

The ultimate husband in Chinese chapter 3101-3110

Chapter 3101 The

dignified Queen Nanyun, who was so questioned by Long Yaotian in front of so many people, where did she put her face?

What's more abhorrent, he actually said that he was having sex with a wild man.... he couldn't bear it!

Feeling the anger of the queen, Long Yaotian had a fearless face, and his expression did not fluctuate at all.

call!

Seeing this scene, the surrounding civil and military officials did not dare to show their air.

One is Her Majesty the Queen, who intimidates the world, and the other is King Zhennan, who is in control of the military. No one dares to offend these two.

For a time, the atmosphere of the entire secret room seemed extremely solemn.

“Long Yaotian!”

At this moment, Long Qianyu, who was next to him, finally couldn't bear it anymore, and shouted at Long Yaotian: “You are so bold, you dare to talk to His Majesty like this, do you want to rebel?”

Seriously Yes, what happened in front of her also caught Long Qianyu's attention, but she and the Queen's sisters were deeply in love. Even if the Queen made a mistake, she would give her full support and never let others bully her.

Ha ha!

In the face of Long Qianyu's reprimand, Long Yaotian snorted lightly, his face could not hide the contempt: “Long Qianyu, don't point fingers at me, your sister seduces men, is pregnant with wild seeds, and loses all the royal family. Face, I will investigate this matter thoroughly!” After speaking, Long Yaotian took a

deep breath, didn't bother to talk nonsense, and said coldly to the Queen: “Today's affairs, there must be an explanation!”

, can't bear to refute!

This chapter is provided by . Visit for daily update.

“You...”

Long Qian’s tone was not good, but he didn’t know how to refute it. After all, it was a fact that the Queen was pregnant.

Swish!

At this time, the civil and military officials in the main hall also looked at the queen again.

call!

Facing the eyes of everyone, the queen bit her lip tightly, almost bleeding, and said slowly, “I have never done anything to be sorry to the late emperor. Over the years, I have often met the late emperor in my dreams. Maybe This child is the congenital spirit of the late emperor, who gave me the gift of the royal bloodline, someone who has successors...”

When she said this, the queen’s face was extremely red, and she was indescribably shy.

This kind of private matter, if it is normal, the queen will never say it, especially in front of civil and military officials, but at this time there is no way, Long Yaotian stares at it, and if he does not explain, he will really say Not clear.

After saying this, the queen turned her head to look at Long Yaotian: “Are you satisfied with such an explanation?” Her tone was indifferent, but an uncontrollable anger rose in her heart.

This Long Yaotian, openly slandering himself, is simply lawless.

Meeting the Emperor in a dream?

Hearing this, both Long Yaotian and the surrounding civil and military officials were stunned.

“Haha...”

After a few seconds, Long Yaotian reacted and laughed loudly, his eyes full of mockery: “Meeting Your Majesty in a dream can you get pregnant? Do you think we are three-year-old children?” As he said that

, Long Yaotian’s eyes flickered, and he asked the Queen, “I’ll ask you again, who is that wild man?”

Innocent, there are no wild men.”

“Okay!”

Long Yaotian sneered and said coldly: “If that’s the case, then don’t blame me for not giving you a chance, as the Queen of Nanyun, but secretly pregnant, humiliating the royal family’s reputation, it seems that you will be thrown into prison, Let’s interrogate well!”

After speaking, Long Yaotian looked around the audience, and his cold voice spread throughout the hall: “I, Long Yaotian, declare as the king of Zhennan that the empress is shameless, and she has sex with wild men and is pregnant with evil seeds. To humiliate the late emperor’s trust is a real shame for the royal family, all of you are deeply favored by the late emperor and emperor, and you should support this king to clean up the royal family, so that you can see what you hear!”

Om!

The last sentence fell, and a powerful breath burst out from Long Yaotian, sweeping the audience.

Chapter 3102

Wow!

The voice fell, and the surrounding civil and military millions nodded in agreement.

“Yes, things like this that insult the royal family must be strictly investigated!”

“If you don’t love yourself, how can you be qualified to be an empress?”

“I will fully support King Zhennan!” In

agreement, no one sympathized with the empress. Contempt flashed in his eyes.

“You...”

At this moment, the queen’s delicate body trembled, and her jade finger pointed at Long Yaotian, unable to speak in anger.

This Long Yaotian is getting more and more presumptuous, and even openly attracts hundreds of officials to fight against him, this is obviously a rebellion.

“Long Yaotian!”

At this moment, Long Qianyu couldn't bear it anymore, and shouted: "You are so bold, you are disrespectful to the royal sister, and you have to rebel openly. I am here today, you don't want to hurt my royal sister. A hair!" The

voice fell, and Long Qianyu's delicate body flashed, clenched a long sword, and came straight to Long Yaotian!

call!

