

The ultimate husband in Chinese chapter 2366-2370

Chapter 2366

Tang Qingyun didn't understand until he died, Duan Yu was cruel and arrogant, how could he really take him away.

"What's the situation?"

Hearing the movement, Yue Wuya and Han Bing quickly walked out of the cabin. Seeing the chaos outside, Yue Wuya frowned and his face was very ugly.

"The leader, Tang Qingyun, stole the treasure." The pirate next to him quickly said.

What?

Yue Wuya was startled, his anger was unforgivable, he hurriedly thought about the sea area in front of him and looked at it, and was immediately stunned.

I saw that Tang Qingyun was shot to death on the boat by random arrows, and on the farther sea, a giant shark was carrying a figure, heading towards the distance.

It was Duan Yu!

On the back of the giant shark behind Duan Yu, there was a huge stone box.

"How could this be?"

Seeing this situation, Han Bing was also anxious and angry, and couldn't help stamping his feet: "This Tang Qingyun is too hateful, we spared his life on Coral Island, he is not grateful, but has evil intentions. , to collude with Duan Yu..."

Yue Wuya looked very ugly, glanced at Tang Qingyun's corpse, and said coldly: "Such a despicable villain, who died under the arrows, can be regarded as the sky has eyes, sister, You and Xueluo Siyan, be optimistic about the fleet, and I will go after Duan Yu." When the

voice fell, Yue Wuya summoned the Overlord Hammer, held it tightly, and his inner strength urged him to fly away to pursue Duan Yu.

"Brother."

At this critical moment, Han Bing hurriedly shouted and stopped: "Brother, don't be impulsive, that Duan Yu is very cunning. If you catch up alone, I'm afraid you will suffer."

Duan Yu is ruthless, although brother Formidable, and not an opponent, how can I watch him take risks.

“However, that treasure was guarded by the sea sharks for thousands of years. It was lost like this. It’s really...” Yue Wuya said very anxiously. Just halfway through, he suddenly thought of something and looked at Han Bing. At a glance, his face changed.

The treasure has always been guarded by Hai Linger, and now the treasure has been snatched by Duan Yu, then Hai Linger...

Thinking of this, Yue Wuya did not hesitate at all, turned and rushed to Hai Linger’s cabin: “Linger, Linger. Son, how are you?”

Since the first meeting, Yue Wuya has been deeply attracted by Hai Linger, and now that Hai Linger is very likely to be in danger, Yue Wuya is almost anxious.

Linger, you must not be in trouble.

Han Bing also bit her lip tightly, very worried, and followed closely.

call!

Rushing into the cabin, the brothers and sisters were relieved to see the scene in front of them.

I saw that Hai Ling’er was acupuncture points, lying there motionless, dressed neatly, no signs of being violated, but her face was pale, revealing a bit of anger.

Seeing the Yue Wuya brothers and sisters, Hai Linger’s eyes immediately flashed with joy.

Papa...

Yue Wuya walked over quickly, raised his hand to unlock the acupuncture point for Hai Linger, and said softly: “Okay, it’s all right, Linger.”

“Brother Wuya!”

Hai Linger said very Excited, he threw himself into Yue Wuya’s arms and said softly, “I was so scared just now that Tang Qingyun suddenly came in and said he wanted to help me guard the treasure chest, but he attacked me and took the treasure box away. Yue Wuya had a tender look on

his face and kept comforting: "Don't be afraid, don't be afraid, that little guy Tang Qingyun has been shot to death by random arrows." Phew

!

Hearing this, Hai Linger breathed a sigh of relief and patted her heart: "It's okay."

Immediately, Hai Linger looked at Yue Wuya closely, very urgent: "Then... Has the treasure chest been recovered successfully? ?"

Chapter 2367

Yue Wuya looked sad, lowered his head and said ashamedly: "Tang Qingyun colluded with Duan Yu and gave the treasure chest to Duan Yu. Now, Duan Yu has run away."

What?

Hai Ling'er's delicate body trembled, and her whole body froze.

A few seconds later, Hai Ling'er couldn't help crying: "That's the treasure that our clan has guarded for thousands of years, and it's just lost. How can I explain it to my father, how can I explain it to the clan..."

Said At these times, Hai Ling'er was both angry and sad, and the tears couldn't stop flowing.

Yue Wuya was very distressed, hugged Hai Ling'er and persuaded: "Don't worry, I will definitely get the treasure back, and I will never let Duan Yu use it for wrongdoing." The

tone was firm and unquestionable.

Hearing this, Hai Ling'er was very moved, leaning against Yue Wuya's arms, she couldn't help but softly said: "Brother Wuya, thank you."

