

The ultimate husband in Chinese chapter 2741-2750

Chapter 2741

Saying that, Xie Liuyun is about to come up and kiss Fang Ze.

Whoa!

Seeing this scene, Yue Feng and Zhang Na, who were hiding under the straw mat, couldn't stand it anymore. Then, Zhang Na accidentally made a noise!

“Who?!”

Hearing the movement, Xie Liuyun was startled, then his eyes fell on the straw mat, and he scolded: “Who is hiding there, come out!”

Zhang Na's body trembled, knowing that she could not hide, and walked out slowly. She timidly said, “Master, it's me!”

When she said this, Zhang Na only felt that her heart was about to jump out. It was broken. Master found herself, and it was hard to explain.

At the same time, Zhang Na was a little fortunate in her heart, as long as Yue Feng didn't come out, she still had a chance, but she had to come up with a good reason.

Zhang Na?

Seeing her, Xie Liuyun's face changed, and he said angrily: “Didn't I ask you to deal with Yue Feng? Why are you here?”

When he said this, Xie Liuyun was very angry. Good things are interrupted, who can not be angry?

Pfft!

Zhang Na trembled, knelt on the ground quickly, and stammered: “Master, listen to my explanation, it was Yue Feng who told me that Mu Qingyue knew a secret, and I came to interrogate her...” Zhang Na

at this time Na, my head is in a mess, I want to make up a lie, but I can't justify it.

“Secret?”

This chapter is provided by . Visit for daily update.

Xie Liuyun frowned, first glanced at Mu Qingyue, and then said coldly at Zhang Na: "Since this is the case, why are you hiding under the straw mat?"

Although Xie Liuyun is insidious and lustful, he is thoughtful. I can see that Zhang Na is lying!

"I..." Zhang Na bit her lip and was speechless for a while.

Haha...

Seeing this scene, Yue Feng, who was hiding in the straw mat, was indescribably happy.

This Zhang Na had to be greedy for her bloody battles, but in the end, she really deserved it.

Thinking in his heart, Yue Feng looked closely at the situation in front of him and quickly thought about countermeasures.

The next second, Yue Feng's eyes flashed when he saw what Mu Qingyue had dropped on the ground, and he suddenly had an idea.

"Come on!"

At this moment, Xie Liuyun lost his patience and scolded Zhang Na: "What are you hiding from me?"

Zhang Na trembled, her face was embarrassed, and she didn't know how to answer for a while.

"Okay, let me speak for you!"

At this moment, a faint voice sounded, and then Yue Feng lifted the straw mat and walked out slowly.

Yue Feng?

Seeing Yue Feng, Xie Liuyun's face changed, and then his eyes flashed with a strong hostility, and at the same time, he was a little surprised.

Didn't you let Zhang Na kill him? Why is he not dead and still in the dungeon?

Thinking to himself, Xie Liuyun looked at Zhang Na with a bright gaze: "What's going on?"

Zhang Na opened her mouth, but before she could speak, she was interrupted by Yue Feng.

“Zhang Na, you have already decided to be with us, what are you afraid of him doing?” Yue Feng said with a half-smiling smile, “Anyway, I have already passed the formula of bloody battles to you, as long as you practice it, your strength will be stronger. Definitely more than Xie Liuyun!”

When he said this, Yue Feng’s eyes flashed with slyness!

That’s right, Yue Feng wanted to sow discord so that he could have a chance to save Mu Qingyue.

What?

Hearing this, Xie Liuyun got angry and glared at Zhang Na: “You took refuge in Yue Feng?”

Zhang Na shook her head repeatedly: “Master, don’t listen to his nonsense!”

Then, Zhang Na glared at Yue Feng: “Yue Feng, do you dare to slander me?” Zhang Na was about to take action against Yue Feng when the words fell. It could be seen that the master stared at her coldly, and suddenly lost his courage.

Yue Feng ignored Zhang Na, but smiled at Xie Liuyun: “Xie Liuyun, let me tell you, your apprentice has abandoned the dark and turned to the light, she promised to let me and Mu Qingyue go, on the condition that I pass her the skills of bloody battles, That’s why the two of us hid in the straw mat!”

After speaking, Yue Feng said to Zhang Na again, “Zhang Na, since you have broken with him, don’t explain it to him.”

Anyway, the purpose is to provoke them . In the master-disciple relationship, Yue Feng said whatever he thought of, without any scruples.

Chapter 2742

“You...”

Zhang Na was so angry that she could barely stand still, but she didn’t know how to refute.

At this time, Zhang Na never thought that Yue Feng was so cunning, and before the formula for the bloody battle was obtained, she would fall into endless trouble.

“Okay!”

At this moment, Xie Liuyun's face was also ashen, and he nodded at Zhang Na again and again: "Very good, Zhang Na, I dote on you so much, but you actually betrayed me."

Seriously, at that moment, Xie Liuyun also thought about it. However, Yue Feng was deliberately trying to sow discord, but after thinking about it, if Zhang Na didn't have any ghosts in her heart, why would she hide in the straw mat? With Yue Feng?

