

## The ultimate husband in Chinese chapter 2966-2970

Chapter 2966 Huh

..

At this moment, standing on the top of the mountain, Wen Chou Min took a deep breath and looked at the vast world in front of him, feeling like a lifetime away.

Although he was imprisoned in purgatory for only half a day, the torture he encountered during that time was not something ordinary people could imagine.

To be honest, Wen Chou Chou originally thought that he would never be able to return to Kyushu again, but he did not expect to escape.

Moreover, it was Duan Yu who helped to leave purgatory.

“Haha...”

At the same time, Duan Yu, who was hiding in the messenger token, was also excited and laughed: “Ma De, I finally left that ghost place.”

“Palace Master Wen, thank you!”

The last sentence came from Duan Yu’s heart.

Hearing this, Wen Chou Chou smiled lightly: “Don’t thank me, if you didn’t tell me the way, I would not have escaped from purgatory.”

Although Duan Yu was in the messenger token, it did not prevent Wen Chou Chou from communicating with him, after all , Wen Chou Chou is the messenger of Hades and can clearly sense the situation in the token.

Saying that, Wen Chou Chou looked around, frowned slightly, and said, “I have already done the first thing to bring you back to the Kyushu Continent. The second thing is to help you find your body, so let’s take a while, I need to recover some strength. Okay.”

Previously received various punishments, Wen Chou Chou was extremely weak.

Duan Yu responded with a smile: “It’s natural, I can still trust the words of Hall Master Wen.”

Speaking of which, if it was three years ago, Duan Yu would never have been so polite to Wen Chou Chou, but after this incident , the two reached a subtle tacit understanding.

This chapter is provided by . Visit for daily update.

Because Duan Yu knew that his future was all in the hands of Wen Chou Chou. Once something happened to him, he would not be able to regenerate his body, and all his previous efforts would be in vain.

call!

At this moment, Wen Chou Chou stopped talking, looked around, and found that this was the boundary between Tianqi Continent and Dongao Continent, and rushed to the northeast.

Wen Chou Chou remembered that there was a valley not far away. The environment there is complex, there is no day all the year round, and there is only one extremely yin place.

Although he escaped from the ghost world, the soul contract between Wen Chou Chou and Hades has not been completely resolved, and the main practice is the yin qi, so to cultivate and recover, it must be in a place where yin qi is extremely deep.

Soon after arriving, Wen Chou Chou saw that the valley in front of him was overgrown with weeds and was very barren.

It was noon at this time, the sun was shining brightly, but this valley was extremely cold. For Wen Chou Chou, this is an excellent place to practice.

However, Wen Chou Chou was not happy at all.

If you don't cancel the soul contract with Hades, what if you are stronger? Never act like a normal person.

Thinking to himself, Wen Chou Chou sighed and couldn't help asking: "Duan Yu, you said you knew some secrets of Hades?" To

be honest, Wen Chou Chou had no interest in Hades' secrets at all, but in order to get rid of the soul contract, I just want to know more about Pluto.

"Not bad!"

Duan Yu responded quickly: "Didn't you have no interest before? Now you want to know?"

Wen Chou Chou did not speak, but was a little silent.

Seeing that he didn't speak, Duan Yu smiled and said slowly: "The biggest secret of Hades is to rule Kyushu, but do you know what he needs most to rule Kyushu?"

“What?” Wen Chou Chou asked subconsciously.

Duan Yu’s tone suddenly became solemn: “Of course he needs to be stronger, you must know that as the Pluto, the Lord of the Ghost Realm, he cannot come to Kyushu. This is the rule of heaven and earth, and Pluto needs to have the ability to change the rules of heaven and earth. “

I heard that Pluto is going to attack the Nine Heavens Saintess. It is said that the Nine Heavens Saintess are from the God Realm and possess innate spiritual energy. As long as the innate spiritual energy in their bodies is integrated, the strength of Hades can reach an unimaginable level. At that time, you can freely travel between Kyushu and the ghost world.”

Chapter 2967

What?

Hearing this, Wen Chou Chou was shocked.

Hades going to attack the Kyushu Saintess?

“Palace Master Wen!” Feeling the strangeness of Wen Chou Chou, Duan Yu couldn’t help but ask: “Do you know the Nine Heavens Saintess?”

“Know some!” Wen Chou Chou responded.

When answering, Wen Chou Chou was very calm, but there was a hint of complexity in his eyes.

A few days ago, Wen Chou Chou met Yue Feng and at the same time got to know the saintess Zi Yan. After that, Wen Chou Chou bid farewell to Yue Feng and went to find other saints with Zi Yan.

Later, I met Huanxiang, and was almost beaten by her, because Huanxiang pointed out that Yue Feng had killed other saintess. If the other messengers of Hades hadn’t happened to arrive at that time, I would have ceased to exist.

