Chapter 2561

And in one of the corners, where the goods of Yu's family were detained, several Yu's family members were negotiating with the Rakshasa leaders in charge of this place.

"It's unreasonable for you to suddenly increase your commission by 20."

"It's just a robber."

Facing the family's accusations, the Rakshasa leader had a strong face: "This is the place of our Rakshasa clan, if you want to trade, just do it. Be sure to keep our rules."

This man's name is Jed, the city lord of Xuanshi City, responsible for the security of the entire city, as well as commerce and trade. It is also one of the most trusted people of Rakshasa Queen Mona.

At this moment, Yu Qianqian and Yue Feng walked over.

When he got to the front, Yu Qianqian understood the situation, and suddenly became angry.

It turned out that when people from Kyushu came here to do transactions before, they had to pay a 10% commission for Xuanshi City, which was equal to the tax revenue of Xuanshi City. However, this transaction, Xuanshi City changed the rules and required a 20% commission, and the Yu family was The object of the first execution.

"You guys are too domineering." Yu Qianqian's delicate body trembled and said to Jade.

Jed shrugged: "You are the eldest miss of the Yu family, I still say that, if you want to come to Xuanshi City to do business, you have to abide by our rules." The

tone is domineering and unquestionable.

"Okay, then this transaction is cancelled." Yu Qianqian waved his hand: "Then let's take the goods away, shall we?"

Jed shook his head: "You are wrong, your goods have been pulled to our warehouse, occupying a place , even if the transaction is cancelled, you have to pay 10 commission."

What?

Hearing this, Yu Qianqian almost cried angrily: "You guys are just robbers." This batch of goods is worth a lot, and the 10 percent of the free fee is not a small amount.

Jed frowned: "Miss Yu, we are acting according to the regulations. If you are foolish, you will disturb the security of Xuanshi City." The

voice fell, and more than a dozen Rakshasa soldiers gathered around.

Hula..

Seeing this scene, everyone who was trading around quickly stepped back, fearing that they would be affected by the fish pond.

Although three years have passed since the war, the strength of the Rakshasa cultivators is generally stronger than that of the Kyushu mainland. It is a well-known fact at this time. Moreover, Xuanshi City is still controlled by the Rakshasa, and any Kyushu businessman will Don't dare to make trouble here, even if you suffer a loss, you don't dare to speak up.

"You..." Seeing this scene, Yu Qianqian was shocked and angry, so angry that she was speechless for a while.

At this moment, Yue Feng couldn't stand it anymore, he walked over to block Yu Qianqian, and said to Jade, "Are you the city lord of Xuanshi City ?

"

The arrogance of the face.

This kid, at first glance, is Miss Yu's bodyguard, so don't worry about it at all.

Yue Feng smiled slightly and said seriously: "Business is about integrity. As the city lord, you are not afraid of ruining the reputation of your Rakshasa clan by doing so many tricks?"

"What do you mean?" Jade's face turned gloomy. coldly.

Yue Feng looked around and said slowly, "It's not interesting, I just want to advise you, don't do too much, put the goods at home immediately, and then apologize to Miss Yu, otherwise you will regret it."

Yue Feng is not Speaking of which, the Queen of Rakshasa at this time, Mona was her own prisoner back then. Even if she came to the scene, Yue Feng would say the same thing, and it was indeed too much for the Rakshasa people.

What?

Hearing Yue Feng's words, there was an uproar around, and the pot almost exploded!

"This kid is talking to Jed like this?"

"I don't know whether to live or die!"

"This Kyushu native is so bold..."

Jed's face was extremely ugly, and he glared at Yue Feng: "Boy, if I don't do this Do what?"

Chapter 2562

Yue Feng smiled slightly, looked at Jade indifferently, and said word by word: "I have already advised you, it's up to you to do it or not, but you think about it, and when you regret it, kneel down and apologize to me When it's time, it's too late."

Wow!

Hearing this, the audience was in an uproar!

"Is this kid crazy?"

"It's just courting death!"

"You..." Yu Qianqian was so anxious that she couldn't help pulling Yue Feng: "Don't make trouble, okay?", don't let him interrupt, but he insists on meddling.

This is the place of the Rakshasa clan, and the Rakshasa people are so strong one by one, if they really want to turn their faces, it will be troublesome.

However, Yue Feng had a calm expression on his face, indicating to Qianqian not to worry.