Seeing this scene, the surrounding civil and military officials quickly retreated.

Long Qianyu's strength is strong, and everyone present is very clear. Seeing her take action at this time, they are all afraid of being accidentally injured.

"Haha!"

Seeing Long Qianyu burst out, Long Yaotian did not panic at all, but was somewhat excited: "Long Qianyu, others are afraid of you, but I am not afraid of you, I tell you, you two sisters rule The era of the Southern Cloud Continent is over!"

Kacha!

As soon as the words fell, Long Yaotian's whole body surged with inner strength, and he held a long knife tightly in his hands, and then greeted him!

"Clang!" In the

next second, the swords collided, and everyone only heard a vibration, and the entire hall trembled. Then, Long Qianyu's delicate body trembled, and the whole person was shaken back ten steps, his face pale. .

Speaking of which, Long Yaotian is no match for Long Qianyu, but in order to defend Heiyun City, Long Qianyu was injured and returned to Nanyun Imperial City yesterday. It hasn't fully recovered yet.

At this time, facing Long Yaotian in his peak state, he naturally couldn't stop it.

This....

seeing this scene, the surrounding civil and military officials were all shocked.

King Zhennan has been guarding the border for many years and rarely returns to the imperial city. He did not expect his strength to become so strong, and he defeated Long Qianyu with just one move.

"Imperial Sister!"

At this time, the Queen was shocked and angry, and held Long Qianyu in her arms. Her beautiful face was full of worry: "How are you?" Yaotian hurt his younger sister, and was instantly furious.

Long Qianyu shook his head, indicating that he was fine, but still stared at Long Yaotian fiercely.

"Long Yaotian!" The

queen looked at Long Yaotian tightly, and said tenderly, "Since I became the queen, you have been unconvinced. You said so much, didn't you just want to get the throne? Well, I'll take a look at you. Do you have the ability!"

"Kacha!" The

voice fell, accompanied by a crisp sound, a jade sword appeared in the Queen's hand.

As you can see, this jade sword is lustrous and translucent. It is made of top-quality white jade. It is very exquisite and invaluable.

This jade sword was a gift from the late emperor to the empress. The empress always carried it close to her body and was reluctant to take it out. Facing Long Yaotian's aggressiveness today, the empress couldn't help it.

"Sister Huang, I'm here to help you."

At this time, Long Qianyu, who was resting for a while, gave a coquettish cry, clenched his sword tightly, unable to hold back his fighting spirit, flew to the Queen's side and fought against Long Yaotian together!

Huh..

Seeing this scene, the civil and military officials in the hall were extremely shocked, and at the same time, many eyes were also focused on the queen and the sisters Long Qianyu.

Chapter 3103 The

queen and Long Qianyu, these sisters are not only noble, but also top-notch beauties in Kyushu. At this time, they are fighting against Long Yaotian in mid-air, and their perfect figure is revealed, which makes the people in the hall Civil and military officials, looking at the heart is shaking.

The battle situation is getting more and more intense, three figures, from the hall to the mid-air outside, the violent aura vibrates, causing the air to distort.

The two sisters are in the same mind and cooperate with each other tacitly, and Long Yaotian is gradually powerless.

Whoa!

Hearing the movement, the guards in the imperial city also came quickly. The one at the head, wearing silver armor and majestic, is the commander of the guards, Duan Peng!

call!

Seeing that Duan Peng arrived with the guards, the Queen and Long Qianyu were extremely happy.

Although the two sisters worked together to suppress Long Yaotian, it was difficult to say that Long Yaotian was defeated for a while. If Duan Peng helped, they would be able to completely control the situation.

“Duan Peng!”

Delighted, the queen shouted at Duan Pengjiao: “Long Yaotian is blatantly rebelling, take him down immediately.”

However, Duan Peng stood there, not showing any signs of doing anything, but his eyes flickering, as if Thinking about something. Long Qianyu

was also in a hurry and couldn't help shouting: “Duan Peng, what are you waiting for? Quickly help His Majesty take down the rebels.

“

You two sisters don't need to shout, Duan Peng is my person, how can I obey your orders?”

“Five years ago, I sent Duan Peng to be placed in the palace to pay attention to your sisters' every move, and today, it finally came in handy. already.”

With that said, Long Yaotian pointed at the queen and shouted at Duan Peng: “Duan Peng, this woman colluded with a wild man, gave birth to evil seeds, and lost the face of the royal family. Help me take it down immediately.”

“Subordinates obey . !”

