me or not?" Yuwen was arrogant and looked at him coldly.

The atmosphere in the room also instantly became depressed and dull.

call!

Yue Feng took a deep breath, looked directly into Yu Wenyan's eyes, and said with a smile: "Oh, maybe I remembered it wrong, this is indeed the real Linglong Pagoda, it's just the spell that was turned on, why can't I remember it? No, you give me acupuncture points, let me have a good rest, maybe I can remember."

Whoa...

just after the voice fell, Yu Wenyan's face sank, he raised a water next to him, and splashed Yue Feng's face. The water is the spring water in the cave, cold to the bone.

Nima...

Yue Feng couldn't help but shivered and cursed inwardly. There was some fire, but the acupoints on his body were punctured, so he couldn't resist at all.

In the next second, Yue Feng showed a smile, endured his anger and said, "Yuwenyan, I really can't remember, even if you want Linglong Tower, you have to have an attitude, isn't it too inappropriate to treat me like this? already?"

Yu Wenyan sneered: "Don't laugh at me, the secret of Linglong Tower, don't you tell me, okay, I have a way for you to tell me." After speaking

, Yu Wenyan took out a soft whip from his body and saw This soft whip was blood red. It was made from the skin of a blood python that Yu Wenyan killed a few years ago. It was extremely tough.

Nima, this woman is really cruel.

Seeing the soft whip in Yu Wenyan's hand, Yue Feng's expression changed: "Yu Wenyan, don't go too far. Before I, didn't I just force you to call me husband, so let me call you lady, let's The two are cleared."

"Shut up?"

Yuwen's arrogant face flushed red, holding a soft whip in his hand, his eyes were full of shame and anger: "When death is imminent, you are still glib and open-mouthed, you have destroyed my life before. Plan, and humiliated me several times, how can I easily spare you." The

voice fell, and the soft whip in his hand was thrown away!

Snapped!

Just a moment, Yue Feng's shoulders suddenly burst into flesh, and the blood soaked his clothes in an instant!

Nima, are you serious? !

Really, without the pure yang internal force to protect the body, the muscles on half of Yue Feng's body twitched due to severe pain, and his eyes were instantly bloodshot, but Yue Feng clenched his teeth tightly, but he didn't cry out.

"Yu Wenyan, I was wrong. I shouldn't have offended you before. Let's balance our grievances and look directly at Linglong Tower. I can't give it to you." Yue Feng took a deep breath and said coldly.

Yu Wenyan laughed and looked at Yue Feng with great interest: "Yue Feng, you are really stubborn, it's already this time, you still refuse to let go, your life is more important than Linglong Pagoda? Besides, you have a relationship with you now. Am I qualified to negotiate?"

After saying this, Yu Wenyan raised the whip in his hand again and threw it on Yue Feng.

Snapped! Snapped! Snapped!

I threw a dozen whips in a row, and every whip made a crisp sound! At first, Yue Feng was able to grit his teeth and endure it, but in the end he couldn't bear it anymore, so he shouted loudly: “

Yuwenyan, you...” He wanted to scold him, but found that he was struggling to speak!

What the hell!
