

The ultimate husband in Chinese chapter 3071-3080

Chapter 3071 The

white horse looked at the sky and stopped: "It's still early, Yue Feng is definitely still resting, let's wait until it's almost dawn, I'll find a way to lead Yue Feng out, and you can bring Ye Zhixin to his room ."

Although the white horse is despicable, he acts very cautiously. He knew very well that if Yue Feng was resting, it would be difficult to get Ye Zhixin into his room. The best way was to wait until Yue Feng was away.

"Yes, Yue Feng is not easy to fool..." Su Shengfei nodded again and again.

After the agreement, the two waited in Ye Zhixin's room.

Before you know it, the sky is getting brighter outside.

"Wooooo..."

It was at this time that a horn sounded outside, which was the signal for assembly.

Bai Ma and Su Shengfei glanced at each other and knew that the opportunity was coming. Because the signal for assembly sounded, all the heads of the sects had to go to the Black Cloud City Hall to discuss the strategy against the enemy. At that time, Yue Feng would definitely be there.

The next second, the two of them took the unconscious Ye Zhixin and avoided the patrolling disciples all the way to the room where Yue Feng was resting.

A few minutes later.

Black Cloud City Conference Hall.

Yue Feng sat on the main seat, and on both sides of the hall, Long Qianyu, Zheng Hong, and the heads of the major sects were all there.

Um?

Yue Feng looked around and saw that Ye Zhixin was the only one missing, not only frowning secretly.

Before the break last night, everyone agreed to discuss how to defend against the Apocalypse army of King Guangping. Why was Ye Zhixin absent in this first meeting?

This chapter is provided by . Visit for daily update.

But after thinking about it, Ye Zhixin seemed to be injured in the battle yesterday, and maybe she hasn't recovered yet.

While murmuring in his heart, Yue Feng didn't think much, looked around, and said slowly: "Everyone! Yesterday I pretended to have millions of reinforcements, scared away King Guangping, and temporarily kept Black Cloud City. King Guangping knew the truth and would definitely return. There will be a large number of crimes, what can you do to deal with it?"

When he said this, Yue Feng's expression was calm, but his heart was secretly anxious.

After King Guangping retreated yesterday, Yue Feng received other news from the Kyushu Continent. The Rakshasa clan was raided by Jed, and Jed also summoned the army of death, and the Raksha clan almost retreated.

Yue Feng thought about it, and after helping Black Cloud City completely defeat King Guangping, he quickly went to support the Rakshasa clan.

Phew...

Hearing this, Long Qianyu and the others all looked at each other in dismay. At this moment

, Bai Ma stood up and said with a half-smile, "Sect Master Yue, you use your troops like a god, and you have already deployed defenses in Black Cloud City. What else should we worry about?"

His face was complimenting, but a sinister grin flashed in his eyes.

At the same time, Su Shengfei also responded with a yin and yang peculiarity: "Yes, Sect Master Yue is unparalleled in the world, that King Guangping was so frightened yesterday that he dared to come?"

After speaking, Su Shengfei and Bai Ma looked at each other secretly, and continued: "By the way, why didn't you see Ye Zhixin at the meeting this morning?"

Su Shengfei's expression was serious at this time, but he sneered inwardly.

Haha...

Ye Zhixin's innocence has been taken away by herself, and she is now on Yue Feng's bed. As long as this matter is exposed, Yue Feng will definitely be ruined.

Whoa!

At this moment, everyone around was surprised.

“Yeah, why don’t you see Ye Sect Master?”

“Isn’t something going to happen?”

Listening to everyone’s discussion, Yue Feng said lightly: “Perhaps, Ye Zhangmen was too tired from yesterday’s battle and was still resting.” “

Rest?”

He got up and sneered: “Sect Master Yue, I just wanted to ask, how do you know that Ye Sect Master is still resting? Could it be that you two were together last night?”

Nima!

Yue Feng frowned, and suddenly became angry: “White horse, what do you mean?”

Just now when Baima picked up his own words, Yue Feng was a little uncomfortable. Seeing him taking the initiative to pick things up at this time, he couldn’t help it.

Chapter 3072

“Hehe!”

Feeling Yue Feng’s anger, Bai Ma said without a smile: “Sect Master Yue, I’m just talking casually, what are you excited about?” After

speaking, Bai Ma ordered the disciples outside the hall: “Hurry up Let’s go and see what’s going on with Sect Master Ye?”

At this time, Su Yanchao couldn’t help but pretend: “Yes, Sect Master Ye fought a lot yesterday, and he did a lot of work, but there must be no accident.”

“Yes. ..”

A few disciples outside the door quickly responded, and then went to the room where Ye Zhixin was resting to check the situation.

After a while, several disciples returned, all looking flustered.

