

The ultimate husband in Chinese chapter 2666-2670

Chapter 2666 In the

blink of an eye, Fang Qifo has already rushed towards Yue Feng!

Um?

Seeing Fang Qifo rushing towards him, Yue Feng was filled with suffocating energy:
“Here is another one to die?”

In Yue Feng’s heart, Zhang Jiao was insidious and cunning, and those who did things for him were not good people, so he didn’t need to be merciful.

“Since you die, I will fulfill you!!” Yue Feng’s voice coldly spread throughout the audience.

hum!

The voice fell, Yue Feng’s internal force turned, and a powerful force filled the entire hall.

In the next second, I saw a dazzling ray of light burst out towards Fang Tian Hua Ji, directly shrouding Fang Qi Buddha. This power almost destroyed the sky and the earth!

“Kill!” Yue Feng roared frantically, raising his hand and pointing at Fang Qifo!

Speaking of which, Yue Feng was no longer the energetic, impulsive young man who acted calmly, but when he learned of Wen Chou Chou’s death, his heart was completely broken.

But now, Zhang Jiao didn’t kill him, but was entangled by these people around him, which made Yue Feng’s inner anger rise.

Yue Feng thought about it, quickly killed the raider, then broke through the formation with all his strength, and finally calculated the general account with Zhang Jiao.

Chi Chi...

At this moment, I saw that the light and shadow were as fast as lightning, and the air was slashed by a crack wherever it passed!

“Hi!”

This chapter is provided by . Visit for daily update.

Seeing this scene, whether it was Zhang Jiao or everyone around him, his face was solemn, and he couldn't help but take a deep breath!

Especially Zhang Jiao, a complex light flashed in his eyes. Mad, I haven't seen him for a while. This Yue Feng's strength seems to have improved a lot. If he doesn't kill him today, I'm afraid there won't be such a good chance in the future.

Meihui, who was standing beside her, trembled even more, and was anxious.

At this time, Meihui wanted to tell Yue Feng loudly that she was Meihui, and it was her master who rushed into the battle, but she held back in the end.

call!

Feeling the violent power, it surged in, even though Fang Qifo had already prepared in his heart, he was still surprised at this time.

This Yue Feng is indeed a hero who is famous in Kyushu. This blow to destroy the world is too terrifying.

However, under the surprise, Fang Qifo did not panic at all.

Seeing the dazzling rays of light whistling, Fang Qifo silently recited the formula, and his figure flickered up, avoiding more than ten meters to the side, narrowly avoiding the impact of the rays of light.

Whoa!

Seeing this scene, everyone in Wutian Organization was surprised and happy.

Wonderful, I didn't expect that the head of the Snow Mountain Sect was not weak enough to escape Yue Feng's attack.

At the same time, Mei Hui was also secretly relieved.

Um? What's going on here? !

Zhang Jiao, who was standing there, frowned secretly.

Although he didn't have much contact with the Snow Mountain faction, Zhang Jiao had secretly investigated the head of the Snow Mountain faction, and knew that although his strength was not weak, in the Kyushu continent, he could not be ranked at all.

But just now, he easily escaped Yue Feng's powerful blow. It seems that the head of the Snow Mountain faction has been hidden all the time.

Thinking about it, Zhang Jiao's eyes became complicated, and he couldn't help looking at Fang Qifo, thoughtfully.

"Good trick!"

At this time, Yue Feng also had a solemn expression on his face. After saying a few words coldly, his figure suddenly accelerated and came straight towards Fang Qifo.

Although he has been trapped in the formation, Yue Feng's speed does not seem to be affected, but in a blink of an eye, he is in front of Fang Qifo! The cold face is full of evil spirits, just want to get the boy in front of him as soon as possible.

call!

Chapter 2667

Yue Feng, without any hesitation, hit Fang Qifo with a palm.

At this moment, Fang Qifo's eyes flickered, and he did not leave to dodge, but also stretched out his palm to meet him. In an instant, the palms of the two people collided! There is no separation!

Whoa!

Seeing this scene, everyone present was in an uproar.

"What's the situation? He and Yue Feng are fighting for internal strength?"

"The head of the

Snow Mountain Sect seems to be a little overbearing..." "Three years ago, Yue Feng was the supreme powerhouse in Kyushu, and his internal strength is unfathomable. To send Sect Master to fight with him is to die..." Fighting

with me? Who gave you the courage?

At this moment, Yue Feng, who was in the air, was stunned when he saw Fang Qifo's movements, and his blood-red eyes were full of gloom.

Speaking of which, from the moment of becoming famous to the present, Yue Feng believes that he has not reached the peak of his stunt.

"Sect Master Yue!"

