

## The ultimate husband in Chinese chapter 2766-2770

Chapter 2766 It's

better to go to the place where the Wutian Organization rests first, it would be better if you can find Zhang Jiao.

Thinking of this, Yue Feng took advantage of the night to quietly walk towards the pavilion where the Wutian Organization rested.

Um?

When approaching the gate of the palace, Yue Feng saw two figures and sneaked out, very suspicious.

Seeing the faces of the two, Yue Feng suddenly burst into anger.

These two people are Zhang Jiao's apprentice Shen Fei, and Liang Hao who pretended to be Yue Feng before.

Of course, at this time Liang Hao was no longer dressed in Yue Feng's clothes, but returned to his original appearance, which Yue Feng had not yet recognized.

At this time, Yue Feng wanted to rush over and subdue the two of them, but considering that this was the Beiyong Garden of Beiyong Palace, he held back and quietly hid behind a tree!

Yue Feng responded quickly, and the two of them didn't notice it at all.

"Brother Liang!"

At this moment, the corner of Shen Fei's mouth twitched, revealing a wicked smile: "Only we can handle this errand given by the master, hehe, I heard that Ye Zhixin of Yuyao Pavilion is also a goddess of rivers and lakes. Wait a minute. We have subdued her, maybe there is a chance to kiss Xiangze, hehe!"

"Not bad!"

Hearing this, Liang Hao revealed a smile: "Recently, the power of our Wutian organization has grown stronger and stronger, and the sect who secretly supported There are countless doors, but there are also many who don't know how to lift them up!"

"This Ye Zhixin of Yuyao Pavilion, the lord specially sent someone to invite him a month ago, how can you know that Ye Zhixin is quite arrogant, and she doesn't want to ally with the lord at all!"

“Fortunately, the lord has foresight and used the Supreme Conference to lure Ye Zhixin out. We will deceive Ye Zhixin later. After the matter is completed, you can do whatever you want!”

This chapter is provided by . Visit for daily update.

After saying the last sentence, Liang Hao’s eyes were full of cunning!

Made!

Yue Feng could hear the conversation between the two clearly.

Sure enough, this supreme meeting was also set up by Zhang Jiao, and at the same time, there was some emotion. Ye Zhixin seemed to be weak, but she was also very strong, and she actually refused Zhang Jiao’s invitation.

And Zhang Jiao held a grudge, and the night before the Supreme Conference, he sent his apprentices to plot against Ye Zhixin.

Now that I have encountered it, I absolutely cannot let you succeed.

Thinking of this, Yue Feng took a deep breath and followed secretly.

To be honest, at this moment, Yue Feng wanted to rush up and questioned Shen Fei and the two, what method they would use to plot against Ye Zhixin, but he was afraid that he would scare the snake, so he held back.

Shen Fei and Liang Hao didn’t notice at all, there was someone following behind them, talking and laughing in a low voice as they walked towards the resting palace of Yuyao Pavilion.

Soon, the two Shen Fei arrived at the resting palace of Yuyao Pavilion. Obviously, the two of them had already made arrangements for tonight’s plan, and they were very familiar with the environment here.

call!

At this moment, I saw Liang Hao take out something from his body and put it on his face, and he immediately changed his appearance!

Nima!

Yue Feng, who was at the back, couldn’t help but take a deep breath, brimming with anger.

I saw that what Liang Hao took out was a vivid mask, exactly what he looked like three years ago.

At this moment, Yue Feng immediately understood that it turned out that this person pretended to be himself in the Shengzong before.

Ha ha...

At this time, seeing Liang Hao's changing appearance, Shen Fei couldn't help but admire: "Master is really amazing, he can make such a fake mask. To be honest, if I hadn't known in advance, I would have regarded you as Yue Feng!"

Liang Hao smiled slightly: "I pretended to be Yue Feng and deceived Ye Zhixin. Even if something went wrong, it was Yue Feng who was to blame. It has nothing to do with us!"

"Haha, not bad!"

