

The ultimate husband in Chinese chapter 2681-2690

Chapter 2681

So unwilling.

In Mona's heart, Zeng was determined to create a new future for the Rakshasa clan. At this time, facing Jade's betrayal, he was very angry and somewhat powerless.

This...

Seeing this scene, everyone watching the battle in the hall couldn't help but gasped and froze there.

Jed actually hurt the queen? Fortunately, I didn't help the queen just now, otherwise, the death would be even worse.

Shocked, none of the crowd came out to help Mona. On the contrary, everyone was thinking about how to please Jed later.

After all, after Jed subdued Mona, he was the new generation of Rakshasa King.

"Mona!"

At this moment, Jed showed a smug smile and looked at Mona: "Did you see it? You have lost the popular support, and no one will help you. Please recognize the truth."

Mona bit her lip tightly, There was no response, but a pair of jade hands gripped the white bone long knife tightly.

Although she is a woman, Mona has a tough personality and would rather die than surrender. Not to let an insidious person like Jed bow his head.

Really stubborn.

Seeing Mona's resolute face, Jed lost his patience, waved his hand, and was about to greet his accomplices to continue shooting.

Whoosh!

However, at this moment, a graceful figure flew out of the main hall, moving gracefully, blocking Mona from behind.

This chapter is provided by . Visit for daily update.

It is Zang Yunyue!

Swish!

Seeing this scene, Jed frowned.

At the same time, Zang Shuiyue and Zang Huoyue couldn't help shouting loudly.

"Little sister, what are you doing?"

"It's none of your business here, just get out of the way!"

Zang Yunyue didn't mean to get out of the way at all, her beautiful face, showing complexity and excitement, looked around at Jed and everyone. Circle: "Father, brother and brother, are you crazy? Mona is our queen, are you going to kill her?"

" decided to stop it.

Speaking of which, Zang Yunyue has always respected Jade, but after what happened just now, Jade's image in her heart has begun to shake.

Jed's face was extremely ugly, and he couldn't help but said angrily: "Yunyue, we are not crazy, for the future of our Rakshasa, we cannot let this woman be king all the time."

Zang Yunyue shook her head: "I think the queen is not wrong . Can't we live peacefully with the Kyushu Continent now? Why do we have to start a war?"

Zang Shuiyue suddenly became anxious and shouted, "Little sister, don't interfere with this kind of big thing, just listen to the adoptive father.

" After falling, Zang Huoyue also nodded and agreed: "Yes, you are still young, you don't understand at all, we are doing this not only for the sake of the Rakshasa clan, but also for our future."

When saying this, the expressions of the brothers were both Extremely excited.

As long as Jed becomes the Rakshasa King, as adopted sons, their status and status will also rise with the tide. Everyone wants to be prosperous and rich, but seeing the little sister blocking her at this time, can you be in a hurry?

"Crazy!"

Zang Yunyue kept shaking her head, her beautiful face was full of determination: "You are all crazy."

Seeing that she has been staunchly defending herself, Mona was very moved, but she couldn't help saying: "Yunyue, you can't stop them, step back."

"The queen doesn't have to worry, I can protect you!" Cang Yunyue He spoke softly, his delicate face full of determination.

"Okay!"

Jade lost his patience, gave Zang Yunyue a cold look, and gritted his teeth: "Very good, I didn't expect that I have paid so much for you for so many years, but in the end I raised a white-eyed wolf and gave it to me. , take them!" The

voice fell, and more than a dozen figures, all urging their inner strength, rushed directly to Zang Yunyue!

The two brothers Zang Shuiyue looked at each other, very confused, and immediately followed. They thought about it, the little sister is ignorant, and when she subdues her and pleads for mercy, the adoptive father will definitely forgive her.

Chapter 2682

However, the brothers forgot that Zang Yunyue had just received the inheritance of her ancestor Kuafu, and she was no longer the weak little girl before.

"Jianpo Chasing Sun!"

Looking at the people who rushed up, Zang Yunyue didn't panic at all, her red lips lightly opened, and she spit out four words coldly, then she drew out her long sword and waved it gently.

"Om!"

In an instant, I saw that the air around the hall was distorted by a powerful force, and then, a dazzling sword shadow erupted from the long sword in Zang Yunyue's hand and swept away towards the rushing crowd. !

"Ah..."

"Ah..." In the

blink of an eye, everyone who rushed up was shrouded in sword shadows, and then a scream came out, and everyone saw a wound cut by the sword shadow. Blood dripping.

That's right, what Zang Yunyue used was exactly Kuafu's exercise, called the Sun Chasing Sword Art! However, Zang Yunyue was kind and kind, and the other party was a clan, so Zang Yunyue showed mercy, otherwise, these people would have died.

hiss!

