

## The ultimate husband in Chinese chapter 2841-2850

Chapter 2841 It's

all him, let yourself wear his coat, and now people are misunderstood.

no?

Ye Meng was stunned for a moment, and looked at Yue Feng suspiciously, and was a little confused for a while.

Haha...

Seeing Zi Yan's reaction, Yue Feng was overjoyed.

The next second, Yue Feng said to Ye Meng, "You girl, how can you shout? There are so many goddesses in the world, they can't all be my women."

After saying that, Yue Feng gave Zi Yan a smile. , continued: "This is Miss Zi Yan, she is a friend of mine, wait for you to help her get a set of clothes."

Hearing this, Ye Meng snorted and hurriedly ordered the people in the hotel.

After a while, the clothes were delivered, and Zi Yan went to the next room.

"Little Dream!"

At this time, Yue Feng couldn't help but ask: "At that time, the Qingyun Sect was in chaos. I thought something was wrong with you. Where have you been during this time?"

Seeing Yue Feng mention this, Ye Meng's eyes immediately, resentment flashed: "At that time, I fled from Qingyunzong, and I was chased by the people of the Wutian Organization. It was not until two days ago that I completely got rid of them, and then I came to Blackwater Town, ready to call the people of the mercenary alliance. , to deal with the Wutian Organization." After speaking, Ye Meng clenched her pink fist tightly and said fiercely: " Zhang

Jiao destroyed Qingyunzong and killed my adoptive father. If this revenge is not repaid, I, Ye Meng, will not be a human being."

!

Hearing this, Yue Feng took a deep breath and felt very heavy.

This chapter is provided by . Visit for daily update.

Zhang Jiao is very ambitious, he has harmed so many people, he must be eliminated as soon as possible. However, at that time, Jed led people to disrupt the Supreme Assembly, Zhang Jiao was injured and fled, and now he does not know where he is.

“Master!”

At this moment, Ye Meng stared at Yue Feng, and said sincerely: “Tianqi, I heard rumors in the rivers and lakes that you blasphemed the Queen Mother Chang’e and made a riot at the Beiyong Palace, I heard it. I know that Zhang Jiao is deliberately slandering you.” “Master, I have an entire mercenary alliance under my command, as long as you say

a word, I will take someone to the main altar of the Wutian Organization, how?”

Dream’s delicate face is full of urgency.

Yes, she wanted revenge too much. Although the suzerain of Qingyunzong was not her biological father, he had cared for her since childhood and had deep feelings for her. Now he was killed by Zhang Jiao, and he couldn’t bear it.

Yue Feng pondered for a while and said slowly: “It’s useless for you to go to the Wutian Organization’s main altar now, because Zhang Jiao is missing.”

After that, Yue Feng told Ye Meng in detail about the situation at the Supreme Conference.

What?

Knowing this, Ye Mengjiao’s body trembled, and she was stunned.

Some people from the Rakshasa clan took refuge in Hades? After that, he destroyed the Supreme Assembly, not only arresting the people of the Wutian Organization, but also arresting the major sects in Kyushu?

“Then...”

After a few seconds, Ye Meng reacted and couldn’t help but ask: “Then what should we do now?”

” The situation in Kyushu is getting more and more chaotic, Hades is more powerful than Zhang Jiao, so you must not act rashly.”

Saying that, Yue Feng thought: “You should send someone to inquire about the news, and at the same time, help me find the Ouyang family and Zhang Jiao. Jiao’s whereabouts, remember, don’t startle the snake.”

“Okay!” Ye Meng nodded.

To be honest, Ye Meng had a strong personality and didn't want to be so passive, but there was no way, so he had to listen to Master's words.

Soon, Ye Meng sent his subordinates to inquire about the news.

...

this moment, the other side!

Mona led tens of thousands of Rakshasa troops and finally reached the border of the Northern Ying mainland.

call!

At this moment, Mona looked at the direction of the imperial city, her delicate face was very calm, but her eyes showed a trace of complexity.

Just now, the spies of the advance army sent back news that the Supreme Conference had been destroyed by Jed, and Yue Feng was also missing. When he got the situation, Mona was even more worried.

Chapter 2842

“Your Majesty!”

At this moment, Zang Yunyue came over and said softly: “It seems that we are a step late, the Supreme Conference has ended, and Jed's gang is also uncertain, and we need to find them. It's difficult, why don't we find a place first, set up camp, and explore the situation.”

Well!

Mona nodded: “It can only be like this for the time being.” As

she was talking, when she saw the wilderness ahead, Mona's heart was shocked, and her expression suddenly became solemn.

Whoa!

At the same time, the Rakshasa warriors who were resting all stood up one after another and looked at each other in shock.

