Chapter 2531 Back

then, Liu Xuan, whom Lu Jiechen killed, disfigured her face, and bewitched Yue Wuya, causing father and son to turn against each other. Thinking of this, Yue Feng couldn't control his emotions.

Hearing this, Lu Lingshan's tender body trembled with anger: "I don't care about this, in short, you kill my brother, you should die."

After speaking, Lu Lingshan said coldly: "The one who was arrested with you is your woman, right? Today I will send you on the road together.

Yu Wenyan was brought up after the voice fell.

"Kill her first. Lu Lingshan shouted tenderly.

The King of Six Tribulations came over immediately, pulled out his weapon, and was about to attack Yu Wenyan.

Seeing this scene, Yu Wenyan trembled, and hurriedly said: "You misunderstood, I have nothing to do with Yue Feng, On the contrary, he and I are enemies, and I can't wait to tear him to pieces. "

Speaking, Yu Wenyan glared at Yue Feng, this bastard is too abhorrent, and he will implicate me when he is dying. He

is also an enemy?

Hearing this, Lu Lingshan waved her hand and motioned to the King of Six Tribulations to bring Yu Wenyan to his place. aside.

"Yue Feng! "

Lu Lingshan walked over slowly, and mocked Yue Feng coldly: "There are so many enemies, it's not a pity for someone like you to die 10,000 times. With that said, Lu Lingshan took the spirit beast bag from Yue Feng's body.

"What are you doing?" Yue Feng had a bad feeling.

Lu Lingshan showed a playful smile: "What are you doing?" Don't think I don't know, Qiangqi, who was imprisoned in the forbidden area of our Ming sect, entrusted you to take care of his descendants, is now in the sack of this spirit beast. "

You are very cunning. In order to prevent you from letting go of Qiuqi and save you from trouble, I can only do it first.” “

With that said, Lu Lingshan raised her hand, and the spirit beast sac landed in the fire pool not far away.

Nima!

Seeing this scene, Yue Feng wanted to stop it, but his whole body was tied up, and it was of no use at all.

Roar!

That is, at this moment, the spirit beast sac was instantly burned, and Qiang Qi inside felt the danger, and reported a roar, and broke out directly.

“Go to hell!” Lu Lingshan had long expected that Qiongqi would rush out, let out a coquettish cry, and his figure flew up, hitting the top of Qiongqi’s head with a palm.

At this time, Lu Lingshan was already in the Tribulation Realm, and although Qiongqi was also very strong, his attention was on the fire pool and he rushed out in a hurry, unable to avoid Lu Lingshan’s palm.

Bang!

This palm was firmly slapped on top of Qiongqi’s head, and he heard a whimper, and fell directly into the fire pool, spraying blood, killing him on the spot.

“Lu Lingshan, what the hell!” Yue Feng’s eyes were blood red, his heart ached, and he roared, his voice hoarse.

This Qiongqi has followed him for nearly ten years. It can be said that in Yue Feng’s heart, Qiongqi is no longer a spirit beast, but his own family. Now that he sees Qiongqi’s tragic death, Yue Feng only feels that his heart is cut by a knife.

Seeing this scene, Yu Wenyan next to her was also trembling, and her heart palpitated.

The leader of the Holy Fire Palace is really cruel. He killed Qiongqi without blinking. It seems that this time, Yue Feng is dead.

Feeling Yue Feng’s anger, Lu Lingshan smiled lightly: “My heart hurts, when you killed my brother, did you think about today? Come, bring Yue Feng into the secret path of purgatory.” The secret path of purgatory?

Hearing this name, Yue Feng's heart trembled, what was that place?

While muttering, the King of Six Tribulations came over, held Yue Feng, opened a hidden stone gate beside the palace, and took him down.

At this moment, Yue Feng wanted to struggle, but he was bound by Wu Hua and couldn't move at all.

Soon, walking down the dark stone steps, Yue Feng was led into a narrow secret passage.

Yue Feng saw that this secret passage was just below the palace, and the walls on both sides were made of black iron several meters thick, which were scorching hot.

Bang!

After being brought in, the King of Six Tribulations turned around and left, closing the entrance to the secret passage.

Chapter 2532

"Yue Feng!"

At this moment, Lu Lingshan's voice came from overhead, and she saw that there were some small round holes above the secret passage, and through the round holes, you could just see the palace.

At this time, Lu Lingshan was passing through these round holes and sending a message to Yue Feng.

"I know that you have the cold fire of the white lotus, and you can use the cold fire of the white lotus to absorb the different fires in the world, but the iron walls on both sides of this secret passage are burned red by the fire, and there is no open fire. I see how you absorb it."

"Yes, secret passage . The iron wall will slowly close, and then you will either be burned to death, or you will be cut into meat patties, Yue Feng, give up the struggle, this is your end."