“It’s not good!”

One of the leading disciples walked into the hall sweating profusely: “Sect Master Ye is not in the room.”

What?

Hearing this, whether it was Yue Feng, Long Qianyu and others, they were all taken aback.

Ye Zhixin wasn't in the room, and she didn't come to the parliament. Could something really happen?

Bai Ma and Su Yanchao looked at each other with ecstasy in their hearts.

The plan went well, can you not be happy?

“Quick!”

Yue Feng stood up at once and ordered, “Search the entire Black Cloud City immediately, and be sure to find Ye Sect Master!”

At this time, Yue Feng didn't know that he was framed by Bai Ma and Su Yanchao, and Ye Zhixin was with him. in the room.

.....

On the other side, Yue Feng's room.

Um?

Ye Zhixin woke up faintly, only to feel a splitting headache, and after looking around, her body trembled.

what happened? This... this is not my room.

Swish!

The next second, feeling the condition of her own body, Ye Zhixin's heart trembled even more, and she felt ashamed and angry.

Ye Zhixin clearly felt that she had been defiled by others, not only that, but the other party also helped her put on a long skirt.

Who took away his innocence?

For a while, Ye Zhixin's head was buzzing, and the whole person was a little stunned.

“Master Ye!”

“Headmaster Ye, where are you?”

“Quick, look for one room at a time...”

At this moment, there was a shout from outside the room, and then the door was pushed open, each The masters of the main sect all walked in.

Whoa!

Seeing the situation in the room, everyone was stunned.

Just saw Ye Zhixin sitting on Yue Feng's bed, with a trace of grief and anger on her beautiful face.

This...

At the same time, Yue Feng was also stunned, staring blankly at Ye Zhixin, stunned.

Why is she in my room? When I left just now, I obviously didn't see her.

"Sect Master Ye?!"

At this moment, Bai Ma took a step forward and asked Ye Zhixin with concern, "Are you all right? Why are you in Yue Feng's room?"

As soon as he finished speaking, Su Shengfei quickly said, "Sect Master Ye, are you alright? Tell me, is Yue Feng bullying you?" I

have to say, Bai Ma and Su Shengfei are very similar, and everyone around me doesn't notice it. , thinking that the two of them were in a relationship with Ye Zhixin.

"I..."

Ye Zhixin bit her lip lightly, her face flushed: "I don't know..."

At this time, Ye Zhixin, in a mess, came to Yue Feng's room inexplicably, and changed to any girl, facing this In any case, it is difficult to calm down.

At this time, everyone in Long Qianyu couldn't help but talk about it.

"What's the matter?"

Chapter 3073

"The breath of the head of Ye looks very weak, as if someone has been drugged..."

"Could it be that Yue Feng..."

Everyone's discussions kept coming, Bai Ma and Su Shengfei's faces were stunned, and they felt in their hearts But they were all ecstatic.

Haha... so many people have seen it with their own eyes, even if Yue Feng has a hundred mouths, he can't tell.

"Sect Master Ye!"

At this moment, Long Qianyu reacted, walked over and asked Ye Zhixin, "What happened? You say it, and everyone will decide for you." After

speaking, Long Qianyu said nothing. Forgot to stare at Yue Feng.

It seemed obvious that Yue Feng was going to plot against Ye Zhixin, and it seemed that he succeeded.

"I..."

Ye Zhixin bit her lip and said softly, "I was resting in my room last night, and in the middle of the night I heard Yue Feng patrolling by, I said a few words to him through the door, and then I didn't know anything. ."

When she said this, Ye Zhixin was very complicated.

To be honest, she didn't believe that Yue Feng would do such a thing, but the matter in front of her made people doubtful.

Whoa!

When the words fell, there was an uproar in the audience, and everyone looked at Yue Feng, terrified.

The fact was obvious, it was Yue Feng who had stunned Ye Zhixin.

What the hell!

Seeing this scene, Yue Feng was furious.

In the next second, Yue Feng couldn't help but explain: "Last night, I never went out for inspection. It was impossible for me to pass through Ye Sect's room and greet her. This is obviously someone slandering me."

"Slander?"

As soon as he finished speaking, Bai Ma couldn't help shouting: "Yue Feng, the fact is in front of you, you still want to deny it? Besides, Ye Sect has already said it herself, is she joking about her innocence? ?"

Su Shengfei also shouted: "Yue Feng, there were rumors in the rivers and lakes before that you blasphemed the Empress Chang'e, but I didn't believe it at first, but now it seems that you are not only immoral, but your methods are also very despicable and despicable. Sect Ye has always supported you. You treat her like this."

"I..."

Hearing the angry shouts of the two, Yue Fengji's face flushed, but he didn't know how to refute.

