

The ultimate husband in Chinese chapter 3081-3090

Chapter 3081

At this moment, the white horse looked down at Yue Feng and said with a gloomy smile: "The attitude is quite sincere, yes, let's not mention the matter of Black Cloud City for the time being, what about the head of Ye? Shouldn't you also explain it well? What?"
The

voice fell, and Su Shengfei next to him shouted: "Yes, you must have an explanation for the matter of the head of Ye."

When he said this, Su Shengfei and Bai Ma looked at each other secretly, and they were incomparable to each other. of excitement.

Heiyun City was broken, Yue Feng admitted his mistake, and maybe he could get everyone's forgiveness, but it was not so easy to clean up Ye Zhixin's innocence.

call! Yue Feng took a deep breath, unable to hide his indignation, and said loudly, "I admit the fall of Black Cloud City, but Ye Zhangmen was innocent and humiliated. I didn't do it at

all. I was slandered."

Yue Feng is very suffocating.

It's your own fault, you bear it yourself, but you won't admit it if you don't do it.

wow.

Hearing this, everyone was extremely indignant.

"The evidence is convincing, but he's still stubborn now?"

"I think he can't see the coffin and won't cry..."

"He admitted his fault just now, I quite appreciate it, now.... Hehe..."

Everyone's comments The discussion kept coming, and Long Qianyu, who had been silent all the time, couldn't bear it any longer. With a flash of his tender body, he rushed over, his jade hand raised, and directly touched Yue Feng's acupuncture point.

Papa...

Long Qianyu shot quickly, Yue Feng couldn't react at all, and his body was shocked, and he couldn't move.

At this moment, Yue Feng was very frightened. He thought that even if someone made a surprise attack, it would be White Horse or Su Shengfei, but he never expected it to be Long Qianyu.

At the same time, Zheng Chunqiu and Meihui were also tapped on acupuncture points and could not move.

"Yue Feng!" Long Qianyu's beautiful face was full of contempt: "You are really disappointing."

Like everyone else, Long Qianyu also believed that it was Yue Feng who tainted Ye Zhixin. If he had the courage to admit it, Maybe Long Qianyu would give him a high look, but Yue Feng refused to admit it, which made Long Qianyu very indignant.

disappointed you?

Hearing this, Yue Feng smirked and didn't bother to explain.

"Everyone!"

At this moment, Bai Ma gave Yue Feng a cold look, and said loudly to the people around him: "Yue Feng has misbehavior and did such despicable things, what should everyone say to deal with it?" The

voice fell, Su Shengfei and many others responded.

"Kill him!" "This kind of scum

is the shame of our Kyushu rivers and lakes, and it must not be tolerated."

"Execute on the spot!"

, Nima, this white horse is too sinister, deliberately slandering himself, and wants his own life.

At this time, Yue Feng was even more certain that Ye Zhixin's innocence and humiliation had something to do with the white horse. It's just that now everyone is pointing their finger at him, and he has no evidence, so he can only be anxious.

Zheng Chunqiu and Meihui next to them were also in a hurry, but their acupoints were taped, and they wanted to come and help, but they were helpless.

Ha ha...

Seeing this scene, Bai Ma was overwhelmed with excitement, and then said to Long Qianyu: "His Royal Highness, the eldest princess, Yue Feng's crime is so heinous that death is not a pity. As for how to execute him, it's up to you to decide."

Bai Ma is very cunning . , I have always been very active in the matter of slandering Yue Feng today. If I kill Yue Feng in the end, it will inevitably be suspected later, so I will hand over the last step of dealing with Yue Feng to Long Qianyu.

After all, Long Qianyu is the eldest princess of the Southern Cloud Continent, with high prestige.

Swish!

The voice fell, and the eyes of the audience suddenly converged on Long Qianyu.

Long Qianyu nodded silently, without the slightest emotional fluctuations on his beautiful face.

The next second, Long Qianyu looked around and finally landed on Ye Zhixin: "Sect Master Ye, come here and kill Yue Feng!"

What? ? !

Ye Zhi's heart trembled, and her whole body was a little dazed.

When she first woke up in the morning, she learned that her innocence had been destroyed, Ye Zhixin's mind was always in a mess, and when she followed everyone to evacuate Heiyun City, she was in a daze, as if she had lost her soul. At this time, she suddenly heard Long Qianyu. If he wanted to kill Yue Feng himself, he was completely confused.

Chapter 3082

"I..."

At this time, under the gazes of everyone, Ye Zhixin's heart trembled uncontrollably, and whispered to Long Qianyu: "I... I can't get down. Hand..."

Although all the clues pointed to Yue Feng, Ye Zhixin still didn't want to believe that Yue Feng would do such a thing to herself.

Long Qianyu frowned: "Sect Master Ye, you still believe in this scum?"