Seeing this scene, the other people around couldn't help but gasped!

Is this .. still the same Zang Yunyue it used to be? In just a few days, it has become so powerful? Could it be... this is the reason for the inheritance of the ancestors?

At the same time, Mona also breathed a sigh of relief, and gave Zang Yunyue a very excited look.

It is worthy of being inherited from the ancestors, and it is so powerful.

At this time, Mona was very fortunate. Fortunately, Zang Yunyue got the inheritance. She was kind-hearted and knew right from wrong. If the Zang Shuiyue brothers got the inheritance, she would really have no chance at all.

This...

Jed stared at Zang Yunyue closely, his face changing and extremely ugly.

The power of the ancestor's inheritance is so terrifying?

This dead girl has such a strong strength, but she wants to help Mona. How good would it be to help herself?

Thinking to himself, Jed changed his mind and looked at Zang Yunyue with a fake face: "Yunyue, don't be stupid, Mona is not suitable to be a queen. At this time, it is obvious to all. If you help her alone, what can you change? "

In this way, you help me subdue Mona, and I will recommend you as the Rakshasa Queen."

"You have the inheritance of your ancestors, and you are the most qualified to be a queen."

When he said this, Jade looked expectantly, There was treacherousness in his eyes.

Yes, Jed didn't really want Zang Yunyue to be the queen, but just wanted to stabilize her temporarily.

To be a queen?

Hearing this, Zang Yunyue was stunned for a moment, and immediately responded. She never wanted to be a queen, and she couldn't do it. She only thought that people like Jade could let Mona go and make a change.

However, before he could speak, he was interrupted by Mona.

“Yunyue, don’t believe him.” Mona sneered and sneered as she looked at Jade: “This person is deliberately forcing me to give up, just wanting to be the king of the Rakshasa clan, how can I give it to you?”

” !

Hearing this, Zang Yunyue suddenly woke up. His adoptive father has been pursuing power all his life, how could he make himself a queen?

Thinking to herself, Zang Yunyue looked at Jade and said, “Foster father, don’t lie to me. It’s your fault that you made the following mistakes today. You should kneel down to the queen and admit your mistake, and there may be a chance for recovery.

” Little sister!”

At this moment, Zang Shuiyue was anxious and angry: “You are not helping us, but harming us.” The adoptive father and Mona completely turned their faces, and there was no room for recovery. The little sister thought too simply.

Jed was too lazy to talk nonsense, looked at Zang Yunyue with a very angry smile and said: “Good girl, do you really think that you can keep Mona safe by yourself?”

Feeling the killing intent in Jed’s eyes, Zang said Yun Yue bit her lip tightly and didn’t respond.

Jed sneered and continued: “I know that the inheritance of the ancestors is very strong, but you only get one day, and you have not fully integrated, and, before you have fully integrated, forcibly fighting against others will make you suffer backlash. “

Chapter 2683

“I gave you a chance just now, but if you don’t want it, then don’t blame me!”

Om.

The voice fell, and a powerful breath burst out from Jade, and then, the figure flew up with lightning and went straight to Zang Yunyue.

In Jed’s heart, Zang Yunyue has just obtained the inheritance of the ancestors, and has not fully integrated yet. She burst out with all her strength and will soon be able to subdue her. After all, she has rich experience in fighting the enemy and is her adoptive father. She can compare.

“Death to me!”

At the moment of flying, Jed roared, and with the long sword in his hand, a shock burst out, stabbing directly at Zang Yunyue, and he saw that the air was torn wherever the sword passed. It broke, and the momentum was amazing.

Mona guessed well before. In the past three years, Jade has been hiding his strength. At this time, in order to successfully become the king of the Rakshasa clan, he did not hide it at all.

Jed thought about it, first killed Zang Yunyue, seized the inheritance, and then slowly dealt with Mona.

call.

Seeing this scene, many of Jed's accomplices were inexplicably excited.

The Zang Shuiyue brothers were in a hurry.

"Foster father, please spare little sister!"

"Foster father will be merciful."

Under the shout, the two brothers rushed forward to stop them. The three brothers and sisters have been dependent on each other since childhood. They have deep feelings and cannot bear to see the little sister die in Jie German hands.

However, Jade was very fast, and the brothers had no time to stop it. In the blink of an eye, Jade and Cang Yunyue were already in a fierce battle.

At this moment, the two brothers were in a state of impatience, and like the others around them, they all believed that Zang Yunyue was doomed.

call!

On the other side, Mona stood there, her beautiful face was also extremely solemn, her eyes were fixed on Zang Yunyue, and she was worried.