"Master, Yue Feng is just talking nonsense, I have never betrayed you..." Zhang Na was so anxious that she explained incoherently.

However, Xie Liuyun couldn't listen to it at all, and the more he thought about it, the more angry he became: "I'll deal with you rebel first!"

Om!

When the voice fell, Xie Liuyun's internal force was running, and he slapped Zhang Na with a palm.

Zhang Na was terrified, and hurriedly dodged back, while dodging, she shouted: "Master, be merciful..."

Haha, the opportunity has come!

At this moment, taking advantage of Xie Liuyun's shot at Zhang Na, Yue Feng rushed over!

When they got there, Yue Feng picked up a talisman on the ground, and then grabbed Mu Qingyue's hand.

"Xie Liuyun!"

Yue Feng raised the corner of his mouth and shouted at Xie Liuyun: "You continue to clear the door, I won't bother, we will have an appointment in the future!"

When the voice fell, Yue Feng urged his inner strength and poured it into the talisman in his hand.

That's right, the talisman that Yue Feng picked up is the divine talisman, and the divine talisman is a good thing! Several times before, Yue Feng relied on the divine talisman to escape at the juncture of life and death!

Seriously, in the Kyushu Continent, there are not many divine runes! However, Shengzong is a holy place of Taoism, and Mu Qingyue, as the altar master of Xingmu altar, has an extraordinary status, and it is not uncommon to have a divine amulet!

This talisman was accidentally dropped from Mu Qingyue's body. When Yue Feng saw it at the time, he had a plan in his heart. First, to provoke the relationship between Xie Liuyun and Zhang Na's master and apprentice, and then find an opportunity to bring Mu Qingyue and use it. Divine Rune away!

Speaking of which, Yue Feng was seriously injured and couldn't fight with others, but it was still no problem to activate the Divine Rune Talisman!

What?

Hearing this, Xie Liuyun realized that something was wrong and wanted to rush over, but it was too late!

hum!

That is, at this moment, the light of the divine talisman suddenly surrounded Yue Feng and Mu Qingyue, and then, a surge of spiritual power surged, and the two were instantly teleported away.

In the blink of an eye, the figures of Yue Feng and Mu Qingyue disappeared into the dungeon!

"Made..."

"Yue Feng, don't run..."

At this moment, Xie Liuyun and Zhang Na were both shocked and angry!

Zhang Na, in particular, stomped her feet in a hurry. It was a good time. The bloody battle did not get the hand, and there was no master's suspicion. In the end, Yue Feng also ran away.

Xie Liuyun also had a gloomy expression on his face. He knew that Yue Feng was using a divine talisman, and he took Mu Qingyue and was teleported away together.

You must know that the divine rune was sent randomly, and no one knew where the two were sent.

.....

the other side!

Northern Ying Continent, Imperial City!

In the majestic and magnificent palace hall, Gonggong and civil and military officials are discussing the state affairs.

Three years ago, after the war between the Kyushu Continent and the Rakshasa Clan ended, because of the death of Yang Jian, the Northern Ying Continent had always been in a situation where there was no ruler in the court. In the past three years, hundreds of civil and military officials sent people to the Holy Sect many times. Chang'e was asked to preside over the affairs of the court, but Chang'e was disheartened because of the death of Emperor Hou Yi and kept rejecting it.

“Report!”

At this moment, while the Gonggong and the civil and military officials were discussing matters, suddenly, a palace guard ran in quickly and shouted excitedly: “Report to your lords, madam, madam is back!”

Whoa!

Hearing this, everyone in the entire hall was inexplicably excited.

Empress Chang'e is finally willing to come back.

For a time, everyone hurried out of the hall to greet them.

Chapter 2743

Huh?

As soon as they walked out of the hall, everyone was stunned when they saw the scene in front of them.

I saw that Empress Chang'e was supported by someone and came slowly. At this time, Empress Chang'e was weak and her face was pale, obviously after a long journey.

And the person who helped her had a cold expression, and her eyes showed the arrogance of contempt for the world.

“Yue Feng?”

“Why is he with Niangniang?”

After a few seconds, whether it was Gonggong or the people around him, there was a lot of discussion after they reacted.

Yes, the ‘Yue Feng’ in their eyes is still Liang Hao’s disguise.

Half a day ago, Liang Hao was ordered by Zhang Jiao to bring Chang'e to the Beiyang Palace, and decided to play a play that would completely ruin Yue Feng’s reputation.

Facing the crowd's discussion, Chang'e was expressionless, without the slightest fluctuation.

"Everyone!"

At this moment, Liang Hao supported Chang'e with one hand, looked around, and said with a smile: "It is said that there has never been an emperor on the Northern Ying Continent, and you still have to wait for Chang'e to come back to preside over the government."

"Now, I helped you to bring Chang'e back. To be honest, I have long been in love with Empress Chang'e. From now on, I will be the emperor of the Northern Ying Continent, and Chang'e will be my queen! You, come and pay homage!"

