Chapter 3091

Mad!

At the same time, Su Shengfei, who had stepped aside, was also extremely annoyed.

I wanted to deceive Yue Feng and let him give the dragon spirit beast to himself in private, but he didn't expect that he actually summoned the dragon spirit beast.

Now that so many people have seen it, I am afraid that it is impossible to get the dragon spirit beast.

"Roar, roar..."

As there were more and more wounds on the body, the dragon spirit beast kept roaring, and there was unwillingness in the roar.

At the same time, those blood-red eyes were looking at Yue Feng, full of reluctance.

"Master, I did my best!"

Among the dragon spirit beasts, Xiao Xi's soul shouted unwillingly.

hum!

At this moment, I saw a terrifying aura coming from the sky not far away, and in an instant, the sky and the earth changed, and the dark clouds rolled.

The sudden vision of heaven and earth caused everyone present to be stunned.

"Dragon...a lot of dragons..." At this moment, someone shouted, and the voice was indescribably terrified.

Hearing the shout, everyone looked at the distant horizon, and all of them couldn't help gasping for air.

I saw in the sky, one after another huge figure, coming from the clouds and fog, accompanied by thunder and lightning, there were dozens of giant dragons.

This chapter is provided by . Visit [for](#) daily update.

Each of these giant dragons is more than 100 meters long, and the scales all over the body are covered with a cold light under the reflection of lightning, which makes people palpitate.

Suddenly seeing so many dragons, everyone present was stunned, even a little timid, their legs were weak, and they could hardly stand still.

In front of these giant dragons, a slender figure walked in the air.

A fiery red dress with a dragon-shaped totem embroidered on it. With a beautiful face and a slender figure, he just showed an aura of contempt for the world all over his body.

hiss!

Such a terrifying power.

Feeling this woman's breath, everyone felt breathless.

is her!

At this time, Yue Feng also stared blankly at the figure in the air, and he was surprised and excited at the same time.

That's right, the woman in the fiery red dress is one of the four dragon envoys of the Shenlong clan, Long Xiang'er.

A few days ago, King Guangping used the Hades Cauldron to trap the major sects in the Hades Cauldron. Later, King Guangping and Jade were ordered by Hades to split their troops and start a war in Kyushu. Arrived at Shenlong Island.

Xiandi, the empress of the dragon clan, quickly made a decision to let Long Xiang'er bring the strong dragon clan to come to Kyushu to help Yue Feng. You must know that Yue Feng's dragon spirit beast is Xiandi's younger sister.

"Excuse me!"

At this time, Long Qianyu took the lead in reacting, took a step forward,

and said to Long Xiang'er, "I don't know how holy your Excellency is!" Ten giant dragons, trembling in their hearts.

To be able to lead so many giant dragons must have an extraordinary origin.

As soon as he finished speaking, a giant dragon opened his mouth wide and said coldly, "This is the divine dragon envoy of our divine dragon clan."

What? The dragon envoy of the Shenlong family?

Hearing this, whether it was Long Qianyu or the others, their hearts were shocked.

For thousands of years in the Kyushu mainland, the dragon family has disappeared, but there are still some sporadic records in some ancient books. It is rumored that the dragon family has a strict internal hierarchy, and being able to be a dragon envoy must be very terrifying.

“Shenlong Envoy!”

At this moment, Su Shengfei stepped out of the crowd, squeezed out a smile, and flattered at Long Xiang'er: “You must have come for this young dragon, don't get me wrong, we didn't want to kill it just now. This young dragon is saving it.”

After speaking, Su Shengfei pointed at Yue Feng, and said with a sullen expression: “Yue Feng used despicable means to take this young dragon and force it to be his own spirit beast, We can't see it...”

Su Shengfei was despicable and cunning, knowing that the dragon Xiang'er and these giant dragons in front of him must have come for the sake of the young dragons, so he deliberately fabricated lies and put the blame on Yue Feng.

Chapter 3092

At this moment, many people around also nodded in agreement.

Suddenly there were so many giant dragons, who would dare to pay attention to the young dragons? Seeing Su Shengfei slandering Yue Feng at this time, although he felt it was inappropriate, he still subconsciously added fuel to the flames.

As long as the attention of these gods and dragons is shifted to Yue Feng, they will not be in danger.

“Crack!”

Long Xiang'er slapped Su Shengfei's face fiercely without warning!

At this time, Long Xiang'er's beautiful face was full of anger. She could clearly see that the young dragon beside Yue Feng, under the siege of the major sects, was covered in wounds, while Su Shengfei in front of her was actually full of wounds. It is hypocritical to say that this is to return the freedom of the young dragon. Such a shameless person, whoever encounters it will not be able to bear it.

