

The ultimate husband in Chinese chapter 2816-2820

Chapter 2816

Facing Yue Feng's question, Zi Yan did not answer immediately, but looked at him up and down.

A few seconds later, Zi Yan's eyes flickered, and she said with emotion: "I didn't see it just now. You seem to be ordinary, but you have received the inheritance of Empress Nuwa."

Huh!

Hearing this, Yue Feng's face changed, and he was secretly shocked.

He and Lu Lingshan, in the secret passage below the Beiyong Palace, came across the crystal secret room where Nuwa was practicing, and they had never told anyone about this.

Moreover, the exercises given by Empress Nuwa had just been practiced and had not yet reached a certain level. Unexpectedly, the words in front of her could be seen at a glance.

Who is she?

Thinking to himself, Yue Feng couldn't help but ask: "Who the hell are you?"

Zi Yan smiled lightly and said slowly: "I don't belong to the Kyushu Continent, I was sent by the Divine Realm, you can call me Zi Yan, or you can call me Zi Yan. I am the Nine Heavens Saintess."

Nine Heavens Saintess? What is this name?

Hearing this, Yue Feng's brain was buzzing, completely confused.

"God's Domain is another world, completely superior to Kyushu." Zi Yan's beautiful face was full of seriousness: "From ancient times to the present, the supreme powerhouses in Kyushu will soar after their strength breaks through the realm of the gods. Go to God's Domain. I said so, you should understand."

It turned out to be the case.

Yue Feng's eyes flashed, and he nodded suddenly, and at the same time, he was also somewhat excited.

It turns out that this Ziyang is from the God Realm. If you say that, Senior Guiguzi and Mother Nuwa are all in the God Realm?

This chapter is provided by . Visit for daily update.

“Since you’re from Empress Nuwa, then I’ll take you to the Heavenly Spirit Realm to have a look.” Just when Yue Feng was secretly excited, Zi Yan said softly.

hum!

As soon as the words fell, Zi Yanyu raised her hand, and a sacred aura burst out. Then, she saw that a dozen stone pillars suddenly appeared on the top of the Kunlun Peak, which was empty.

This....

Seeing this scene, Yue Feng was stunned.

There are still stone pillars hidden around here, is it a formation?

Yue Feng saw that these stone pillars are ancient, and each one has experienced at least ten million years.

“Don’t be surprised!”

Seeing Yue Feng’s stunned look, Zi Yan said lightly: “This is just a teleportation array.” As the voice fell, Zi Yan’s figure flew up, and her jade hand was placed on the pillar in the middle.

At the same time, Zi Yan raised her hand and waved, and a ribbon suddenly flew over, wrapping Yue Feng.

“Hey...”

Zi Yan shot quickly, Yue Feng didn’t react at all, just after he said a word, he saw a dazzling light erupt from the teleportation array, completely shrouding the two of them.

At this moment, Yue Feng only felt that his whole body was light and fluttering, the surrounding light was dazzling, and he couldn’t see clearly at all. The only thing he could feel was the bursts of fragrance from Zi Yan’s body.

Pfft!

A few minutes later, Yue Feng felt that his feet were on the ground, and the surrounding light disappeared, so he opened his eyes subconsciously.

At this time, in front of Yue Feng, there was a place like a fairyland, with high mountains and flowing water, and the scenery was pleasant. Not far away, there was a mountain peak, and a pavilion could be vaguely seen on the mountain peak.

And the grass in front of him is full of exotic flowers and plants.

There was a gust of wind blowing, which was intoxicating.

beautiful!

what place is this? So beautiful! It's simply a wonderland!

Chapter 2817

At this moment, Yue Feng was stunned, and he couldn't come to his senses for a long time. Could it be... Is this the realm of the gods that Zi Yan said?

Thinking to himself, Yue Feng said: "This is the realm of the gods?"

"This is not the realm of the gods, but the spirit realm!" Zi Yan replied softly: "It's where I stay!"

Huh!

Hearing this, Yue Feng took a deep breath, looked up, and saw that on the mountain peak in front of him, dragons and phoenixes danced a few big characters 'Mitian Spiritual Realm'!

Heavenly Spirit Realm?

What is this place?

Yue Feng couldn't help but be shocked and puzzled.

Seeing his expression, Zi Yan said softly: "Mitian Spiritual Realm is an independent space, a place that connects God's Domain and Kyushu."

After saying that, Zi Yan looked at the pavilion on the mountain with a hint of expression on her face. Feeling: "The supreme ruler in the God's Domain is the Emperor of Heaven. The Emperor of Heaven is in charge of the laws of heaven and earth, and our Nine Heavens Saintess were sent by the Emperor of Heaven to guard Kyushu."

Us?