When saying this, Liang Hao's face was full of arrogance.

Yes, these are all explained by Zhang Jiao, and the purpose is to slander Yue Feng and completely smear Yue Feng!

Whoa!

Hearing this, whether it was Gonggong or civil and military officials, one by one instantly burst into anger!

This Yue Feng is too arrogant, dare to call the attention of Empress Chang'e, and want to be the Emperor of Beiyang?

call!

At this time, Gonggong frowned and stared at Yue Feng, his heart was extremely complicated.

Three years, I didn't expect Yue Feng to disappear for three years, completely changed a person.

To be honest, three years ago, Gonggong was ordered by Yang Jian to assassinate Yue Feng. At that time, Yue Feng became a cripple. Gonggong always felt guilty in his heart, but at this moment, seeing Yue Feng so arrogant, his guilt in his heart instantly disappeared. All turned to anger!

Empress Chang'e is like a fairy in the world, how could she be allowed to be so blasphemous?

Thinking to himself, Gong Gong took a deep breath and asked Liang Hao, "Yue Feng, let me ask you, how did you bring the empress back?"

“Haha!”

Liang Hao smiled and said proudly, “Do you still need to ask? I want to take Chang’e away, who dares to stop the Holy Sect?”

What?

Hearing this, everyone present was even more angry. It was obvious that Yue Feng had forcibly captured Empress Chang’e back!

At this moment, Gonggong couldn’t bear it any longer, and shouted at Liang Haojiao: “Yue Feng, I thought you were a hero, but I didn’t expect you to be so despicable and use such means to deal with the empress, and you still want to be Beiying. Emperor, are you worthy?” The

voice fell, and the surrounding civil and military officials also shouted angrily!

“Yue Feng, let go of the goddess!”

“To blaspheme the goddess is to blaspheme the entire Northern Ying Continent.”

“Don’t talk nonsense with him, take him down!”

Under the angry shouts, many people urged their inner strength and rushed over to take Liang Hao. Surrounded!

“All special codes for me to stop!”

Facing the siege of everyone, Liang Hao’s eyes flickered, he shouted loudly, and then pulled out a dagger and placed it on Chang’e’s neck!

“Whoever dares to take a step forward, I will kill her!” Liang Hao’s eyes flashed with madness, and said coldly: “If you don’t want Chang’e to die, then immediately kneel down and recognize me as the emperor!”

Huh!

Seeing this scene, everyone was furious, but they didn’t dare to act rashly!

“You...”

Gonggong’s pretty face changed, and she was furious in her heart. She never thought that Yue Feng, who was in front of her, would use such uncompromising means for power. It was the Empress Chang’e, who dared to threaten her life. .

Just crazy!

At this time, Gonggong, and everyone present, did not know that the person in front of him was not Yue Feng at all, but a fake.

Chapter 2744

“Don’t challenge my patience, all of you, quickly kneel and salute!”

Liang Hao looked around and shouted proudly! Extremely arrogant!

Whoa!

Hearing this, everyone present changed their expressions, and their inner breaths trembled faintly! Faintly angry!

You know, this is the Beiyong Palace, and anyone who is present is a top powerhouse! These people, when would someone dare to speak to them like that?

But the ‘Yue Feng’ in front of them regarded them as ants.

How can this be tolerated? !

However, no one dared to stand up and refute, who dared to act rashly when the Empress Chang’e was in his hands.

At this moment, Gonggong finally reacted, with a beautiful face ashen, pointing at Liang Hao: “Yue Feng, quickly let go of the empress and leave here, we can ignore your rashness just now!”

“Hahaha!”

Liang Hao looked up to the sky Laughing loudly, he could see that Gonggong was calm on the surface, but he was actually very flustered.

The lord specially explained that today is to ruin Yue Feng’s reputation, and the good show has just begun, how could Chang’e be released?

“Gonggong, I’m not talking nonsense with you!” Liang Hao exclaimed proudly, “I don’t respect me as an emperor today, I will not only kill Chang’e, but also bloody the Northern Ying Palace!”

This... At

this moment, whether it was Gonggong or everyone else present, their eyes were blood red. I can’t wait to kill the ‘Yue Feng’ in front of me immediately, but considering Chang’e’s safety, I don’t dare to make a rash move!

hum!

And at this moment, suddenly, a strong breath came from the sky not far away, and then, a figure came quickly.

Wearing a black robe and looking serious, it was Zhang Jiao!

Seeing Zhang Jiao, Gonggong and the others all had complicated expressions.

Three years ago, after the war between the Kyushu Continent and the Rakshasa Clan ended, Zhang Jiao did not return to the Northern Ying Continent, and his whereabouts were erratic. Why did he suddenly appear here today?

“Yue Feng!”

