

The ultimate husband in Chinese chapter 2891-2900

Chapter 2891

Hearing this, Huanxiang did not hesitate to go over.

“Hey, beauty!” Just before taking two steps, the staff quickly stopped Huanxiang and said anxiously: “You can’t go in later, there is a bathing place, and there are many guests.”

Shah!

At this moment, Huanxiang’s beautiful face turned red all of a sudden, and her heart was also extremely embarrassed.

At this time, the magic fragrance also figured out that this place is a place to bathe. In an instant, the shame and anger were five ratios.

Yue Feng and the villains were so despicable, they knew they couldn’t run away, so they deliberately hid in such places.

Thinking to herself, Huanxiang bit her lip and wanted to break in directly, but she held back. It’s important to avenge Lan Xin, but as the Holy Maiden of the Nine Heavens, if she breaks into someone else’s bathing place, it will spread out in the future. Now, how do you meet people?

“Villain!” The

more Huanxiang thought about it, the more angry she became, her red lips were lightly opened, and her icy voice spread throughout the club: “You think it’s okay to hide here? I tell you, you can’t escape, you have the ability to hide. For a lifetime.” The

voice was crisp and pleasant, but there was an icy murderous aura.

When the voice fell, Huanxiang turned around and walked out of the lounge, guarding the gate of the clubhouse.

After Huanxiang thought about it, she blocked herself at the door, not believing that Yue Feng would not come out.

At this moment, inside the clubhouse.

Nima!

Yue Feng, who was hiding in the bathing area behind, heard Huanxiang’s cold voice, and couldn’t help but let out a wry smile, wanting to cry without tears.

This chapter is provided by . Visit for daily update.

This phantom fragrance is also too persistent, it must be grasped.

No, you can't sit still like this.

Yue Feng scratched his head anxiously, thinking about how to deal with it.

"Quick, find that kid!"

"Yes, find it!"

"Made, you brought trouble to our club, you are courting death!"

At this moment, the voices of several staff members came from the front passage.

Yue Feng was running around in the clubhouse, and Li Chao in the lounge was seriously injured by a woman whom Yue Feng had brought in. When the manager found out, he was very annoyed and immediately sent someone to search Yue Feng.

Watching those staff search over, Yue Feng frowned secretly, Mad, Huanxiang hadn't gotten rid of it yet, and caused other troubles.

Thinking to himself, Yue Feng saw that there was a VIP channel behind him.

Yue Feng thought about it, this kind of high-end club must have a back door. At that time, if he slips away quietly through the back door, he will be able to get rid of the magic fragrance. As for the staff of the club, there is nothing to worry about.

It's just that this club is too big, with boxes and rooms everywhere, and a fork in the road after a few steps. Yue Feng just felt like he had entered a maze, and he was stunned in the blink of an eye.

Unconsciously, Yue Feng came to the female VIP area.

call!

At this moment, Yue Feng rushed into a room and was relieved to see that no one was chasing after him.

Mad, finally got rid of those staff.

What the hell!

The next second, Yue Feng turned around and looked around the room, and he was stunned.

I can see that this room is very warm and elegant, and the air is filled with fragrance. It is obviously a room for women to rest!

Just when Yue Feng was stunned, a female VIP came in just after taking a bath, with only a bath towel covering her body.

I have to say that the women who come to this kind of club to consume are all beautiful. The one in front of me has beautiful facial features and graceful curves. At this moment, her figure can be seen by Yue Feng.

I go.

At this time, I made a mistake and entered the women's area!

“Ah...”

Just when Yue Feng was stunned, the woman was also stupid. After a few seconds, she screamed out!

Chapter 2892

“You, you rascal...” The woman was ashamed and angry, pointed at Yue Feng and shouted: “Someone, catch the rascal!”

Nima!

Yue Feng was so embarrassed that he didn't know whether to laugh or cry: “I'm sorry, I didn't mean to break in, don't call me...”

While explaining, Yue Feng rushed out.

Whoa!

When they got outside, Yue Feng hurriedly left the women's area. That is, at this moment, he saw a dozen security guards who were searching here.

Yue Feng saw that these security guards were all wearing black suits, and they were all practitioners, and their strength was around Wu Sheng.

Obviously, Yue Feng made too much noise here, and attracted the internal bodyguards here.

“It's this kid!”

“Catch him!”

At this moment, seeing Yue Feng, a dozen security guards shouted angrily and immediately surrounded him.

When he got to the front, a leader looked at Yue Feng up and down: "You are not too timid, come to our club to make trouble, and dare to break into the women's area?"

This person is Cheng Dong, the captain of the internal security here.

"This is a misunderstanding!" Yue Feng took a deep breath and said patiently.