Jed was completely angry and stared at Yue Feng: "Good boy, very good, I like people with courage!" After the

voice fell, Jade waved to the side!

Suddenly, an iron tower version of the Rakshasa man strode over.

"This is the Rakshasa warrior Batu by my side." Jade's eyes flashed fiercely, and he said coldly to Yue Feng: "Seeing that you are also Miss Yu's bodyguard, so as long as

you can beat him, I will let you Miss Yu will take the goods away, if you can't beat it, the Yu family will pay me double the commission."

Hu La!

The voice fell, and the crowd watching the lively around immediately dispersed far away.

They could see that Jade was angry, and the consequences were very serious, especially this Batu, the captain of the guard of Black Stone City, and his strength was even more terrifying. Someone once saw that Batu killed two black tigers with his bare hands, absolutely powerful The presence.

fight?

Seeing this scene, Yue Feng chuckled and glanced at Batu: "He is not my opponent!" Yue Feng is not bragging. Although this Batu has the strength of the third-rank Martial Emperor, in Yue Feng's eyes, he is still unbearable. With one blow, even if the internal strength is not fully recovered, he is sure to defeat him within three strokes.

What?

When the voice fell, everyone in the VIP hall thought they had heard it wrong, and looked at Yue Feng in astonishment!

"What did this kid say? Batu is not his opponent?"

"Interesting, does this Dongfang boy only know how to talk?"

"Batu can completely abuse him with a single finger, but he says that Batu is not an opponent.. Haha, it's ridiculous!"

Batu was furious.

Click!

In the next second, Batu shot suddenly, but instead of hitting Yue Feng, he also smashed the solid wood table in front of him with one punch!

Yes, Batu wanted to give Yue Feng a disservice.

Immediately afterwards, Batu's eyes were instantly blood red, and he strode in front of Yue Feng with a calm tone: "Kyushu boy, now I officially challenge you, you won't dare to challenge it, right?" The

challenge is the traditional form of the Rakshasa clan. , once issued, if the opponent should not fight, it is a sign of weakness.

At this time, Batu's anger was rising, and his dignified captain of the guard was despised by a Kyushu boy. How could he bear it?

Yue Feng smiled and said lightly: "You are very confident, but you need to understand a little bit, there are days outside the sky, and there are people outside people."

Hearing this, Batu was stunned, and then sneered: "Boy, stop talking nonsense, what are you doing? Will you accept the challenge?"

The boy in front of him was thin and weak, and he was afraid that he wouldn't be able to catch a single punch.

At this time, Jed next to him frowned and waved his hand impatiently: "Batu, don't talk nonsense with this kind of person!" Just a bodyguard, there is no need to waste time.

"Okay, City Lord!"

Seeing Jade's opening, Batu stopped talking nonsense and rushed directly to Yue Feng, his right fist suddenly smashed out, with a strong momentum! Wherever the fist passed, the air was twisted. Amazing power!

call!

This punch, which contains thousands of pounds of strength, arrived in front of Yue Feng in the blink of an eye!

"Haha... I'm afraid this kid will be smashed into a ball of meat!"

"Batu should have shot it long ago..."

Chapter 2563

"Yes, this kind of arrogant Kyushu people, no need for nonsense!"

Seeing this scene, the surrounding Rakshasa soldiers couldn't hide their excitement, no one thought that Yue Feng could escape, and even couldn't wait to watch Here, Yue Feng was smashed to death by a punch!

The merchants from Kyushu in the distance turned their heads one by one, unable to bear to look directly.

Yu Qianqian even whispered and covered her eyes subconsciously. In her heart, even though Yue Feng was Master's sworn brother, but he was seriously injured, how could he block Batu's heavy punch?

boom!

Just when everyone was muttering secretly, Batu and Yue Feng collided, and a dull vibration broke out.

"Pfft..."

Immediately afterwards, I heard a muffled hum from Batu. Immediately afterwards, the burly figure flew straight up, flying for more than 100 meters, and finally smashed into the pile of goods. Blood spurted out.

At this time, Batu's face was pale, his forehead was covered in cold sweat, and he was in great pain, and his right arm had been broken!

What?

Seeing this scene, everyone was shocked and completely caught!

How is this possible?

This kid is so powerful?

Under the shock, everyone's eyes will focus on Yue Feng, full of horror.

Yue Feng, on the other hand, was standing there, as if he had not moved at all!

"What?"

