

## The ultimate husband in Chinese chapter 2871-2880

### Chapter 2871

Nie Yunxiao immediately turned around and walked to the execution platform, before Yue Wuya, and read out the crime coldly: "Yue Wuya, who was originally a prince, was deeply loved by His Majesty, but was arrogant and favored, secretly colluded with felons, and assassinated His Majesty, The crime cannot be punished, I will execute it today as an example." After the

reading, Nie Yunxiao looked at Yue Wuya: "What else do you want to say?"

Huh!

Yue Wuya took a deep breath and looked up at King Guangping, who was sitting on the dragon. At this time, Yue Wuya really wanted to have a few words with King Guangping, but what disappointed him was that King Guangping was expressionless and didn't look at him at all.

And seeing Lan Xin sitting beside King Guangping, Yue Wuya was completely heartbroken.

Just because he made a big mistake, the father and the emperor don't even like the mother, and changed a queen so quickly?

At this time, Yue Wuya didn't know that the one sitting beside King Guangping was not the new empress, but the Nine Heavens Saintess.

A few seconds later, Yue Wuya said to Nie Yunxiao: "I have nothing to say."

"You really have nothing to say!"

Nie Yunxiao sneered, his face full of mockery: "Although you are not biological, but Your Majesty will You treat it as if you were your own, but what about you, you are actually taking revenge for your kindness, and killing you today is already cheap for you."

When he said this, Nie Yunxiao's eyes flashed with playfulness.

Nie Yunxiao is very conceited, thinking that his strength and ability to lead troops to fight are no worse than Yue Wuya, but Yue Wuya enjoys the treatment of the prince by virtue of his majesty's adopted son status, and he has to obey his orders. Thinking of this, Nie Yunxiao became jealous.

But today, Yue Wuya has lost everything, and he is still the executioner, it's really cool to think about it.

“Prepare for execution!”

With pride, Nie Yunxiao shouted, and suddenly several guards came over and pulled Yue Wuya down on the execution platform.

This chapter is provided by . Visit for daily update.

Seeing this scene, the people watching around couldn't help but talk about it.

“As a prince, to assassinate His Majesty is simply outrageous.”

“Yeah, although it is not biological, His Majesty has never treated him badly. Such a person is a crime that deserves death!”

“Killing him...”

Discussion Under the circumstances, many people couldn't control their emotions, and shouted at Yue Wuya, urging the execution to be executed quickly.

At this time, none of the onlookers sympathized with Yue Wuya. After all, the Apocalypse Continent was a country of etiquette and paid attention to morality, and Yue Wuya's behavior was outrageous.

Everyone's curses kept coming, Yue Wuya didn't seem to hear it, his face was blank, as if he had lost his soul.

“Hey...”

At this time, Lan Xin, who was sitting there, couldn't help but sigh softly, and looked at Yue Wuya without the slightest emotional fluctuation: “I didn't expect that the one who was beheaded today was a prince. , to help a repeat offender and assassinate his own father, it is indeed worth dying.”

Hearing this, King Guangping smiled.

The next second, King Guangping said to Nie Yunxiao, “Execute!” When he said this, a trace of pity flashed in King Guangping's eyes.

Ya'er, the royal father doesn't want to do this either, but what you have done before has really disappointed me. If I don't kill you today, what majesty does the royal father have? How will you take over the world in the future?

After receiving the instructions of King Guangping, Nie Yunxiao shouted, then pulled out the long knife on his body and slashed directly at Yue Wuya's neck.

call!

Seeing the long knife slashing, Yue Wuya slowly closed his eyes.

Mother, father, see you in the next life!

“Stop!”

However, at this moment, only a roar was heard, which came from mid-air!

Immediately afterwards, in the distance, a figure flew over at high speed, his face was full of anxiety, and his eyes were blood red!

It is Yue Feng!

The next second, Yue Feng’s figure flashed, as fast as lightning, directly blocking Yue Wuya, howling: “I’m here, who would dare to hurt a hair on my son?”

What?

In an instant, all the people present focused their eyes on Yue Feng. They were extremely shocked. The entire imperial city was filled with deadly silence.

Chapter 2872

After a few minutes, a heated discussion broke out in the crowd!

“Sect Master of Tianmen?”

“Is it Yue Feng?”

At this moment, King Guangping was also very frightened, he stood up, pointed at Yue Feng and shouted: “Yue Feng, you are very courageous, dare to make a scene of execution?”

“King Guangping!”

Yue Feng roared, and looked at Wang Yaoyao of Guangping: “You are full of morality, but you are actually the most hypocritical person in the world. You say you love Ya’er, and let Ya’er help you fight in battle. Now the emperor is sitting When it’s stable, it’s time to cross the river and demolish the bridge.”