Just when everyone was secretly surprised, Zhang Jiao’s eyes locked on Liang Hao, and he shouted angrily, “You are so bold, dare to catch Lady Chang’e!” After

speaking, Zhang Jiao looked around and said loudly: “Everyone, Yue Feng Langzi’s ambition, he lied to me and went to the holy sect to ask Lady Chang’e to come out of the mountain, but when she arrived, she took away Lady Chang’e when I wasn’t paying attention. Such thieves are not worth dying for!

” At that time, Zhang Jiao’s face was stern, but his eyes were treacherous.

Whoa!

Hearing this, everyone present was filled with righteous indignation. Just now, when they were threatened by Liang Hao, these people were on fire in their hearts. When they heard Zhang Jiao say this again, they were even more angry.

“This Yue Feng is really despicable...”

“I didn’t expect that such a meticulous person, Master Zhang, would also be deceived by him!” The

corners of Zhang Jiao’s mouth twitched when everyone was talking.

Haha...

the drama is almost done, it’s time to end.

Thinking of this, Zhang Jiao shouted at Liang Hao, “Yue Feng, if you still think you are a man in the sky, let go of Empress Chang’e and have a fair fight with me.”

“I’m afraid you won’t succeed?” Liang Hao’s eyes flickered. , responded loudly.

Liang Hao didn't panic at all. This scene was discussed with Zhang Jiao and was deliberately performed for the Gong Gong people.

hum!

Zhang Jiao didn't talk nonsense, he flew up and went straight to Yue Feng.

"Zhang Jiao, do you really think you can beat me?"

Liang Hao let go of Chang'e, shouted, flew up, and met Zhang Jiao directly.

At this moment, Zhang Jiao and Liang Hao released their internal forces, as if the sky was about to shatter!

Chapter 2745

Call!

Seeing this scene, everyone below raised their hearts one by one!

Zhang Jiao shot, I don't know if he can beat Yue Feng!

At this time, everyone did not know that the two people in the air were completely acting, not really wanting to do it!

Bang!

In the blink of an eye, Zhang Jiao and Liang Hao fought fiercely for several rounds in mid-air. When Zhang Jiao slapped Liang Hao with a palm, Liang Hao screamed in pain and flew out very far.

"Zhang Jiao, I have written down today's grievances. If I don't take revenge, I will not be Yue Feng!" At this time, Liang Hao, pretending to be very angry, howled and forced Zhang Jiao back with a palm. When Zhang Jiao was dodging, he turned around and ran.

In a blink of an eye, he had disappeared from everyone's sight.

"Bang!"

Seeing Liang Hao's figure walking away, Zhang Jiao couldn't tell how happy he was in his heart, but he looked very annoyed on the surface, and slapped his palm on the column of the main hall.

"Damn, let such wicked people escape, there will be endless troubles in the future!" Zhang Jiao said hypocritically.

This...

Seeing this scene, everyone in the Gonggong industry was shocked. Unexpectedly, Zhang Jiao's strength was so terrifying that they had not seen each other for three years. In such a short period of time, Yue Feng was beaten away.

In the next second, Gonggong took the lead in reacting, and quickly ordered the surrounding guards: "Go on, and go all out to arrest Yue Feng, make no mistake!"

After saying that, Gonggong walked over and supported Chang'e: "Miss, you are shocked. It's over!"

"I'm waiting to see the Empress!"

In an instant, the surrounding civil and military officials also knelt down and shouted in unison.

"Get up!"

Chang'e's red lips parted lightly, and she slowly raised her jade hand, but her eyes were always on Zhang Jiao.

That's right, after Zhang Jiao performed the Soul Deprivation Technique, Chang'e's thoughts and actions were out of her control, and she only obeyed Zhang Jiao's orders.

Hearing this, Gong Gong and the others stood up one after another.

"Zhang Jiao!"

At this moment, Chang'e looked at Zhang Jiao and said, "You have done a good job in saving the car just now. This palace named you the king of Beiyong, commanding the three armies and presiding over the government."

"Thank you, Niangniang!" Zhang Jiao pretended to be very said excitedly.

Yes, what Chang'e said was explained by Zhang Jiao in advance. Speaking of which, Zhang Jiao had thought about letting Chang'e respect him as the emperor in public, but thinking about it carefully, he just saved Chang'e, and he would be respected as the emperor. Some are too fast.

Chang'e nodded, looked around, and continued: "Send someone immediately to send an invitation to the various sects, and this palace will hold a 'Supreme Conference' to elect the most powerful person in Kyushu to become the Emperor of Beiyong! "

"Yes!" Everyone agreed in unison, and hurried to prepare.

Haha...

Seeing this scene, Zhang Jiao smiled all over his face.

Holding the Supreme Conference was also Zhang Jiao's idea. With the opening axe, Zhang Jiao was confident enough to overwhelm the crowd at the Supreme Conference.

In just one day, the sects of the Kyushu Continent, as well as the cultivation family, the royal family, etc., all received the invitation of the 'Supreme Conference' from the Beiying Royal Family.

At the same time, Yue Feng captured Chang'e from the Holy Sect and was later chased away by Zhang Jiao.