"Shao Te Code is long-winded for me!" Cheng Dong said coldly, no doubt: "The female cultivator at the gate, you attracted it, do you know that she injured Brother Chao, knowing that Brother Chao is Who is it?"

"Follow us quickly and apologize to Brother Chao!"

Although Li Chao is just a gangster, he is a guest here after all, and just now, he was severely injured because of the magic fragrance that this kid attracted. , this matter must be calculated carefully.

Cheng Dong bullied the soft and feared the hard, and Huan Xiang, who was blocking the gate, didn't dare to provoke him, but the boy in front of him, dressed so ordinary, must have no background, so he didn't need to pay attention.

"I'm sorry!"

Yue Feng was too lazy to talk nonsense, shook his head and said: "I didn't hit the person, why should I apologize, tell me quickly, where is the back door here?"

Huanxiang was blocked at the gate, how could he go? lobby? Isn't it self-inflicted?

What?

At this moment, Cheng Dong's face changed, and he suddenly became angry: "What are you kid? If you dare to talk to me like this, I think you deserve a beating!" When the words

fell, Cheng Dong roared and was about to hit Yue Feng with a punch. !

idiot!

Seeing Cheng Dong punching, Yue Feng sneered.

Although Yue Feng was seriously injured and could not compete with Huanxiang, it was more than enough to deal with Cheng Dong's strength.

The next second, Yue Feng made a lightning strike and clasped Cheng Dong's wrist.

"Good boy, how dare you fight back!"

Cheng Dong shouted angrily, trying to break free from Yue Feng's hand, but was surprised to find that his hand seemed to be caught by iron pliers, and he couldn't break free at all.

Mad, this guy seems to be ordinary, but he is also a cultivator, and his strength is higher than himself?

Whoa!

At this moment, the other security guards around were also shocked.

"Good boy, dare to fight with our captain?"

"I'm really tired of living!"

Under the anger, these security guards quickly surrounded him, and they were about to start!

However, Yue Feng didn't even look at them, he pushed Cheng Dong away, and said coldly, "I won't talk nonsense with you. Hurry up and tell me where the back door is."

Cheng Dong staggered back a few steps, and became angry on the spot. Yes, I am the captain. How can I endure being scorned by Yue Feng in front of so many subordinates?

In anger, Cheng Dong shouted: "What are you still doing? Come on together and fuck him for me."

Hula..

Chapter 2893 The

voice fell, and the surrounding security guards rushed up.

What a hassle!

Seeing this situation, Yue Feng shook his head secretly, ready to meet him.

"Stop, stop!"

At this critical moment, a coquettish shout came from not far away, and then, a slender figure, surrounded by many staff, walked over quickly!

Seeing the slender figure, everyone in Cheng Dong was stunned.

Um? is her!

At the same time, Yue Feng was also stunned, looking at the woman in front of him in surprise.

It was Ye Hongshang who had a relationship with the Yellow Sky Trading House in Heishui Town before.

Isn't this woman the manager of the Yellow Sky Trading Company? How did you come to Diyuang Continent?

At this moment, Yue Feng frowned secretly, very doubtful in his heart.

At the same time, Ye Hongshang also saw Yue Feng, and her body trembled, she was very surprised.

"Cheng Dong! What are you doing? We are in business, why do we just do it?" The next second, Ye Hongshang shouted at Cheng Dongjiao.

"Mr. Ye!"

Cheng Dong took a deep breath, pointed at Yue Feng and shouted: "It's this bastard who attracted a female cultivator, causing Li Chao to be severely injured. Just now, this kid broke into the women's guest area."

"Looking at his appearance, he is so poor. He dares to run into our club to make trouble, he is just courting death!"

When he said this, Cheng Dong glared at Yue Feng, his eyes full of cruelty.

"Shut up!"

Ye Hongshang snorted, then walked over quickly and slapped Cheng Dong on the face!

"Crack!"

With this slap, Ye Hongshang almost used all her strength, Cheng Dong covered his face, his face swollen high.

"Mr. Ye!" Cheng Dong shouted, the whole person was stunned and puzzled: "Why are you beating me, this kid is here to make trouble, shouldn't he be taught a lesson? How can he be qualified? Come to our club?"

"Are you talking too much?"

Ye Hongshang pointed at Yue Feng and said, "Poor and sour? Let me tell you, this gentleman was in Heishui Town before, and he was able to take out more than a dozen Martial Emperors at once. The inner elixir of the realm is hidden, do you know the inner elixir of the Emperor Wu realm? Selling one is enough for you to work here for more than ten years!"

What? !

At this moment, everyone present thought they had heard it wrong, and looked at Yue Feng blankly, speechless.

This kid is dressed like a tattered, and can actually take out more than a dozen Inner Pills of the Martial Emperor Realm at once?

Is it an expert on the rivers and lakes?

"Yes.. I'm sorry!" Cheng Dong reacted, resisting the shock, and apologized to Yue Feng.