Mad!

Hearing this, Yue Feng scolded secretly, and saw that the walls on both sides were slowly closing, not only that, but there was a constant fire behind the walls, constantly heating the temperature of the walls.

This time, Yue Feng was a little desperate. Because what Lu Lingshan said was right, Bai Lian Leng Huo can indeed merge with the different fires in the world, but the fusion is all burning open fire, and now, the open fire is blocked by the wall, and Bai Lian Leng Huo can't pass through at all.

More importantly, although Yue Feng is powerful and has internal strength to protect his body, he is still a body of flesh and blood.

Thinking about it, Yue Feng broke out in a cold sweat.

.....

On the other side, the Earth Circle Continent, the Ouyang Family.

In the hall, Jiang Shan, Ren Yingying, Qin Rongyin, Yue Wuya Hanbing and others are gathering together. One by one sat there with their heads down, looking depressed.

It's been three years, and for three years, everyone has been inquiring about Yue Feng's whereabouts.

"Ugh!"

At this time, Jiang Shan, who was not far away, sighed softly and couldn't help but said, "There has been no news for so long, is there really something wrong with Feng'er?"

When saying this, Jiang Shan's beautiful face, in addition to anxiety, there is also a hint of disappointment.

When the words fell, Ren Yingying, Qin Rongyin and others were all saddened.

"Yue Feng will be fine, definitely not!"

"Yes, all the difficulties in the past have been overcome..."

Everyone said one sentence after another, and they all firmly believed that nothing could happen to Yue Feng.

"Madam!"

At this moment, a maid walked in quickly and said to Jiang Shan, "Someone is asking to see you outside the door." Jiang

Shan frowned: "Please come in."

"Yes!"

Under the leadership of , a figure walked in slowly, wearing a black long gown, with a good aura, it was Zhang Jiao!

Zhang angle?

Seeing him, everyone present was shocked.

Three years ago, after the Kyushu Continent and the Rakshasa had peace talks, Zhang Jiao disappeared. Unexpectedly, he suddenly appeared today.

“Zhang Jiao?!”

“Mr. Zhang, what are you doing for your sudden visit?”

After being stunned for a few seconds, Jiang Shan and other talents responded and greeted each other.

To be honest, everyone doesn't have a good impression of Zhang Jiao. After all, Zhang Jiao once followed Yang Jian and invaded the Diyuan Continent, causing many casualties in the rivers and lakes. However, after fighting the Rakshasa together, everyone's impression of him only improved.

“Master!” At this time, Han Bing greeted him, and said with surprise and joy: “Why did Master leave without saying goodbye?”

Zhang Jiao smiled and explained: “Good disciple, when the Rakshasa tribe was no longer a threat, I will stay here. There's no point in coming down, you know, Master always likes to be free.”

He said that, but Zhang Jiao's eyes flashed cunningly.

Chapter 2533

Afterwards, Zhang Jiao looked around, and finally his eyes fell on Jiang Shan: “Mrs. Jiang, I have good news to tell you, I have news about Yue Feng.”

Wow!

Hearing this, the entire hall was in an uproar, and everyone was excited.

“What? Where is he?”

“I knew that Yue Feng would be fine.”

“Mr. Zhang, tell us quickly.”

At this time, everyone didn't know about Zhang Jiao's tricks, let alone. Zhang Jiao created the Huangtian transactions all over the continent of Kyushu. Not only that, but now he has completely controlled the Wutian organization. It can be said that Zhang Jiao's strength is stronger than any sect at this time.

Facing the crowd's questioning, Zhang Jiao smiled and said: "I have been wandering around for the past three years. One day ago, when I was passing through the Chaos Mountains, I found Yue Feng. At that time, he had just walked out of the wild and strange realm, but was attacked by a beast. , was seriously injured."

"Because his injury is very serious, I don't dare to rescue him at will, so I can only come to explain the situation to you."

When he said this, Zhang Jiao looked serious.

Yes, Zhang Jiao was lying. He did this because he wanted to lure the people of the Ouyang family into the ambush he set up. When these people were caught, he would be able to force Yue Feng to show up and surrender.

At this moment, Jiang Shan and the others were extremely excited and nervous, unaware that they had been deceived by Zhang Jiao.

"Where is he?"

"Take us quickly."

Everyone started talking, with urgency in their eyes.

"Yue Feng was arranged by me in a safe place, you come with me, his injury cannot be delayed." Zhang Jiao smiled slightly.

A few minutes later, Jiang Shan and the others followed Zhang Jiao and left the Ouyang family.

Two hours later, when they reached a forest on the border of the Earth Circle Continent, everyone stopped and took a break.

Seeing this scene, Zhang Jiao stood aside with a smile on his face, but there was a hint of gloom in one eye.