For a while, the two of them didn't speak, just hugged like that. , the atmosphere is also a little subtle.

puff!

Finally, Han Bing, who was on the side, finally couldn't help it, and couldn't help laughing: "You guys have a good chat, I'm going out."

Seriously, seeing her brother and Hai Linger progress so fast, Han Bing was very heartbroken. Happy. As a younger sister, it is natural to give the two of them space in the world.

Swish.

Hai Ling'er's delicate face turned red all of a sudden, only then did she realize that she couldn't help hugging Yue Wuya, and in her shyness, she wished she could find a hole to burrow in.

Yue Wuya also blushed, embarrassed, and said to Han Bing: "Sister, don't make trouble."

While saying that, Yue Wuya couldn't help but look at Hai Ling'er.

From the close observation, Hai Linger is really beautiful, and the beauty is breathtaking.

This time, Hai Ling'er was even more shy.

...

On the other side, at the foot of the Chaos Mountains, the Rakshasa camp.

After Yue Feng appeared, the Rakshasa army was extremely shocked by the terrifying strength on display. In the end, under the command of Meng Lang, they quickly retreated and stationed more than ten miles back.

The Rakshasa camp is very large, and the tents are continuous. There are tens of thousands of them. From a distance, the scale is huge. You must know that the Rakshasa army is as many as one million. Before the fierce battle with the Kyushu mainland, the damage was only ten percent. None.

In order to prevent the Kyushu mainland from raiding the camp, Meng Lang was very cautious and sent many soldiers to patrol the camp. Moreover, every ten steps was a post, five steps and a post. The entire camp could be said to be heavily guarded.

Of course, the Rakshasa people have lived in wild and strange areas for generations. They are unrestrained in temperament and act directly. They would not have been so cautious at first, but Meng Lang was influenced by Su Qingyan and Xu Qingyi, so he still took the defensive measures of the Kyushu Continent.

At this time, darkness fell, and the entire camp was shrouded in darkness.

"Whoosh!"

Suddenly, a grim figure flew from a distance and landed firmly in the shadows in the southwest corner of the camp.

The facial features are sharp and angular, and there is a bit of anxiety between the eyebrows, it is Yue Feng!

This is a beautiful and sexy woman.

At this time, Yue Feng was a little nervous and had some expectations!

During the day when the Rakshasa army was retreating, Yue Feng saw Su Qingyan and Xu Qingyi in the crowd.

After that, Yue Feng led the crowd back to the camp, and after arranging everyone to take strict precautions, Yue Feng couldn't wait to leave the camp and came to look for Su Qingyan.

Among the few confidantes around him, Yue Feng felt that he was the most sorry for the past two years, Su Qingyan. She lost her memory because of herself, and now she is trapped in the Rakshasa army, Yue Feng is almost heartbroken.

Yue Feng thought about it. Tonight, taking advantage of the darkness, he must rescue both Su Qingyan and investigate the situation of the Rakshasa army at the same time.

Chapter 2368

“Huh?!”

“Who? Dare to break into the camp?”

“Catch him...”

Although Yue Feng was hiding, the Rakshasa camp was too well-defended, and Yue Feng had not yet When I came to observe the surrounding environment, a team of patrolling soldiers came and immediately found Yue Feng.

At this moment, I felt the aura that filled Yue Feng's body. Although it could be suppressed, those Rakshasa soldiers still felt it!

Nima!

Seeing that he was exposed, Yue Feng wanted to cry without tears, and at the same time he was shocked beyond words.

No, he has already concealed his strength, how did these soldiers feel?

At this time, Yue Feng did not know that the cultivation methods of the Rakshasa were very different from those of the Kyushu mainland. In addition, the wild and strange areas

where the Rakshasa lived, the environment was harsh, and the people of the Rakshasa often interacted with beasts. Fighting with each other, so the perception is very keen.

call!

Looking at the dozen or so Rakshasa soldiers in front of him, they quickly surrounded him. Yue Feng took a deep breath, tried to calm himself down, and then stood up slowly, as if giving up resistance.

“Dear warriors of the Rakshasa tribe, don’t get excited, I’m not here to attack the camp.” Yue Feng showed a smile, looking harmless to humans and animals, and said slowly: “I’m here to make peace, I hope you can lead the way. I, go see your leader...or, the commander-in-chief?”

What?

Is he going to make peace?

At this time, those Rakshasa soldiers had already arrived, and Yue Feng’s face, who could clearly see each and every one of them, was immediately startled.

Isn’t this the man who killed Ju Kui with a skill on the battlefield during the day? But shocking the audience, it was precisely because of him, the eldest son Meng Lang, that he quickly let the army retreat, and now, this person actually came by himself, saying he wanted to make peace?