Jade is right. Although Zang Yunyue has inherited the inheritance of the ancestors, the time is too short, less than a day, and it is impossible to fully integrate. Under such circumstances, how could she be Jade's opponent?

You must know that Jed is scheming, not only hiding his strength before, but also very cunning. Zang Yunyue is so simple, how can it compare?

"Om!"

At this moment, Zang Yunyue let out a coquettish cry, the jade hand clenched the long sword, and a sword shadow burst out again. In an instant, the spiritual energy of heaven and earth within a radius of a hundred miles seemed to be attracted.

For a time, the situation changed, and the world shook.

clang!

In the next second, the sword shadow burst out and slammed on Jed's long sword. Immediately, he saw a tyrannical aura that swept across the Queen's Hall!

At this moment, Jed staggered back, spat out a mouthful of blood, and his face was extremely pale.

"You..."

Jed only felt stuffy in his chest, stabilized his figure, looked at Zang Yunyue in shock and anger, his face was full of incredible!

This.. how is this possible!

She has just obtained the inheritance of the ancestors, and it is impossible to integrate so quickly.

At the same time, everyone around was dumbfounded. Especially Zangshuiyue, Zanghuoyue, and Jed's accomplices, they only felt that their legs were weak and they could not stand firm.

It was over, Jed was defeated, and Mona regained control of the situation. I am afraid that all of them will be doomed.

Quiet, the entire Queen's Hall was silent.

Whoops!

It was at this time that many Rakshasa warriors rushed over to hear the movement here, and they were all stunned when they saw the scene in front of them.

Chapter 2684

These warriors saw that there was a mess at the lively and festive banquet.

Queen Mona was pale and very weak, and Jed was seriously injured....

What happened?

call!

At this moment, Mona reacted, took a deep breath, looked around and said coldly: "Jed is extremely sinful, openly rebelled, and even the next criminals shot at me, come on, take them all down for me."

Saying this At the time, Mona's beautiful face did not show the slightest emotion.

Whoops!

The voice fell, and nearly a hundred warriors rushed up, and soon tied Jade, Zang Shuiyue and others. These warriors are Mona's personal guards, and they are specially responsible for the queen's safety. De and the others had just exhausted their internal energy and had no chance to resist at all.

"Mona!"

Jed let out a sigh of relief, his eyes were full of unwillingness, looked at Mona, and shouted: "You are lucky today, but I don't regret it, I just hate that we have inherited thousands of years of heritage. The Rakshasa tribe, it's really sad and deplorable to be destroyed by the hands of a woman like you..." After

speaking, Jade turned his head to look at Zang Yunyue: "From today onwards, we have nothing to do with each other, please don't call me righteous again. Father."

Jed's face was full of grief and anger as he said this.

Almost, he was almost able to drive Mona to step down and become king himself, but he never thought that it would be destroyed by Zang Yunyue in the end.

Feeling the resentment in Jed's eyes, Zang Yunyue was very aggrieved and a little helpless, biting her lip, not knowing how to respond.

"presumptuous!"

At this moment, a warrior roared, walked over quickly, and slapped Jade in the face.

"Crack!"

This slap was very powerful, and Jed was beaten and turned around in a circle, and finally fell to the ground with his buttocks, and half of his face suddenly swelled up.

"Blatant rebellion and rudeness to Her Majesty the Queen. People like you deserve death!" The warrior said coldly, and slapped him again.

"Slap! Slap!"

Loud slaps kept coming out, and everyone around was indifferent, and no one sympathized with Jade. After all, what Jade did before was too bold.

After a dozen slaps, the warrior said to Mona: "Your Majesty, this kind of chaotic ministers and thieves need not be tolerated, and all his comrades will be beheaded to show the public." The

voice fell, and the warrior pulled out a long hand. The knife slashed directly at Jade's neck!

Jed was tied up with five flowers, and he couldn't dodge at all. He felt the cold of the long knife, his face changed, and he was sweating all over his body. It was not terrible to die, but he had to be beheaded to show the public, which was not what Jed wanted.

At the same time, Zang Shuiyue and the others, who were tied to the side, were also pale and panicked.

"Little sister, quickly intercede to Her Majesty the Queen..." Zang Shuiyue couldn't help shouting.

Zang Huoyue was also in a hurry and said to Zang Yunyue: "Quickly think of a way, little sister, do you have the heart to see the eldest brother and the second brother beheaded?"

"But there was resentment in his heart.

It's not that the little sister is meddling with her own affairs, and she won't end up like this.

At this time, Zang Shuiyue was unwilling to intercede with Zang Yunyue, but she had no choice but to rely on her to save her life in the current situation.