Duan Peng responded with a sound, raised his hand and waved, bursting out with dozens of his subordinates, leaping into the air, and surrounding the Queen and Long Qianyu.

“Duan Peng, you...” The

queen trembled and was furious. She scolded, “I’m not mean to you, but you actually betrayed me.”

“Betrayal?”

” I have never regarded you as a real queen, so how could I betray? King Zhennan is the younger brother of the late emperor, and he is the orthodox royal family.”

“And you, who have occupied the throne for many years, are still doing scandalous things that embarrass the Huang family. If I support you You are the most rebellious.”
The

voice fell, and Duan Peng and dozens of guards burst into internal energy at the same time, rushing towards the queen and sisters.

With Duan Peng’s help, Long Yaotian’s pressure was relieved a lot, and the situation was instantly reversed.

The Empress and Long Qianyu were also a little flustered when they were frightened.

boom!

Finally, Long Yaotian found an opportunity and hit Long Qianyu’s back with a palm. The speed of the palm was so fast that Long Qianyu couldn’t react at all, his body was shocked, and the whole person was like a broken kite, and flew straight away. Going out, he flew dozens of meters away and vomited several mouthfuls of blood.

When he landed, Long Qianyu’s eyes darkened and he passed out.

“Imperial Sister!”

Seeing this scene, the Queen couldn’t help but let out a coquettish cry, and at the same time wanted to rush over, but was entangled by Duan Peng and the others and couldn’t get away at all.

And because of her distraction, the queen was hit with several palms, her delicate body trembled, and she could hardly stand still.

“It’s over!”

Long Yaotian smiled evilly, his voice fell, he rushed over quickly, quickly raised his hand, and tapped twice on the queen’s acupuncture point.

In an instant, the queen’s delicate body froze, unable to move at all.

“Take them all!”

At this time, Long Yaotian, with a proud face, ordered Duan Peng and the others.

Whoops!

In an instant, Duan Peng brought the guards over and put the Queen and Long Qianyu in jail.

Chapter 3104

Call!

Seeing the Queen and Long Qianyu being taken out of the hall, all the civil and military officials present were silent.

The next second, a civil servant came out and knelt down in front of Long Yaotian in public: “My minister, see Your Majesty!”

“My minister, see Your Majesty!”

In an instant, the entire hall knelt down.

The court cannot be without a king for a day, and the queen is abolished. Naturally, Long Yaotian will be enthroned and proclaimed emperor.

Um!

Seeing this scene, Long Yaotian nodded with satisfaction, walked up slowly and sat on the dragon chair, looked around and said, “All flat, pass my order, and immediately assemble the army to the border!”

“Yes.”

Civil and military officials responded in unison.

...

On the other side, at the border of Xicang Continent and Apocalypse Continent, in the mountains and forests.

A figure, desperately fled forward. It is the white horse.

At this time, the white horse was already very tired, but did not dare to stop. Because Wen Xiaoyu and Zhang Jiao were chasing after him, once they stopped, they would be caught up.

Before, in the outskirts of Black Cloud City, Bai Ma thought that if he left quickly, he would be able to escape the trap, but he never thought that Wen Xiaoyu was chasing after him in order to avenge his father's death.

I don't know how long it took to run, but the white horse couldn't stand it anymore, so he slowed down and looked at his surroundings at the same time.

Oops!

Seeing this, Bai Ma felt a chill in his heart, and suddenly felt a little desperate.

I saw that there was a cliff not far ahead, steep and precipitous, and it was a dead end.

No, we have to find another way quickly!

Thinking to myself, White Horse is about to turn back and find another way.

Shasha...

But at this moment, I heard footsteps coming, the pace was brisk, and soon I arrived at a place dozens of meters away from the white horse.

It was Zhang Jiao and Wen Xiaoyu.

Mad!

Seeing the two masters and apprentices, Bai Ma couldn't help gasping for air, and at the same time an evil fire rose in his heart.

Really haunted.

At this time, Wen Xiaoyu was staring at the white horse, with endless resentment flashing in his eyes.

"White horse, you can't escape!" Wen Xiaoyu snorted coldly, no longer talking nonsense, and the figure rose into the air, coming straight towards the white horse.

"Stinky boy!"

Bai Ma was completely rushed, his eyes were blood red, and he howled: "Do you really think I'm afraid of you?"

Bang bang bang...

In the blink of an eye, the two fought fiercely in mid-air. The white horse was running for his life and consumed a lot of internal energy, but with the power of the opening axe, it was still easy to suppress Wen Xiaoyu.

Zhang Jiao stood aside, watching quietly, not in a hurry.

As the previous owner of Kaitian Axe, Zhang Jiao knew the strength of Kaitian Axe, but he was not in a hurry.

