

## The ultimate husband in Chinese chapter 2881-2890

### Chapter 2881

Yue Feng is right, if he wants to deal with himself, he can unite with that Lu Lingshan, you know, the two of them have the power of Chaos Yin-Yang Pearl.

Thinking to herself, Lan Xin couldn't help but say, "It's not your words, could it be..."

Before she could finish speaking, Yue Feng smiled slightly and said what she had just seen.

At the end, Yue Feng shook his head and sighed: "I told you during the day that I was my own person, but you don't believe it, and King Guangping seems to be sane, but he is actually very hypocritical. Fortunately, I met you, and you are lucky. Otherwise, you will be more fortunate!"

Huo!

Hearing this, Lan Xin bit her lip, angry and shocked.

It turned out to be the poison of King Guangping!

He has no grievances with her, why did he plot against him?

Thinking to herself, Lan Xin felt a scorching heat coming from her body, her delicate body suddenly trembled, and there was pain between her eyebrows.

Gudong!

Seeing this scene, Yue Feng couldn't help swallowing, and his eyes were also on Lan Xin.

I have to say, this Lan Xin is so charming as a saint, especially when she is poisoned at the moment, any man will not be able to look away when he sees it.

"You..."

Seeing Yue Feng's gaze, Lan Xin was shy and angry, and weakly reprimanded: "Get out of here."

She was a dignified Nine Heavens Saint, but was looked at by a man like this, what would it look like?

Ugh!

Yue Feng sighed secretly and couldn't help but smile bitterly and said, "Saint Lanxin, even if you hear rumors and have some prejudices against me, I really want to help you. Since you don't appreciate it, then forget it, we will have a future!"

"Then, Yue Feng turned around and was about to leave. Kindness is regarded as a donkey's liver and lungs, so I'd better go to my wife first!"

"You... you stop!"

Just after taking two steps, Lan Xin called out softly from behind.

Yue Feng stopped, looked back, and saw Lan Xin biting her lip, her beautiful face full of entanglements!

"What else is going on with the Holy Maiden?" Yue Feng said with a faint smile.

"You..."

Lan Xin endured the pain on her body, looked at Yue Feng and said, "Have you really seen Zi Yan?"

Yes, at this time, Lan Xin still had some doubts about Yue Feng.

Yue Feng took a deep breath and explained the situation in which he encountered Zi Yan in detail.

After listening to this, Lan Xin's eyes flickered, and she was very embarrassed: "I'm sorry, I misunderstood you during the day!" Since Yue Feng can speak of the Heavenly Spirit Realm, it is definitely not fake. You must know that in the Kyushu continent, very few people know about it. Heavenly Spirit Realm.

The next wonderful thing, Lan Xin asked softly: "Yue Feng, please take me out."

At this time, Lan Xin was very angry, but she didn't expect that the King of Guangping was benevolent on the surface, but secretly so sinister and despicable.

call!

Seeing that she finally trusted him, Yue Feng secretly sighed, nodded and said, "Okay, but for our safety, I offended you!" The voice fell, Yue Feng walked over, and hugged Lan Xin by the waist!

smell good!

At that moment, Yue Feng felt that Lan Xin's delicate body was extremely hot, and at the same time, a charming fragrance came to her nostrils.

"You..."

Yue Feng's actions made Lan Xin furious: "What are you doing? Let go of me." She was a dignified Nine Heavens Saintess, but was held in his arms by him, what kind of manner would it be?

"You've been poisoned, so you can't stimulate your inner strength." Yue Feng was very helpless, and smiled bitterly: "How can I take you away without holding you? This is the palace. If you meet the guards, the consequences will be disastrous!"

Hearing this Lan Xin bit her lip tightly and stopped talking, but her delicate body was tight.

Chapter 2882

Yue Feng no longer hesitated, and walked out of the bedroom with Lan Xin in his arms. Taking advantage of no one around, he showed his figure and flew out of the imperial city.

call!

The moment he flew out of the imperial city, Yue Feng secretly breathed a sigh of relief, and at the same time was a little complicated in his heart.

After saving Saint Lady Lanxin by himself, King Guangping will soon find out that when the palace is under martial law, it will be difficult for him to sneak in again.

Forget it, let's take Lan Xin to see Ya'er first, and then make plans.

"Hey!"

At this moment, Lan Xin couldn't help but ask: "Since you ran away with that woman during the day, why did you come back?" Being held by Yue Feng was so awkward, Lan Xin wanted to talk about something, to relieve the embarrassment.

"Oh..."

Yue Feng didn't even think about it, and said, "I'm here to save my wife." When he thought of Qin Rongyin, Yue Feng felt helpless.