More importantly, the master-servant relationship between the young dragon and Yue Feng was recognized by the dragon empress. Moreover, Yue Feng is also the Dragon Zun of the Shenlong Clan, and his status is aloof.

And this person, who openly slandered Yue Feng, was simply courting death.

This slap was very heavy, but for a moment, there was no sound in the audience, and everyone was stunned.

Especially feeling Long Xiang'er's anger, everyone's heart tensed.

"You...?"

Su Shengfei was directly blinded, looking at Long Xiang'er in disbelief, with surprise and anger in his eyes.

After all, he is also the master of a sect, and he was beaten in front of so many people. How will he meet people in the future?

Under the fire, Su Shengfei wanted to break out, but thinking of Long Xiang'er's identity, he still held back, he was a divine dragon envoy. Hit hard, you can't take advantage of it at all.

"Hey!"

At this moment, Long Qianyu couldn't stand it any longer, and shouted at Long Xiang'er, "You are the envoy of the dragon, so you can't just hit anyone." , I couldn't help it.

"Anyone?" Long

Xiang'er had a frosty face, looked around, and said coldly, "This person is talking nonsense and blatantly slandering His Excellency Long Zun. Shouldn't he be beaten?"

The wind came.

When they got to the front, the pride on Long Xiang'er's face disappeared, replaced by a very respectful gesture, and said softly to Yue Feng: "Lord Long Zun, we are late, and you have suffered."

When saying this , Long Xiang'er's incomparably humble and polite, compared with the attitude towards Su Shengfei, it is like heaven and earth.

"Hohoho..."

At the same time, dozens of giant dragons suspended in mid-air made a roar of dragons, and then bowed their heads to Yue Feng at the same time.

Um?

But then, Su Shengfei saw a jade card on Long Xiang'er's waist, his body was shocked, and his whole body froze.

What? !

Seeing this scene, everyone present opened their mouths wide and froze there. To be honest, the scene in front of me was really shocking.

Dozens of giant dragons bowed their heads to Yue Feng at the same time.

Moreover, Long Xiang'er, who has a detached status, is also polite to Yue Feng, and calls him Long Zun? !

How could this be?

It is not to say that dragons are extremely proud divine beasts. From ancient times to the present, they have never bowed their heads to human beings, but at this time, these giant dragons are so humble and respectful to Yue Feng.

Long Qianyu is also stupid!

At this moment, her legs felt weak, and her delicate body couldn't help but take two steps back.

She could see that Long Xiang'er in front of her eyes and the giant dragon in midair were extremely respectful to Yue Feng.

He...he turned out to be the Dragon Lord of the Dragon Clan!

quiet!

For a moment, the audience was silent, and a drop of a needle could be heard clearly.

Su Shengfei was also completely stupid. He only felt that his legs were weak and he could not stand firm. How could this be? Yue Feng changed his body and became the Dragon Lord of the Dragon Clan, and he was still slandering him just now...

Chapter 3093

"You..."

After being stunned for a few seconds, Su Shengfei reacted and looked at Long Xiang'er blankly, dripping with cold sweat.

Long Xiang'er looked at him coldly: "Yue Feng's dragon spirit beast is the younger sister of our dragon queen, and the master-servant relationship between them was also approved by our queen, but you are talking nonsense and slandering Long Zun, What do you think you should be blamed for?"

“Pfft!”

Feeling the coldness in Long Xiang'er's eyes, Su Shengfei felt a chill in his heart, trembled all over, and knelt on the ground all of a sudden!

“I...I...!” Su Shengfei was terrified, and was extremely shocked inside.

It's over, it turns out that Yue Feng and the Dragon Clan have such a close relationship.

“Misunderstanding, it's all misunderstanding, it's my nonsense...” Su Shengfei was about to cry, and kept explaining to Long Xiang'er.

However, Long Xiang'er didn't pay attention to it at all, but said politely to Yue Feng: “Your Excellency Long Zun, this person is despicable and shameless, how to deal with it?”

Hu!

Yue Feng took a deep breath and did not speak, but looked at Mei Hui and Zheng Chunqiu next to him.

At this time, Zheng Chunqiu was knocked unconscious by Su Shengfei's palm, and he still hadn't woken up yet.

As for Meihui, she almost didn't escape Su Shengfei's clutches just now.

Thinking of this, Yue Feng was burning with anger, and said coldly: “Kill him.” His tone was awe-inspiring, and there was no room for relaxation.

hum!