Snapped!

Ten minutes later, seeing that Wen Xiaoyu couldn't stand it anymore, Zhang Jiao found an opportunity, his figure was like a ghost, rushing from behind, and hitting the back of the white horse with a palm.

This slap, seemingly unremarkable, but very ruthless, Bai Ma's attention was on Wen Xiaoyu, and he couldn't see Zhang Jiao's shot, but he could feel a terrifying force that instantly swept him from behind.

At that time, Bai Ma was completely stunned, and his body flew out like a kite with a broken string!

"Ah..." The

white horse let out a miserable howl, and was directly knocked off the cliff by the slap, and fell rapidly downward.

At this moment, Zhang Jiao and Wen Xiaoyu rushed to the cliff at the same time, and they saw that the cliff was ten thousand feet high and very steep.

"It's over!" Zhang Jiao took a deep breath and said slowly.

Chapter 3105

If you fall from such a high place, even yourself can't escape death, not to mention, the white horse was seriously injured by himself.

call!

Wen Xiaoyu also breathed a sigh of relief, then knelt on the ground with his knees bent, and shouted at the sky: "Dad, I have avenged you, you can rest in peace." Before

the words fell, tears could not help flowing down. .

Wen Xiaoyu has been taught by Wen Chou Chou since childhood, and his father and son have a very good relationship. At this time, thinking of his father's tragic death, Wen Xiaoyu couldn't hold back his emotions at all, and almost burst into tears.

Zhang Jiao did not comfort him, but stood aside and watched silently.

Feeling sad for a while, Wen Xiaoyu gradually calmed down and left with Zhang Jiao.

...

below the cliffs.

The figure of the white horse fell quickly, only to hear the wind whistling in his ears, and he was very desperate.

Done.

I thought that if I got the Kaitian Axe, I could become famous in the world, but I didn't expect it to end like this.

Pfft!

Finally, the white horse smashed several trees on the cliff, and finally fell to the ground, his eyes darkened, and he passed out.

In a blink of an eye it was night.

Bai Ma slowly opened his eyes, the pain came from all over his body, he couldn't help gasping for air, but at the same time he was extremely happy. He is really dead, if it weren't for the trees on the cliff, which buffered the force of the fall, he would have fallen into a meat pie.

Excited, White Horse stood up and looked around. The ten thousand-foot cliff in front of him was obviously unable to fly up to him, so he could only walk along the valley.

I don't know how long it took, but the white horse stopped, and the whole person was stunned.

He saw that a cave appeared in front of him. The cave was dark and damp, giving people a gloomy feeling.

What is this place?

Bai Ma frowned secretly, and didn't really want to go in, but there was no way ahead, so he could only bite the bullet and enter the cave to explore.

call!

Once inside the cave, Bai Ma was stunned.

I saw that this was a huge alchemy secret room, but it had been abandoned for a long time, and the huge alchemy furnace had already decayed, but on the shelf next to it, there were still many bottles and jars, and there seemed to be a lot of medicinal pills in it.

Seeing this, Bai Ma's eyes flashed, and he was inexplicably excited, and hurried over.

When he got to the front, the white horse was indescribably excited.

"Tian Lingdan, Jiulu Linghua San... What the hell, there are so many top-quality medicine pills?"

Although Bai Ma didn't know about alchemy, he also knew that the medicine pills in front of him were extremely rare elixir. After all, before Baima became the master of the Hall of Longevity, he was also one of the Four Great Dharma Kings, and he had a lot of experience in all corners of the world.

Hahaha...

Sure enough, the catastrophe is not dead, there must be blessings, I was seriously injured, and I just need medicine pills to recover, and now I have so much.

I don't know that this is the place where the senior master's alchemy is made, and he finally cheapened himself.

Excited, Bai Ma didn't have time to think, picked up the jade bottle in front of him, and swallowed the medicinal pills one by one.

hum!

After swallowing all kinds of elixir, the white horse sat there cross-legged and began to practice and recover. He felt a stream of heat filling his body, and his strength continued to rise.

...

the other side.

Yue Feng and Meihui, with Zheng Chunqiu, finally arrived at the Holy Sect after several hours of rushing.

When he was separated from everyone before, Yue Feng had agreed with Lu Dongbin that if he didn't come back in a day, let him take everyone back to the Holy Sect first.

"Yue Feng!"

As soon as he arrived at the main hall of the mountain gate, he saw a slender figure running over and threw himself into Yue Feng's arms. The beautiful face was full of joy and excitement. It was Ren Yingying.

Ren Yingying hugged Yue Feng tightly, not paying any attention to the gazes of the surrounding Shengzong disciples: "Yue Feng, I heard that you were in Nanyun Imperial City and were caught by King Guangping. I have been worried..."