Hearing this, Lan Xin thought that Yue Feng was deliberately making fun of herself, her beautiful face was instantly flushed red, her petite body trembled with anger, she immediately raised her jade hand and pinched Yue Feng's waist.

“Hey!” The

pain came, Yue Feng couldn't help taking a breath of cold air, stared at Lan Xin, and asked speechlessly: “Ah? What are you pinching me for?” Too fierce.

Lan Xin bit her lip tightly, staring at Yue Feng not to be outdone, and said angrily: “Yue Feng, you are talking nonsense, I will kill you! Who is your wife, please clarify!”

“I...”

This For a moment, Yue Feng immediately understood that Lan Xin had misunderstood, and smiled bitterly: “I did come to save my wife, her name is Qin Rongyin, she has been under house arrest in the palace by King Guangping, why? You think I'm talking about you!”

At this moment, Lan Xin was very embarrassed. She lowered her head and said, “I'm sorry, I misunderstood you.” As

she spoke, Lan Xin suddenly trembled, feeling extremely hot all over her body. .

“How are you?” Yue Feng was startled and asked quickly.

At this moment, Yue Feng could feel that Lan Xin's delicate body was extremely hot, as if it was about to burn, and suddenly panicked.

“It's so hot, I'm so uncomfortable.” Lan Xin's delicate face flashed with pain, then looked around, and said to Yue Feng: “Quick, there is a cold pool in the northwest of the imperial city, bring me to the Go there.”

When she said this, Lan Xin's delicate face flashed a bit of shyness, the drug she had brought in was too strong, once she had a complete attack, she would let go of her restraint, and what would happen to Yue Feng if she didn't go well .

This kind of thing must never happen. You must know that as a nine-day saint, you must keep clean and pure. Once you have a relationship with a man, the eight-layered power of the body will be passed on to the other party.

When she came to the Imperial City before, Lan Xin once visited a cold pool, where there was no sunlight all year round, and the pool was cold and cold, just enough to remove the heat and toxins from her body.

“Okay!”

Hearing this, Yue Feng nodded, then turned around and flew in the direction Lan Xin said.

After half an hour of flying, Yue Feng hugged Lan Xin and finally arrived at the cold pool.

I saw that this cold pool is surrounded by mountains, and the water is clear and cold. Those practitioners who have practiced the cold and cold exercises will definitely get twice the result with half the effort.

Yue Feng hugged Lan Xin, flew down slowly, and put her on the edge of the cold pool.

At this moment, Lan Xin did not hesitate, gritted her teeth and endured the pain, slowly walked into the cold pool, and soaked her body in it.

In an instant, Lan Xin's long skirt was soaked instantly, and her graceful figure was looming.

Gudong!

Seeing this scene, even though Yue Feng was prepared, he couldn't help swallowing and stared blankly.

I have to say that this Lan Xin in front of me is really beautiful. Compared with Zi Yan, they have their own advantages and disadvantages, especially this curve. Any man will go crazy when he sees it.

"You..."

Perceiving Yue Feng's gaze, Lan Xin was shy and angry: "Turn your head around and look at your eyes again!"

Chapter 2883 I

was hugged by him all the way just now, and now I've seen it again and again, no one can bear it.

With a leisurely expression on his face, Yue Feng sat on a stone and said with a smile: "I hugged it just now, and I'm afraid of being seen."

"Slippery tongue..." Lan Xin couldn't help it.

Just as the two were arguing, a figure slowly walked over to the woods in the distance.

He was dressed in a black long gown and had a kind expression on his face, but there was evil in his eyes, and an evil spirit permeated his body. It was Yue Chen.

A few years ago, Yue Chen took Chen Yun to the West Cang Continent and joined Duan Yu. Later, Yue Feng came to seek revenge for Duan Yu. At that time, Yue Chen

helped Duan Yu deal with Yue Feng. At a critical moment, Jiang Shan told Yue Chen that Chen Yun was imprisoned in the harem by Duan Yu.

At that time, Yue Chen was very angry, rushed into the harem to search frantically, and finally found Chen Yun in a secret room, but Chen Yun could not bear the humiliation and committed suicide.

His wife was humiliated and died tragically, Yue Chen collapsed at that time, and vowed to kill Duan Yu, and at the same time hated Yue Feng even more, if it wasn't for Yue Feng and Duan Yu's grudge, Duan Yu would not defile his wife.

Later, when he learned that Duan Yu died in the Valley of Death in the wild and strange realm, Yue Chen was very angry and couldn't kill the enemy, so he put all the blame on Yue Feng.

In the past few years, Yue Chen has been wandering the rivers and lakes, and in the name of Yue Feng, he has done a lot of evil everywhere.

It can be said that the reputation of Yue Feng and Tianmen has plummeted in the rivers and lakes in the past two years. It is not the power of Zhang Jiao alone, but also has something to do with Yue Chen.