When the words fell, Su Shengfei's heart was shocked, his face was instantly pale, and he was so scared that he slumped on the ground.

At this time, Su Shengfei was panicked and depressed. He thought that he successfully framed Yue Feng today, and Yue Feng had no chance to turn around. Who knew that the situation was unpredictable and the Shenlong Clan would suddenly arrive.

“Sect Master Yue...”

At this moment, Su Shengfei knelt on the ground and kowtowed to Yue Feng: “I was wrong, I am a despicable villain, you are a lot, please spare my life...”

The other people around were extremely silent, and none of them dared to speak to Su Shengfei. After all, the momentum of Long Xiang'er and dozens of giant dragons was too strong, overwhelming everyone.

Ha ha!

Facing Su Shengfei's begging for mercy, Yue Feng had no expression on his face, and said coldly, "You keep killing me, how can I forgive you?" "

I..."

I'm going to pee my pants.

Suddenly, Su Shengfei thought of something and shouted: "Sect Master Yue, I can prove your innocence. The one who really tarnished Sect Master Ye was actually Bai Ma, who deliberately wanted to frame you."

Su Shengfei said this. excited face.

Su Shengfei knew that he would die if he didn't reveal anything about the situation in front of him. Anyway, the white horse was not here, so he could say whatever he wanted.

Whoa!

Hearing this, there was an uproar in the audience.

"It's the White Palace Master..."

"I really can't think of it."

"No, if the white horse did it, how would Su Shengfei know?"

At the same time, Ye Zhixin, who was standing in the crowd, also trembled, her mind buzzing.

When everyone's discussion came, Yue Feng frowned, Ma De, as expected, was the ghost of a white horse.

The next second, Yue Feng asked Su Shengfei, "You know so well, could it be that you are an accomplice of White Horse?"

"No, no..."

Su Shengfei shook his head again and again, sweat dripping from his forehead, and quickly denied: "Morning When I was there, I saw the white horse lingering near the room of Sect Master Yue, sneaking around, I didn't think much about it at

the time, but after thinking about it, I felt very suspicious." When Su Shengfei said this, his face was serious, but his heart was panicked. no.

It is absolutely impossible to admit that he and Bai Ma conspired to frame Yue Feng. Now, as long as he puts everything on Bai Ma, he will have a chance to survive.

Chapter 3094

Hearing this, Yue Feng's expression became more and more gloomy: "So when the white horse slandered me, you deliberately pushed the boat with the flow, so that I could never turn over in my life? Right?"

When he said this, Yue Feng was angry in his heart soaring.

Ma De, no matter whether this Su Shengfei conspired with White Horse or not, he must not be forgiven lightly today.

"I..."

Su Shengfei blushed, not knowing how to refute for a while.

"Kill him!" Yue Feng was too lazy to talk nonsense, and said to Long Xiang'er: "Execute on the spot."

Hmm!

Long Xiang'er nodded, her whole body burst out, thinking of Su Shengfei coming step by step.

Su Shengfei was frightened, trembling all over, shrinking back, and at the same time begging for mercy from Yue Feng: "Sect Master Yue, I really didn't mean to slander you, it's because the white horse is too cunning, I was also confused by him at the time. ..."

"Yue Feng!"

Seeing that Long Xiang'er was about to come to Su Shengfei, suddenly, Long Qianyu couldn't help but said, "In this matter, the white horse is the most suspicious, it is better to leave this Su Shengfei alive first. Wait until the white horse is caught, and then let them confront each other."

In Long Qianyu's heart, Yue Feng had to execute the opponent just because Su Shengfei slandered him, which was somewhat inappropriate.

"Yes, yes..."

Su Shengfei was overjoyed when he saw Long Qianyu come out to help himself, and nodded repeatedly: "First catch the white horse..."

However, Yue Feng ignored it at all, and signaled Long Xiang'er to hurry up.

To be honest, if it was before, Yue Feng would never have been so arbitrary, but just now Su Shengfei tried to get his hands on Meihui and violated Yue Feng's evil scale, so he had to kill him.

Swish!

Seeing this scene, Long Qianyu was anxious and angry, and said tenderly, "Yue Feng, don't be fooled." After speaking, he was about to rush over to stop Long Xiang'er.

In her heart, although Su Shengfei is hateful, she is not guilty of death.

Whoops!

At the same time, the masters of the surrounding sects couldn't stand it any longer and started talking.

"Sect Master Yue, we need to take a long-term view on this matter."

"Yeah, since the white horse is the most suspicious, it's better to find him first."

"Yue Feng, don't go too far, can you act recklessly just because you are Long Zun? Do you still care about the rivers and lakes of Kyushu?"

