

The ultimate husband in Chinese chapter 3021-3030

Chapter 3021 The

voice fell, and everyone around them nodded subconsciously.

call!

At this moment, Yue Feng secretly breathed a sigh of relief, and glanced at Ye Zhixin gratefully.

He deserves to be the head of the first sect of Xuanye Continent, so profound and righteous.

Muttering in his heart, Yue Feng tilted his head and said to the eight saintess of Huanxiang: "Several saints, what do you plan to do next?" The

eight saintess looked at each other, and then Zi Yan said softly: "I was there just now. In the stone forest, we have consumed too much internal energy, and now we need to find a hidden place to cultivate and recover."

When she said this, Zi Yan's face was red, showing a bit of shyness.

Because at this moment, there are eight of them, and there are no obstacles on their bodies, and they are still covered by the cold fire of the white lotus that Yue Feng casts. Of course, such an image cannot be with the people of these sects.

The voice fell, and the other saintess also nodded.

Yue Feng nodded: "That's fine."

This place is full of dangers, and we must find a way to gather other people who have been separated.

Speaking of which, these major sects have always misunderstood themselves, and Yue Feng is unwilling to be with them from the bottom of his heart, but for the sake of the Kyushu Continent, don't care.

After all, the people trapped here are all the famous sect masters in the Kyushu continent. Once they get rid of their troubles, the entire rivers and lakes of the Kyushu continent will be completely over.

"Let's take a step first, and when we regain our strength, we'll join you again." Zi Yan said while biting her lip, she greeted the other saintess, and under the cover of Yue Feng Bai Lian Leng Huo, she quickly left in the distance.

In the blink of an eye, the eight saintess disappeared into the mist.

This chapter is provided by . Visit for daily update.

Pfft!

Watching the eight saintess go away, Yue Feng let out a long sigh of relief and sat on the ground at once.

From the beginning of Shilin, Yue Feng has been urging Bai Lian Leng Huo to protect the eight saintess, until just now, the internal energy consumption is serious, and it is very weak at this time.

Whoa!

Seeing this scene, dozens of sect masters were all stunned.

The next second, Su Shengfei strode over and shouted at Yue Feng, "Yue Feng, what are the eight saintesses doing?"

At the same time, everyone else looked at Yue Feng, waiting for his answer.

"Eight saintess, there are important things to do." Yue Feng responded lightly.

The eight saintess avoided these people because they had no cover up. This matter involves the reputation of the nine-day saintess, how can they say it?

"Mysterious and mysterious, there must be a problem!" Su Shengfei continued to shout in a stubborn manner.

Mad!

Yue Feng frowned and couldn't help scolding in his heart, this Su Shengfei is really sick.

Yue Feng was too lazy to talk nonsense, and said lightly: "Everyone is trapped here, what else can I have a problem with, the Nine Heavens Saintess is gone, but I am still here, what are you afraid of?"

"You..."

Hearing this Su Shengfei's face was extremely ugly, but he was speechless to refute.

"Okay!"

At this moment, Long Qianyu said: "Don't make any noise, everyone is tired, find a place to rest first, and then think of a way to find someone else." The

voice fell, Long Qianyu Glancing at Yue Feng, he then walked towards a valley not far away.

Long Qianyu is the eldest princess of the Southern Cloud Continent. She has a royal demeanor all over her body and is quite prestigious. In an instant, everyone followed suit.

Yue Feng smiled bitterly and followed behind.

Chapter 3022

Soon, when they reached the valley, Long Qianyu and everyone were relieved.

I can see that this valley has a quiet environment, an open space in the middle, and only a few sparse trees around it. It has a wide field of vision and is convenient to observe the situation. It is a very good place to rest.

However, Yue Feng looked at the big trees carefully, frowning secretly.

I don't know why, the quieter the place in front of me, the more Yue Feng has a bad premonition, especially those big trees, Yue Feng obviously felt that they were very different from the trees he had encountered before.

The branches are twisted and twisted, the branches show their teeth and claws, like a ghost, it is very evil.

“Okay!”

At this time, Long Qianyu found a flat place, sat cross-legged, and said, “Everyone, let's practice and recover here.” When the words

fell, everyone also looked for a place to meditate.

“Wait!” At this moment, Yue Feng couldn't help but say, “This place is not good!”

Shuh!

Hearing this, everyone looked at each other in dismay!

“Yue Feng!” Su Shengfei couldn't help shouting: “What do you want to do?”

