

The ultimate husband in Chinese chapter 2691-2700

Chapter 2691

“What’s the situation?” Yue Feng asked quickly.

Mei Hui and Sikong Yanran next to her also looked at Xu Hong closely, waiting for his answer.

Especially Mei Hui, when she thought of Fang Qifo’s safety, her heart became extremely anxious.

Xu Hong breathed a sigh of relief, and said slowly: “I heard that Zhang Jiao ordered everyone to be repaired and is going to the Holy Sect tomorrow.”

Going to the Holy Sect?

Hearing this, Yue Feng was stunned for a moment, then frowned, and Chang’e’s beautiful face appeared in his mind for the first time.

Zhang Jiao is going to Shengzong, and the purpose must be Chang’e.

No matter what his purpose is, he must not be allowed to succeed.

Muttering in his heart, Yue Feng pondered for a while, then nodded and said, “It looks like I’m going to the Holy Sect.” The

voice fell, and the four Sikongjia brothers were all excited.

“I heard that Shengzong is a hidden sect. This time I finally have a chance to see it.”

“Yes, let’s go together!”

Sikong Yanran didn’t say anything, but she kept her eyes fixed on Yue Feng, obviously planning to go together.

However, Yue Feng thought about it for a while, but shook his head at the four brothers: “Four senior brothers, my little sister and I can go to the Holy Sect. You and Miss Yanran, please help me with another thing.

” The four brothers were very reluctant.

This chapter is provided by . Visit for daily update.

Sikong Yanran was also a little disappointed, but she was gentle, not very excited, but asked softly, “Yue Feng, what do you want us to do?”

Huh!

Yue Feng took a deep breath and said word by word: "I want you to help me visit Nanyun Continent, Tianqi Continent, and Xi Cang Continent, explain my situation, and ask these three continents to send troops to support.

"At that time, Yue Feng's face was full of helplessness. Originally, he respected and humbled himself to go to this matter.

But there was no way. Now Zhang Jiao sent people to search for his whereabouts. I am afraid that Zhang Jiao would know about it before he reached the Nanyun Continent.

"Okay!" Sikong Yanran's eyes shifted and she nodded.

As long as you can help Yue Feng, you can do whatever you want.

Seeing her promise, Yue Feng nodded in relief, and then said to Meihui: "Little sister, go to the Holy Sect with me, and try to get ahead of Zhang Jiao! Don't worry about your master's business. After we meet Empress Chang'e, let's make plans."

Hmm!

Miu nodded.

It was agreed that Yue Feng did not stop, separated from Sikong Yanran and the others, and took Mei Hui on the road, rushing in the direction of Shengzong.

.....

this moment, the other side!

At the bottom of the endless abyss, Jed, Zang Shuiyue and others reacted, and then probed into the deep hole!

After entering the deep cave, everyone in Jade couldn't help shivering, and they saw that it was unfathomable and didn't know how deep.

At this moment, everyone in Jade was extremely nervous.

Is this hell?

In the tense, everyone was curious and continued to probe inside.

Yes, the road that Jed and the others took, was the same as the way Wen Chou Chou took before. It was the way to guide the soul of the ghost world. The way to guide the soul is all over the continent of Kyushu, but the entrance is extremely secret.

I don't know how long it took, Jed and everyone came to see a black man from the city!

It is the underworld of the ghost world!

Whoops!

At this moment, before Jed and the others could react, a team of underworld soldiers rushed out and surrounded the crowd.

Chapter 2692

"Who's here? Dare to trespass into the underworld?"

"Arrest them all!" A

cold shout came, these underworld soldiers took out chains and tied Jade and the others, who were caught by the ghosts of the ghost world. The suppression of qi can't be resisted at all.

Hades? It's over, this is really what the Kyushu people call hell.

At this moment, everyone in Jade looked desperate!

A few minutes later, the Jade people were taken into the hall of Hades.

In the center of the hall, Pluto was sitting there, dressed in black and gold robes, with a powerful aura and a suffocating aura.

"How did you break into the ghost world?" Hades looked at Jed and asked coldly.

Jed and others are all stupid! Too scared to speak.

call!

At this time, a figure standing beside Pluto was faintly shocked, very shocked.

It's Wen Chou Chou!

At this time, Wen Chou Chou looked at Jade and the others, frowning!

What happened to these Rakshasa people? Accidentally discovered the entrance to the ghost world, and came in to investigate?

Thinking to himself, Wen Chou Chou did not speak, but quietly watched. Although he is now the messenger of Hades, the scene in front of him is not qualified to speak at all.

“Pluto asked, are you all dumb?”

At this time, a Pluto soldier came over and yelled at Jed and others, “How did you come here? Tell the truth?”

Pluto?

Hearing this, Jed couldn't help taking a deep breath.