It all happened so suddenly, it was hard for anyone to calm down.

Nima!

But soon, Yue Feng suddenly realized something, looked at Bai Ma, then at Su Shengfei, frowning secretly.

These two people were singing together in the hall just now. Ye Zhixin was absent from the meeting. They found out first, and then they said they would send someone to look for Ye Zhixin.

Could it be that... all of this is what they did?

The people who really defiled Ye Zhixin were Bai Ma and Su Shengfei?

Thinking of this, Yue Feng stared at the two white horses, and asked coldly, "White horse, Su Shengfei, where were you last night?"

Huh?

Feeling the anger in Yue Feng's eyes, Bai Ma suddenly panicked, but he calmed down quickly and sneered: "What do you mean, Yue Feng? You don't want to say that we two deliberately framed you?"

"He shouted: "Yue Feng, you are shameless, you have done such an ugly thing yourself, if you don't admit it, you still want to be a rogue?"

Saying that, Su Shengfei looked around and continued: "Everyone, this kind of person is simply a scum from Kyushu. Who has the qualifications to be a commander? It is a big joke to hand over the safety of Black Cloud City to such a person.

"When he fell, many people around him responded.

"Not bad."

"Such immoral conduct is not worthy of being our commander."

At this moment, a guard soldier ran in quickly: "Apocalypse army is calling!"

What?

At this moment, everyone was shocked, and then Long Qianyu looked around: "The matter of Yue Feng, let's talk about it later, let's go meet the enemy!"

Although the things in front of him made people angry, but the black cloud The safety of the city is more important.

Hearing this, everyone no longer hesitated, and followed Long Qianyu to the direction of the city gate.

Yue Feng was so depressed that he quickly followed him out.

call!

When they reached the city gate, whether it was Yue Feng, Long Qianyu and others, they couldn't help but take a deep breath.

I saw that King Guangping led an army of several hundred thousand, and he came in a mighty manner, like a rainbow!

Chapter 3074

Seeing this scene, Yue Feng looked solemn.

He knew that King Guangping would not let Heiyun City easily, but he didn't expect it to come so quickly.

"Yue Feng!"

King Guangping hovered in the air, his eyes fixed on Yue Feng, and he shouted angrily: "You dare to deceive me, saying that there are millions of reinforcements, and today I will break through the Black Cloud City and take your head.

" King Ping's anger sank into his dantian, and his voice resounded throughout the world: "All officers and men follow orders, attack!"

"Kill!" The

voice fell, and the army of hundreds of thousands of Tianqi also rushed towards Black Cloud City like a tide.

Swish.

At this moment, whether it is Long Qianyu or the others around, they are all inexplicably frightened. Here in Black Cloud City, there are only a hundred thousand people in total, how can they stop the hundreds of thousands of King Guangping's army?

"Don't panic, everyone!" At this moment

, Yue Feng reacted and shouted: "According to yesterday's deployment, form a formation to meet the enemy!"

At this time, Yue Feng had regained his composure, and the defense that had been deployed yesterday, Even if the disparity in admitting defeat is too great, it can block the army of King Guangping.

"Kill!" The

voice fell, and the defenders of Black Cloud City screamed to meet them. In the blink of an eye, they were in a melee with the Tianqi army. The sound of weapons colliding and shouting for killing were intertwined and resounded throughout the entire Black Cloud City. .

However, many experts from the major sects remained motionless.

Because of Ye Zhixin's affairs, many people had a great prejudice against Yue Feng.

call!

Seeing this scene, Yue Feng frowned secretly and was so anxious: "Why don't you guys act?"

Yue Feng saw that these sect masters did not help, and the defenders of Black Cloud City could not stop the weather army at all. In just a few minutes, many had already fallen into a pool of blood.

"Yue Feng!"

Su Shengfei walked out of the crowd and said coldly at Yue Feng, "You are not of good character, shameless and despicable, and you are not qualified to command us." The

voice fell, and many people around nodded in agreement.

Nima!

Yue Feng was extremely frightened. This Su Shengfei was too hateful. Now that Heiyun City was at the moment of life and death, he was still against himself. Moreover, what happened to Ye Zhixin was obviously that he and Bai Ma deliberately slandered him.

“Okay!”

At this moment, Long Qianyu bit his lip tightly, looked around and said: “The situation is urgent, everyone should unite to defend the enemy first, and then discuss how to deal with Ye Sect’s head after the Tianqi army is defeated. It’s something.”

After speaking, Long Qianyu couldn’t help but glance at Yue Feng, his eyes showing a bit of indifference.

To be honest, Long Qianyu also didn’t believe that Yue Feng was innocent, but for the safety of Black Cloud City, he could only temporarily appease everyone.