Yue Feng did not respond directly, but looked around, carefully observed the surrounding trees and the environment of the valley, and then took a deep breath, shook his head and said, “This valley is not safe!” Is it

not safe?

Long Qianyu frowned, "Why is it not safe?"

Yue Feng pointed at the surrounding trees and said slowly, "Let's not talk about the environment of this valley, these trees are completely different from the ones we encountered before. It's different, it's very evil, I think we should change the place!"

Shua!

Hearing this, everyone's eyes fell on those big trees, and they all looked puzzled. As you can see, these big trees have different shapes and are indeed different from what they have seen before.

Just.... just a few trees, what could be dangerous?

Seeing everyone's expressions, Yue Feng took a deep breath and continued: "This is the inside of Hades Ding, and everything is dangerous. I don't think we should take it lightly."

After speaking, Yue Feng explained the situation he encountered in the stone forest before in detail. said it.

Hearing this, everyone was inexplicably nervous.

Ye Zhixin frowned and couldn't help but said softly: "Yue Feng, what do you mean, there are also bone spirit demon fires hidden in these big trees?"

Yue Feng shook his head: "I don't know this, I just feel This place is not right!"

Yes, Yue Feng observed carefully just now, and did not find any problems with these big trees, but based on past experience, Yue Feng firmly believed that his feelings would not be wrong.

"Feeling?!"

Hearing this answer, Su Shengfei couldn't help but get excited: "Sect Master Yue, just based on your feeling, we are all about to give up such a good place to rest? Do you think it's children playing games? Or You were frightened by the Bone Spirit Demon Fire before?"

Haha... When the

voice fell, many people around couldn't help but laugh.

They also felt that Yue Feng was a little surprised.

Seeing that everyone didn't believe it, Yue Feng was very helpless.

In the next second, Yue Feng looked around and said, "I've already said what I should say. It's not safe to rest here. I'm going to the next hillside to rest. Whoever wants to be with me can follow me!"

This. ..

At this moment, everyone present looked at each other in dismay, and no one stood up.

At this time, everyone was too tired, and no one wanted to fool around with Yue Feng.

"I'll go with you." At this moment, a graceful figure emerged from the crowd, with delicate facial features and seriousness.

It was Ye Zhixin.

In Ye Zhixin's heart, Yue Feng would not do this for no reason. Since he said that this valley is dangerous, there must be something wrong.

Whoa!

Chapter 3023

Seeing Ye Zhixin stand up to support Yue Feng, everyone was in an uproar.

Is the head of Yuyao Pavilion confused? Yue Feng is just talking nonsense and has no evidence at all. How can he believe his words?

Especially Su Shengfei, he couldn't sit still on the spot, and quickly stood up to persuade: "Master Ye, don't believe him." The

voice fell, and others also spoke.

"Yeah, there were rumors in the rivers and lakes that Yue Feng's blasphemy against Chang'e has not been clarified yet. Who knows what his heart is now."

"With so many of us together, even if there is a problem, we can solve it together.

While everyone was discussing, Su Shengfei walked quickly to Ye Zhixin, with a sincere expression on his face: "Sect Master Ye, I think Yue Feng just wanted to slip away. He hadn't yet produced evidence to prove that the eight were the real Nine Heavens Saintess. Let people go, and now make up a reason for wanting to run." As he

spoke, Su Shengfei gave Yue Feng a contemptuous look.

Ye Zhixin is her own goddess, how can she go with you? !

The voice fell, and many people around nodded.

“Yes, Yue Feng is deliberately alarmist, there must be a conspiracy!”

“We can’t be fooled!”

Hearing this, Yue Feng suddenly became angry.

Ma De, I kindly reminded you, but I was treated as a donkey’s liver and lungs. Forget it, let’s do what you like.

Thinking to himself, Yue Feng gave Su Shengfei a cold look: “I have already said it very clearly, believe it or not, but when something happens, don’t cry and beg me to save you.”

What?

Hearing this, everyone was stunned for a moment, and then sneered.

Su Shengfei couldn’t help but shouted: “Okay, Yue Feng, don’t put on the air, we are not fools!”

Yue Feng didn’t bother to pay attention to him, turned around and walked towards the hillside not far away. Ye Zhixin hesitated for a while, then quickly followed.

To be honest, Ye Zhixin was also skeptical in her heart, but in the end she chose to believe in Yue Feng.

“Wait!”

