

The ultimate husband in Chinese chapter 3151-3160

Chapter 3151

But it's just so dead, I'm not reconciled.

The remaining seven saintess were all biting their lips, watching Zi Yan about to be thrown into the copper tripod, and they almost bleed from their bites.

"Shameless villain!"

Finally, Huan Xiang, the most stubborn personality, couldn't bear it anymore, and stared at Duan Yu: "You killed Lan Xin first, and now you want to combine our power, you will be punished by heaven. , you let Zi Yan, let her go..."

While shouting, Huan Xiang struggled.

The Nine Heavens Saintess sisters are deeply in love, and now that Zi Yan is about to be thrown into the bronze tripod, Huanxiang almost collapses.

At the same time, the other saintess also drank.

"Let Zi Yan go..."

"You villain, let her go..."

"Haha!"

Duan Yu didn't panic at all, but instead showed a trace of cruelty on his face. With a smile: "What are you shouting? It's your destiny to fall into my hands. When I combine her power, it will be your turn."

After speaking, Duan Yu was about to throw Zi Yan into the bronze tripod . .

call!

At this moment, Zi Yan closed her eyes in despair, and the tears couldn't stop flowing.

Sisters, farewell.

This chapter is provided by . Visit for daily update.

"Stop!"

At this critical moment, only a roar was heard, followed by a figure, leaping to the top, his knife-like face was full of anger, his eyes were like electricity, it was Yue Feng.

Yue Feng?

Seeing Yue Feng, whether it is Zi Yan or Huanxiang, is a surprise.

Duan Yu's pupils shrank even more, staring at Yue Feng, flickering with astonishment and anger.

Mad, how did he know that he was at the top of Kunlun?

Soon, Duan Yu came to his senses, looked around Yue Feng, and grinned: "Okay, you are the only one who can find this place?"

"Yes, just me!" Yue Feng said coldly.

When he said this, Yue Feng's face was cold, but his heart was a little uneasy. At the same time, Yu Guang also subconsciously looked behind Duan Yu.

I saw that two slender figures were quietly approaching the saintess of Huanxiang.

It was Bing Yao and Miao Ying.

That's right, when he reached the summit just now, Yue Feng had made a plan to attract Duan Yu's attention, and then let Bing Yao and Miao Ying find an opportunity to quietly release the eight saintess.

After all, Duan Yu's strength is too strong. If he fights head-on, not only will he have no chance of winning, but he will also accidentally hurt the eight saintess.

Hahaha...

Hearing Yue Feng's answer, Duan Yu couldn't help laughing up to the sky, his laughter was full of mockery: "Yue Feng, Yue Feng, sometimes I really admire you, and many things are clearly unacceptable. And because of this, I like to be brave, without that Lu Lingshan joining hands with you, how would you deal with me?"

Yue Feng's mouth twitched, and he said lightly: "I am not sure, I will come up alone? Let me tell you, Lu Lingshan has already put Chaos down. The power of Yin Zhu has been passed on to me, and I have combined the power of Yang Zhu and Yin Zhu, if you don't believe me, you can try it." As he

spoke, Yue Feng clenched his fist tightly, his palms sweaty.

Yes, Yue Feng was trying to scare Duan Yu, the Chaos Yin-Yang Pearl couldn't be fused in one person.

Um?

Duan Yu was stunned for a moment, staring at Yue Feng, secretly surprised.

Yue Feng combines the power of Chaos Yin-Yang Pearl? How is this possible?

In Longmen Pass, after Duan Yu was injured by Yue Feng and Lu Lingshan, he deliberately studied the yin and yang beads of chaos. These two beads were bred before chaos opened up the world. One yin and one yang can only be attached to each other. can never be merged together.

Rub, rub, rub...

Just as Duan Yu frowned and couldn't figure it out, he heard a sound behind him.

Duan Yu looked back quickly, and when he saw it, he was instantly furious.

Chapter 3152

saw that the shackles of the Huanxiang and the saintess who were tied up with five flowers had been untied. In front of them, two slim figures stood.

It was Bing Yao and Miao Ying.

Mad!