"You helped him so much before, but he did such a despicable thing to you. You still have this kind of person. What a pity?"

Hearing this, Ye Zhixin's somewhat flustered eyes gradually became firmer.

That 's right...

When Yue Feng changed his name and surname to join Yuyao Pavilion, after he knew the truth, not only did he not blame him, but he also defended him everywhere.

But he... when he

thought of his innocence and humiliation, Ye Zhixin felt a surge of resentment deep in his heart.

At this time, everyone around them also opened their mouths.

"Sect Master Ye, kill this scum."

"Yes, Yue Feng acted daringly, this is his own fault."

"Kill him..."

Hearing what everyone said, Ye Zhixin clenched her sword and walked towards Yue Feng step by step. come over.

Soon, Ye Zhixin stopped a few meters away from Yue Feng, her face full of complexity.

"Master Ye."

Seeing the tangle in Ye Zhixin's eyes, Yue Feng took a deep breath and said slowly, "I'm sorry for what happened to you, but I really didn't do it, but don't worry, I will definitely find out. murderer."

After some words, Yue Feng said it very sincerely, but at the same time, he was secretly anxious.

Hearing this, Ye Zhixin frowned, and her heart became confused again.

At this moment, Su Shengfei couldn't help shouting: "Sect Master Ye, don't listen to his nonsense, this Yue Feng is best at rhetoric, hurry up."

When he said this, Su Shengfei's eyes flashed with excitement.

Haha...

I enjoyed Ye Zhixin's tenderness last night, and even successfully blamed Yue Feng, it really kills two birds with one stone.

If at this time, Ye Zhixin could kill Yue Feng with her own hands, that would be even better.

The voice fell, and the white horse couldn't help shouting: "Yes, the head of Ye is quick to do it, if you let him go this time, I'm afraid you won't have this chance again in the future."

Hu!

Hearing these shouts, Ye Zhi's delicate body trembled, and a trace of resentment flashed in her eyes: "Yue Feng, you insult my innocence, go to hell!" The

voice fell, and the long sword in her hand stabbed directly.

puff!

This sword pierced directly into Yue Feng's chest, piercing almost his entire body! In an instant, blood spurted out and dripped down the long sword.

To be honest, Ye Zhixin never believed that Yue Feng was the one who defiled her, but everyone around her said so, so she no longer doubted it.

"You..."

Yue Feng was trembling all over, his face was pale, he stared blankly at Ye Zhixin, his heart ached.

He didn't expect that Ye Zhixin would really attack him.

"Big brother..." "Brother

Yue Feng!"

Seeing this scene, Mei Hui and Zheng Chunqiu couldn't help shouting.

Especially Mei Hui, who almost burst into tears, tears streaming down.

Yue Feng didn't seem to hear the shouts of the two, but looked directly at Ye Zhixin with a sad tone: "Really....not me..."

Facing Yue Feng's eyes, Ye Zhixin's delicate body trembled. , couldn't help but take a step back: "I..."

Ye Zhixin didn't know why, so she moved her hand, but she didn't feel any revenge in her heart, instead she was a little flustered.

Could it be...you're blaming him wrong? !

The one who really defiled himself, someone else?

“kill him!”

Chapter 3083

“Master Ye, hurry...kill him!”

At this time, Bai Ma, Su Shengfei and the others kept yelling from behind.

However, Ye Zhixin was completely in a mess, her hands kept shaking, and she couldn't hold the long sword anymore.

puff.

At this moment, Yue Feng's body softened and he slumped on the ground, his breath was extremely weak, he could feel it.

The sword just pierced the heart, Yue Feng clearly felt that his life force was slowly passing away, but with his strong willpower, he had not fainted yet.

“Everyone!”

At this time, the white horse looked around and said loudly, “Ye Zhangmen is kind-hearted and can't bear to kill her, so let me do it for her!”

After speaking, the white horse's eyes fell on Yue Feng, and he said with a wicked smile. : “Go to hell, Yue Feng!”

Om!

The last sentence fell, and the white horse pulled out the axe to open the sky, and the figure rose into the air, heading straight for Yue Feng.

“Don't!”

“Stop it...”

Seeing this scene, Mei Hui and Zheng Chunqiu yelled loudly, but to no avail.

Nima!

Seeing the white horse rushing towards him, Yue Feng's eyes were extremely blood red, and at the same time he was a little desperate.

I have been upright and upright all my life, but I didn't expect to be calculated by these villains in the end.

It's so sad to die like this.

hum.

Seeing that Yue Feng was about to be hit by the opening axe, suddenly, at this critical moment, in the sky not far away, there was a strong aura, and then, two figures flew quickly like cannonballs. .

Two men, one with sullen eyes, full of evil spirits, the other young and handsome.

It was Zhang Jiao and Wen Xiaoyu.