I...

heard this, Zang Yunyue was very tangled, then bit her lip and said to Mona: "Your Majesty, keep the people under the knife!"

"Wait."

Mona raised her face expressionlessly. He raised his hand, signaling the warrior to stop.

Chapter 2685 The

next second, Mona looked at Zang Yunyue quietly: "Yunyue, what do you want to say?"

"I..." Zang Yunyue hesitated, and said softly: "Jade With these people, although the crime deserves ten thousand death, but seeing that they have made so many contributions to the Rakshasa, I implore Your Majesty to spare their lives."

Mona pondered and said lightly: "These people have committed the following crimes. , It's not a pity to die, but for the sake of protecting me with all your might, I can stop killing them for the time being!"

Speaking of which, Mona's eyes flickered, thinking of something, and continued: "Come on, take these Jed People, throw them into the endless abyss!"

Endless abyss?

Hearing the name, Jed shuddered, his face turned white, and he was terrified.

Zang Shuiyue and the others were even breaking out in a cold sweat.

If you are thrown into the endless abyss, you might as well just die.

At the same time, Zang Yunyue also trembled, and couldn't help but say: "Your Majesty, what's the difference between throwing them into the endless abyss and killing them?" The

endless abyss, in the west of the habitat, deep Unfathomable, when the Rakshasa tribe first migrated here, this abyss existed. No one knew how deep it was and where it led to. They only knew that none of the people who fell accidentally came back alive.

call!

Mona took a deep breath and looked at Zang Yunyue seriously: "Yunyue, I know, you can't bear to see your adoptive father, and your two brothers end up like this, but they openly rebelled, and they are innocent. Forgiveness, for your sake, I didn't behead them, it's already the greatest mercy, you know?" The

tone was firm and unquestionable.

Zang Yunyue bit her lip, not knowing how to refute!

But when I thought that my adoptive father and two older brothers were thrown into the endless abyss, I still couldn't accept it.

Seeing this scene, the brothers Zang Shuiyue and Zang Huoyue looked at each other in incomparable despair. When it's over, the little sister can't even ask for mercy, and it's dead now.

At this time, Mona was too lazy to talk nonsense, waved her hand, frowned and said: "Come on, throw Jed and these people into the endless abyss, whether it is life or death, see their good fortune."

"In addition, immediately investigate Jed . Once verified, they will be arrested immediately, and like Jed, they will all be thrown into the endless abyss!"

"Yes! Her Majesty the Queen!" As the

voice fell, dozens of warriors hurried over and escorted Jed down.

At this moment, Jade was so frightened that his face was pale, and he didn't say a word.

Soon, the Jade people were taken to the edge of the abyss.

I saw that under this abyss, there was darkness, and there was still fog shrouded in the depths of the bottom, I don't know how deep.

Jed, Zang Shuiyue and the others could clearly feel that a bone-piercing chill was constantly blowing from the bottom of the abyss.

It's a shame to die like this!

Jed couldn't help shivering, and his heart was full of unwillingness.

That is, at this moment, the warriors behind him did not hesitate to push Jade down one by one.

Huhuhu....

The wind whistled in the ears, Jade and Zangshuiyue everyone were almost lost.

I don't know how long it took to fall. Jed thought he was dead, but he didn't expect that there was a deep pool at the bottom.

wow...

At the moment of falling into the water, the icy chill came, Jed couldn't help but shivered, then surfaced, looked around, and was stunned.

Whoa!

At the same time, Zang Shuiyue and others who had surfaced around them couldn't help but take a deep breath when they saw the scene in front of them.

The ultimate husband in Chinese chapter 2686-2690

Chapter 2686

saw that the surroundings were dim and foggy, like a chaotic world.

And near the deep pool, there is an endless deep hole, which slowly extends to the depths along the cliff. I don't know where it leads.

It turned out that the bottom of the abyss was like this.

Seeing this scene, Jed and everyone looked at each other, each one was shocked.

What is this place under the abyss?

.....

the other side!

To the northwest of Qingyunzong, in a small town a hundred miles away.

Yue Feng stood in the middle of the street and kept looking around, his face seemed calm, but he was anxious.

Nima, that Fang Qifo said before that he wanted to meet here. It's been three hours now, why haven't you seen anyone?

You won't be fooled, will you?

However, if that Fang Qifo was playing tricks on him, he would not have helped him leave at that time!

Whoa!

Just when Yue Feng was secretly anxious, suddenly, there was a commotion not far away.

Yue Feng looked up subconsciously, and saw a lot of people surrounded by the street in front of him, and the water was blocked!

This chapter is provided by . Visit for daily update.

In the crowd, stood a pretty figure, which was particularly eye-catching.

Sikong Yanran? !

And behind Sikong Yanran, it was her four senior brothers!