Hearing this, Yue Feng scratched his head, and then asked subconsciously, "Do you still have companions?"

Zi Yan nodded: "Yes, there are nine saintesses in the Nine Heavens, and I am just one of them, nine of us, stationed here. In this Heavenly Spirit Realm, it has been thousands of years, and the duty is to maintain the balance of heaven and earth in Kyushu!"

Phew!

Yue Feng couldn't help taking a deep breath and looked around: "But, it looks beautiful here, but it's deserted, and I don't see anyone else!"

When he said this, Yue Feng was very puzzled, Zi Yan It was said that there were nine of them, but they were brought in by Zi Yan, but none of them showed up.

Could it be.... something happened to the Mitian Spirit Realm?

"You guessed it right!"

Seeing Yue Feng's expression, Zi Yan said softly: "Ten years ago, there was a situation in the Mitian Spirit Realm."

"And the initiator is the Hades of the Ghost Realm. The Ghost Realm is the same as the God Realm. It is another world, which is what you call hell. It is in charge of the cycle of life and death in the continent of Kyushu, but King Hades is very ambitious and has always wanted to rule Kyushu!"

"The Emperor of Heaven knew about King Hades' ambitions, so he deployed a profound formation of heaven and earth on the mainland of Kyushu, come here. Prevent Pluto's power from infiltrating into Kyushu! This Heaven and Earth Profound Formation is the barrier between the Kyushu Continent!"

"However, ten years ago, Hades destroyed the Heaven and Earth Profound Formation, causing the formation of the Kyushu Continent to disappear, and the disappearance of the Heaven and Earth Profound Formation, not only Destroyed the situation in Kyushu, and also caused our Nine Heavens Saintess to lose contact with the Divine Realm."

Hiss!

Hearing this, Yue Feng's heart trembled, and he couldn't help but take a deep breath, but he couldn't calm down for a long time.

It turned out that the enchantment between the continents of Kyushu disappeared back then, and there were so many things hidden behind it, and it was actually related to God's Domain.

Muttering in his heart, Yue Feng asked, "Why did you lose contact with the God Realm?"

Zi Yan sighed lightly and glanced at Yue Feng: "You must know that the Mitian Spirit Realm we are currently in is the only one that connects Kyushu and God Realm. Moreover, the Heaven and Earth Profound Formation deployed by the Heavenly Emperor back then had its eyes in the Heavenly Spirit Realm."

So it was!

Yue Feng nodded suddenly.

At this moment, Zi Yan continued: "After the Heaven and Earth Profound Formation was destroyed, our Nine Heavens Saintess not only lost contact with the Divine Realm, but was also trapped in the Heavenly Spirit Realm."

"In the past ten years, we have tried many methods, but all failed. We know that recently, we successfully left the Heavenly Spirit Realm, but I and the other eight saintess were spread to different places in Kyushu and temporarily lost contact!"

"Before I I was looking for the other eight saintesses, but I came across you and the puppets of Hades!"

"I shouldn't have told you about these things, but you are the inheritor of Empress Nuwa, with a special status, so it's okay to tell you, Besides, I still need your help in the future!"

After saying this, Zi Yan slowly walked towards the mountain in front of her: "Let's go!"

At this moment, Yue Feng was stunned, only feeling that his mind was in a mess, you must know Zi Yan What Yan said, the amount of information was too large, even Yue Feng could not digest it for a while.

Chapter 2818

"Follow up!"

Seeing Yue Feng standing still, Zi Yan couldn't help urging.

"That..."

Yue Feng scratched his head and couldn't help asking: "Since you have lost contact with the other eight saintess, the most important thing now is to find them. How can you bring me to the Heavenly Spirit Realm?"

"You I was poisoned by Hades before, and was entangled by the trapped spiritual cord. The loss of essence was serious, and only in the Heavenly Spirit Realm can I recover quickly." Zi Yan responded slowly.

Saying that, Zi Yan glanced at Yue Feng: "After you recover, let's get out of here as soon as possible."

Phew!

Hearing this, Yue Feng suddenly nodded, and then quickly followed.

.....

the other side!

In the nameless valley, Jed ordered his subordinates to be optimistic about the people from the major sects, then sat cross-legged on a stone and recovered quietly.

call!

Soon, Jade breathed a sigh of relief, and his huge body gradually returned to normal. However, there was still anger in his eyes.

Mad, thought that after taking the medicine pill given by Hades, he could catch the mysterious woman, but he didn't expect her to run away in the end. Not only that, but Yue Feng was also taken away.

However, if he caught people from the major sects in Kyushu, he could explain to Hades when he went back.

Thinking to himself, Jed stood up slowly, raised his hand and waved: "Go on!"

Whoa!

The voice fell, and many of the surrounding men immediately held the people of the major sects and slowly marched towards the depths of the valley.

call!