After drinking, many sect masters rushed over with Long Qianyu.

"A long-term plan?"

Hearing these words, Yue Feng's eyes instantly turned blood red, and he couldn't help sneering: "When you were about to execute me before, did you ever think about a long-term plan?"

"Ye sect was just found in my room, so you It was concluded that I was worthy of my conspiracy and did not give me a chance to explain it. Now the situation has reversed, and you think about it for a long time, is it ridiculous?"

Hu!

Hearing this, Long Qianyu and the masters of the major sects were all embarrassed and speechless.

At this time, Long Xiang'er looked around and said coldly: "Long Zun has already ordered to execute this person, whoever dares to intervene is against our Shenlong Clan!"

Om... The

voice fell, a strong breath, It erupted from Long Xiang'er.

At the same time, the dozens of giant dragons suspended in mid-air also landed quickly, turning into human figures one by one, surrounding Su Shengfei to prevent the major sects from approaching.

The dragon is the strongest mythical beast in Kyushu, and when its strength reaches a certain level, it can transform into a human form.

Chapter 3095

This....

Seeing this scene, everyone in Long Qianyu was terrified and stopped one by one.

Su Shengfei trembled all over, and was completely desperate.

When it was over, Yue Feng was determined to take his own life, and now he was really not saved.

Wah wah wah...

At this moment, I heard the sound of neat footsteps in the woods not far away, and there seemed to be a lot of people.

In an instant, everyone, whether it was Yue Feng or Long Qianyu, all looked at them, and all of them were stunned.

Just saw the army of hundreds of thousands of Tianqi rushing in quickly. In front of the army, King Guangping wearing a black dragon robe, suspended in the air, majestic and amazing.

At this time, it was late at night. King Guangping originally ordered the army to rest in Black Cloud City. However, just now, when he saw the sky and the earth changing and the dark clouds were rolling, King Guangping felt that something was wrong, so he immediately led his army to check.

call!

Seeing this scene, Long Qianyu and the others present were secretly shocked.

Yue Feng also frowned secretly, only Long Xiang'er and dozens of dragon powerhouses who transformed into human figures were extremely indifferent.

Yue Feng's face changed and he was shocked.

“Haha!”

When he got to the front, King Guangping looked at the scene in front of him, his face was excited, and he couldn't help laughing: “A bunch of defeated soldiers, so you are hiding here.” After

saying that, King Guangping's eyes were fixed on Yue Feng, sarcastically said: “Yue Feng, today you and the major sects are hard to fly.”

King Guangping clearly saw that Yue Feng was covered in blood, his breath was weak, and the masters of the surrounding sects were also extremely tired. It was obvious that they had gone through a fierce battle before.

King Guangping is a smart man. He guessed at once that Black Cloud City was breached, and there were conflicts between Yue Feng and the major sects. Guessing this, King Guangping was very excited. The infighting between Yue Feng and the major sects was a good thing for him. Taking advantage of the fact that both sides were injured, it happened to be wiped out.

While excited, King Guangping also noticed Long Xianger and the dozens of dragon powerhouses. But didn't take it to heart.

Seeing the excitement on King Guangping's face, Yue Feng pretended to be calm and did not respond.

At this time, King Guangping waved his hand, and hundreds of thousands of troops swarmed to surround everyone.

“Leave Yue Feng alone, and kill the others.” The cold words came from the mouth of King Guangping. King Guangping thought about it, Yue Feng's identity is extraordinary, he must be captured alive, and it will be useful in the future.

hum!

The voice fell, and hundreds of thousands of troops pulled out their long knives and attacked the crowd of Long Qianyu.

“Don't spread out, everyone, and meet the enemy.” Long Qianyu shouted, and took the lead to meet the enemy.

hula.

The masters of the major sects were also shocked and furious. One by one, their internal strength exploded and they greeted the Tianqi army. In an instant, a fierce battle broke out between the two sides.

Because of King Guangping's order, there were no weather soldiers to attack Yue Feng for the time being, but Long Xiang'er and dozens of Dragon Clan experts were still closely guarding Yue Feng.

"Ah.."

Under the fierce battle, many sect masters fell in a pool of blood and suffered heavy casualties. In order to punish Yue Feng, the sect masters consumed a lot of internal energy. At this time, facing hundreds of thousands of apocalypse The army, of course, can't stop it.

"Ha ha.."

Seeing that the situation was under his control, King Guangping was extremely proud and laughed at Yue Feng: "Yue Feng, you are determined to be a great hero in Kyushu, and today I will completely eradicate these sects in front of you, without these Zongmen, there will be no Kyushu rivers and lakes, I see how you maintain the justice of the rivers and lakes."

