

The ultimate husband in Chinese chapter 2901-2910

Chapter 2901

“Without the Qingshen Pill, you will never be able to get rid of the hidden danger of going crazy!”

When he said this, Yue Feng looked serious, but his eyes flashed with a sneer. Mad, you tortured me for so long just now, and you still want to get the Qingshen Dan, and you are dreaming.

Phew...

Hearing this, Ling Xiaoxiao's delicate body froze suddenly and stopped immediately!

In the next second, Ling Xiaoxiao bit her lip and looked at Yue Feng coldly: “Yue Feng, do you still have Qingshen Pill on you? Hurry up and take it out. If you play with me again, I will cramp and peel you off!”

“No That's it!” Yue Feng smiled indifferently: “There's only one on him!”

Shuh!

Ling Xiaoxiao was so angry that her eyes were almost spitting fire, and then she heard Yue Feng continue indifferently: “I don't have it on my body, but I can refine it!”

What?

At this moment, Ling Xiaoxiao was stunned again, staring at Yue Feng blankly, thinking that she had heard it wrong.

Can he refine the Qingshen Pill?

You must know that the refining method of Qingshen Pill has long been lost, and most of the ancient books contain scattered records, but this Yue Feng even boasted that he could refine it.

Does he really understand refining, or is he deliberately teasing himself?

Seeing Ling Xiaoxiao's complexion changing, unable to speak for a long time, Yue Feng showed a smile, and his heart was indescribably comfortable, and there was a sense of revenge.

“Go find me a porcelain jar!” At this time, Yue Feng was too lazy to talk nonsense, and ordered Ling Xiaoxiao.

This chapter is provided by . Visit for daily update.

“What did you say?” Ling Xiaoxiao reacted, staring at Yue Feng coldly.

The head of the dignified Tianyi Sect was actually called by Yue Feng as a servant?

“If you still want Qingshen Pill, just do as I say!” Yue Feng stood up, stretched his waist, and said lightly.

You...

Ling Xiaoxiao stomped her feet angrily, seeing Yue Feng’s serious face, he suppressed his anger and went out to find a porcelain jar.

I go!

At this moment, Yue Feng took the porcelain jar and glanced at it casually. He was secretly shocked, and saw that the jar was beautiful in shape, and the glaze lines on it were also very gorgeous. At first glance, it was a valuable antique.

As expected of the head of Tianyi Sect, there are still many treasures around him.

In his heart, Yue Feng took out the materials he carried with him. These materials were collected by Yue Feng before, and each of them was a rare spirit grass in the world.

Soon, everything was ready, but Yue Feng did not start the refining, but sat there and looked at Ling Xiaoxiao with a smile.

Ling Xiaoxiao frowned: “Why are you looking at me? Why don’t you hurry up to make alchemy?”

“Aiya!”

Yue Feng sat there, moving his shoulders, looking very painful: “I also want to make alchemy immediately, but just now My acupuncture points have been stabbed with scales, blood is not smooth, and my whole body is in severe pain. I am afraid that it is difficult to refine this state.”

“If someone gives me a massage, beats my shoulders, and presses my legs, Maybe better!”

What?

Hearing his words, Ling Xiaoxiao’s delicate body was shocked, and her beautiful face was also half ashamed and angry: “Yue Feng, you are bold!”

This Yue Feng, really a bastard, actually wanted himself to beat his back and rub his shoulders. ? How can he be the dignified master of his own family and serve him with dignity?

But... if you don't help him beat his back and rub his shoulders, he won't be able to refine the Pure Spirit Pill...

Chapter 2902

Seeing that Ling Xiaoxiao was so angry, but he didn't dare to do anything to himself, Yue Feng secretly laughed and said slowly: "If you don't want to, then forget it, but I have to rest."

"How long do you want to rest?" Ling Xiaoxiao asked angrily.

Yue Feng thought about it pretendingly: "It will take a few hours, you know that the scales are so powerful that they almost hurt my meridian."

"This..."

Hearing this, Ling Xiaoxiao couldn't be in a hurry .

It can only be refined after a few hours. During this period of time, wouldn't I be at the risk of going crazy?

"Okay, I'll help you!" After weighing, Ling Xiaoxiao bit her lip tightly, then walked slowly behind Yue Feng, a pair of jade hands placed on his shoulders, and kneaded gently.

To be honest, Ling Xiaoxiao didn't want to compromise like this, but there was no way.

Over the years, every time that power in the body erupted, it was like a gamble on his life. Although he could successfully suppress it every time, the pain in it was really unbearable.

"Yue Feng, how about this?" Ling Xiaoxiao couldn't help but ask while pressing.

Although Ling Xiaoxiao hated Yue Feng to death, in order for him to successfully refine the Qingshen Pill, he still let go of his restraint and dignity.

"Well, the strength is okay, just right." Yue Feng nodded with a smile.