Jed was even more startled, his eyes widened instantly, very incredible, first glanced at Batu on the ground, and then frowned at Yue Feng!

How is this possible?

Batu is the most powerful subordinate beside him, and can kill a bull with one punch. It was so defeated by this Oriental boy!

Yu Qianqian's body trembled even more, staring blankly at Yue Feng, unable to speak.

This man's injuries have not healed yet, but he is still so powerful...

"How is it?"

Yue Feng looked at Jade indifferently, his tone indifferent: "As I said, your subordinate is not my opponent at all! Moreover, some Things, violence can't solve the problem at all."

When he said this, Yue Feng didn't even look at Batu!

Made!

With this sentence, Jade seemed to be greatly humiliated, and the anger in his heart rose.

"Do you think you'll be safe after defeating my warrior?" Jed stared at Yue Feng with resentment on his face: "Even if you can get out of here today, don't even think about leaving Xuanshi City alive.

"The city lord, when have you suffered such a loss? Moreover, in front of so many people, if you endure it, how will you see people in the future?"

Whoops!

The voice fell, and without waiting for Jade's instructions, the surrounding Rakshasa soldiers suddenly surrounded him. At the same time, many Rakshasa soldiers poured in outside, each with a special spear in his hand.

"Jed?"

At this critical moment, a cold but pleasant voice came, and then, a sexy figure, accompanied by a dozen people, walked over slowly.

It is the Rakshasa Queen Mona.

Behind her are the twelve divine warriors of the Rakshasa clan.

At this time, Mona, wearing a long snow-white fur dress, showed her charming figure, showing a taste of wild beauty, strong aura, and full of queen style.

call!

In an instant, everyone present was stunned, especially many men, who didn't even blink.

Beautiful, so beautiful!

Yue Feng couldn't help but take a few glances and showed a smile. He hadn't seen her for a few years, and this Mona became more and more feminine.

Chapter 2564 It's

over!

Seeing this scene, Yu Qianqian's body trembled, completely panicking.

The queen of the Rakshasa clan is here, and the situation is getting worse and worse.

"Your Majesty."

Finally, Jed reacted, squeezed out a smile, and said to Mona: "It's nothing, a kid is making trouble here, I can handle it soon."

When he said this, Jade was very It was a contemptuous glance at Yue Feng.

In Jed's heart, Yue Feng is from Kyushu. Although the Rakshasa clan and Kyushu have stopped fighting for three years and have agreed to live in peace in the future, in the heart of the Rakshasa clan, they still reject the Kyushu people. After all, the Rakshasa clan But by Liu Fang for thousands of years.

In this, Jed believes that Mona, who is the queen, is no exception. After all, in the war three years ago, Mona's father and two older brothers died directly or indirectly at the hands of the Kyushu people.

More importantly, Jed is very proud, thinking that he is the city lord of Xuanshi City, and is deeply appreciated by Mona. Mona will not blame herself for being a Kyushu boy.

call!

Hearing Jade's words, Mona breathed a sigh of relief and did not respond immediately, but looked around.

When her eyes finally fell on Yue Feng, Mona's delicate body trembled. Although she didn't recognize Yue Feng immediately, she felt the unique temperament in him, and suddenly felt a similar feeling.

In shock, Mona immediately thought of Yue Feng!

There is only one person in the world with such a temperament, Yue Feng, but... three years ago, Yue Feng disappeared in the wild and strange realm?

Um?

At this moment, everyone around, looking at Mona's expression, was extremely puzzled.

what's the situation? what happened to the queen? Just when everyone was secretly surprised, Mona

walked over slowly, and in front of Yue Feng, she said very: "Excuse me, this gentleman, who are you?"

. His expression was also somewhat polite.

What! ?

Seeing this scene, everyone present was blinded, and the entire trading floor exploded.

"What?"

"Queen Mona, actually calling this Mr. Kyushu boy?"

"What's the situation? I heard it wrong."

The doubts came from everyone, and Jade, who was standing beside him, was also dumbfounded.

In his heart, Mona is a high-ranking queen, and he won't give Yue Feng a second look. After all, this kid is just a bodyguard without status, but he never expected that Mona would take the initiative to talk with her, and her attitude was so gentle. .

Is this still the high queen?

This scene is really incredible.

call!

Jed took a deep breath, only to feel that his mind was messed up, and he was completely uneasy.