Two days ago, after Zhang Jiao and Wen Xiaoyu returned to Kyushu, they inquired about the situation and learned that the major sects were all imprisoned in the Hades Cauldron by King Guangping, and then King Guangping launched a war, and they are attacking these two days. Black Cloud City, the master and the apprentice hurried over to take a look.

"Tsk tsk..."

When he got to the front, Zhang Jiao looked around and sneered: "There are a lot of people."

Wow!

At this moment, whether it was Bai Ma or Long Qianyu and the others, their hearts were shocked and their faces paled in shock.

In particular, White Horse, with a proud and confident face, was suddenly horrified, thinking that he had read it wrong.

How is this possible?

Zhang Jiao obviously died in the Hall of Longevity, but he still watched with his own eyes. He was buried in the back mountain by his disciples. But why is he alive again?

Bai Ma didn't know yet that Zhang Jiao practiced the inextinguishable scriptures, and there was a stunt that could destroy life and forget death. Back then in Mount Emei, Zhou Qin was also buried alive by Yue Wuya. With this stunt, he escaped from death.

Yue Feng, who was not far away, was also secretly shocked.

However, Yue Feng was not surprised by Zhang Jiao's appearance, but his eyes were fixed on Wen Xiaoyu.

Brother Wen's son? Why is he with Zhang Jiao?

At this time, there was also an uproar around, and many people reacted and talked a lot.

"Zhang Jiao? Why is he here?"

"This person is strong and cunning, but it's not easy to deal with."

At this time, Zhang Jiao's eyes swept over everyone, and finally fell on Bai Ma, and said coldly: "You despicable villain, I didn't expect that I was still alive. Right?"

When he said this, Zhang Jiao couldn't hide his anger.

He is a man who has become famous for thousands of years, but it is a shame and shame to be planted in the hands of a villain like White Horse.

"..."

Bai Ma opened his mouth, very flustered, and then retorted with courage: "Zhang Jiao, you are very ambitious and cause trouble for the rivers and lakes. When I was on Changsheng Island, I led you into a trap. Although it is disgraceful, it is also It can be regarded as eradicating evil for the rivers and lakes. I have nothing to be ashamed of."

After these words, the righteousness was awe-inspiring.

To be honest, seeing Zhang Jiao come back to life, Bai Ma was very flustered, but thinking of so many people around, he suddenly had the courage.

Chapter 3084

"Worthy of your heart?"

Hearing this, Zhang Jiao laughed upright, his face full of sarcasm: "Bai Ma, calling you a despicable villain really flatters you, a person like you is simply extremely shameless."

With that said, Zhang Jiao glanced at Wen Xiaoyu next to him: "Even if you deal with me for the sake of justice, what about Wen Chou Chou? How did you kill him, dare you admit it?"

Phew!

At this moment, Wen Xiaoyu glared at the white horse, like a dormant cheetah, waiting for an opportunity.

At the same time, Yue Feng was also inexplicably excited, and his body trembled faintly.

There was no evidence before, and the white horse framed Brother Wen. Now that Zhang Jiao has appeared, everything will be revealed.

Although he didn't like Zhang Jiao, at this time, Zai Yue Feng hoped to see Zhang Jiao punish the villain Bai Ma in public.

Whoa!

Seeing the situation in front of him, the eyes of everyone around him suddenly converged on the white horse, each with a complicated expression.

what's going on?

Could it be that the white horse really betrayed Wen Chou Chou and then took over the position of the Hall Master of the Hall of Longevity?

"Explain?"

Seeing everyone looking at him, the white horse's expression changed, and then he retorted at Zhang Jiao: "Why should I explain? Palace Master Wen was killed by you, so I want to avenge him, in Changsheng Island. Is it wrong to lead you into a trap?"

"What is the truth, you know better than me."

Seeing that he was still arguing at this time, Zhang Jiao was furious: "Bai Ma, you don't need to speak sophistry, in short, today I am I'll do the math with you."

With that said, Zhang Jiao glanced at Yue Feng and couldn't help laughing: "Looking at the situation, even Yue Feng was hurt by this kid."

Zhang Jiao was resourceful and far-sighted. Although he has always been hostile to Yue Feng, he also Knowing Yue Feng's character and the situation in front of him, he could see at a glance that Yue Feng was framed again, and was then besieged by everyone.

call!

Hearing this, everyone around looked at each other in dismay, and their hearts were complicated.

Even Zhang Jiao said that Yue Feng was framed. Could it be that there is really another secret behind the destruction of Black Cloud City and the defilement of Ye Zhixin?

To be honest, if others say that, everyone will never be shaken, but Zhang Jiao is a well-known existence in the world, and in his capacity, he will not say this for no reason.

At the same time, Ye Zhixin and Long Qianyu not far away were also trembling.

Could it be... it's really not Yue Feng, you have misunderstood him?

“Everyone!”

