Chapter 2551

Not bad. Back then, Lu Bu was in the world and he got an ancient book. The ancient book was written about the dragon egg left by Emperor Xuanyuan. Diaochan was also present at the time, so he knew about it.

As for the integration of Xiao Xi's soul into the dragon egg, Diao Chan is not just talking nonsense, but has helped others to do so.

"I..."

At this moment, Xiao Xi bit her lip and pondered.

A few seconds later, Xiao Xi made up her mind, nodded and said, "Okay, I'm willing."

In four words, Xiao Xi said very firmly. Although she became a dragon, she couldn't communicate with Yue Feng for a long time, but she was able to accompany him all the time. ,This is enough.

Seeing her promise, Diao Chan nodded, raised her jade hand, waved it gently, and took Xiao Xi into the air, avoiding the eyes and ears of the disciples of the Wutian Organization, flying away quickly, and disappeared into the night in a blink of an eye.

.....

At this moment, Wutian organizes the main altar.

In the back mountain cell, Sun Dasheng, Ren Yingying and the others sat there one by one, with their heads downcast and depressed.

Boom!

At this moment, the prison door was pushed open, and then, several disciples who were guarding the door fell to the ground before they could react, and then a figure walked in quickly.

With a refined temperament and a strong aura, it is Wen Chou Chou.

"Brother Wen?"

"Palace Master Wen."

Seeing Wen Chou Chou, Ren Yingying and others were both surprised and delighted.

When he got to the front, Wen Chou Chou made a silent gesture: "Everyone, keep your voice down, don't disturb the people outside, I will take you out of here as soon as possible."

A day ago, Wen Chou Chou returned to the Ouyang family and found that only Han Bing was there. Later, he learned that everyone was caught by Zhang Jiao. Wen Chou Chou was very angry, and then he followed the clues and found it here.

Hearing this, everyone endured their excitement and did not make a sound.

Soon, Wen Chou Chou opened the cell, untied the chains on everyone's hands and feet, and quietly left the cell.

When going down the mountain, Wen Chou Chou and everyone were extremely nervous, but in the end they avoided the patrolling disciples of the Wutian Organization.

A few minutes later, Wen Chou Chou took everyone to the fork at the foot of the mountain, and he was about to escape completely.

Whoa!

As a result, at this moment, a fire lit up in front of me!

Oops!

Wen Chou Chou raised his eyes and looked at it, and his whole mind went blank! At the same time, the people behind Ren Yingying and Sun Dasheng were also shocked.

I saw that at the fork in front, countless torches suddenly lit up, and there were at least nearly a thousand people holding torches, all of them were elite disciples of the Wutian Organization. It was Zhang Jiao.

"It turned out to be the Lord of the Palace!"

Finally, Zhang Jiao showed a smile, with deep teasing and mockery in his smile: "I thought he was someone, so bold, he dared to infiltrate the main altar to save people, but, Didn't you think of it?"

Wen Chou Chou's eyes flickered and he didn't respond.

Zhang Jiao smiled slightly and continued: "I had long expected that someone would come to the cell to save people tonight, so I set up an ambush. I didn't expect that someone would fall into the trap so quickly."

Yes, Zhang Jiao set up an ambush . , to catch Yue Feng, but I didn't expect that Wen Chou Chou would go to the cell to save people.

However, Zhang Jiao was not disappointed, but was still very excited. You must know that Wen Chou Chou is Yue Feng's sworn eldest brother. If he is caught, Yue Feng will collapse even more.

Chapter 2552 Huh

...

This horn is indeed a man who has been famous for thousands of years. He is strategizing, resourceful and foresight. No wonder he was appreciated by Yang Jian back then and became a military advisor in Northern Ying Continent.

This city government, this meticulous mind, is simply too terrifying!

Thinking to himself, Wen Chou Chou looked at Zhang Jiao and said lightly: "Your Excellency is resourceful, I admire someone Wen Chou."

When he said this, Wen Chou Chou had a calm face, but he was a little uneasy in his heart.

What to do now? I thought I could easily save the Great Sage and the others, but I didn't expect that they had encountered an ambush, and they were alone, and the Great Sage and the others were weak and had no ability to fight at all.

"Haha!" Zhang Jiao sneered, no nonsense.

Swish swish....

At this time, the surrounding elites of the Wutian organization have rushed up, like a copper wall and an iron wall, surrounding the Wen Chou Chou crowd.

"Made..."

Seeing this scene, Sun Dasheng's eyes were blood red, and he shouted: "Brother Wen, fight with them."

Anyway, I can't run today, so it's better to go out and kill one more.

When the words fell, Sun Dasheng was about to rush up, but was stopped by Wen Chou Chou.

“Dasheng, don’t be impulsive.” Wen Chouchou shook his head at Sun Dasheng with a solemn expression. After so many years, Dasheng’s fiery temperament has not changed at all, which is really worrying.