“I tell you, if you want to kill my son, I’m afraid you don’t have the ability.” The last words were thunderous, and the audience buzzed.

“You...”

King Guangping's face flushed and his anger was not light, but he didn't know how to refute for a while.

At this moment, Lan Xin frowned and looked at Yue Feng curiously: "This person is the Sect Master of Tianmen?" During this time, Lan Xin also heard a lot of rumors while looking for other saints. Among them, Yue Feng's name was heard the most.

"That's right!"

King Guangping took a deep breath and said coldly, "This person is Yue Feng, who is daring and does all kinds of evil. Before, he not only blasphemed Chang'e, but also wanted to be the emperor of Beiyang."

Hearing this, Lan Xin's beautiful face, suddenly showing a trace of disgust.

As the Holy Maiden of the Nine Heavens, what Lan Xin hated the most was this kind of wicked person, but she didn't know that King Guangping and Yue Feng were enemies, so she deliberately slandered them.

At this time, on the execution ground, Yue Feng strode like the wind, walked to Yue Wuya, grabbed the iron chain on his body, and pulled it hard.

Whoa!

In an instant, the chain made of cold iron broke!

"Ya'er, I'm sorry!" Yue Feng's eyes flashed with tears, stroking Yue Wuya's head: "Dad is late, I've made you suffer!"

Half an hour ago, Yue Feng arrived at the imperial city, thinking about what to do. After rescuing the Ouyang family, we learned from the people that the Ouyang family had successfully escaped, and today, the emperor will personally behead Yue Wuya.

Hearing the news, Yue Feng didn't have time to think, and rushed over directly.

"Father..."

At this moment, Yue Wuya was both surprised and delighted. Because he was too excited, he only shouted and couldn't go on.

"Don't be afraid, Dad is here, no one can hurt you today..." Seeing Yue Wuya's strong appearance, Yue Feng felt even more heartbroken.

Swish!

Seeing this scene, King Guangping's heart was furious, and he rose up, roaring: "Yue Feng, if you come to your door today, don't even think about leaving alive."

Yue Feng sneered, ignoring it at all, but helped Yue Wu up. career.

Feeling Yue Feng's contempt, King Guangping almost exploded with anger.

At this moment, Nie Yunxiao shouted: "Yue Feng, you dare to be disrespectful to Your Majesty, accept your life!" After the

voice fell, Nie Yunxiao clenched the long sword and rose into the air!

hum!

A powerful aura burst out from Nie Yunxiao's body, and the long knife drew a shock, stabbing straight at Yue Feng's heart.

Seeing Nie Yunxiao attacking, Yue Feng did not panic at all, his eyes flashed coldly.

"court death!"

Hearing a vibration, Fang Tianhua halberd burst out, and was firmly held by Yue Feng!

Hiss... Fang Tian draws a halberd!

Feeling the power contained in Fang Tianhuaji, Nie Yunxiao's expression changed and he was flustered.

"Roar!"

At this moment, Yue Feng didn't talk nonsense, he waved hard! Just a dazzling light from the sword burst out from Fang Tianhua Halberd. At that moment, Nie Yunxiao wanted to dodge, but it was too late.

"Ah..." The

light hit Nie Yunxiao directly, only to hear him scream, the whole person spilled a rain of blood in the air, flew more than 100 meters away, and finally smashed on the palace gate, like a Slipped down like a puddle of mud!

When he landed, Nie Yunxiao spat out a few mouthfuls of blood, his face was extremely pale, and he lost his fighting power.

Chapter 2873

What?

Seeing this scene, whether it is the civil and military officials, or the people around, can't help but gasp!

This Yue Feng's strength is too terrifying. With just one move, he defeated the commander of the Imperial Forest Army....

"Whoever is not afraid of death, come up!" Yue Feng guarded Yue Wuya behind him, held Fang Tianhua halberd tightly, and looked around. The audience spoke coldly.

The sound was not loud, but it spread throughout the imperial city.

At this moment, the entire imperial city was silent.

Made!

King Guangping stared at Yue Feng closely, his heart surging with anger. After three years of absence, Yue Feng's strength has increased so much.

At this time, King Guangping wanted to take action personally, but after taking the Nine Nether Profound Ming Pill, he had not fully integrated the power of the evil spirits. Moreover, he was the emperor, and it was really unreasonable to take action against Yue Feng himself.

"What a mad tone!"

At this moment, Lan Xin frowned, then slowly stood up: "Your Majesty, I will help you hold this madman."

King Guangping promised to help find other saintesses, which are his own My friend, at this time, Yue Feng was making a scene at the execution ground, so he couldn't ignore it. After all, according to the rumors in Jianghu, this Yue Feng is not a good person at all.