Seeing everyone's expressions, the white horse suddenly became anxious and shouted: “Zhang Jiao is very ambitious and always wants to dominate Kyushu. Everyone, don't listen to his nonsense.”

At this time, Zhang Jiao was too lazy to talk nonsense, and directed at Wen Xiao Yu said: “Xiao Yu, the enemy who killed his father is right in front of you, what are you waiting for?”

Om!

Wen Xiaoyu nodded, motivated by internal force, and saw an extremely strong breath burst out, and the surrounding air seemed to be stagnant.

During this time, Wen Xiaoyu has been practicing with Zhang Jiao. Because of his unique talent, he has been taught by Zhang Jiao, and his strength has almost improved by leaps and bounds.

The next second, Wen Xiaoyu looked at Zhang Jiao and pleaded earnestly: “Master, I will deal with the white horse, please save my Uncle Yue.”

Wen Xiaoyu saw that there was a sword in Yue Feng's heart, blood dyed his clothes red, and he was extremely weak. He was his father's sworn brother, and he must not die without help.

“Don't worry, with me here, your Uncle Yue won't die.” Zhang Jiao nodded with confidence on his face.

If it were three months ago, Zhang Jiao would never agree to accept Yue Feng. After all, in his heart, Yue Feng has always been regarded as the number one enemy, but after the death of Changsheng Island, Zhang Jiao has seen through a lot.

More importantly, the purpose of today is to kill the white horse.

What?

Master?

Chapter 3085

Hearing the conversation between the master and the apprentice, both the white horse and the people around were stunned.

Wen Chou Chou Yi Bo Yun Tian, and his son actually worshipped Zhang Jiao as his teacher.

At the same time, Yue Feng was also stunned, staring at Wen Xiaoyu, speechless.

The next second, Wen Xiaoyu looked at Zhang Jiao's plea seriously, and said coldly: "When you pretended to be with me and killed Wen Chou Chou in secret, you fled back to the Hall of Longevity, took the opportunity to sit in the position of the hall master, and then deceived him again. My Heaven-Opening Axe,"

However, no one thought that at this moment, suddenly, a loud shout came from behind! Immediately afterwards, a figure, with rapid lightning, rushed from behind Yue Feng and slapped Yue Feng with a palm!

"Haha..."

Finally, Bai Ma was the first to react and couldn't help laughing: "I understand, it turns out that Yue Feng and Zhang Jiao have been colluding with each other." After

speaking, Bai Ma looked around and shouted. "Everyone, Zhang Jiao is talking nonsense, slandering me and killing the Palace Master Wen. In fact, his purpose is to save Yue Feng. We must unite and not let him succeed." The

voice fell, and everyone looked at each other.

At this moment, Su Shengfei followed and shouted: "Yes, if Yue Feng didn't collude with Zhang Jiao? Why did Wen Chou Chou's son worship Zhang Jiao as his teacher? As we all know, Yue Feng and Wen Chou Chou were sworn brothers, and Wen Chou Chou died. After that, Yue Feng is equivalent to this kid's father, how could he apprentice to Zhang Jiao without Yue Feng's permission?"

Wow!

The remarks attracted many people nodding and applauding.

"That makes sense..."

"So it seems that today we tried Yue Feng in a public trial, and we did the right thing."

Hearing these words, Yue Feng was furious, Mad, this white horse is really despicable, he actually fabricated the facts, the last time he and Wen Xiaoyu met was three years ago, how could it be possible to teach him to worship Zhang Jiao as a teacher?

“Bai Ma, die!”

At this moment, Wen Xiaoyu roared, the figure burst out, and slapped the white horse with a palm.

Wen Xiaoyu, who was in a vigorous grade, couldn't help it when he saw that the white horse had turned the facts upside down.

“Good job!”

Seeing Wen Xiaoyu rushing towards him, the white horse didn't panic at all, sneered, and greeted him with a palm.

boom!

The palms of the two sides collided, and a huge earthquake came out, and the dust and smoke rose, and the figures of Bai Ma and Wen Xiaoyu were seen, and they were simultaneously shaken back in mid-air.

Obviously, the two sides held each other's hands, and no one took advantage.

Made!

Bai Ma stared at Wen Xiaoyu closely, calm on the surface, but shocked in his heart.

I haven't seen each other for a few days, but this kid has become so strong.

To be honest, Bai Ma really wanted to cast the Sky Axe immediately, but he was afraid of Zhang Jiao, so he held back. After all, Zhang Jiao was the former owner of the Sky Axe, and his understanding of the Sky Axe was much deeper than his own. .

If the opening axe is rashly used, if it is not successfully killed, and the opening axe is snatched back by Zhang Jiao, it will not be worth the gain.

hum!

At this moment, Wen Xiaoyu's inner strength exploded and rushed over again.

At the same time, Zhang Jiao also took this opportunity, his figure flashed, and he charged directly towards Yue Feng.