As soon as he finished speaking, Bai Ma said hypocritically: “The eldest princess is right, the most important thing right now is to defend against the Apocalypse army first, and talk about other things later.” After speaking

, Bai Ma shouted at Yue Feng: “Yue Feng, For the safety of Heiyun City, I will follow your command for the time being, and when the enemy is repelled, I hope you can give an explanation about Ye Sect!”

At this time, Bai Ma, with just words on his face, looked in his eyes. But flickering cunning.

“Palace Master Bai!”

Seeing this situation, Su Shengfei became anxious all of a sudden, rushed over to pull the white horse, and whispered: “Why should we compromise with Yue Feng? We have already successfully let him take the blame, why should we listen to his command? ?”

When he said this, Su Shengfei was very unconvinced.

Bai Ma smiled slightly and said in a low voice: “Don’t get excited,

Sect Leader Su, just wait and watch the show.” King Guangping obtained the defense deployment map of Black Cloud City. At that time, when Black Cloud City fell, Yue Feng couldn’t escape the guilt, and coupled with Ye Zhixin’s incident, he was completely ruined.

Of course, there were too many people around, and it was difficult for White Horse to explain these things to Su Shengfei.

call!

Chapter 3075

Seeing Bai Ma say this, Su Shengfei took a deep breath and said nothing more.

At this time on the battlefield, the defenders of Black Cloud City, many soldiers and soldiers were wounded, and more than 20,000 people fell in a pool of blood.

Whoosh!

At this moment, Yue Feng flew into the air, raised his dantian, and shouted: "Every sect obeyed the order, according to yesterday's deployment, all are in place, ready to fight back."

Hearing this, many sect powerhouses, I was very conflicted in my heart, but for the safety of Black Cloud City, I moved quickly.

Soon, the masters of the major sects formed a huge five-element formation around the city gate of Black Cloud City. They were interdependent and had both offense and defense. This five-element formation was arranged by Yue Feng yesterday. The terrain is enough to block the army of hundreds of thousands of Apocalypse.

call!

Seeing the formation of the great formation, Yue Feng secretly breathed a sigh of relief.

With this great formation, we will not be afraid of King Guangping's Apocalypse army.

Yue Feng thought about it, and when the Tianqi army was defeated, he would take care of Ye Zhixin's affairs. No matter what, he had to find out the truth.

"Is this okay..."

"Is Yue Feng too confident?"

The masters of the sects who deployed the Five Elements Array were all skeptical. However, under the command of Yue Feng, the formation still followed.

soon! A scene that shocked everyone appeared.

The original Black Cloud City defenders were retreating under the onslaught of the Tianqi army, but with the cooperation of the five elements, they actually surrounded the Tianqi army.

Whoa!

At this moment, whether it is Long Qianyu, the masters of various sects, or the defenders of Black Cloud City, they are all very excited.

Great, the situation has been reversed, and I have to say that this Yue Feng is worthy of being a famous figure in Kyushu, and he is really powerful.

Just excited, at the same time, many sect masters secretly regretted in their hearts.

Although this Yue Feng used soldiers like a god, it was a pity that his character was too despicable.

At this moment, King Guangping frowned in midair, and said coldly: "All the army obey the order and break through!"

King Guangping had already prepared for this attack on Black Cloud City, so he saw that the army was trapped. , don't panic at all.

"Breakthrough?"

Yue Feng smiled coldly: "King Guangping, I'm afraid you won't have a chance!"

With that, Yue Fengqi raised his dantian and roared, "Everyone obeyed the order and started fighting back."

"Kill..."

Listen When the order was reached, the masters of various sects, as well as the defenders of Black Cloud City, without the slightest hesitation, mobilized their internal strength and started a counterattack.

"Ah!" The

army of hundreds of thousands of Tianqi was trapped in the five elements and could not break through. At this time, facing the counterattack of the Black Cloud City defenders and the major sects, none of them could fight back, and they made a terrible sound. Yell, fell in a pool of blood.

call!

Seeing this scene, King Guangping clenched his fists and his face was extremely ugly.

Although King Guangping was ready to lose his troops in this attack on Heiyun City, he couldn't help but feel angry when he saw his soldiers die tragically.

"King Guangping!"

Seeing this scene, Yue Feng showed a smile and shouted: "Today's battle, you will definitely lose, and it is too late to surrender!"

Guangping Wang Yangtian laughed, his eyes flashing crazy: "Yue Feng, you are too confident. Now , who wins and who loses, not sure."

Wow!

As soon as the voice fell, I heard a thunderous roar from the northwest of Black Cloud City.

At this moment, whether it was Yue Feng, or the defenders of the major sects and Heiyun City, they all turned their heads to look, only one glance, and they were all shocked.