Although several days had passed, Wen Chou Chou still had some heart palpitations when he recalled it.

At the same time, I was also secretly worried that Fengzi was framed inexplicably, and I don’t know what happened now.

Wen Chou Chou has a calm personality and knows Yue Feng well, and I believe he will never do anything to harm the Holy Maiden.

hum!

Just as he was talking, suddenly, he felt a strong breath coming from the sky not far away, and then, a man, like thunder and lightning, flew quickly.

Um? It's so desolate here, why are there still people here?

At this moment, Wen Chou Chou subconsciously turned his head to look, and his face changed suddenly.

It was a man with a strong breath.

The man looked to be in his thirties, and his facial features were sharp and angular, but there was a cold and evil spirit between his brows, and a sinister aura pervaded his entire body.

It was Yue Chen.

Um?

At the same time, Yue Chen was also stunned when he saw Wen Chou Chou.

After sullyng Saintess Lan Xin before, Yue Chen also got Lan Xin's Nascent Soul power, but it has not been able to be fully integrated, because Yue Chen's Xuanyin magic, which is an extremely sinister practice, and Lan Xin's Nascent Soul The forces are mutually exclusive.

Because of this, Yue Chen has been very irritable these days.

Just now, Yue Chen passed through this valley and found that this place is full of yin qi, which is an excellent place for cultivation. With the help of the environment here, he will be able to successfully suppress the Nascent Soul power in his body, and then he will be able to successfully integrate. Excited, Yue Chen hurried over and was about to find a place to meditate and practice, but he didn't expect to encounter Wen Chou Chou.

"Tsk tsk!"

At this time, Yue Chen reacted, looking at Wen Chou Chou with a half-smile, and mockingly said: "Isn't this the famous Palace Master Wen? It's really safe. I heard that a few months ago, you were in The Wutian Organization fell off the cliff and died in nine lives, but I didn't expect to be alive. Hehe, you really have a great fate."

When he said this, Yue Chen's eyes were full of ridicule.

To be honest, if it were three years ago, Yue Chen would never have dared to talk to Wen Chou Chou like this. After all, Wen Chou Chou was the Hall Master of the Palace of Longevity, and he was very powerful.

At this time, Yue Chen clearly saw that Wen Chou Chou's face was pale, his whole body was extremely weak, and he was completely in a state of half-dead. And his strength has grown by leaps and bounds over the years, and a few days ago, he obtained a powerful Nascent Soul power, which is not worth it at all.

"Yue Chen!"

Wen Chou Chou took a deep breath and retorted unceremoniously, "You are still alive, how could I die in front of you?"

Mad, when he saw this Yue Chen, he was angry. Back then Fengzi was misunderstood by various schools in Jianghu, saying that he defiled his younger brother and sister and mad at his grandfather, but in fact, it was all the ghost of this Yue Chen.

Yue Chen?

At the same time, Duan Yu, who was hiding in the messenger token, also frowned secretly, how did he meet this kid.

Chapter 2968

Speaking of which, when Duan Yu was the emperor of Xi Cang, Yue Chen still went to him, but in Duan Yu's heart, he never looked down on him, and someone who could betray his own family was not worthy of respect at all.

"Wen Chou Chou!"

At this time, Yue Chen walked over slowly, his face full of arrogance: "I have already taken a fancy to this place, you hurry up."

At this time, Yue Chen wanted to kill Wen Chou Chou immediately. After all, he is Yue Feng's sworn eldest brother, but now the most important thing is to fuse the power of Nascent Soul within his body.

Swish!

Hearing this, Wen Chou Chou's face was extremely ugly, this Yue Chen was really a villain, seeing that he was weak, he wanted to take advantage of others' danger.

Thinking to himself, Wen Chou Chou said coldly, "What if I don't leave?"

At this time, Wen Chou Chou just wanted to quickly regain his strength, how could he leave easily?

“I don’t know how to lift up!”

Yue Chen stopped talking nonsense, his eyes flashed with killing intent, and his figure jumped up and called directly at Wen Chou Chou.

hum!

This palm contains the inner strength of Yue Chen’s ‘Xuanyin Divine Art’. Wherever he passed, the sunny sky instantly darkened, and dark clouds covered his head.

call!

Seeing Yue Chen rushing towards him and the explosive power, Wen Chou Chou was instantly furious.

Nima! You think I’m weak and you bully me, don’t you?

Frightened, Wen Chou Chou didn’t have time to dodge at all, so he had to mobilize his internal force to meet the attack.

Bang!

The next second, the two palms collided, and a dull vibration erupted. Wen Chou Chou only felt a frightening force coming, and with a grunt, the whole person flew out backwards, and at the same time he landed, a mouthful of blood spurted out. come out.

Nima!