How are they here?

Seeing Situ Yanran, Yue Feng was stunned. Three years ago, after the war between Kyushu and Rakshasa ended, he never saw her again. Didn't expect to come across it here.

Thinking to himself, Yue Feng walked over slowly.

As soon as I squeezed into the crowd, I saw a few people dressed as mercenary groups holding some animal skins for sale.

One of the leaders was showing a snow-white fur to the people around him, and the introduction was flying: "Did you see it, this is the skin of a snow tiger, has Xuehu heard of it? In the depths of the snow-capped mountains in the wild and strange land, the lowest strength is the Martial Saint realm, it is difficult to kill..."

"Tell you, this Snow Tiger, we chased for a whole month before we succeeded in killing..."

Wow!

Hearing this, everyone around was in an uproar, and many people were amazed.

"Xuehu, it's the first time I've seen it!"

"This fur is really nice!"

Seeing this scene, Yue Feng couldn't help but chuckle, then quietly watched Sikong Yanran.

There are three scars on Yue Feng's face, which has changed a lot from his image three years ago, so Sikong Yanran didn't recognize it at all.

Not only Sikong Yanran, but also the four senior brothers did not see Yue Feng.

"How much do you sell for this Xuehu skin?" At this moment, Sikong Yanran stepped forward and asked the man.

Sikong Yanran is ingenious. Recently, I wanted to make a soft armor for self-defense, but I couldn't find any good materials. I passed by here today and saw these mercenaries selling snow tiger skins on the street, and I was immediately attracted.

The person who introduced the snow tiger skin was called Xu Hong. Seeing Sikong Yanran asking, he smiled and stretched out his five fingers: "Beauty, this snow tiger skin is of the highest quality, with five hundred thousand Kyushu coins."

Five hundred thousand?

Hearing this number, everyone around them exclaimed, it's so expensive.

Sikong Yanran was indifferent, without the slightest fluctuation.

As the eldest lady of Ice and Fire Island, 500,000 is not expensive for her at all.

At this time, the four senior brothers behind him stepped forward and prepared to pay.

"Wrap it up for our little junior sister."

"It's not allowed to raise the price."

Soon, the snow tiger skin was wrapped, and the four brothers had to pay, just then, a faint voice sounded: "Just get a white bear skin, Just say it's a snow tiger skin? It's ridiculous!"

It was Yue Feng!

Yes, Yue Feng had been in the wild and strange realm for three years, what kind of beasts had he not seen before? In particular, Xuehu, who had killed several of them, was the most familiar. Just now, he could tell at a glance that the mercenaries were not selling snow tiger skins at all, but counterfeit white bear skins.

Chapter 2687

Swish!

In an instant, the audience was silent, and all eyes were focused on Yue Feng!

Who is this kid? To say that this snow tiger skin is fake?

Xu Hong was displeased, looked at Yue Feng up and down, and said coldly: "Who are you special? Dare to make trouble here, don't want to live? Hurry up!"

"My friend, how do you say this is fake?" Sikong Yanran tilted her head to look at Yue Feng and asked curiously.

While saying this, Sikong Yanran looked at Yue Feng carefully and felt a strange feeling.

Why does this person... look familiar?

Yue Feng didn't answer immediately, but stretched out his hand and said with a smile, "Show me!"

Hearing this, Sikong Yanran handed the wrapped animal skin to Yue Feng!

Yue Feng stretched out his hand to take it, took a look, and revealed a smile: "This skin is not bad, it is rare to see in the Kyushu mainland, but unfortunately, it is not Xuehu's." After

speaking, Yue Feng looked around, Continue: "I have already said that this is a white bear skin, not a snow tiger skin at all."

Mad!

At this moment, Xu Hong couldn't help it, his face was ashen, he looked at Yue Feng and said coldly: "Boy, you keep saying that this is not the skin of a snow tiger, you say it's baseless, what evidence do you have, if you can't show it, don't blame me for being rude!" The

voice fell, and many people around agreed.

"Yeah, you have to show evidence."

"This kid can't be mentally ill, right? Looking at his appearance, I'm afraid I've never seen Xuehu in my life!"

"Haha..."

Hearing the sarcasm, Sikong Yanran frowned and said to Yue Feng, "My friend, you said this is fake! How can you prove it?"

Like the people around, Sikong Yanran thought that the person in front of her was, It's nonsense!

Ugh!

Yue Feng sighed secretly in his heart, this Sikong Yanran is also the eldest lady of Ice and Fire Island. Don't you know that the rivers and lakes are dangerous? The other party's clumsy deception has not yet been seen!

At this time, the four Sikongjia brothers also gathered around.