Recently, Yue Chen has been wandering in the Tianqi Continent. He learned that there is a cold pool nearby, so he planned to come and practice it. Because he learned Xuanyin magic, this cold pool was very helpful to him.

Um?

Before getting close to Hantan, Yue Chen was stunned when he saw the scene in front of him, his eyes locked on Yue Feng.

Mad, it's Yue Feng!

Seeing Yue Feng, Yue Chen burned with anger, and his eyes were instantly blood red.

Immediately afterwards, Yue Chen's eyes were suddenly attracted by Lan Xin, who was immersed in the cold pool.

Beautiful... so beautiful.

The water in the cold lake was crystal clear, and Yue Chen could also see Lan Xin's graceful curves at a distance of tens of meters in time.

Yue Feng has hurt himself so badly, but the peach blossoms are so lucky, and there are beautiful women by his side wherever he goes, why?

The more Yue Chen thought about it, the more annoyed he became, and he wanted to rush over, but because he was afraid of Yue Feng's strength, he held back.

At this moment, Hantan is here.

Yue Feng and Lan Xin were still bickering, unaware that someone was approaching not far away.

"Yue Feng, I warn you, if you do this again, after I finish driving the poison, I'll be rude to you." Lan Xin stomped her feet angrily and scolded.

"Okay."

Seeing that Lan Xin was really angry, Yue Feng accepted it, nodded and said, "Then take your time to expel the poison, I'll leave first, and then I'll meet you again." The

voice fell, and Yue Feng's figure appeared. Flash, rush to the distance.

After so long, Ya'er should have waited.

After Yue Feng thought about it, he went back to find Yue Wuya first, and then joined Lan Xin together.

call!

Seeing Yue Feng leave, Lan Xin breathed a sigh of relief, slowly closed her eyes, soaked in the cold pool, and focused on expelling poison.

Seeing this scene, Yue Chen, who was hiding not far away, suddenly showed a sinister smile on his face.

Haha...

Yue Feng, a fool, left in the face of such a beautiful woman. Isn't it cheap for me?

Thinking to himself, Yue Chen walked out of the woods and slowly approached Hantan.

Chapter 2884

While getting closer, Yue Chen's eyes couldn't be opened!

Who is this woman? This temperament is so unbelievable, especially that figure, it is flawless!

Um?

Yue Chen's footsteps were very light, but Lan Xin was still aware of it.

"Yue Feng, you thought you came back quietly, and I don't know?" Because her back was to Yue Chen, Lan Xin didn't see it, thinking that it was Yue Feng who left and returned.

Oops!

Hearing this, Yue Chen was shocked and found out.

In the next second, Yue Chen rolled his eyes and laughed like Yue Feng's voice: "What? Are you happy to know that I'm back?" Over the past few years, Yue Chen has impersonated Yue Feng to do evil in all corners of the world. Bring Yue Feng's acoustics to life.

Shameless!

Lan Xin was so angry that she was about to turn around and scold her, but at this moment, Yue Chen flashed and rushed over to seal Lan Xin's acupuncture point.

At the same time, Yue Chen took out a black cloth from his body and directly covered Lan Xin's eyes.

Yue Chen is extremely treacherous, since this beautiful woman mistook herself for Yue Feng, she will be wrong. In an instant, Lan

Xin's body trembled and she couldn't move, and her eyes were covered with black cloth, so she couldn't see anything, and she was very frightened: "Yue Feng, what do you want to do?"

Angry, and a little panicked.

This Yue Feng went and returned, not only clicked his own acupuncture point, but also blindfolded himself. Could it be that he wanted to take advantage of the danger of others and treat himself...

"It's just the two of us here, what do you think?" Yue Chen said with a smile.

With that said, Yue Chen picked up Lan Xin, took a sip, and kissed her!

smell good!

"Get out!" Lan Xin kept yelling, trying to struggle, but she was tapped and couldn't move at all. She really wants to die!

Along with Yue Chen's movements, it became more and more excessive, and he heard a blushing sound from the cold pool.

.....

the other side!

After half an hour of recovery, Yue Wuya felt much better, opened his eyes and stood up slowly.

My father went to save my mother, and I don't know what happened.

I muttered in my heart, just at this moment, I saw a sound of footsteps in the woods not far away.

Immediately afterwards, I saw a slender figure walking slowly over.

Wearing a long emerald green dress, she is charming and charming. She is in her twenties, and her beautiful face shows a calmness that does not match her age. It is Meihui.

Um? Why did my aunt come here? !

Yue Wuya frowned, surprised and delighted, and hurried up to meet him, his face full of excitement!

"Little aunt!" Yue Wuya couldn't be more happy.