In the current situation, resistance is death.

Thinking to himself, Wen Chou Chou took a step forward and said to Zhang Jiao, “Your Excellency Zhang Jiao, what should you do before you let us go?” Wen Chou Chou acted cautiously and never did anything that would cost him his life in vain.

Moreover, Wen Chou Chou could guess that Zhang Jiao would not kill everyone at this moment.

Hearing this, Zhang Jiao showed a smile, and looked at Wen Chou Chou up and down: “It is said that the Palace Master Wen of Changsheng Temple has the style of famous scholars and elegant, now it seems that his reputation is well-deserved, facing such a desperate situation, he can still be so calm, Not bad.”

After speaking, Zhang Jiao’s face became serious: “It’s absolutely impossible to let you guys go, but I might consider taking their lives around them, but you have to promise me a condition.”

Wen Chou Chou was stunned and frowned: “What conditions?”

“Serve me.”

Zhang Jiao’s mouth curled into a confident smile, and he said word by word, “From now on, serve me wholeheartedly.”

What?

Hearing this, Sun Dasheng and everyone were in an uproar, and they were all shocked and angry.

This horn is so abhorrent that he even wanted Wen Chou Chou to be his subordinate. Brother Wen’s voice is open and aboveboard, how can he submit to others like this? Moreover, he is still a wicked person like Zhang Jiao.

“I want Lord Wen to surrender to you, dream...” “Brother Wen, don’t talk nonsense with him, let’s fight.”

“Yes... I would rather die than surrender!”

As soon as the sentence came, Wen Chou Chou stood there, pondering.

“Huh!”

Finally, Wen Chou Chou reacted and looked at Zhang Jiao closely: “Okay, I promise you.”

After saying that, he gave in to Zhang Jiao, Wen Chou Chou was very resistant, but there was nothing he could do, for everyone’s safety, Now I can only take it easy.

Wen Chou Chou thought about it, as long as Zhang Jiao’s trust was obtained, he could not only temporarily save the lives of Sun Dasheng and others, but also find an opportunity and let them leave safely.

As soon as these words came out, Sun Dasheng and others were all stupid.

“Brother Wen, you’re crazy.” Sun Dasheng looked at Wen Chouchou with a look of astonishment: “This person is despicable and shameless, why did you agree to him?” In Sun Dasheng’s heart, Brother Wen has always been a person he respects, but he didn’t expect that, Today, Wen Chou Chou is actually submissive to Zhang Jiao.

The voice fell, and the others also spoke.

“Palace Master Wen, we would rather die than surrender.”

Chapter 2553

“Yes, it is a shame to bow your head to such a person.”

Wen Chou Chou took a deep breath, smiled wryly at everyone, and finally looked at Sun Dasheng and said: “Dasheng, people are under the eaves and have to bow their heads, in front of them. If I don’t give in, we will all die, and Mr. Zhang is a man of great talent and strategy, I have always admired him, and serving him is not a humiliation.”

Wen Chou Chou understood Sun Dasheng’s personality, and if he told him, It is difficult for Sun Dasheng to help himself to cover up his false surrender, and, in front of Zhang Jiao, he cannot say it.

Hearing this, Sun Dasheng and everyone were full of grief and indignation.

“Wen Chou Chou!” At this moment, Ren

Yingying looked at Wen Chou Chou with complicated eyes, and said coquettishly, “Thanks Yue Feng for treating you as a big brother. I didn’t expect you to be a person who is greedy for life and fears death.”

Very angry: “From today, we have nothing to do with you, and I will not call you big brother again.”

Saying this, Ren Yingying's eyes are full of complexity.

Yes, Ren Yingying is smart and smart, and she can see at a glance that Wen Chou Chou is pretending to surrender to Zhang Jiao.

Sure enough, Ren Yingying is still smart.

Hearing this, Zhang Jiao nodded to Ren Yingying secretly, indescribably gratified.

Haha...

Seeing this scene, Zhang Jiao was very proud, and said to Wen Chou Chou, "Are you really willing to be loyal to me?"

Wen Chou Chou stepped forward and said loudly, "Mr. Zhang, he is a genius in the world. It is an honor for me, Wen Chou Chou, to work for Mr. Zhang, and from today onwards, I will follow the left and right sides, and I will never give up

."

Zhang Jiao smiled, pointed at a disciple of the Ouyang family next to him, and said slowly: "Being my subordinate is not that simple. If you kill him, I will believe your sincerity.

" Guessing that Wen Chou Chou might be a false surrender, so he deliberately tried this method.

What?

Hearing this, Wen Chou Chou's heart was shocked, and he was stunned.

This horn is too cruel, and such a cruel test method can be imagined. This person is a disciple of the Ouyang family, Yue Feng's family, how could he kill him?