However, at the moment when the two palms were pressed together, Fang Qifo couldn't hide his urgency, and said in a low voice, "Please calm down, I'm not Zhang Jiao, and I'm not here to deal with you. "

At this moment, Fang Qifo and Yue Feng were both above the sky, and Fang Qifo deliberately lowered his voice, so only he and Yue Feng could hear these words.

In the eyes of everyone in Zhang Jiao below, they only thought that the two were seriously competing for internal strength.

Um?

Hearing this, Yue Feng's cold eyes softened a little, and he looked at Fang Qifo up and down, very puzzled.

Isn't he from Zhang Jiao? But why raid yourself?

Seeing Yue Feng's confused look, Fang Qifo breathed a sigh of relief and continued to lower his voice: "Sect Master Yue, it is true that he is my master Ouyang Meihui, this is not what I am.

" In order to hide Zhang Jiao."

Mei Hui? !

Hearing this, Yue Feng was suddenly excited, and his eyes quickly looked around: "Where is she? What's the situation?"

Thinking of Meihui, a long-lost warmth rose in Yue Feng's heart. Although she is a righteous sister, she has no blood, but she is even more kissable than her own sister.

However, when he looked around, he didn't see Meihui. At this time, Yue Feng didn't know that Meihui also used 'Wuxiang Qianmian' and turned into another person, standing behind Zhang Jiao.

Just before, I learned from Yu Wenyan that the Ouyang family was raided by Zhang Jiao, and everyone was caught by Zhang Jiao. Yue Feng was so anxious that he heard Fang Qifo say this, and his mind suddenly became a mess. .

Didn't Mi Hye get caught? Why is there a new master all of a sudden?

Ugh!

Seeing his expression, Fang Qifo gave a wry smile and couldn't help but say, "Sect Master Yue, I can't tell you the details for a while. The most important thing now is to leave here first."

“Although you are strong, Zhang Jiao is not easy to deal with, when you get out of trouble, I will bring my disciple Meihui to join you!”

When he said this, Fang Qifo’s face was sincere, and his eyes flashed with anxiety.

Hearing this, Yue Feng hesitated for a while, and finally nodded reluctantly: “Okay, I will listen to you.” To

be honest, Yue Feng wanted to kill Zhang Jiao immediately, but he also knew that he came here alone today. Zhang Jiao is indeed a bit reckless to settle accounts, otherwise, he would not be trapped here.

Moreover, Yue Feng didn’t know why, the Fang Qifo in front of him was only the first time he saw him, but he was willing to believe him.

Phew...

At this time, everyone below looked at the two people in the air with extremely complicated expressions.

“I’ve been fighting with Yue Feng for so long?”

“The head of the Snow Mountain Sect is hiding something...”

Everyone’s comments kept coming, and they couldn’t hide the admiration of the other party’s Seven Buddhas, but they didn’t realize it. Arrived, the two people in mid-air seemed to be competing for internal strength, but in fact, they were discussing plans.

Chapter 2668

Soon, Fang Qifo and Yue Feng conspired to make a plan.

After confirming the plan, Yue Feng suddenly shouted: “Boy, go to hell.” When the voice fell, Yue Feng suddenly slapped his palm and called towards Fang Qifo. In a short time, he saw that the surrounding air was distorted. In fact, This palm of Yue Feng did not stimulate much internal force at all.

“Ah...”

At this moment, Fang Qifo pretended to scream, and with the help of Yue Feng’s palm, his body flew towards the back, flying dozens of meters away, hitting a hall master, and then fell. fall to the ground.

Is this defeated?

Seeing this scene, everyone below was stunned. They thought that Fang Qifo would be able to fight with Yue Feng for a while, but they did not expect to lose so suddenly.

Whoosh!

It was at this time that Yue Feng held Fang Tianhua halberd tightly and shook the few people in front of him back. With a flick of his body, he rushed out of the hall.

Yes, this is Fang Qifo's plan. The trapped spirit formation that trapped Yue Feng requires the close cooperation of 18 people. Fang Qifo pretended to fail miserably and hit one of the hall masters, causing a gap in the formation. It gave Yue Feng a chance.

"Mr. Zhang!" Fang Qifo struggled to get up, looking ashamed, and said to Zhang Jiao: "I tried my best, but I didn't expect this Yue Feng to be so powerful."

Zhang Jiao didn't respond, his face was expressionless, but his eyes flashed endlessly. 's anger.

Mad, finally trapped Yue Feng, but let him run away.

"Zhang Jiao!"

At this moment, Yue Feng, who rushed to the sky outside, his eyes were full of resentment, his inner strength protected his throat, and he shouted loudly: "Within three days, I will make you pay with blood!"

"Within three days. , I will make you pay with blood!"

This roar reverberated over the entire Qingyunzong! Hearing Yue Feng's roar, the entire hall was silent! Many people who were present without a heavenly organization felt an inexplicable chill.