Go past the gate of the palace!

Chapter 2767

At that moment, Shen Fei hurriedly hid in the flowerbed not far away!

"Stop, who is it?"

As soon as he reached the door, he heard a coquettish shout, and then Hongxiu came out and blocked in front of Liang Hao!

Although it is in the other courtyard of the imperial palace, Yuyao Pavilion did not relax its vigilance. As the senior sister, Hongxiu is in charge of patrolling the surrounding area. At this time, when someone approached, he immediately came to ask!

"Excuse me, please tell Ye Sect Leader, just ask Yue Feng to see you!" Liang Hao said with a slight smile!

Yue Feng?

The red-sleeved body trembled, and she couldn't help but look at Liang Hao. Recently, it was rumored in Kyushu that Yue Feng had blasphemed against the Empress Chang'e, which was a heinous crime.

Thinking to herself, Hongxiu couldn't help but ask: "What are you looking for our master?"

Liang Hao rolled his eyes and smiled: "It's a very important matter, it concerns the safety of your Yuyao Pavilion, this beauty, please trouble you. Let me know!"

This...

Hongxiu hesitated for a while, and finally nodded: "Okay, please wait a moment!" After speaking, she turned around and approached the palace, walking towards Ye Zhixin's resting room!

Haha...

Seeing that his identity was not revealed, Liang Hao was very proud, and exchanged glances with Shen Fei who was hiding, both of them were extremely excited and excited!

At the same time, Yue Feng, who was hiding behind, frowned secretly.

Mad, this kid is addicted to pretending to be himself.

At this moment, Yue Feng wanted to rush over, but in the end he held back, but he wanted to see what these two guys were going to do tonight.

Soon, the red sleeves came out. Followed by Ye Zhixin!

"Sect Master Yue!"

Ye Zhixin said softly when she reached the front, and at the same time looked up and down Liang Hao!

At this time, Ye Zhixin was wearing a dark purple dress, her expression was indifferent, gentle and peaceful, like a fairy. Although she was a little tired from the journey before, it was difficult to hide her beautiful temperament, but it added a bit of unique charm. !

hiss!

Seeing Ye Zhixin in front of her, whether it was Liang Hao or Shen Fei hiding in the flowerbed, she couldn't help but gasp in air, and couldn't take her eyes away for a moment!

Beautiful, so beautiful!

It is said that the head of the Yuyao Pavilion in the Xuanye Continent has a beautiful temperament and is elegant and refined.

"Sect Master Ye!"

Finally, Liang Hao reacted and looked at Ye Zhixin with a smile: "There is a very important matter, which concerns the safety of your Yuyao Pavilion. I don't know if it is convenient for Sect Master Ye to come alone with me. ?"

When he said this, Liang Hao's tone was serious, but his eyes were always on Ye Zhixin.

Liang Hao's gaze made Ye Zhixin very unhappy: "If there is anything wrong with Sect Master Yue, just talk about it here!"

At this time, Ye Zhixin had a very bad impression of the 'Yue Feng' in front of her.

I thought that the Sect Master of Tianmen was a man who stood up to the sky. There were rumors in the rivers and lakes that Yue Feng had blasphemed the Empress Chang'e.

Being rejected all of a sudden, Liang Hao was stunned for a moment, but he still smiled and said: "It seems that the head of Ye has some prejudice against me, well, since you don't believe me, then I will leave!"

After speaking, Liang Hao turned around go!

Yes, Liang Hao was pretending to leave, to confuse Ye Zhixin on purpose!

Sure enough, seeing Yue Feng so straightforward, Ye Zhixin suddenly became a little confused, and hurriedly shouted: "Wait, since Sect Master Yue came to me specifically, I will come with you!"

At this time, Ye Zhixin didn't realize that, before her eyes The person is not Yue Feng at all.

Chapter 2768

Haha, hooked!

At this moment, Liang Hao was so excited, he hurriedly led the way in front, and walked towards the small garden not far away with Ye Zhixin. Red Sleeves are close behind!