At the same time, the expressions of Sun Dasheng and others also changed, and their eyes suddenly converged on Wen Chou Chou.

He won't really do it, will he?

The disciples of the Ouyang family were dripping with cold sweat and panicked.

Wen Chou Chou looked at him with no expression on his face, not even the slightest emotional fluctuation, but he was struggling in his heart.

Kill or not? If he didn't kill him, his plan would be seen through by Zhang Jiao.

But if you really want to do it, your hands will be stained with the blood of Fengzi's family, and you will never be able to wash them off in this lifetime.

"What?"

Seeing Wen Chou Chou's delay in making his move, Zhang Jiao chuckled lightly: "Since he promised to serve me, do you still need to think about it for so long? Could it be that... you are falsely surrendering?"

"I..."

Wen Chou Chou opened his mouth, then gritted his teeth and said, "Don't get me wrong, Mr. Zhang. Killing a little bastard from the Ouyang family will show my sincerity. I will cut off my arm to show my sincerity." As the words

fell, Wen Chou Chou pulled out his long hair. The sword swung down like lightning, directly cutting off his left arm, and blood spurted out immediately.

hiss!

Wen Chou Chou sucked in a breath of cold air, his face instantly pale.

This...

Seeing this scene, whether it is Zhang Jiao, Sun Dasheng and others, they are all stupid.

He...he actually broke one of his arms?

Chapter 2554

Especially Ren Yingying, under heartache, couldn't help but want to go forward to check Wen Chou Chou's injury.

In order not to kill his own people, Brother Wen actually....

But on second thought, if he expresses concern, everything Brother Wen has done will be in vain.

Thinking of this, Ren Yingying held back.

"Mr. Zhang!"

At this time, Wen Chou Chou simply bandaged the wound and looked at Zhang Jiao: "I have shown my sincerity, does Mr. Zhang still doubt it?" arm.

Compared with everyone's life, breaking an arm is nothing.

call!

Zhang Jiao took a deep breath and quietly looked at Wen Chou Chou. After more than ten seconds passed, he nodded and said, "Okay, Hall Master Wen is indeed a man who stands above the ground. If I doubt it again, I will neglect Xiancai."

As he said that, Zhang Jiao ordered to the left and right: "Quick, prepare the healing medicine for Palace Master Wen, and bring everyone else back to the cell."

"Mr. Zhang!" Wen Chou Chou was stunned, and hurriedly said, "You didn't promise.. .."

Before he could finish speaking, Zhang Jiao interrupted with a smile: "I only promise you, I won't kill them for the time being, but I didn't promise to let them go."

Mad!

Hearing this, Wen Chou Chou was very angry, this Zhang Jiao was too cunning.

Sun Dasheng and others were extremely weak and could not resist at all. They were quickly tied up by Wuhua and sent back to the cell.

Wen Chou Chou went to the Zong Tan Hall at the invitation of Zhang Jiao.

"Mr. Zhang!"

As soon as he sat down in the hall, Wen Chou Chou couldn't help but ask, "I don't know, what are you going to do with the Ouyang family?"

Zhang Jiao didn't answer immediately, but looked at him with a half-smile, "Wen Chou Chou, you You already work under me, but you still care about those prisoners?"

"Mr. Zhang misunderstood!" Wen Chouchou quickly shook his head and explained, "Sun Dasheng and the others are all heroes of the generation, it's a pity to kill them.

", Zhang Jiao nodded silently, and then thought for a while: "Yue Feng fought with me before and escaped with serious injuries. I will use the Ouyang family to lead him back."

What?

Zhang Jiao was shocked, Feng Zi came before?

At this time, Wen Chou Chou did not know that Yue Feng had come back from the wild and strange realm and had already fought with Zhang Jiao several times.

Thinking of this, Wen Chou Chou subconsciously said, "In that case, why didn't Mr. Zhang surrender to Sun Dasheng's group? Once they all turn to you and Yue Feng knows the news, he will definitely lose his mind, and he will never fight against Mr. Zhang again."

Wen Chou Chou With a keen mind, he could guess that Zhang Jiao dealt with Yue Feng in order to dominate Kyushu.

Ha ha!

Hearing Wen Chou Chou's suggestion, Zhang Jiao sneered, shook his head and said, "If everyone else is as visionary as you and can understand the situation, I wouldn't be so troublesome. Sun Dasheng's group is more stubborn than the other. Even if you die, you will not surrender to me. Therefore, these people will be killed in the end."

Hearing this, Wen Chou Chou was shocked and quickly said: "Mr. Zhang, if you believe me, I will help you persuade them. "

Speaking, Wen Chou Chou smiled and continued: "How do I say, I am also the sworn brother of Sun Dasheng, he may listen to my words."

Yes, Wen Chou Chou said this, just looking for a chance to go to the cell to see Sun Dasheng and the others. , not really to persuade surrender.