The ultimate husband in Chinese chapter 3076-3080

Chapter 3076

saw that in the northwest of Heiyun City, on the rugged mountain road, an army of tens of thousands attacked.

The leading general, dressed in black black armor and holding a long sword, is majestic.

It was Nie Yunxiao, the commander of the Imperial Forest Army of Tianqi Continent.

what's going on?

Seeing this scene, both Yue Feng and the others were shocked.

You must know that this mountain road in the northwest of Black Cloud City is very secret, and unless it is the people of Black Cloud City, it is difficult for others to find it.

How did the King of Guangping know this way?

“Kill!”

At this moment, Nie Yunxiao raised his hand, roared, and rushed over first.

At the same time, the tens of thousands of soldiers behind him also burst into a roar, killing them directly.

Nie Yunxiao suddenly attacked from the rear. Whether it was the major sects or the defenders of Black Cloud City, they couldn't reach them.

What?

Seeing this scene, whether it was Yue Feng, Long Qianyu and others, they were all shocked.

They saw that the Five Elements formation, which was both offensive and defensive, was rushed from the rear by Nie Yunxiao's extraordinary army, and the formation was in chaos.

Nima!

This chapter is provided by . Visit [for](#) daily update.

At this moment, Yue Feng looked closely at King Guangping, with unspeakable doubts and shocks in his heart.

Impossible, there was no flaw in his deployment yesterday, and he also set up soldiers to guard the mountain road in the northwest. Even if King Guangping sent spies, he would not be able to find this road.

However, King Guangping actually sent an ambush to come around from the back mountain.

How could this be?

Haha...

Looking at Yue Feng's expression, the white horse not far away was very excited.

Yue Feng, Yue Feng, you want to maintain your reputation in Kyushu by guarding Black Cloud City, but you never expected that your detailed deployment would have been disclosed to King Guangping by me long ago.

Once this battle is defeated, you are a sinner, completely ruined.

"Your Majesty!"

At this moment, during the fierce battle, Nie Yunxiao shouted at King Guangping: "My subordinates lived up to their expectations, and now they are fully fighting back!"

Before dispatching troops today, Nie Yunxiao was instructed to quietly bypass the black cloud city. After the mountain, wait for the time.

Haha...

Guangping Wang Yangtian laughed, indescribably happy, and praised Nie Yunxiao: "Yes, General Nie should be credited for this battle, and I will reward you when Black Cloud City is broken!"

Saying that, King Guangping's eyes flashed with madness, the long sword in his hand pointed at Heiyun City, and he said loudly: "Soldier, it's time to counterattack, annihilate the enemy, leave no one behind..." The

voice fell, King Guangping's power exploded, and the figure Like a ghost, he rushed over directly.

"Ah..."

King Guangping practiced the evil arts of the ghost world. At this time, he burst out with all his strength, like the evil god of hell. With his sword swung, many of the defenders of Black Cloud City fell in a pool of blood.

"Kill!"

At the same time, Tianqi's army also howled and launched a counterattack against the Five Elements Great Array. Before, the Tianqi army was besieged in groups and had no resistance. At this time, the Five Elements Great Array was broken by Nie Yunxiao from the rear. Open a few gaps, the formation is in chaos, and there is no more threat.

Mad!

Seeing a lot of sect masters and Black Cloud City defenders falling down one by one, Yue Feng's eyes were instantly blood red, and he kept roaring: "Don't panic, let's join forces to meet the enemy..."

However, facing the Many people were completely panicked by the front and back attacks of the Tianqi army, and they couldn't raise their morale at all.

At the same time, many people also began to doubt Yue Feng.

"Yue Feng, didn't you say that the deployment of Black Cloud City is impeccable? Why was it surrounded by the Apocalypse army?"

"What kind of military use is like a god, I think it's a false name!"

"Hehe, we trust him too much..."

Everyone's doubts kept coming, Yue Feng was depressed and anxious.

Until this time, Yue Feng couldn't understand, there was no problem with his deployment, how was King Guangping taking advantage of it.

Chapter 3077

"Kill!"

In just a few seconds, the Apocalypse army, encouraged by King Guangping, was like a broken bamboo, and had already killed at the foot of the city gate.

“Haha...”

Seeing Yue Feng being questioned by his own people, King Guangping was even more proud and laughed: “Yue Feng, didn’t you expect that you would lose so quickly? Defensive map, went out to ask for help, but unfortunately I was caught.”

“In the end, I also want to thank you, if it weren’t for the deployment of the defense map, I would not have found the flaws in Black Cloud City.”

When saying this, King Guangping was full of mockery.

What?

Hearing this, Long Qianyu and the masters of various sects all exploded.

“Did Yue Feng send someone out and leaked the deployment of Black Cloud City?”

“How could such a low-level mistake be made?”