At this time, Ye Zhixin and Hongxiu didn't notice anything wrong.

call!

Seeing this scene, Yue Feng quietly followed.

As soon as they arrived in the small garden, Ye Zhixin couldn't help but say, "Sect Master Yue, what's the matter, tell me quickly!"

The red sleeve next to her was quietly observing the surroundings, because it was late at night and there was no one around.

“Sect Master Ye, what are you anxious about!” Liang Hao said with a smile.

Whoosh!

As soon as he finished speaking, Shen Fei, who was hiding in the dark, suddenly rushed out, raised his hand and hit the junior with red sleeves directly.

boom!

All this happened so fast that Hongxiu had no time to react, and at the same time, he did not expect that the ‘Yue Feng’ in front of him would set up an ambush in the dark!

This palm, in the middle of the red-sleeved junior, heard her groan, her delicate body softened, and she fainted directly to the ground!

What?

Seeing this scene, Ye Zhixin’s pretty face changed, she was furious, and scolded Liang Hao: “Yue Feng, you are so bold, how dare you lie to me, and take action against my apprentice in this palace garden, ?”

Ye Zhixin was very angry at this time, but she hadn’t seen the truth of Yue Feng in front of her.

“Hey!”

Liang Hao smiled coldly, with evil eyes flashing in his eyes: “What about the palace garden? Let me tell you, the entire imperial city is under our control, and I’m not Yue Feng!”

When the words fell, Liang Hao’s inner strength turned, and together with Shen Fei, they launched an attack on Ye Zhixin!

“Aren’t you Yue Feng?”

Hearing this, Ye Zhi’s delicate body trembled, and the whole person was stunned.

How could it be that the person in front of him was clearly Yue Feng, how could it be fake?

While thinking about it, Ye Zhixin stimulated her inner strength and fought fiercely with the two of them.

“Ye Zhixin, don’t struggle anymore, we are Mr. Zhang’s subordinates, and we will deal with you tonight. As long as you promise to be loyal to Mr. Zhang, there is still room for recovery. If you insist on doing your own thing, don’t blame us for being rude!” Liang Hao said while using his skills!

Shen Fei also had a gloomy smile on his face.

“It turns out that you are from Zhang Jiao!” Ye Zhixin was stunned, and at the same time gritted her teeth secretly, responding to the attack of the two!

At the beginning, Ye Zhixin was very confident, but gradually she felt that something was wrong. A sense of fatigue washed over her body. Not only that, her inner strength seemed to be suppressed.

This is clearly a sign of poisoning.

“Sect Master Ye, do you feel powerless?” Shen Fei said with a smile, “I’m not afraid to tell you that you have been poisoned with the ‘spiritual fragrance’. No one can solve it except him!”

Yes, when Ye Zhixin entered the small garden just now, Shen Fei released a scent of ecstasy in the dark.

mean!

At this moment, Ye Zhixin was extremely ashamed and angry. She never thought that the head of the dignified Yuyao Pavilion would be so careless and fall for the tricks of two despicable villains.

Soon, Ye Zhixin couldn’t hold it anymore, and when Liang Hao tapped on the acupoint, her delicate body trembled and fell to the ground.

Ha ha!

At this moment, Shen Fei walked over slowly, first looked at the fainted red sleeve, and then looked at Ye Zhixin: “Brother Liang, you’re done, both the master and the apprentice are superb, you choose one! After finishing the work, Let’s go back and return to life!”

Liang Hao was also very excited, and smiled slightly: “You are Mr. Zhang’s apprentice, you choose first!”

Although he is Zhang Jiao’s right-hand man, but Shen Fei is Zhang Jiao’s first disciple, how can he rob him? .

“Okay!”

Shen Fei rudely walked towards Ye Zhixin: "Sect Master Ye, if you offend me, don't blame me, as long as you become my woman, you will cooperate with us obediently!"

"Go away, go away!" Ye Zhi was so angry, but her acupoints were taped and she couldn't move at all.