Seeing this scene, Bai Ma was furious, and while fighting with Wen Xiaoyu, he shouted at everyone around him: "Everyone, stop Zhang Jiao, you mustn't let him save Yue Feng."

Whoa!

Hearing this, everyone around hesitated, but they still rushed towards Zhang Jiao.

In an instant, the masters of the major sects all mobilized their internal strength, and the explosive breath distorted the sky, and the momentum was astonishing.

However, Zhang Jiao didn't panic at all.

"A group of brainless people, you are all used by the white horse, you are all treated as spearmen, and you are foolish to work for him." Zhang Jiao said coldly, then raised his hands, and his internal force formed a powerful aura storm, swept out towards the surrounding.

The ultimate husband in Chinese chapter 3086-3090

Chapter 3086

Bang bang bang...

Under the violent shaking, I saw many sect masters being shaken out. But then, more people approached Zhang Jiao.

At this time, everyone present was bewitched by the white horse and believed that Yue Feng and Zhang Jiao were secretly colluding, and Zhang Jiao appeared with Wen Xiaoyu to save Yue Feng.

The fall of Heiyun City, which was killed by Yue Feng, tarnished Ye Zhixin's innocence. The crime was unforgivable. How could he be rescued by Zhang Jiao?

Made!

Seeing more and more people crowding around, Zhang Jiao was furious.

I thought that I could easily take revenge when I found the white horse, but I didn't expect that the white horse was so cunning, and with a few words, he incited the experts around him to deal with him.

Huh..

Seeing the scene in front of him, Yue Feng was too anxious.

There are too many people here in Baima, even if Zhang Jiao is strong, I am afraid that he is not an opponent.

At this time, Yue Feng's heart is also extremely complicated. In Yue Feng's heart, he has always had no good feelings for Zhang Jiao, but at this moment, it is the unprecedented hope that Zhang Jiao can win.

Whoosh!

Just when Yue Feng was secretly anxious, suddenly, a figure rushed over with an evil smile on his face.

It was Su Shengfei.

When he got to the front, Su Shengfei shouted at the white horse crowd: "Everyone, you block Zhang Jiao, I will watch Yue Feng and prevent him from escaping!"

This chapter is provided by . Visit for daily update.

After saying this, Su Shengfei turned his head and looked at Yue Feng with a half-smile.

Nima!

Seeing Su Shengfei's expression, Yue Feng frowned secretly, realizing that there was nothing wrong.

"Hey!"

At this moment, Su Shengfei walked up to Yue Feng with an aloof attitude: "The dignified Heavenly Sect Sect Master, the former Emperor of Xi Cang, has ended up in such a situation. It's really embarrassing."

Yue Feng sneered, no Pay attention to it, while secretly regulating the internal force. The acupuncture point was sealed, and Ye Zhixin stabbed the central vein with a sword just now. The blood loss was too much, and it took a long time to recuperate.

Seeing Yue Feng's expression, Su Shengfei was furious.

Mad, you're about to die, and you're putting on airs with me.

But after thinking about it, Su Shengfei squeezed out a smile again, leaned in front of Yue Feng and whispered, "Yue Feng, do you want to live?"

As he spoke, Su Shengfei paid attention to the movement around him, and saw the white horse and Long Qianyu. Everyone was still fighting with Zhang Jiao and Wen Xiaoyu, and no one cared about it.

“What do you mean?”

Hearing this, Yue Feng glanced at Su Shengfei and responded coldly, “If you have something to say, just say it!”

Su Shengfei raised his mouth and said in a low voice, “Yue Feng, we are all smart. People, your current situation has been spurned by major sects, and you will be executed when Zhang Jiao is repelled, and now the two sides are fighting lively, no one pays attention to this side, this is your only chance to survive!”

Saying these At the time, Su Shengfei looked treacherous.

As the Sect Master of Tianmen, Yue Feng was not only powerful, but also possessed the dragon spirit beasts that the entire Kyushu envied, especially the dragon spirit beasts, which Su Shengfei had coveted for a long time.

This villain...

Yue Feng is an old man. Seeing Su Shengfei smiling, he immediately guessed that this kid has ulterior motives.

The next second, Yue Feng sneered: “What are you trying to say?”

Speaking of which, Yue Feng didn’t want to pay attention to a villain like Su Shengfei who retaliates his kindness and revenge, but now he can’t help himself, so he has to deal with him.

“It’s very simple!”

Su Shengfei laughed sinisterly and lowered his voice: “As long as you give me the dragon spirit beast, I will let you go.”

After saying this, Su Shengfei looked closely at Yue Feng, his eyes flashing with excitement and anticipation .

Chapter 3087

Dragon is the strongest divine beast in Kyushu, and everyone wants to have it.