When he said this, King Guangping glanced at Long Xiang'er and dozens of dragon powerhouses, his eyes full of contempt. In the eyes of King Guangping, Long Xiang'er and these are just ordinary disciples of the sect, and they are nothing to worry about.

At this time, King Guangping did not know that the people guarding around Yue Feng were not people from the major sects, but the powerful dragon clan.

Listening to King Guangping's mockery, Yue Feng was expressionless, but he was secretly anxious.

The ultimate husband in Chinese chapter 3096-3100

Chapter 3096 The

next second, Yue Feng turned his head towards Long Xiang'er and said, "Long Xiang'er, hurry up and help."

Yue Feng saw that people from various sects were suffering more and more casualties. According to this rhythm, In less than half an hour, they will all be annihilated by King Guangping.

"Long Zun!"

Hearing this, Long Xiang'er was stunned for a moment, then bit her lip and said, "Why do these people want to kill you just now, why do you want to help them? Moreover, our dragon clan has a rule that we do not participate in it. The battle within Kyushu. We only

protect your safety, and the life and death of others have nothing to do with our dragon clan.”

When he said this, Long Xiang'er looked indifferent.

Yes, the Dragon Clan has lived on Shenlong Island for thousands of years.

You must know that the reason why the dragons inhabited the remote Shenlong Island at the beginning was because the humans of Kyushu wanted to capture dragons. Therefore, in the hearts of the dragons, they only hated humans. How could they help the major sects?

Uh...

Seeing Long Xiang'er's answer so straightforward, Yue Feng was very embarrassed, but he couldn't help but say: "Long Xiang'er, I know that your dragon clan has resentment towards humans, but for my sake, please help. "To

be honest, just now, Su Shengfei and the major sects believed that they had defiled Ye Zhixin, and Yue Feng was very annoyed, but he couldn't just watch them be wiped out by King Guangping.

Long Xiang'er frowned and fell into a tangle.

"King Guangping won't let me go, it will be too late if he doesn't act." Yue Feng was completely anxious.

"Yue Feng!"

At this moment, King Guangping's inner strength exploded, heading straight for Yue Feng, and the air was torn apart wherever the figure passed.

The situation has been controlled by himself, and if you catch Yue Feng alive, you're done.

This chapter is provided by . Visit for daily update.

Um?

Seeing the outbreak of King Guangping, Long Xiang'er frowned and shouted: "Don't hurt Long Zun." The

voice fell, Long Xiang'er tapped the ground with her toes, flew into the air, and raised her jade hand to hit King Guangping. go.

Bang!

In the next second, Long Xiang'er and King Guangping collided. King Guangping only felt a powerful force coming, and the whole person was shaken back ten steps, and his face flushed.

Long Xiang'er was also shaken back by the volley. Obviously, neither side took advantage of this fight.

call!

At this moment, King Guangping stared at Long Xiang'er, his eyes full of surprise. This woman is young, but her strength is so powerful. Where did Yue Feng find his helper?

But soon, King Guangping calmed down. He had hundreds of thousands of troops, so why should he be afraid of a woman?

Thinking to himself, Yue Feng sneered at Long Xiang'er and said, "I can't tell, the strength is quite strong, but can you protect Yue Feng comprehensively by yourself?"

Shuh!

The contempt of King Guangping made Long Xiang'er very angry.

The next second, Long Xiang'er said coldly: "Do you really think that everything is under your control?" After

speaking, Long Xiang'er gave an order to the dozens of dragon powerhouses below: "Help each sect. , to defend against the enemy army."

When he said this, Long Xiang'er was suspended in the air, and his beautiful face showed cold arrogance and self-confidence.

Speaking of which, Long Xiang'er didn't want to help the major sects, but the arrogance of King Guangping made Long Xiang'er very displeased. You must know that the dignity of the dragon family cannot be desecrated.

"As ordered."

At this moment, dozens of dragon powerhouses guarding around Yue Feng responded in unison, and then flew into the air one after another.

"Haha..."

Seeing this scene, King Guangping couldn't help sneering and mocking: "Just these dozens of people, just want to block my army of hundreds of thousands? What daydreams...huh?"

” After speaking, King Guangping shuddered, and was stunned.

hum, hum, hum!

I saw that dozens of dragon powerhouses flew up in the air, and the explosive power gathered together, and the entire sky instantly darkened, followed by dark clouds rolling, lightning and thunder.

And the figures of these dragon powerhouses were also hidden in the dark clouds and disappeared from everyone’s sight.