Catching him is also a way of doing things for the sky.

Now, on the execution ground!

Seeing that none of the surrounding Royal Forest Army dared to come up, Yue Feng sneered and was about to leave with Yue Wuya.

"You want to leave when you hurt someone? You are really lawless!"

However, at this moment, a coquettish shout came, Yue Feng stopped, looked back at Lan Xin, and was stunned for a moment.

What a beautiful woman, and the breath on her body is so strong!

Who is this woman, I haven't seen it before.

"Who are you? Why did you stop me?" In shock, Yue Feng took a deep breath and said politely to Lan Xin.

"You don't deserve to know my name!"

A few cold words came out of Lan Xin's mouth. The words fell, and her delicate body was as beautiful as a fright, and she slapped Yue Feng directly.

hum!

In an instant, seeing Lan Xin's figure passing by, the air seemed to be stagnant.

What the hell!

Yue Feng's face changed, and he didn't have time to think about it, he quickly raised his hands and greeted him with a palm, and at the same time, his heart was full of anger.

Mad, this woman is too direct, she doesn't even say hello.

Speaking of which, Yue Feng could have dodged, but he was afraid that Lan Xin would hurt Yue Wuya, so he had to bite the bullet and meet him.

Bang!

The two palms collided fiercely, and everyone present heard a thunderous roar, the clear sky darkened, and the execution platform was filled with dust and smoke.

In the dust and smoke, Yue Feng groaned and took a dozen steps back.

At this time, Yue Feng's face was pale, and he only felt that the blood in his body was churning.

Nima!

Who is this woman? The strength is simply too terrifying.

"Father!"

Seeing this scene, Yue Wuya couldn't help shouting, very anxious, and at the same time he wanted to rush over to help, but his inner strength was sealed, so he couldn't exert any strength.

Yue Feng smiled, indicating that he was okay, and at the same time guarding against Lan Xin in front of him.

Um?

Lan Xin was quietly suspended in the air, her beautiful face showed a bit of arrogance, but she was secretly shocked, looking at Yue Feng's eyes, she was very surprised.

"It's really powerful to be able to block my palm. No wonder there are rumors about you everywhere." At this time, Lan Xin looked up and down at Yue Feng, and spoke coldly, with a chill in her eyes.

This madman is so powerful, he must not be allowed to run away.

Chapter 2874

Call!

Yue Feng took a deep breath and calmed down the turbulent aura in his dantian, and his heart was also extremely anxious.

Mad, thought that with his own ability, he could easily take away Ya'er. After all, Yue Feng knew the strength of King Guangping very well, and people like Nie Yunxiao didn't even pay attention to it.

But I never thought that at a critical moment, a beautiful woman would appear, and her strength was terrifying.

Wait...

The next second, feeling the refined breath of Lan Xin's body, Yue Feng suddenly thought of something, such a temperament, and Zi Yan he met before, and, when they fought just now, the other party The exercises are not only powerful, but also very mysterious.

Could it be that she is the companion that Zi Yan was looking for, one of the Nine Heavens Saintess?

Thinking to himself, Yue Feng looked at Lan Xin and couldn't help but said, "Dare to ask that you are the Holy Maiden of the Nine Heavens?"

"How do you know?"

Haha...

Yue Feng showed a smile, and instantly relaxed a lot: "I met Saintess Ziyan before, I helped her, and I promised her to find your other saints."

"Speaking of which, we are ourselves . people."

Zi Yan?

Hearing him mention Zi Yan, Lan Xin didn't have the slightest doubt, and quickly said, "Where is she?"

"Because I have something to do, I separated from her a day ago." Yue Feng said without hesitation.

Lan Xin frowned lightly, standing there pondering.

If it's Zi Yan's friend, then it's really not good to take another shot.

call!

Seeing this scene, King Guangping realized that it was not good, how did he become his own in the middle of the fight?

"Your Majesty!"

At this moment, Nie Yunxiao, who was hiding by the side, couldn't help shouting: "Don't believe what Yue Feng said, this person is very cunning and good at rhetoric, if he is really the Holy Maiden Ziyan My friend, how could he not know her whereabouts?"

"Or, he really saw the Holy Maiden Zi Yan, but he just arrested her."

When he shouted these words, Nie Yunxiao's face was cunning.

Seeing that he can catch Yue Feng and his son, he can't fail.

Hearing this, Lan Xin's eyes flickered, and her heart suddenly became confused.

This commander of the Imperial Forest Army is not without reason.

Nima!

Yue Feng was burning with anger, and glanced coldly at Nie Yunxiao.

This person reverses black and white, it's too hateful.

Thinking to himself, Yue Feng hurriedly said to Lan Xin, "Everything I said is true..."

However, Lan Xin interrupted her before she finished speaking.