At this moment, Long Qianyu, Ye Ziyi and the others were inexplicably nervous.

They saw that in the depths of the deep valley in front of them, where the dense fog filled the air, there was an unfathomable black hole, and a cold air was constantly permeating from the black hole, making people shudder.

Where are these people going to be taken?

"Hey!"

Finally, Ye Ziyi couldn't bear it anymore, and shouted at Jie Dejjiao, "Where are you taking us, I'll tell you, let us go quickly, otherwise, you will die without a burial. Earth."

Ye Ziyi's face was full of anger when she said this.

When the words fell, Long Qianyu also said coldly: "Yes, don't forget our identities. Did you think of the consequences of doing this?"

Haha...

Hearing this, Jade couldn't help laughing. When I got up, I didn't panic at all: "Consequences? I'm not afraid of any consequences. When you enter the Soul Path, you will no longer be human."

"Faced with a group of dead people, what should I be afraid of?"

What?

At this moment, whether it was Long Qianyu or the other sects around, his expressions changed.

The way to lead the soul? Could it be that the black hole in front of me is connected to the legendary ghost world?

Thinking of this, while everyone was shocked, they were also a little desperate.

According to rumors, the road leading to the soul is the road that people take after death, connecting to the ghost world, and after entering the ghost world, don't even think about getting out, because the ghost world is where the dead stay.

Seeing the expressions of everyone, Jed's face flashed a hint of abuse, and he urged his subordinates to speed up.

"Jed!"

However, at this moment, a cold voice came, and then I saw a black shadow standing next to the entrance of the black hole.

The black shadow was all over his body, wrapped in black robes. Because of the dense fog, everyone couldn't see his face clearly, but they could feel the gloomy aura that filled his body.

It is the ugly ugly.

"Your Excellency the messenger?"

Seeing Wen Chou Chou, Jade was stunned for a moment, then smiled and said hello: "Your Excellency suddenly came, I don't know what advice you have!"

Chapter 2819

Wen's ugly dress is not recognized by others, but Jed, as a subordinate of Hades, is naturally no stranger. Moreover, the status of the messenger of Hades is special, and Jed does not dare to neglect.

Um!

Wen Chou Chou responded and said lightly at Jade: "Jie De, His Majesty Pluto did not see the wrong person, and he arrested the major sects in Kyushu so quickly."

Hearing the praise, Jade was overjoyed, and quickly said: "For Pluto. It is my duty to share your worries with Your Majesty."

However, at this moment, Wen Chou Chou's words changed: "However, His Majesty Pluto has just issued a new order, and I have come to tell you specially."

Hearing this, Jed With a solemn face: "What order!?"

Wen Chouchou looked around and pointed at Long Qianyu: "Let these people go."

What?

Jed's heart was shocked, and he was stunned.

Let go of these sect people? You know, in order to catch these people, I have spent a lot of effort, and now I just let it go?

Thinking to himself, Jade thought he had heard it wrong, and tentatively said: "Your Excellency the messenger, don't joke with me. When I left before, His Majesty Pluto repeatedly explained that he must wipe out all these sects in Kyushu, how... Before

he could finish speaking, Wen Chou Chou coldly interrupted.

"Jed, the thoughts of His Majesty Pluto are not something you and I can speculate." Wen Chouhou said coldly with an expressionless face: "Perhaps, this matter is just deliberately testing your loyalty by His Majesty Pluto, not to arrest these people."

While saying this, Wen Chou Chou calmly glanced at Long Qianyu and the others.

That's right, Hades didn't order these people to be released at all, it was Wen Chou Chou's fake orders.

When Hades asked Jed to act before, Wen Chou Chou was still imprisoned in purgatory and punished, but he still learned the situation from the ghost pawns.

To be honest, Wen Chou Chou knew that he was taking a risk. After all, Hades was powerful, but there was no way. If all the major sects were captured and sent to the ghost world, the entire Kyushu rivers and lakes would be over.

“This...”

At this moment, Jade stood there with a complicated and hesitant expression.

Wen Chou Chou’s face sank: “What? You dare to disobey His Majesty’s orders?”

“

The next second, Jade waved at the surrounding subordinates: “What are you still doing? Let go.”

Seriously, after finally arresting the major sects, Jade didn’t want to let go, but there was no way, Hades’s The order has to be followed.

At this time, Jade didn’t know that he was completely deceived by Wen Chou Chou.

Whoa!

The voice fell, and everyone in Long Qianyu was untied from the ropes, but they did not leave immediately, but stood there one by one, their hearts shaking.

Aren’t these people in front of them from the Rakshasa clan? How did you become a Pluto man?

And... why did Hades arrest these people?

“Jed!”