Yue Feng smiled lightly. He had seen too many scenes just now, and he didn't take it to heart at all.

It's just that Yue Feng never expected to meet Ye Hongshang here.

"What are you doing? Hurry up!" Ye Hongshang frowned and said angrily.

"Yes, President Ye!"

Cheng Dong responded quickly, and then left with many security guards.

"Mr. Feng, we are really destined to meet again!" After everyone left, Ye Hongshang said with a smile, so charming and charming.

A few months ago, Yue Feng had just returned from the wild and strange realm. At that time, he and Hua Ling went to the Yellow Sky Trading in Heishui Town. They happened to meet Hua Ling's creditor. She took out the inner alchemy on her body and helped her pay off the debt.

Ye Hongshang, who was the manager of the trading house at that time, was present at the time and was very impressed with Yue Feng.

However, at that time, Yue Feng used the fake name 'Fengtao', so Ye Hongshang called Mr. Feng.

"Yeah!"

At this moment, Yue Feng showed a smile and nodded at Ye Hongshang: "It is indeed fate, but I didn't expect that Miss Ye is also hidden. She was the manager of the trading house a few months ago, and now she is The boss of a club."

Chapter 2894

"Mr. Feng is too famous!"

Hearing Yue Feng's compliment, Ye Hongshang smiled lightly, and then asked curiously: "Mr. Feng, there is a very beautiful practitioner outside the clubhouse, this matter has nothing to do with you. Is it related?"

Ye Hongshang was resting in the office, and when she heard the movement outside, she came out to take a look. Just now, she specially sent someone to ask Huanxiang, but Huanxiang was arrogant and ignored everyone.

In this case, Ye Hongshang had no choice but to ask Yue Feng!

Uh...

Yue Feng scratched his head, very embarrassed: "That man really came for me, I'm sorry to cause trouble to your club."

"Are you hiding from your love debt?" Ye Hongshang rolled her eyes and smiled. He joked: "I can't tell, Mr. Feng is quite romantic..."

In Ye Hongshang's eyes, a man, blocked by a woman at the door of the clubhouse, must be out of love.

"No!" Yue Feng blushed, and quickly explained: "There is another reason for this, and it's hard to say, by the way, can you help me get out of here? As long as I leave, she won't make trouble here. "

"That's it...!"

Ye Hongshang pondered and asked, "Who is this woman? It is said that she is very powerful."

"This... You still don't know!" Yue Feng said in a complicated tone .

The Nine Heavens Saintess has a very special identity, so she can't say it casually.

"Mr. Feng!"

Ye Hongshang suddenly became a little displeased: "Although we have only met twice, we are not too familiar with each other, but I helped you out just now and regarded you as a friend, but you are really wary of me. !"

"You don't want to tell me the truth, you just want me to take you out safely, do you think it's appropriate?"

Hearing this, Yue Feng was very embarrassed.

The next second, Yue Feng smiled bitterly: "Well, since you said so, I'll tell you that the one blocking the door of your clubhouse is the Nine Heavens Saintess." came out.

What? Saintess of the Nine Heavens?

Ye Hongshang's delicate body trembled, and the whole person was stunned.

No wonder his temperament is so special and his strength is also very powerful, so he doesn't belong to the Kyushu continent.

Thinking to herself, Ye Hongshang resisted the shock and looked at Yue Feng: "Mr. Feng is not an ordinary person to be chased by the Nine Heavens Saintess."

"This..."

Yue Feng scratched his head, hesitated, and smiled bitterly. : "To be honest, I am Yue Feng, the sect master of Tianmen. The Fengtao I told you before was a pseudonym."

When he said this, Yue Feng looked calm.

What Ye Hongshang said just now was right, the other party regarded her as a friend, and she had to rely on her to get out of here.

What?

At this moment, Ye Hongshang's delicate body was shocked, and she stared at Yue Feng blankly, her delicate face was full of surprise.

"You..." After a few seconds, Ye Hongshang reacted, and her tone trembled: "You are Yue Feng? I'm not dreaming, the dignified Tianmen Sect Master, the former Emperor of Xi Cang?"

"Hongshang's face was very shocked, and her heart was even more pleasantly surprised.

"Time is running out, can you take me out of here?" Yue Feng couldn't help asking.

“Okay, there is an escape route in this clubhouse, which is very hidden. I’ll take you there!” Ye Hongshang smiled, said attentively, and then led the way.

There was a smile on her face, but Ye Hongshang’s eyes had a hint of cunning.

Chapter 2895

Yue Feng didn’t notice what was wrong with Ye Hongshang, so hurry up!

At this time, Yue Feng did not know that Ye Hongshang in front of him was not only the owner of this club, but also had many other identities, and the most important one was the elder of Tianyi Sect.