While speaking, Yue Feng felt the gentle strength of her jade hand, and she felt that her whole body was comfortable, and she squinted her eyes in enjoyment.

Haha...

Ling Xiaoxiao, aren't you amazing? Don't you want to compromise with me in the end? !

After pressing Yue Feng's shoulder for a while, Ling Xiaoxiao couldn't help but said:
"Yue Feng, now you can refine the Qingshen Pill!"

Yue Feng did not answer directly, but stretched his waist lazily and said lightly: " I can't, my legs seem to be a little numb."

"You..."

Ling Xiaoxiao was angry, she could see that Yue Feng was deliberately teasing herself, but she still suppressed her anger and said softly, "Okay. , I'll beat you!" The

voice fell, Ling Xiaoxiao came over, squatted in front of Yue Feng, and began to beat Yue Feng's legs.

hiss.

Yue Feng only felt comfortable all over, and at the same time, from his point of view, he could see Ling Xiaoxiao's perfect curve.

Ling Xiaoxiao didn't notice Yue Feng's gaze, she was shy and angry, and said angrily:
"Yue Feng, can you make alchemy now?"

"Well, it's time to start!" Being ruthless and pushing too hard is not good for you.

The voice fell, and Yue Feng began to set fire to alchemy. Very relaxed and casual, but also methodical!

This...

Seeing this scene, Ling Xiaoxiao's delicate body was shocked, and her eyes were full of shock.

This....this is the beginning?

Ling Xiaoxiao originally thought that Yue Feng wanted the porcelain jar to contain the refining materials, but he never thought that it would be regarded as an alchemy furnace by him.

In Ling Xiaoxiao's perception, alchemy is sacred, and an alchemy furnace is necessary, but Yue Feng, who is in front of him, is so casual, it's like a child playing a house.

This is alchemy, it's just nonsense!

For a time, Ling Xiaoxiao wanted to scold him, but seeing that Yue Feng was so skillful and serious in every step, he held back.

“Ling Xiaoxiao!”

Just when Ling Xiaoxiao was thinking about this, Yue Feng turned his head to look at her and said with a smile: “Oh, my shoulder is starting to hurt again, press me again...”

Shuh!

Hearing this, Ling Xiaoxiao’s beautiful face suddenly turned red, and at the same time, she was also a little angry.

Chapter 2903

This bastard wants to take advantage of himself. But thinking of Qingshenduan, Ling Xiaoxiao held back, walked over slowly, stood on Yue Feng’s side, and continued to press his shoulders.

Yue Feng, you wait for me.

While pressing her shoulders, Ling Xiaoxiao secretly swore in her heart that after she had thought about it, she would immediately kill Yue Feng when she got the Qingshen Pill.

He has grown up so big, is pure and pure, and he has not even held a man’s hand, but he is forced to press the button to beat his back.

Yue Feng didn’t notice the change in Ling Xiaoxiao’s expression, and while enjoying Ling Xiaoxiao’s shoulder pressing on him, he carefully refined the medicine pill.

Bang!

Ten minutes later, I saw a smell of medicinal herbs coming from the porcelain jar, and then the porcelain jar exploded, and a fragrant Qingshen Dan jumped out of the porcelain jar and landed steadily on Yue Feng. hands.

Looking at the Qingshen Dan in his hand, Ling Xiaoxiao’s delicate body was shocked, and her face was full of excitement and excitement.

This Yue Feng, refining medicinal pills is like a child’s play, but in the end, the Qingshen Dan has actually been refined, which is really incredible.

“How? I didn’t lie to you!” At this moment, Yue Feng looked at her with a smile, and then handed the Qingshen Pill to Ling Xiaoxiao.

After taking the Qingshen Pill, Ling Xiaoxiao's expression relaxed, she agreed, and then took it without any hesitation.

Gudong!

The moment she swallowed it, Ling Xiaoxiao was pleasantly surprised to find that the power hidden in the depths of her dantian calmed down, and the pain disappeared at any time.

Great, this Qingshen Dan is really useful!

However, Ling Xiaoxiao also discovered that the power hidden in the depths of his dantian had not completely disappeared. Obviously, just eating one had not completely solved the problem.

Realizing this, Ling Xiaoxiao bit her lip and said to Yue Feng, "Yue Feng, please help me train dozens more!"

Dozens?

Hearing this, Yue Feng couldn't help laughing and said, "Ling Xiaoxiao, do you think you go to the vegetable market to buy vegetables? How many do you want? I only have enough materials to make this one.

"After that, Yue Feng took a deep breath and continued: "Also, even if I make more refining for you now, you won't be able to recover immediately!"

Ling Xiaoxiao was stunned for a while, and asked, "Why?"

Huh !

Yue Feng breathed a sigh of relief, smiled and said, "You must know that you have been taking the Wannian Bauhinia Flower for too long, and that power has completely penetrated into your Dantian meridians, and it is impossible to recover all at once. , and, although the effect of Qingshendans is good, you can't eat too much."