The next second, Jed tried his best to calm himself down, and respectfully said to Hades: “Your Majesty, Pluto, misunderstanding, we didn't mean to break into the ghost world, and this misunderstanding...”

After speaking, Jed explained the situation in detail. , Zang Shuiyue and others next to him nodded in agreement.

What?

Upon learning of the situation, Wen Chou Chou was calm on the surface, but was extremely shocked in his heart.

Rakshasa clan infighting?

The Pluto next to him looked suddenly: “So it is!”

“His Majesty Pluto!” Jed quickly knelt on the ground and said to Pluto: “We broke in by mistake, I hope Pluto Mingjian, let us go back!”

Go back?

Hearing this, Hades couldn't help laughing, with no emotion in his tone: “The ghost world is the final destination for all beings in the world, isn't it that you can come and leave if you want?” The

voice fell, and a ghost beside him Bing followed with a sneer and said: “When you reach the ghost world, you are dead, understand?”

What?

Jed's face changed, and cold sweat broke out all over his body.

I thought it was just an abyss hole, but I didn't expect it to be the entrance to the ghost world. If I knew this, it would be better to be beheaded by Mona directly.

Thinking to himself, Jed's face was full of misery, and he shouted at Pluto: "His Royal Highness Pluto, we are not going to die, we just broke in by mistake and begged His Majesty Pluto to open up and give us a chance. "

This is the rules of the ghost world, how can you change it at will?" Hades responded coldly.

Having said that, Hades looked at Jed and others, changed his mind, and said lightly: "However, seeing that you are indeed wronged, I can give you a chance to go back, but you have to promise me a condition!"

Hearing this, Jed was overjoyed and quickly said, "Your Majesty, please tell me!" You can only live, not to mention one condition, just one hundred conditions.

Seeing his simple answer, the corners of Pluto's mouth twitched, and he said word by word, "The conditions are very simple. From now on, you must obey my orders and be loyal to me for the rest of your life. You must not have two hearts!

" The minds of Jed et al!

What? !

Hearing this, Jade and Zang Shuiyue and the others behind him were stunned, and they all stood there on the spot!

Allegiance to Pluto for the rest of your life?

Chapter 2693

After a few seconds, Jed was the first to react, hesitated, and finally took a step forward, respectfully saying to Hades: "It is my honor to serve Hades!"

Jed is not stupid, knowing that he would not agree, Never want to go back.

Moreover, Pluto is the ruler of the ghost world, and his strength is unfathomable. With such a backer, what is he afraid of Mona?

"My subordinates see Pluto!"

Zang Shuiyue and the others did not hesitate and knelt down for a while.

The situation at hand is very obvious. If you don't agree, you will be trapped here forever and become a living dead. They are not fools. Who doesn't want to go back?

Seeing this scene, Hades was very satisfied and showed a smile!

This...

Seeing this scene, Wen Chou Chou furrowed his brows and was very shocked.

What's the situation, Hades recruited this group of people? Are you going to send them back? He is the master of the ghost world, so this decision is too casual, right?

"Okay, very good!"

Just when Wen Chou Chou was secretly wondering, Pluto looked around and ordered Jed and others: "It seems that you are all smart people who know how to make the right choice.

"Pluto's expression became serious: "Before sending you back, I will give you the first task!"

"Please make it clear, Your Majesty!" In an instant, Jed and the others responded in unison, each with a very respectful expression.

Pluto stood up slowly, and the powerful aura filled the entire hall: "After you go back, first bring your own people, split from the Rakshasa clan, and set up a new clan, the name has been thought out for you, and it is called Shura. Clan!" The

tone was indifferent, but there was no doubt!

Yes, Pluto has ruled the ghost world for many years, and he was tired of it. A long time ago, he wanted to infiltrate his power into Kyushu, but he never had the chance. Now that he sees these people like Jed, Pluto knows that the opportunity is coming. You must know that Jade and these people are the strongest warriors of the Rakshasa tribe, and it is most suitable for them to be the vanguard!

Whoa!

Hearing this, Jed and the others were all shocked and inexplicably excited!

Immediately, Jed and everyone said in unison: "Follow your majesty's order!"

They knew that the Rakshasa clan would not tolerate the open rebellion against Mona before, but now, Hades asked them to form a new tribe and evacuate from Mona, of course it is desirable.

This...

At this moment, Wen Chou Chou, who was standing there, hummed in his head, completely stunned.

Hades wanted to split the Rakshasa clan, what was he going to do? Participate in the situation in the Kyushu mainland?

....

the other side!

Yue Feng and Meihui, after several hours of flight, finally arrived at the foot of Shengzong Mountain!

call!

At this moment, looking at the fairyland-like scene in front of him, Yue Feng was filled with emotion.

Back then, he was hunted down by King Guangping, and he and Ren Yingying wandered into the sea. By chance, he joined the Holy Sect and became a disciple of the Xingmu Temple. Unexpectedly, after a few years, he came back!