At this moment, the wind picked up, and Zhang Jiao quietly took out a bag, stood on the upper wind vent, and sprinkled some powder into the air. Soon, the powder followed the wind and was inhaled into the breath of everyone.

Soon, Jiang Shan, who was the closest, trembled, feeling that something was wrong.

what happened?

At this moment, Jiang Shan's pretty face was pale, and her heart was also in shock. It was strange that she was fine just now, but suddenly, her whole body became weak, and her inner strength seemed to be imprisoned, and she couldn't move it at all!

This... this is clearly a sign of poisoning!

Thinking to herself, Jiang Shan was about to stand up, but her legs were so weak that she couldn't exert any strength at all.

Haha...

Seeing this scene, Zhang Jiao was extremely proud and looked at Jiang Shan with a smile: "Mrs. Jiang, what's going on?" The tone seemed to be very concerned, but it showed a bit of drama.

"Mr. Zhang, I..." Jiang Shan frowned and was interrupted by Zhang Jiao as soon as she said a few words.

Zhang Jiao said with a playful expression, "Mrs. Jiang, do you feel that your whole body is weak and weak, that your dantian is suppressed by an invisible force, and you can't move it at all?"

What?

Jiang Shan's tender body was shocked, and she locked on Zhang Jiao all of a sudden, she said in amazement: "You... how do you know?"

Zhang Jiao smiled and said: "Of course I know, because I put a kind of ecstasy in the air. ,Hahaha..."

Swish!

When the voice fell, the expressions of everyone around changed greatly, and at the same time, they looked at Zhang Jiao in shock and anger.

This... this horn is so abhorrent, it even plotted against it.

At this moment, Han Bing stood up, looked at Zhang Jiao in disbelief, and whispered, "Master, why are you doing this?"

Chapter 2534

At the same time, Ren Yingying and others also changed their faces, and their delicate bodies were trembling.

“I... I don't seem to be able to exert my inner strength...”

“Me too...” Before the

words were finished, everyone's intuition was weak, and they all slumped on the ground.

Whoops!

Seeing this scene, Zhang Jiao showed a smile, and then clapped his hands. Suddenly, dozens of men in black rushed out from the surroundings. These men in black were all disciples of the Wutian Organization.

In the blink of an eye, these men in black tied up Ren Yingying and the others. Of course, Jiang Shan did not escape bad luck, her hands and feet were firmly tied.

“Master...why?!” Han Bing's delicate body trembled, and he never thought that Zhang Jiao would be so sinister.

Zhang Jiao sneered: “Good apprentice, I have no choice but to do this.”

“I have no choice?!”

Sun Dasheng stared at Zhang Jiao and cursed, “You are so phony here. Insidious villain, three years ago, Fengzi should have killed you directly.” The

voice fell, and many people present also agreed!

“Yes, Yue Feng was too kind at that time.”

“This man is very wealthy, we shouldn't believe him.”

Shuh!

Hearing this, Zhang Jiao's face suddenly became extremely gloomy, and he glared at Sun Dasheng: “Sun Dasheng, you are the most damnable, you are already a prisoner, and you are still stubborn. When I catch Yue Feng, the first one will kill first. about you.”

To be honest, Zhang Jiao really wanted to kill Dasheng Sun immediately. After all, he, Wen Chou Chou and Yue Feng were three brothers, and they were powerful.

However, in order to attract Yue Feng to appear, Zhang Jiao held back.

“Zhang Jiao!”

At this moment, Ren Yingying held back her anger and said coldly to Zhang Jiao: "You are also a person who has been famous for a long time, and now using such despicable means to deceive us, you are not afraid of being caught by the world. Laughing?"

"Auntie!" Yue Wuya

next to him said loudly, "You don't need to tell him too much about such a shameless person.

"

Come, take a step forward, raise your hand and slap it towards Yue Wuya!

"Clap!"

With this slap, Zhang Jiao used all his strength, Yue Wuya was locked out of his internal power, and he couldn't dodge at all. He heard a crisp sound, Yue Wuya groaned, and was slapped to the ground, with a beating on his lips. Bleeding!

"Boy, what right do you have to point fingers at me?" Zhang Jiao said coldly, "Have you forgotten how I took care of you when I was working under Yang Jian?"

Wow!

Seeing this scene, the others around were extremely angry.

This angle is too ruthless, and if he doesn't agree, he will act. Although Yue Wuya is an adult, in the hearts of everyone, he is still a child.

"Come on, drag this Yue Wuya aside for me, and chop off both hands." Zhang Jiao's eyes flashed coldly, and he instructed the men beside him. This Yue Wuya is Yue Feng's son, and if he cut off both hands, Yue Feng will definitely appear at the first time when Yue Feng is heartbroken.

As soon as the voice fell, several men in black responded and were about to come around.

"Stop, stop..."