I saw that in the wilderness a few miles away, there was a dusty field, and there were hundreds of thousands of troops, quickly marching here. You can see that this army, the

person on the right is wearing dark red armor, and silver armor in the middle. , and the one on the right is pure black armor.

Obviously, these were soldiers from the Xicang Continent, the Beiyang Continent, and the Zhongyuan Continent.

I have to say that the formation of the three continents' armies is really shocking.

what's the situation?

Why did the armies of the three continents suddenly appear here?

At this moment, Zang Yunyue next to her was also trembling faintly.

Oops, the army in front of me must have come for me.

“Alert!”

Meng Na reacted, raised her jade hand, and shouted softly.

In an instant, tens of thousands of Rakshasa warriors hurriedly lined up and waited.

Whoa!

That is, at this time, hundreds of thousands of coalition troops from the three continents have also arrived.

The leader was a burly man, wearing white armor and riding a blood-red warhorse.

Tu Shengjie, who used to be a general under Yang Jian, made great contributions with Yang Jian's expeditions.

“Encircle!”

At this moment, Tu Shengjie did not hesitate at all, waved the long knife in his hand, and shouted loudly.

In an instant, hundreds of thousands of coalition troops surrounded Meng Na.

Half a day ago, the mainland of Kyushu received a message from King Guangping that the Rakshasa tribe had invaded Kyushu, and the goal was to occupy the Beiyang Imperial City.

Soon, Northern Ying Continent, Xi Cang Continent, and Zhongyuan Continent acted first to form a coalition to stop Meng Na.

“You...”

Meng Na was furious when she saw this scene, but she said politely, “I, the Rakshasa clan, have no intention of offending, but I just learned that Zhang Jiao coerced Lady Chang’e, held a supreme meeting, and slandered Yue Feng. ....”

Before he could finish speaking, he was interrupted by Tu Shengjie.

“Shut up!”

Tu Shengjie looked at Meng Na coldly, and shouted: “You led the Rakshasa army into the territory of Kyushu, and violated the original agreement, so don’t delusional quibble!”

“We all know about the Supreme Conference. Now, it was Jed of your Rakshasa clan who led people to destroy and finally captured the major sects, but you pushed everything on Zhang Jiao, this is what Yue Feng taught you, right?”

” At that time, Tu Shengjie had just words on his face.

Speaking of which, Tu Shengjie didn’t know much about the situation of the Supreme Conference at that time, because he was a general guarding the border and was at the border at the time. This time he came to stop Mona, and he also heard the news from King Guangping.

In Tu Shengjie’s mind, King Guangping was the Emperor Tianqi and would not lie.

The voice fell, and the other generals around also spoke up.

“Yes, Yue Feng blasphemed the Empress Chang’e, wanted to be the emperor of Beiying, and colluded with the Jade of your Rakshasa clan to destroy the Supreme Assembly. And your Rakshasa clan has a close relationship with Yue Feng. At this time, he led the army and invaded Kyushu with the purpose of One can imagine.”

“Did Yue Feng and your Rakshasa make an agreement to divide the Kyushu together?”

“Don’t talk nonsense with these alien races, and destroy them all.”

Chapter 2843

Everyone’s questions kept coming, Meng Na bit her lip, anxious, but she didn’t know how to answer.

“Your Majesty!”

At this time, Zang Yunyue also realized something, and said, "It seems that this is King Guangping's treachery. He lost the battle at our hands, so he deliberately reversed right and wrong and sent a message to let other continents come. Deal with us."

Hearing this, Meng Na's eyes flashed, and she was angry.

Yes, it must be the ghost of King Guangping.

Thinking to herself, Mona's mind turned quickly, thinking about how to avoid war.

"Kill!"

But at this moment, Tu Shengjie howled and rushed forward, holding a long knife and swinging it hard!

"Ah..."

With a scream, several Rakshasa warriors suddenly fell into a pool of blood.

At this time, Tu Shengjie, expressionless, shouted at Mona: "Yue Feng Langzi's ambition, colluding with your Rakshasa clan, trying to control the entire Kyushu, is completely wishful thinking, today, you Rakshasa people, don't even think about it. Leave!"

"You..."

Mona was so angry that she retorted loudly: "It's you who have been deceived by the truth, Yue Feng can't blaspheme Chang'e, and he has no ambition to control Kyushu. Heart of a gentleman..."

Tu Shengjie sneered and did not respond.

Now the whole Kyushu is spreading Yue Feng's blasphemy against Empress Chang'e. Could it be that everyone in the world is a fool, and they all blame Yue Feng?

"Kill, destroy them all!"

At this moment, hundreds of thousands of coalition troops rushed in like a tide.

Seeing this scene, Mona knew that it was useless to explain herself, and she shouted loudly: "Warriors, fight!"

Whoa!