Stabilizing his figure, Wen Chou Chou looked at Yue Chen in astonishment. After three years of absence, his strength has become so strong.

At the same time, I was a little anxious.

I haven’t recovered my strength yet, I’m not an opponent at all, what should I do?

“What’s the situation?”

At this time, Duan Yu, who was hiding in the messenger’s token, also quickly asked: “Palace Master Wen, how are you? Are you all right?”

In the token, Duan Yu could not see the situation. , but I can also feel that Wen Chou Chou and Yue Chen fought.

Speaking of which, Duan Yu and Wen Chou Chou had no friendship at all, and even had a grudge before, but at this time, his fate was in Wen Chou Chou's hands, and he had to rely on him to find a body for himself to revive. If something happened to Wen Chou Chou, Hopeless to be reborn.

"I'm fine!" Wen Chou Chou took a deep breath and responded.

When he said this, Wen Chou Chou looked indifferent, but his heart was a little desperate.

Yue Chen and Yue Feng have a deep feud like the sea, and he is Feng Zi's sworn brother, he will definitely not let him go easily.

Haha...

Seeing Wen Chou Chou's face changing, Yue Chen couldn't help laughing up to the sky, his face full of pride: "Wen Chou Chou, you have today too? If you have any last words, hurry up and say, otherwise there will be no chance!"

Over the past few years, Yue Chen has been pretending to be Yue Feng's name and doing evil in all corners of the world, in order to bring Yue Feng to ruin. Today, I encounter Wen Chou Chou, and I will not let it go easily.

"Yue Chen, you are just a villain!" Wen Chou Chou responded coldly, "It's not that easy to kill me."

Shuh!

Hearing this, Yue Chen's face was extremely ugly, Ma De, three years ago, his strength was not enough, and he didn't dare to challenge Wen Chou Chou. Now that he has become stronger, he is still despised by him, how can he bear it? !

"I don't think you will cry until you see the coffin! Since you have to die, I will fulfill you!" A cold voice came from Yue Chen's mouth!

hum!

The words fell, Yue Chen's face was extremely ferocious, he pulled out his long knife, raised his hand and waved, and saw a terrifying shadow of the knife, tearing the world and bursting towards Wen Chou Chou.

Chapter 2969

Seeing this knife shadow, he was about to split the Chinese ugly, when he saw words in his mouth and raised his hands.

In an instant, a black mist suddenly rose up around him, covering the entire valley in an instant.

Swish swish...

And in the next second, from the black fog, a few erratic figures rushed out. These figures were all wearing white robes, and their faces were extremely pale, and their eyes were empty, but the whole body was filled with a deadly breath caused it.

Yes, it was the wandering spirits near the valley that Wen Chou Chou summoned. Speaking of which, it was daytime, so it was difficult for these wandering spirits to show up, but Wen Chou Chou was the messenger of Hades and could easily be summoned.

hum!

In the blink of an eye, these ghosts came together and quickly formed a formation to surround Yue Chen.

This formation, called Soul Locking Formation, was created by Hades.

This....

Seeing this scene, Yue Chen was startled, and suddenly felt a little stunned.

what's the situation?

These suddenly appeared as human figures, what's going on?

Moreover, Wen Chou Chou has always been upright, when did he learn such a sinister practice?

At this time, Yue Chen still didn't know that Wen Chou Chou in front of him was no longer a human being, and the means he used all came from the ghost world.

Yue Chen didn't know anything about confrontation, and he didn't know what these ghosts were, so he was a little flustered.

call!

Seeing that Yue Chen was trapped in the Soul Locking Formation, Wen Chou Chou was secretly relieved, but his eyes were still solemn.

You know, summoning ghosts and forming a soul-locking formation consumes a lot of energy.

At this time, Wen Chou Chou has reached the realm of running out of fuel, almost unable to stand firm, and teetering. , but still insisted, he knew that if he couldn't suppress Yue Chen, he would be finished.

Huh...

At this time, Duan Yu in the messenger token was also anxious. He could clearly perceive that the battle outside was getting more and more intense.

Moreover, Wen Chou Chou was already weak, and the situation at this time was even less optimistic.

"Wen Chou Chou!"

At this moment, Yue Chen was trapped in the formation, panicked and annoyed at the same time, and couldn't help shouting: "It's a pity that you still always pretend to be famous and upright, but now you are using a sideways approach, Don't you feel ashamed?"

Yue Chen was very annoyed when he said this.

Ma De, with his own strength, was able to crush Wen Chou Chou, but he was trapped by a few shadows. If this matter spread out, wouldn't it be laughed at by the world?

Wen Chou Chou ignored it, but silently recited the formula, controlled a few ghosts, and continued to besiege Yue Chen.

At the beginning, Yue Chen was secretly annoyed, but gradually he discovered that the shadows surrounding him seemed scary, but in fact they weren't much of a threat.