Seeing this scene, Duan Yu was stunned for a moment, then his eyes were instantly congested, and the anger in his heart also rose!

"Okay, very good!" In the

next second, Duan Yu turned back and looked at Yue Feng coldly: "The dignified Lord of Heaven has also learned to deceive people, Yue Feng, you play this game with me, right! It's up to you guys. Three, just want to save the Nine Heavens Saintess? You underestimate me too!"

Duan Yu looked arrogant when he said this.

But it has to be said that Duan Yu combines the power of Hades and also has arrogant capital.

"Duan Yu!"

Feeling Duan Yu's anger, Yue Feng took a deep breath and said slowly: "The Nine Heavens Saintess is about the safety of Kyushu, I have to take them away!"

Duan Yu held the Chain of the Underworld God tightly with a hideous expression on his face. Zhiji: "Okay, I'll see how you can save it! Today I'll give you a chance, the three of you will come together!" The

voice fell, and a terrifying aura erupted from Duan Yu!

call!

Seeing this, Yue Feng frowned secretly, and glanced at Bing Yao and Miao Ying at the same time.

At this time, Yue Feng was very depressed. He wanted to attract Duan Yu's attention and let Bingyao and the two quietly leave with the Nine Heavens Saintess. found out.

Yue Feng saw that the powers of Huanxiang and several saintess were sealed, and they were no different from ordinary people, and could not help at all.

Nima, just fight!

Thinking to himself, Yue Feng didn't hesitate, he directly summoned Fang Tianhuaji, together with Bingyao, he rose into the air and surrounded Duan Yu!

Yue Feng and Bing Yao are two, one is the famous Tianmen Sect Master in Kyushu, the other is the Empress of the Underworld, and the other is a fairy in the illusory realm. They are all people looking up to in Kyushu Jianghu. At this time, they joined forces and broke out. , I saw Kunlun's peak, the wind and clouds were surging, the whole sky was distorted, and the momentum was amazing!

At the same time, Yue Feng did not forget to shout to the saintesses of Huanxiang: "Quick, hurry up, let's block him!"

Yue Feng knew that when he and Bingyao joined forces, they were not necessarily Duan Yu's opponents. But since it has come up, no matter what, the Nine Heavens Saintess must be kept out of danger.

Hearing this, Huanxiang and several saintess looked at each other and were about to leave Kunlun Jue Ding.

"Go?"

Duan Yu laughed wildly, his eyes full of contempt: "Do you think they can go?" The

voice fell, Duan Yu had a word in his mouth, and saw a black mist permeating from the huge Tongding, a short In just a few seconds, the entire Kunlun was enveloped.

Feeling the evil spirit in the black mist, Yue Feng and Miao Ying frowned, only to feel that their breathing increased. As the Empress of the Underworld, although Bing Yao is not afraid of these black mists, her beautiful face becomes solemn.

Pfft, puff...

What made Yue Feng even more furious was that after inhaling the black mist, the eight saintess of Huanxiang, all of them trembled and collapsed to the ground, as if they had been taken out of time. Normal strength.

Nima!

Yue Feng was startled, angry and anxious.

What's the situation? Bingyao two, didn't you help them untie them? And there was no injury on his body, so he didn't even have the strength to walk.

"Soul Locking Curse?" At this moment, Bing Yao frowned and spit out a few words.

Yue Feng was stunned for a moment: "What is the Soul Locking Curse?"

Bing Yao let out a sigh of relief and said slowly: "The Soul Locking Curse is similar to the Soul Contract. Those who are hit by the Soul Locking Curse will be controlled by the caster, which is very sinister. "

Haha..."

As soon as he finished speaking, Duan Yu laughed loudly and nodded at Bing Yao: "As expected of the previous generation, I can see it at a glance, yes, I will give these eight saintess, all of them." With the soul-locking spell, as long as I recite the spell, none of them can leave."

Chapter 3153

Hearing this, Yue Feng was completely stunned.

I didn't expect Duan Yu to have a backer, what should I do now?

"Suffer to death!"

Just when Yue Feng was secretly anxious, Duan Yu's eyes were blood red, he roared wildly, and the chain of the Underworld God was thrown out like a snake in his hand.