Yue Feng smiled. Laughing and comforting softly: "I made you worry!"

When he said this, Yue Feng clearly felt that Ren Yingying had regained her strength.

The ultimate husband in Chinese chapter 3106-3110

Chapter 3106

"Your strength has recovered!" Yue Feng asked happily.

Um!

Ren Yingying smiled lightly and nodded: "Me and the Great Sage have all recovered, thanks to Daoist Lu!"

Hula!

Just as he was talking, he saw Lu Dongbin and Dasheng Sun all rushing out of the hall!

In the past few days, with the help of Lu Dongbin, after everyone regained their strength, they kept inquiring about Yue Feng's whereabouts. At this time, they were all excited to learn that Yue Feng had returned safely.

"Haha..."

At this moment, seeing everyone recovering successfully, Yue Feng couldn't help laughing.

In the next second, Yue Feng clasped his fists at Lu Dongbin, and said gratefully, "Thank you, Daoist Lu."

“Sect Master Yue is very polite!” Lu Dongbin smiled slightly and replied, “Everyone is from the same rivers and lakes. Besides, if it wasn’t for you before, I won’t come out of the illusory realm so easily.” After

speaking, Lu Dongbin couldn’t help but ask: “By the way, some time ago, it was rumored that you and the people from the major sects suddenly came to the prayer altar of Nanyun Imperial City. Disappeared, and the one who caused all this was King Guangping, the emperor of the Apocalypse Continent, what the heck is going on?”

Shuh!

When the words fell, Ren Yingying, Sun Dasheng and others also looked at Yue Feng and waited for his answer.

“It’s a long story!” Yue Feng smiled wryly, and recounted the experience of the past few days in detail.

What?

This chapter is provided by . Visit [for](#) daily update.

When they heard about the situation, everyone was shocked.

King Guangping and Jade are both people of Pluto... No wonder their strength is so strong.

At this time, Yue Feng looked around and said seriously: “King Guangping’s weather army has just been defeated, and its vitality has been severely damaged. In a short period of time, there is no threat to Kyushu, but I got news that Jed summoned the death army, and is now going to It’s not too late to set off on the Southern Cloud Continent, we must hurry to support.”

“Okay!” Everyone nodded.

A few minutes later, Yue Feng and Ren Yingying said goodbye to Lu Dongbin and quickly rushed towards the Nanyun Continent. Zheng Chunqiu was severely injured and temporarily stayed in the Holy Sect to recuperate.

After several hours of rushing, Yue Feng and the others finally arrived at the border of Nanyun Continent.

Um?

Arriving near a steep canyon, Yue Feng and everyone stopped subconsciously, looking at the direction of the canyon, frowning secretly.

Just above the canyon, there were dense clouds and mist, and there was a strong aura fluctuation.

boom!

Just when Yue Feng and everyone were secretly surprised, they only heard a loud noise from the canyon in front. Then, a cliff collapsed, and the entire canyon was filled with dust and smoke.

At this moment, Yue Feng and Ren Yingying looked at each other and rushed over immediately.

When they got to the front, everyone was stunned!

I saw a figure suspended in the dust and smoke.

This figure was in tatters, but there was a terrifying aura all over his body.

It is the white horse!

At this time, the white horse had more than doubled his strength because he had taken nearly a hundred elixir.

It's him!

Seeing the white horse, whether it was Yue Feng or Ren Yingying, they were all taken aback, and at the same time, they were even more astonished when they sensed the aura pervading him.

Especially Yue Feng, his eyes were full of surprise.

Isn't this white horse being chased by Zhang Jiao and Wen Xiaoyu? How can it be here, and the strength is much stronger than before.

"White Horse!" In the

next second, Yue Feng reacted, and his figure rose into the air, shouting angrily at White Horse: "You murdered Brother Wen, and you deliberately framed me, new and old accounts, let's settle it together!"

"Om!" The

voice falling down, Fang Tianhuaji held hands tightly, and a blood-red light burst out, carrying the momentum of thunder, and swept toward the white horse!

Chapter 3107

Watching Yue Feng burst out, Bai Ma was startled at first, and then showed a contemptuous smile.

“It’s really the enemy’s road is narrow.” Bai Ma said coldly, his eyes full of madness: “I just absorbed the power of so many spiritual pills, just to try the power with you!”

Om!

Saying that, the white horse suddenly raised his hand and waved, and a golden beam burst out from the opening axe, tearing the heaven and earth, and going straight to Yue Feng!

Boom...

In an instant, the two figures collided in mid-air, and a violent vibration of aura erupted. Immediately, Yue Feng’s figure was shaken back dozens of steps, and his face was pale.