"Okay!"

Zhang Jiao's eyes flashed, and he laughed loudly: "Palace Master Wen has such a mind, I really did not see the wrong person, this matter is left to you." "Thank you ,

Mr. Zhang for your trust."

Chapter 2555 The

other side!

In a forest a hundred miles away from Taiyin Mountain, Yue Feng stumbled forward.

Finding that there were no chasing soldiers behind him, Yue Feng took a deep breath, and was about to sit cross-legged to recover. However, Zhang Jiao had injured his heart with the Heaven-opening Axe, and he fled all the way just now. land.

"Xiao Xi, Xiao Xi..." The moment he fell to the ground, Yue Feng kept mumbling to himself.

Recalling the scene just now, Xiao Xi's tragic experience, Yue Feng's heart was cut like a knife.

That is, at this time, a convoy came slowly.

“Is there someone in front?”

“Go and have a look...”

Seeing Yue Feng, the convoy stopped, and then a few people walked over quickly. The leader was an eighteen-nine-year-old girl, wearing a dress, with beautiful features and a charming figure. , as striking as a butterfly.

The girl's name is Yu Qianqian. She is the eldest young lady of the Yu family in Xuanye Continent. The Yu family was originally a business family. In recent years, with the popularity of practitioners, the entire family has also begun to practice. Become a famous cultivation family in Xuanye Continent.

The men in black who followed Yu Qianqian were all her bodyguards.

When he got to the front, Yu Qianqian was startled when he saw Yue Feng, who was unconscious, and saw that this man was wounded all over, he was dying, he had his last breath left, and he was still muttering something.

Seeing this scene, Yu Qianqian squatted down and shouted softly, “Hey, are you alright?”

At this time, Yue Feng was completely awake. Hearing the call, he glanced at Yu Qianqian blankly.

“Xiao Xi...”

In the next second, it didn't mean Qianqian could react, Yue Feng hugged her, shouting with joy and heartache: “Xiao Xi, you're alright, great, you're alright...”

That's right, Yue Feng was too injured, and mistakenly mistook Yu Qianqian for Xiao Xi, and couldn't help it for a while.

The bodyguards next to him were also startled and annoyed at the same time.

This kid is courting death, dare to take advantage of the eldest lady.

Swish!

Suddenly being hugged by Yue Feng, Yu Qianqian was also embarrassed and angry, she quickly broke away from Yue Feng's embrace, and said tenderly, “Throw him to the mountain for me to feed the wolves.”

It's really hateful. Cheap is just killing it.

Whoops!

As soon as the voice fell, several bodyguards came around at once, and they were about to carry Yue Feng to the barren mountain.

“Wait!”

However, at this moment, a loud shout came, followed by a handsome figure rushing over, staring at Yue Feng, unable to hide the excitement and excitement.

It was Zhu Bajie.

Zhu Bajie has a free and easy temperament. When he met Yue Feng in the Yellow Sea Continent, the two sides agreed to meet at an inn in a small town, but Yue Feng did not come. At that time, Zhu Bajie left Su Qingyan and Xu Qingyi in the inn, I went to look for Yue Feng, but couldn't find Yue Feng. After returning, Su Qingyan and Xu Qingyi disappeared.

After that, Zhu Bajie searched several places, but could not find Su Qingyan and Xu Qingyi, so he thought that they had left with Yue Feng.

Immediately afterwards, when the Kyushu Continent and the Rakshasa were at war, Zhu Bajie wanted to help, but when he heard the news, the two sides reconciled. Without the war, Zhu Bajie began to travel around.

A year ago, Zhu Bajie came to the Xuanye Continent, and when he met a member of the Yu family, he was robbed by mountain bandits, so he acted righteously. , and worshipped Zhu Bajie as his teacher.

“Master!”

At this moment, seeing Zhu Bajie walking over quickly, Yu Qianqian was very puzzled: “You know this person?”

Zhu Bajie did not respond, but looked at Yue Feng closely, unable to express his excitement : “Quick, bring him back to the family.” Although Yue Feng put on makeup and had scars on his face, Zhu Bajie was originally a master in disguise, and at a glance, he could tell that this was his brother Yue Feng.

Chapter 2556

A day later.

Xuanye Continent, Huanglong City, Yu Family Manor.

In the room, Yue Feng was lying on the bed and had several nightmares in a row.

In the dream, Xiao Xi died very tragically, not only Xiao Xi, but everyone in the Ouyang family was also killed by Zhang Jiao.

call!

I don't know how many nightmares I have had, but Yue Feng woke up suddenly. The moment he opened his eyes, he found himself lying in a room, dripping with cold sweat.

where is this?

Yue Feng looked around and found that this room was very luxuriously decorated, with a retro layout, all luxurious mahogany furniture, and an antique flavor everywhere.

Squeak!