At this moment, Long Qianyu quickly chased after him, his beautiful face did not fluctuate at all, and said to Yue Feng, “I’ll go with you too!” After

speaking, Long Qianyu turned back and rushed He said to the others, “You rest here, I’m watching Yue Feng!”

Like everyone in Su Shengfei, Long Qianyu didn’t believe in Yue Feng, and he followed up at this time to prevent Yue Feng from escaping.

Haha...

Seeing the distrust on Long Qianyu’s face, Yue Feng smiled and didn’t say much.

A few minutes later, the three of Yue Feng came to the hillside not far away, and they saw that there was a cave on the hillside. The cave was not big, only a few square meters, just enough to accommodate three people to rest.

“Oops!”

Seeing the cave, Yue Feng showed a smile. He walked in first, and said with emotion, “It’s still this place, it’s reassuring.”

With that, Yue Feng was about to meditate cross-legged.

“Yue Feng!”

However, at this moment, Long Qianyu, who was standing at the entrance of the cave, said coldly, “Come out and rest outside the entrance of the cave.” His tone was cold and unquestionable.

“Why?” Yue Feng frowned.

Long Qianyu tilted his head and glanced at Ye Zhixin, and continued: “I am also the head of Ye, both women, how can I rest in the cave with you? If it spreads out, how should Jianghu talk about it?”

Ye Zhixin next to him also had a look on his face shy.

What the hell!

Yue Feng was very upset. He clearly proposed to rest on the hillside himself, and it was also the cave he found, but now he has to rest outside. What kind of reason is this?

“Also, don’t even think about running away!” At this time, Long Qianyu said coldly again.

Chapter 3024

Yue Feng was very helpless, nodded and walked outside the cave to meditate cross-legged.

At the same time, my heart is also very suffocating.

This Long Qianyu, who had previously announced to the world that he had canceled his engagement with him, is now doubting himself everywhere, really...

thinking to himself, Yue Feng didn’t bother to care anymore, and began to close his eyes and rest.

I don’t know how long it took, Yue Feng woke up from the cold.

Inside the cave, Long Qianyu also began to meditate and recover. Ye Zhixin

, on the other hand, was full of curiosity and couldn't help but ask Yue Feng outside the cave, "Yue Feng, is the valley below really dangerous?"

I also know a little bit about different techniques, but I can't see any problems with those big trees.

"You have to believe me!" Yue Feng responded with a smile.

Haha... As soon as he finished speaking, Long Qianyu couldn't help sneering and mockingly said: "Okay, Yue Feng, don't pretend to

be a ghost. Honestly, you are deliberately fooling everyone, what's your purpose?"

At that time, Long Qianyu still didn't believe Yue Feng, thinking that he was alarmist.

"I..."

Feeling Long Qianyu's questioning, Yue Feng opened his mouth, but for a while he didn't know how to speak, so he was speechless.

Whoa!

However, it was at this time that a disturbance was heard in the valley below.

I really got it right!

Yue Feng quickly stood up and looked towards the valley below, stunned.

At the same time, Long Qianyu and Ye Zhixin also hurried out of the cave, and their bodies trembled when they saw the situation in the valley.

I saw that in the valley, a black fog rose. In the black fog, there were many black shadows shuttled quickly. Dozens of sect masters were fighting against these black shadows, which was very intense.

This...

Seeing this situation, Long Qianyu's delicate body trembled, and he was secretly shocked.

It was really said by Yue Feng that the valley was really unsafe.

But, what are those shadows, and where did they come from? !

"Go and help!" At this moment, Yue Feng took the lead in reacting, slammed a word, and quickly rushed towards the valley.

Long Qianyu and Ye Zhixin looked at each other and quickly followed.

hiss!

When they reached the valley, they clearly saw the situation in front of them. Whether it was Yue Feng or Long Qianyu, they couldn't help gasping for air.

I saw that the shadows in the black mist were some evil beasts, all of them were pitch black, reminding them that they were like wolves and dogs, but they had three eyes, each of which was flashing with evil light, and each one was as fast as a dog. lightning.

There are hundreds of these beasts in groups, constantly attacking Su Shengfei and the others.

Su Shengfei and the others were all panicked and cooperated with each other to resist. However, there were still many people injured, screaming and shouting together. What was originally a quiet valley suddenly turned into hell.

This...is this a hell dog? !

Finally, Yue Feng reacted and was extremely shocked.