"The best way is to take it every two days for three months in a row, so that it can be completely eradicated, so even if I practice it for you now I made 100 pieces, but it's useless if you eat them."

What? Need to take one every two days?

At this moment, Ling Xiaoxiao bit her lip tightly, her whole body froze.

If you want to recover, you have to keep Yue Feng by your side for three months. With his personality, you can't let yourself beat his back and rub his shoulders every day?

Ling Xiaoxiao became more and more irritable the more she thought about it, she couldn't be anxious.

"Yue Feng!"

Finally, after more than ten seconds, Ling Xiaoxiao bit her lip and looked at Yue Feng and said, "You... can you teach me to make Qingxin Pill?"

When he said this, Ling Xiaoxiao was completely gone. The arrogance before, the tone was a little pleading.

Yes, Ling Xiaoxiao thought about it, there was no other way but to ask Yue Feng to teach her to refine the Qingshen Pill.

"What did you say?"

Yue Feng was stunned for a moment, then said with a smile: "I heard it right, Ling Xiaoxiao, you wanted to kill me before, and now let me teach you alchemy, do you think it's possible?"

"Also, as we agreed before, I will give you Qingshen Pill. If you want to let me go, I have already refined it for you, so you can't keep your word."

"I..."

Ling Xiaoxiao's beautiful face suddenly became extremely embarrassing, and she was completely anxious: "Yue Feng... I was wrong, I shouldn't have treated you like that just now, I shouldn't have used scales to pierce your acupuncture points, I was wrong..."

Chapter 2904

"It's just an apology!" Yue Feng sat there lazily with a smile: "It's not sincere!"

Ling Xiaoxiao bit her lip, lowered her head and said softly: "Then...then you also use The scales pierce my acupuncture point, okay?"

At this time, Ling Xiaoxiao never imagined that he would humiliate in front of Yue Feng, but in order to completely expel the power in his body, there is no other way.

"Prick you with scales?"

Yue Feng's mouth twitched, and he smiled lightly: "I'm not that cruel."

When he said this, Yue Feng's face was indifferent, but his heart was secretly anxious. Mad, this is Ling Xiaoxiao's territory. If she doesn't teach her, I'm afraid she won't be able to leave.

Thinking to himself, Yue Feng looked at Ling Xiaoxiao: "It's not impossible for me to teach you the technique of alchemy, but you have to be a teacher!"

Yes, Yue Feng was deliberately causing problems for Ling Xiaoxiao, it was not true To accept her as a disciple, after all, this woman has a strong personality and is cruel.

What? Apprenticeship?

Hearing this, Ling Xiaoxiao trembled, and instinctively resisted: "This..."

"If you don't want to, forget it." Looking at her expression, Yue Feng looked indifferent, stood up and said: "Then I Just say goodbye, you promised to let me go before, as the head of Tianyi Sect, you have to do what you say!" The

voice fell, and Yue Feng was about to leave the secret room!

"Don't!" Before taking two steps, Ling Xiaoxiao suddenly became anxious, ran over and hugged Yue Feng's arm.

Immediately afterwards, Ling Xiaoxiao bit her lip, as if she had made a big decision in her heart, and fell to her knees.

"Master, my disciples meet Master." Ling Xiaoxiao knelt on the ground and bowed slightly, her face full of sincerity.

With Yue Feng as his teacher, Ling Xiaoxiao felt 10,000 reluctance in her heart, but she had no choice. In order to completely solve the hidden danger of Dantian, she could only admit it.

Moreover, Ling Xiaoxiao could also see that, although Yue Feng had a hilarious face, he also had real skills. While chatting and laughing just now, he refined a purifying elixir. I wonder who in the world can do it?

I went and agreed.

At this moment, Yue Feng was stunned.

I thought that if I gave her a problem, Ling Xiaoxiao would stop pestering her and let herself go, but she never thought that she would actually be a teacher.

While shocked, Yue Feng couldn't help but admire Ling Xiaoxiao up close.

I have to say, Ling Xiaoxiao's figure is perfect, from any angle, she is so sexy. He was still the head of the Tianyi Sect, and it seemed good to have such an apprentice.

With emotion in his heart, Yue Feng smiled bitterly and said, "Okay, since you have decided to apprentice, then I will teach you to refine Qingxin Pill, but you have to remember that when you are my apprentice, you must have justice in your heart and don't do anything wrong in the arena!"

Ling Xiaoxiao nodded and said respectfully, "Master, don't worry, the disciples must follow the teachings!"

.....

At this moment, the other side.

Outside the gate of the clubhouse, Huanxiang stood guard for several hours, but Yue Feng never came out, and suddenly there was some fire.

At the same time, the story of a beautiful woman guarding the door of the clubhouse quickly spread in Xihua City, and many people went to watch, three floors inside and three floors outside, it was very lively, and many people pointed at Huanxiang. , has been discussed.

"It's so beautiful!"