Mei Hui stood by the side, also stunned.

What a beautiful place, is this a wonderland?

A few seconds later, Yue Feng said to Mei Hui: "You wait for me here now, I'll go up and check the situation first! Remember, don't walk around!"

Meihui snorted, somewhat reluctantly, but when she saw the words 'Do not enter outsiders' written on the stone tablet in front of her, she held back.

Yue Feng said no more and walked towards the top of the mountain!

Soon, at the entrance of the mountain gate, Yue Feng stopped!

I saw that there were some stone pillars lined up around the entrance of the mountain gate. It looked ordinary, but it contained a mystery!

Yue Feng could see at a glance that this was a formation.

Three years ago, after Chang'e decided to practice in the Holy Sect, Lu Dongbin, the head of the Sacred Sect, deliberately deployed a stone formation here in order to prevent some people from breaking into the Sacred Sect and disturbing Chang'e.

"This formation is so mysterious, it should be Lu Dongbin's handwriting!" After watching for a few seconds, Yue Feng smiled and couldn't help but mutter to himself.

"Who is it?"

As soon as the voice fell, a coquettish shout came, and then, a slender figure came out, with a delicate face full of alertness.

Chapter 2694

It is Liu Qingqing, the senior sister of Xingmu Tan.

Seeing Liu Qingqing, Yue Feng was overjoyed.

Yue Feng remembered very clearly that when he joined Xingmu Tan, he pretended to be a fisherman, and everyone looked down on him. Only this Liu Qingqing took great care of himself.

I have to say that Liu Qingqing is also a first-class peerless beauty. After three years of absence, she has become even more charming.

At this time, Liu Qingqing was dressed in a long light yellow dress, which set off her exquisite figure, and her hair was draped over her shoulders like a waterfall, which made her look immortal.

Yue Feng was about to say hello, but was interrupted by Liu Qingqing.

“Who are you, and why did you break into my sect?” Liu Qingqing asked with a calm expression.

Yes, Yue Feng spent three years in the wild and strange realm, leaving three scars on his face. The appearance and temperament are very different from before, and Liu Qingqing can't recognize it at all.

Uh...

Yue Feng is very embarrassed. I haven't seen him for three years, and my senior sister doesn't know me anymore.

But that's fine too!

Thinking to himself, Yue Feng bowed his hands politely: “I'm under the dust, it's sent by the Tianmen Sect Master Yue Feng, and I'm looking for Empress Chang'e to report something important!”

Since the senior sister didn't recognize her, she'd be wrong, you know. , Liu Jintan and Yue Feng have some grudges. If they learn that Yue Feng is back, they will definitely play tricks in secret.

Yue Feng was eager to see Chang'e, and didn't want to cause trouble outside the festival.

Moreover, Senior Sister has always been kind to herself. If she knew that she was the one sent by her, she would definitely not neglect her!

really!

Hearing this, Liu Qingqing's eyes lit up: "Are you sent by Junior Brother Feng? Come in!" After speaking, he led Yue Feng through the stone formation.

In Liu Qingqing's heart, although Yue Feng is a famous person in Kyushu, but in her, she will always be her junior brother. This is not to prove her status, but to feel kind.

Soon, under the leadership of Liu Qingqing, Yue Feng entered the forbidden area of the back mountain.

Along the way, there were many disciples of the Holy Sect, looking at Yue Feng curiously, especially some female disciples, all of them laughed secretly.

Who is this person? Dressed like a beggar, silly, so funny!

Feeling the eyes of those disciples, Yue Feng looked indifferent!

Seeing his expression, Liu Qingqing nodded secretly, admiring it.

It is worthy of being sent by Junior Brother Feng, but this temperament is not comparable to other sect disciples. You must know that the Holy Sect is a well-known hidden world sect in Kyushu. Ordinary people will come in with fear. But this dust-free, but surprisingly calm, is really rare.

Thinking about it, Liu Qingqing couldn't help but remind: "Wuchen, Shengzong's gate is strict, don't rush in, and don't talk nonsense when you get to the resting place of Empress Chang'e, you know?"

Yue Feng laughed He smiled, nodded and said, "Understood!"

Just as he was talking, he saw a sexy figure walking in front of him. He was about the same age as Liu Qingqing. He was wearing a long pink dress, and his facial features were so beautiful that it evoked reverie. arrogance.

It is the senior sister of Liujintan, Zhang Na!

Nima!

Seeing Zhang Na, Yue Feng frowned, how did he meet this woman?

Yue Feng can't forget that when he joined the Shengzong, Liu Jintan was looking for trouble for himself everywhere because of the grievances with Xingmu Tan, especially

this Zhang Na, who deceived herself to the back mountain at that time and almost killed herself.

