

## The ultimate husband in Chinese chapter 3116-3120

### Chapter 3116

Yue Feng was suspended in the air, watching the fierce battle below, secretly surprised.

I saw that each of Jade's death warriors was extremely brave, because they were all dead, and they felt no pain at all. Some had their arms cut off, and even their heads were gone, but they could still fight.

There is a huge disparity in the strength of the two sides. Every sect master has to deal with five or six dead soldiers. In addition to this special situation, everyone present is a little powerless.

These death warriors can't be killed at all, how can they fight?

Nima!

Yue Feng frowned secretly, too anxious.

It is impossible to fight like this. We must find the weakness of this army of death. Otherwise, not only will the Dragon Gate Pass be unbearable, but the entire Southern Cloud Continent, and even the entire Kyushu will fall into the flames of war.

"Hahaha!"

Just when Yue Feng was secretly anxious, he saw Jade laughing wildly and looking directly at Yue Feng: "Yue Feng, you see, my army is invincible, and there is no one in Kyushu. I can be, even if you were in Black Cloud City before and defeated the Tianqi army, you can't stop me!"

"Today is the day when you and the Kyushu rivers and lakes will be completely destroyed, will you die?"

"Come out and come straight to Yue Feng. Wherever the figure passed, the sky was torn apart, and the whole body was filled with a terrifying evil atmosphere.

"Yue Feng! Be careful..."

"Be careful."

Seeing this scene, everyone in Ren Yingying below couldn't help but exclaimed.

Although Yue Feng's strength is very strong, but Jed has taken refuge in Hades, and the evil power he cultivates is so terrifying, he must not be underestimated.

call!

Seeing Jade burst out, Yue Feng did not panic at all.

“Om!”

Seeing Jade rushing to the front, he saw his hands crossed, and a yin and evil breath burst out, forming a green flame in front of him, which directly filled Yue Feng.

Jade shot quickly, Yue Feng had no time to react, and was instantly surrounded by this sea of green fire. When he was in it, Yue Feng could not feel any scorching heat, but there was a kind of fear in his soul.

“This...”

“The sea of green fire...”

“Could it be... this is the nether karmic fire of hell?! Burned to the point where there are no bones left...”

“Get out of the way!”

At this moment, the following Many of the people couldn't help exclaiming, and they all trembled in their hearts. Under the panic, all the sect masters closest to Yue Feng did not hesitate at all, and urged their figures to avoid them in the distance.

Seeing this scene, Jed became more and more complacent, and laughed loudly at Yue Feng: “Yue Feng, let's see who can save you this time!”

Nether Karmic Fire, like the ancient ghost fire, only exists in the ghost world. , once it is burned, the soul and body will be burned without a trace, which is very terrifying.

However, Jed didn't know yet that the Nether Karmic Fire was a different fire, and Yue Feng was not afraid at all.

“Nether Karmic Fire?”

Looking at the raging green flames, quickly surrounded, Yue Feng's mouth twitched, and he chuckled: “Jade, you think you can kill me with Nether Karmic Fire, that's too naive! “

When he said this, the surrounding Nether Karmic Fire had already burned on Yue Feng, and he could see that Yue Feng was enveloped in green flames, but Yue Feng's expression showed no pain at all, but was surprisingly calm.

What?

Seeing this scene, Jed's heart trembled, and the whole person was stunned.

Yue Feng is not afraid of Nether Karmic Fire, how is this possible?

At this time, Jade didn't know yet that Yue Feng possessed the cold fire of white lotus in his body, and he could restrain the fires in the world, so he was naturally not afraid of his ghostly karma.

Chapter 3117 What

shocked him even more was still behind.

"Playing with fire with me, you are not qualified!" A cold and contemptuous voice came from Yue Feng's mouth. The moment the voice fell, a white flame jumped out from the right hand, showing a faint shape of a lotus flower.

It is Bai Lian Leng Huo.

Huhuhu...

The next second, Yue Feng raised his hand and waved, Bailian Lenghuo directly met the surrounding Nether Karmic Fire, accompanied by a shock, the Nether Karmic Fire was swallowed up a lot.

This...

Seeing this scene, Jed was completely dumbfounded, and his eyes were fixed on Yue Feng, full of astonishment.

But soon, Jed reacted, and hurriedly turned on the evil spirit, recalled the remaining Nether Karmic Fire, and shouted angrily: "Yue Feng, even if you can block my Nether Karmic Fire, it will not change today's situation. "

Guling giant!"