For a time, the image of justice that Tianmen had established over the years collapsed in an instant.

.....

On the other side, Yue Feng activated the magic talisman and pulled Mu Qingyue, only to feel the darkness in front of him, and he left the Holy Sect lightly.

I don't know how long it took, but there seemed to be a light in front of him, and Yue Feng realized that he was about to land.

hum!

However, at this time, Yue Feng only felt a pain in his body, and the world was spinning! He was first injured by Lu Dongbin, then severely injured by Zhang Na, and then forcibly moved the magic talisman.

The ultimate husband in Chinese chapter 2746-2750

Chapter 2746 Terrible

!

A strong sense of dizziness came, and Yue Feng secretly complained in his heart! Then it got dark and I didn't know anything.

"Yue Feng!"

Feeling Yue Feng's situation, Mu Qingyue couldn't help exclaiming, but at this time it was still being teleported, it was pitch black all around, and she didn't know what to do.

At this moment, Mu Qingyue wanted to hold on to Yue Feng, but the powerful force brought by the teleportation still separated the two.

I don't know how long it took, Yue Feng woke up in a daze!

Where is this being sent to?

Yue Feng opened his eyes and was stunned when he saw the scene in front of him.

There is a bustling city in front of me. At first glance, it seems that I have returned to Donghai City, but upon closer inspection, I find that the prosperity of this place is inferior to that of the Earth Circle, and my location is on the outskirts of this city. !

call!

At this moment, Yue Feng took a deep breath and pondered in his heart.

Among the continents of Kyushu, only the Continent of Earth Circle, the Continent of Dongao, and the Continent of Xuanye are the most advanced in technology development. The place in front of them is either the Continent of Xuanye or the Continent of Dongao.

Yue Feng guessed right, he was sent to Xuanye Continent, and the city in front of him was called Shangshui City!

At this time, Yue Feng only felt that the pain in his body disappeared, but he was still a little weak.

Mad, if he hadn't fainted during the teleportation, he wouldn't have been separated from Mu Qingyue. Forget it, let's go to the city and see what this place is.

This chapter is provided by . Visit for daily update.

Muttering in my heart, Yue Feng walked towards Shangshui City!

As soon as I walked into a remote street, I saw an old man surrounded by several big men wearing black vests, arguing about something. These big men, all of them were full of anger, and they were not good people at first sight.

The old man looked in his 60s or 70s, very thin, and behind him, there was a thirteen or fourteen-year-old girl.

call!

Seeing this scene, Yue Feng walked over!

“Old man, your son owes us money, and now he’s gone, what are you talking about?” One of the men in black said coldly.

The man’s name is Ding Feng, he is a local ruffian in Shangshui City, and he does all kinds of evil!

The old man closely guarded the girl behind him, his face flushed and said: “I don’t know what you are talking about, my son owes you money, you can find him to go.” The

old man’s name is Uncle Wang, and the girl behind him is his granddaughter, called Xiaolin, grandparents and grandchildren depended on each other, and lived a very hard life!

And Uncle Wang’s son, two years ago, followed an expedition team to the wild and strange realm to make a fortune, and then lost the news. Uncle Wang never thought that his son would owe money.

Ding Feng sneered: “Old man, don’t do this with me, the debt is repaid by the father.”

After speaking, Ding Feng glanced at Xiao Lin, with a wicked look in his eyes: “Why don’t you mortgage your granddaughter to Let’s forget this account!” The

voice fell, and the few companions behind him were about to rush over to grab someone!

“You stop, my granddaughter is innocent!” Uncle Sun’s expression changed, and he shouted with open arms, about to stop him.

“Go away!” One of the big men raised his hand and waved, and Uncle Sun fell directly to the ground!

The other big men were even more swearing, punching and kicking at Uncle Sun!

“Old thing!”

Ding Feng grinned: “Your son owes me so much money, let your granddaughter pay off the debt, and it’s cheaper for you, don’t know what’s wrong!”

After that, he was going to pull Xiaolin!

Xiao Lin was terrified and kept crying: “You bad people, don’t hit my grandpa, don’t hit my grandpa...”

Mad!

Seeing this scene, Yue Feng became angry and shouted angrily: “Stop

it all.” To be honest, Yue Feng didn’t want to meddle in his own business, but the scene in front of him really made people angry. Bullying the elderly and children, is it still human?

Swish!

Hearing this, Ding Feng and those subordinates stopped one by one and focused on Yue Feng!

“Made!” Ding Feng looked at Yue Feng tightly, his eyes gloomy: “Where did the boy come out, this is none of your business, get out?”

Chapter 2747

“Don’t you feel ashamed of bullying an old man and a child?” Yue Feng blocked in front of Uncle Wang and said coldly.

Ding Feng was stunned for a moment, then sneered.

At the same time, several companions behind him all shouted angrily.

“Boy, do you know who you’re talking to?” “You dare to intervene in our brother Feng’s affairs? You’re tired of living.

“
!