At this moment, a delicate figure shouted, rushing over quickly, blocking in front of Yue Wuya, her delicate face was full of anxiety and determination.

It was Hai Ling'er!

Yes, after the Kyushu Continent and the Rakshasa tribe negotiated peace three years ago, Hai Linger stayed. For the past three years, she has been with Yue Wuya, and has a deep love and righteousness.

Seeing that Zhang Jiao was about to cut off Yue Wuya's hand, Hai Linger didn't have time to think about it and tried her best to stop it.

Um?

Chapter 2535 Zhang

Jiao was stunned for a moment, then looked up and down Hai Linger, in three years, Hai Linger has become more charming and sexy.

A few seconds later, Zhang Jiao said coldly: "Go away!"

Zhang Jiao knew that this girl was the princess of the sea shark clan and had a special status, but at this time, she had no pity on her.

Hai Linger shook her head with a determined face: "With me here, you can't even think of hurting Brother Wuya."

"Linger!" Yue Wuya was so anxious that he yelled, "Don't worry about me, I'll borrow him today. Be brave, see if you dare to cut my hand."

Hai Linger shook her head firmly: "Brother Wuya, you protected me before, but now I will protect you."

Immediately, Hai Linger stared at Zhang Jiao: "You Bad guy, three years ago, Sect Master Yue kindly spared your life, but instead of being grateful, you came to harm his family. You are a scum like you, you have to die..."

"Crack!"

Zhang Jiao said before he finished speaking. Furious, he slapped Hai Linger's face fiercely.

"Damn girl, you dare to talk to me like that. Who is this person? It's your turn to make irresponsible remarks?! Courting death!" Zhang Jiao said coldly, raised his hand, and hit Hai Linger seven or eight times. Next, a slap is harder than a slap!

"Crack! Slap! Slap!" The

crisp voice kept ringing!

Hai Ling'er is extremely weak, how can she bear it? ! At this moment, blood oozes from the corners of her mouth, and her legs are extremely soft. But he still shouted: "Bad man, devil, you must not die well, you must not die well..."

This bad guy, who lied to everyone, still wants to cut off brother Wuya's hand, there is nothing more hateful than him in the world Bad guy.

Hearing this, Zhang Jiao was furious. He has been famous for thousands of years. He used to be the leader of the Yellow Turban Army, but now he is being scolded by a girl. How can he bear it?

Under his anger, Zhang Jiao slapped harder and harder!

"Hai Linger..."

"Zhang Jiao, you are a Jianghu senior, bullying a little girl, are you still human?"

"Nima, you have the ability to come to me..."

Seeing this scene, Sun Dasheng, Ren Yingying, Yue Wuya and the others, their eyes were all red, and they kept shouting at Zhang Jiao.

Especially Yue Wuya, his eyes were blood red and he was about to explode with anger.

Hai Ling'er was so gentle and kind, yet she was so abused by Zhang Jiao. Seeing her desolate appearance, she only felt that her heart was cut by a knife.

"Haha..."

Hearing Yue Wuya's scolding. Zhang Jiao showed a wicked smile: "Just a few slaps, you can't stand it anymore? I tell you, I will not only beat her, but also her life." After

speaking, Zhang Jiao looked at Yue Wuya: "Boy, Do you like this princess of the sea shark clan? Today, I will let you feel the taste of the death of your loved one in front of you." The

voice fell, Zhang Jiao's inner strength surged, and he slapped Hai Linger's heart with a fierce palm!

In an instant, Sun Dasheng, Ren Yingying and the others changed their faces greatly, and their hearts were raised in their throats.

Boundless Brother.....We will see you in the next life.

Looking at Zhang Jiao's palm, Hai Ling'er couldn't stop her tears and closed her eyes in despair.

Yue Wuya's eyes were bloodshot, and he struggled hard, trying to break free from the rope, but his inner strength couldn't mobilize it, so it was of no use at all.

“Master!” At this critical moment, an eager shout came, with a pleading expression on his delicate face.

It is ice.

Seeing the ice, Zhang Jiao frowned, and withdrew his palm force abruptly!

Pfft!

Han Bing bent his legs, knelt directly in front of Zhang Jiao, and pleaded, “I beg you, please spare Hai Ling’er, just for the sake of our master-disciple battle. Please, forgive me. I got her...”

When he said this, Han Bing almost cried.

Hai Linger and her brother were in love with each other, how could they bear to see her disappearing like this? If Hai Linger died, how sad my brother would be.

The ultimate husband in Chinese chapter 2536-2540

Chapter 2536

“The relationship between master and apprentice?”

Zhang Jiao looked at Han Bing with a half-smile, and nodded slowly: “Okay, I can promise you.”

“Thank you, Master...” Han Bing was overjoyed and was about to speak.