"Is he here to block my husband?"

"Oh, with such a beautiful wife, who would go to the clubhouse..."

The discussion kept coming, and the phantom aroma was not good. It was Yue Feng, the villain, who caused himself to be said irresponsibly.

Thinking to myself, Huanxiang was completely impatient, and shouted at the clubhouse: "Villain, if you are still a man, get out of here, don't hide in it like a turtle."

At this time, Huanxiang , I don't know yet, Yue Feng was plotted by Ye Hongshang and had already been taken away.

He shouted several times in a row, but no one in the club responded.

At this moment, Huanxiang was completely angry, and with a lift of her jade hand, she smashed the door with a palm and broke in directly.

Whoa!

Seeing this scene, the onlookers were all taken aback, and they all fled to avoid it. At the same time, the guests in the clubhouse were also panicked.

Half an hour later, Huanxiang searched the entire clubhouse and didn't see the shadow of Yue Feng, only to realize that Yue Feng was no longer here.

Chapter 2905 The

villain, even if you run to the ends of the earth, I will catch you with my own hands!

Seeing more and more people watching around, Huanxiang stopped staying too much, took a deep breath, and flew directly towards the suburbs.

Um?

As soon as I arrived on the hillside in the suburbs, I saw footsteps in the woods not far away.

Immediately afterwards, I saw two figures walking slowly over.

One man and one woman!

The man was wearing a black robe, his face was pale, and he couldn't see the slightest bit of anger, and there was a sinister aura all over his body.

The woman was wearing a long purple dress, which was indescribably beautiful, and her body was filled with the breath of a fairy.

One is filled with immortal energy, and the other is cold like hell, but walking together, this scene looks very strange.

Yes, this couple is Wen Chou Chou and Zi Yan!

Um? Zi Yan?

Seeing this scene, Huanxiang was also very surprised, but in the next second, when she saw the woman's face, she was instantly overjoyed, and hurried up to meet her!

"Zi Yan!" Huanxiang was overjoyed.

"

Huanxiang!" Zi Yan was so excited that she cheered, hurried up to meet Huanxiang, and held Huanxiang's hand tightly: "Huanxiang, great, I finally found you!"

A few days ago, Zi Yan After the two separated from Yue Feng, they have been looking for Huanxiang and other saintesses. After passing through Xihua City just now, Zi Yan decided to find someone to inquire about the news, but unexpectedly encountered Huanxiang.

Seeing this scene, Wen Chou Chou next to him was also secretly relieved.

Great.

After finding the Fantasy Saint, you can get rid of the soul contract with Hades. Because Zi Yan said that among the Nine Heavens Saintess, only this Huanxiang Saintess can help her.

“Huanxiang!”

At this moment, Zi Yan thought of something, and asked Huanxiang with a smile: “I have been looking for you all this time, by the way, have you met other sisters?”

“I... “

Hearing this, Huanxiang’s beautiful face showed a sadness: “I met Lan Xin, but she...” Thinking of Lan Xin’s tragic death, Huanxiang had a heart, Trembling.

Realizing that Huanxiang’s face was wrong, Lan Xin hurriedly said, “Have you met Lan Xin? What happened to her?”

Wow!

At this moment, Huanxiang couldn’t bear it any longer. She threw herself into Zi Yan’s arms and burst into tears: “Lan Xin...she was killed...” Saying that, Huanxiang put the previous What I saw in Hantan, I explained it in detail.

At the end, Huanxiang burst into tears, and her eyes were full of grief and anger: “I chased the villain and came to this city, but in the end I let him run away!”

What?

Hearing this, Zi Yan’s delicate body trembled and she was deeply saddened.

Lan Xin is dead, this... this is impossible. As the Nine Heavens Saintess, her strength is tyrannical, who can kill her?

However, it is impossible for Huanxiang to joke about such a thing.

At the same time, Wen Chou Chou next to him was also shocked.

I’m going, the Nine Heavens Saintess actually died, who is so capable, dare to take action against the Nine Heavens Saintess?

“Phantom Fragrance!”

Finally, Zi Yan reacted, endured her grief, and asked, "Who is that villain?" As she spoke, her eyes were filled with strong killing intent.

Among the Nine Heavens Saintess, there are sisters in love, whoever kills Lan Xin is an enemy of the Nine Heavens Saintess.

Huanxiang gritted her teeth and said word by word: "That villain is the Tianmen Sect Master, Yue Feng!"

What?

Hearing this, both Zi Yan and Wen Chou Chou were shocked.

The ultimate husband in Chinese chapter 2906-2910

Chapter 2906

"Huanxiang!"

After being stunned for a few minutes, Zi Yan reacted and couldn't help but

said to Huanxiang, "Are you sure it was Lan Xin who was killed by Yue Feng?" of disbelief.

Speaking of which, although Yue Feng is a bit unserious, he is free and just, and he and Lan Xin have no grievances or enmity, why did he harm her?