However, Yue Chen couldn't find a suitable way and was still surrounded by circles.

Outside the formation, Wen Chou Chou's face became more and more ugly. He was already weak, and he forcibly summoned the ghosts to form a soul-locking formation, which was completely exhausting his strength and could no longer hold it.

hum!

Finally, Yue Chen found an opportunity, waved his long knife to avoid a ghost in front of him, and then took the opportunity to rush out.

"The text is ugly and ugly."

The moment he rushed out, Yue Chen looked at Wen Chou Chou closely, and couldn't hide his mockery: "You want to trap me with this trick? You are too naive." As the

voice fell, Yue Chen's inner strength surged, and he slapped it out with a palm. Oops!

Seeing Yue Chen rushing out of the Soul Locking Formation, Wen Chou Chou's face changed, and he was panicked.

To be honest, Wen Chou Chou was weak and could not activate the true power of the Soul Locking Formation. In addition, Yue Chen was also practicing sinister techniques, so the Soul Locking Formation could not achieve restraint effect on him at all.

Chapter 2970

Boom!

Yue Chen's speed was too fast, Wen Chou Chou wanted to dodge, but it was too late. With this palm, he slammed into Wen Chou Chou's body and heard a dull vibration. out.

Pfft!

Wen Chou Chou flew more than 100 meters away, and the whole person shed a rain of blood in the air, and finally fell heavily to the ground. The pain came, and he almost fainted.

At this time, Wen Chou Chou clearly felt that his ribs were almost completely broken, and bursts of severe pain came, and he almost fainted.

Mad, fortunately, I have a soul contract with Pluto, and my physique is relatively special. Otherwise, this palm will definitely leave my soul scattered.

"Wen Chou Chou!"

At this moment, Yue Chen stared at Wen Chou Chou closely, full of pride, but his tone was crazy: "Just now I told you to get out of the way, if you insist on courting death, then you can't blame me!" When the

voice fell, Yue Chen slowly walked towards Wen Chou Chou!

Mad!

Seeing Yue Chen getting closer, Wen Chou Chou let out a long sigh and closed his eyes in despair.

Is this the end?

But....to die at the hands of such a villain, I'm so unwilling!

hum!

At this critical moment, an incomparably cold aura came from Wen Chou Chou's waist, and then, an illusory figure roared out, heading straight for Yue Chen.

It was Duan Yu.

Sensing Wen Chou Chou's situation, Duan Yu was so anxious that he couldn't help rushing out.

If something goes wrong with Wen Chou Chou, don't even think about being reborn. You must know that rebirth is going against the sky. In the Kyushu Continent, no one can help him, except Wen Chou Chou. After all, he is the messenger of Hades.

Rushing out of the messenger token, Duan Yu was stunned when he saw the scene in front of him.

Nima!

This kid Yue Chen, his strength has become so terrifying?

Duan Yu saw that Wen Chou Chou had been severely injured, the blood in front of him was dripping, and his anger was like a gossamer, while Yue Chen, who was on the opposite side, was full of pride, and his whole body was filled with suffocation.

At the same time, Yue Chen also saw Duan Yu, but at this time Duan Yu was just a wisp of ghost, his figure was looming, and he couldn't see clearly at all.

"You are..." The next second, Yue Chen opened his mouth, but as soon as he uttered two words, he saw Duan Yu turned into a ray of light and got directly into Yue Chen's forehead.

hum!

Yue Chen didn't have time to react at all, his body trembled, and then he felt that there was another soul in his body, and this soul was rapidly devouring himself.

That's right, Duan Yu was going to stand on Yue Chen's body to be reborn. However, Yue Chen is not dead yet, and his soul has not left his body, so he must devour Yue Chen's soul.

In the arena, this kind of behavior is called home grabbing.

"Ah..."

Feeling that his soul was being devoured, Yue Chen couldn't help but scream, only to feel the pain in his entire head was incomparable, and this pain was a thousand times, ten thousand times stronger than the pain he had suffered before. ...

Seriously, with Yue Chen's strength, it was difficult for Duan Yu to take advantage of it, but he did not successfully integrate the power of Nascent Soul of Saintess Lan Xin, leaving hidden dangers.

Moreover, Yue Chen's attention just now was always on Wen Chou Chou, and he never expected that a third party would attack him.

"Ah, it hurts, it hurts... ah"

Under the severe pain, Yue Chen hugged his head, rolled on the ground, and kept mourning in his mouth. All over the body, there was a constant flow of Yin evil energy, which caused the air in a radius of 1000 meters to be violently distorted.

call!

Seeing this scene, Wen Chou Chou took a deep breath and looked calm, but his heart was shocked.

In rivers and lakes, taking a house is a taboo, because taking a house is too cruel. It devours the souls of others, and then occupies the body and takes it for one's own.