However, as soon as he uttered the four words, Zhang Jiao planned it.

“Don’t be too happy, I can spare this Hai Ling’er’s life, and I can spare your brother for the time being.” Zhang Jiao’s mouth curled into a wicked smile, and said slowly, “However, you have to promise me one condition. “

This...

Han Bing’s delicate body trembled, his heart trembled inexplicably, the master was deceitful, and the conditions he said were definitely not a good thing.

“Little sister, don’t promise him.” At this moment, Yue Wuya couldn’t help shouting: “This person is despicable and shameless, and there will definitely be no good things. I would rather die than let his tricks succeed.

” At this point, Han Bing’s face flushed red and he was very hesitant.

Zhang Jiao was too lazy to talk nonsense, and said to Han Bing: "It's very simple, you stay in the Ouyang family, find a way to spread the news to your father Yue Feng, and then ask him to find me."

Hearing this, Han Bing was stunned and gave Father's message? So, is your father okay?

call!

At the same time, the other people around were also inexplicably excited.

It turns out that Zhang Jiao did so much to attract Yue Feng.

Thinking of this, everyone in Ren Yingying was surprised and happy. In this way, Yue Feng has a clue.

This chapter is provided by . Visit for daily update.

"Okay!"

Finally, Han Bing reacted and nodded at Zhang Jiao: "I promise you."

To be honest, Han Bing knew that Zhang Jiao was going to deal with his father, and was very reluctant, but he had no choice. If he didn't agree, his brother's hand would be cut off, and Hai Ling'er would also be killed.

Haha...

Seeing her answer, Zhang Jiao showed a smile and said with relief: "Okay, as expected of my good disciple." After

speaking, Zhang Jiao waved his hand: "Take it all." The

voice fell, and the surrounding black people The clothes man escorted Ren Yingying and everyone away.

"My lord!" As

soon as he left, a few men in black walked quickly with a huge stone alley. The leader said respectfully, "I found this."

Yes, Zhang Jiao removed Jiang Shan and Ren Yingying from the Ouyang family. After cheating, his subordinates went to Ouyang's mansion to search, the purpose was to find the treasure chest left by Xuanyuan Huangdi.

Zhang Jiao is a smart person, knowing that even if he controls the Wutian Organization, it is difficult to dominate the Kyushu, and the treasure chest left by Xuanyuan Huangdi can restrain the Rakshasa clan.

Controlling the Rakshasa Clan gave them the absolute power to dominate the Kyushu. You must know that when the Rakshasa Clan crossed the Chaos Mountains, they were threatening, and the Kyushu Continent was united, and it was almost impossible to stop it.

Hahaha...

Zhang Jiao walked over quickly, looked around the stone box carefully, and said with joy, "Not bad..." The

treasure chest has been obtained, and the rest just needs to find the key to open the treasure chest.

Of course Zhang Jiao knew that it was the Dragon Ball who opened the treasure chest. Three years ago, Yue Feng got the Dragon Ball by chance and was tricked by Duan Yu.

And now, after Yue Feng had been missing for three years, he must have gotten the Dragon Ball.

.....

On the other side, the Holy Fire Palace.

In the secret passage of purgatory below the main hall.

Kachacha...

As the walls on both sides slowly closed, the gap in the middle was already less than one meter.

Yue Feng was sweating profusely, Nima, if this goes on, he will be roasted on a sizzling iron plate.

Chapter 2537

What to do?

Buzzing...

As he was talking, he heard a sound of vibration on the solid ground under his feet. The vibration was not loud, but Yue Feng could hear it clearly.

What the hell! what's the situation?

Yue Feng was full of doubts, and quickly lowered his head, his eyes fixed on the ground, and he saw the stone slab under his feet, a hole with a diameter of half a meter was cut out, and then a short figure came out.

This man looked in his forties, dressed in a tight leather suit, with a deer head and mouse eyes, and a pointed mouth and monkey cheeks.

It was Tu Xingsun who had met several times in the Northern Ying Continent.

What the hell, it was him?

Seeing Tu Xingsun, Yue Feng was stunned.

“Bah ah...” Tu Xingsun patted the dirt on his body, spit out the dirt in his mouth, and said to himself: “It's really hard to make a hole in this broken place...” As

he said, Seeing Yue Feng, Tu Xingsun was startled and almost jumped up.

“Why are you?” Tu Xingsun looked up and down at Yue Feng, very surprised.

At that time, Yue Feng and Chang'e were arrested together, and then locked up in the palace cell of the Northern Ying mainland by Yang Jian. At that time, it was Tu Xingsun who dug a hole in the ground and rescued them.

Tu Xingsun still remembers the scene at that time, and he is no stranger to Yue Feng.

“Senior Tuxing, stay safe.” Yue Feng smiled and greeted.