The voice fell, and Wen Chou Chou next to him nodded and said, "Yes, Feng Zi is not that kind of person, there must be a misunderstanding!"

"Everything I said is true!" Huan Xiang bit her lip and said bitterly: "Besides, Lan Xin told me personally before she died that she was tainted by Yue Feng and committed suicide."

"It's about her own innocence, how could Lan Xin lie to me?"

This...

Hearing this, Wen Chou Ugly just felt his brain buzzing.

Fengzi defiled Saint Lady Lanxin? This is even more impossible. With so many confidantes around Feng Zi, it is impossible to do such a thing.

Thinking to himself, Wen Chou Chou looked firm: "Impossible, the murderer is definitely not Yue Feng!"

Huh?

Wen Chou Chou kept interrupting, making Huan Xiang very unhappy.

This person, full of yin and evil spirit, obviously came from the ghost world, but he was with Zi Yan.

Thinking about it in her heart, Huanxiang pointed at Zi Yan: "Zi Yan, who is he?"

This chapter is provided by . Visit for daily update.

"He..." Zi Yan bit her lip tightly and looked at Wen Chou Chou coldly: "He is Yue Feng's sworn brother, Forced to sign a soul contract with Hades..."

At this time, Zi Yan was also very angry.

Speaking of which, Zi Yan didn't believe that Lan Xin was killed by Yue Feng, but Huan Xiang's evidence was conclusive, and it was obviously not wrong.

What makes Zi Yan even more angry is that she trusts Yue Feng so much, and promises him to bring Wen Chou Chou and ask Huan Xiang to help resolve the soul contract, but he kills his sister.

"Yue Feng's sworn brother?"

Hearing this, Huan Xiang's delicate body was shocked, and then her eyes locked on Wen Chou Chou coldly, flashing with murderous intent.

Papa...

The next second, Huanxiangyu raised her hand and directly sealed the acupuncture point on Wen Chou Chou's body. In an instant, Wen Chou Chou's body trembled, and he couldn't move at all.

Speaking of which, Wen Chou Chou, as the messenger of Hades, is no longer a normal person. Ordinary practitioners can't control him at all, but Huan Xiang uses the unique acupuncture technique of the Nine Heavens Holy Maiden, which is extremely mysterious, and Wen Chou Chou is fundamental. Can't break free.

"It's true that the sky has eyes. The villain Yue Feng ran away, but his sworn brother was automatically sent to the door!" Huanxiang could

n't hide her resentment, staring at Wen Chou Chou, saying word by word: "Since You are Yue Feng's sworn eldest brother, you must know his many hiding places, take us to find him!" The voice fell, Zi

Yan followed coldly: "Wen Chou Chou, take us to Yue Feng immediately!"

In Yan's heart, the original impression of Yue Feng was not bad, but at this moment, the good feelings were completely gone, replaced by deep hatred.

call!

Wen Chou Chou took a deep breath and said with determination: "Two saints, this matter is very strange, I believe Feng Zi is innocent. He can't do such a thing."

"You're still making excuses for him?" Huanxiang took a step forward, her beautiful face was full of anger: "What do you mean, I'm lying? I'm joking about my sister's innocence? I tell you, Yue That beast Feng tarnished Lan Xin and caused her to commit suicide, this is a fact, you can't deny it?!"

"Feng Zi is not that kind of person!" Wen Chou Chou clenched his teeth tightly, taking a firm stand!

Snapped!

At this moment, Huan Xiang couldn't bear it anymore, raised her jade hand and gave Wen Chou Chou a slap in the face.

Immediately afterwards, Huan Xiang said to Zi Yan: "Since he wants to protect Yue Feng, don't talk nonsense, just kill him and let his soul fly away!"

When she said this, Huan Xiang's eyes were full of resentment.

Chapter 2907

Yue Feng killed his sister, it is not a pity to die 10,000 times, and his sworn elder brother is still the messenger of Hades, and he is even less worthy of sympathy.

Zi Yan's pretty face was frosty, she nodded, and then she drew out her long sword, and was about to attack Wen Chou Chou.

"You guys..."

Seeing this scene, Wen Chou Chou was shocked and angry, but also anxious.

Nima, this innocent disaster is really unfair, if it just disappears like this, I'm really unwilling.

I thought to myself that Wen Chou Chou was about to struggle, but the acupoint was blocked by Huan Xiang, and he couldn't move at all.

Buzz...

However, at this time, I only heard a gloomy wind blowing in the woods not far away, and then, a black shadow rushed towards this side quickly.

Aware of the abnormality, Huanxiang stopped and looked with Ziyan, and her body was shocked.

I saw the black shadows, each of which was filled with yin, and their faces were pale. They gathered together, giving people a shuddering feeling.

The two leaders, dressed in exactly the same clothes as Wen Chou Chou, were the messengers of Hades, Zhong Wuchen and Gong Hao.

This... Pluto's subordinates? !