Tianyi Sect is an ancient sect of Tianqi Continent, which has been passed down for more than two thousand years.

When the ancient tomb of Lv Bu came into existence, the major sects of Kyushu gathered in Mount Hua, and the Tianyi Sect also came. Later, Yue Feng got Lu Bu’s secret book and was besieged by various sects, and was finally rescued by Ling Xiaoxiao, the head of Tianyi Sect.

At that time, after Ling Xiaoxiao brought Yue Feng back to Tianyi Sect, he tortured him and tried to get the secret book from Yue Feng. As a result, Yue Feng was rescued by Song Qian. Since then, Yue Feng has never had any interaction with Tianyi Sect.

As an elder of Tianyi Sect, Ye Hongshang naturally knew that Yue Feng and Tianyi Sect had a festival.

In the past few years, Ye Hongshang was ordered by Ling Xiaoxiao to conceal her identity, infiltrate Huangtian Trading as a manager, and then invest in the club by herself, not to make money, but to better inquire about the news. At this time, I learned that the person in front of me was the famous Yue Feng, and of course I was pleasantly surprised.

A few minutes later, Yue Feng followed Ye Hongshang and entered a hidden passage. The entrance of the passage could see the words ‘No idlers do not enter’.

call!

At this moment, Yue Feng couldn’t help taking a deep breath, great, this club really has a secret passage to go out.

Thinking of the magic fragrance blocking the front door, Yue Feng showed a smile. This Huanxiang, as the Holy Maiden of the Nine Heavens, had not found out, she insisted that she killed Lan Xin, and insisted on killing me. You’d better stay there for the rest of your life when I leave quietly.

Squeak.

Just as Yue Feng was muttering secretly, he saw Ye Hongshang who was leading the way in front of him. He walked to a wall and opened the hidden mechanism. He heard a shock, and a secret door appeared on the wall, revealing layers of stones inside. order!

I go! There is a mystery here.

Seeing this scene, Yue Feng was both surprised and excited, and said to Ye Hongshang: "Miss Ye is really smart, she even made a secret message in the clubhouse, I admire it!"

"Now the situation in Kyushu is unstable, Whether it's Jianghu sect or those of us doing business, we are all very careful." Ye Hongshang smiled lightly.

Immediately, Ye Hongshang looked at Yue Feng: "You can go out from here, please, Sect Master Yue!" The

last word fell, Ye Hongshang smiled, but her eyes flashed coldly.

Over the years, the sect master has been worried about Yue Feng's escape back then. If he can catch Yue Feng today, the sect master will be very happy, and the reward will definitely be indispensable when that time comes.

Yue Feng nodded, not noticing Ye Hongshang's strangeness at all, and walked in directly.

call!

When he got inside, looking at the environment in front of him, Yue Feng couldn't help but suck in the cold air. He saw the steps in front of him extending down very deep and winding, and he didn't know where to go.

This is just a clubhouse, how did you come up with such a hidden secret passage?

This Ye Hongshang's identity is somewhat suspicious.

Thinking about it, Yue Feng couldn't help but turn his head and asked, "Miss Ye, may I ask you..."

Just halfway through, he saw Ye Hongshang smiling at him behind him, raising his jade hand and hitting him with a palm.

Nima. what's going on?

Yue Feng was taken aback and instinctively wanted to dodge, but the secret passage was too narrow, and there was nowhere to hide. In addition, he was injured before, and his reflexes couldn't keep up, so he was directly slapped on the back of the head!

hum.

Yue Feng's intuition's entire brain was buzzing, and then he didn't know anything when it was dark.

....

on the other side, Changsheng Island.

Behind the main altar, in the secret room on the cliff, the white horse squeezed a few highly poisonous inner pills, and the poisonous mist formed lasted a full day and night before dissipating.

Chapter 2896

At this time, White Horse stood in front of the secret room with a proud face.

White Horse could clearly see that in the secret room, Zhang Jiao was curled up in the corner. Because of inhaling too much poison, his skin was blue, his eyes were closed, and he was no longer breathing.

On the ground next to it, a golden axe fell.

It is the opening axe.

“Haha...”

Bai Ma was very proud, couldn't help laughing up to the sky, then walked in, picked up the Sky-Opening Axe, and admired it up close.

It has to be said that the Kaitian Axe is worthy of being a peerless weapon. It has been shrouded in poison for a day and a night, and there is no trace of erosion, and it is still shining.

“Good weapon, haha, good magic weapon.”

Bai Ma sighed a few times, then put away the opening axe, and shouted at the outside: “Someone!” The

voice fell, and several disciples walked in quickly.

"I will inform all the disciples immediately, saying that the great revenge of Palace Master Wen has been avenged." Bai Ma looked at Zhang Jiao lightly, and instructed these disciples, "Wait and find a place to bury Zhang Jiao."