Just when Yue Feng was secretly surprised, suddenly, the door was pushed open, and several people walked in quickly.

It was Zhu Bajie and Yu Qianqian, as well as Yu Qianqian's brother and several cousins.

Yu Qianqian's several cousins, one is more beautiful than the other, and they are elegant and charming, and they are even more temperamental than popular stars.

"Hahaha..."

Zhu Bajie stepped forward and laughed at Yue Feng: "Good brother, you finally woke up."

After saying that, Zhu Bajie said to Yu Qianqian: "Good disciple, hurry up. Go and order someone to prepare healing medicine. By the way, this is your uncle, and you will be called uncle in the future, do you know?"

This chapter is provided by . Visit [for](#) daily update.

Tu'er?

Hearing this, Yue Feng was stunned. What the hell, when did Zhu Bajie accept his apprentice?

Yu Qianqian also trembled, and her delicate face was full of resistance: "Master, what uncle... this person is a lecher."

Thinking of the scene where she was held by Yue Feng before, Yu Qianqian felt There was a burst of anger in my heart.

At this moment, Yu Qianqian's brother and several cousins also looked at Yue Feng curiously.

"This is my brother, of course he is your uncle!" Zhu Bajie said with a frown, his tone was firm and unquestionable.

Yu Qianqian bit her lip and said to Yue Feng, "Hello, uncle!"

When she shouted out the word uncle, Yu Qianqian's face instantly turned red. To be honest, Yu Qianqian was very resistant to calling the man in front of him uncle, but the teacher did not dare to disobey.

Yue Feng nodded, looked at Yu Qianqian up and down, and his thoughts were a little dazed.

Did you take this girl as Xiao Xi before?

A day ago, Yue Feng was in a trance, but he also remembered that before he passed out, he seemed to hug a girl, which should be Yu Qianqian.

But I have to say that Yu Qianqian's facial features are eight or nine points similar to Xiao Xi's. Even if he is not in a coma, if he suddenly sees it, he will be mistaken.

Thinking of Xiao Xi, Yue Feng felt a pain in his heart again, and at the same time, he was very anxious.

"Brother Zhu!" Yue Feng struggled to get up from the bed and said to Zhu Bajie, "Quick, follow me to save people."

He had been in a coma for so long, and he didn't know what happened to Xiao Xi and the Ouyang family.

Before getting out of bed, Zhu Bajie stopped him.

"Good brother, your injury is too serious, how can you save people?" Zhu Bajie smiled bitterly to comfort him: "Let's rest here first, I have already asked my disciple to prepare medicine for the wound."

With that said, Zhu Bajie introduced to Yu Qianqian: "Good disciple, don't look at him so embarrassed, like a beggar, in fact he is..." Before he

finished speaking, he was stopped by Yue Feng.

“Brother Zhu, don’t reveal my identity.” Yue Feng leaned closer and whispered in Zhu Bajie’s ear.

The voice was so soft that only he and Zhu Bajie could hear it.

Zhang Jiao controlled the Wutian Organization, and the Wutian Organization’s ears and eyes were all over the Kyushu. For the sake of prudence, it was better not to let people like Yu Qianqian know their identities.

Zhu Bajie was a smart man, and he immediately understood what Yue Feng meant.

The next second, Zhu Bajie looked around and said to Yu Qianqian: “In short, he is my sworn brother, you should be more respectful in the future, by the way, from today onwards, you will take good care of this uncle. I know. Do you?”

“Got it, Master.” Yu Qianqian was reluctant in every possible way, but he couldn’t refuse, so he just nodded with gritted teeth.

Chapter 2557

Zhu Bajie was very satisfied, and waved to let Yu Qianqian go out first.

“Big Brother Zhu!”

Yue Feng couldn’t help but ask, “Where is this place?”

“Xuanye Continent, Yu family.” Zhu Bajie responded with a smile.

What? Xuanye Continent?

Yue Feng was stunned and said anxiously: “It’s over, it’s over.”

Zhu Bajie was very curious: “What’s wrong? What happened?” Since the last time we parted, Zhu Bajie has been with Yue Feng. I hadn’t seen him for several years, and seeing him so embarrassed and anxious at this time, I was immediately puzzled.

Yue Feng smiled bitterly and told what happened in the past few days.

“Zhang Jiao?”

After listening to this, Zhu Bajie frowned and couldn’t help scolding: “Made, this person is so despicable?”

“Brother Zhu, the Ouyang family members have all been arrested, and Xiao Xi’s life and death are unknown. I have to go back.” Yue Feng said anxiously.

Zhu Bajie took a deep breath and comforted: "You are so seriously injured, what's the use of rushing? Well, you are recovering here now, and I will help you find out the news. If there is a chance, I will help Xiao Xi and the Ouyang family first. Those people were rescued."

"Thank you, Big Brother Zhu." Yue Feng's face was overjoyed, and he couldn't help thanking him.