Seeing the scene in front of them, Huanxiang and Ziyan both frowned secretly. Although they are the Nine Heavens Saintess, they are not afraid of the subordinates of Hades, but after they have landed in Kyushu, their strength has been limited.

Swish!

At this moment, Zhong Wuchen and Gong Hao were all stunned when they saw Huan Xiang.

Saintess of the Nine Heavens? And still two.

Previously, Hades specially ordered to let the various messengers to check the whereabouts of Jiutian Xuannv, but there was no progress at all, but I didn't expect that they would encounter two here at once.

"Haha..."

Finally, Gong Hao reacted and laughed at Wen Chou Chou: "Today is really good luck, not only did I find the traitor Wen Chou Chou, but also met two Nine Heavens Saintess."

"Zhong Wuchen, It 's time for us to make a great contribution!"

When he said this, Gong Hao's face was full of excitement, this time he came out with so many underworld soldiers, originally to chase Wen Chou Chou, but unexpectedly met two Nine Heavens Saintess. Unexpected joy.

When the words fell, Zhong Wuchen also showed a faint smile, and shouted: "Quick, take down all three in front of you!"

Swish swish...

At this moment, the soldiers below moved their figures one after another. Yin winds swept up and quickly surrounded Huanxiang and Ziyan!

“A bunch of scumbags...”

Seeing the crowd of Yin soldiers approaching, Huanxiang's beautiful face had no expression at all, and said contemptuously: “Just rely on you little soldiers and pawns, dare to do something to us Jiutian Xuannv?”

” Falling down, Huanxiang raised her jade hand and pulled out her long sword.

hum!

At the same time, Zi Yan, who was next to her, immediately activated her profound art, and a terrifying aura erupted. In an instant, the surrounding air seemed to be stagnant.

The two Nine Heavens Profound Nudes erupted at the same time, with a terrifying aura, the people who were suppressed panic!

call!

Seeing this scene, Wen Chou Chou couldn't help taking a deep breath, and his heart was extremely complicated.

It's broken, I haven't made it clear to the two saints, the subordinates of Hades are here again, and when the battle is over, no matter which side wins, it's not good for me.

Feeling the powerful aura, Gong Hao had a solemn expression on his face, and then shouted: “Everyone, be careful, the other party is the Holy Maiden of the Nine Heavens, don't touch it hard, and form a formation!” The

voice fell, and Zhong Wuchen also shouted: ” Six Paths to Destroy Souls!”

In an instant, under the command of the two messengers, he saw the surrounding underworld soldiers moving one after another, the gloomy wind raged, making people dazzled, and then surrounded Huanxiang and Ziyan in the middle.

Chapter 2908

Six Paths Soul Destruction Array? At this moment, both Huanxiang and Ziyan trembled, and they no longer underestimate the enemy.

As the Nine Heavens Saintess, Huanxiang and Ziyan both know that Hades, as the ruler of the ghost world, has many powerful means, and this six-path soul-destroying array is one of them. Once trapped, not only will its strength be affected, but it will also
There is a danger of annihilation.

But after calming down, Huanxiang and Ziyan did not panic, cooperated with each other, and fought fiercely with Gong Hao.

However, after all, Huanxiang and Ziyan are two people with limited strength.

With the help of the Six Paths Soul Destroying True Formation, Gong Hao and his group suppressed Huanxiang two, and in the blink of an eye, half an hour passed. Huanxiang and Ziyan have never been able to break through the formation.

Seeing this scene, the following Wen Chou Chou became anxious.

To be honest, in Wen Chou Chou's heart, he expected Zi Yan to win the fight. After all, in their hands, he still has a chance to survive, but if he is taken away by Gong Hao and the others and sent to the ghost world, he will lose his life. There's really no turning back.

The situation is getting worse and worse, Huanxiang is also a little anxious, and can't help but shout: "Don't think that you can catch our sisters by forming a six-path soul destroying array. Today, I will completely destroy you evil spirits.

" !

When the voice fell, Huanxiang jade raised her hand slowly, and saw a dazzling light burst from her Nascent Soul. At the same time, the surrounding air suddenly condensed, and a violent force surged frantically.

"Vientiane Xianguang!" The

cold words came out of Huanxiang's mouth, and in the next instant, the clouds in the sky changed color, and every cloud was dyed with colorful light.

"She... what is she going to do?"

"What a powerful force!"

Seeing this scene, both Gong Hao and Zhong Wuchen, and the soldiers below were all stunned, and had a bad premonition.

"Huanxiang, don't!"

At the same time, Zi Yan's pretty face changed and she couldn't help exclaiming.

Others can't see it, but Zi Yan is very clear that the Huanxiang at this time is to burn the power of Nascent Soul to forcibly break through the six soul destroying formations. The Nine Heavens Saintess came from the God Realm. Unlike the cultivators in Kyushu, there is no Dantian in her body, but the Nascent Soul. It can be said that the Nascent

Soul is the lifeblood of the Nine Heavens Saintess. Once consumed excessively, her life will be in danger.