The group of sect masters looked at each other in dismay, trembling inexplicably by Yue Feng's words.

Whoosh!

At this moment, a figure rushed out of the crowd, flying like a fright, flying into the air, chasing towards Yue Feng.

It was Zhang Jiao's apprentice, Su Li.

"You're only a rat who runs away, how dare you speak madly?" Su Li stared at Yue Feng's figure, chasing after him, and at the same time, she shouted, "You can't run away today."

Seriously, if Normally, Su Li would not dare to chase Yue Feng. After all, Yue Feng's strength was strong, but Su Li clearly felt that Yue Feng was trapped in the formation and consumed a lot of internal energy. As long as she released her full strength, she could still fight him. .

More importantly, not long after Su Li joined Zhang Jiao's door, she has been eager to perform herself, and now is the best opportunity.

call!

At this time, in the hall, watching Yue Feng successfully escape and leave, Mei Hui secretly sighed.

The next second, Meihui walked over quickly and asked Fang Qifo, "Master, how are you? Are you okay?"

Feeling Meihui's worry, Fang Qifo showed a smile: "Master is alright, you don't need to worry. When

he said this, Fang Qifo only felt that a big stone in his heart fell to the ground, Yue Feng was out of safety, and he had an explanation to his apprentice for the time being. Thinking back carefully, the scene just now was really too thrilling.

"Master Huang, hard work!"

At this moment, Zhang Jiao smiled at Fang Qifo and said, "It's amazing that you can fight Yue Feng for so long! Not bad, very good." .

When he said this, Zhang Jiao had a smile on his face, but his eyes flashed cold.

Yes, Zhang Jiao had already suspected Fang Qifo.

"Mr. Zhang Liao likes it!"

Chapter 2669

Fang Qifo looked humble and smiled bitterly: "I didn't relieve Mr. Zhang's worries, I was very uneasy."

After speaking, Fang Qifo made a very sincere appearance and continued to Zhang Jiao: "Speak up. , This Yue Feng's strength is really terrifying, and if you encounter this person in the future, Mr. Zhang must be careful." Saying this, Fang Qifo secretly hinted at Meihui, ready to find an opportunity to leave at any time.

Yue Feng has successfully escaped the predicament, and there is no need for his master and apprentice to stay here.

“Haha!” Zhang Jiao chuckled, unable to hide his contempt: “Although Yue Feng is strong, I’m not afraid of him, but it is the head of Huang, what happened just now is very intriguing...”

Ah?

Hearing the latter sentence suddenly, Fang Qifo was stunned.

However, before he could speak, he saw a sneer at the corner of Zhang Jiao’s mouth, his body flashed, and he raised his hand to point towards Fang Qifo.

Zhang Jiao’s speed was very fast, but Fang Qifo was clearly prepared. He turned around and took a few steps back, looking at Zhang Jiao in astonishment: “Mr. Zhang, why are you doing this?”

While speaking, Fang Qifo became alert. , I was also a little uneasy.

Oops, Zhang Jiao began to doubt himself, something was not good.

Meihui next to her also trembled, and she was too nervous to speak. In her heart, the master was perfectly hidden, and she never thought that Zhang Jiao was so cunning, and finally suspected the master.

Zhang Jiao looked at Fang Qifo with a half-smile but not a smile: “Master Huang, I suspect that you just let Yue Feng go on purpose. So I’m sorry.”

Yes, the camouflage stunt of the Thousand Faces is unparalleled in the world, until this time Zhang Jiao didn’t realize that the person in front of him was not the head of the Snow Mountain Sect at all, but with his keen intuition, he still believed that he had deliberately let go of Yue Feng.

“Mr. Zhang, where did you come from?” Fang Qifo argued with an innocent face, “I know that Mr. Yue Feng was very annoyed when he ran away, but I really tried my best!”

“Besides, Since we have already cooperated, how can I go back on my word and help Yue Feng?”

When he said this, Fang Qifo’s face changed, his thoughts turned quickly, thinking about countermeasures.

“No need to quibble!”

Seeing the change in Fang Qifo’s expression, Zhang Jiao sneered, without hesitation, he suddenly raised his hand to tap on Meihui’s acupuncture point, and then raised his palm to hang on top of Meihui’s head.

“If you don’t want your apprentice to die tragically, you will be arrested. If you are really helping Yue Feng, I will find out soon, but before that, please go to the cell and feel wronged.” Zhang Jiao said coldly, The tone is unmistakable.

“And let me tell you, I have been around for thousands of years. I have experienced everything and seen everyone. I can see at a glance who is really helping me.”

After saying the last sentence, Zhang Jiao’s face Showing a smile, incomparably confident.

“You...”