"Hey, call me, there are no palace guards around here, no one will save you!"

Shen Fei said with a smile, grabbing Ye Zhixin's wrist.

## Chapter 2769

At this moment, Ye Zhixin bit her lip, her beautiful face was full of despair, as the head of Yuyao Pavilion, when had she ever suffered such humiliation.

Could it be that his innocence for so many years will be destroyed tonight?

Thinking to herself, Ye Zhixin closed her eyes.

Whoosh!

Just at this critical moment, a figure flashed over and stood beside Ye Zhixin, his knife-like face was full of coldness!

It is Yue Feng!

"You're not timid!" Yue Feng said coldly, his body filled with a powerful aura!

hiss!

Suddenly a person appeared, Shen Fei and Liang Hao were both startled.

The next second, before they could react, Yue Feng turned with his inner strength, raised his hand and hit it with both palms.

puff puff!

Just like the red sleeves just now, Shen Fei and Liang Hao didn't have time to react, so they each took a slap and screamed at the same time.

"Junior brother?"

Ye Zhixin was surprised and happy when she saw Yue Feng, and at the same time she couldn't help but say, "These two are very cunning, be careful!" In her heart, although this junior brother has excellent medical skills, his cultivation strength is not necessarily the same. Hit the two people in front of you.

Yue Feng smiled slightly and said that there is no need to worry.

hiss!

At this time, Liang Hao and Shen Fei struggled to stand up, they were stunned when they saw Yue Feng, and couldn't help gasping for air.

Madd, is that him?

In the next second, Shen Fei couldn't help pointing at Yue Feng: "Yue Feng, you blasphemed the Empress Chang'e, made a scene in the Beiyong Imperial City, and disgraced all the cultivators in the world. How dare you show up now?"

When he said this, Shen Fei His expression was grim, but his heart was very nervous.

What?

Ye Zhi's delicate body trembled, her eyes fell on Yue Feng, and her whole body was dumbfounded.

Is he Yue Feng? It is no wonder that medical skills are so brilliant, and his attainments in alchemy are also superb.

Swish!

At this moment, Yue Feng's eyes were instantly blood red, and he walked towards Shen Fei step by step!

It's good that Shen Fei didn't mention this, Yue Feng's anger was rising, and his reputation and that of Tianmen had plummeted in the Kyushu Continent, all thanks to Zhang Jiao and Wutian Organization, and at this time, Shen Fei dared to use this Laughing at yourself is simply courting death!

"You, what are you doing..."

Shen Fei's heart trembled, cold sweat broke out instantly, such a terrible look!

"Crack!"

Yue Feng didn't talk nonsense, he slapped him fiercely, and he used all his strength for this slap! Hearing a muffled groan, Shen Fei's body was slammed into the air! It flew out more than ten meters and finally landed on the ground!

"Pfft!" A

mouthful of blood spit out from Shen Fei's mouth. But before he could stand up, Yue Feng stepped forward again, slap after slap!

“Crack! Slap! Slap!”

The crisp sound resounded in the small garden.

At this moment, Shen Fei really wanted to fight back, but Yue Feng's aura was too terrifying, let alone fighting back, Shen Fei only felt that his pores were full of fear.

“Yue Feng, stop!”

At this moment, Liang Hao couldn't help roaring, raised his hand and called towards Yue Feng. At this time, the Beiyang Imperial City was completely controlled by the Wutian Organization. If Yue Feng was allowed to be unscrupulous here, how would he meet people in the future?

Bang!

At this moment, Yue Feng didn't turn his head back, raised his hand and slapped Liang Hao's face fiercely!

This slap fell, and Liang Hao flew out, slammed into a column not far away, and slid down like a pool of mud!

Seeing this scene, Ye Zhixin was inexplicably excited.

This is the real Tianmen Sect Master, why didn't you notice the fake one before?

Chapter 2770

“If you want to die, I will fulfill you.” At this time, Yue Feng looked at Liang Hao coldly, his body filled with suffocation.