Swish!

At this moment, Zhang Na also saw Yue Feng, her eyes first glanced at Yue Feng with contempt, and then locked on Liu Qingqing.

Liu Qingqing wanted to introduce the surrounding scenery to Yue Feng, but when she saw Zhang Na, her mood instantly became worse!

“Wuchen, let’s go.”

Liu Qingqing spoke softly and stepped up at the same time, apparently too lazy to talk to Zhang Na!

However, many things in the world are so unwilling!

Chapter 2695

Just a few steps away, Zhang Na’s mean voice came from behind: “Liu Qingqing, what are you doing walking so fast? Are you so scared when you see me?”

Liu Qingqing stopped and looked back at Zhang Na, said lightly, “Why should I be afraid of you?”

Zhang Na chuckled and looked at Yue Feng up and down: “Who is this person? He’s dirty all over, like a begger.” With

that, Zhang Na pointed at Liu Qingqing He asked, “Don’t you know this is a forbidden area? You even brought in an outsider. Have you forgotten the rules?”

Seeing this scene, Yue Feng frowned secretly.

This Zhang Na really hasn’t changed at all. Three years later, she’s still like that.

Liu Qingqing looked at Zhang Na and said unceremoniously, “Zhang Na, I don’t seem to need to report to you about what I’m doing. As for this person, he’s here to see Empress Chang’e, don’t make trouble, let me “Go!”

“Want to see Empress Chang’e?”

Hearing this, Zhang Na smiled coldly, her face full of contempt: “Liu Qingqing, your brain is flooded? Empress Chang’e is a goddess in the world, a fairy-like existence, but Not everyone can see it!”

“Also, who knows where this man is dressed in this outfit?”

“Let me guess, this man is not your face at the foot of the mountain, okay? I want to bring him in. , if you join the sect, you will be able to be together every day? Hehe, don't forget the rules of our sect, you will be found out by the sect master, but you will be expelled from the sect!”

When he said the last two sentences, Zhang Na's face is mean!

Liu Qingqing was so angry that her delicate body trembled: “Zhang Na, keep your mouth clean. Let me tell you, this person was sent by Yue Feng, and she has something serious to report to Empress Chang'e!”

Yue Feng's person?

Hearing this, Zhang Na was stunned for a moment, and then her expression became extremely wonderful.

“Tsk tsk.”

Zhang Na looked at Liu Qingqing with sarcasm in her eyes: “I said why you protected him like this, it turned out to be someone sent by Yue Feng, when Yue Feng was a disciple in Shengzong, you two It's not normal. Later, I found out that Yue Feng is the sect master of Tianmen. I can see how excited you were at that time

.

To help Yue Feng, do you want to be the wife of the Tianmen Sect Master?” I

have to say, Zhang Na is bitter and mean, and these words bring out her character to the fullest.

“You...”

Zhang Na stomped her feet angrily, her face flushed, and she didn't know how to refute for a while.

That's right, she has a crush on Yue Feng, but it's not as exaggerated as Zhang Na said.

Nima!

At this time, Yue Feng couldn't stand it anymore. Mad, Zhang Na, is really disgusting. She is also beautiful. Liu Qingqing is so kind, why is Zhang Na so vicious?

Muttering in his heart, Yue Feng couldn't help pulling Liu Qingqing, and said slowly, "Take me to see Empress Chang'e first, a dying person, there is no need to talk to her."

When he said this, Yue Feng said He glanced at Zhang Na lightly.

Yue Feng noticed just now that Zhang Na was holding a Xuan Huangcao in her hand. Xuan Huangcao was a positive elixir, which had the effect of nourishing blood and nourishing qi. Moreover, Yue Feng remembered that Zhang Na was practicing negative exercises.

Obviously, Zhang Na's cultivation has reached a bottleneck, and her body is too yin, so she wants to suppress it with Xuan Huangcao, but yin and yang overcome each other. In her situation, using too much Xuan Huangcao is very dangerous and will endanger her life.

Yue Feng could see from Zhang Na's face that she had used a lot of black yellow grass during this period of time. It can be said that the hidden dangers in her body have already been planted, so she said this.

Swish!

Hearing this, Zhang Na's face changed, like a cat whose tail had been stepped on, and scolded Yue Feng: "Blind your dog's eyes, do you know who I am? You dare to curse me?"

As Liu Jin The eldest sister of the altar, whoever sees it rudely gives three points, but this person actually says that he is a dying person, which is too hateful.

"Wuchen!"

Liu Qingqing was also too anxious, so he couldn't help pulling Yue Feng: "Don't talk nonsense."

This person is true, he just told him not to talk nonsense, but he didn't listen. Na is the most vengeful, how can he afford it?

The ultimate husband in Chinese chapter 2696-2700

Chapter 2696 The

movement has attracted a lot of onlookers!