“You... are you that Yue Feng?”

“You killed so many of us during the day, and now suddenly a person sneaks into our camp, keeps saying that he wants to make peace, and wants to see our prince? Do you think we will believe it?”

“Yes . , this person must be deceitful!” A

dozen Rakshasa soldiers were discussing, and at the same time they looked at Yue Feng vigilantly with disbelief on their faces.

Ugh!

Yue Feng sighed and said seriously: “If I attacked, how could I come alone? I’m serious, you Rakshasa have been exiled for thousands of years and have suffered so much, so we decided to make the Kyushu continent the most fertile The land I will give to you.”

When he said this, Yue Feng smiled, but his eyes flashed with slyness.

Yes, Yue Feng was deliberately deceiving these Rakshasa soldiers.

To be honest, Yue Feng could easily deal with them if he did it directly. After all, although these Rakshasa soldiers were strong, they were not Yue Feng's opponents.

But if they act rashly, it is impossible to guarantee that they will not disturb the rest of the camp. At that time, when the situation is chaotic, it will be difficult to rescue Su Qingyan and Xu Qingyi.

This...

Seeing Yue Feng's sincere expression, these Rakshasa soldiers looked at each other in disbelief.

The Rakshasa people have a simple way of thinking, thinking that Yue Feng will not lie to them. After all, although Yue Feng is strong, he is alone and cannot cause any trouble.

"Okay!"

Finally, the leading soldier captain said coldly to Yue Feng: "In this case, let's take him to see the prince, follow us, don't walk around, otherwise, don't blame us for being rude."

Yue Feng smiled and nodded. : "Don't worry, I will never walk around." The voice fell, and Yue Feng walked over slowly.

Papa...

At the moment in front of him, Yue Feng shot like lightning and knocked the captain of the soldier unconscious. At the same time, several soldiers next to him were also tapped.

At such a close distance, these Rakshasa soldiers couldn't react at all, and fell to the ground with wide-eyed eyes.

Chapter 2369

Get it!

Yue Feng clapped his hands, then pulled off a soldier's armor and put it on his body. Then he simply dressed up, pretending to be a soldier.

However, the people of the Rakshasa are generally tall, so Yue Feng wears armor, which is a little loose.

However, Yue Feng didn't care about this. After dressing up, he swaggered towards the depths of the camp.

Nima!

After turning around, he was not noticed by the other Rakshasa soldiers, but Yue Feng had a big head.

The tents of the Rakshasa tribe all look the same. Which one is the resting place for Su Qingyan and Xu Qingyi?

Um?

Just when Yue Feng was extremely entangled, he was suddenly attracted by a tent.

I saw a woman's headgear hanging beside the tent's curtain. Obviously, this is the place where women rest.

Haha... finally found it.

Yue Feng couldn't tell how excited he was. In the entire Rakshasa camp, there were only two women, Su Qingyan and Xu Qingyi. This must be their resting place, that's right.

Thinking to himself, Yue Feng walked in without saying a word.

What the hell!

As a result, Yue Feng was stunned as soon as he walked into the tent.

I saw a large wooden barrel in the tent, filled with hot water and steaming. And in the bucket, a sexy figure who is hot, is sitting in it and taking a bath.

This is a Rakshasa woman in her twenties. Tall, wheat-colored skin, perfect curves, delicate facial features, and a kind of heroic spirit, giving people a heroic and sassy feeling.

The woman's name is Mona, the youngest daughter of King Rakshasa, the younger sister of Meng Lang and Meng Ao.

Before the Rakshasa army crossed the Chaos Mountains and invaded the Kyushu Continent, the women and children and old people in the clan were still in the wild and strange realm for the time being, and Mona was in charge. At that time, the Rakshasa King planned to let the family members come over after he successfully occupied a place.

But two days ago, King Rakshasa and Yang Jian fought fiercely, and they both disappeared. Mona heard the news and was worried about her father's comfort, so she rushed to the front line immediately.

Just now, after Mona and Meng Lang discussed the details of finding the Rakshasa King, they returned to the camp and prepared to take a bath and rest. Coincidentally, Yue Feng thought it was Su Qingyan and two, and broke in by mistake.

"Who is it?"

As soon as Yue Feng came in, Mona noticed it, snorted softly, and looked over at the same time.

Seeing Yue Feng, Mona thought it was a Rakshasa soldier, and she frowned and shouted: "You are so bold, dare to break into my tent, go out and lead yourself to death." The

tone was cold and could not be refuted.

What the hell!

Yue Feng was immediately stunned. This Rakshasa woman is very cruel. Even if she is a soldier, if she accidentally breaks in, she will not apologize for her death.