The voice fell, and tens of thousands of Rakshasa warriors rushed forward with howling!

Although the Rakshasa tribe is brave and good at fighting, there are only tens of thousands of people, and the opponent is hundreds of thousands. There is a huge disparity of ten times the number of people. .

However, none of them flinched, gritted their teeth and desperately resisted! Because they all know in their hearts that if this battle fails, the Rakshasa clan will be completely over.

“Dangdangdang!”

For a time, the soldiers from both sides were constantly confronting each other in the wilderness. The sound of weapons colliding and roaring echoed throughout the world!

.....

the other side!

Blackwater Town, in a hotel room.

Yue Feng rested for a few hours and was meditating on the bed at this time.

“Master!”

At this moment, the door was pushed open, and Ye Meng walked in quickly, with a solemn expression on his delicate face: “Not good!”

“What’s wrong?”

Yue Feng hurriedly sat up and asked: “What’s the situation?”

“The Ouyang family is locked in the prison of Tianqi Imperial City.” Ye Meng bit her lip and told the news one by one: “Also, the queen of the Rakshasa clan. , led the Rakshasa army to the Beiyong Imperial City, and said that he would help you and eradicate the traitors at the same time, but when he passed through the Tianqi Continent, he fought with the Tianqi Royal Forest Army.”

“And...”

After talking for two minutes, Ye Mengcai finished the news, and finally couldn’t help saying: “Master, what should we do?”

What?

At this moment, Yue Feng’s heart was shocked, and he only felt that his brain was buzzing.

Yingying and the others were arrested by King Guangping?

Also, Mona actually led the army and went to the Beiyang Palace to help herself.

Chapter 2844

Under the shock, Yue Feng was moved beyond words. In his heart, Mona had a straightforward personality, and he was considered a friend, but he was not at the point of life and death, but he didn't expect that, knowing that he had Difficult, actually violated the agreement three years ago, led into Kyushu.

It's just... what Mona does will cause public outrage in the Kyushu mainland.

"Master!"

Seeing Yue Feng's gloomy expression, Ye Meng was a little anxious and couldn't help shouting.

call!

Yue Feng took a deep breath, calmed down, and said seriously: "In this way, you can immediately bring someone you can trust to the Apocalypse Continent and find my son Yue Wuya. He will help you how to rescue the Ouyang family."

"The Rakshasa family . Over there, I'll go!"

Hearing this, Ye Meng nodded and hurriedly organized people to set off.

After Ye Meng left, Yue Feng also quickly left the room and left Heishui Town with Zi Yan.

"Saint Ziyang!"

On the road outside Heishui Town, Yue Feng said with a smile: "I wanted to help you find other saintess, but I have more important things, so I'm sorry!"

"Who wants you Help!"

Zi Yan said angrily: "When we reach the fork in the front, let's go separately!"

As a nine-day saint, she has repeatedly suffered losses here in Yue Feng, how could she continue to be with him?

Haha...

Hearing this, Yue Feng showed a smile, this Zi Yan is really interesting, didn't it just make you call me a good brother? Even to now have revenge.

Thinking about it, Yue Feng was about to speak.

Um?

However, at this moment, Yue Feng frowned, and he clearly felt that there was a dangerous aura not far ahead.

At the same time, Zi Yan also frowned, and said solemnly: "What a strong yin and evil spirit, is it a subordinate of Hades?" After

saying that, Zi Yan's figure was elegant, and she walked over quickly.

Yue Feng did not hesitate to follow closely!

This...

Arrived in a forest, and when he saw the scene in front of him, Yue Feng was stunned.

I saw that more than a dozen guys in black robes were surrounding a person. This person was also dressed in black robes, but there were some special signs on the clothes.

Because of the dim light, Yue Feng couldn't see the man's face for a while, but he didn't know why, but there was a very familiar feeling.

good! These are the underworld soldiers under Hades, as well as Wen Chou Chou.

After Wen Chou Chou falsely passed the order, Pluto was furious and immediately sent Pluto soldiers to arrest him, and finally found Wen Chou Chou's whereabouts in the area of Heishui Town.

"Underworld soldier?"

At this moment, Zi Yan's eyes flickered, and she couldn't help but say: "Strange, the one surrounded, looks like the messenger of Hades, how could he be hunted by underworld soldiers?"

"He knew the situation in the ghost world very well, and he could see at a glance that the clothes that Wen Chou Chou was wearing were the messengers of Hades.

The messenger of Hades?

Hearing this, Yue Feng was stunned for a moment, then smiled and said, "Since it is their own people who are fighting, let's not act rashly and watch the tiger fight."

At this time, Yue Feng did not realize that the besieged Man, it is his sworn brother.