"You're playing with me..."

Lan Xin's red lips parted lightly, and she snorted, and then, her delicate body rose up, raised her jade hand, and hit Yue Feng with a palm.

In Lan Xin's heart, Yue Feng is a great villain, how could she tell the truth to herself?  
call!

Seeing Lan Xin attacking again, Yue Feng wanted to cry without tears, and at the same time did not hesitate to push his inner strength to the extreme, and attacked again.

However, this time, Yue Feng found that the internal force driven by Lan Xin was much stronger than before, especially the speed, which was more than doubled.

“Pfft...”

In the next second, Lan Xin's palm hit Yue Feng first. Yue Feng felt a piercing pain coming from all over his body. With a sound, the figure flew out.

It flew several dozen meters away, and finally fell under the execution platform.

## Chapter 2875

Yue Feng struggled to stand up, looking at Lan Xin closely, his heart was horrified.

As expected of a saint, too strong.

At this time, Yue Feng clearly felt that his dantian was injured by the shock, and he had to meditate as soon as possible to heal the injury, but with the current situation, how could there be a chance to meditate?

Lan Xin looked at Yue Feng quietly: “This time I came to Kyushu, although I didn't find Zi Yan and the others, but being able to catch you, a big wicked man, can be regarded as a killing for the people!” The

voice fell, Lan Xin moved the lotus step, Slowly walk towards Yue Feng!

“Haha...”

Seeing this scene, King Guangping laughed proudly: “Thank you Saintess for helping!”

Seeing Lan Xin approaching, Yue Feng couldn't help but let out a wry smile. From Yue Feng's point of view, I can see her breathtaking sexy curves at close range, and at the same time, I also sense that death is approaching.

Could it be... Is this God's will?

Thinking to himself, Yue Feng looked back at Yue Wuya, his eyes full of guilt: "Ya'er, it's useless for my father..."

"Father!"

Yue Wuya yelled, trying to rush over, but was caught by several guards. Stopped, howling desperately in his mouth, tears couldn't help flowing down.

The fact that he ended up like this today was entirely caused by his own mistakes. If he affected his father, he would not be reconciled to death.

"Yue Feng! Your life is over!"

At this moment, Lan Xin finally walked up to Yue Feng, spoke coldly, without the slightest emotion, raised her jade hand and patted it on Yue Feng's head.

Yue Feng sighed in his heart and closed his eyes.

If this is life, accept it.

hum!

However, just at the critical moment, among the crowd under the execution platform, a powerful internal force fluctuation suddenly came. Immediately afterwards, I saw a fiery red figure, like a dazzling meteor, directly blocking Yue Feng.

Whoa!

At this moment, everyone present was stunned, and their eyes were also focused on the person who came.

What the hell!

At the same time, looking at the graceful figure in front of him, Yue Feng was also shocked and stunned!

Lu Lingshan?

At this time, Lu Lingshan was wearing a fiery red dress with charming curves. From a distance, it looked like a fire, but on her delicate and beautiful face, there was a cold arrogance that was repulsive. The icy temperament instantly became the focus of the audience.

"Master Lu?"

Finally, King Guangping took the lead in reacting and looked at Lu Lingshan in a complicated way: "I haven't seen you for a few years, and Master Lu is still beautiful. It just so happens that this Yue Feng is your big enemy. Today, I will let you kill it yourself. He?"

When he said this, King Guangping's face was full of smiles.

Ten years ago, Yue Feng and Lu Lingshan's younger brother Lu Jiechen forged a grudge. Yue Feng destroyed the Ming Sect, causing their sister and brother to die. Later, I heard that Lu Jiechen died at the hands of Yue Feng. It can be said that, The blood feud between the two sides is different.

At this time, King Guangping thought that Lu Lingshan was also here to seek revenge for Yue Feng.

Whoa!

At this moment, all the eyes of the audience focused on Lu Lingshan, waiting for her answer.

"Ha ha..."

Nie Yunxiao, who was on the side, couldn't help laughing proudly, and mocked at Yue Feng: "Yue Feng, what if you are strong? Not only does Your Majesty have the help of the Holy Maiden, but now your enemy is also looking for you. Come on, today you can't escape."

One idiot!

Hearing this, Yue Feng couldn't help but chuckle and retorted coldly: "Who told you that Lu Lingshan was here to kill me?"

After saying that, Yue Feng looked at Lu Lingshan with a smile: "Wife, you really came here. Timely, otherwise I'm really bad luck!"

When he said this, Yue Feng looked relaxed.

A month ago, Yue Feng and Lu Lingshan took Chaos Yin-Yang Pearl at the same time in the crystal underground palace of Mother Nuwa, and their fates were tied together. How could Lu Lingshan kill him?