Speaking of which, Yue Feng didn't know about the hell dog. When he was in Shilin, it was Zi Yan who told him, because this is the space of the Hades, and there are many evil things in it, including the hell dog.

At that time, after Yue Feng learned about this, he didn't take it seriously, but he didn't expect it to happen so quickly.

Afterwards, Yue Feng looked at the big trees around him. Despite the black fog, Yue Feng could vaguely see that there was a hole on the top of the trunks of those big trees. Obviously, these hell dogs were hidden in the trunk before. among.

Long Qianyu and Ye Zhixin next to them were also inexplicably frightened and didn't know what to do.

"Yue Feng!"

At this moment, Long Qianyu was a little anxious, and couldn't help but say, "What should I do, go in and help them!" With

that, Long Qianyu was about to rush in.

Yue Feng hurriedly stopped him with a serious face: "Don't rush in rashly, these are hell dogs, very evil!"

Chapter 3025

Hell dog?

Hearing this, Long Qianyu felt a chill in his heart, and only felt that his legs were weak, and he didn't dare to act rashly.

At this time, Yue Feng took a deep breath and shouted at the trapped people, "You guys should find a way to rush out!"

Yue Feng noticed that the area surrounded by these big trees is the range of activities of these hell dogs. , as long as they rush out of this range, they are safe.

Swish!

Hearing Yue Feng's words, many people were shocked and ashamed at the same time.

Yue Feng was right before, there is really a problem with this valley.

But these people have laughed at him before.

I thought to myself, everyone cooperated with each other and tried to break out. However, there were too many hell dogs around, hundreds of them.

Everyone tried several times, but failed, and for a while, they were all panicked.

"What should I do?"

"Are you going to die here?"

"I don't want to die!" Under the

panic, many people were desperate.

Seeing this situation, Long Qianyu frowned and stomped her feet anxiously: "Yue Feng, think of a way!"

"You are the eldest princess of the Southern Cloud Continent, with high prestige!" Yue Feng smiled and said: " Also, you found this place, you should think of a way."

This Long Qianyu is too self-righteous, so she must have a long memory.

While speaking, Yue Feng also frowned secretly, thinking about countermeasures.

"You..." Long Qian's tone was not good.

What time is it, Yue Feng is still thinking about this.

In the next second, Long Qianyu was about to refute, when he saw Yue Feng's internal force urging him, raised his hand and waved, Bai Lian jumped out coldly, forming a protective film around his body.

Whoosh!

The next second, Yue Feng rushed directly into the black mist.

Yes, Yue Feng intends to rescue the people inside one by one. Speaking of which, Yue Feng doesn't know how to deal with the hell dog, but he thinks that his white lotus cold fire is the number one abnormal fire in the world, and it may be able to force the hell dog back.

To be honest, Yue Feng is completely gambling by doing this, but he can't help it, he can't just watch these people die!

"Wooooo..."

At this moment, seeing Yue Feng rushing in, many hell demon dogs immediately surrounded them, their three eyes flashing with blood-red evil lights, howling, and biting towards Yue Feng. Come.

However, as soon as they rushed to the front, they felt the protective film around Yue Feng's body, which was condensed by the cold fire of white lotus.

Haha....

Seeing this, Yue Feng showed a smile, secretly rejoicing.

This method really works.

Excited, Yue Feng grabbed two people with one hand, rushed out of the black fog, and then returned to save the others.

In less than a minute, Yue Feng rescued more than half of them.

In the end, Su Shengfei was the only one trapped inside.

Pfft!

But at this moment, Yue Feng sat on the ground, wiping the sweat on his face: "I'm exhausted, take a rest!"

"Alas? Sect Master Yue! Help, I'm still trapped!"

In the dark fog, Su Shengfei was fighting against the hordes of hell demon dogs alone, almost crying. The internal force is also quickly exhausted, and his face is pale.

Yue Feng didn't seem to hear it.

Nima, this Su Shengfei, who has been against himself before, has such a good opportunity, of course, it will make you suffer more.

The ultimate husband in Chinese chapter 3026-3030

Chapter 3026

"Yue Feng!" Long Qianyu was also in a hurry: "Sect Leader Su is still trapped inside, save him!"

Yue Feng showed a smile and said lightly, "I said before that there was danger here. , he said that I was alarmist, talking nonsense, and said that even if something went wrong, I didn't need my help, since he is so capable, let him rush out on his own!"

Hearing this, Long Qianyu opened his mouth, But he was speechless.