Seeing the frivolity on his face, Zi Yan snorted lightly and ignored it, but she also acquiesced to Yue Feng's suggestion and stood there quietly watching.

At this time, Wen Chou Chou is here.

Whoa!

After more than a dozen underworld soldiers surrounded him, the leading one shouted: "Wen Chou Chou, His Majesty Pluto is not mean to you, but you actually betrayed him, falsely gave orders to let the major sects go, and now you still want to fear the crime "Absconding."

"Your life belongs to His Majesty Pluto, do you think you can escape? Those who are sensible will be captured, and follow His Majesty Pluto in front of us."

Hehe...

Hearing this, Wen Chou Chou sneered and said fearlessly: "Treat me well? Hades is just taking advantage of me, and wants me to go back with you, dreaming!"

"Looking for death!" The

dozen or so soldiers were instantly furious and rushed towards Wen Chou Chou.

Chapter 2845

Om!

The power of yin and evil erupted by more than a dozen underworld soldiers caused the surrounding yin wind to burst, and the air seemed to be frozen.

Brother Wen?

Seeing this scene, Yue Feng, who wanted to stay out of the way, was suddenly shocked and his body trembled.

This... this besieged person, is Wen Chou Chou?

Excited, Yue Feng thought he was wrong, and rubbed his eyes quickly.

That's right, it's really Brother Wen. Haha... Brother Wen is not dead...

For a while, Yue Feng was excited, but also secretly shocked.

Yue Feng clearly noticed that Wen Chou Chou in front of him was not only pale, but also filled with an evil Yin Qi, just like the mutated black sand python before.

what's the situation? How did Brother Wen become like this?

Also, Zi Yan said that he is the messenger of Hades. Could it be that he is now working for Hades?

“Brother Wen, I’ll help you!”

Soon, Yue Feng reacted, shouted, and rushed over. No matter what, Brother Wen is in danger now, and he can’t just sit back and ignore it.

“Hey...”

Seeing this scene, Zi Yan wanted to stop her, but she stomped her feet in a hurry when she saw that Yue Feng had already rushed over.

Although Yue Feng’s strength is very strong, but these are the men of Hades, in other words, they are not human at all, how can he fight?

hum!

In the blink of an eye, Yue Feng rushed into the battlefield, and the surrounding air was distorted by the internal force.

However, what shocked Yue Feng was that the soldiers in front of him were too strange. He clearly hit the target, but the other party had nothing to do with it.

Soon, Yue Feng realized that none of the underworld soldiers in front of him belonged to the Kyushu Continent. If he used the practice of the Kyushu Continent, it was naturally useless to them.

“Fengzi?”

At this moment, seeing that the person who suddenly rushed in was Yue Feng, Wen Chou Chou was also pleasantly surprised: “Haha.. Brother, I thought something was wrong with you.”

Hearing Wen Chou Chou’s voice, Yue Chou Chou was also surprised. Feng couldn’t help it all of a sudden, and said with a smile, “Brother Wen, I thought you were dead too!” With a smile on his face, there were tears in his eyes.

Although he was sworn to Wen Chou Chou, he was better than his biological brother. Now that he was still alive, Yue Feng almost cried with joy.

At this time, Yue Feng didn't know that Wen Chou Chou looked fine, but he was actually not a living person.

Wen Chou Chou smiled bitterly, and then shouted: "Fengzi! You are strong, but you can't hurt them, so step back."

Yue Feng shook his head with a resolute expression, "No way!"

No matter what the identity of the other party, We must save Brother Wen.

Swish!

At this moment, more than a dozen underworld soldiers were agitated by Yue Feng.

"Where did you come from?"

"I don't know if I live or die!"

After shouting in anger, a dozen or so underworld soldiers joined forces to break out a yin wind, which swept directly towards Yue Feng.

Pfft!

Yue Feng didn't have time to dodge, but felt a force that was cold to the bone, shrouded him, and then, his body was shocked and flew out and fell to the ground.

hiss!

At this moment, Yue Feng struggled to get up, shocked.

Nima, how do you deal with these underworld soldiers?

In anxiety, seeing Zi Yan, Yue Feng hurriedly said: "Saint Zi Yan, please help me! Help my big brother?"

Yue Feng's eyes were full of anticipation when he said this.

Zi Yan is a nine-day saint from God's Domain, and she definitely has a way to deal with these underworld soldiers. After all, she was the one who saved herself from Jed before.

However, Zi Yan looked indifferent: "Why should I help you? Also, your eldest brother is the messenger of Hades, I can't help you even more."

## The ultimate husband in Chinese chapter 2846-2850

### Chapter 2846

When saying this, Zi Yan was full of smiles.

This abominable Yue Feng, who took advantage of me in the past, also caused himself to be misunderstood by his apprentice. The most annoying thing is that he has been teasing me all the time. Now let me help? That's so easy.