Yu Qianqian, who was beside him, was also stunned, looking at Yue Feng, thinking quickly.

My uncle, do you know Queen Rakshasa?

Impossible, if you have a friend like Queen Rakshasa, how can you be injured so badly?

"Her Majesty the Queen!"

At this time, Jed reacted, forced himself to calm down, and shouted at Mona cautiously:
"You are..."

However, Mona still didn't hear it, and her eyes were still fixed on Yue Feng. Waiting for his response.

Yue Feng smiled slightly and looked at Mona: "Long time no see."

Chapter 2565

Hearing the voice of Yue Feng, Mona was excited: "Great, so you..." Before he finished speaking, Yue Feng secretly shook his head to stop it.

Yes, at this time Yue Feng didn't want to reveal his identity.

In the next second, Yue Feng said lightly: "It's been three years, are you okay?"

Mona nodded and said respectfully to Yue Feng: "Fortunately, after the peace talks with Kyushu, I brought my clan here. For the past three years, I have been living peacefully with the Kyushu Continent and have been safe and sound." After speaking

, Mona couldn't help but said, "Thank you."

Speaking of which, the former Mona was a Rakshasa warrior goddess who was not afraid of the sky and the earth, but After going through the war three years ago, I have matured a lot and understood a lot of truth.

Yue Feng once captured her, and that incident was a humiliation of Mona's life, but Mona did not have the slightest resentment towards Yue Feng. On the contrary, her heart was full of gratitude. He would not talk to the Rakshasa clan for peace talks. It can be said that the peaceful years of the Rakshasa clan are now brought by Yue Feng.

At this time, Jed couldn't help coming over and was about to hear this sentence.

What?

Queen, thanking this kid? What kind of identity is he...?

Jed's eyes widened, looking at Yue Feng incredulously, a huge wave rose in his heart.

You must know that Mona, a woman, is a shocking thing to be the queen of the powerful Rakshasa clan. However, under the leadership of the three years, Mona quickly won the whole clan with her outstanding talents. Respect, in the entire Rakshasa clan, Mona is high above, not only the queen, but also their spiritual support.

And now, Her Majesty the dignified Queen is so respectful to an inconspicuous Kyushu bodyguard, who would have believed it if he hadn't seen it with his own eyes?

Moreover, the Queen actually thanked him?

You must have heard it wrong.

Jed froze there, persuading himself over and over again, everything in front of him was an illusion.

However, the surrounding Rakshasa soldiers were in an uproar.

“This...Her Majesty, thank him?”

“No way, what is this kid’s identity?”

This...Am I really dreaming? “

In addition to the Rakshasa soldiers, those merchants from Kyushu in the distance also stared wide-eyed, looking at Yue Feng, their expressions full of shock.

They saw that the Rakshasa Queen, who was as beautiful as a fairy and aloof, was standing on Yue Feng. In front of him, respectfully, it was as if the daughter had seen her father.

The surrounding discussion came, but Yue Feng didn’t seem to hear it, looked at Mona indifferently, nodded with a smile: “Well, you Rakshasa clan. It’s good to let go of the thousand-year-old hatred and make peace with Kyushu. ” After

receiving Yue Feng’s appreciation, Mona showed a smile and felt very happy! The

next second, Mona glanced at Jade behind her and respectfully said to Yue Feng, “What happened here just now. “

“Your subordinate, because of public favoritism, specifically, you should ask him directly!” “Yue Feng said lightly. After speaking, he slowly walked to the chair beside him and sat down leisurely.

Mona came, and there was no need for him to stand out.

Huh!

Hearing this, Mona’s delicate face twitched. The child became embarrassed. Then, he slowly turned around and looked at Jade coldly: “What’s the matter? Jed. “The

tone was indifferent, without the slightest emotional fluctuations, but the aura was strong and unquestionable.

Seeing Mona’s eyes, Jed couldn’t help feeling uneasy!

“Your Majesty!” In the next second, Jade took a deep breath and opened his mouth carefully: “This Kyushu boy is deliberately making trouble here and breaking the rules I just set.”

“I’m about to teach him a lesson.”

Jade is not Fool, it can be seen that Mona and Yue Feng should be very familiar, but no matter what, he is her most trusted subordinate, and what he does is for the benefit of the Rakshasa, so there is no need to worry.

“What did you say? ..”

Mona’s beautiful face showed a bit of displeasure, and her eyes flickered: “You want to teach him a lesson?”