Under the howl, Jed flew up into the sky and shouted, and at the same time, he wrote a series of ghostly inscriptions in the sky with his right hand. The suffocating energy quickly condenses!

hum!

In the blink of an eye, more and more Yin Sha Qi gathered, and saw the formation of a huge skeleton. This skeleton was dozens of meters high, with white bones, and a cold evil light flashed in his eyes, holding two bone knives.

Nima!

Seeing this huge skeleton, Yue Feng's expression changed and he was shocked.

Yue Feng clearly felt that this huge skeleton contained the terrifying power of Yin Sha, and this Yin Sha power was stronger than that in Hades Cauldron.

Yue Feng didn't know yet that Jade, as the first puppet of Hades, was given a heavy responsibility by Hades, so he taught a lot of ghost world exercises, and his strength was much stronger than that of King Guangping.

"Blood battle in all directions!"

Seeing the huge skeleton rushing towards, Yue Feng didn't have time to think about it. After shouting loudly, his inner strength burst out. He held Fang Tianhua halberd tightly to meet him, and saw a blood-colored light burst out, tearing it apart. Split the world.

"Boom!"

At this sight, the blood-red glow collided with the huge skeleton, and an extremely strong vibration swept out. Within a kilometer, dust and smoke filled the air, and many surrounding sect masters and death warriors were shaken out.

In the dust and smoke, Yue Feng snorted, and the whole person was also shaken out, flying more than 100 meters before falling to the ground, the blood in the body was churning, and his face was extremely pale.

Although he was not injured, Yue Feng clearly sensed that his dantian's inner strength was showing signs of disorder. After all, it was this huge skeleton, whose strength was too terrifying.

"Fengzi, I'm here to help you!"

At this moment, Sun Dasheng roared wildly, and his figure burst out, holding the Heaven-Opening Axe tightly and heading straight for Jed.

Sun Dasheng has a hot personality. He and Yue Feng are sworn brothers. Seeing that Yue Feng suffered a loss, he couldn't help it.

"Great Sage!"

However, Yue Feng's expression changed, and he couldn't help shouting: "Don't be impulsive..." Although the Great Sage obtained the Heaven-Opening Axe, he had not really understood the power of the Heaven-Opening Axe. Not Jade's opponent at all.

Having said that, Yue Feng was about to rush to stop it, but Sun Dasheng was too fast and had already rushed to the huge skeleton.

hum!

“A bunch of evil spirits, all die!” Sun Dasheng howled, swinging out the axe, slashing at the huge skeleton.

clang!

I heard a crisp loud noise, and the huge skeleton was chopped with a trace, and the huge body also shook.

In the next second, the huge skeleton reacted, and his cold eyes locked on Dasheng Sun instantly. He raised his hand and waved, and the huge bone knife swept across. Because the distance was very close, Dasheng Sun had no time to dodge, so he could only raise the open axe in front of him. .

“Bang!” The

huge bone knife collided with the opening axe, and saw Dasheng Sun being blasted out like a cannonball. The moment he landed, a mouthful of blood spurted out.

Chapter 3118

Mad!

Sun Dasheng clenched the opening axe tightly, struggled to stand up, stared at Jade fiercely, and was extremely horrified in his heart.

Even the opening axe can't get on it, the defense of this huge skeleton is too abnormal.

“Haha...”

Looking at the huge skeleton he summoned, and defeating Yue Feng and Sun Dasheng with a face, Jed couldn't say how proud he was, and shouted: “What about the heroes of Kyushu? Wasn't it the same as being stepped on by me?” The

voice fell, and Jade gave instructions to the huge skeleton again.

Swish!

In an instant, the huge skeleton turned his body, his eyes locked on Yue Feng again, and then rushed over like a hill.

In Jed's heart, Yue Feng is the biggest enemy. After killing Yue Feng, Sun Dasheng and the others are nothing to be afraid of.

call!

Seeing the huge skeleton rushing towards him again, Yue Feng didn't have time to think about it.

"Haha, Yue Feng, do you only hide?" Jade couldn't help but mocked loudly.

Yue Feng took a deep breath and said coldly, "Jade, don't be complacent. The big guy you made is really strong, but don't be too confident. I can't cure it, it doesn't mean others can't cure it."

"Haha!"

Hearing this, Jed's face was full of disdain: "You're just playing tricks now... eh?" Before he finished speaking, he saw Yue Feng in front of him, and was stunned for a moment.

Whoosh!