"What's the matter?"

At this moment, more than a dozen people came slowly and served in a uniform Liujin altar. The one at the head, with a majestic face and a strong aura, was the master of the Liujin altar, Xie Liuyun.

Xie Liuyun just tested the progress of his disciples' cultivation. After passing here, seeing Zhang Na arguing with others, he came over curiously to take a look.

“Master?!”

Seeing Xie Liuyun and many junior brothers, Zhang Na hurried up to meet her, and at the same time looked at Liu Qingqing's eyes with a hint of pride.

broken!

Liu Qingqing's pretty face changed, and her heart suddenly became uneasy.

The altar master of Liujin altar is here, isn't Zhang Na even more arrogant? How to do?

“Teacher!”

At this time, Xie Liuyun came over and asked Zhang Na, “What are you arguing about here?” The voice was not loud, but full of majesty.

At the same time, Xie Liuyun's eyes couldn't help but look at Xia Yuefeng, full of contempt.

“Master!”

When Master was present, Zhang Na was full of confidence and pointed to Liu Qingqing and said, “Liu Qingqing of Xingmu Tan brought outsiders into the forbidden area in private, violating the rules of the house. When I said a few words to her, she not only didn't listen. , and said I was nosy.”

When saying this, Zhang Na looked at Liu Qingqing provocatively.

This chapter is provided by . Visit for daily update.

What?

Hearing this, Xie Liuyun frowned and asked Liu Qingqing, “Is that so?” The Liujin

altar and the Xingmu altar have always had grievances. The disciples, naturally did not have a good face.

“Thank you, altar master!”

Liu Qingqing bit her lip tightly, and argued with reason: "don't listen to her nonsense, I didn't lead anyone into the forbidden area, this is sent by the Tianmen sect master Yue Feng, I have something important to see Madam Chang'e."

"It's your disciple Zhang Na, who is so troublesome and insists on blocking my way."

When he said this, Liu Qingqing looked calm, and he was not afraid of the shadow, let alone Xie Liuyun here, even if it was There is nothing to be afraid of when the headmaster is present.

What?

Hearing this, Xie Liuyun and the people around were stunned.

Especially Xie Liuyun, his brows furrowed, his face suddenly hard to look at, is this kid in front of him from Yue Feng? Since this is the case, he must not be allowed to see Chang'e.

When Yue Feng changed his name and surname, and joined the Holy Sect, he made Xie Liuyun ugly several times, and it could be said that he was embarrassed. Those humiliations will never be forgotten by Xie Liuyun for the rest of his life.

The disciples of the surrounding Liujin altar also locked their eyes on Yue Feng, unable to hide their hostility.

The image of Yue Feng has changed a lot from three years ago. At this time, these people, like Liu Qingqing, did not recognize them.

call!

Looking at Xie Liuyun's face, Yue Feng frowned secretly.

It's broken. He and Xie Liuyun have such deep grievances. Knowing that he was the one sent by him, he would definitely stumble in secret.

"Boy!"

Finally, Xie Liuyun calmed down and looked at Yue Feng up and down: "Are you sent by Yue Feng?"

Yue Feng smiled and nodded: "Yes!"

Xie Liuyun sneered, with a bit of mockery in his tone: "Yue Feng concealed his identity back then and infiltrated our holy sect, this matter has not yet been settled, and now he wants to see Empress Chang'e? He really regards himself as a character. "

I tell you, without the approval of the head of the family, you can't see Empress Chang'e." The

voice fell, and Zhang Na walked out with a sarcastic expression: "Did you hear that kid? You are not qualified to come here at all, hurry up." roll."

Chapter 2697

Immediately, Zhang Na thought of something, and said to Xie Liuyun: "Master, this kid is very rude, he just cursed me to death..." Then he told the situation just now.

boom!

At this moment, all the disciples around Liujintan couldn't help but laugh.

"Haha, who does this kid think he is?"

"Our senior sister's situation, the entire Liujintan knows about it. Speaking of which, the method of using the black yellow grass was taught by the master. If there is a hidden danger, the master will not know?"

"That is, this kid doesn't understand anything at first glance, but he was stopped by Senior Sister, and he was dissatisfied, so he used this method to scare Senior Sister."

The ridicule of the crowd kept coming, and a disdainful smile appeared on Xie Liuyun's face.

In the next second, Xie Liuyun glanced at Yue Feng and said lightly: "Boy, if you are a guest, I will not care about you, and, I want you to understand, what is 'there is a sky outside the sky, someone outside the human being'!"

Said Then, Xie Liuyun gestured to Zhang Na.

Zhang Na understood, she first glanced at Yue Feng proudly, and then stimulated her internal strength to absorb the spiritual power of Xuan Huangcao in her hand and integrate it into her dantian.