And the white horse was hovering proudly there, his expression as usual!

What?

Seeing this scene, everyone below Ren Yingying was shocked.

This... the strength of this white horse is not in the mainstream in Kyushu at all, how did the strength suddenly become so powerful?

Nima!

At the same time, Yue Feng, who was stabilizing his figure in the air, stared at the white horse, and his heart was indescribably shocked!

It’s unbelievable that this white horse’s strength has improved so much in just one day. You must know that the stronger your own strength, the more terrifying the power of the Sky-Opening Axe that is motivated.

“Haha...”

Seeing Yue Feng’s expression, the white horse was full of pride, and couldn’t help but tease: “Yue Feng, the reincarnation of heaven, I used to be unable to beat you, but now, you are no longer my opponent. !”

Yue Feng’s face was gloomy and he didn’t respond!

“Ma De, the villain is successful! Fengzi, I’m here to help you!”

Seeing this scene, Sun Dasheng roared angrily, and his figure erupted. Immediately afterwards, Ren Yingying and Xiao Yuruo rushed towards the white horse.

hum!

Several people burst into internal force at the same time, directly distorting that piece of sky, the power is amazing!

“Yingying, Great Sage, be careful...” Yue Feng couldn’t help exclaiming.

The strength of the white horse has suddenly become so terrifying, and there is still an axe in his hand. Even if Yingying and the others join forces, I am afraid they are not opponents.

“Haha, let’s go together?”

Seeing everyone rushing up, the white horse didn’t panic at all, sneered, then waved the opening axe, and a golden beam burst out, swept away directly towards Ren Yingying and everyone.

Bang bang bang!

In the blink of an eye, Ren Yingying and everyone were swept away by Jin Mang, all of them trembled and fell towards the bottom. The moment he landed, he spat out blood almost at the same time.

call!

At this moment, whether it was Ren Yingying, Sun Dasheng and others, they were all horrified. This white horse, who used to be in the rivers and lakes of Kyushu, was originally an unattractive

character, but now he is so powerful, so many people join forces, and he can’t stop him...

“Yue Feng!”

In the air, staring closely at Yue Feng, he said word by word, “Yue Feng, no one can save you today, you should die.”

“Hahaha!”

At this moment, the white horse hovered proudly in the air, looking down at everyone: “The Sect Master of Tianmen, the Ouyang Family, and the Heroes of Jiuzhou are just as strong.”

Saying that, Bai Ma looked at Yue Feng and continued: "Yue Feng, you are really lucky, I set up a chain plan in Black Cloud City before, but I couldn't get rid of you, but you must know that this time you Not so lucky!"

Hearing this, Yue Feng's eyes sank: "What did you say?"

"Hehe!"

Bai Ma looked contemptuous: "Tell you, the defense map of Black Cloud City was revealed to King Guangping by me. Yes, there is also Ye Zhixin, and Su Shengfei and I jointly set up a trap to deliberately slander you."

Seriously, these things are very dishonorable, and Bai Ma didn't intend to say it, but after his strength became stronger, Bai Ma was very inflated. Don't care about that anymore.

On the contrary, Bai Ma deliberately said it, just to anger Yue Feng, because the state of mind is very important in the duel of masters.

Chapter 3108

"Sure enough, it's you!"

At this moment, Yue Feng clenched his fists tightly and his eyes were blood red. When he was slandered before, Yue Feng knew that Bai Ma and Su Shengfei couldn't escape this matter. Admit it, I can't help it.

hum!

Under the anger, a terrifying aura erupted from Yue Feng's body, and then he held Fang Tianhua halberd tightly and went straight to the white horse.

The white horse smiled contemptuously, and his inner strength urged, a dazzling golden light erupted from the opening axe and directly greeted Yue Feng!

"Clang!" In the

next second, Fang Tianhuaji and Kaitian Axe collided, making a loud noise, and Yue Feng groaned, and the whole person was directly sent flying more than 100 meters, and a mouthful of blood spurted out.

Speaking of which, Baima is not Yue Feng's opponent in a single round of cultivation, but he has just taken a lot of medicinal herbs and his strength has greatly increased.

You know, just now in the Star Picking Building, facing the Xi Cang soldiers, Yue Feng made a big killing, and now the Blood Drinking Sword has reached the purple rank! But still can't stop the axe!

Phew...

Seeing this scene, everyone below Ren Yingying sweated for Yue Feng.

This white horse has an axe in his hand, the power is too terrifying, Yue Feng can't hit it hard, how can he fight!

"Yue Feng, be careful..."