Yue Feng looked indifferent and said to Ding Feng: “How much does this old man’s son owe you? I’ll help them pay it back.”

What?

Hearing this, Ding Feng and his accomplice looked at each other and couldn’t help sneering.

“This kid said he still pays?”

“Look at his dress? Can you pay back?”

“I’m afraid he’s not a fool!”

At this time, Ding Feng was also mocking, but he still said: “Not much, five One hundred thousand, boy, if you have the money to pay it back, take it out quickly, and if you dare to play with me, don’t blame me for being rude!”

Five hundred thousand?

Yue Feng frowned, took out an inner alchemy directly from his body, and handed it to Ding Feng: "This inner alchemy is enough to pay off the debt, and there is only a lot more, don't bother them again in the future!"

He didn't wait for him to say After that, Yue Feng waved his hand and said with a smile: "Uncle Sun, don't get excited. 500,000 yuan is not a lot to me. I can afford it."

When Yue Feng was searched by Zhang Na before, he still stayed behind. Down some inner alchemy.

"A broken bead..."

Ding Feng took the inner alchemy and muttered, and then he couldn't help but gasp for air!

This... This is the inner core of the spirit beast.

Although Ding Feng was a rogue and a cultivator at the same time, he clearly felt that this one in his hand was a Martial Saint-level Inner Alchemy, and it could be bought for a lot of money on the black market.

Who is he?

At this moment, Ding Feng stared blankly at Yue Feng, and the whole person was a little stupid.

"How is it? Is the debt repaid?" Seeing the change in Ding Feng's expression, Yue Feng said lightly.

call!

Ding Feng took a deep breath and looked at Yue Feng again: "Boy, what's your name? Where did you come from?"

Looking at a poor and sour look, he was definitely not an ordinary person.

Yue Feng smiled lightly: "You've already got the money, don't care who I am!"

"Okay!"

Seeing that the other party was not far away from revealing his identity, Ding Feng didn't insist, he gave Yue Feng a deep look, and then greeted his subordinates. left. But when he turned around, there was a hint of gloom in his eyes.

“Benevolent!”

As soon as he left, Uncle Wang said to Yue Feng with gratitude: “You are such a good person, I really don’t know how to repay!”

Yue Feng smiled: “It’s hard work, old man doesn’t have to do this!”

When he said this, Yue Feng I couldn’t help but glanced at Xiao Lin, and was immediately stunned!

I saw that Uncle Wang’s granddaughter looked very delicate. At first glance, Yue Feng seemed to have seen Xiao Xi for the first time, but those eyes were empty!

She... can’t see anything?

Yue Feng’s heart moved, and there was some inexplicable sadness.

“Thank you...”

At this moment, Xiao Lin also said very gratefully. Although her eyes looked at Yue Feng, she did not fluctuate in the slightest.

Chapter 2748

“Little brother!”

Feeling Yue Feng’s gaze, Uncle Wang smiled wryly, and said with a gloomy expression: “I’ll make you laugh, my granddaughter is born with a hidden disease and can’t see anything! Sigh...”

Said, Uncle Wang wiped away his tears very sadly!

Xiaolin is very sensible, and patted Uncle Wang’s arm: “Grandpa, don’t cry, Xiaolin can’t see it, and I can take care of you when you grow up...”

Seeing this scene, Yue Feng felt incomparably touched.

What a kind girl!

The next second, Yue Feng took a deep breath and said to Uncle Wang, “Uncle, I know a little medical skills. If you want, can you show me to her!”

When he consulted with Shennong for medical advice, Shennong once mentioned the relevant Blindness Treatment!

“Ah?”

Uncle Wang was stunned for a moment, and then looked overjoyed: "Really?"

Yue Feng nodded and said softly to Xiao Lin, "What's your name? Can I help you treat your eyes?" Speaking of which, Yue Feng should not have stayed here longer than Mu Qingyue was separated during the teleportation, but seeing Xiao Lin's pitiful appearance, he couldn't bear to ignore it.

"My name is Xiaolin!"

Xiaolin said crisply: "But, there was a fairy elder sister who said she wanted to help me cure it!"

Fairy elder sister?

Hearing this, Yue Feng was stunned!

Uncle Wang next to him gave a wry smile and said, "A half month ago, Xiaolin was playing in the suburbs and met a heroine in the arena. I was rescued, and now I'm gone, I'll never see you again!"

Is there such a thing?

Yue Feng frowned secretly!

Looking at Yue Feng's expression, Uncle Wang laughed at himself: "Maybe that Jianghu heroine was joking at that time! By the way, our residence is not far in front of us, little brother doesn't mind, just go and take a break. !"

Hmm!

Yue Feng nodded and asked Uncle Wang to lead the way!

After a while, he arrived at a dilapidated courtyard in the suburbs. Yue Feng said to Uncle Wang, "Uncle Wang, I'll take Xiaolin to the room for treatment, you stay outside the door, don't let anyone disturb me!"