At that moment, Zhang Na's face became extremely red, obviously the positive power of Xuanhuangcao had attacked. However, according to her own strength, she could not successfully integrate.

hum!

It was at this moment that Xie Liuyun walked behind Zhang Na, raised his hands, pressed against her back, and began to help the fusion.

Time passed by minute by minute.

Two minutes later, Zhang Na's face gradually returned to normal.

"Thank you, Master!" Zhang Na took a deep breath and thanked Xie Liuyun.

Immediately afterwards, Zhang Na raised her eyebrows and said to Yue Feng, "Hey, boy, have you seen it? You said that I couldn't successfully integrate the power of the Xuanhuangcao, but you didn't know that every time it was the master who helped me, and the master's inner strength was strong. , so I will not leave any hidden dangers." The

voice fell, and the other Liujintan disciples next to him nodded in agreement.

"Yes, this is a country bumpkin, how can he understand such profound things?"

"It's ridiculous to think that he knows everything because he is from Yue Feng." "Boy, are

you stupid? Haha..."

In the compliments of many disciples, Xie Liuyun showed a smile.

Immediately afterwards, Xie Liuyun looked at Yue Feng and said with a smile: "How is it? Boy, what else do you want to say now?"

Yue Feng smiled and said nothing!

"Wuchen!"

At this moment, Liu Qingqing, who had been silent on the side, couldn't help but pulled Yue Feng and whispered: "This is the altar master of Liujin altar, don't mess with it, hurry up Say a few words of apology, don't you have something to report to Empress Chang'e? The real thing is important. "

When she said this, Liu Qingqing bit her lip, feeling very complicated.

To be honest, Liu Jintan and Xingmu Tan have deep grievances and grievances. Liu Qingqing is the most annoying to deal with people in Liujintan. If it is normal, he will never show weakness, but thinking of Yue Feng sending someone to see Chang'e, there must be something important. I decided to endure it for a while.

Seeing Liu Qingqing say this, Yue Feng nodded secretly, signaling her not to panic.

In the next second, Yue Feng looked at Zhang Na and Xie Liuyun again, and couldn't help but chuckle: "Master Xie, it is undeniable that you are indeed very deep inside, if you use this method yourself, it will be alright, but you have overlooked one point."

"Liu Qingqing practiced the Yin exercises, and she didn't reach your realm. You helped her integrate the power of Xuan Huangcao, which seemed to be smooth, but in fact, Xuanhuangcao The remaining positive poison did not completely disperse, but penetrated deep into her dantian."

After speaking, Yue Feng glanced at Zhang Na lightly: "If you don't believe it, try to stimulate your inner strength and inject it into the 'Wind Pond'. You will know the consequences of the acupoints and Yinshen acupoints very quickly."

Yes, Yue Feng didn't want to do too much, but when he saw Zhang Na's complacent appearance, he was very angry. Being killed by her, I couldn't help it.

Whoa!

Hearing this, the audience was in an uproar!

All the disciples of Liujintan, as well as Xie Liuyun, frowned and looked at Yue Feng coldly!

What time is it, this kid is still arrogant?

Chapter 2698

Liu Qingqing stomped her feet even more anxiously!

Can't you endure this dust-free? Do you have to be quick with your tongue?

"Haha!"

Zhang Na sneered and looked at Yue Feng with contempt: "As expected of Yue Feng's subordinate, he has a really thick skin. You have seen my master's method just now, and you dare to say that?"

"You Do you think you are very powerful? Well, I will try it according to your method and see if you will die immediately!" As the

voice fell, Zhang Na used her internal strength to inject her into Fengchi and Yinshen respectively.

At this moment, everyone's eyes converged on Zhang Na.

Xie Liuyun stood there with a smile on his face and an unfathomable attitude.

In his heart, what the person in front of him said was all nonsense. He had already completely helped Zhang Na and fused the positive in his body, how could it be possible to produce positive poison?

Soon, ten seconds passed.

I saw that after Zhang Na injected the inside of the two acupuncture points, her expression was as usual, and nothing happened.

“Boy!”

At this moment, Zhang Na, a junior brother, couldn't help it, and pointed at Yue Feng and shouted: “Boy, what else do you have to say this time? Do you want to pretend to be a character in our holy sect? I think you are wrong. Place!” The

voice fell, and many people around agreed.

“That's right, hurry up and blast this person away!”

“Dare to question our master by dressing up like a beggar? It's ridiculous!”

At this time, Xie Liuyun was too lazy to talk nonsense, and said to Liu Qingqing: “Liu Qingqing, no matter what the origin of this person is, you have violated the rules by taking him into the forbidden area. Next time I'll give you a chance to drive people down the mountain immediately!”

“Remember, if there is another next time, I'll deal with you according to the rules.”

This...

Hearing this, Liu Qingqing bit her tightly. Lips, very embarrassed.