"Ya'er!"

Mei Hui was so excited that she quickly stepped up and grabbed Yue Wuya's hand: "I'm relieved to see that you're all right!"

When she said this, Mei Hui let out a sigh of relief. .

After rescuing Ren Yingying and everyone before, Meihui kept an eye on the news of the imperial city, and finally learned that Yue Wuya was about to be executed by King Guangping. Yue Wuya.

Thinking about it, Mei Hui quickly asked about the situation!

Feeling Meihui's concern, Yue Wuya was very moved and said with a smile, "My father rescued me." Then, he explained the situation in detail.

Hearing this, Mei Hui was very excited: "That's great, by the way, where's eldest brother?"

“He returned to the palace to save his mother!” Yue Wuya responded.

Meihui suddenly became anxious: “The palace is heavily guarded, can he do it alone? Let’s go, let’s go and have a look.” After saying that, she stopped Yue Wuya from rushing towards the palace.

However, just after walking a few steps, I saw the sound of horse hooves on the road not far away. Immediately afterwards, I saw tens of thousands of troops slowly searching here.

Yue Wuya’s face changed, and he said to Meihui, “No, it’s the Imperial Forest Army!”

#### Chapter 2885

Mei Hui is also in a hurry. With so many imperial guards, the palace will definitely not be able to go.

“Well, let’s meet up with Sister Yingying first.” Soon, Meihui made a decision. After practicing in the arena for so long, Meihui was no longer the playful second lady she used to be, and became much calmer.

“Okay!”

Yue Wuya nodded, and left a letter where he was meditating, and pressed it under the stone. Then leave quickly with Meihui.

As soon as the two left, the Imperial Forest Army searched over.

At the same time, a figure in mid-air also flew quickly, with a cold expression, it was Yue Feng.

I go!

At this moment, Yue Feng was shocked when he saw the Imperial Forest Army below, and when he saw the place where Yue Wuya was hiding, there was no one, and he was even more anxious.

Whoosh!

After a few minutes, Yue Feng hurriedly landed as he watched the Royal Forest Army go away.

No, the Yulin army just left, and he was watching from above. It was impossible for Ya’er to be caught by them, but where did he go?

Ya'er will not leave for no reason, even if he really wants to leave, he will leave clues for himself.

Thinking to himself, Yue Feng searched around carefully, and soon found a letter under a stone.

call!

Soon, after reading the letter, Yue Feng breathed a sigh of relief, and a smile appeared on his face. Ya'er and Meihui left, and he didn't need to worry.

Forget it, let's go back and see Saint Lady Lanxin. After a while, she should have succeeded in expelling the poison.

Thinking about it, Yue Feng didn't think much, so he flew high into the sky and rushed towards Hantan.

.....

At this moment, Hantan is here.

After some cloud and rain, Yue Chen put on his clothes and sat contentedly on the edge of the cold pool, his face full of intoxication.

Lan Xin curled up there, the black cloth on her face had not been removed at this time, her delicate body was trembling, and she was extremely embarrassed.

Myself... My own majestic nine-day saint, was actually defiled.

At this time, Yue Chen stood up and looked at Lan Xin up and down: "Beauty, don't be sad, you should be honored to be my Yue Feng's woman, haha..." I

have to say, this beauty is really It's so sexy, especially the feeling just now, it's simply unforgettable.

"Yue Feng, I must smash your corpse into tens of thousands of pieces!" Lan Xin gritted her teeth, extremely sad and angry.

At this time, Lan Xin didn't know that it was not Yue Feng who defiled her.

Feeling Lan Xin's anger, Yue Chen didn't panic at all, on the contrary, he was extremely proud, and once again let Yue Feng take the blame, this feeling is really good.

hum!

At this moment, Lan Xin's whole body flashed with light, followed by a young figure, which slowly condensed. This figure flashed with golden light, and it contained powerful power.

In an instant, the entire cold lake was illuminated by golden light.

It is Lan Xin's Yuan Ying power.

Just now Yue Chen occupied Lan Xin's innocence, Lan Xin's eighth-level skill will be automatically passed on to Yue Chen.

"Huh? What is this?"

Seeing the golden Nascent Soul, Yue Chen was startled, and at the same time he couldn't express his curiosity.

At the same time, Yue Chen also found that Lan Xin, who was lying there, looked extremely weak, and even had no strength to speak.

Whoosh!

The next second, I saw that Nascent Soul's golden light flashed, turned into a streamer, and directly merged into Yue Chen's dantian. In an instant, Yue Chen only felt a pure power that filled his whole body, and his strength suddenly improved. few.

"Haha, God really favors me. Not only did I enjoy beauty, but my strength also improved!" Feeling the strong power in his body, Yue Chen couldn't help laughing up to the sky.