“Why didn’t you tell everyone about this?” During the

discussion, many people glared at Yue Feng, At this time, everyone thought that it was Yue Feng who sent people out of the city privately, and Xie Lu got the information, which led to the destruction of Black Cloud City.

What?

Yue Feng froze there, only feeling his brain buzzing.

I sent someone out to ask for help, and I also brought the defense map of Black Cloud City? How is this possible?

Thinking to himself, Yue Feng took a deep breath and shouted at King Guangping: “You speak clearly? Who did you get the map from?”

“Haha!

” Feng, today your defeat has been decided, what’s the point of worrying about it?”

While speaking, King Guangping urged his soldiers to attack the city.

“Yue Feng!”

At this moment, Bai Ma shouted angrily: "We trust you so much and entrust the safety of Black Cloud City to you, but what about you? But you sent people out of the city on your own initiative, leading to intelligence Leaked, made such a serious mistake, what else do you have to say?"

When he said this, Bai Ma's face was righteous, but he sneered inwardly.

Ye Zhixin was defiled, Heiyun City was forced, Yue Feng, don't think about turning over again this time.

When the words fell, many people also criticized Yue Fengkou.

"That's right, you have to explain this matter."

"I was really blind before, and I actually believed him."

"Don't talk about it, Black Cloud City can't keep it, everyone should withdraw first."

Everyone shouted . Among them, the gate of Black Cloud City has been breached.

Whoa!

Seeing this situation, everyone knew that Black Cloud City was completely lost, so they quickly evacuated with the defenders of Black Cloud City.

As soon as they withdrew from Black Cloud City, hundreds of thousands of Tianqi troops poured in one after another.

"Your Majesty is mighty!"

At this moment, hundreds of thousands of Northern Ying army cheered in unison, and the momentum was overwhelming.

Hearing the cheers of many soldiers, King Guangping hovered in mid-air with a smile on his face, then he lifted his dantian and said slowly, "Everyone has worked hard, I will rest in Heiyun City today, and tomorrow morning, I will march into the Imperial City of Xicang. !"

"Yes, Your Majesty!" Many soldiers and soldiers responded in unison.

the other side.

Yue Feng and the masters of various sects, as well as the defenders of Black Cloud City, retreated all the way to a forest more than ten kilometers away from Black Cloud City, and took a short rest.

When Black Cloud City fell, everyone was in a bad mood. For a time, the atmosphere was very depressed.

“Yue Feng!”

At this moment, the white horse walked out of the crowd and glared at Yue Feng: “The innocence of Ye Zhangmen has been destroyed, and the Black Cloud City has fallen. What do you explain?”

Shuh!

At this moment, everyone’s eyes were focused on Yue Feng.

Chapter 3078

Yue Feng took a deep breath and said slowly, “I was framed by the humiliation of the head of Ye. As for leaking the defense deployment of Black Cloud City, I have never done it, and I have never sent anyone out.

” Words, what Yue Feng said was decisive!

At this time, Yue Feng was very angry in his heart, Ma De, it was Ye Zhixin’s business first, and he was slandered for no reason. Now that Black Cloud City has fallen, he can’t escape the responsibility.

It’s just... that I haven’t done any of these things myself. Hearing this, Bai

Ma’s face was gloomy, and he shouted: “I haven’t admitted it yet, Yue Feng, you are relying on your own strength and don’t take everyone present in the eye, right?”

Looking around, the voice spread throughout the audience: “Everyone, Yue Feng is so arrogant, I propose to take him on the spot and put him on trial!”

Speaking of which, Bai Ma wanted to do it directly, but considering that Yue Feng is too strong, decided to incite the people around.

As long as everyone works together, even if Yue Feng has the support of the Queen of the Underworld, he will not be afraid.

The voice fell, and many people nodded in agreement.

“That’s right! It’s still sophistry now, and it must not be tolerated!”

“If we continue to indulge him, we will help Zhou to abuse.” In the anger of the

crowd, Su Shengfei walked out quickly, pointed at Yue Feng and shouted: "Everyone, stop talking nonsense. , take him down first." The

voice fell, and many sect masters urged their inner strength to surround Yue Feng at once.

"Stop!"

At this moment, a slender figure instantly blocked in front of Yue Feng.

It is Mihui.

At this moment, Mei Hui's delicate face was full of anxiety, she looked around and shouted, "You must have misunderstood, my eldest brother is not that kind of person." The

eldest brother is bright and aboveboard, how could it possibly tarnish Ye Zhixin? Also leaked information to King Guangping?

"Not bad!" The

voice fell, and Zheng Chunqiu also came out, standing firmly beside Yue Feng with a firm face: "What happened today is very strange, I think Yue Feng was framed."

Hu!