What the hell!

Seeing the sneer at the corner of Zi Yan's mouth, Yue Feng was very depressed.

Seeing this scene, Wen Chou Chou couldn't help it. While struggling to resist the siege of the underworld soldiers, he shouted at Yue Feng: "Fengzi, what are you asking a woman for? These are the underworld soldiers of the ghost world. , you can't deal with it."

"Hurry up and leave me alone."

Wen Chouchou looked anxious when he said this. When he was in such a situation, he couldn't help himself, and he could no longer drag Yue Feng into the water.

At this time, Wen Chou Chou still didn't know that the woman in front of her had an unusual identity.

Yue Feng shook his head with a determined look on his face.

Zi Yan had a playful look on her face and smiled at Yue Feng: "Did you hear me, your elder brother doesn't need my help.

"

Seeing Yue Feng's sincere expression, Zi Yan couldn't bear to refuse, and her tone softened a bit: "I can promise to save him, but... you have to promise me three things."

Although Yue Feng is a bit frivolous, but in Kyushu there are three things. Some fame, if they want to find other saints, they will definitely need his help.

"Okay!" Yue Feng nodded without thinking.

As long as Brother Wen can be saved, let alone three conditions, even 300 Yue Feng will not frown. Moreover, although Yue Feng has little contact with Zi Yan, she also knows that Zi Yan, as the Holy Maiden of the Nine Heavens, will not frown. Make yourself do evil things.

This chapter is provided by . Visit for daily update.

Seeing that his promise was very straightforward, Zi Yan nodded with satisfaction: “Seeing that you are so sincere, then I will tell you how to deal with these underworld soldiers!”

What?

Hearing this, Yue Feng was stunned, feeling like he was being tricked.

Tell yourself the way, that is, Zi Yan doesn’t need to take action?

“If I’m not wrong!” Zi Yan didn’t care about Yue Feng’s expression, and said slowly: “In addition to having a dragon spirit beast, you also have a lot of inner pills on your body.”

“Dragon is the strongest spirit beast. , possessing the spiritual energy of the Supreme Heavenly Immortal, and combining with the inner core to form the Qiankun Demon Breaking Array, it can suppress the yin and evil energy of these underworld soldiers.”

Phew!

Hearing this, Yue Feng suddenly became enlightened.

But in the next second, Yue Feng felt a little troubled and couldn’t help but said, “I can understand what you said, but I have never heard of this Heaven and Earth Breaking Demon Formation.” In the Bai Qi Shen Formation, there are many high-level records recorded. The formation method, only this universe-breaking magic formation, has never been recorded, and even Yue Feng has never heard of it.

In fact, the Qiankun Breaking Demon Formation mentioned by Zi Yan is the formation of God’s Domain and does not belong to the Kyushu Continent. It is normal for Yue Feng not to know.

“It doesn’t matter!” Zi Yan showed a smile, very confident: “Just wait for you to listen to my instructions, take out the inner alchemy on your body first, and put it around according to the five elements and gossip.”

Hearing this, Yue Feng did not Without any hesitation, he took out more than a dozen inner pills from his body and placed them around the woods.

After spending three years in the Valley of Death in the Wild and Strange Realm, Yue Feng killed a lot of spirit beasts, and there were too many Neidan. Even if he bought some before, he still had a lot left.

Put away the inner core, and under Zi Yan’s gesture, Yue Feng released the young dragon.

“Little dragon.”

At this moment, Yue Feng couldn't help muttering to himself: “Whether you can rescue Brother Wen this time, it's up to you.

“

The dragon burst out of the sky. Although he is not yet an adult, the powerful aura of divine beasts envelopes the entire forest.

This...

At this moment, those underworld soldiers who were still focusing on dealing with Wen Chou Chou were all inexplicable heart palpitations, and they were all stunned when they saw the sudden appearance of the dragon.

Wen Chou Chou was also shocked. Looking at the young dragon floating in the air, he was suddenly dumbfounded.

Chapter 2847

What's the situation?

When did Fengzi have a dragon?

“Hoo Ang!”

At this moment, the young dragon was instructed by Yue Feng, and his eyes locked on the underworld soldiers. Then, a roar broke out again. Suddenly, the expressions of the underworld soldiers changed greatly.

However, it was soon discovered that this was just a young dragon, and many underworld soldiers recovered their confidence.

“Ma De, an underage dragon!”

“Yes, don't panic, a young dragon can't hurt us at all.”

Under howling, these underworld soldiers divided into two teams, one team continued to besiege Wen Chou Chou, and the other team It was aimed at the young dragon.

Um?

However, halfway through the rush, these underworld soldiers realized that something was wrong, and they saw that around the woods, some inner pills were placed at some point, which seemed to be chaotic, but contained mystery.