I saw that the air in front of Yue Feng suddenly distorted, and then a slender figure appeared in front of everyone, wearing an ice blue long dress, a beautiful face, and a tight and perfect figure, which just gave people a cold feeling. Cold to the bone.

It was Bingyao!

Since the Hades Ding came out, Bing Yao has been cultivating because of too much consumption, and it is not until today that she is fully recovered. Speaking of which, Yue Feng didn't intend to ask Bing Yao to help, but the situation in front of him was really uncontrollable.

Whoa!

Seeing Bing Yao, both Jade and everyone below were stunned, and many men's eyes were straight.

Such a beautiful woman, such a strong breath, such a cold temperament.

"Tsk tsk..."

Finally, Jed regained his senses and looked Bing Yao up and down: "You... who are you?"

As a puppet of Hades, Jed clearly felt that the beauty in front of him couldn't help but be imposing. Powerful, the power contained in the body seems to be related to the ghost world.

"It's Pluto's lackey again!" The cold words came out of Bing Yao's mouth.

While speaking, Bing Yao's eyebrows were tightly knitted, her eyes flashed with cold light, and then she raised her hand, and within a thousand meters, the temperature dropped suddenly.

hum!

In the next second, snowflakes appeared in the dark sky, and in the snowflakes in the sky, a very strong aura was rapidly condensing.

call!

Seeing this scene, the masters of the major sects who were fighting below were inexplicably excited. At the same time, because of the sudden drop in temperature, the actions of the millions of dead soldiers also became slow.

At the same time, Jade's face became solemn. And the huge skeleton felt the threat even more, and roared at Bing Yao.

hum!

At this moment, I saw a group of icy blue brilliance appear in front of Bing Yao, bursting with dazzling brilliance, and then, a huge blue sword shadow condensed.

In the next second, the huge sword shadow roared towards the huge skeleton with endless might!

I saw that the blue sword shadow was like a meteor, and it almost tore apart that piece of sky wherever it passed!

So strong!

At this moment, feeling the power of the blue sword shadow, Jed completely lost his previous pride, and his expression was full of fear! He clearly felt that the woman in front of him was not something he could compete with at all.

"What a powerful attack!"

Chapter 3119

"What kind of stunt is this?"

At the same time, the masters of the various sects below were also extremely shocked, and they were all stunned when they looked at Bing Yao, who was suspended in the air.

boom!

At this moment, the sword shadow slammed into the skeleton, a violent roar sounded, and saw the huge skeleton, the body retreated dozens of steps, the skeleton that defended the horror, there were cracks one after another, and then crashed to the ground, A pile of broken bones.

quiet!

Silence!

At this moment, both Yue Feng and those sect masters were indescribably excited.

Great, after defeating this huge skeleton, Jed will definitely lose.

“You...”

Jed also opened his mouth wide, full of horror.

This is impossible. His Majesty Pluto has said that in Kyushu, no one can defeat the giant general of ancient spirits, unless he is the deity general, or the queen of the underworld who is trapped in the cauldron of the underworld.... queen of the

underworld... Could it be she... ..

Thinking of this, Jade looked at Bing Yao, and he was dripping with cold sweat!

“It’s your turn!”

At this moment, Bing Yao’s eyes locked on Jade, the voice fell, a terrifying aura burst out from Bing Yao’s body, and a palm hit Jade!

Done!

Feeling Bingyao’s terrifying aura, Jed was startled, he didn’t have time to dodge, so he had to hold the long knife in his hand tightly and attacked! At this time, Jade did not dare to be careless, and urged all his inner strength to resist!

Bang!

The palm force slapped the long knife fiercely, and Jed only felt a vast force like the sea coming, and with a grunt, the volley was shaken back dozens of steps, but he still

resisted abruptly, but the long sword in his hand was stunned. The knife shattered into pieces.

This... this strength is simply too terrifying, I have used all my strength to barely block it!

At this time, Jed was almost on the verge of crying, but he never expected that Yue Feng could invite such a terrifying helper!

Um?

Bing Yao was secretly frowning, the other party was able to block her palm, it seems that Hades put a lot of effort into him.

Yue Feng, who stepped aside, also showed a smile at this time.

Haha... Bingyao's shot, this Jed will surely die, and once Jed dies, this army of death will be a group of flies with no heads, no need to worry anymore.

"It seems that you have learned a lot of skills by following Hades." At this moment, Bing Yao spoke coldly, and the moment the words fell, she raised her hand and clenched an ice sword.