The voice fell, and the air around Yue Feng suddenly condensed! A terrifying force spread out from his body crazily!

what’s the situation?

Guangping Wang secretly frowned, with a bad feeling.

“This...how did these people disappear?”

“What a powerful force.”

Chapter 3097

At the same time, the hundreds of thousands of the apocalypse army below were also inexplicably nervous.

call!

Yue Feng breathed a sigh of relief and showed a smile.

Long Xiang’er and these dragon powerhouses are finally willing to take action, and now everyone is saved.

“Hoohoho...”

At this moment, between the layers of dark clouds, a shocking dragon roar came out, and then, dozens of giant dragons circled out and rushed towards the Apocalypse army below. go.

What?

Seeing these dozens of giant dragons, King Guangping’s heart trembled.

what happened?

Those dozens of people just now, are.... the powerhouses of the dragon clan?

Didn't dragons disappear for thousands of years? How come there are so many all of a sudden?

"Dragon?"

"It's a dragon..."

At this moment, the weather soldiers in the battlefield below were all terrified and exclaimed. At the same time, many people wanted to turn around and run away, but it was too late.

"Ah..."

Dozens of giant dragons erupted at the same time, and the burst of power gathered together, almost devastating, I heard screams and screams, and many weather soldiers were torn apart by the giant dragons. , Some fell into a pool of blood before they could react.

massacre!

It was a massacre without suspense.

call!

Seeing this scene, many sect masters did not have the slightest excitement, and they only felt chills down their spines.

This is the power of the dragon, so terrifying, so terrifying.

At the same time, there are also many people who secretly rejoice. Fortunately, I didn't completely tear my face with Yue Feng just now. Otherwise, the one who died under the claws of these giant dragons was me.

"Fellow fellows from all corners of the world!"

At this time, Long Qianyu reacted and shouted: "It's time to counterattack, kill .

" With the cooperation of the major sects and giant dragons, the invincible Apocalypse army was completely chaotic and collapsed. Made! Seeing this scene, King Guangping's eyes were extremely blood red, and he was extremely frightened. He really underestimated the enemy, and the people around Yue Feng turned out to be the illusion of giant dragons. "Huh..." Under the anger, King Guangping's face was extremely ugly, and he almost vomited blood. He clearly saw that his army of hundreds of thousands had suffered countless casualties in less than a few minutes. Less than a

hundred thousand. Most of the soldiers who were still alive were also seriously injured. In this battle, the vitality of Tianqi's army was greatly damaged. "Withdraw... Quickly withdraw!" Finally, King Guangping reacted, gritted his teeth and shouted, and glared at Yue Feng, full of unwillingness. Whoops! The voice fell, less than 100,000 remaining soldiers were defeated, and they quickly evacuated with King Guangping, throwing away their armor and armor one by one, very embarrassed.

wow.

At this moment, the major sects cheered and cheered, and it was not easy to reverse such a disadvantage, and at the same time, they were even more in awe of the dragon race.

Yue Feng also showed a smile.

Um?

The next second, Yue Feng looked around, and his expression changed suddenly. He saw that Su Shengfei, who was kneeling not far away, disappeared at this time. Obviously, when King Guangping was withdrawing his army, he took advantage of the chaos to escape.

Chapter 3098

"Quick!"

Under the anxiety, Yue Feng couldn't help shouting: "Su Shengfei ran away, take him back..." Before he finished speaking

, Yue Feng's eyes turned black and he slumped on the ground. , was stabbed twice before, and lost too much blood. Even if Yue Feng has a strong internal force to protect his body, he can't stand it.

Whoosh...

At this moment, Long Xiang'er's delicate body flashed, quickly rushed over, and helped Yue Feng: "You are too weak, healing is important, that kind of despicable villain, let him live for a few days."

When saying this, Long Xiang'er looked serious. Compared with catching Su Shengfei, Yue Feng's safety is more important. After all, he is the Dragon Lord of the Dragon Clan.

At this moment, Meihui was untied of the acupuncture points and ran over quickly, her delicate face was full of worry: "Brother, how are you?"

Huh!

Yue Feng took a deep breath, smiled and comforted: "It's alright, I can't die!"

After that, Yue Feng looked at Zheng Chunqiu who was still in a coma: "How is Brother Zheng?"

Mei Hui went over to check and responded: "It's just that I passed out, I'm fine for the time being."

Hearing this, Yue Feng was relieved.

"Yue Feng!"

At this time, Long Qianyu came over, his delicate face was full of shame: "Before we... misunderstood you."