Looking at Meihui and Zheng Chunqiu, Yue Feng was moved beyond words.

In the next second, Yue Feng looked around and said seriously: "Everyone, I promise you, I will find out what happened today." As

soon as he finished speaking, Bai Ma said with a sneer, "You don't have to be hypocritical, there are two things today. It's a matter, don't even try to clear the relationship, what are you checking? You just want to find a reason to get out."

Said, Bai Ma looked at Zheng Chunqiu and Meihui: "And the two of you, as Yue Feng Their accomplices can't escape the relationship."

"Yes, take them down together!" Everyone around also shouted.

"You..."

Seeing this scene, Mihui stomped her feet in a hurry.

call!

Yue Feng took a deep breath and sneered: "Okay, since you have to do it, then I will accompany you to the end!"

At this time, Yue Feng had already seen that what happened today was that someone deliberately slandered himself. In this case, no matter how you explain it, there is no such thing.

In this case, there is no need to waste words.

Thinking of this, Yue Feng pulled out the Fang Tianhua halberd and immediately said to Zheng Chunqiu: "Brother Zheng, I was framed for what happened today, but I must not implicate you. I will block them later, and you will take my little sister with you. Leave." The

voice fell, and Mei Hui couldn't help shouting: "Big brother, I'm not leaving!"

How could he bear to leave Yue Feng alone in the current situation?

Zheng Chunqiu also had a resolute look, and said to Yue Feng, "We are brothers. You are being slandered now. If I leave, how will I stand between heaven and earth in the future?"

"Today, I will advance and retreat with you!"

Hearing this, Yue Feng's heart was full of blood, and he laughed loudly: "Okay!"

After that, Yue Feng held Fang Tianhua halberd tightly, his eyes swept over Bai Ma, Su Shengfei and the others, and said word by word, "You guys If you want to catch me, just come up."

Phew!

Feeling Yue Feng's aura, everyone looked at each other in dismay, and no one dared to take the lead.

Chapter 3079

"Yue Feng."

At this moment, Su Shengfei held a long sword tightly, pointed at Yue Feng and cursed: "You still dare to be mad, do you really think no one can cure you?" The

voice fell. , Su Shengfei's inner strength surged, his body flashed, and the long sword stabbed directly at Yue Feng's heart.

Seriously, if Su Shengfei would never dare to fight with Yue Feng, after all, Yue Feng is too powerful.

But now, with so many people around, Su Shengfei didn't panic at all.

Mad!

Seeing Su Shengfei rushing towards him, Yue Feng clenched his fists tightly and burst out with anger. He clenched Fang Tianhua halberd tightly and met Su Shengfei directly.

clang!

The next second, Fang Tianhua halberd and the long sword violently collided, making a loud noise, and seeing Su Shengfei groaning, the whole person flew straight up, flying dozens of meters away, and finally broke a few trees, only fell heavily on the ground.

puff!

Su Shengfei struggled to stand up, a mouthful of blood spurted out, his face pale. At the same time, he stared fiercely at Yue Feng.

"Beyond one's own strength!" Yue Feng said coldly, his eyes full of disdain.

The next second, Yue Feng looked around the audience and said lightly, "Who else? If you don't dare to go alone, let's come together!"

Wow!

Hearing this, everyone present was furious.

Crazy, this Yue Feng is too crazy.

Soon, the white horse reacted and rushed out, pointing at Yue Feng and shouting angrily: "Yue Feng is so arrogant, what are you waiting for? Let's go together!" The

voice fell, and the white horse held the opening axe tightly and rushed up first. .

The surrounding people no longer hesitated, and they all urged their inner strength to charge towards Yue Feng.

"Good job!"

Seeing the masters of various sects coming under siege, Yue Feng laughed wildly, grabbed Fang Tianhua's halberd tightly, and attacked directly.

At the same time, Meihui and Zheng Chunqiu also joined the melee.

At this time, Yue Feng was holding back his fire and was angry. The loss of Black Cloud City made him very irritable. At this time, he was slandered by everyone, so he was no longer merciful.

Under such circumstances, many sect masters were injured by Yue Feng.

Mad!

Seeing that Yue Feng was so mighty, Bai Ma was in a hurry, and then his eyes locked on Mei Hui, and he rushed over and slapped Mei Hui on the back.

Meihui was besieged by several people, and she couldn't react at all. She was slapped in the back by the palm of the white horse, her delicate body trembled, and she was suddenly very weak.

clap clap!

Bai Ma sneered, quickly shot, and clicked on Meihui's acupuncture point.

The next second, the white horse grabbed Meihui's neck and shouted at Yue Feng: "Yue Feng, capture him immediately, otherwise, I will kill him immediately!"

Shuh!