When he said this, Yue Feng felt indescribably comfortable. Mad, thought he was doomed this time, but he didn't expect to encounter Tu Xingsun.

Tu Xingsun was about to respond when he saw the walls on both sides, and his expression changed suddenly: “I'm going, this is a dead end. Come with me.” After speaking, he turned and got into the hole.

Yue Feng didn't have time to think about it, and quickly followed behind.

“Senior Tuxing.”

After entering the cave, Yue Feng couldn't help but ask: “Senior, why are you here?” Yue Feng was anxious, Tu Xingsun is Chang'e's subordinate, loyal and loyal, and should be in Beiyong Continent now, how can it appear in the Holy Fire Palace?

Hearing this, Tu Xingsun smiled awkwardly and said, "You don't know anything, when the war with the Rakshasa ended, the empress focused on cultivating Taoism and no longer bothered about the affairs of Northern Ying Continent, and I don't need my protection, so I am now The body of freedom."

"Don't people often come to the wild and strange realm to explore recently? Hehe, I'm a bit of an itch, and I also come to join in the fun."

"This time I passed by the Holy Fire Palace, and I heard that there is a treasure here, called the fire prevention beads, I will I came to investigate, I didn't expect to meet you."

It turned out to be the case.

Upon learning of the situation, Yue Feng nodded suddenly, and at the same time felt a little emotional.

This Tu Xingsun deserves to be a long-established mission in all corners of the world. He is so daring and brave that he dares to come to the Holy Fire Palace alone.

As he said that, Yue Feng followed Tu Xingsun to keep moving forward, and he saw that this Tu Xingsun was too powerful. It was just a simple hole in the ground, and he even hit in all directions.

"Brother!"

At this time, at a fork in the road, Tu Xingsun turned his head and said, "I've lost so much energy, and I haven't seen the fire-proof beads. I'm going to leave. Do you want to stay or come with me?"

Said At these times, Tu Xingsun was very depressed.

It took most of the night to rummage through the Holy Fire Palace, but I didn't see the shadow of the fire bead. At this time, I was already disheartened.

call!

Yue Feng took a deep breath, thought about it, and said, "Senior leave first, I still have some things to do."

Ma De, if it's a disaster, he must not just leave like this. When he thinks of his own poor and strange beast, Lu Lingshan has been killed by Lu Lingshan. Killed, the anger in Yue Feng's heart rose.

Tu Xingsun nodded, told Yue Feng the route of the cave, and then turned to leave.

Watching Tu Xingsun leave, Yue Feng walked slowly along the hole in front of him.

Tu Xingsun's hole in the ground seemed to extend in all directions, making people dazzling, but Yue Feng couldn't help it. After all, the formation technique that Yue Feng learned was much more complicated than this.

After a while, at the end of one of the caves, Yue Feng looked down and determined that this was the restricted area of the Holy Fire Palace, where Lu Lingshan rested, and went straight out.

Chapter 2538

Hiss!

As soon as he got to the ground, when he saw the scene in front of him, Yue Feng was shocked and couldn't help taking a breath of cold air.

I only saw this beautiful room, all the tables and chairs were inlaid with gold and jade, not only that, but there was an intoxicating aroma in the air.

Yes, it was the room where Lu Lingshan rested.

Yue Feng saw that a candle was lit beside the innermost gum.

On the gum bed, Lu Lingshan was sitting upright, holding a glass of wine in her jade hand, and was muttering something to a spiritual position.

Mad!

It's so late, Lu Lingshan doesn't sleep, she pours her own drink alone?

Muttering in his heart, Yue Feng's eyes turned to Lu Lingshan, and he couldn't move away immediately.

At this time, Lu Lingshan was only wearing a pajamas, and the woven fabric could not hide her charming curves. It was simply too beautiful.

At the same time, Yue Feng also noticed that Lu Lingshan seemed to be very unhappy. She only drank, and the fruit and delicacies didn't move at all. There was a little sadness between her eyebrows.

Yes, Lu Lingshan is missing her younger brother Lu Jiechen. The siblings have been with each other since childhood, and they are deeply in love. At that time, Yue Feng killed Lu Jiechen, and Lu Lingshan was heartbroken and vowed to avenge her younger brother.

Now that Yue Feng has been captured, the great revenge is about to be avenged. Lu Lingshan thinks of her younger brother again and is heartbroken.

“Brother, did you know? Big sister avenged you.” Lu Lingshan looked at the spiritual position and muttered to herself. In her heart, Yue Feng was imprisoned in the secret path of purgatory, and there was absolutely no possibility of surviving.

Hehe...

Hearing this, Yue Feng couldn't help but let out a chuckle.

who?

Lu Lingshan's delicate body was shocked, she turned her head, and she was shocked when she saw Yue Feng.

“You're not dead?” Lu Lingshan was stunned.