At the same time, the other sect masters around were also embarrassed. , Speaking of which, if Long Xiang'er hadn't arrived in time, everyone would have killed Yue Feng by mistake, and was almost wiped out by King Guangping.

Yue Feng smiled bitterly and did not respond.

At this time, Long Xiang'er took out a fiery red medicinal pill and handed it to Yue Feng: "This is the Dragon Spirit Pill of our Dragon Clan. It is very effective for treating injuries."

Yue Feng took the medicinal pill without thinking about it. swallowed.

call!

In an instant, after swallowing the Dragon Spirit Pill, Yue Feng only felt the pain of the sword injury, which was relieved a lot, and his body gradually recovered his strength.

Seeing that Yue Feng was no longer in danger, Long Xiang'er breathed a sigh of relief, and then said seriously: "Long Zun, the situation in the Kyushu mainland is unstable now, why don't you take the young dragon and return to Shenlong Island with us.

" Looking at the young dragon lying on the side, his eyes were full of distress.

I saw that just now, in order to protect Yue Feng, the young dragon had wounds all over his body and blood dripping from his scales. Although he did not worry about his life, he was extremely weak, and it would take at least a few months to recover.

"This..."

Yue Feng hesitated and said slowly: "Well, you take Xiaolong back, I still have a lot of things to do, so I won't go with you."

Although King Guangping's weather army, just defeated, it is impossible to provoke another war in a short time, but there is still one Jade. I heard that Jade has occupied the station of the Rakshasa clan and is preparing to enter the Kyushu Continent. It can be said that the Kyushu Continent is now in the midst of wind and rain, and at this critical moment, he must not leave.

"Long Zun!"

Long Xiang'er became anxious and frowned: "You have done so much for the Kyushu Continent, but how did the Kyushu Continent treat you? How many people want to replace you, and even maliciously slander you, what happened just now? , if we hadn't arrived in time, you'd be dead."

"Such a ruthless and unscrupulous Kyushu river and lake, what do you have to be attached to?"

Alas!

Hearing this, Yue Feng smiled bitterly, and said slowly: "I understand what you said, but as a native of Kyushu, I can't watch my home being destroyed and remain indifferent."

Seriously, Yue Feng really wanted to make Long Xiang'er sent a message that the Empress of the Dragon Clan would send a strong person to help the Kyushu Continent, but she gave up thinking of the grievances between the Dragon Clan and the human race.

"Okay!"

Seeing Yue Feng's resolute attitude, Long Xiang'er was no longer insisting. She greeted dozens of dragon powerhouses, and quickly left with the injured young dragon. In a blink of an eye, they disappeared from everyone's sight.

As soon as the forefoot left, Long Qianyu and the surrounding sect masters also left. Jed has already captured the Rakshasa station, and will soon invade Kyushu. He has to go back and deploy defense.

"Little sister!"

Watching everyone leave, Yue Feng took a deep breath, stood up slowly, and said to Meihui, "Let's go too, first meet you sister Yingying, Wuya and the others." After

being separated for so long, Ren Ren Yingying and the Great Sage should have successfully recovered their strength with the help of Lu Dongbin.

Um!

Chapter 3099

Meihui responded and took Zheng Chunqiu along with Yue Feng and went away.

One day later, the Imperial City of Nagumo Continent!

On the dragon chair in the palace hall, the queen sat quietly, dressed in a gorgeous dragon robe, showing her tight figure to the fullest, with a myriad of manners, and her whole body was filled with a powerful royal majesty.

Long Qianyu stood quietly beside the Queen, wearing a long purple dress, with a dignified look on her beautiful face.

On both sides of the hall, the civil and military officials stood there neatly, each with a serious expression.

After Long Qianyu returned to the Southern Cloud Continent yesterday, he reported the situation to the Empress in detail. The Empress was very happy to learn that King Guangping's army of hundreds of thousands had been defeated, but she did not take it lightly, because it was just two hours ago. , There was news that Jade led an army of nearly one million dead and was gathering at the southern cloud border, and could launch an attack at any time.

At this time, the queen called the civil and military officials to discuss how to resist Jade.

"Aiqings."

At this time, the queen looked around, her red lips parted lightly, and she said softly, "Jed's army of death is no trivial matter. What are your best strategies to retreat from the enemy?"

" main hall.

Her voice was soft, but it gave off an inviolable majesty.

Whoa!

As soon as the voice fell, the ministers of civil and military affairs who were present immediately erupted into heated discussions.

Some advocated taking the initiative to attack, and some suggested defense.

Seeing this, the queen frowned and became very irritable.

“Well...”