To help Xiaolin treat her eyes, you need to motivate her inner strength. Although Uncle Wang is a good person, But Yue Feng didn't want him to know that he was a cultivator!

After all, as the Sect Master of Tianmen, it is too embarrassing to be so embarrassed!

Um!

Uncle Wang nodded, but at this moment, a crisp voice suddenly came from outside the yard: "Is Uncle Wang there?" The

voice was soft, and there was an aura that couldn't be blasphemed!

Yue Feng turned his head to look, and the whole person was suddenly stunned.

I saw that several women came slowly, and the one headed was dressed in a long white dress, with delicate and beautiful facial features, and a good aura.

It was the head of the Yuyao Pavilion, Ye Zhixin, who had met once!

Back then, in order to get the Panlong Jing, Yue Feng went to the Xuanye Continent on purpose, and worked as a bodyguard in the Fang family. Later, he worked hard to get the Panlong Jing, but was chased by the Fang family and many experts in the arena, including Ye Zhixin.

Yue Feng has a good memory. Although he only met once, he still recognizes it.

I go!

At this moment, Yue Feng was very surprised. It turned out that the fairy sister Xiaolin said was the head of Yuyao Pavilion.

"Woman? You...you're here!" Uncle Wang was stunned for a moment, very surprised.

I thought Ye Zhixin was just talking casually at the time, but she didn't expect that half a month later, she really came!

At the same time, Xiao Lin was also very happy and couldn't help shouting, "Sister Fairy!" Although she couldn't see it, she could hear Ye Zhixin's voice.

Um!

Ye Zhixin nodded at the uncle Wang and grandson and grandson, and then her eyes fell on Yue Feng: "Who is this person?"

Half a month ago, Ye Zhixin passed through Shangshui City, and accidentally saw Xiaolin, seeing that she was smart and clever, and she was born She was pitiful, so she decided to accept her as an apprentice and treat her eyes at the same time.

It's just Ye Zhixin's medical skills. To cure Xiao Lin, a lot of rare herbs are needed. So in the past two weeks, Ye Zhixin was looking for herbs everywhere, and after finding them all today, she rushed over immediately.

Chapter 2749

"This little brother is our benefactor!" Uncle Wang responded, and then repeated what happened before!

call!

After learning about the situation, Ye Zhixin looked up and down at Yue Feng: "I was outside just now, and it seems that I heard you say that I want to give Xiaolin her eyes?"

When she said this, Ye Zhixin's tone was calm, but her eyes were full of suspicion.

The rivers and lakes are sinister, although this person in front of him helped Uncle Wang deal with those rogues, who knows what his real purpose is, and, looking at his outfit, he doesn't look like he has medical skills.

Sensing that the atmosphere was wrong, Uncle Wang opened his mouth, not knowing how to answer.

"Yes!" Yue Feng responded indifferently to Ye Zhixin.

puff!

As soon as the words fell, the female disciples behind Ye Zhixin couldn't help laughing.

"This person is really interesting!"

"My master spent half a month looking for herbs to treat Xiaolin's eyes, but you said it so easily!"

"It looks like a liar!"

Several female disciples said When the mockery came, Yue Feng could not laugh or cry.

His appearance is indeed a little embarrassed, but it cannot be concluded that he is a liar.

"Please leave immediately!" At this moment, Ye Zhixin said to Yue Feng, her tone was cold and unquestionable.

In Ye Zhixin's heart, since she decided to accept Xiaolin as her apprentice, she would definitely treat the apprentice's eyes in person. As for this person, no matter what the purpose is, just drive him away.

This. . .

Seeing this scene, Uncle Wang felt very sorry, but seeing Ye Zhixin's cold expression, it was difficult to speak!

Yue Feng didn't talk nonsense, smiled, turned and walked out of the room!

Since this Ye Zhixin wants to treat Xiaolin, let her go, she just saves her troubles.

As soon as I got outside, I heard a few female disciples whispering.

“There are more and more liars in the arena now!”

“Yeah, take Tianmen as an example, for so many years, they thought that Tianmen was a chivalrous person, hoeing the strong and helping the weak, but... that Tianmen’s master Yue Feng, To actually blaspheme the Empress Chang’e, and to be the Emperor of Beiyong... Really bold...”

“Master is kind-hearted, and let this person go directly. If it were me, I would have to interrogate him carefully.” The

voices of several female disciples were very small . , can be heard clearly by Yue Feng.

Nima!

At this moment, Yue Feng was very angry, Mad, Zhang Jiao let people pretend to be themselves, captured Chang’e, and deliberately spread rumors, and now they have spread to Xuanye Continent?

At this time, Yue Feng didn’t know that Tianmen’s reputation in Kyushu had plummeted under Zhang Jiao’s frame!

In the room, Ye Zhixin took out a dozen herbs and began to heal Xiao Lin’s eyes.

call!

A few seconds later, Yue Feng reacted and was about to leave, but when he saw the situation in the room, he frowned: “Ye Zhangmen, if you treat like this, Xiaolin’s eyes can’t see anything, on the contrary, it will only get more and more It ‘s getting worse!”