“Are you disappointed?” Yue Feng smiled and walked over slowly.

“Yue Feng, go to hell!” Lu Lingshan's icy drink came out of her mouth. Then, she walked lightly, pulled out the long sword beside her, and stabbed directly at Yue Feng!

call!

This sword contains Lu Lingshan's ten successes! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

Yue Feng smiled coldly, standing there as steady as Mount Tai!

“Lu Lingshan, since you want to settle the account, let's settle the account clearly.” Yue Feng said coldly, and the inner strength of Dantian rushed upwards.

Immediately afterwards, Yue Feng summoned Fang Tianhuaji to meet Lu Lingshan!

“Dangdang!”

Lu Lingshan's long sword collided with Fang Tianhuaji, making loud noises. After a few rounds, Lu Lingshan was dripping with sweat, and she was even more shocked.

This Yue Feng, who hasn't seen him for a few years, has become even more terrifying?

Although Lu Lingshan's strength has reached the realm of tribulation, she could not gain the slightest advantage against Yue Feng!

At this moment, Yue Feng flipped his wrist, raised his hand and hit him!

The speed of this palm was too fast, and Lu Lingshan couldn't dodge it. At that time, she could only use her internal strength to greet it with one palm.

boom!

The two palms touched each other and made a dull vibration. At this moment, Lu Lingshan retreated several steps, her face instantly ugly!

Yue Feng has practiced Guiguzi's technique, and his internal strength is powerful. Of course, Lu Lingshan is not his opponent with that palm!

"You..."

Lu Lingshan only felt a tightness in her chest, she stabilized her figure, looked at Yue Feng in shock and anger, her face was full of incredible!

This.. how is this possible!

Chapter 2539

At this time, Lu Lingshan still didn't know that the reason why the King of Six Tribulations was able to capture Yue Feng was an unexpected advantage, and Yue Feng's internal strength had not completely recovered at that time.

Really one-on-one, Lu Lingshan is not Yue Feng's opponent at all.

Yue Feng sneered, too lazy to talk nonsense, raised his hand quickly, and tapped twice on Lu Lingshan's acupuncture point.

In an instant, Lu Lingshan's body froze, unable to move.

"Yue Feng, you scum!" Lu Lingshan bit her lip tightly: "Quickly solve the acupoint for me!" "Under the acupuncture

point?"

Yue Feng smiled, his eyes were bloodshot, and he walked in front of Lu Lingshan step by step. Slap in her face!

"Clap!"

As soon as the slap went down, Lu Lingshan let out a coquettish cry, and a slap print appeared on her fair face.

"You're too embarrassed to let me solve the acupuncture point? This slap is a self-righteous slap." Yue Feng looked at Lu Lingshan coldly, and almost squeezed these words out of his teeth!

Lu Jiechen did something wrong and almost killed Liu Xuan at the beginning, but Lu Lingshan couldn't think of his younger brother's fault at all, and wanted to take revenge.

Lu Lingshan was blinded by this slap, she reacted, looked at Yue Feng and said, "Yue Feng, I think I'm right? You killed my brother, what's wrong with me taking revenge ?

"

Throw it away!

"This slap is for my Qiongqi." Yue Feng's eyes were red and he was almost losing his mind: "Do you know how many years my Qiongqi spirit beast has been with me? He was brutally killed by you."

"Snapped!"

The voice fell, and another slap fell!

Lu Lingshan's delicate body trembled, and she almost exploded with anger. The existence of the goddess of the rivers and lakes was so humiliated and scolded by Yue Feng.

"You, you'd better kill me, give me another chance, and I will slash you with a thousand swords." Lu Lingshan's eyes flashed with hatred, and she couldn't help shouting.

Hearing this, Yue Feng calmed down and looked Lu Lingshan up and down. Sneering out a sneer: "You want me to kill you? I don't want to kill you." When the words

fell, Yue Feng reached out and grabbed Lu Lingshan's pajamas.

"You, what are you doing!" Lu Lingshan was shocked and angry!

"What do you think?" Yue Feng sneered, while speaking, his eyes were still on Lu Lingshan's body.

I have to say that Lu Lingshan deserves to be a top goddess, especially her figure is so perfect, no matter which angle you look at, she is so sexy.

Yue Feng thought about it, isn't this Lu Lingshan a self-proclaimed goddess and aloof, she will completely destroy her dignity today.

hum!

Just when Yue Feng made up his mind and was about to start, suddenly, he sensed the ground under his feet, and there were bursts of violent vibrations! It was as if the world had collapsed!

shit.

what's the situation?

Yue Feng was taken aback, and quickly walked out of the windowsill and looked outside. At the same time, all the disciples of the Holy Fire Palace also came out, looking up in shock and inexplicable.

I saw the night sky, dark clouds and thunder.