"Boy, are you looking for this reason to strike up a conversation with our junior sister because she looks beautiful?"

“Tell you, our brother-in-law is called Yue Feng...”

“So you should be more acquainted, hurry up.”

Hearing this After saying that, Sikong Yanran’s beautiful face suddenly turned red, and she stamped her feet: “You all shut up!”

These four senior brothers are really open-mouthed, how can they talk about themselves and Yue Feng? .

Haha...

Yue Feng is also overjoyed, these four brothers are still so interesting.

To be honest, Yue Feng really wanted to reveal his identity at this time, but thinking of the upright personalities of these four brothers, he was afraid that if he admitted that he was Yue Feng, they would be forced to go to Icefire Island.

“Boy!”

At this time, Xu Hong lost his patience, pointed at Yue Feng and scolded: “If you can’t say why, just get out!”

Yue Feng ignored it, smiled coldly, silently urged his inner strength, raised his hand to A smear on the hide.

This animal skin was originally covered with faint stripes, but at this moment it disappeared without a trace!

This...

At this moment, Xu Hong’s expression changed, and he couldn’t help but take a deep breath!

Mad, how did this kid know this secret? Even the stripes on the animal skin were lost?

“Oops, the stripes disappeared? What’s the situation?”

“What’s the situation?!”

At the same time, many people around also noticed it and shouted.

Sikong Yanran stared blankly at Yue Feng, her beautiful face was also extremely surprised.

Yue Feng laughed, looked around, and said slowly: "Although Xuehu has snow-white fur, like other tigers, it also has stripes in the shape of a king. This type of stripes is difficult to fake, but in some cultivators, But I can use a special kind of elixir to make this kind of stripes."

"This kind of fake stripes can't be washed away by water or burned by fire, but it can still be dispelled by internal force."

After saying the last sentence, Yue Feng Looking at Xu Hong with a half-smile, "How is it? What else do you have to say now?"

Chapter 2688

Speaking of which, Yue Feng was in a hurry to join Fang Qifo, and he didn't want to meddle in these business affairs.

But since he met Sikong Yanran, Yue Feng didn't want to stand by and watch. After all, in Yue Feng's heart, Sikong Yanran was also his confidante.

Whoa!

At this moment, everyone gathered around to see the animal skin on Yue Feng's hand.

Even Sikong Yanran and the four senior brothers couldn't help but take a step forward. When they checked it carefully, they saw that the stripes on the animal skin had disappeared and nothing remained.

It seems that this snow tiger skin is really fake? !

Sikong Yanran couldn't hide the consternation in her heart, looked at Yue Feng carefully, and a strange feeling rose in her heart.

This man is amazing, he knows so much...

but... why does he want to help himself?

Yue Feng looked at Xu Hong and said with a smile: "In the past two years, many mercenary groups have emerged in the Kyushu continent to explore the wild and strange realms, but there are also many liars among them. If my guess is correct, you are not real at all. A mercenary group, but a liar who specializes in selling fake animal skins, right?"

"Good boy!"

Hearing this, Xu Hong's face turned blue and white, and he said angrily: "If you dare to smash your father's job, I think you are alive. I'm getting impatient, just wait for me!"

After saying that, Xu Hong signaled his accomplice and hurriedly called someone.

Yue Feng guessed right, Xu Hong's group is not a mercenary group, but a group of charlatans.

"Let's go!"

Seeing this scene, Sikong Yanran couldn't help but said to Yue Feng, "Thank you for helping me, but this is someone else's chassis after all. Before their helper arrives, go away!"

Yue Feng smiled and said it was all right.

Just as he was talking, he heard footsteps coming from the street not far away, and then a slender figure walked over quickly, looking around while walking, his delicate face was full of eagerness, obviously looking for someone. .

It is Meihui!

A few hours ago, under the insistence of Fang Qifo, Mei Hui reluctantly escaped from the Qingyun Sect prison.

Along the way, Meihui realized that Fang Qifo was in bad luck, and was heartbroken, but she insisted on rushing to this small town, because she knew that her eldest brother Yue Feng was waiting for her here.

call!

Seeing Meihui, Yue Feng was very excited, and at the same time he couldn't tell the guilt in his heart. As Meihui's righteous brother, he has not taken good care of her in these years. On the contrary, because of himself, the Ouyang family has been implicated, and this little sister has suffered a lot because of it!

Swish!

At this moment, the eyes of the people around them all focused on Meihui, and they were deeply attracted.

Especially many men, their eyes are straight.

beautiful! So beautiful.

Just now, when everyone saw Sikong Yanran, they were already amazed, but they didn't expect that another beautiful woman would come. These two women stood together, each with their own merits.

This...