Ren Yingying sat there cross-legged, while recovering her inner strength, while paying attention to the situation on Yue Feng's side, she couldn't help shouting.

Dasheng Sun next to him was also secretly anxious.

The other people around also wanted to rush up to help, but they all knew that if they came up, they would die. After all, Ren Yingying and Sun Dasheng just suffered a loss.

"Hahaha..."

Baima laughed in the sky, extremely arrogant: "Yue Feng, today is the day you and the Ouyang family are destroyed, and I, Baima, can truly stand on the top of Kyushu!"

"Om!"

The voice fell, and the white horse raised his hand again, and a breath of destruction erupted from the opening axe again! He slashed fiercely at Yue Feng!

call!

This axe seems to split the entire sky into two worlds!

Feeling the power of this terrifying, everyone was shocked and sweated for Yue Feng!

Nima!

Yue Feng was also taken aback. At this time, he never thought that Bai Ma's understanding of the Heavenly Axe was no less than Duan Yu's.

"Miaoying, Yanhong, come and help me!"

In a hurry, Yue Feng hurriedly opened the spirit beast sac and shouted at the same time. In an instant, he saw two charming figures, breaking out of the air and blocking Yue Feng's body. forward.

It was the fairy spirits, Yan Hong and Miao Ying, who were born in the illusory realm.

When they left the Holy Sect before, because Yanhong and Miaoying had too special identities, Yue Feng let them temporarily enter the spirit beast bag.

I saw that Yan Hong and Miao Ying were both wearing long dresses, one red and one blue, and they were dazzling.

Um?

At this moment, Bai Ma was stunned for a moment, and his eyes were straight.

These two women are so beautiful, they not only look exactly the same, but their strength is also very terrifying. Who are they?

At the moment when the white horse was stunned, Yanhong and Miaoying joined forces to form a protective layer in front of Yue Feng!

boom!

It was at this moment that the golden glow of the opening axe slashed hard on the protective film, making a roar that shocked the world!

Under the violent vibration, I saw Yan Hong and Miao Ying, both of them were shocked and took a few steps back. A peerless divine weapon like the Heavenly Axe is also somewhat unstoppable.

Chapter 3109

"Tsk tsk..."

At this time, the white horse reacted and sneered at Yue Feng: "Yue Feng, I didn't expect that you have quite a few confidantes, this pair of sisters is pretty good, I'll take care of you first Accept them, haha..." The

voice fell, Bai Ma laughed evilly, and clenched the axe and charged towards Yan Hong and Miao Ying.

At the same time, Bai Ma's eyes were constantly scrutinizing Yanhong and Miaoying.

"Looking for death!"

Yan Hong had a hot personality, and when she saw Bai Ma's gaze, she was immediately embarrassed and angry, and she directly attacked her.

Miao Ying also bit her lip and cooperated with Yan Hong to attack.

However, the Heaven-Opening Axe in Bai Ma's hands was too powerful. Yan Hong and Miao Ying cooperated with each other and could never occupy the top position. On the contrary, they were almost injured by Bai Ma several times.

call!

Seeing this scene, Yue Feng was so anxious.

You can't go on like this.

The next second, Yue Feng saw the scorching sun above his head, and suddenly thought of something, he quickly shouted at Yanhong and Miaoying: "Yanhong, you attack from the left, Miaoying, you cooperate on the right, remember, don't Head-to-head."

Yue Feng remembered that when he first became Emperor Xi Cang three years ago, Duan Yu's concubine had told himself about the drawbacks of Kaitian Axe!

The Heaven-Opening Axe is an artifact of the utmost yang and stubbornness. Each burst of power is like a round of scorching sun.

At this time, it was Lieyang who was at the head, and the white horse had been urging the power of the opening axe, and sooner or later, it would devour him.

You must know that the ultimate power of the opening axe was beyond the control of Duan Yu, and the white horse in front of him was even more incapable.

Huh...

Hearing this, Yan Hong and Miao Ying looked at each other and quickly changed their strategy according to Yue Feng's command.

What Yue Feng asked them to deploy was a two-meter formation. The two-meter formation in "Bai Qishenzhen" belongs to the upper-middle-level formation, and two people can use it. The white horse doesn't understand the formation, and the two-measure formation can be completely trapped. live him.

Yue Feng thought about it, let Yanhong and Miaoying contain him well, and it would be easy to deal with when the white horse was counterattacked by the power of Kaitian Axe.

For a time, the battle situation became more and more intense, and Baima was trapped in the two-meter formation by Yanhong and Miaoying, and could never break out.

Mad!

Bai Ma was very annoyed and couldn't help shouting at Yue Feng: "If you have the ability, just fight with me one-on-one, and always ask women to help, what kind of hero is that?"