Fang Qifo’s face changed and his brows were furrowed. He never thought that Zhang Jiao was so cruel and ruthless. He was a senior, but he did not compromise on means to achieve his goals. At this time, he threatened with a girl’s life. other people.

Mei Hui was also terrified, she didn’t dare to move, she didn’t dare to take a breath.

She is not afraid of death, but if she died like this, it would be too wrong.

call!

A few seconds later, Fang Qifo took a deep breath and looked at Zhang Jiao with complicated eyes: “Okay, I won’t resist, Mr. Zhang will let him go first.” To

be honest, Fang Qifo, as the inheritor of the Thousand Faces, only Coming and going alone, vertically and horizontally, I have never suffered such a loss. Moreover, he was so powerful that he really wanted to leave, but Zhang Jiao might not be able to keep him.

But Fang Qifo knew that he would not abandon his apprentice. After all, Meihui was his apprentice and the only one.

Hearing this, Zhang Jiao showed a smile and waved his hand: “Take them, master and apprentice, to the cell temporarily, and wait for my interrogation.” The

voice fell, and Zhang Jiao let go of his hand.

Whoa!

Several elites of the Wutian Organization walked over quickly, tied Fang Qifo and Meihui Wuhua, and then escorted them to the cell.

Chapter 2670

“Master!”

After being taken to the cell and seeing the door closed, Meihui felt very guilty, and said to Fang Qifo, "I'm sorry, it's all because of me!" You know, Fang Qifo is not obliged to go Help Yue Feng, it was for himself that he was involved in this grievance.

Fang Qifo smiled and comforted: "You don't have to blame yourself. It's fine!"

Saying so, Fang Qifo's eyes showed a bit of worry.

Zhang Jiao is so ruthless, and since he doubts himself, he will definitely not easily bypass it. More importantly, it has been more than ten hours since he used Wuxiang Qianmian. He was fighting against Yue Feng just now, and his internal energy consumption is too serious. . Once the loss of internal strength reaches a certain level, he will return to his original appearance.

If Zhang Jiao knew that he was not the head of the Snow Mountain Sect, it would be even more troublesome!

Thinking of this, Fang Qifo couldn't help feeling anxious.

.....

On the other side, in the mountains and forests dozens of miles away from Qingyunzong, while Yue Feng was flying, he turned his head to pay attention to the situation behind him, and saw a slender figure coming quickly, chasing after him.

It was Su Li.

Su Li's speed was very fast, but Yue Feng only felt that the distance between this woman and him was getting closer and closer, and he was about to catch up!

Made!

Yue Feng couldn't help scolding secretly, this woman is sick, he has no grudges with her, but he helped Zhang Jiao and pursued him relentlessly.

At this time, Yue Feng didn't know that this woman was Zhang Jiaoxin's new apprentice.

Cursing secretly, Yue Feng didn't panic at all. Seeing the woods in front of him, it was very different from the surrounding area. It was obviously a formation. He rushed in without thinking about it at the time.

After entering, Yue Feng saw that this five-element gossip array is not very far from Qingyunzong, and there are no people living around. It is obviously the formation that Qingyunzong set up here in order to sharpen its disciples.

Whoosh!

At this time, Su Li's figure landed, and when she saw Yue Feng entering the forest, she followed directly without any hesitation.

Seeing Yue Feng entering the formation, Su Li stopped and said with a sneer, "Yue Feng, you are also a celebrity in Kyushu, but you are running like a bereaved dog at this time, don't you feel ashamed?"

"At that time, Su Li paid attention to the formation in front of her.

Five elements gossip array?

As Zhang Jiao's apprentice, Su Li also had some research on the formation technique. The formation in front of her was not difficult for her.

However, Su Li was not in a hurry to go in, but satirized a few words first.

Yue Feng took a deep breath and looked at Su Li up and down: "You are not my opponent, and I don't like fighting with women, so you can go."

When he said this, Yue Feng suppressed his anger, and Fang Qifo just said yes Now, as long as he gets out of trouble, he will bring Meihui to join him.

In this case, Yue Feng didn't want to fight Su Li.

However, upon hearing this, Su Li thought that Yue Feng was cowardly, and couldn't help but sarcastically said, "Don't follow me like this, why don't you like to fight with women? I don't think you have the ability to do it, right?"

"Su Li looked at Yue Feng up and down: "I was trapped in the formation for so long just now, didn't my internal strength consume a lot?"

Yue Feng sneered and said nothing.

Seeing that he didn't speak, Su Li was even more convinced of her guess, and sneered: "Yue Feng, you'd better go back with me honestly, maybe my master can give you a good time."

Master?

Hearing this, Yue Feng's eyes flashed a

cold light, and he looked at Su Li: "Is Zhang Jiao your master?" "Not bad!" Su Li said with pride, "If it wasn't to prove in front of Master My own ability, why should I chase you so far?"