This ice sword is completely condensed out of internal force, exuding an endless icy aura. As soon as the sword came out, the surrounding temperature plummeted again.

Gudong!

Feeling the killing intent that permeated Bingyao's body, Jade's forehead was sweating, and he couldn't help swallowing!

Oops, I tried my best to block the slap just now, but now that the other party is getting serious, I am doomed.

hum!

Bing Yao didn't talk nonsense, her delicate body flashed, like a elf in the snow, a dazzling sword light burst out from the ice sword and stabbed straight at Jed.

Jed didn't have time to think about it, he quickly activated his inner strength and formed a protective film in front of him.

Bang!

Jianmang slammed hard on the protective film, and he heard a crisp sound, the protective film instantly collapsed, and then Jade let out a scream, and the whole

person was shocked and flew out, flying more than 100 meters away. It fell heavily to the ground.

When he resisted Bing Yao's palm just now, Jade had exhausted his strength, and facing Bing Yao's ice sword at this time, he couldn't stop it at all.

"Pfft..."

At the moment of landing, Jed spat out a mouthful of blood, but the blood was black. He became a puppet of Hades and was no longer human, so the blood was no longer bright red.

Chapter 3120

Jed was hit hard, and the army of millions of dead stopped.

Whoa!

At the same time, Yue Feng and Sun Dasheng, as well as everyone present, were also very excited.

"Jed!"

Under the excitement, Yue Feng's figure rushed to the sky and said to Jed: "Jed, I said, you scum will not have a good end!"

Said, Yue Feng directed Bingyao shouted: "Kill her directly!"

At this time, Yue Feng wanted to do it himself, but he also knew that Jade was a puppet of Hades, whose physique was different from ordinary people. With his own ability, he couldn't kill him at all, but Bing Yao Yao is different, she is the queen of the underworld, and even the king of underworld is afraid of existence.

The voice fell, and everyone around Sun Dasheng was also emotional and shouted.

"Yes, kill her!"

"This scum is a disaster for Kyushu, and death is not a pity."

"Directly smashed to ashes!"

Feeling the killing intent of everyone, Jed was dripping with cold sweat, slumped on the ground, unable to stand up. .

call! Bing Yao's eyes were fixed on Jed

, without the slightest fluctuation, she was extremely cold and arrogant: "Those who rely on Hades will not end well! Accept your fate!"

Jed comes.

A powerful breath permeated the entire wilderness.

Gudong!

Jed swallowed his saliva, trembling all over in extreme panic, and then begged for mercy: "It was me who was confused for a while, and took refuge in Hades, and begged the Queen of Hades to give me a chance!"

Although Bing Yao did not reveal her identity, Jade was not a fool. At this moment, she could guess with her eyes closed that the woman in front of her was the Queen of the Underworld who was imprisoned by Hades in Hades Cauldron.

Except for her, no one can hurt herself like this in two strokes.

"Some things can't be salvaged without regret!" The Queen said softly, with a firm tone, without any room for negotiation, the voice fell, and the ice sword stabbed directly at Jed's heart.

It's over, it's over.

Terrified, Jed closed his eyes in despair.

hum!

Seeing that Jed was about to be pierced by the ice sword, suddenly, a terrifying aura erupted from not far away, and at the same time, a sinister voice sounded: "The subordinates that Hades is looking for are really inferior to one! "The

voice fell, and a dark shadow flashed past, blocking Jade.

I saw that this person was wearing black and gold armor with a dragon pattern engraved on it, but the dragon looked a little evil, and his elegant face was full of evil spirits.

It was Duan Yu!

Of course, Duan Yu was still in Yue Chen's appearance at this time.

Swish!

In an instant, the eyes of the audience all converged on Duan Yu, one by one in shock.

It is this person again, and it seems that the strength is a lot stronger.

Yue Feng also frowned secretly, and the anger in his heart rose.

Madeleine, it was he who defiled Saint Lady Lanxin, but caused himself to be defiled.

“Who is making trouble? Looking for death?”

Finally, Bing Yao took the lead in reacting, and with a cold and tender voice, the ice sword stabbed directly.

Seeing Bing Yao's speed, Duan Yu didn't panic at all, and slapped a palm on the tip of the sword.

clang!

Hearing a crisp sound, Bing Yao's delicate body trembled, and she was directly knocked back a dozen steps, and the ice sword in her hand also shattered into pieces.

What?

Seeing this scene, both Bing Yao and Yue Feng were all shocked.