At this moment, Sikong Yanran stared blankly at Meihui and was stunned.

Isn't this the second young lady of the Ouyang family? How would it appear here?

At this moment, Sikong Yanran didn't realize that the man beside her was Yue Feng, who she was thinking of.

"Big brother!"

At this moment, Meihui swept her gaze across the crowd, locked Yue Feng at once, then gave a coquettish cry, ran over, and threw herself into Yue Feng's arms, almost crying with joy: "Brother, I knew you would be here. Waiting for me here." As

she spoke, Mei Hui hugged Yue Feng tightly, for fear that in the blink of an eye, the person in front of her would disappear.

At that time, in the main hall of Qingyunzong, because of her identity, Meihui held back her emotions and did not dare to recognize Yue Feng. At this time, when she arrived in this small town, there were no enemies around, and Meihui could no longer restrain her emotions.

"Little sister... I'm sorry for worrying you..." Yue Feng smiled and said softly.

When he said this, Yue Feng was full of guilt.

Three years ago, Meihui was still so pure, but now she has become a lot more mature, and she has lost a lot of weight, which makes people feel distressed.

During her absence, the little sister did not know how much she suffered...

Thinking to herself, Yue Feng thought of something, and couldn't help but ask, "By the way, why are you alone? Where is your master?" Seven Buddhas, Yue Feng was full of doubts.

Chapter 2689

How did he and Meihui know each other? Why did Meihui ask him to be her teacher?

"Wow..."

Seeing Yue Feng mentioning her master, Meihui couldn't hold back any longer and burst into tears: "Brother, my master he...he..." As

she said, Meihui wiped away tears, Talk about the situation at the time!

What?

Knowing the situation, Yue Feng was shocked, and the whole person was stunned there.

The next second, Yue Feng clenched his fists tightly, his eyes flashing with endless anger. At the same time, he did not forget to comfort Meihui: "Little sister, don't worry, if something happens to your master, I will definitely avenge him."

Well!

Hearing this, Miu nodded. If someone else said this, she might laugh it off. After all, the other party is Zhang Jiao, who is powerful, but the big brother is different, he has this strength.

Whoops!

At this moment, Xu Hong walked over quickly with a group of people, and in a blink of an eye, they surrounded Yue Feng and Meihui.

In the next second, Xu Hong glared at Yue Feng and shouted: "Boy, you are very courageous. If you dare to break my business, you must break one of your legs today." After

saying that, Xu Hong waved his hand, and the surrounding companions They pulled out their weapons.

The atmosphere suddenly became solemn, and the smell of gunpowder was full.

The crowd watching the lively around quickly stepped back, afraid of getting into trouble.

call!

Seeing this scene, Yue Feng's expression was indifferent, not panic at all.

At this moment, Mei Hui's body flashed and blocked in front of Yue Feng.

Immediately, Meihui looked around at Xu Hong and said coquettishly, "You guys are so bold, you bully people because of the number of people, right? Do you know who he is?"

Hmm?

Xu Hong's eyes flashed, he looked up and down at Meihui, and said with a smile: "Where is the beauty from? She has a very hot temper. Let me tell you, this kid has cost me a lot of money. Today I have to mutilate him!"

Said After that, Xu Hong walked towards Meihui and continued with a smile: "However, since you are in his gang, beauty, as long as you promise to accompany me to drink, I can consider letting him go."

"Blind your dog eyes, get out. "

You don't eat or drink for a toast!"

Feeling the contempt of Meihui, Xu Hong suddenly became angry, and greeted his accomplices, he must do it!

"Yue Feng?"

At this critical moment, Sikong Yanran, who had been standing beside him, stared at Yue Feng, unable to hide his excitement: "You...you are Yue Feng? Where did you go, what's the matter with the scar on your face?"

When he said this, Sikong Yanran's beautiful face was full of excitement!

What?

In an instant, the eyes of the audience converged on Yue Feng.

He...he is Yue Feng?

Whether it was Xu Hong or everyone present, their hearts were shocked, and they were all dumbfounded.

Over the years, there have been many strong people in Kyushu, but Yue Feng is definitely the most famous one, the Sect Master of Tianmen, the Emperor of Xi Cang, who later fought against Yang Jian, became famous in Kyushu, and then united Kyushu against the Rakshasa clan.

It can be said that Yue Feng's name is known to everyone in Kyushu.

It's just that they never thought that such a famous big man would appear in this humble town!

Holy crap ...

Yue Feng scratched his head and looked at Sikong Yanran very complicatedly. I wanted to hide my identity, but I didn't expect it to be revealed in the end.

"You..."

At this time, Xu Hong reacted and looked closely at Yue Feng, full of disbelief: "You are Yue Feng, the sect master of Tianmen?"