Suddenly, the queen’s delicate body trembled slightly, her slender waist bent down, and she retched a few times, her beautiful face showing a trace of pain.

“Sister Huang, what’s the matter with you?”

“Your Majesty!”

“Go and ask for an imperial physician.”

Seeing this scene, both Long Qianyu and the civil and military ministers present were all startled and exclaimed. Immediately afterwards, someone went to call the imperial doctor.

At this time, the queen was also secretly suspicious.

what happened? It was fine just now, why did you suddenly feel nauseated? !

Soon, the imperial physician Sun Liang came in a hurry, and under everyone’s attention, he took the pulse of the queen.

“Doctor Sun, what’s wrong with my imperial sister?” Long Qianyu couldn’t help asking.

Whoa!

At the same time, the eyes of the Minister of Civil and Military also focused on Sun Liang, waiting for his response.

“Your Majesty... Your Majesty she...” Sun Liang was sweating profusely, hesitating and hesitating, looking very tangled.

At this time, Sun Liang was very surprised, because he clearly diagnosed that the queen was happy, but how could the queen be pregnant after the late emperor had passed away for many years?

“Sun Liang, what’s wrong with Zhen?” Seeing that he didn’t say anything, the queen was also a little impatient and couldn’t help urging.

“Your Majesty...”

Sun Liang took a step back, knelt there, tremblingly said: “Your Majesty...you are happy!”

What?

The queen also trembled, thinking she heard it wrong.

Feeling the anger of Long Qianyu, Sun Liang was covered in cold sweat and almost cried: “The eldest princess calms down, how dare the ministers talk nonsense? Your Majesty’s happy pulse is beating frequently, and she is indeed pregnant...”

Wow!

The voice fell, and the civil and military officials present suddenly burst into an uproar.

“What’s the situation?”

“The late emperor has long been gone, His Majesty is pregnant...”

After the death of the late emperor, he had been guarding himself like a jade, how could he be pregnant with a child?

And just a month ago, by chance, Yue Feng had another night of warmth with the Queen, and it was this time that the Queen was pregnant with a child.

quiet!

For a time, the hall was surprisingly quiet.

“Haha!” Finally, among the civil and military officials, a

burly figure slowly walked out and looked at the queen with a half-smile, “Your Majesty, why don’t you explain it?”

The four-clawed golden python is embroidered on it, which is Zhennan Wang Long Yaotian.

When the late emperor was still there, he was specially designated as the King of Zhennan, guarding the frontier of the Southern Cloud Continent, and he had a lot of troops. Above, it is comparable to Long Qianyu.

When the previous emperor died, Long Yaotian had the opportunity to inherit the throne, but he was in the frontier at that time, so the queen seized the opportunity.

Therefore, in Long Yaotian’s heart, he was always dissatisfied with the queen, and he wanted to take back the throne all the time. At this time, seeing the queen’s inexplicable joy, he knew that the opportunity had come.

“Long Yaotian!”

At this moment, the queen reacted and looked at Long Yaotian coldly: “What do you mean?”

“What do you mean?”

Long Yaotian took a step forward, righteousness: “The late emperor passed away for many years, but you still Being pregnant, this is simply a blasphemy to the royal family, how can a shameless woman like you be qualified to be an empress?”

You don’t need me to say more about the situation in front of you, you already know why your Majesty is in Yutai Engraved with the names of you and Zhu Bajie? “

Shu!

The voice fell, and the eyes of the surrounding officials suddenly converged on the Queen. In their eyes, there was no reverence before, but full of complexity!

Because Long Yaotian said it well, the Queen is the ruler of the Southern Cloud Continent. The person represents the image of the entire Southern Cloud Continent, but now, but the bead is dark and pregnant, if it spreads out, the Southern Cloud Imperial Family will become the laughing stock of Kyushu.

Immediately afterwards, many civil and military officials couldn’t help but whisper . “I didn’t expect that Her Majesty

the Queen, whom I have always admired, turned out to be this kind of woman. “

Oh, after all, she is also a woman, not to mention, the late emperor has been dead for so many years...”

“That being said, it is understandable that there is a need, but she is pregnant.... this...”

Listen The queen was embarrassed and angry at the discussions around her, but she didn't know how to scold her.

Next to Long Qianyu, the delicate face is also extremely ugly.

Haha...

Seeing this scene, Long Yaotian was secretly proud, then stared at the Queen, and said coldly: “Tell me, who is the wild man who is having sex with you?”

“You...” After the

voice fell, the Queen The delicate body trembled, and she was so angry that she pointed at Long Yaotian with her jade finger: “Long Yaotian, you are arrogant!”