"Bury Zhang Jiao. After that, gather everyone immediately and follow me back to the Kyushu Continent!"

As he said this, White Horse looked at the sea not far away, his eyes full of ambition.

The opening axe has been obtained, and it is time to fight for the world.

"Yes, Hall Master!"

This chapter is provided by . Visit for daily update.

Several disciples agreed with a bang, then carried Zhang Jiao out and buried him in a nearby place.

Half an hour later, all the elite disciples of the main altar assembled, and then, under the leadership of White Horse, took a big boat and headed for the continent of Kyushu.

For a time, the lively Changsheng Island suddenly became deserted.

Swish...

Not long after Bai Ma and the others left, they saw a movement on the mound where Zhang Jiao was buried, and then they saw Zhang Jiao crawling out in a mess.

That's right, Zhang Jiao didn't die, but performed the stunt of 'breaking life and forgetting death' in the indestructible scripture, and escaped the catastrophe.

At that time, when the white horse exploded the poisonous inner pill, Zhang Jiao knew that if he could not break out of the cage, he would be poisoned to death, so he hurriedly used the stunt of breaking life and forgetting death, disguised as a fake death.

At that time, Yue Wuya buried Zhou Qin alive on Mount Emei, and Zhou Qin also used 'Break Your Life and Forget Your Death' to escape death.

call!

At this moment, seeing the cold and clear Changsheng Island in front of him, Zhang Jiao's eyes were extremely gloomy, his face was extremely ugly, and his heart was even more angry.

"White Horse!" In the

next second, Zhang Jiao clenched his fists and screamed up to the sky: "When I recover my skills, I will blow your bones to ashes."

As a person who has been famous for thousands of years, he was even plotted against a villain like White Horse. The Kaitian Axe was also snatched away, which was a shame. And Zhang Jiao is a personality that Jaius must repay, how can he bear it?

However, the most popular thing now is to restore power.

Thinking to himself, Zhang Jiao didn't hesitate, took a deep breath, and started to meditate.

....

the other side!

Yue Feng didn't know how long he had been in a coma, but he only knew that he had a dream, in which he had been chased by the Huanxiang Saintess, and finally had nowhere to go...

Phew!

When he woke up, Yue Feng took a deep breath and felt his brain swell.

Nima, that Ye Hongshang, treats her as a friend, but plots against herself behind her back.

The next second, Yue Feng wanted to stand up, but found himself tied up by five flowers! When he looked around, he was completely stunned.

I saw that I was in a secret room. The decoration of the secret room was simple and elegant, with a bookshelf and a soft collapse. There was incense in the corner, and the smoke was lingering, and the fragrance was full of people.

Chapter 2897

Huh?

Looking around, Yue Feng's eyes fell on the sofa, and he couldn't move his eyes away.

Just saw a beautiful and sexy woman sitting quietly on the soft couch, with beautiful facial features and graceful curves, people can't move their eyes when they see it.

Who is this?

At this moment, Yue Feng was stunned for a moment, and at the same time, he was also a little puzzled.

The woman in front of her was in her mid-twenties, but she was very face-to-face, and she had never seen it before.

Did she let Ye Hongshang catch me?

At this time, Yue Feng did not know that the beautiful woman in front of him was the leader of Tianyi Sect, Ling Xiaoxiao.

Back then, Ling Xiaoxiao was only thirteen years old when the ancient tomb of Lu Bu appeared, but now that so many years have passed, she has grown into a goddess of the rivers and lakes.

“Yue Feng!”

Just when Yue Feng was secretly doubtful, Ling Xiaoxiao’s red lips parted lightly, and she said with a half smile, “I didn’t expect that, after many years, you will fall into my hands again.”

“Beauty!” Yue Feng reacted and said with a smile: “Did you make a mistake, have we met?”

Phew!

Ling Xiaoxiao breathed a sigh of relief, stood up slowly, and said slowly: “You are the Sect Master of Tianmen, the former Emperor of Xi Cang, and nobles often forget things, but I can remind you that my name is Ling Xiaoxiao. The head of Tianyi Sect. , you were besieged at the exit of Lu Bu’s ancient tomb, but I rescued you.”

What?

Hearing this, Yue Feng was shocked and looked at Ling Xiaoxiao closely: “Is it you?”

When the words fell, Yue Feng couldn’t help looking up and down Ling Xiaoxiao. I secretly sighed in my heart, I’m going, I haven’t seen you in all these years, that little teenage girl has become so beautiful back then?

Yue Feng could clearly see that Ling Xiaoxiao at this time was wearing a lilac short skirt, which showed her exquisite and graceful figure vividly.

Seeing Yue Feng staring at him tightly, Ling Xiaoxiao smiled slightly and walked slowly to Yue Feng.