Excited, Yue Chen kissed Lan Xin, and then strode away.

"Yue Feng, I'm going to kill you, kill you..."

At this time, Lan Xin was in despair and grief, lost her eighth-layer skill, and the Nascent Soul in her body disappeared, even if there was still left. Two layers of skill, but not much stronger than ordinary people.

### **Chapter 2886**

Without Xuan Gong, I will no longer be a saint, and I will not be able to return to the realm of the gods.

Thinking of this, Lan Xin was extremely desperate, and her tears kept flowing!

Shasha...

At this moment, there was a sound of footsteps, and then, a slender figure came quickly, a very beautiful woman.

This woman was about the same age as Lan Xin, and she was wearing a moon-white dress that looked like a fairy.

It is one of the Nine Heavens Saintess, Huanxiang.

Like Zi Yan and Lan Xin, Huanxiang has been looking for companions all the time. She happened to pass by Hantan just now and saw the golden light shining here, so she hurried over.

“Lan Xin!”

When she arrived at Hantan, seeing the scene in front of her, Huan Xiang was both surprised and delighted, her delicate body was shocked, she ran over quickly, helped Lan Xin up, and then tore off the black cloth on her face .

“How are you? What happened?” Huanxiang couldn't help but ask, and she was also very angry.

She saw that Huanxiang was soaking wet and her long dress was messy, obviously being violated. Not only that, but the Nascent Soul in the body also disappeared. They were Nine Heavens Saintess, guarding the Heavenly Spirit Realm together, and they were in love with sisters. How could they not be angry when they saw Lan Xin become like this.

“Huanxiang!” Lan Xin's red lips lightly parted, and she said weakly, “I was deceived by a big villain, his name is Yue Feng, the Sect Master of Tianmen, this person is despicable and shameless, and he pretended to rescue me from the palace, but he...” “

Yue Feng!

Hearing this, the phantom fragrance made her delicate body tremble, and her charming eyes flashed with murderous intent.

Afterwards, Huanxiang got up and quickly looked around. Lan Xin's power of Nascent Soul had just lost. In other words, Yue Feng, who took away her innocence, should not have run far.

This chapter is provided by . Visit for daily update.

“Huanxiang!”

Just as Huanxiang was searching around, Lan Xin called out softly, her eyes flashing with determination: "Without Nascent Soul, I am no longer a saint, and I have no face to see other sisters, remember, for me Revenge." As the voice fell, Lan Xin took out a dagger and stabbed herself in the heart.

Among the Nine Heavens Saintess, Lan Xin has the most stubborn personality.

"Lan Xin, don't do stupid things!"

Seeing this scene, Huan Xiang was startled and rushed over to stop it, but she was still a step too late. She saw that the dagger was deeply pierced in Lan Xin's heart, and the long dress was stained red with blood. Fragrance eliminates jade loss.

"Lan Xin, why are you so stupid?" Huanxiang hugged Lan Xin tightly, her tears kept flowing, her heart ached.

Whoosh!

At this moment, in the sky not far away, a figure flew quickly, it was Yue Feng.

What the hell!

The next second, he landed on the edge of Hantan, and when he saw the scene in front of him, Yue Feng was suddenly dumbfounded, and his brain was buzzing.

Yue Feng could clearly see that Lan Xin was lying there, blood dripping from her heart, and she had lost her breath, and beside her, another extremely beautiful woman was standing there, her face was full of tears, very sad.

what's going on? Why did Saintess Lanxin die?

Also, could this one beside him also be one of the Nine Heavens Saintess? Thinking to himself, Yue Feng couldn't help but said, "What's the situation? What happened to Saint Lady Lanxin

?" The voice fell, Huanxiang did not respond, and a pair of eyes directly locked on Yue Feng. Feeling the coldness of Huanxiang, Yue Feng secretly frowned.

How did this woman see herself as if she had met an enemy? It seems like the first time I met her, so there is no grudge, right?

"Who are you?" Just thinking about it, Huan Xiang said coldly.

"Yue Feng!" Yue Feng replied subconsciously.

Chapter 2887

“It’s you!” As

soon as the voice fell, Huan Xiang’s eyes flashed, and she stood up directly. A pair of beautiful eyes stared at Yue Feng coldly, unable to hide his anger, a murderous aura pervaded his graceful body.

At this moment, Huanxiang’s anger rose in his heart. It was this treacherous person in front of him who killed Lan Xin, and even dared to come back, he must be smashed into pieces!

What the hell!

Yue Feng was dumbfounded and couldn’t help but say, “Why are you looking at me like this, you dare to ask that Your Excellency is also the Holy Maiden of the Nine Heavens?”