Zhu Bajie nodded and said no more, ordered Yue Feng to continue to rest, and walked out of the door quickly.

.....

at this moment! On the other side, there is the general altar of the Wutian Organization.

Wen Chou Chou's face was solemn, and he slowly came to the cell.

At the door, Wen Chou Chou said to the gatekeeper, "I came to persuade the Ouyang family to surrender at the order of the lord."

Hearing this, the gatekeeper immediately opened the cell door.

Wen Chou Chou took a deep breath and walked in.

"Wen Chou Chou!"

Sun Dasheng, who was sitting in the corner of the cell when he saw Wen Chou Chou, immediately stood up and was very dissatisfied: "Fengzi and I have always respected you, why do you want to join Zhang Jiao? You answer me..."

When he said this, Sun Dasheng's eyes were almost spitting fire, he was upright by nature, and until now, I still haven't figured out why Wen Chou Chou surrendered to Zhang Jiao.

The voice fell, and everyone else shouted.

"That's right, you sold humiliation for glory, and you still have the face to see us?"

"Go away, we don't want to see you."

"We were so blind back then, we trusted and respected you so much.

"When I heard a sentence, only Ren Yingying stood there, silently looking at Wen Chou Chou.

Wen Chou Chou's face was full of bitterness, and he said to Sun Dasheng: "Dasheng, you misunderstood me."

"Yes!"

At this time, Ren Yingying couldn't help but said, "Brother Wen is pretending to join Zhang Jiao, you guys Can't you see? He did this for our safety, otherwise, we would all be killed by Zhang Jiao."

As soon as these words came out, the entire cell was silent.

Everyone looked at Wen Chou Chou, especially his broken arm, all of them suddenly realized and felt guilty.

"Brother Wen!"

Sun Dasheng was the first to react and suddenly cried: "I misunderstood you, Brother Wen, I'm sorry... I'm sorry..."

Wen Chou Chou showed a smile and comforted: "As long as everyone is alright, what is it that I feel wronged? Don't blame yourself."

Everyone else bowed their heads in shame, Wen Chou Chou paid so much for everyone, but just now, everyone misunderstood him and scolded him...

"Brother Wen!"

At this time, Ren Yingying He couldn't help but said, "Do you have any plans?"

Chapter 2558

Swish!

At this moment, everyone's eyes were also fixed on Wen Chou Chou.

Wen Chou Chou took a deep breath and smiled bitterly: "Zhang Jiao wants to use you to catch Feng Zi, and he won't kill you for the time being, but this person is vicious and vicious, and if he succeeds in catching Feng Zi, in the end he will kill you.

" Then, Wen Chou Chou's expression became complicated, and he continued: "I pretended to promise Zhang Jue just now to persuade you to surrender."

When he said this, Wen Chou Chou was very helpless. You must know that the main altar of Wutian Organization is heavily guarded and stationed here. There are as many as 100,000 elite disciples, and with Wen Chou Chou alone, it is impossible to let Sun Dasheng and the others go.

In this case, Wen Chou Chou can only choose to stabilize Zhang Jiao, and then slowly find the opportunity.

What?

Hearing this, everyone was shocked.

Ren Yingying bit her lip tightly and couldn't help saying: "What do you mean, let us all pretend to surrender? But... this is too fake, Zhang Jiao is not a fool, you can see it at a glance."

Wen Chou Chou nodded: "Yes, so I decided to pick a few people. Like me, I pretended to surrender Zhang Jiao, so that I wouldn't be afraid of doubts." As soon as he finished speaking

, Sun Dasheng had a look of resistance and couldn't help shouting: "Brother Wen, this is too troublesome. Now, since Zhang Jiao has trusted you, now is such a good opportunity, why don't you just let us go?"

"Great Sage! Your thinking is too simple." Wen Chou Chou shook his head and explained with a wry smile: "If you can do this, I have already done it. Zhang Jiao is still on guard against me. I am afraid that there are still many people in ambush at the foot of the mountain. If I want to let you go, the previous efforts will be in vain."

"Also, I thought about it. , After letting you go, I will continue to stay by Zhang Jiao's side, so that I can know immediately how he plans to deal with Feng Zi."

call!

Hearing this, Ren Yingying and Sun Dasheng fell silent.

You know, Wen Chou Chou is too risky to do this, but other than that, there seems to be no other way.

After a short silence, everyone looked at each other, who is Brother Wen going to pick?

Wen Chou Chou looked around, and finally landed on a tall and thin man: "White horse, just you, in the future you stay and accompany me by Zhang Jiao's side..."

Yes, the person selected by Wen Chou Chou is the right one. He was the White Horse Dharma King of the Hall of Longevity, and when Wen Chou Chou first became the hall master, he was the first person to object.