Speaking of which, Yue Feng also knew the situation in front of him, so it wasn't suitable for jokes, but seeing Lu Lingshan's cold look, he couldn't help but want to tease her.

## **The ultimate husband in Chinese chapter 2876-2880**

## Chapter 2876

What?

At this moment, everyone present was taken aback and stared blankly at Lu Lingshan, only to feel that their brains were not enough.

Yue Feng called her wife? Aren't the two sides enemies?

At the same time, Yue Wuya was also stunned.

But soon, Yue Wuya calmed down, his father is famous all over the world, he has a unique charm, and there are countless confidantes around him. It is very possible that he and Lu Lingshan can turn enemies into friends and love each other.

Swish!

And Lu Lingshan's face turned red all of a sudden, her body trembling with anger.

The next second, Lu Lingshan glared at Yue Feng, her beautiful face flushed red: "Shut your stinky mouth, stop talking nonsense, who... who is your wife?"

"Cheap yourself, it's abominable!"

Yue Feng didn't panic at all, and looked at Lu Lingshan with a smile: "No, no, why make such a big fire? You really want to kill me in public? Are you willing to let it go!"

Shameless!

Hearing this, Lu Lingshan was furious, but she was speechless.

Soon, Lu Lingshan calmed down and said indifferently to King Guangping: "I appreciate Your Majesty's kindness, but Yue Feng can't die now. Please ask Your Majesty to let the people around him retreat, and I will take him away."

Although Yue Feng is hateful, But fate is tied to him, so he must be safe today no matter what.

Um?

This chapter is provided by . Visit for daily update.

Hearing Lu Lingshan's words, Lan Xin, who was standing there, frowned.

At the same time, King Guangping's expression also changed, and his heart became angry: "Lu Lingshan, do you want to take Yue Feng away? Have you forgotten where this place is !

"

After the last sentence, King Guangping's eyes flickered with ruthlessness, Madd, I thought this Lu Lingshan was here to seek revenge for Yue Feng, but it turned out to be here to save people.

Speaking of which, Lu Lingshan has a high reputation in the world of Apocalypse Continent, but King Guangping did not take it seriously.

Seeing that King Guangping was angry, Lu Lingshan didn't panic at all.

The next second, Lu Lingshan glanced at Yue Feng lightly: "Can you go?"

"Of course you can!" Yue Feng responded with a smile, and then said to Yue Wuya, "Wait and follow me!"

Yue Wu Ya nodded.

Lu Lingshan stopped talking nonsense, a strong aura pervaded her body, and said coldly to Lan Xin, who was standing in front of her, "Get out of the way!"

Lan Xin looked blankly at Lu Lingshan and said, "You are this villain's accomplice? Lang Lang Qiankun, in the imperial city, how can you honor your presumptuousness?" After the voice fell, Lan Xin's delicate body flashed, and she came straight to Lu Lingshan

. As a saint, Lan Xin is very conceited, and originally disdain to deal with Lu Lingshan, but since she promised King Guangping, she must help to the end. So strong! Seeing Lan Xin coming quickly, Lu Lingshan's delicate body trembled, and her beautiful face suddenly became solemn. At the same time, Yue Feng couldn't help shouting: "Wife, the other party is the Nine Heavens Saintess, she is very powerful, be careful!" As he said, Yue Feng took a deep breath and secretly adjusted his inner strength. "Shut up!" Lu Lingshan blushed and screamed.

What time is it, this Yue Feng has not forgotten to take advantage.

As soon as the words fell, Lu Lingshan tapped the ground with her toes, flew up, and fought with Lan Xin in mid-air.

call!

Seeing this scene, everyone present was excited, especially many men, their eyes were straight, Lan Xin and Lu Lingshan, one was the Nine Heavens Saintess and the other

was the Goddess of Jianghu. At this time, they were fighting in mid-air. The curve of the show is simply a visual feast!

## Chapter 2877

Even Yue Feng couldn't help but take a few more glances.

At the same time, while the two women were fighting in mid-air, Yue Feng secretly urged his dantian to heal his wounds.

In the blink of an eye, Lu Lingshan and Lan Xin fought fiercely for more than a dozen rounds. At first, Lu Lingshan was still full of confidence, but gradually she couldn't hold it any longer. Although she was not weak, the opponent was the Holy Maiden of the Nine Heavens. Than.

Lu Lingshan became more and more frightened, and her delicate face was full of anxiety.

I thought that Yue Feng could be rescued easily, but I didn't expect that this woman was outrageously strong.

Haha....

Seeing this scene, King Guangping was extremely excited, and couldn't help shouting: "The Holy Maiden is invincible and admirable. I will catch Lu Lingshan later, I will definitely thank you!"