However, Su Shengfei didn’t really want to let Yue Feng go. After all, he was the one who defiled Ye Zhixin and framed Yue Feng on purpose. How could he let him go.

Su Shengfei thought about it, as long as he got the dragon spirit beast, he would kill Yue Feng immediately. At that time, the truth of Ye Zhixin’s taint, Yue Feng’s death, would never be clear.

Originally wanted a dragon spirit beast!

Hearing this, Yue Feng frowned and sneered silently.

This kid Su Shengfei has no ability, and he thinks it is quite beautiful.

“Yue Feng!”

Seeing Yue Feng just sneering and not speaking, Su Shengfei became a little anxious, and continued: “Think about it, this is a good chance for your life, don’t miss it, it won’t come again, and you have to take good care of yourself. Think about your sister-in-law, and your Sect Master Zheng, if you die, they won’t end well either!”

“Could it be that you have the heart to watch them be implicated by you?”

“A dragon spirit beast, in exchange for your three lives, you No loss!”

When he said this, Su Shengfei looked at Meihui and then at Zheng Chunqiu.

Especially Mei Hui, watching Su Shengfei swallowed saliva secretly.

I have to say that this sister-in-law of Yue Feng is also a rare beauty. Even if she is tied up with five flowers, she is very embarrassed, but her slender and charming figure is still so attractive.

“Su Shengfei!”

Just when Su Shengfei was fascinated by it, Yue Feng said coldly, “If I guessed correctly, Ye Zhangmen’s innocence was destroyed, and it was you and Bai Ma who deliberately slandered me, right?”

Uh.

Su Shengfei was stunned for a moment, very embarrassed, and was speechless for a while.

Yue Feng took a deep breath, unable to hide the contempt in his heart, and continued: “Dragon is the strongest spiritual beast in Kyushu, the embodiment of justice, and represents the righteous path of heaven and earth, and it is only a person like you who can only play small tricks behind your back. Is it worthy to own?”

Shua!

Hearing this, Su Shengfei’s face turned into a pig’s liver, and he was extremely ashamed and angry.

“Nima’s.” In the next second, Su Shengfei pointed at Yue Feng’s nose and scolded: “Yue Feng, don’t be ashamed of your face, you dare to teach me a lesson when death is imminent?”

“Go away!”

At this moment, Yue Feng He was too lazy to talk nonsense, and said coldly: “Shameless villain, you are not worthy of negotiating terms with me!”

Yue Feng is not stupid. In the current situation, he can only pin his hopes on Wen Xiaoyu and Zhang Jiao. As for villains like Su Shengfei , even if the dragon spirit beast was given to him, he would not let him go.

Because this kind of villain has no credit at all.

Made!

Feeling the contempt in Yue Feng’s eyes, Su Shengfei was completely furious. He suddenly pulled out his long sword and stabbed Yue Feng’s shoulder directly. In an instant, blood spurted out, and the ground was scarlet.

Pfft...

Yue Feng’s body trembled, he gritted his teeth and did not shout, his eyes were instantly blood red.

Mad, if it wasn’t for the acupuncture point, how could a villain like Su Shengfei be able to show off his power in front of him?

At this time, Yue Feng really wanted to summon the dragon spirit beast or Bing Yao, but Bing Yao had consumed too much energy before, and is still recovering from the retreat, and Xiaolong is still a minor, even if it is released, it will be very difficult. It is difficult to turn the situation around.

Su Shengfei stabbed Yue Feng with a sword, and Su Shengfei said with a grim face: “Yue Feng, don’t know how to lift up! Quickly hand over the dragon spirit beast.”

When he said this, Su Shengfei clenched his long sword tightly around Yue Feng’s neck, his eyes filled with killing intent.

Swish!

Seeing the situation here, everyone who was fighting was stunned.

Immediately, Long Qianyu couldn’t help shouting: “Sect Leader Su, look at Yue Feng, how can you use lynching?”

Zhang Jiao and Wen Xiaoyu are not weak, and they can be restrained by everyone now because of their consideration. Yue Feng, if Yue Feng died, the two of them would have no scruples, and everyone would be unable to stop them.

Chapter 3088

At this moment, other sect masters also frowned secretly.

call!

Seeing that everyone noticed this, Su Shengfei hurriedly shouted: "This Yue Feng is not honest, I will teach him a lesson."

When he said this, Su Shengfei looked calm, but felt a little uneasy in his heart.

I took the opportunity to think about Yue Feng's request for the dragon spirit beast, and I must not let anyone know.

"Don't hurt my Uncle Yue!"

Wen Xiaoyu, who was fighting fiercely with the white horse, suddenly had blood red eyes, couldn't help but howl, and was about to rush over.

However, the white horse didn't give him a chance at all. He waved his axe, and the golden light raged, and Wen Xiaoyu was quickly intercepted.

"Big brother..."