What?

Hearing this, Ye Zhixin frowned and was very unhappy.

He is the head of the dignified Yuyao Pavilion, and who can resist being made irresponsible by an unknown person in the arena?

At the same time, several female disciples also drank coquettishly.

“Why don’t you get out of here?”

“Dare to question the medical skills of our head?”

“There is definitely something wrong with this person, so it’s better to arrest him directly.”

Under the tender drink, several female disciples urged their inner strength to move towards Yue The wind came around.

Nima!

Looking at the few female disciples rushing over, Yue Feng frowned secretly. The people in Yuyao Pavilion are too overbearing.

Chapter 2750

“Stop it all!”

At this critical moment, Ye Zhixin snorted softly, not loud but full of majesty.

As the head of the Yuyao Pavilion, Ye Zhi was arrogant and arrogant. The person in front of him was just a nameless person in the world. If people knew that the disciples of the Yuyao Pavilion were bullying the few, it would only make people laugh.

When the words fell, several female disciples stopped, but still stared at Yue Feng fiercely.

“This Jianghu friend!” Ye Zhixin frowned, looking at Yue Feng and said, “These herbs are all carefully selected by me, why do you say

they are useless?” angry.

When the words fell, a female disciple couldn’t help but take a step forward and stared at Yue Feng: “Don’t talk nonsense if you don’t understand, do you know?”

This female disciple is called Hongxiu, she is the elder sister of Yuyao Pavilion, Ye Zhixin’s favorite disciple. Spicy, jealous!

Yue Feng smiled and sighed secretly. He just checked Xiao Lin’s eyes. According to her situation, she needed internal strength to unclog the meridians inside her eyes, and she didn’t need to borrow herbs at all.

“I just want to remind that Xiaolin’s eyes are congenital, and the herbal treatment in the later stage has no effect at all. On the contrary, she is still young, so many drugs will only aggravate her condition.” Yue Feng looked calm and indifferent. said.

Hearing this, Hongxiu was very angry, pointed at Yue Feng and shouted: “Listen to what you mean, your medical skills are very good? Even better than my master?”

Ye Zhixin looked at Yue Feng with no expression on her face: "May I ask who you are?"

This person said so firmly, there must be a lot of background.

call!

Yue Feng pondered for a while, then responded: "I'm just a nameless person who walks the rivers and lakes. I know some medical skills!" To be honest, Yue Feng wanted to show his identity and said that he was the sect master of Tianmen, but he thought of the female disciples like Hongxiu just now. The discussion was held back.

Zhang Jiao let people pretend to be himself and made Tianmen's reputation plummet. It can be said that Yue Feng and Tianmen are currently in the midst of huge public opinion. In this case, Yue Feng decided to keep a low profile.

puff!

When the voice fell, Hong Xiu was the first to laugh, with sarcasm in his eyes: "After talking for a long time, it turns out that he is an unknown person!" The

voice fell, and the other female disciples also laughed!

"You still dare to question our master?"

"It's just a clown..."

"I think he's a grandstanding. This kind of person is the most annoying..."

Among the ridicule, Uncle Wang, who was on the side, also looked at him. When he couldn't go on, he came over and said to Yue Feng, "Little brother, just say a few words less!"

Although Yue Feng helped him solve the trouble before, in contrast, Ye Zhixin was the head of Yuyao Pavilion. Ah, when it comes to medical skills, Uncle Wang naturally prefers Ye Zhixin.

Yue Feng smiled and said to Uncle Wang, "I'm just a suggestion. It's your right to ask her to give Xiaolin her eyes, but if something goes wrong, don't blame me for not reminding you!

", Uncle Wang was stunned.

"Crack!"

At this moment, Hong Xiu was so angry, he walked over quickly and slapped Yue Feng's face with a slap!

“I’m still talking nonsense? My master is the head of the dignified Yuyao Pavilion. He has excellent medical skills. How can someone like you be comparable? I warn you, if you continue to cause trouble, I will abolish you!” This slap , Hong Xiu used a lot of strength to bleed the corner of Yue Feng’s mouth instantly!

As the elder sister of Yuyao Pavilion, Hongxiu has a straightforward personality, and she respects Master Ye Zhixin the most in her heart. At this time, seeing Yue Feng questioning her master’s medical skills again and again, Hongxiu couldn’t help it.

To be honest, with Hong Xiu’s temper, he wanted to kill Yue Feng. It’s just that the master was present, and considering the reputation of Yuyao Pavilion, Hongxiu resisted it, so she just slapped Yue Feng.

“From now on, if you dare to talk nonsense again, I will abolish you.” Hong Xiu pointed at Yue Feng and said coldly.

Feeling the aura of Hong Xiu, Uncle Wang was inexplicably flustered. He wanted to dissuade him, but he didn’t have the courage!

Nima!

Yue Feng frowned secretly, only to feel his face burning hot.