However, Huanxiang didn't seem to hear Zi Yan's cry, and her figure rose slowly.

"Boom!" In the

next second, the colorful clouds in the sky quickly gathered together, and then a dazzling beam of light burst out, tearing apart the world, and blasting towards Gong Hao and the others below.

In an instant, the dazzling rays of light directly enveloped the six soul destroying formations, and a thunderous roar sounded, and the entire hillside was filled with dust!

This tactic of radiant light contains all the power of the Nascent Soul of Magic Fragrance, and its power is terrifying. Those underworld soldiers shrouded in the light did not have time to scream and vanish into ashes.

Gong Hao and Zhong Wuchen reacted quickly, and at the moment when the beam of light fell, they quickly dodged outside. Even so, they were both injured.

I go!

Seeing this scene, Wen Chou Chou was stunned, only felt a chill down his spine and a buzzing sound in his head!

This... is this the strength of the Nine Heavens Saintess? too strong.

Phew...

At this moment, Gong Hao stabilized his figure and stared at the Huanxiang floating in the air with a horrified expression, his face extremely ugly.

One move, just one move, broke the Six Paths Soul Destruction Formation, and the nearly 100 Nether soldiers who followed him were scattered.

Zhong Wuchen, who was not far away, was also horrified.

In the end, she still underestimated the enemy. I didn't expect that the Nine Heavens Saintess burned the power of Nascent Soul and could burst out such terrifying power.

"Withdraw..."

At this moment, Zhong Wuchen gritted his teeth and shouted at Gong Hao.

The Six Paths Soul Destruction Array was broken, and all the ghost soldiers were annihilated. How could they be the opponents of the two Nine Heavens Saintess by themselves and Gong Hao alone?

Gong Hao nodded, and then shouted: "Two nine-day saints, this messenger remembers you!" After the

voice fell, Gong Hao raised his hand and waved, and he saw a poisonous mist, which quickly moved towards Huanxiang and Huanxiang. Zi Yan diffused in the past.

Swish!

Chapter 2909

Feeling the poison in the mist, Huanxiang and Ziyan didn't hesitate, and subconsciously retreated.

And taking advantage of this opportunity, Gong Hao shouted at Zhong Wuchen: "Quick, take Wen Chou Chou away!" The

voice fell, and he rushed towards Wen Chou Chou directly.

Gong Hao was very cunning. He knew that if he failed this time, he would definitely be punished by Hades. Since he couldn't catch the two saintess, he would take Wen Chou Chou away, which would be a good way to communicate.

Hearing this, Zhong Wuchen reacted quickly, and Gong Hao left and right, grabbed Wen Chou Chou, and quickly flew into the distance, disappearing into the endless night in the blink of an eye.

Huh?

Seeing this scene, Huan Xiang and Zi Yan were both shocked and angry.

These two messengers from Hades are so cunning. When they escaped, they did not forget to capture Wen Chou Chou.

In a panic, Huanxiang and Ziyan are about to pursue.

However, without chasing far, Huanxiang fell directly from the sky because of the power of burning Nascent Soul, and the whole person was indescribably weak and sluggish. At the moment of landing, his face was extremely pale, and he could hardly say a word.

"Huanxiang..."

Seeing this scene, Zi Yan hurried back and gently supported Huanxiang's arm, her face full of worry: "Huanxiang, how are you? How are you..."

"Why were you so stupid just now? Want to burn the power of Nascent Soul?"

Huanxiang smiled weakly: "If we don't take risks, we will all be trapped in the Six Paths Soul Destruction Formation." After

speaking, Huanxiang looked at Gong Hao's escape direction unwillingly: "It's just that it's a pity that Wen Chou Chou was rescued, and we can't find out Yue Feng's whereabouts."

Phew!

Zi Yan took a deep breath, her beautiful face was full of icy coldness: "Yue Feng, this villain, even if he escapes to the ends of the earth, we have to avenge Lan Xin." With

that, Zi Yan helped Huanxiang and walked down slowly. hillside.

Zi Yan wanted it, and now the most important thing is to find a safe place to restore Huanxiang's cultivation. The power of Nascent Soul was burned just now, and it was too weak.

Um?

When passing a main road, I saw a new post on the road sign on the road sign.

Zi Yan frowned, and helped Huanxiang walk over.

When they got to the front, Zi Yan and Huanxiang were extremely happy when they saw the words written on the notice.

I saw that this announcement was issued by the Southern Cloud Continent. It said that a Nine Heavens Saintess specially asked the Queen of the Southern Clouds for help. To find other Saintess, the Queen of Southern Clouds promised her that she would be in the Nine Provinces Continent. Send out a notice, and if other saintess see the notice, they will go to Nanyun Imperial City to meet.

Great.

After reading the announcement, Zi Yan and Huanxiang held hands tightly, not to mention how happy they were.