When he asked this, Xu Hong's voice trembled, and he almost stood there. unstable.

It's over, this time I hit the iron plate. I thought it was just a nameless person, but I didn't expect that the other party was so big.

Chapter 2690

Yue Feng looked at Xu Hong quietly, and said with a chuckle: "What? How many people pretend to be me in this world?"

This...it's really Yue Feng!

Hearing this, Xu Hong was completely panicked, and kept bowing to Yue Feng: "Yue Daxia, Sect Master Yue, I have eyes but don't know Mount Tai. I have offended you a lot just now. I hope you don't remember the villain!"

Said Wake up, since Yue Feng disappeared in the Wild and Strange Realm three years ago, people in many places have come out to swindle in the name of Yue Feng. Xu Hong has encountered several.

However, Xu Hong has been walking in the arena for so many years, and he also understands how to observe the words and feelings. This one, whether it is temperament or aura, is not pretended by ordinary people, it is definitely the real Yue Feng!

At this moment, Xu Hong apologized, and hurriedly handed the white bear skin to Sikong Yanran's hand.

In Xu Hong's heart, Sikong Yanran is so beautiful, she is definitely Yue Feng's woman, she almost lied to her just now, so she apologized with this white bear skin!

Sikong Yanran hesitated, but accepted.

I didn't expect this kid to be able to do things!

Seeing this scene, Yue Feng's face softened a lot, and he said to Xu Hong: "As a Jianghu person, I will do good things for the people in the future. Stop cheating, you know?"

"I know." Xu Hong's chicken pecks Mi nodded: "Sect Master Yue taught me!"

The accomplices behind him no longer had the arrogance they had before, and they nodded and bowed at Yue Feng one by one.

At this moment, the four Sikongjia brothers next to him also reacted, and surrounded him with excitement.

“Haha... It turned out to be Yue Feng!”

“Good brother-in-law, you have been missing for three years. I don’t know how much our little sister misses you.”

“It’s been a long time to meet again, you must not be drunk or not, you have to treat yourself..”

Seeing the four senior brothers, he began to speak openly again, Sikong Yanran blushed, couldn’t say shy, and wanted to scold him at this time, but it was obvious Yue Feng, who was on the side, held back again.

“Haha.”

Listening to the four brothers, I shouted one sentence at a time, Yue Feng showed a smile and nodded: “I’m also very happy to see you. Since the four brothers said it, let’s have a good drink.”

To be honest, Yue Feng likes these four upright senior brothers very much. Although each of them is quite a tiger, at least they are much stronger than those hypocrites.

Moreover, Yue Feng also wanted to find a place to rest, and then make a good plan.

“Sect Master Yue!”

At this moment, Xu Hong came over and said to Yue Feng, “There is a good inn on the street, and the boss and I are friends. Since Sect Master Yue and his friend have been together for a long time, let the young man arrange it. Well, it can be regarded as an apology for what happened just now.”

When he said this, Xu Hong looked expectant.

Yue Feng nodded: “Okay! You can arrange it!”

Speaking of which, Yue Feng didn’t want to trouble others, but this Xu Hong has a little reputation in the local area. Trouble.

More importantly, Yue Feng continued to investigate the situation of Qingyunzong, and it was most suitable for this Xu Hong to do the work for him. After all, he is not one of his own, even if he is caught by Zhang Jiao’s people, nothing will be revealed.

Seeing Yue Feng agree, Xu Hong was very excited and hurried to make arrangements.

Half an hour later, Yue Feng and Sikong Yanran, as well as Mei Hui and others, were sitting on the second floor of the street inn, drinking fine wine and chatting.

After learning about Yue Feng's experience, Sikong Yanran was very angry.

"This Zhang Jiao is so despicable." Sikong Yanran frowned and said to Yue Feng, "How to use this despicable method to deal with you and the Ouyang family, and still want to be the supreme ruler of Kyushu? This kind of fear that the world will not be in chaos. You must get rid of them as soon as possible."

Saying that, Sikong Yanran bit her lip and continued, "Yue Feng, if you need my help, just say it."

Phew!

Hearing this, Yue Feng was very moved. Although she was caught by her father and made a ridiculous wedding, I have to say that this Sikong Yanran is really a good girl, kind-hearted, considerate, justice.

Thinking about it, Yue Feng was about to respond.

"Sect Master Yue!"

At this moment, Xu Hong walked in from outside and said to Yue Feng very complicatedly: "I just went to check the situation of Qingyun Sect with my brother."

Half an hour ago, Yue Feng let Xu Hong went to Qingyunzong to check the news, Xu Hong agreed decisively, and quickly brought back the news.