“A shameless person like you doesn’t deserve to know my name, but I can tell you that my name is Huanxiang, don’t wait and don’t know who died in the hands!” Huanxiang said coldly.

Phantom?

Hearing this, Yue Feng was stunned for a moment. Zi Yan had said before that among the Nine Heavens Saintess, only Huanxiang could cancel Brother Wen’s soul contract, but I didn’t expect to meet him here.

It’s just, how could she look so bitter to herself.

“It turned out to be Saintess Huanxiang, I admired it for a long time, by the way, what happened to Saintess Lanxin? What happened?”

At this time, Yue Feng still didn’t know that he was framed.

“Knowingly asking, give me death!”

Huanxiang was too lazy to talk nonsense, turned her jade hand, and a long sword suddenly appeared, pointing to Yue Feng coldly: “You despicable and shameless person, doing such an unbearable scandal, heaven and earth. No, today I will act for the sky and avenge Lan Xin!” The

voice fell, Huanxiang clenched the long sword tightly, like a bolt of lightning, and stabbed directly at Yue Feng’s heart.

Under the grief, Huanxiang’s shot is a killer move, showing no mercy!

what.

To avenge Lan Xin? ! I didn't do anything to her!

He was muttering in his heart, seeing that the long sword was about to pierce the center mouth, Yue Feng didn't have time to think about it, and his inner strength urged him to hold Fang Tianhua halberd tightly in front of him.

clang!

The long sword and Fang Tianhua halberd collided, making a crisp vibration, Yue Feng received a powerful force, Fang Tianhua halberd almost flew out of his hand, and he couldn't help but take two steps back.

As expected of the Holy Maiden of the Nine Heavens, this strength is too strong, and she only managed to block it when she burst out with all her strength.

At this moment, Yue Feng was sweating profusely, watching Huanxiang closely, and he was also extremely shocked.

Immediately, Yue Feng took a deep breath and said eagerly: "Saint Huanxiang, what's going on? You just said you wanted to avenge Saint Maiden Lanxin, what happened to her?"

"You still want to pretend in front of me? You This villain tarnished Lan Xin, humiliated her innocence, Lan Xin did not endure the humiliation, and committed suicide with anger. This is all caused by you villain. You are not a pity to die 10,000 times!" Huanxiang said angrily.

What?

Hearing this, Yue Feng was shocked and completely stunned.

Defiled Saint Lady Lanxin by yourself? How can it be?

Thinking to himself, Yue Feng tried his best to calm himself, and stepped forward to explain: "Saint Huanxiang, there must be a misunderstanding in this. I left before and just came back, how could it be possible to defile Saint Maiden Lanxin.

" Yue Feng looked around: "Someone must have done such an ugly thing to Saintess Lan Xin while I was away."

When he said this, Yue Feng looked serious, but he was extremely annoyed. Ma De, who is so bold, dare to touch the Nine Heavens Saintess.

At the same time, there is some regret in my heart. If I knew this earlier, I shouldn't have left just now. I have been staying around, and Saint Lady Lanxin will not be in trouble.

“You wicked person is still arguing!?”

Huan Xiang’s chest trembled, and her eyes were full of resentment: “Before Lan Xin committed suicide, she told me personally that it was you who defiled her, Tianmen Sect Master Yue Feng!”

“Today you just broke it ! Heaven, I have to pay for Lan Xin’s life!” The

last sentence fell, Huan Xiang’s delicate body flashed, and the long sword stabbed towards Yue Feng again.

Chapter 2888

“Om!”

At this moment, Huanxiang burst out with all his strength, and a strong aura fluctuated, instantly covering the entire cold pool.

“Nine Heaven Lotus.”

Huanxiang’s red lips parted slightly, and four cold words slowly came out of her mouth.

The next moment, I saw a burst of colorful light from the long sword in her hand, followed by cracks in the air around her body, and in the next second, countless colorful petals condensed.

Each of these colorful petals is extremely sharp, and the air is completely shredded wherever it passes, and then all of them fly towards Yue Feng like shooting stars in the sky.

“You villain, I want you to pay for Lan Xin’s life!!” Huan Xiang shouted coldly.

Chi Chi...

With the sound of breaking through the air, Yue Feng only saw the sky in front of him, and it was about to be torn apart, and the power was terrifying.

I go!

Seeing this scene, Yue Feng was shocked. He knew that the Nine Heavens Saintess were very powerful, but he didn’t expect that under the anger of Huan Xiang in front of him, the skills that erupted were more terrifying than he thought!

In the blink of an eye, the sweat on Yue Feng’s face fell down!

Seeing that he was about to be beaten into a sieve, Yue Feng didn't have time to think about it, so he quickly activated his inner strength, deployed a protective film in front of him, and at the same time held Fang Tianhua halberd in front of him to resist!