"Yue Feng!"

At this moment, Ye Zhixin came over, biting her lip and begging: "There is indeed something wrong with the head of Su, but we are trapped here, we need to unite, we can't die without help! "

Seriously, even though Yuyao Pavilion and Wanhezong have a good relationship, Ye Zhixin doesn't like Su Shengfei's character. But no matter what, everyone is a fellow from Kyushu, so you can't ignore it.

Mad!

At this time, Su Shengfei, who was trapped inside, was also anxious and angry when he heard Yue Feng's words!

This Yue Feng is obviously revenge! With so many beasts in front of you, how can you handle it?

"Ouch, ooh..."

Yue Feng rescued so many people and lost so many targets all at once, these hell demon dogs were also completely aroused by their ferocity, one by one screaming desperately, like crazy He rushed towards Su Shengfei.

Swish!

Seeing this situation, Su Shengfei was so frightened that his face turned pale, and he panicked completely.”

Su Shengfei almost cried when he shouted this.

To be honest, Su Shengfei didn't want to be rude in front of Yue Feng, but he couldn't help it. The situation at hand was critical.

This chapter is provided by . Visit for daily update.

After all, among all the people present, only Yue Feng has the cold fire of white lotus, and is not afraid of these hell demon dogs.

As soon as he finished speaking, Long Qianyu also stomped his feet in a hurry: “Yeah, Yue Feng, Sect Leader Su can't stand it anymore!”

Yue Feng smiled and said slowly to Long Qianyu: “What's the hurry? The sect master is very capable, some hell dogs can't hurt him at all.”

After speaking, Yue Feng stretched his waist.

This...

Long Qianyu frowned, very embarrassed.

Yue Feng made up his mind not to save people, and he couldn't force it. After all, a few days ago, he broke off the engagement with him, and it had nothing to do with it.

At this time, Su Shengfei's face turned green, and he kept shouting: “Sect Master Yue, please, there are too many beasts, I can't stop them...”

Yue Feng smirked in his heart, still too lazy ignore it.

Mad, this idiot used to target himself everywhere, and I'm sorry for not letting you suffer.

Seeing that Yue Feng persisted for a while, Ye Zhixin came over and grabbed his arm: “Yue Feng, this Sect Leader Su is narrow-minded, and he is not a wicked person, please help him!

”, Ye Zhixin bit her lip, very embarrassed.

Putting it away, Ye Zhixin was also more disgusted with Su Shengfei, but there was nothing she could do, they were all the same people in all corners of the world, how could she not be saved? !

Ugh!

Seeing Ye Zhixin speak, Yue Feng secretly sighed and nodded: "Okay, this time it's for the face of the head of Ye!"

With that said, Yue Feng urged Bai Lian Leng Huo to protect his body and rushed in to rescue Su Shengfei.

"Ouch, ooh..."

At this moment, after losing the last target, the hell dog in the black mist let out an unwilling howl, then burrowed back into the tree hole, and walked cleanly in the blink of an eye, followed by the black mist. It also gradually disappeared, as if everything before had never happened.

However, everyone present was still in shock, and recalling the thrilling scene just now, they were all heartbroken.

"Thank you Sect Master Yue, thank you..."

Su Shengfei kept thanking Yue Feng for regaining his life, and saw that he was full of scratches and scratches all over his body, and he was extremely embarrassed.

Chapter 3027

But while thanking, Su Shengfei's eyes flashed with a trace of resentment.

Ma De, he almost died inside, and Yue Feng took action to save him. This account will be settled with him sooner or later.

Yue Feng ignored it and raised his hand: "Okay, everyone, hurry up and rest, rest well, then continue on the road and look for others!" After

tossing for so long, everyone was exhausted, and many people suffered hurt.

Hearing this, everyone nodded, not daring to stay in this valley, and followed Yue Feng to the hillside not far away to rest.

...

the other side!

A few dozen miles away from the hillside where Yue Feng is located, is a black forest.

This black forest stretches for hundreds of miles, with tall trees, obscuring the sky and the sun.

At this time, more than a dozen figures are slowly moving forward in this black forest.

I saw that there are many familiar figures among them, Meihui, Zheng Chunqiu, and other masters of the sect.

Being sucked into the Pluto Cauldron, Mei Hui was very flustered at first, but soon met Zheng Chunqiu. After meeting, she walked together, and then she met other Jianghu colleagues.

Meihui, Zheng Chunqiu and the others had made plans to find a way to leave this forest first, and then find other people.