Gudong!

Charming curves, long white legs, and approaching at close range at this time, Yue Feng was stunned for a moment, and couldn't help but secretly twitched his Adam's apple.

Snapped!

However, at this moment, Ling Xiaoxiao suddenly turned cold, raised her jade hand, and slapped Yue Feng without warning!

With a crisp sound, Yue Feng was suddenly a little stunned.

"If you dare to look at me like this again, I'll dig out your eyeballs!" Ling Xiaoxiao said coldly, and the aura that filled his body made one's heart palpitate.

call!

Yue Feng smiled bitterly, but did not respond, nor did he panic.

Yue Feng did not know how many women have heard the phrase digging out the eyes, but up to now, is a pair of eyes not good enough?

The next second, Yue Feng took a deep breath and met Ling Xiaoxiao's gaze: "Ling Xiaoxiao, after all, we don't have any grudges, and when you saved me, didn't you want to get Lu Bu's secret book? We meet again after many years. It's not necessary, is it?"

Haha!

Ling Xiaoxiao smiled lightly, looked at Yue Feng and said, "Don't play tricks with me, you blaspheme Chang'e and try to be the emperor of Beiyong. Heaven's law will not allow it. Even if I kill you now, I will act for heaven, you know?"

Yue Feng was very helpless, and said with a wry smile: "As the master of a sect, why do you believe in the rumors of the rivers and lakes? Zhang Jiao is very ambitious and deliberately framed me." After

speaking, Yue Feng thought about it and continued: "And I believe, you will definitely not kill me, you can tell me the conditions, how can I let me go."

Papapa...

Hearing this, Ling Xiaoxiao showed a smile and gently applauded: "As expected of the Tianmen Sect Master, Don't be afraid of danger, you can negotiate with me so calmly, good!" After speaking

, Ling Xiaoxiao sat back again, with her right leg resting on her left, very leisurely: "In this case, I'll make it clear, you are Isn't there a dragon spirit beast?"

At these times, Ling Xiaoxiao looked at Yue Feng closely, his eyes flashing with a strange light.

Chapter 2898 What the hell

!

Hearing this, Yue Feng was shocked.

At this time, Ling Xiaoxiao smiled lightly and continued: "As long as you give me the dragon spirit beast, I will let you go!"

Speaking of which, not many people in the Kyushu mainland know about Yue Feng's possession of the dragon spirit beast. But Ling Xiaoxiao had many eyes and ears in the Kyushu mainland, so she still got some news.

At this time, Ling Xiaoxiao has matured a lot compared to a few years ago. Compared with Yue Feng's secret book, she is more inclined to the dragon spirit beast. You must know that the dragon is the spirit of all things, and the strongest divine beast in Kyushu. With the dragon spirit A beast can stand on the top of Kyushu.

At this moment, the atmosphere of the secret room suddenly became solemn.

A few seconds later, Yue Feng smiled slightly, and pretended to be relaxed and said: "Ling Xiaoxiao, you are really joking, the dragon spirit beast has disappeared in the Kyushu continent for thousands of years, how can I be, how can I have it?"

"

As soon as the words fell, Ling Xiaoxiao's face turned cold, and her delicate body came up gracefully. She raised her hand and slapped Yue Feng again. After the slap, she sat back on the soft couch, and the speed was unbelievable.

Nima...

Yue Feng only felt that his face was hot, and he suddenly felt a little hot, but his hands and feet were tied tightly, and he couldn't break free.

Holding back his anger, Yue Feng showed a smile: "Ling Xiaoxiao, you don't have any conclusive evidence, you just said that I have a dragon spirit beast, and you want me to hand it over. Is it difficult for a strong man?"

Anyway, the young dragon is in the spirit beast bag, while the spirit The beast sac needs its own formula to open it, and it is not afraid of Ling Xiaoxiao's search at all.

Yue Feng thought about it, as long as he didn't admit it, Ling Xiaoxiao couldn't do anything about him.

Ling Xiaoxiao lost her patience in an instant and sneered: "Yue Feng, don't pretend to be confused with me, a few days ago, the major sects in Kyushu were arrested and were about to be taken into the ghost world. When the spirit beasts came out, although those sects concealed the news, they couldn't conceal the news from me!"

"I have given you a chance, since you are not sure, don't blame me!" The

last sentence fell, Ling Xiaoxiao stood up slowly Get up, take out a bag from your body!

What the hell!

Seeing the package, Yue Feng's body was shocked, he was angry, and a little panicked.

I saw that it was a pack of golden scales, each of which was more than ten centimeters long and covered with barbs.

The scale thorn is a unique hidden weapon in the rivers and lakes. It is made of a rare fish scale.

The next second, Yue Feng reacted and said coldly: "Ling Xiaoxiao, don't go too far."

"Excessive?"