When he said this, Yue Feng's eyes flashed with killing intent, and he wanted to kill Liang Hao immediately.

If this person hadn't pretended to be himself, Chang'e wouldn't have been taken away from the Holy Sect, but Yue Feng still held back when he thought that the real messenger behind the scenes was Zhang Jiao.

Moreover, there are two people in front of them, one is Zhang Jiao's direct disciple, the other is Zhang Jiao's confidant, and it is unwise to kill them directly.

“Let me ask you, what's wrong with Empress Chang'e?” Yue Feng stared at Liang Hao and asked.

call!

Feeling Yue Feng's killing intent, Liang Hao was dripping with cold sweat and stammered: "The Empress has already been controlled by the lord! This supreme meeting was held by the lord in the name of the Empress Chang'e."

Hearing this, Yue The wind was suddenly stunned, and at the same time, he was also extremely shocked.

Chang'e's strength has changed from what it used to be. How did Zhang Jiao subdue her?

"Liang Hao, don't tell him..." Shen Fei, who was beside him, was so anxious that he couldn't help scolding.

Liang Hao was embarrassed and wanted to cry without tears.

He also didn't want to betray Zhang Jiao, but he had no choice. The person in front of him was Yue Feng. If he didn't tell the truth, he would die. Who wouldn't want to live.

Ha ha!

Seeing this scene, Yue Feng couldn't help sneering, raised his hand and stunned Shen Fei directly.

Immediately, Yue Feng continued to ask Liang Hao, "Where is Zhang Jiao?"

When he thought that Chang'e was in Zhang Jiao's hands, Yue Feng was so anxious that he had to find Zhang Jiao first.

This...

Liang Hao hesitated and said bitterly: "I don't know either, after the lord was named King of Beiyang, in order to overwhelm the crowd at the Supreme Conference, he has been practicing in seclusion for the past few days, as for where to practice, no one knows!"

Hearing this, Yue Feng frowned secretly, and said coldly: "Want to lie to me? I don't know where Zhang Jiao is, then you caught Ye Zhixin, and who will you go back to?"

"I really don't know where. I lied to you!" Liang Hao was in a hurry, and quickly said: "The matter tonight was allowed by the lord, but the person in charge is the leader Lu!"  
The

leader Lu?

Yue Feng was stunned!

Liang Hao took a deep breath and said cautiously, "It's the leader of the Sacred Fire Sect. The leader Lu formed an alliance with the Lord a month ago, and he acted decisively and was very appreciated by the Lord. To raid the head of Ye tonight is what the leader Lu meant."

What? Lu Lingshan?

At this moment, Yue Feng finally understood, and at the same time he was a little surprised and angry.

Madd, it's no wonder that there has been no news of Lu Lingshan for a while. It turns out that she has an alliance with Zhang Jiao.

"Sect Master Yue!"

Seeing Yue Feng's expression, Liang Hao hesitated and continued: "Please forgive me, I would be offended by pretending to be you, but I am also acting under orders and I can't help myself."

"I know Where is the leader Lu, if you find her, maybe you can find the lord, please let me go..." At the

end, Liang Hao revealed the place where Lu Lingshan rested.

Bang!

Hearing this, Yue Feng did not hesitate, and walked over to knock Liang Hao unconscious.

These two are the most important people around Zhang Jiao, so of course they can't let go easily.

Afterwards, Yue Feng searched Liang Hao and Shen Fei's bodies, and saw that there was nothing but a bottle of ecstasy.

Yue Feng put away the fascination powder directly, and then said to Ye Zhixin: "Wait for you to bring the two of you, go back and take care of it first, I'll come when I go!" After the

voice fell, Yue Feng untied Ye Zhixin's acupuncture point and turned to face him. Go deep into the garden. Liang Hao just said that the place where Lu Lingshan rests is in this direction.

Yue Feng thought about it, find Lu Lingshan first, as long as Lu Lingshan is subdued, Zhang Jiao's whereabouts can be found out.