Um?

After walking for a while, Zheng Chunqiu, who was in front of him, suddenly stopped.

At the same time, the others were also looking ahead, frowning one by one.

“Brother Zheng, what’s the matter?” Mei Hui hurried up and asked.

When I met Zheng Chunqiu before, I knew that he was a friend of my eldest brother, so Mei Hui removed the disguise and returned to her original appearance.

“The front is weird again!” Zheng Chunqiu responded solemnly.

Mei Hui hurriedly followed the eyes of everyone, and was immediately stunned.

I saw that in the woods ahead stood a circle of stone monuments. These stone monuments did not know what material they were made of. They were dark and shiny, and the surface was as smooth as a mirror, which was very strange.

“How come there is a stone tablet here?”

After a few seconds, Mei Hui recovered and couldn’t help but said softly, “General stone tablets should have characters on them, but there are not a single word on them. Moreover, so Smooth, like a mirror.” As

she said that, Mihui walked over curiously.

“Let’s go and have a look!”

At the same time, Zheng Chunqiu and others couldn’t hold back and walked over one after another.

In front of these stone tablets, everyone found that the surface of these stone tablets was very smooth, like a mirror. For a time, everyone looked at themselves in the stone mirror and wondered secretly.

What are these tombstones for?

” Everyone!” At this moment

, Zheng Chunqiu suddenly frowned and said, “Everyone, get out of here!”

At this time, Zheng Chunqiu’s face was a little bad. He clearly felt that there was a strange smell in the stone tablet in front of him. The power of his body slowly diffused out, and under the influence of this power, he was so exhausted that he couldn’t exert any strength.

Not only that, but the inner strength can’t be released! Dantian seemed to be suppressed.

When the words fell, Zheng Chunqiu was about to turn around and step back, but found that his feet seemed to be filled with lead, and he couldn’t move.

How could this be?

Zheng Chunqiu was terrified and inexplicably panicked in his heart.

Chapter 3028

Seeing Zheng Chunqiu’s expression, Meihui quickly asked, “Brother Zheng, what’s wrong with you?”

At the same time, everyone else looked at Zheng Chunqiu.

Zheng Chunqiu opened his mouth and was about to speak when he was interrupted by a sneer.

“Jie Jie...” The sullen

laughter came from the stone tablet in front of him, and he saw that the stone tablet in front of Zheng Chunqiu’s eyes suddenly came alive, twisted and changed a little bit, and finally condensed a figure. , and this figure is exactly what Zheng Chunqiu looks like.

It’s just that those eyes are full of endless evil.

Swish!

Seeing this scene, whether it was Zheng Chunqiu, Meihui and others, their expressions changed greatly and they were shocked.

A good stone tablet suddenly turned into a human being, and it still looks like Zheng Chunqiu. If you hadn’t seen it with your own eyes, who would have believed it?

“You...”

Finally, Zheng Chunqiu reacted, looking at the fake self in front of him, he couldn't help asking: “What are you?”

“What am I? Hey, my name is Mirror Image, but now, I It's you!” The other party laughed evilly.

Mirror Demon?

Hearing this, Zheng Chunqiu only felt his brain buzzing and panicked inexplicably.

Mirror Demons are the inner space of Hades Ding, a special existence, nurtured by endless yin and evil spirits. They like to transform into the shape of a stone tablet. When someone approaches and looks in the mirror, they will become the other party's appearance. .

“You evil, want to replace me?” Zheng Chunqiu was furious, staring fiercely at the mirror image demon in front of him, and was about to mobilize his internal strength to resist, but his whole body was imprisoned by that strange force, and he couldn't move at all.

At the same time, Mei Hui and the others were also shocked and angry, and wanted to rush over to deal with this mirror image demon.

But to their astonishment, they couldn't move.

“Why can't I move?”

“Me too...”

Buzz buzz...

Just as they were talking, everyone in Meihui was shocked to find that the stone tablet in front of them quickly changed and twisted, and finally turned into their own appearance. .

Obviously, every stone tablet is a mirror image demon, and these mirror image demons have all turned into beautiful people.

“Haha...”

At this moment, one of the leading mirror demons laughed proudly: “Finally turned into a humanoid, I heard that there are a lot of humans here, we can play with them!”

The voice fell, and more than a dozen mirror image demons tied Zheng Chunqiu, Meihui and the others, and then stuffed them into a nearby cave, and then disappeared into the black mist.