Lan Xin did not respond . , but speed up. Lu Lingshan

couldn't stop her completely. She was so anxious that she shouted at Yue Feng, "Yue Feng, come and help!" "Okay wife!" Yue Feng responded, holding Fang Tianhua halberd tightly and flying up. At this moment, Yue Feng's inner strength also recovered a little. The next second, Yue Feng and Lu Lingshan erupted together, and in an instant, the sky seemed to be shattered! The two took Chaos Yin-Yang Pearl before, one yin and one yang complement each other, and after joining forces, the power is infinite. hum! As they saw, the two raised their hands, and a terrifying force instantly condensed in mid-air, forming a dazzling ball of light that blasted directly at Lan Xin. This... Seeing this scene, whether it was King Guangping or the people around, they were all shocked.

What kind of exercises are these two practicing? It was so strong.

Lan Xin's body trembled as she didn't have time to think about it, she quickly raised her jade hand and deployed a protective film in front of her.

This... This seems to be the power of the Chaos Yin-Yang Pearl, but isn't the Chaos Yin-Yang Pearl always in the place of Empress Nuwa? How did they...

As the Nine Heavens Saintess, Lan Xin immediately felt that the aura that Yue Feng and the two erupted were the power contained in the Primal Chaos Yin-Yang Pearl.

“Boom!...”

Before Lan Xin could understand, the ball of light hit the protective film in an instant, and she heard Lan Xin groan in pain, her beautiful face was extremely pale, and her delicate body flew far away.

Although she is the Nine Heavens Saintess, she can't stop this blow!

Taking advantage of Lan Xin's serious injury, Yue Feng did not hesitate, grabbed Yue Wuya and flew towards the distance of the imperial city. Lu Lingshan followed closely.

In a blink of an eye, the three disappeared from everyone's sight.

“Bang!”

Seeing this situation, King Guangping slapped his palm on the dragon seat and stood up suddenly. Lu Lingshan rescued Yue Feng and his son in public, which made the Tianqi royal family disgraced. How could they not be angry?

“Assemble the Royal Forest Army and pursue it with all your strength!” A cold voice came from the mouth of King Guangping.

This Yue Feng and Lu Lingshan teamed up to be able to burst out such a powerful force, defeating the Nine Heavens Saintess. However, Yue Feng was injured before, so he definitely won't be able to run far!

“Subordinates obey!”

All of a sudden, the civil and military officials shouted in unison, and the momentum was overwhelming. Then, tens of thousands of imperial forest troops quickly assembled and rushed out of the imperial city in a mighty manner, chasing in the direction of Yue Feng's escape.

“Your Majesty, the saint seems to be seriously injured...” At this time, among the civil and military officials, I don't know who shouted.

Swish.

In an instant, the eyes of everyone present focused on Lan Xin, and they saw that Lan Xin's beautiful face was very pale and weak at this time.

King Guangping's eyes flickered, and he said hypocritically, “Bring the saint back to the palace to rest immediately. You must take good care of it and not neglect.”

When he said this, King Guangping's face was sincere, but his heart was extremely cold.

## Chapter 2878

Originally, King Guangping was still worried about how to deal with Lan Xin. You must know that as a saint of the Nine Heavens, Lan Xin is too powerful, but now, Lan Xin is injured, and the opportunity has come.

As soon as the voice fell, two palace maids walked over and helped Lan Xin to leave.

the other side!

Lu Lingshan took Yue Feng and Yue Wuya, and flew for half an hour, making sure to get rid of the guards behind them, and then landed in a valley.

"Father!"

As soon as his feet landed, Yue Wuya couldn't help but say, "Are you and my aunt really together?" When Yue Wuya worshipped Lu Jiechen as his teacher, he naturally wanted to call Lu Lingshan his aunt. .

Yue Feng smiled and was about to speak when Lu Lingshan interrupted her.

"Ya'er, don't listen to his nonsense!" Lu Lingshan said coldly, and at the same time couldn't help but glared at Yue Feng: "Your father, a dog can't spit out ivory."

Uh...

Feeling Lu Lingshan He was so angry that Yue Feng couldn't help laughing.

At this time, Lu Lingshan bit her lip and said to Yue Wuya, "I still have something to do, so I'll go first."

It was against her will to save Yue Feng just now. How could she continue to stay with their father and son? ?

Having said that, Lu Lingshan went to Yue Feng and whispered, "Yue Feng, you and I have nothing to do with you other than the Chaos Yin-Yang Pearl. If you talk nonsense in the future, I won't be able to forgive you."

Lu Lingshan finished the last word. Quick walk away.

call!

Looking at Lu Lingshan's back, Yue Feng exhaled a long breath. Then he looked at Yue Wuya and asked with a smile, "Y'er, how do you feel?"