At the same time, Mei Hui, who was next to her, couldn't help but whisper: "How are you?"

Mei Hui could clearly see that half of Yue Feng's body was dyed red with blood, and his expression was extremely weak.

Under the tension, Mei Hui kept shouting at Su Shengfei: "Stop, stop now..."

Until this time, Mei Hui also saw that what happened today was deliberately slandered by Bai Ma and Su Shengfei.

Seeing Meihui's worried look, Yue Feng showed a smile and signaled not to worry.

Immediately, Yue Feng said indifferently to Su Shengfei in front of him: "Su Shengfei, even if I die, I will not give you the dragon spirit beast. You should die!"

Yue Feng knew that even if he agreed to Su Shengfei, he would not give it to you. I won't let myself go.

“good very good!”

In an instant, Su Shengfei was completely angry, and sneered again and again: “Yue Feng, you are very tough, right? You are not afraid of death, right? Okay, then I will play with your righteous sister!”

After saying that, Su Shengfei put away his long sword, turned and walked away. Going to Meihui, she smiled and said, “It’s a pity to kill such a sexy beauty, why don’t you let me appreciate it!”

“

Very embarrassed, and kept drinking.

Swish!

At this moment, Yue Feng was on fire!

Su Shengfei, this villain, in order to achieve his goal, he didn’t want to be shameless, and he even threatened himself with Meihui.

Zheng Chunqiu, who was tied beside him, was also furious, and his eyes were blood red.

“Su Shengfei!” In the

next second, Zheng Chunqiu couldn’t help but scolded: “It’s a shame that you are still the master of a sect, but you come to bully a woman who has no resistance. Are you still human?”

Immediately, Zheng Chunqiu tightly Staring at Su Shengfei, his voice was almost hoarse: “If you want to be a man, just let me go, let’s go one-on-one!”

In Zheng Chunqiu’s eyes, he has always had no affection for Su Shengfei. This man is narrow-minded and has despicable methods. Bullying Meihui, she couldn’t help it anymore.

“Su Shengfei!”

At the same time, Yue Feng’s eyes were blood red, and he howled: “If you dare to touch her, I will crush you to ashes!”

In Yue Feng’s heart, although Meihui is his righteous sister, Like his biological sister, after Ouyang Zhennan’s tragic death, Yue Feng secretly vowed to protect Jiang Shan and Meihui in the future.

At this time, seeing that Su Shengfei was going to do something to Meihui, he instantly touched Yue Feng's inverse scale.

If you touch my family, you will kill them!

hiss!

Su Shengfei's hand was about to touch Meihui's face, but when he met the strong killing intent in Yue Feng's eyes, his heart trembled, and he couldn't help gasping for air.

Yue Feng's strength is terrifying, and he really wants to kill himself, but it's as easy as the palm of his hand.

However, now that he was injured and had acupuncture points, what was he afraid of?

Thinking to himself, Su Shengfei looked grim and sneered at Yue Feng: "Yue Feng, you can't protect yourself now, how dare you speak out?"

Chapter 3089

After speaking, Su Shengfei turned his head towards Zheng Chunqiu and said, "And you, do you want to be a hero?"

"Crack!" After the words

fell, Su Shengfei slapped Zheng Chunqiu with no warning and slapped it on Zheng Chunqiu's face. .

This slap directly knocked Zheng Chunqiu back two steps, his body swayed, and he fell directly to the ground, while a mouthful of blood spurted out.

"Stop!"

"Su Shengfei, what are you coming at me!"

Seeing this scene, Yue Feng and Meihui couldn't help but shouted.

Listening to the shouts of the brothers and sisters, Su Shengfei became more arrogant and walked to Zheng Chunqiu step by step.

"Pfft!"

At this time, Zheng Chunqiu spat out a mouthful of blood, raised his eyes and looked at Su Shengfei, and said coldly: "Su Shengfei, if the three of us are missing a hair today, my Danzong will never let you go!"

” Damn you Mad!”

Su Shengfei’s face was full of contempt, and his eyes showed a bit of ruthlessness: “Your life is in my hands now, what qualifications do you have to shout at me?” After the voice fell, Su Shengfei slapped Zheng Chunqiu in the heart, Hearing Zheng Chunqiu groan, he passed out.

“Su Shengfei, what the hell!”

Seeing this scene, Yue Feng was completely furious and couldn’t help howling: “If I don’t die today, I’ll blow your bones to ashes...”

Although he didn’t marry Zheng Chunqiu, But in Yue Feng’s heart, he has always regarded him as a brother of life and death. How can he not be angry when he sees him being tortured by Su Shengfei at this time?

“Ha ha....”

Yue Feng’s howling did not make Su Shengfei restrain himself, but aroused his madness, and he laughed loudly.

Immediately, Su Shengfei tilted his head to look at Meihui, and then slapped him fiercely.