And in the direction of the wild and strange realm, a strange light rose up, illuminating the world.

At this moment, Lu Lingshan also recovered, looking at the scene in front of her in surprise, her delicate body trembled faintly.

"The artifact was born?" Yue Feng couldn't help muttering to himself, and suddenly wanted to get something: "Is it the missing Kaitian axe?"

At the beginning, Yue Feng chased Duan Yu, entered the wild and strange realm, and reached the area of Death Valley. Duan Yu was attacked by a giant python. , fell into the deep valley and died, and when the body was found by Yue Feng, Kaitian Axe disappeared.

"It's not the birth of a divine soldier." Lu Lingshan shook her head: "Such a vision, it seems that there is a beast that is about to evolve into a divine beast." Feng's hatred is almost a subconscious expression.

What?

Hearing this, Yue Feng was stunned for a moment. Is there a beast that wants to evolve into a divine beast?

Chapter 2540 The

other side!

Zhongyuan Continent, Taiyin Mountain.

Taiyin Mountain is located in the central area of Zhongyuan Continent. This mountain range stretches for thousands of miles and has beautiful scenery. It is a famous scenic spot in Zhongyuan Continent for a long time.

At the top of the mountain, there is a magnificent building, which is the main altar of the Heavenless Organization.

The Wutian Organization has been established for three years, and its disciples are all over the Kyushu. Because it has always pursued the principle of mystery, it has never been able to determine the real main altar.

However, after Zhang Jiao used despicable means to drug Yu Wenyan and completely controlled the Wutian Organization, he set up the main altar in Taiyin Mountain.

At this moment, inside the main altar hall.

Zhang Jiao was sitting on the throne, with a strong aura permeating his body, and a smug smile on his face. A day ago, all the members of the Ouyang family who were arrested were imprisoned by him in the prison cell of the main altar.

The next thing to do is to pass the news to Yue Feng and wait for him to come from the net.

Below the throne, stood side by side dozens of elite disciples of the Heavenless Organization, as well as the hall masters of each hall. All are respectful.

And at this moment, an extremely strong vibration of heaven and earth came, and then it was sacred and could not be desecrated!

Feeling the extremely strong vibration, everyone's faces changed, and they were inexplicably terrified.

Zhang Jiao frowned: "What are you panicking about? Go and see what's going on?"

As soon as the voice fell, a few elite disciples walked outside the hall to check the situation, and quickly returned to report: "My lord, this shock, it seems that it came from the direction of the wild and strange realm."

Hearing this, Zhang Jiao quickly stood up, walked to the door of the hall, and looked at the sky in the distance.

Seeing that the place was different that day, Zhang Jiao shuddered and pondered.

"My lord, with such a vision, I'm afraid that the divine artifact will appear."

"Yes, three years ago, Duan Yu fled to the wild and strange realm, and the opening of the axe is unknown. Is it..."

"It is very likely..."

Everyone was talking, and they were all inexplicably excited.

call!

At this time, Zhang Jiao reacted, took a deep breath, shook his head and said, "Such a vision is not a magical weapon, I am afraid that a magical beast has appeared in the world."

Zhang Jiao has been famous for thousands of years, and he has a lot of knowledge. There is a big difference between a vision and the birth of a divine soldier. You must know that the birth of a divine beast can also cause the world to shake.

Mythical beast?

Hearing this, everyone in the hall looked at each other in dismay.

Zhang Jiao didn't hesitate at all: "Call all the disciples immediately and go to the wild and strange realm. Make no mistake. Remember, you must be in front of the various sects in Kyushu."

He has already controlled the largest cultivation organization in Kyushu. , is completely invincible. Therefore, in this matter, we must take the lead, and we must not give others the slightest chance.

"Yes, my lord!"

After half an hour, tens of thousands of elite disciples had assembled, and under the leadership of Zhang Jiao, they headed for the wild and strange realm.

After several hours of fast travel, Zhang Jiao took tens of thousands of disciples and finally arrived at the Valley of Death in the wild and strange realm.

That's right, the waves of heaven and earth shaking came from the depths of Death Valley.

call!

At this moment, Zhang Jiao looked around the environment at the entrance of Death Valley, took a deep breath, and decisively issued an order: "Immediately cut wood and move rocks, and deploy the valley entrance according to my instructions.

" It is not easy to stop these forces. The best way is to deploy a large formation at the entrance to intercept these forces. In this way, you will have enough time to go to Subdued the beast.

"Yes, lord!" The

voice fell, and tens of thousands of disciples responded in unison. Then, under Zhang Jiao's signal, they began to cut down trees, move large rocks, and began to deploy the formation.

.....

The world of the Wild and Strange Territory shook, causing the Kyushu Continent to be shocked. For a time, many Jianghu sects and various mercenary groups flocked to the Wild and Strange Territory.