"Father, I'm fine!" Yue Wuya shook his head and said with a relaxed expression.

Saying so, Yue Wuya's face is weak.

Ever since he was thrown into prison, Yue Wuya couldn't help being locked out of his internal power, and he hadn't eaten for a day, but as a man, this bit of hardship was nothing.

Hearing this, Yue Feng was both relieved and distressed.

This kid has really grown up.

Thinking to himself, Yue Feng helped Yue Wuya to relieve his acupoints, and asked him to meditate quickly to restore his strength, while protecting him by the side.

"Father!"

Yue Wuya sat down cross-legged and was about to recover from his practice when he suddenly thought of something and said anxiously, "I made a big mistake, and my mother was also implicated. You have to find a way to save her."

What?

Yue Feng's face changed, frowning secretly, and then comforted: "Don't worry, your mother will be fine."

Thinking of Qin Rongyin, Yue Feng felt endless guilt in his heart. For his own sake, his wife has been suffering from lovesickness all these years. Suffering, but he did nothing for her.

.....

On the other side, the Weather Palace!

In the secret room behind Guangfu Palace, King Guangping was sitting there, his icy face was faintly complicated.

This secret room was the place where the emperor practiced, and it was also a forbidden place in the palace, where ordinary people could not enter at all.

Just now, King Guangping sent a message to Gong Hao, the messenger of Hades. In the message, King Guangping told about the situation of Saintess Lanxin, and after sending the message, King Guangping waited here quietly.

Because Gong Hao once said that as long as he receives news, he will come immediately.

hum!

After waiting for a few minutes, King Guangping sensed a sinister aura that came from outside the secret room. Then, the door was opened, and Gong Hao, dressed in a black robe, walked in slowly.

“Your Excellency the messenger!”

Chapter 2879

Seeing Gong Hao, King Guangping quickly stood up with a polite face: “You are finally here, now that saint who claims to be Lan Xin was placed in the back bedroom by me, because she was injured, At this time, I am cultivating. What to do next, please ask Your Excellency for instructions!”

“Okay.”

Hearing this, Gong Hao showed a smile and praised: “As expected of the person that His Majesty Had, he did not disappoint me. “

Speaking, Gong Hao raised a hint of pride at the corner of his mouth, and sneered: “Nine Heavenly Maiden, she is extraordinary, if she was at her peak, it would be really difficult to handle, but since she is injured, it is a good opportunity for us!” “

How are you going to deal with her, Your Excellency the messenger?” King Guangping couldn’t help but ask.

Gong Hao shook his head and narrowed his eyes slightly: “Originally, I planned to take her directly to the ghost world, but His Majesty Hades said that you should act with caution and make no mistakes. If the other saints find out, they will startle the snake.”

Speaking of this, Gong Hao looked at King Guangping and said with a smile: “I thought about it, let you deal with her!”

What?

King Guangping was startled: “I...how do I deal with it?” Although he is the emperor, he can only rule over ordinary people, and this Lanxin is from the realm of the gods.

Gong Hao smiled coldly and said slowly, “It’s very simple. If her innocence is broken, if she loses her innocence, all her profound arts will disappear. At that time, there will be no threat to His Majesty Hades.”

Speaking of which, Gong Hao said Hao patted King Guangping on the shoulder: "It's not a loss for you to be able to enjoy the gentleness of the Nine Heavens Saintess. Originally, I wanted to do this by myself, but I am the messenger of the Hades, and my body is too yin and evil, it is easy Being noticed by her, you are different, you have a shielding talisman on your body, she will be defenseless!" The

last sentence fell, Gong Hao handed King Guangping a special bottle of elixir, explained a few more words, and left.

This...

At this moment, King Guangping was stunned, his mind buzzing.

It's crazy to tarnish the innocence of the Nine Heavens Holy Maiden.

But speaking of it, Saint Lady Lanxin is really charming. No matter her appearance or figure, it makes people fascinated. If you can enjoy her tenderness, it is worth dying immediately.

Thinking of this, King Guangping revealed a gloomy smile.

Lady Lanxin, don't blame me, blame Hades and his messengers.

.....

the other side.

Yue Wuya meditated for a while and felt much better, so he urged Yue Feng to rescue Qin Rongyin.

Yue Feng wanted to wait until Yue Wuya fully recovered before making plans, but he couldn't help Yue Wuya's request, so he had to agree.

As night fell, Yue Feng let Yue Wuya hide in a cave, and then returned to the imperial city alone.

When he arrived at the imperial city, Yue Feng easily sneaked into the palace. In the weather palace, Yue Feng had been here countless times, and he was already familiar with the environment.

After entering the palace, Yue Feng avoided the patrolling guards and rushed towards Ciyun Palace. Yue Wuya had said that Qin Rongyin lived in Ciyun Palace.

call!