Hearing the angry shout, Yue Feng and Zheng Chunqiu both looked over subconsciously.

Seeing this, Yue Feng was shocked and angry, and the anger in his heart rushed upwards.

At the same time, Zheng Chunqiu was also extremely angry, and shouted angrily at Bai Ma: "Bai Ma, it's a shame that you are still the master of a sect, to use such despicable means, if you have the ability, let her go and arrest us by your ability. Stop!"

Whoosh!

At the same time, the surrounding Long Qianyu and others also looked complicated.

Although Yue Feng is hateful, but Bai Ma seizes Meihui to coerce, and this kind of behavior is not fair.

"Haha!"

In the face of Zheng Chunqiu's anger, Bai Ma sneered: "What do I care about dealing with a scum like Yue Feng?" After

speaking, Bai Ma continued towards Yue Feng: "Yue Feng, I'll give it to you again. If you have a chance, stop immediately." While speaking, her fingers slowly exerted force, and Mei Hui suddenly had difficulty breathing, and her delicate face turned red from suffocation.

Chapter 3080

Nima!

At this time, Yue Feng's eyes were extremely blood red, staring at the white horse, wishing to smash his corpse into ten thousand pieces, but he still stopped and dared not act rashly.

Yue Feng could clearly see that Baima's right hand was tightly holding Meihui's neck. As long as she exerted force, the little girl would be fragrant.

In Yue Feng's heart, Meihui was one of his closest relatives, so how could he just watch something happen to her?

call!

Seeing this scene, Zheng Chunqiu was furious, but stopped.

And Zheng Chunqiu was also very upset for Yue Feng.

Yue Feng has done so many things for the sake of Kyushu. In the past two days, in order to defend the Black Cloud City, he has worked hard, but what happened? But he was maliciously slandered by these people in front of him.

Where is the heaven? !

"Bai Ma!"

At this moment, Yue Feng glared at Bai Ma, his voice completely hoarse, and roared: "Let my little sister go immediately."

"Hehe..."

Bai Ma smiled treacherously, his face full of mockery: "It's okay to let him go, But it depends on your sincerity!" After speaking

, Bai Ma's face sank, and he said coldly: "I immediately disarm and surrender, and kneel down to all of us to atone for our sins, do you know that because you are too confident, the black cloud The city was breached, how many Jianghu fellows and the defenders of Heiyun City, how many innocent people died? And Ye Sect, whose innocence was sullied by you!"

“If you don’t deal with you today, it will be hard for heaven!

”, Generous statement, said with confidence!

At this time, the white horse has a face of justice, but his heart is full of joy.

Haha... Yue Feng, you are completely finished today.

call!

Yue Feng did not answer, but clenched his fists tightly, his eyes blood red.

At the same time, the entire audience was silent, and everyone around them looked at Yue Feng coldly.

In their hearts, what Bai Ma said was right, Yue Feng committed a heinous crime, he defiled Ye Zhixin and caused the fall of Heiyun City, so it would be light for him to kneel down and confess his guilt.

At this moment, Mei Hui was so anxious that she couldn’t help crying: “Big brother, don’t mind me...”

Big brother has always been rebellious, when did he bow his head to others, not to mention today’s matter, he was slandered of.

Hearing Meihui’s cry, Yue Feng was full of discomfort.

The next second, Yue Feng took a deep breath and stared at the white horse: “White horse, if you go back on your word, I will never forgive you!” The voice fell, Yue Feng put away Fang Tianhua halberd, and was about to kneel.

“Brother Yue Feng.”

At this moment, Zheng Chunqiu became anxious and couldn’t help shouting: “You are not wrong, why are you kneeling?”

Puff!

Yue Feng shook his head at Zheng Chunqiu, then bent his knees, knelt down toward the crowd in front of him, and said word by word: “Today, Black Cloud City was breached, I do have a responsibility, it’s my deployment that is not perfect, this is my fault. I admit it!”

When he said this, there was a hint of shame on Yue Feng’s face.

Although he didn't send anyone out of the city to move for rescue, the fact that King Guangping sent someone to make a surprise attack from the back mountain road in Black Cloud City was considered his negligence.

Huh...

Seeing this scene, whether it was White Horse, Long Qianyu, or everyone around, all looked indifferent.

"Of course it's your fault!"

"Black Cloud City has been breached, and it's too late to say anything now."

"Haha..."

In the eyes of everyone, Yue Feng kneeled down and admitted his mistake, which was a matter of course, and no one sympathized.

Big brother....

And Mei Hui, who was controlled by the white horse, was trembling with a delicate body, indescribably distressed, and tears kept flowing down.

In order to defend Heiyun City, the eldest brother has done his best, but these people are not only not grateful, but also criticize him...

"Hehe..."