Not only that, the position of the young dragon in front of him is in the center of these inner cores.

At this time, these underworld soldiers still don't know that the formation in front of them is called the Qiankun Breaking Demon Formation, which is just to restrain the yin and evil spirits in them.

“Whoosh!”

At this moment, when the formation was completely formed, with the eruption of the divine beast's breath, the yin and evil aura originally shrouded in the woods dissipated a lot at once.

Not only that, Wen Chou Chou also instantly lost the pressure and felt much more relaxed.

“Let's go together and kill this young dragon!”

At this time, many underworld soldiers reacted one by one, and they were all aroused by their fierceness. .

“Chichi!”

Numerous underworld soldiers erupted together, and the evil aura formed, like a dark cloud, shrouded the young dragon.

Seeing this scene, Yue Fengxin raised it all at once, and couldn't help sweating for the young dragon.

Zi Yan next to her was unusually calm.

Although these underworld soldiers are numerous, they are after all underworld kings, and it is difficult to hurt the dragon. After all, the dragon is the strongest divine beast.

“Roar!”

Seeing the numerous underworld soldiers rushing up, the young dragon didn't panic at all. After roaring, he followed and opened his bloody mouth.

The next second, I saw the two underworld soldiers rushing to the front, locked by a powerful breath, and then directly swallowed by the young dragon.

What the hell!

Seeing this scene, Yue Feng was shocked and excited.

Unexpectedly, the dragon can devour the underworld soldiers?

Yue Feng clearly noticed that the Yin Sha power contained in the two underworld soldiers swallowed by the young dragon was also slowly merged by the young dragon and turned into his own power.

“Swallow?”

Not only that, but Zi Yan’s body trembled, her face full of shock.

“What’s wrong?” Yue Feng asked subconsciously.

Zi Yan stared at the young dragon, unable to hide her inner shock, and her tone trembled: “Dragon is the strongest divine beast, yes, but their blood-borne skills are nothing more than water, fire, thunder and lightning, but some dragons also possess some special abilities, but in this case, they only appear once in thousands of years.”  
After speaking

, Zi Yan couldn’t help but take a deep breath and continued: “I didn’t expect that you, a dragon, possess the power to devour when you are still young. , It’s incredible.”

After saying the last sentence, Zi Yan was very excited.

Yes, there are three powers of inheritance of the dragon family, namely, water, fire and thunder and lightning. Therefore, in the legend of Kyushu, the dragons have fire dragons, water dragons and thunder dragons, but there are also individual dragons, because of their unique talents, they have other abilities. . But as Zi Yan said, this is too rare.

Chapter 2848

However, Zi Yan didn’t know that the young dragon in front of him, under the protection of the mermen, was silent in the Guixu sea area for more than 3,000 years. Later, because of a coincidence, it was merged into Xiaoxi’s soul. It can be said that, It is the integration of Xiao Xi’s soul that makes this young dragon extremely special.

call!

Hearing this, Yue Feng couldn’t tell how excited he was, haha... It turns out that the dragon spirit beast he owns is the most special one.

Although Yue Feng still didn’t know that the young dragon’s soul was Xiao Xi, he was inexplicably happy when he saw that it possessed a special devouring ability.

This....

seeing his two companions, directly swallowed by the young dragon in front of him, the rest of the underworld soldiers, one by one, were terrified, almost scared to death.

“Run...”

“Run...” I

don't know who shouted. In an instant, these underworld soldiers scattered like frightened birds and beasts, and disappeared without a trace in the blink of an eye.

Being swallowed by a young dragon is the end of the soul, who would dare to stay.

call!

Wen Chou Chou breathed a sigh of relief, and sat down weakly against a tree, secretly rejoicing that it was fortunate that Feng Zi had a dragon spirit beast, otherwise, tonight would really be doomed.

The next second, Wen Chou Chou smiled at Yue Feng and said, “Okay, Fengzi, when did you get a dragon spirit beast?”

After saying that, Wen Chou Chou couldn't help but glance at Zi Yan and joked: “I still Yes, this younger brother and sister has never met before, Fengzi, why don't you introduce me?”

To be honest, Yue Feng asked Zi Yan before, and Wen Chou Chou couldn't stand it anymore, but after thinking about it carefully, Yue Feng and his confidantes like to flirt. More importantly, this woman is willing to help Yue Feng. Feng, it proves that the relationship is not ordinary, so subconsciously regards Zi Yan as Yue Feng's woman.

Siblings?

Hearing this, Zi Yan's indifferent face was instantly ashamed and angry, her eyes flashed with murderous intent, and she directly locked on Wen Chou Chou.

This person is the messenger of Hades, how dare he talk nonsense in front of him? !