“Crack!”

With a crisp sound, Meihui let out a coquettish cry, and half of her beautiful face suddenly swelled up, and a trace of blood flowed from the corner of her mouth!

“Yue Feng, I’ll give you another chance. If you don’t agree to my conditions, I’ll have a good time with your adopted sister!” Su Shengfei smiled evilly.

“The Black Cloud City you harmed was destroyed, and Ye Sect Master was defiled. The methods were despicable, and everyone was able to kill them, and the people you were close to could not escape the relationship. No one will come to stop me, if you don’t believe me, let’s try.” As the

voice fell, Su Shengfei raised his right hand and slapped Meihui’s head fiercely!

“Big brother...”

Seeing Su Shengfei slap in the face, Meihui was angry and unwilling, tears kept streaming down, and cried at Yue Feng: “Little sister can’t accompany you in the future, you must To live, avenge me...”

Said, Mei Hui closed her eyes in despair, she was tapped, facing Su Shengfei's slap, there was no way to avoid it.

"Little sister!"

Yue Feng shouted frantically with red eyes, his voice hoarse instantly.

At this time, Yue Feng, heartbroken like a knife, wanted to rush over, hit him with two swords, and was tapped at acupuncture points. He was so weak that he could only watch helplessly.

"Su Shengfei!"

Yue Feng's eyes were red and blood red, and he roared wildly at Su Shengfei: "If you dare to hurt your little sister, I, Yue Feng, will destroy your Wanhe Sect and tell you to die without a place to be buried!"

"..."

This roar echoed endlessly in the air!

Seeing that this palm was about to hit Meihui, Yue Feng was hoarse, and finally closed his eyes with indescribable resentment.

"Roar!"

At this moment, a ray of light erupted from Yue Feng's waist, followed by a roar of dragons, and the surrounding air suddenly distorted.

In the next second, a dragon tens of meters long burst out of the sky.

It is Yue Feng's dragon spirit beast.

Although he has been dormant in the spirit beast sack, the dragon spirit beast and Yue Feng are in the same mind. At this time, Yue Feng's emotions are sensed, and he can't stand it anymore.

More importantly, the soul of the dragon spirit beast is Xiaoxi. Xiaoxi and Meihui are like sisters. They sensed that Meihui was in danger. In a hurry, they rushed out without waiting for Yue Feng's call.

Huh....

Seeing the dragon spirit beast appearing in front of him, Yue Feng was both happy and worried.

I didn't summon myself, how did it come out?

Also, this dragon spirit beast is not yet an adult, and its strength is limited. Even if it can crush Su Shengfei, behind Su Shengfei, there are masters from various sects.

This...

At the same time, Su Shengfei was also stunned, staring blankly at the dragon spirit beast in front of him, his eyes full of shock.

The people who were fighting not far away also stopped subconsciously, their eyes fell on the dragon spirit beast, and they were shocked.

As expected of the strongest divine beast in Kyushu, the breath that pervades this dragon is too shocking.

"Su Shengfei!"

At this moment, Yue Feng reacted and said coldly to Su Shengfei: "This is the dragon spirit beast you want. If you have the ability, you can subdue it!"

"Roar!"

"The dragon spirit beast, let out a roar that shocked the world, and then, the blood basin opened its mouth, and a group of purple flames spewed out! Go straight to Su Shengfei.

For a while, the situation became chaotic.

At this time, in the crowd, the white horse had a complicated face, and the figure turned and flew quickly towards the distance.

The white horse is very cunning. When Zhang Jiao and Wen Xiaoyu appeared just now, he was a little flustered. At this time, when he saw Yue Feng’s dragon spirit beast, he stopped staying and decided to leave first.

“Run?”

Seeing the figure of the white horse going away, Wen Xiaoyu shouted angrily, urging the figure, and directly chased after him.

Speaking of which, Wen Xiaoyu really wanted to save Yue Feng, but he was really unwilling to watch the white horse leave.

call!

Zhang Jiao took a deep breath, frowned, and followed Wen Xiaoyu closely, chasing towards the white horse.

In the blink of an eye, the three figures quickly disappeared from everyone’s sight.

“Roar!”

At this time, surrounded by everyone, the fierceness of the dragon spirit beast was stimulated, and the huge body hovered and danced in the air, and a loud roar erupted.

At the same time, flames kept spewing out of his mouth.

“what!”

This flame is called the Flame of Dragon’s Breath. Although it is not a different fire, it is very powerful. I heard a scream, and many sect masters were burned.

However, after all, the dragon spirit beast has not grown into an adult. Although it is mighty, there are too many sect masters around. In less than half an hour, the speed slowed down, and there were many wounds on the body.

call!

Seeing this scene, Yue Feng was so anxious.

Oops, I didn't summon the dragon spirit beast at first, because it was immature and couldn't stop so many sect masters.