....

the other side!

Yue Feng and Long Qianyu, after resting on the hillside for a few hours, continued to explore the surroundings, looking for other rivers and lakes.

Many of the hellhounds encountered in the valley before were injured, but none of them were life-threatening.

“Everyone!”

At this time, Ye Zhixin thought of something, and said to everyone: “The situation encountered in the valley before proves that Yue Feng’s guess is correct, so I think we should follow Yue Feng’s command for the next actions. !” The

voice fell, and everyone looked at each other in dismay. At the same time, his eyes were also subconsciously looking at Long Qianyu.

You must know that Long Qianyu is the eldest princess of the Southern Cloud Continent and has high prestige, so everyone followed her arrangement before, but now she is suddenly replaced by Yue Feng, which is naturally a bit awkward.

“I...”

Seeing everyone looking at him, Long Qianyu bit his lip tightly, and said lightly, “I don’t care!”

When he said this, Long Qianyu was indifferent on the surface, but he was a little unconvinced in his heart. Princess, it is really embarrassing to obey Yue Feng’s command.

But there is no way, Yue Feng did say exactly what happened in the valley before.

Seeing Long Qianyu taking the lead, everyone else nodded.

“Okay!”

“Since the eldest princess has said so, we have no objection.”

Many people were also dissatisfied with the words.

Chapter 3029

Especially Su Shengfei, who pretended to fight for Long Qianyu: "Isn't it wrong, before, Her Royal Highness the eldest princess led everyone, now it's Yue Feng, in case..." The words were not

finished, Ye Zhixin glared at him: "If you want to have an opinion, you don't have to come with us."

This Su Shengfei really doesn't know what to do, if it wasn't for Yue Feng, he would have been torn apart by those hell demon dogs long ago. Just forget.

"No opinion, no opinion!" Su Shengfei squeezed out a smile and spoke quickly.

Having said that, Su Shengfei felt extremely jealous in his heart.

Ma De, Ye Zhixin is her own goddess, but she speaks for Yue Feng, why?

Yue Feng didn't care about this, smiled and said, "Since everyone trusts me so much, then I will do my part!"

After saying that, Yue Feng took the lead and walked forward.

Everyone hurry up!

Um?

I don't know how long I walked, and when I reached a black swamp, Yue Feng suddenly stopped, and his heart was shocked!

I saw that more than 100 meters ahead, in the swamp and quagmire, there were more than a dozen figures trapped. Looking carefully, it was Meihui, Zheng Chunqiu and others.

Whoa!

At the same time, Ye Zhixin and others also saw it, and there was an uproar.

"That...it seems to be the Sect Master of Danzong and

the others." "They are trapped in the quagmire." The

anxious discussion came, and Yue Feng was also a little anxious, thinking about ways to save people.

You must know that the environment of this swamp and quagmire is complicated. If you accidentally get stuck in it, it will be difficult to get out.

“Help!”

“Come and help us!”

At this time, the people who were trapped in the quagmire found Yue Feng and others, and shouted.

At this moment, Yue Feng was going to rush over, but when he heard the call of the other party, he suddenly felt that something was wrong.

Meihui and Zheng Chunqiu, one is her sister, the other is her brother and friend, they can see themselves, they don't have a name, they just keep calling for help.

Moreover, Yue Feng noticed that these people trapped in the quagmire were filled with a faint evil spirit.

“Quick!”

At this moment, Long Qianyu couldn't bear it any longer, and urged, “Yue Feng, let's hurry up and save people!” There

are so many people from all corners of the world who are trapped, and they must be rescued.

As soon as the voice fell, Long Qianyu was about to move his figure and rush over to save people.

At the same time, Ye Zhixin and others were also preparing to act!

“Wait!”

However, at this moment, Yue Feng frowned and stopped, “Don't save it yet!”

“Why?” Long Qianyu was stunned and frowned.

Yue Feng took a deep breath and said lightly: “They are not in danger for the time being, let's not act rashly!”

What?

Hearing this, everyone around was very unhappy.

So many sect masters have been sucked into Hades Cauldron, and now it is hard to find some of them, and they are still stuck in the swamp, but Yue Feng is not in a hurry to rescue, what is his heart?

Feeling the dissatisfaction of everyone, Yue Feng did not speak, but quietly observed these people in the quagmire.

The more he looked, the more Yue Feng felt that there was a problem.