Yue Feng smiled slightly and said lightly: " Bai Ma, aren't you very talented? Even the two women can't deal with it, and you still want to stand on the top of Kyushu?" The

voice fell, and Ren Yingying next to him couldn't help shouting: "Yes, wait until you defeat them. If you are qualified to fight against Yue Feng, I'm afraid that neither of you two women will be able to fight."

Ren Yingying Bingxue was smart and could see at a glance that Yue Feng was dragging time.

Swish!

Hearing the ridicule of Yue Feng and Ren Yingying, Bai Ma was extremely angry, and an evil fire rose in his heart. In mid-air, he continued to fight with Miao Ying and Yan Hong.

At this time, the white horse has been stimulated by Yue Feng.

He owns the Sky-opening Axe, how could he be unable to beat even two women? !

hum!

In a fit of anger, Baima simply exploded all of his dantian's inner strength and poured it into the opening axe.

In an instant, the scorching power of the scorching sun above his head was almost completely absorbed by the Sky-Opening Axe, and a terrifying aura condensed within the Sky-Opening Axe.

Everyone present in the photo could hardly open their eyes.

"Death to me!" In the

next second, Bai Ma's eyes locked on Yan Hong's two, and with a roar, he was about to rush over. Suddenly, his body trembled, and his face turned blue and white.

Chapter 3110

Haha...

Seeing this scene, Yue Feng showed a smile.

This white horse was finally devoured by the power of Kaitian Axe, and this was the end of his arrogance.

what happened?

At this time, the white horse was also terrified. He clearly felt that his dantian inner strength was completely out of his control and was on the verge of collapse.

Until this time, the white horse did not know that the opening axe had the disadvantage of being easily broken.

“Yue Feng...”

Finally, Bai Ma’s body trembled violently, and he couldn’t stand it any longer.

I thought that my strength would improve and I would be able to destroy the Yue Feng and Ouyang families, but I never expected that they would be attacked by the power of Kaitian Axe.

“Shameless villain, go to hell!”

At this moment, Sun Dasheng howled, his figure rose into the sky, raised his hand, and hit the white horse.

boom!

Sun Dasheng’s speed was very fast, and the white horse had no time to react. With this palm, it slammed into the back of the white horse, and a dull vibration was heard. The white horse spurted blood and the whole person flew out.

Pfft!

After flying for more than 100 meters, the white horse shed a rain of blood in the air, and finally smashed heavily on a rock, shattering its bones and losing its breath.

Seeing this scene, both Yue Feng and Ren Yingying were all relieved.

The treacherous villain, Bai Ma, finally got the end he deserved.

Dang bang.

At the same time, the opening axe also fell to the ground, Sun Dasheng's eyes flashed, he rushed over and picked it up.

"Haha!"

Yue Feng couldn't help laughing, and congratulated Sun Dasheng: "Dasheng, you will be the master of Kaitian Axe in the future!"

Over the years, Kaitian Axe has gone through several masters, whether it is Duan Yu , Zhang Jiao, or a white horse, either a big treacherous person, or a treacherous villain, and at this time, the opening axe fell in the hands of Sun Dasheng, and it was considered to have met the real master.

Hearing Yue Feng's congratulations, Sun Dasheng was also extremely excited. He couldn't put it down, stroking the opening axe, and kept admiring: "It is indeed a peerless weapon, a good weapon..."

After speaking, Sun Dasheng said to Yue Feng: " It's not too late, let's go to support the Southern Cloud Continent!"

At this time, Dasheng Sun couldn't wait, he got the Axe, and he just wanted to reach the battlefield quickly and fight the enemy bravely.

Um!

Yue Feng nodded, then greeted everyone, and continued to set off.

At this time, Yue Feng felt very happy. Killing the white horse can be regarded as a bad breath for Brother Wen.

And thinking of Wen Chou Chou, Yue Feng couldn't help but feel a little worried. He heard from Saintess Zi Yan before that Wen Chou Chou was captured by Hades again, and now I don't know what happened.

...

On the other side, an unknown valley in the Southern Cloud Continent.

This valley is in a remote location. There is a bandit camp that has been abandoned for decades in the valley, which is indescribably desolate.

However, in a hole in the back of the camp, a person was chained inside, dressed in a black robe, with a refined face and a bookish look, but his whole body was filled with a sinister aura.

It is the ugly ugly.

After Baima caught Wen Chou Chou before, because he was going to Nanyun Continent to participate in the Xuantian Conference of the Nine Heavens Saintess, he couldn't bring Wen Chou Chou with him at that time. He passed by here and locked Wen Chou Chou in this abandoned camp. A few confidants were sent to guard.