With the help of the royal family, he issued a notice in Kyushu, why didn't he think of this method?

"I don't know which sister it is! You actually invited the power of the Nagumo Imperial Family." Huanxiang smiled weakly and said.

Although he lost Wen Chou Chou and was very irritable, he was still very happy when he got the news of other saints.

Zi Yan also smiled lightly and took Huanxiang away: "It's not too late, let's go to the Southern Cloud Continent."

..... the

other side!

After Yue Feng taught Ling Xiaoxiao how to refine the Qingshen Pill, he said goodbye to Ling Xiaoxiao immediately.

After leaving the secret room, Yue Feng immediately rushed towards the border between Diyuan Continent and Apocalypse Continent. The letter left by Yue Wuya said that he, Meihui, Ren Yingying and others would wait for him at the border.

call!

After several hours of flying, Yue Feng finally arrived at his destination, a courtyard nestled in the deep mountains and forests.

As you can see, the environment here is quiet and it is a very good place to hide.

Yes, this is another residence of Mu Xixi. As a piano sage, Mu Xixi likes to travel to the Kyushu Continent the most, so each continent has built a place to hide.

Chapter 2910 After

appreciating the surrounding environment, Yue Feng slowly walked into the yard!

"Yue Feng!"

"Father!"

At this moment, the people who were waiting in the yard quickly gathered around, each and everyone excited.

"Big brother?"

At the same time, Mei Hui was also very excited, and walked up to meet her, her tender body trembling with excitement: "I'm relieved to see that you're all right, I thought you were trapped in the Tianqi Palace... .." The

voice fell, and Mei Hui threw herself into Yue Feng's arms.

Yue Feng smiled and patted Meihui's shoulder to comfort him: "How can an Apocalypse Palace trap me? By the way, how did everyone get rescued?" The

voice fell, and the eyes of everyone around fell on Meihui. body.

Ren Yingying smiled lightly and said, "It's all up to Meihui this time." After speaking, she explained in detail how she was rescued at that time.

I go!

Hearing this, Yue Feng was shocked and looked at Mei Hui in disbelief: "Really?"

At this time, Yue Feng was very surprised. He thought that it was Yue Wuya who rescued everyone this time. After Ya was beheaded by King Guangping, Yue Feng subconsciously thought it had something to do with the Ouyang family, but he never thought that it was Meihui who rescued everyone.

Speaking of which, although Meihui worshipped Fang Qifo as her teacher and became a thousand-faced person, she had limited experience in all corners of the world.

"Big brother!"

Seeing Yue Feng's stunned expression, Meihui showed a smile and said proudly: "Don't underestimate me, I have grown up, not the little girl you protected before."

Hearing this, Yue Feng couldn't help laughing, and he couldn't help but feel relieved.

In the next second, Yue Feng looked around and saw the situation of Ren Yingying and everyone, and his heart was shocked.

"You..." Yue Feng took a deep breath and asked in surprise, "What about your internal strength?"

Yue Feng saw that Ren Yingying and Dasheng Sun, one by one, the inner strength of their dantian disappeared without a trace, without any strength, almost all of them became ordinary people.

How could this be?

Yue Feng only felt his brain buzzing, looked around, and said in surprise: "What happened?"

Alas!

Everyone looked at each other and sighed almost at the same time.

The next second, Ren Yingying came out, with a bit of grief and anger on her beautiful face: "It's not that Zhang Jiao, we all took his San Gong pills, and all the internal strength disappeared."

When he said this, Ren Yingying gritted her teeth secretly, resentful.

If it hadn't been for his internal strength, he wouldn't have been thrown into prison by King Guangping before. At this moment, Sun Dasheng walked out quickly and was very annoyed: "Fengzi

, that Zhang Jiao is very ambitious, and he wants to destroy all of us. If this thief is not eliminated, it will be hard for heaven!"

It's all agreeable.

"Yes, when the Kyushu Continent and the Rakshasa clan stopped fighting, they should have killed Zhang Jiao!"

"This man is too cunning and despicable."

Mad!

Knowing the situation, Yue Feng was extremely angry, clenched his fists tightly, and roared with gnashing teeth: "Zhang Jiao, it's him again!!"

This Zhang Jiao framed himself for blaspheming Chang'e, harming himself and Tianmen, his reputation in Kyushu plummeted, and he even attacked the people of the Ouyang family.

At this time, Yue Feng's heart was completely enveloped by anger.

"Yue Feng!"

At this moment, a slender figure slowly walked out of the room, and the indescribably charming and tranquility was Mu Xixi.

At that time, after Meihui rescued Ren Yingying and others, she immediately reunited with Mu Xixi, and by meeting Yue Wuya again, she came to this retreat together.

Ren Yingying and everyone lost their inner strength. Mu Xixi has been looking for a way. Just now, she was reading ancient books in the room. When she heard Yue Feng coming, she hurried out.