Wen Chou Chou thought about it. If he chose Sun Dasheng or Ren Yingying, Zhang Jiao would definitely not believe it. After all, Sun Dasheng had a hot personality and

would rather die than give in, while Ren Yingying was witty, smart, upright, and not someone who surrendered easily.

“Palace Master!”

King White Horse trembled, his face full of fear: “I...I’m afraid I can’t do it...”

That is Zhang Jiao, staying by his side as an undercover agent is even more dangerous than pulling teeth out of a tiger’s mouth.

“White Horse!” Wen Chou Chou’s face sank, and he shouted angrily: “As one of the Dharma Kings of the Hall of Longevity, you shoulder a heavy responsibility. Now the Hall of Longevity is facing unprecedented challenges, do you want to back down?” The voice was not loud, but it was full of majesty.

Seeing the anger of the palace master, Bai Ma’s face turned pale, and he nodded quickly: “This subordinate obeys the order of the palace master, and dare not violate it.”

When he said this, Bai Ma’s face was loyal, but his eyes flashed with dissatisfaction and coldness.

Well, you are ugly and ugly. You insist on dragging me into this mess. When it comes to life and death, don’t blame me for being inhumane and injustice.

Seeing that he agreed, Wen Chou Chou nodded, and immediately said a few words to the crowd, and left the cell with the white horse.

A few minutes later!

in the hall.

Zhang Jiao sat on the throne, looked at the white horse up and down, smiled and said: “Master Wen, he is indeed a trustworthy person, and he recruited a competent subordinate so quickly, not bad...”

“The main thing is Mr. Zhang Lixian Corporal, command His Holiness the White Horse admires very much.” Wen Chou Chou laughed alongside him.

As soon as he finished speaking, Bai Ma hurriedly bowed his hands and said respectfully, “Bai Ma, I will let Mr. Zhang send you in the future.”

Chapter 2559

“Okay, okay!”

Zhang Jiao was very happy and raised his hand: "Don't be so polite, by the way, Palace Master Wen is also tired and injured, so go to rest as soon as possible."

Wen Chou Chou responded With a sigh, he walked out of the hall with the white horse.

"Master!"

As soon as he left, a disciple next to him said cautiously, "This Wen Chou Chou is also considered a generation of heroes. With his prestige, it is impossible to persuade only one person to surrender, and he is still a subordinate of his longevity hall. Why does the master treat him? Are you still so polite?"

Zhang Jiao narrowed his eyes slightly and smiled without saying a word.

A few seconds later, Zhang Jiao instructed: "Go out and have a look. If Wen Chou Chou and Bai Ma rest separately, call Bai Ma alone. Don't disturb Wen Chou Chou. If the two are together, don't scare the snake for the time being."

Seriously Yes, at that time Wen Chou Chou cut off his arm to show his sincerity, but Zhang Jiao was very touched, but Zhang Jiao was not a fool and realized that it might be Wen Chou Chou's bitter trick.

At this time, seeing that he successfully persuaded Baima to surrender, Zhang Jiao did not relax his vigilance.

Hearing the order, the disciple complied and walked out quickly.

A few minutes later, the disciple came back, followed by a worried white horse.

"Mr. Zhang."

Entering the main hall, Bai Ma was inexplicably terrified: "Suddenly invited his subordinates, I don't know what to do."

Zhang Jiao smiled slightly, but did not respond, but suddenly got up and rushed in front of Bai Ma. Electricity, a palm slapped towards the white horse's heart.

Snapped!

The speed of opening the angle was too fast, and the white horse couldn't react at all, and was hit directly in the heart. In an instant, the white horse's soul flew away, and his legs were weak.

However, what surprised the white horse was that after receiving this slap, he was completely intact, and he didn't even feel any pain.

“Mr. Zhang, you...” Bai Ma looked at Zhang Jiao blankly and said in surprise.

Zhang Jiao showed a sneer and said slowly, “Dharma King White Horse, you are also a famous person in the world, have you heard of ‘Bone-Breaking Palm’?”

“

Hearing this, Bai Ma looked confused, but it was still a little bad to ponder the deep meaning of these words.

With such a terrible name, it must be very sinister.

“This kind of palm technique doesn’t feel like hitting the body at first.” Zhang Jiao explained with a smile: “But within half an hour, if there is no rescue method, the heart will be riddled with holes, the whole body will be broken, and it will be very dead. Terrible.”

Shua!

Bai Ma’s face turned pale, and he almost slumped on the ground. He said in panic, “Mr. Zhang, I’m really surrendering, why are you doing this to me ?

“

Wen Chou Chou forced you, or did you really want to serve me? To tell the truth, otherwise, after half an hour, you will wait for the reincarnation.”

“1...” Bai Ma was dripping with cold sweat, and the whole person was stupid. .

Mad, who are all ugly and ugly, have to choose yourself, now it’s alright, and Zhang Jiao will see through it soon...