Ling Xiaoxiao walked slowly to the front, her delicate face full of contempt: "Yue Feng, You are no longer a hero who is admired in the arena. Everyone gets it and kills you. I gave you a chance to live, but you say I'm too much? Don't you think it's ridiculous?" The

voice fell, Ling Xiaoxiao pinched a scale Thorn, shot into the electricity, and directly pierced into the acupoint on Yue Feng's shoulder.

hiss!

In an instant, Yue Feng only felt a piercing pain coming, and his whole body trembled, but he still gritted his teeth and did not shout.

At the same time, he was terrified.

Nima, this Ling Xiaoxiao is too cruel. The last time she was caught by him, she was tortured to death, and she was only twelve or thirteen years old at the time. Now that she has grown up, she is even more charming. It's full of variety.

“Ling Xiaoxiao, I really don’t have a dragon spirit beast, you must have gotten fake news.” Yue Feng said through gritted teeth.

“Ha ha!”

Chapter 2899

Ling Xiaoxiao obviously didn’t believe it, so she couldn’t help laughing lightly, looking at Yue Feng with interest: “Yue Feng, you are still stubborn when you are about to die, you can bear it, right? I see how long you can bear it! “

After saying this, Ling Xiaoxiao pinched the scaly thorns again and stuck them on other acupoints of Yue Feng.

Puff puff...

In less than half a minute, Ling Xiaoxiao stabbed all the remaining scales on the acupoints on Yue Feng’s body. At first Yue Feng was able to grit his teeth and endure it, but in the end he couldn’t bear it anymore. Stopped, and shouted loudly.

At this time, Yue Feng wanted to scold him badly, but he was injured before and his inner strength had not recovered, and now he was tortured by Ling Xiaoxiao with scales, so he couldn’t scold him at all.

Even though Ling Xiaoxiao is a woman, she is cruel, and the most painful acupoints of Yue Feng are all stabbed.

Mad! This femme fatale!

At this moment, Yue Feng was dripping with cold sweat, and every inch of muscle was twitching.

After stabbing the last scale thorn, Ling Xiaoxiao abused Yue Feng: “Yue Feng, I’m giving you one last chance, whether you can pay...” Before she

finished speaking, Ling Xiaoxiao suddenly raised her eyebrows. After a sigh, his face showed a bit of pain, and then he sat back on the soft couch and began to meditate and perform exercises. At the same time, his delicate body trembled slightly.

Um? what’s going on?

Seeing this scene, Yue Feng frowned secretly, while watching Ling Xiaoxiao closely.

Haha...

The next second, Yue Feng saw the clue, and a sneer appeared on the corner of his mouth. This Ling Xiaoxiao must have done things without breaking his hand and got his retribution.

At this time, Yue Feng clearly felt that although Ling Xiaoxiao was strong, the inner strength of his dantian was very unstable at this time, and there were some signs of going crazy.

Yes, as the head of Tianyi Sect, Ling Xiaoxiao has been plagued by a problem all these years.

When Ling Xiaoxiao was nine years old, he was not yet the head of the family. When he went out to practice, he met a very powerful old man. As soon as the old man met her, he accepted her as his apprentice.

Later, the old man was attacked to death. Before he died, the old man gave Ling Xiaoxiao all the elixir that he had accumulated in his life! Among these elixir, there is a ten thousand-year-old Bauhinia flower, which is an extremely rare elixir, rare in the world.

At that time, Ling Xiaoxiao took Wannian Bauhinia, and his strength improved by leaps and bounds. After that, he defeated the major masters of Tianyi Sect, and then took the position of head.

However, after Ling Xiaoxiao took Wannian Bauhinia, because it was too small at the time, she never fully integrated the power contained in Wannian Bauhinia, and that power was lurking in the depths of her dantian. Once it happened, Ling Xiaoxiao was in pain every time.

At this time, the hidden power began to erupt in Ling Xiaoxiao's body again.

"Yue Feng!"

At this moment, Ling Xiaoxiao suppressed the disturbance of her dantian's inner strength and shouted at Yue Fengjiao: "You can still laugh when you are about to die. Let's see how I torture you later."

Ling Xiaoxiao has a arrogant personality. Feng was tortured so badly by himself, and he dared to laugh at himself at this time, and he couldn't help it.

call!

Yue Feng took a deep breath and smiled: "Ling Xiaoxiao, you are being unreasonable. You arrested me, but you still won't allow me to laugh?"

After saying that, Yue Feng looked at Ling Xiaoxiao up and down, and continued: "If I You guessed right, you should have eaten the Wannian Bauhinia flower, and it was not completely integrated at that time, so you left troubles, right?"

Yue Feng has Wuji Danshu, and he has studied medical theory with Shennong before, and you can see it at once. .

What?