Yue Feng clearly found that these people who were trapped in the quagmire kept calling for help, but there was no panic on their faces.

Could it be.... these people are all under control?

Thinking about it, Yue Feng was more cautious and planned to continue to wait and see.

Chapter 3030

Seriously, Meihui and Zheng Chunqiu were trapped, and Yue Feng was more anxious than anyone else, but he also knew in his heart that this is the inside of Hades Ding, where dangers are everywhere, and you must be careful in everything.

Yue Feng felt right. It was not Meihui and Zheng Chunqiu who were trapped in the swamp, but the mirror demons.

These mirror image demons are very cunning, and they deliberately pretend to be trapped here, trying to attract Yue Feng and others to come in. Once Yue Feng and others approach, they will launch a surprise attack. Seeing that Yue Feng had no intention of saving people, Long Qianyu

suddenly became anxious: "Yue Feng, why don't you let everyone save people? Do you want to watch them get engulfed by the quagmire?"

full of displeasure.

This Yue Feng is really ruthless. Seeing that his fellow comrades are in trouble, he doesn't want to help. Originally, I admired his Tianmen quite a bit, but now it seems that he really looked up to him before.

Ugh!

Yue Feng smiled wryly.

As the eldest princess of the Southern Cloud Continent, she is well-informed, so how can she think so simply? There was obviously something wrong with the situation in front of her, but she didn't see it at all!

Thinking to himself, Yue Feng said lightly: "Wait!"

Still waiting?

Hearing this, everyone around was anxious!

What does he mean, do you want everyone to give up the rescue? It's a shame that he is still the sect master of Tianmen, and he has been preaching for the benefit of the Kyushu rivers and lakes.

"Yue Feng!"

Finally, Long Qianyu couldn't bear it anymore, and scolded: "I know that there were rumors in Jianghu before that you blasphemed Chang'e, and all the sects accused you and Tianmen, so you were very unhappy, but once Code to code, you can't wait until you die!"

When the words fell, Su Shengfei also jumped out and shouted: "That is, Yue Feng, you are too narrow-minded, even if others don't save you, you have to save your sister-in-law, and the Sect Master of Dan Sect, right?"

"Sect Master of Dan Sect Zheng Chunqiu, You have always been worthy of your brother, how many times you have been desperate to help you, but now, you don't care about him, is this what people do?"

When he said this, Su Shengfei's face was righteous, but his eyes flashed. With the pleasure of revenge.

Mad, this Yue Feng, had deliberately made things difficult for himself before, but now such a good opportunity for revenge cannot be missed.

Su Shengfei's words attracted everyone's nods.

Even Ye Zhixin couldn't stand it any longer, and said to Yue Feng, "Yue Feng, save people, the time is running out."

Phew!

Seeing that everyone didn't believe in himself, Yue Feng was very helpless, took a deep breath and said, "It's not that I am selfish, you can see clearly, this swamp is completely different from what we usually see, and there may be other dangers hidden in it."

” Moreover, these trapped people are shrouded in evil spirits, I think they are being controlled, so let’s not act rashly...”

However, no one believed Yue Feng’s words.

“What is being controlled, don’t look for reasons!” Su Shengfei said loudly.

Long Qianyu was too lazy to talk nonsense: “Okay, if you don’t save us!”

Om!

The voice fell, Long Qianyu’s inner strength exploded, and the figure was astonishing, and flew directly towards the quagmire.

Swish swish....

At the same time, Su Shengfei and others also flew up one after another, following closely behind.

Seeing this scene, Yue Feng wanted to stop it, but it was too late.

“Sect Master Zheng!”

When he got to the front, Long Qianyu was suspended in the air and shouted at Zheng Chunqiu, “Grab the ribbon, I’ll pull you up!” The voice fell, the jade hand lifted, and a ribbon was thrown towards Zheng Chunqiu.

Long Qianyu thought about it, the environment in this quagmire is dangerous, and he definitely can’t go down, so he can only use this method to save people.

At the same time, Su Shengfei and the others who followed followed this method. Those who threw the rope, and those who had no rope, threw out the whip on their body.

At this time, Long Qianyu and others did not realize that the people who were trapped here were not the familiar Jianghu fellows at all, but the mirror image magic.

“Thank you!”

At this moment, he transformed into Zheng Chunqiu’s mirror image demon, showing a wicked smile, then tied the ribbon and pulled it violently.

Long Qianyu didn’t respond at all, and was dragged into the quagmire all of a sudden.