Just when Long Qianyu and everyone were thinking about it, Wen Chouchou said to Jed: “Go back quickly, His Majesty Pluto has a new task for you!”

Jed nodded and led his subordinates into the black hole , disappeared in the blink of an eye.

call!

At this moment, Wen Chou Chou breathed a sigh of relief, Mad, finally deceived Jade.

The next second, Wen Chou Chou looked at Long Qianyu and the others: "Hurry up and get out of here, when Hades learned that you were let go, he would definitely send his subordinates to chase after you.

What?

Hearing this, Long Qianyu and others are all My heart was shocked. It turned out that the messenger of Hades just gave a false order.

But soon, everyone also reacted, and the other party was deliberately helping themselves.

"More Your Excellency! "

At this time, Long Qianyu and everyone gathered around and thanked them.

But at the same time, everyone was very puzzled. Isn't he the messenger of Hades? Why do you want to pass down orders from Hades to help yourself?"

Chapter 2820

Just when everyone in Long Qianyu was secretly suspicious, they saw Wen Chou Chou slowly taking off the black hat on his head.

Whoa!

At this moment, seeing his face, the audience was in an uproar.

It turned out to be the hall master of the Hall of Longevity, Wen Chou Chou! ?

"You..."

Especially Long Qianyu and Ye Ziyi were all shocked and their faces were incredulous.

"Palace Master Wen, it was rumored in Jianghu that you were killed by Zhang Jiao, why..."

"Yeah, didn't you fall into the abyss?"

Everyone's doubts came, and Wen Chou Chou smiled bitterly!

In the next second, Wen Chou Chou said: "It's hard to say anything, I won't say more, you should leave now while Pluto still doesn't know the situation!"

Long Qianyu nodded, and then said, "Aren't you with us?"

Although he was with Wen Chou Ugly is not very familiar with him, but he is Yue Feng's sworn eldest brother, and since he and Yue Feng have a marriage contract, he is his own, so he naturally does not want him to stay alone.

Wen Chou Chou smiled bitterly, shook his head and said, "I have other things to do!" To be honest, Wen Chou Chou really wanted to leave with Long Qianyu and everyone else, but his life was in the hands of Hades, and his whereabouts would soon be taken by Hades I know, so I can't implicate everyone.

"Okay!"

Seeing Wen Chou Chou's refusal, Long Qianyu didn't force it, nodded, and left quickly with everyone.

call!

At this moment, watching everyone's backs go away, Wen Chou Chou took a deep breath, his figure flashed and disappeared into the night.

.....

the other side.

Apocalypse Continent, the Tianji Mountains north of the Imperial City.

More than ten years ago, Duan Yu found the Heaven-Opening Axe in the depths of the Tianji Mountains, causing the heaven and earth to shake, the mountains collapsed, and the entire Tianji Mountains became a ruin.

Now more than ten years have passed, the Tianji Mountains have regained their vitality, with green trees and beautiful scenery everywhere.

In the woods in the northwest of the Tianji Mountains, there is a quiet courtyard, surrounded by a variety of flowers and herbs, and the environment is quiet.

Here, it is the seclusion place of Qin Sheng Mu Xixi.

At this time, in the main hall of the courtyard, Ren Yingying, Xiao Yuruo, and Su Qingyan were all sitting there with sad faces.

Outside, Sun Dasheng and others, sitting in the courtyard, were also downcast.

A month ago, Ren Yingying and Sun Dasheng were captured by Zhang Jiao. Later, Wen Chou Chou desperately rescued them. They finally escaped from the Wutian

Organization headquarters, and then they encountered pursuers. Fortunately, they met Mu Xixi at that time. Totally safe.

After being rescued, everyone was brought here by Mu Xixi.

Because of taking Zhang Jiao's San Gong Pills, all of them lost their internal strength and almost became a waste. Now that a month has passed, everyone has tried many methods, but the effect has not diminished in the slightest.

This matter made Ren Yingying and Sun Dasheng anxious and angry.

Zhang Jiao, an insidious villain, has harmed his own people so badly.

rustle!

At this moment, footsteps sounded outside the courtyard, and soon, two slim figures entered the courtyard, it was Mu Xixi and his apprentice Song Qian.

At this moment, Sun Dasheng and Ren Yingying hurried up to meet them.

Reaching the front, Ren Yingying said anxiously, "What's the situation outside?" Recently, Mu Xixi has been taking care of everyone, and at the same time, she is constantly inquiring about the situation outside.

Ugh!

Mu Xixi's eyes flickered, and she sighed softly.

Afterwards, Song Qian explained the inquiries in detail.

At the end of the story, Song Qian clenched her pink fist and was very angry: "That Zhang Jiao is really sinister and despicable, slandering my brother, saying that he blasphemed Chang'e, and then held a supreme conference..."

What?