Uh...

Seeing this scene, Yue Feng was very embarrassed, and gratefully explained to Wen Chou Chou: “Brother Wen, don't talk nonsense, this is Your Lady of Nine Heavens, how can I be qualified to be her man? ”

Nine Heavens Saintess?

Wen Chou Chou was stunned for a moment, what is the origin of this?

At this time, Yue Feng noticed Wen Chou Chou's breath and was surprised: "Brother Wen, how did you become like this?"

Yue Feng clearly saw that Wen Chou Chou's face was bloodless, and his body was cold. Incomparably, I can't feel a trace of vitality, just like a dead person.

Wen Chou Chou looked sad.

"As the messenger of Hades, he is no longer alive." At this time, Zi Yan couldn't help but said.

What?

Yue Feng's heart was shocked, and he only felt that his brain was buzzing?

Brother Wen is not alive?

"Alas!"

At this time, Wen Chou Chou sighed, and slowly explained the situation in detail.

At the end of the story, Wen Chou Chou smiled bitterly: "I thought that being the messenger of Hades, I could easily do something for Kyushu, but I didn't expect that Hades is more ambitious than Zhang Jiao."

After speaking, Wen Chou Ugly looked at Yue Feng and continued: "Fengzi, I gave a false order to let Jade let go of the Kyushu sect. King Hades will not let me go. Your young dragon can deal with the soldiers of the Underworld, but he can't deal with King Hades, so , you better leave me alone."

Yue Feng suddenly became excited and shouted: "Brother Wen, what nonsense are you talking about? We three brothers live and die together, I can't leave you alone."

"Fengzi!" Wen Chou Chou was very moved, but still said seriously: "You still don't understand, I have a soul contract with Hades, and he can find me at any time. How can you help?"

This...

Yue Feng fell silent for a while, Very unwilling.

Chapter 2849

Mad, how to solve the soul contract? I know yin and yang feng shui, but I don't know anything about it.

At this moment, Zi Yan slowly said: "The soul contract of Hades is not unsolvable. Among our Nine Heavens Saintess, Huanxiang is the best at this, but she must be found first." That's

great.

Yue Feng's face was overjoyed, and he quickly said: "In that case, let Brother Wen accompany you to find other Nine Heavens Saintess. If you find that Huanxiang daughter, you must ask her to help save Brother Wen."

"Okay!"

Zi Yan hesitated, nodded and agreed: "I can take him, but don't forget those three things, as long as I bring it up, you must do it as soon as possible!"

"Of course!" Yue Feng smiled. Said: "Promise a good thing, how can my brother forget?"

"You..."

Zi Yan stomped her feet angrily, shy and angry, this Yue Feng is too serious, it's all this time, still Thinking of taking advantage.

call!

Seeing this scene, Wen Chou Chou also shook his head and smiled bitterly. After three years in the wild and strange realm, this style has not changed at all. When he sees a beautiful woman, he is not serious.

At this time, Yue Feng said to Wen Chou Chou: "Brother Wen, I originally wanted to be with you, but Mona brought the Rakshasa Army into Kyushu, I have to rush over, otherwise, I'm afraid something big will happen. "

Okay, hurry up, don't worry about me for now." Wen Chou Chou looked solemn and nodded.

Wen Chou Chou has a deep sense of righteousness. Although he is a little reluctant, he also knows that the affairs of Kyushu are more important.

Soon, Yue Feng, Wen Chou Chou, and Zi Yan separated and hurried towards the Northern Ying Continent.

.....

At this moment, the northern border of the mainland.

In the wilderness, the battle continued. Under the siege of the coalition forces, the warriors of the Rakshasa tribe fell one by one in a pool of blood, and the ground was dyed red.

The two sides have been fighting here for two days and two nights!

In these two days, the tens of thousands of Rakshasa warriors led by Mona dropped sharply from tens of thousands at the beginning to less than 10,000.

Although the Rakshasa clan were able to fight well and their average strength was much stronger than that of the Kyushu Continent, it was still somewhat unbearable in the face of such a disparate battle.

On the coalition side, there were nearly 600,000 people, and they lost more than 100,000, leaving only over 400,000.

Less than 10,000 people, against more than 400,000 people, is simply hitting the stone with an egg.

However, under the leadership of Mona, these less than 10,000 Rakshasa warriors are still insisting. These warriors knew in their hearts that if this battle was lost, the Rakshasa would be completely over.

In midair, Mona fought Tu Shengjie alone against more than a dozen generals. Each of these generals had reached the fifth stage of Martial Sovereign, and the power of the joint outbreak was terrifying.

On the other side, Zang Yunyue was also surrounded by everyone.

“Bang!”