At this moment, Yue Feng urged all his internal forces to resist.

Bang bang bang!

Thousands of petals hit the protective film one after another, and the protective film shattered in an instant, and then slammed on Fang Tianhua halberd. Yue Feng only felt that an overwhelming force came, and it blocked it all at once. No longer.

Pfft...

Yue Feng let out a muffled groan, a mouthful of blood spurted out, and the whole person was shocked and flew out, flying more than 100 meters before falling heavily to the ground.

Although Yue Feng is very powerful, he is only the top powerhouse of the Kyushu Continent. In the face of the Holy Maiden of the Nine Heavens bursting out with all his strength, he cannot resist it at all.

Moreover, among the Nine Heavens Saintess, Huanxiang's strength is the strongest.

"Pfft..."

At this moment, Yue Feng struggled to stand up, looking at Huanxiang with killing intent, he didn't have time to think, he raised his hand and waved, and saw a white flame jumping out.

It is Bai Lian Leng Huo.

At this time, Yue Feng, in addition to being angry, was a little helpless. He was obviously framed, but Huan Xiang in front of him didn't listen at all.

Um? The first different fire in the Kyushu mainland.

Seeing Bailian's cold fire whistling, Huanxiang frowned, and before she could think about it, her figure retreated gracefully.

Although she is the Nine Heavens Saintess, she is somewhat apprehensive in the face of Bai Lian Leng Huo. After all, this is the strongest different fire in the Nine Provinces Continent.

Seeing this scene, Yue Feng didn't have time to think, his figure jumped into the air and quickly flew into the distance.

Lan Xin was killed suddenly, Yue Feng was also very angry, but the most important thing now is to get rid of Huan Xiang first.

“Want to run?”

Seeing Yue Feng flying towards the distance, Huanxiang snorted coldly, her figure was astonishing, and she quickly caught up!

While chasing, Huanxiang kept drinking coquettishly: “Yue Feng, even if you escape to the ends of the earth, I will kill you.”

Nima!

Hearing this, Yue Feng wanted to cry without tears, but instead of responding, he speeded up!

It was just that he was hit hard by Huanxiang, and after flying for a while, Yue Feng’s speed slowed down. And the magic fragrance behind, the distance is getting closer and closer.

Yue Feng was in a hurry for a moment. It can’t go on like this. Sooner or later, he will be caught by Huanxiang and die by her hands, but it will be too wrong.

Chapter 2889

In a hurry, Yue Feng suddenly thought of something, took out an inner pill from his body, and quickly absorbed the power inside to replenish the inner strength of his dantian.

call!

In an instant, Yue Feng only felt that the inner strength of his dantian had recovered a little, and he was immediately overjoyed.

Using the power of the spirit beast’s inner alchemy to supplement his dantian inner strength, he is really witty.

Speaking of which, Yue Feng’s method is a bit wasteful, but he can’t help it, his life is the most important thing.

Next, Yue Feng took out an inner alchemy from time to time to replenish his inner strength, and flew fast in the sky with Huanxiang in tandem.

Unconsciously, four hours passed, and the two also flew over the border of the Apocalypse Continent and came to the Earth Circle Continent.

Oops!

At this time, Yue Feng was depressed and found that the inner elixir on his body had been used up by himself.

I'm running out of energy, what should I do?

The next second, seeing the bustling city in front of him, Yue Feng's eyes flashed, and he flew over without hesitation.

There are many people in the city, and if you find a place to hide, it will be difficult for Huanxiang to find yourself. On the contrary, flying in the sky all the time is not a long-term thing. After all, the other party is Jiutian Xuannv, how can you fly past her?

Looking at the surrounding terrain, Yue Feng knew that the city in front of him was Xihua City in the west of Mount Hua. Although it was not as prosperous as Donghai City and Zhongzhou City, it was also the largest city in the western part of Diyu Continent.

Um?

Seeing Yue Feng flying towards Xihua City, Huanxiang frowned, and then without the slightest hesitation, her delicate body flashed and she chased after him.

At this time, it was already night, and the whole Xihua City was brightly lit.

Whoosh!

Arriving over Xihua City, Yue Feng quickly looked around, and finally saw a place with a smile on his face, and then quickly landed.

This is a high-end bathing club, and it is very high-end. During this time period, when the business of entertainment venues is booming, this club is also the same.

Yue Feng thought about it, although Huanxiang is the Holy Maiden of the Nine Heavens, she must have never been to a modern clubhouse. She must be stunned when she chases her in. More importantly, she has entered the male guest area by herself. She holds her own identity and must not dare to search.

Soon, Yue Feng landed at the entrance of the gate, and the figure rushed in in a flash.