Thinking about it, the white horse knelt on the ground all of a sudden, and said in fear: “Mr. Zhang, forgive me, It was Wen Chou Chou who asked me to do this, in fact... he also pretended to surrender...”

In the next few minutes, White Horse explained Wen Chou Chou’s plan.

Made.

Knowing the situation, Zhang Jiao’s face became gloomy and unsightly, and he really guessed that this Wen Chou Chou was pretending, but I have to say that, in order to deceive his trust, he cut off an arm.

At this moment, Zhang Jiao really wanted to send someone to arrest Wen Chou Chou immediately and kill him on the spot, but then he thought that since Wen Chou Chou wanted to play tricks, he would just do it himself.

Chapter 2560 Mumbling

in his heart, Zhang Jiao looked at the white horse coldly: "From now on, you should pay close attention to Wen Chou Chou's every move, and if he has any plans, let me know as soon as possible, understand?"

"Understand, understand. Don't worry, Mr. Zhang." The white horse chicken nodded again and again, pecking at the rice, and agreed.

No promise, no, who doesn't want to live?

"Master!"

Just as he was talking, a disciple walked in quickly, his face full of fear: "I tell my master, Yue Feng's personal maid, and the stone box are not... gone..."

What? Zhang Jiao stood up abruptly, his face ashen

, and cursed: "Didn't I ask you to be strictly guarded? Why did it disappear? Rice buckets, all rice buckets. Send someone to investigate immediately!"

Soak in the river water for a night, which is convenient for alchemy.

"Yes, my lord!" The disciple, sweating profusely, responded and ran out in a hurry.

A few minutes later, the main altar sent disciples to start searching for Xiao Xi's whereabouts within a hundred miles.

However, these unorganized people do not know that Xiao Xi has been taken by Diao Chan and left this continent.

.....

On the other side, Xuanye Continent, Huanglong City, Yu Family Villa.

In the yard, Yue Feng was sitting on a chair, calm on the surface, but extremely anxious in his heart, Zhu Bajie had been gone for a day, and no news came back.

Yue Feng wanted to leave, but his injuries had not yet healed.

Yu Qianqian stood aside, quietly accompanying her, with a bit of helplessness on her delicate face.

For the past two days, Yue Feng has been living in Yu's guest room.

To be honest, Yu Qianqian was very helpless. She really wanted to drive Yue Feng out! But the master said that he should take good care of him, the master's order was difficult to violate, so he had to stay by Yue Feng's side.

"Ding bell bell..."

At this moment, Yu Qianqian's cell phone rang, and after answering it, she was immediately anxious.

"What's wrong?" Yue Feng couldn't help but ask.

Yu Qianqian said angrily: "There is a problem in the trade between the family and the Rakshasa people, and I want me to solve it..." When he said this, Yu Qianqian was very embarrassed and couldn't be anxious.

The family business needs help, but Master, a sworn brother, also needs to take care of himself. What should I do?

Doing business with the Rakshasa?

Yue Feng was stunned for a moment, then saw Yu Qianqian's expression, he couldn't help laughing: "You don't have to worry about it, let's go, I'll go with you." Waiting for the news of Zhu Bajie, it's really uncomfortable, why don't you go out Breathable.

Hearing this, Yu Qianqian hesitated: "Then... when you get there, don't talk."

Yue Feng nodded with a smile.

Half an hour later, Yu Qianqian drove Yue Feng and arrived at the destination, Xuanshi City.

Xuanshi City is located at the junction of Xuanye Continent, Yellow Sea Continent, and Nanyun Continent. Two hundred miles to the north is the Chaos Mountains. It is the largest commercial and trade city in Kyushu.

Three years ago, the Rakshasa tribe negotiated peace with the Kyushu Continent. After negotiation, the Rakshasa tribe took root in this area as a habitat, took root and multiplied. Without the war, the business of the Rakshasa tribe also began to prosper. Finally, in this area, established a Xuanshi Trade City.

You must know that the Rakshasa tribe was proficient in the production of animal skins and could make the top leather soft armor in Kyushu. These soft armors are the most popular treasures for cultivators in Kyushu.

Under such circumstances, business families and groups from various continents in Kyushu have sought cooperation with the Rakshasa. Among them, Yu Qianqian's family is also included.

I go!

Arriving at the largest trading building, Yue Feng was stunned when he saw the scene in front of him, and he couldn't help but admire.

As you can see, the entire city is bigger than Donghai City, with tall buildings and people coming and going, a bustling scene. Of course, because it is under the jurisdiction of the Rakshasa, the entire city is controlled by the Rakshasa. Rakshasa patrolling soldiers can be seen everywhere.

Passing through the hall and reaching the trading area at the back, you will see a huge warehouse the size of several basketball courts. There are many merchants from Kyushu, who are trading with the Rakshasa people.