Finally, Tu Shengjie found an opportunity, his figure flickered, and he slapped Mona’s back with a palm. He heard Mona’s face turn pale, and instantly fell from the sky, clutching his chest, and spurning a mouthful of blood!

“Haha!”

Tu Shengjie laughed loudly, and teased at Mona: “This is the strength of the Rakshasa Queen, and that’s all. Now, in this situation, you don’t have to struggle anymore. Surrender now.”

Surrender?

Mona bit her lip tightly, her beautiful face showing fearlessness: “We Rakshasa, we would rather die than surrender!”

“I’d rather die than surrender!”

In an instant, the surrounding Rakshasa warriors responded in unison. Although they were seriously injured, they were so powerful.

“Haha, I really don’t know how to lift up! Shame on your face!” Tu Shengjie’s face turned gloomy, his inner strength urged, and he waved his long knife and rushed towards Mona.

“Don’t want to hurt my majesty the Queen!” At this moment, I saw a beautiful figure, looking like a frightening figure, suddenly blocking in front of Mona, it was Zang Yunyue.

Chapter 2850

“Yunyue, avoid me! Leave me alone!” Mona’s tender body trembled and shouted quickly.

This time, the Rakshasa clan was besieged by the coalition forces, which was entirely her own fault, and the cost was borne by herself, but Zang Yunyue was different. She had the inheritance of her ancestors and Kuafu, and she was the future of the entire Rakshasa clan, so nothing could go wrong. .

However, Zang Yunyue’s face was determined and she didn’t mean to escape at all.

Her two older brothers followed Jade to betray the Rakshasa tribe. The sin was unforgivable. As a younger sister, she couldn’t stop her. Zang Yunyue had always been ashamed of the Rakshasa tribe. Blocking the sword for the Queen now is considered to be atonement for the brothers.

“Another one who came up to die, then I will fulfill you!”

Seeing this scene, Tu Shengjie’s eyes were full of madness, and at the same time, he accelerated his speed and stabbed the long knife towards Zang Yunyue’s heart.

At this time, Tu Shengjie was very excited. As long as he killed the Rakshasa Queen, he would be a hero of the Kyushu continent, and he would become famous all over the world.

call!

Seeing the long knife getting closer and closer, Zang Yunyue did not evade, and at the same time there was a smile on her face.

To be honest, with Zang Yunyue’s strength, it would be very difficult for Tu Shengjie to kill her, but after fighting for so long, Zang Yunyue’s internal strength was almost exhausted, and she had no power to fight back. .

At this moment, Mona wanted to push Zang Yunyue away, but it was too late. Under the anxiety, the circles of her eyes suddenly turned red, and tears fell down, she was very desperate.

“Stop it, stop it!”

At this moment, a roar came from a distance, and it resounded through the world!

In an instant, the two sides in the fierce battle were all roared by this roar, which made Zhen’s heart tremble, and they all looked for the sound!

Whoa!

Just one glance, whether it is the Rakshasa warriors or the allied soldiers, all of them are stunned!

Just see, in the distance, a dragon is coming from the sky!

Although this dragon is only three or four meters long, it is filled with the breath of a powerful divine beast.

And on the back of this dragon, a man stood proudly with a cold expression!

It is Yue Feng!

That’s right, the power of Yin Sha that devoured the two ghost soldiers before, the young dragon has grown a lot at once, and its strength has also improved a bit.

This....

seeing this scene, whether it was Mona or everyone present, they were all silent, their eyes fixed on Yue Feng, which was extremely shocking.

“Roar!”

At this moment, the Yuefeng driver dragon came to the front, the young dragon opened his mouth and let out a roar again!

This roar came out, and over the entire wilderness, the war horses of the two armies, all the war horses, were trembling one by one.

The strongest divine beast, absolute blood pressure!

As soon as the dragon comes out, all the beasts in the world need to surrender!

At this moment, the audience was silent, and almost a needle could be heard clearly.

“Dragon?”

“It turned out to be a divine dragon, isn’t Yue Feng’s spirit beast a poor one? How did it become a dragon?” “As expected of the most powerful divine beast ,

this breath is too strong.”

Whoever shouted, all of a sudden there was a lot of discussion.

You must know that the dragon has disappeared in the Kyushu continent for thousands of years. Most of the practitioners only know the existence of the dragon from legends, but they never thought that they would be able to see it with their own eyes in their lifetime.

What made them even more unexpected was that the one who possessed the dragon spirit beast was actually Yue Feng.

call!

At this time, Yue Feng took a deep breath and looked around the audience: “Everyone, stop, this time the Rakshasa army entered the Kyushu Continent, it was a complete misunderstanding. Before the situation deteriorates, please stop quickly.”

When he said this, Yue Feng’s eyes fell on Mona, seeing her pale and incomparably weak, she was both moved and happy.