This person was sent by Yue Feng, how could he drive him away? But... if you don't agree, you will definitely cause a conflict with Liujintan. After all, you are only the senior sister of Xingmutan, and you are not qualified to challenge Xie Liuyun.

Seeing Liu Qingqing's embarrassed face, Yue Feng smiled and whispered, “You don't have to worry, they will come to me soon.”

When he said this, Yue Feng looked serious.

Yes, Yue Feng could see that Zhang Na was fine for the time being, but after a while, bad luck would surely occur, because in her situation, injecting internal force into Yinshen and Fengchi acupoints was a very dangerous act.

“Stop talking!” Liu Qingqing stopped in a low voice, not knowing whether to laugh or cry.

Although he is Yue Feng's subordinate, he is a little too confident.

However, although Yue Feng's voice was small, it was still heard by Xie Liuyun and others!

"Made, what did you say?"

"We beg you?"

"What are you daydreaming!?"

At this moment, both Zhang Na and other Liujintan disciples were extremely angry.

Is this kid mentally ill? You are about to be driven down the mountain, and you even said that we will beg you?

"Liu Qingqing!"

At this time, Xie Liuyun lost his patience, his face was ashen, and he said coldly: "What are you still doing, hurry up and take people away and drive down the mountain!"

Alas!

Liu Qingqing's delicate body trembled, then sighed softly, nodded and

said, "Okay, thank the altar master!" After that, she was about to pull Yue Feng away!

Liu Qingqing has thought about it, Xie Liuyun is here, he must not be able to take Yue Feng to see Chang'e, so he will go to the master first, and then let the master arrange Yue Feng and Chang'e to meet.

Yue Feng has an indifferent face, a calm look!

"Wuchen, let's go!" Liu Qingqing whispered to hide the helplessness in his heart.

Having said that, he will leave with Yue Feng!

Um!

However, at this moment, Zhang Na, who was standing there with a smug face, suddenly let out a low-pitched moan, then clutched her stomach and collapsed to the ground.

Chapter 2699 I

saw that Zhang Na's face was extremely pale, cold sweat broke out, and her delicate body kept shaking.

What?

Seeing this scene, both Xie Liuyun and everyone around were stunned!

what's the situation? Wasn't it still fine just now?

Immediately, several disciples reacted and quickly gathered around.

"Senior sister!"

"Senior sister!!"

"Senior sister, what's wrong with you?"

As everyone shouted, Xie Liuyun looked solemn, walked over quickly, grabbed Zhang Na's wrist, and began to count her pulse!

In an instant, sensing the situation in Zhang Na's body, Xie Liuyun's face changed, and he was secretly shocked.

At this time, Xie Liuyun clearly sensed that Zhang Na's dantian's internal force was extremely disordered, and at the same time, a positive force was roaming freely in her meridians.

Impossible, he clearly helped her to successfully integrate.

Xie Liuyun frowned, his face was extremely ugly, and at the same time, he was a little puzzled.

"Master, what's wrong with Big Sister?" a disciple couldn't help but ask!

Xie Liuyun's face was gloomy and he didn't respond!

Zhang Na lay there, her face full of sore spots, and said weakly, "Master, I'm so uncomfortable, my whole body is so hot... I'm really uncomfortable."

At this time, Zhang Na only felt that she was on fire It's as painful as roasting.

This...

Seeing this scene, Liu Qingqing's delicate body trembled, and she stared at Yue Feng blankly, shocked.

He was right, this Zhang Na really had a problem.

At the beginning, Liu Qingqing, like everyone else, thought that Yue Feng was talking nonsense, but he never thought that it would turn around so quickly!

“Master!”

At this moment, Zhang Na couldn't help the pain, she almost fainted, and said to Xie Liuyun: “Am I... going to die?”

Xie Liuyun was also a little flustered, and comforted: “Don't talk nonsense!”

Said After that, Xie Liuyun ordered several disciples around him: “Quick, get your senior sister to the pavilion next to you, I will immediately regulate her internal energy for her!”
The

voice fell, and several disciples helped Zhang Na up and got her. A gazebo not far away. Later, Xie Liuyun began to help Zhang Na dispel the positive poison in her body.

However, a few minutes later, Xie Liuyun's forehead was covered with beads of sweat, and he was anxious.

Xie Liuyun clearly felt that these positive poisons were the remains of Xuanhuangcao, which were hidden in the depths of Zhang Na's dantian at first, but he never noticed it.

Mad, how could that kid know?

Not far away, Liu Qingqing was thoughtful.

The next second, Liu Qingqing asked Yue Feng, “How do you know Zhang Na's situation so well?”

“This...”

Yue Feng scratched his head and smiled, and responded casually, “I have learned some medical skills. I can tell from Zhang Na's face.”

“Then do you have a way to save Zhang Na?”