Two seconds later, Yue Feng reacted and said with a wry smile: "This... er, beauty, I accidentally broke in. It was all an unintentional fault, so I won't die, right?"

Huh?

Seeing that this soldier dared to refute, and was able to speak well, Mona suddenly became alert, and immediately saw that something was wrong: "You... Are you from Kyushu?" The

voice fell, and Mona's inner strength exploded, a strong breath, instantly locked Yue Feng.

At this time, Mona was still in the wooden barrel, and her sexy curves were looming.

Yue Feng couldn't help taking a few glances, scratching his head and saying, "How could I be from Kyushu? You are..."

Before he could finish, he was interrupted by Mona.

"No?" Mona snorted coldly, her eyes suddenly sharpened: "It is rumored from ancestors that people in Kyushu are very cunning and despicable. I didn't expect it to be true. You dare to break into my tent, so don't even think about going out alive."

When the words fell, Mona jumped out of the water directly, raised her hand and waved, and the animal skin coat beside her was wrapped around her. Then, her wrist was in vain, and a soft whip appeared in her hand. The whip was ten feet long, and it was stained with the blood of countless beasts, like a poisonous snake letter.

Chapter 2370 What the hell

!

At this moment, Yue Feng clearly saw a hint of spring, and he was also shocked.

This Rakshasa woman is brave and strong. If a woman from Kyushu is concerned about her reputation, she would not have thought it would be impossible to leave the barrel, but this Mona rushed out without even thinking about it.

It is said that the Rakshasa are cruel and easy to kill, and their temperament is sturdy, and it is true.

Snapped!

Just when Yue Feng was secretly sighing, at this moment, Mona suddenly raised her hand and hit Yue Feng with a whip!

“Huh!”

How terrifying is the power of this whip? I saw that the surrounding air was cut into a black seam! The wooden barrel filled with water was split in half in an instant.

Seeing this scene, Yue Feng was shocked.

This woman's strength is so strong, if she is hit by this whip, she will be seriously injured if she doesn't die!

Thinking to himself, Yue Feng hurriedly stimulated his inner strength and evaded quickly.

Um?

Seeing Yue Feng successfully dodging the whip, Mona frowned. This person seemed to be smiling and without seriousness. He didn't expect his strength to be so strong.

Thinking about it, Mona exploded her inner strength completely.

hiss!

At this moment, Yue Feng only felt a powerful breath coming towards his face, and felt the strength of Mona, and was shocked.

what's going on? This woman looks like she is only about 20 years old, but she is... Transcending the Tribulation Realm? ! Also, her inner strength is so unique.

Yue Feng's whole person is stupid. He is now in the realm of tribulation. To reach this realm, I don't know how much effort I have gone through, and I even almost died before. But the woman in front of her is actually a transcendence realm?

At this time, Yue Feng was still unknown. The Rakshasa King has three boys and two girls. Although Mona is the youngest daughter, she is the best in her talent for cultivation. It's a robbery.

It can be said that Meng Lang and Meng Ao are already excellent, but in terms of cultivation strength, they are far inferior to this little girl.

Swish...

Mona didn't talk nonsense, waving a soft whip, only to hear the thunder-like crackling in the air.

Yue Feng dodged left and right, and was in a hurry for a while, too late to fight back.

At the same time, Yue Feng also felt that his eyes were dazzled, and he said to Mona, crying and laughing: "Beauty, let's talk about it, don't kill him as soon as we meet."

But Mona didn't pay attention to him at all, the whip in his hand Take it out all the time, and be more ruthless!

While pumping, Mona said confidently: "As long as you can defeat me, I will let you go."

In the Rakshasa, the strong are respected, and the strong can be respected anywhere, on the contrary, there is no strength. Yes, it is waste, weak.

As the daughter of King Rakshasa, Mona was deeply influenced by this concept. Seeing that Yue Feng kept dodging, she thought he was a coward, and looked down on him very much.

Moreover, Mona is very confident in her own strength. Even if Yue Feng is in the realm of tribulation, she does not think she will defeat herself.

"Okay, what you said."

Yue Feng took a deep breath, and after saying a word, his inner strength turned and he directly greeted him!

Nima's, this time I visited the Rakshasa camp at night, I didn't want to cause too much trouble, but the fight in front of me was impossible.

After playing for a while, seeing that Yue Feng could not be suppressed, Mona was a little anxious, threw away the soft whip and slapped it directly.

What the hell!

Yue Feng was taken aback, are all the women of the Rakshasa so sturdy? Fight to death?

Thinking to himself, Yue Feng reacted quickly, raised his palm, and faced her.

boom!

In an instant, the palms of the two sides touched, but they did not immediately separate, but palm to palm, frozen there.