"Ah?"

"Who is it?"

The two security guards at the door saw a black shadow flashing past, and when they reacted, Yue Feng had already rushed in.

For a while, the two security guards looked at each other, thinking they were dazzled.  
call!

Entering the lobby on the first floor of the clubhouse, Yue Feng was stunned for a moment. He saw that the clubhouse was very luxuriously decorated. The lounge in front of him was the size of several basketball courts. Because it was a men's area, there were many men at this time. The guests, after taking a bath, only wear shorts and shorts and lie there to rest.

Seeing this scene, Yue Feng showed a smile.

Haha... In such a place, I don't believe in the Saintess of Magic Fragrance, so hurry up and search me.

Thinking about it, Yue Feng quickly passed through the lounge and went to the VIP area at the back. Several service staff were stunned when they saw Yue Feng, but did not respond for a while.

"Who is that kid?"

"Did you come to apply for a waiter job? Why are you in such a hurry?"

Whoosh!

Just as these service staff were discussing, a slender figure rushed in quickly, with anger flashing on the beautiful face.

It is phantom.

Yue Feng was right, Huanxiang, as the Holy Maiden of the Nine Heavens, spent most of her time in the Heavenly Spirit Realm. She seldom came to the Kyushu Continent, and she had never seen a modern city. At this time, she didn't know where it was.

Chapter 2890

Quiet!

In an instant, as soon as Huanxiang came in, the entire male guest lounge was suddenly silent.

I have to say that Huanxiang is really beautiful, whether it is the staff or the male guests, they are all dumbfounded.

In particular, the extraordinary temperament on his body made many men look straight.

This...

At the same time, Huanxiang was also stunned, and her face was a little red.

What is this place?

Huanxiang saw that there were basically men here, and they wore so little...

But thinking that Yue Feng had not caught it, Huanxiang was too lazy to think about it.

"Tsk tsk!" I

don't know how long it took, but an exclamation broke the peace. I saw a male guest closest to Huanxiang, looking at Huanxiang with a smile: "Beauty, are you a new technician? I haven't seen you before!"

This person's name is Li Chao, a gang leader in Xihua City, there are some local forces.

When the words fell, Li Chao's younger brothers all smiled and agreed.

"Brother Chao, this beauty is really good!"

"It's probably the first day at work."

"I didn't expect that the quality of the beauties in this clubhouse is getting higher and higher, Brother Chao, let her serve you tonight!"

Listening to the discussions of Li Chao and others, Huanxiang was expressionless and did not respond.

At the same time, those beautiful eyes slowly swept around, trying to find the figure of Yue Feng, but didn't bother to pay attention to Li Chao.

However, the gazes of Li Chao and several people still made Huanxiang very unhappy.

"Yo? It's quite cold!"

Seeing Huanxiang standing there just looking around, but not speaking, Li Chao, a little brother, couldn't help it, he walked over with a smile, and shouted at Huanxiang:

"Beauty, if you are the first If you come to work in the sky, you can earn it. To serve our super brother tonight, the tip will definitely satisfy you."

At this time, Li Chao also came over, looked up and down at Huanxiang, and said with a smile: "What's the name of the beauty?"

Hoo!

Huanxiang was annoying, and said coldly: "What is going to work? What is the tip, what are you talking about?" After speaking

, Huanxiang looked around and asked, "Where did the person who ran in just now go?"  
what's going on?

Hearing this, Li Chao and several younger brothers were stunned.

The next second, Li Chao smiled and said to Huanxiang: "Beauty is still a little shy, huh, since she came to work, she must put down her restraint."

After speaking, Li Chao deliberately approached a few minutes, smelling Huanxiang's body The smell of the fragrance, intoxicated: "I see you like old friends, and I will definitely come every day in the future. When the time comes, you can serve me specially..."

"Pop!" Before she

finished speaking, I saw Huanxiang raised her hand, which seemed to be fluttering. Two slaps in the past!

The next moment, I saw Li Chao's body, like a cannonball, being blown away directly, and finally smashed on the video wall before sliding down.

After falling to the ground, Li Chao spat out several mouthfuls of blood, and then closed his eyes, not knowing his life or death!

At this moment, Huanxiang's beautiful face is extremely embarrassed and angry, this person dares to blaspheme himself, he is simply courting death!

hiss!

Seeing this scene, whether it was Li Chao's younger brother or the other people around, they were all dumbfounded.

This woman is not a new technician, but a cultivator, and her strength is too terrifying.

In an instant, the entire lounge was silent, and even the music stopped. At this time, Huanxiang

walked over slowly and asked a few staff members, "I'll ask again, where are the people who ran in just now?"

“

, and then one of them pointed to the back and said cautiously, “Go to the back!”