Hearing this, Ling Xiaoxiao was shocked and looked at Yue Feng in astonishment: "How...how do you know?"

Yue Feng said with a smile: "Wannian Bauhinia contains the power of the extreme sun. A little carelessness will make people fall into the predicament of going crazy. Your current situation is like this. Of course I can see it. Moreover, I have a medicine pill called 'Qingshendan', which can treat your current situation. As long as you let me go, I'll give it to you, how?"

Chapter 2900

Huh?

At this moment, Ling Xiaoxiao's pretty face was startled, and she looked up and down at Yue Feng: "Do you have a purifying pill?"

Over the years, in order to eliminate hidden dangers, Ling Xiaoxiao has searched for elixir everywhere in the rivers and lakes, but finally found nothing. Two years ago, Ling Xiaoxiao Xiaoxiao got an ancient book, which recorded a kind of elixir called Qingshen Dan. However, the elixir formula for refining this elixir has long been lost.

At this time, Ling Xiaoxiao was shocked when she heard Yue Feng mention Qingshendan.

However, Ling Xiaoxiao was quick-witted and guessed that Yue Feng was deliberately deceiving himself in order to get away.

"Of course!"

Seeing the change in Ling Xiaoxiao's expression, Yue Feng's face was indifferent: "I do have one on my body, if you don't believe it, then forget it."

Saying this, Yue Feng always pays attention to Ling Xiaoxiao. complexion.

call!

At this moment, Ling Xiaoxiao pondered for a while, then slowly walked over to untie Yue Feng.

Ling Xiaoxiao is not afraid of Yue Feng's tricks. You must know that he was stabbed with scales on more than a dozen acupuncture points on his body. Now he has almost half his life left, and even if he plays tricks, he will not be able to escape.

"Where's the Qingshen Pill?" After untying the rope, Ling Xiaoxiao stretched out her jade hand and said coldly at Yue Feng, "Take it out!"

Huh!

Yue Feng took a deep breath and smiled bitterly: "If you don't take off the scales, how can I get them for you?"

"This woman is too cruel. He even used scales to prick his acupuncture points. Now that the meridians are injured, I am afraid that it will take several days to recover.

Ling Xiaoxiao frowned, and then took off all the scales on Yue Feng's body.

At this moment, Yue Feng moved his muscles and bones, and then took out a Qingshen pill from the spiritual beast cyst on his body. He saw that the Qingshen pill was light blue, lying quietly in Yue Feng's hands, exuding a bright light. Luster and fragrance.

He...he really has a pure magic pill.

Seeing the Qingshen Dan, Ling Xiaoxiao's delicate body trembled, surprised and delighted, and then urged: "Quick... give it to me!"

At the same time as she spoke, Ling Xiaoxiao looked at Yue Feng's eyes with a bit of a trace. You must know that the Qingshen Pill has been lost for a long time. In the past few years, Ling Xiaoxiao sent his disciples to search all over the Kyushu continent, but they have not found anyone who can refine the Qingshen Pill. There is.

At this time, Ling Xiaoxiao still didn't know that Yue Feng's alchemy skills had reached a very deep level. Looking at the Kyushu continent, no one could make out.

"Okay!"

Seeing the urgency in Ling Xiaoxiao's eyes, Yue Feng pretended to hand it to her, but at this moment, when he secretly stimulated his inner strength, he saw a white flame jumping out, directly covering the Qingshen Pill, blinking his eyes. It turned into ashes.

At this time, Yue Feng, although extremely weak, summoned the cold white lotus fire and burned the Qingshen Dan is not a problem.

The next second, Yue Feng made a very innocent look: “Oh, you stabbed me with scales just now, which messed up my dantian’s inner strength. Why did you accidentally summon Bailian Lenghuo?”

said Then, Yue Feng looked at Ling Xiaoxiao with a half-smile, showing a bit of mockery.

Mad, this woman tortured herself to death just now, how could she easily give her the Qingshen Pill? !

“You...”

At this moment, Ling Xiaoxiao’s delicate body was shocked, her eyes stared at Yue Feng tightly, her whole person was stunned, and then, her eyes flashed with a cold light, and a powerful killing force filled her body. The meaning came out: “Yue Feng, you are courting death!”

At this time, Ling Xiaoxiao was extremely angry. I can’t wait to kill Yue Feng immediately!

Such a rare Qingshen Dan was destroyed by him like this. What’s even more irritating is that he obviously did it on purpose, but he still made a very innocent appearance.

hum!

In the next second, Ling Xiaoxiao didn’t hesitate at all. In anger, she pushed her inner strength to raise her jade hand and hit Yue Feng.

Seeing Ling Xiaoxiao slap in the face, Yue Feng did not panic at all, but said with a smile: “Ling Xiaoxiao, if I die, you will never get the Qingshen Pill.”