Arriving near the Ciyun Palace, looking at the lights inside, Yue Feng couldn't help taking a deep breath, feeling secretly excited.

Madam, I'm here to pick you up!

Um?

Just when Yue Feng was feeling emotional, suddenly, he saw a figure coming from not far away with a gloomy expression, it was King Guangping.

Nima, why is he here? !

Yue Feng frowned, feeling that something was wrong. You must know that King Guangping is an emperor. No matter which palace he went to, he would be notified by an eunuch.

Under the doubts, Yue Feng did not act rashly, but quickly hid in the dark and quietly observed.

"Your Majesty!"

At this time, King Guangping arrived at the entrance of the palace and said politely, "How is your injury now? There are many treasures in the palace. If you need them, I will order someone to deliver them.

", King Guangping's tone was polite, but there was a slyness in his eyes.

Chapter 2880

What?

Hearing this, Yue Feng was stunned. Nima, Madam is not here? Is that Saint Lady Lanxin inside?

"No need, I'll take a rest and I'll recover soon." Just when Yue Feng was secretly surprised, he heard Lan Xin's voice coming from the bedroom, and there was a hint of weakness in the softness.

"Okay then, the Holy Maiden take a rest!" King Guangping responded with a smile, but instead of leaving immediately, he quietly took out a bottle of medicine from his body and sprinkled it lightly in the crack of the door.

Yue Feng saw that when the medicine touched the air, it turned into a plume of smoke and penetrated into the bedroom through the crack of the door.

Nima!

Seeing this scene, Yue Feng's brows were furrowed, and he understood something at once.

This King of Guangping came here mysteriously, to be detrimental to Holy Maiden Lanxin.

For a time, Yue Feng was very angry.

This King of Guangping is not a thing. During the day, Saint Lady Lanxin helped him deal with himself. Now that he is injured, King of Guangping will cross the river and demolish the bridge.

At this time, Yue Feng did not know that King Guangping had become the puppet of Hades.

No, even though Saintess Lanxin misunderstood herself, she couldn't just watch her being plotted against her.

Thinking about it, Yue Feng wanted to rush out.

"Bang!"

However, at this moment, I heard a commotion in the direction of Qianyuan Hall, and then a team of patrolling guards rushed over.

"Your Majesty!"

When he got to the front, the leading guard respectfully said to King Guangping: "Bianguan guard, I have important business to see you!"

King Guangping's face was extremely ugly, and good things were interrupted, and he was very angry, but he still waved his hand: "Go!"

Although he was very annoyed, it must be very important for the border guard to drive back to the imperial city late at night, and he has already left. Well, the drug, Na Lanxin Saintess can't escape at all.

King Guangping had thought about it, and it would not be too late to come back to enjoy the gentleness of the Holy Maiden after he had dealt with the government affairs.

In the blink of an eye, King Guangping left with his guards.

call!

Seeing this scene, Yue Feng suddenly relaxed a lot, took a deep breath at the same time, walked out and slowly pushed open the door of the bedroom.

Speaking of which, Yue Feng was in a hurry to find Qin Rongyin, and didn't want to meddle in her own business, and Saintess Lanxin seriously injured herself during the day. But since it happened, you can't ignore it.

I go!

After entering the bedroom, Yue Feng was stunned when he saw the scene in front of him, and couldn't help taking a deep breath.

I saw a woman lying quietly on the soft collapse, with a graceful figure and beautiful curves, but she didn't move at all, as if she had passed out!

It is the Holy Maiden Lanxin!

"Who is it?" Just as Yue Feng was about to approach, Lan Xin suddenly scolded her softly, her voice soft and weak, showing weakness.

The next second, when she saw Yue Feng, Lan Xin was even more frightened and angry: "It's you wicked person!"

At this time, Lan Xin was very angry. She was meditating just now to heal her injuries. Suddenly, she felt that something was wrong with her body. poisoned,. Then Yue Feng sneaked in, which made Lan Xin naturally suspect that it was Yue Feng's poison!

After all, he nearly killed him during the day.

Seeing Lan Xin's expression, Yue Feng didn't know whether to laugh or cry. He slowly walked over and said, "Why are you staring at me like this? Do you think I poisoned you?"

"Isn't it?"

Lan Xin bit her lip and couldn't help but scolded: "You wicked person, who was seriously injured by me during the day, slipped into the palace at night, and used this despicable method to deal with me, it was extremely shameless. !"

Hearing this, Yue Feng was not angry, but couldn't help laughing: "Thank you for being a saint, if I kill you, I just need to join forces with Lu Lingshan, why use such a method and do it?"

Yes !

At this moment, Lan Xin was stunned.