“Yes, it depends on whether they are willing or not!”

When he said this, Yue Feng's face was calm. , eyes full of indifference.

To be honest, this Zhang Na is very hateful. When she was still in the Holy Sect, she deliberately tricked herself into the back mountain, causing herself to fall off a cliff.

Hearing Yue Feng's answer, Liu Qingqing's eyes flickered, and she couldn't help looking at Yue Feng.

This person... looks confident, like Yue Feng.

Thinking about it, Liu Qingqing didn't think much, and turned to the gazebo to watch the situation.

The gazebo is here!

Xie Liuyun tried several times, but every time he failed in the end. You must know that in the past two years, Zhang Na used too much black yellow grass, which caused the poison of positivity to accumulate in her dantian. Because there is no correct way, there is no way to completely expel it.

Chapter 2700

Seeing this scene, the surrounding Liujintan disciples were secretly anxious.

It's over, even the master can't do anything, is the big sister in danger?

Could it be...

At this moment, someone suddenly thought of something and turned to look at Yue Feng who was standing not far away.

Since this kid has accurately said the question of the big sister, does he have a solution?

"Master." Soon, someone couldn't help but said to Xie Liuyun: "Or, let that kid come over..."

Before he finished speaking, he was interrupted by Xie Liuyun.

"What that kid? What does he know?" Xie Liuyun was sweating profusely, and scolded angrily: "Go and invite the altar master of the Miaohuo altar!" Yi Yunfeng, the altar master of the Miaohuo altar, is proficient in medicine. The highest attainments are second only to the head of Lu Dongbin.

At this time, Lu Dongbin was in retreat, so he could only ask Yi Yunfeng to do so.

"Yes, Master!" When the

voice fell, several disciples responded and hurried to the Wonderful Fire Altar.

After a while, a few people came back, followed by a middle-aged man in a white long gown, immortal style, but there was a bit of pride in his eyebrows.

It was Yi Yunfeng, the master of the Miaohuo altar.

Yi Yunfeng walked forward and checked Zhang Na's situation, and immediately frowned: "So serious?"

Xie Liuyun, who was next to him, was very uneasy and couldn't help saying: "Master Yi, please help!

" Among them, Xie Liuyun loves Zhang Na the most. It can be said that in his eyes, he is like a daughter, and he doesn't want anything to happen to Zhang Na no matter what.

call!

Yi Yunfeng pondered for a moment, then shook his head and said, "Master Xie, Zhang Na's condition is terminally ill, and there is nothing I can do about it!"

After saying that, Yi Yunfeng looked at Zhang Na's face and continued: "She is a cultivator. It's a negative cultivation technique. At the bottleneck, it seems like a perfect way to balance the negative internal power of the body with Xuan Huangcao, but unfortunately, her physique cannot completely eliminate the positive power of Xuan Huangcao!"

"Even if there is a help from the altar master, It is also a cure for the symptoms but not the root cause, the positive poison of Xuan Huangcao has penetrated into the depths of her dantian... Alas, in this case, let alone me, I am afraid that the head himself will be helpless!"

What?

Hearing this, Xie Liuyun was shocked and completely stupid.

This... I thought I was helping Zhang Na, but I didn't expect that it would end up hurting her!

The surrounding Liujintan disciples were also stunned.

Zhang Na was lying there, even more desperate, anxious and afraid, and almost fainted.

At this time, not far!

Seeing this scene, Liu Qingqing bit her lip and said to Yue Feng, "Wuchen, can you help save Zhang Na?"

In Liu Qingqing's heart, although Zhang Na was very mean and targeted herself at all times, after all She is a fellow student and sister, and now she can't bear to see her life hanging by a thread.

"You asked me to save her?" Yue Feng was very surprised.

Liu Qingqing breathed a sigh of relief and nodded: "Although this Zhang Na is hateful, but after all, she is a fellow teacher and sister."

Hearing this, Yue Feng pondered, nodded and said, "Okay, I can promise you , However, the people in Liujintan may not want me to help!"

Liu Qingqing walked directly into the pavilion without hesitation.

When he got to the front, Liu Qingqing said to Xie Liuyun: "Thank you, altar master, why don't you let this dust-free try?"

"Liu Qingqing, what did you say?" Xie Liuyun was extremely bad and said angrily.

Liu Qingqing hesitated and pointed to Yue Feng not far away: "This person sent by Yue Feng, he has a way to save Zhang Na, and Zhang Na's situation, isn't he the one who said it?"

"

Xie Liuyun was furious: "Liu Qingqing! Do you believe in an outsider? I think you want Zhang Na to die..." "

Xie Tanzhu, maybe he really has a solution?" Liu Qingqing was anxious.

Hearing this, Xie Liuyun couldn't help sneering: "Even me and the master of the altar are helpless. He is an unknown generation, what can he do?"