In an instant, a shriek was heard from the Chain of the Underworld God, followed by a burst of blood-colored light that instantly enveloped Yue Feng and Bing Yao.

Yue Feng did not have time to dodge, and was directly swept by the golden light!

Bang Bang Bang...

For a time, Yue Feng and Bing Yao trembled, and they were directly pulled out and fell to the edge of the extreme.

Yue Feng struggled to stand up, only to feel the qi and blood in his body churning, and at the same time, his heart was terrified.

You, Bing Yao, and Miao Ying can't stop Duan Yu's move?

Is this the power of Hades? It's really terrifying.

Duan Yu didn't take advantage of the momentum to pursue, but gave Yue Feng a cold look: "See, Yue Feng, your strength is not worth mentioning in front of me. Still want to save people? It's ridiculous."

"You..." Yue Feng furrowed his brows, unable to say anything, but his expression was still very firm: "I am here today, don't try to hurt the Nine Heavens

Saintess.

"

"Since you insist on courting death, I will do as you wish. From now on, I want you to disappear completely in Kyushu!"

When the voice fell, Duan Yu's internal strength exploded, and a terrifying aura swept out from the whole body. In an instant, the surrounding air seemed to be stagnant, and then, the chain of the Underworld God in his hand slammed towards Yue Feng again.

At the same time, the Heaven-Opening Axe in his hand also flashed a dazzling light!

Yue Feng didn't have time to think about it, and hurried to dodge.

"Yue Feng, let's help you!"

At this time, Bing Yao let out a coquettish cry, and Miao Ying rose up again to fight Duan Yu with Yue Feng. The power of the two sides erupted, causing the surrounding dark clouds to roll and thunder to vibrate, like the end of the world.

However, a few minutes later, the three Yue Feng could not subdue Duan Yu at all, but were suppressed by Duan Yu.

On the other hand, Duan Yu continued to chant the spell while fighting Yue Feng three fiercely.

Of course, this time Duan Yu did not recite the Soul Locking Mantra, but activated the Soul Melting Formation.

hum!

At this moment, I saw the dense inscriptions on the huge copper tripod in the center of the formation, emitting a faint green light, and then the copper tripod rotated at a high speed.

Huhuhu....

In the high-speed rotation, a strong suction burst out from the copper cauldron, and then, I saw the eight saintess of Huanxiang, all paralyzed there, their delicate bodies trembled violently, and at the same time, The power of Nascent Soul was madly sucked into the copper tripod.

“Hahaha...”

Duan Yu was very proud, and sneered at Yue Feng: “See Yue Feng, even if you bring helpers to make trouble, it will not affect my plan at all, even if I fight with you, I will It is possible to absorb the power of the Nascent Soul of the Nine Heavens Saintess through the soul fusion formation, hahaha...”

Yue Feng did not respond, but he was very anxious in his heart.

How to do? Duan Yu was able to absorb the power of the Nine Heavens Saintess through the Soul Melting Great Array while fighting against himself.

Bing Yao and Miao Ying also stomped their feet in a hurry.

“Yue Feng!” In the

next second, Bing Yao said to Yue Feng, “Go help the Nine Heavens Saintess, Duan Yu and Miao Ying will deal with it.” As

she spoke, Bing Yao bit her lip, avoiding Duan Yu’s words. With a whip, the figure did not advance but retreated, getting closer to Duan Yu, and the jade hand hit his heart.

Chapter 3154

“Fight me head-on?”

Seeing Bing Yao attacking, Duan Yu didn't panic at all, sneered, and attacked with a palm.

Although Bing Yao was the Empress of the Underworld, Duan Yu didn't take it seriously, and when the other party drew closer to him, it was completely courting death.

Whoosh!

Just as Duan Yu and Bing Yao's palms collided, Miao Ying attacked quickly, also with one palm.

Duan Yu didn't have time to think, and raised his left hand to meet him.

Bang bang...

I heard two dull vibrations, Duan Yu's two hands pressed against Bing Yao and Miao Ying respectively, fighting together in mid-air.

Yes, Bing Yao and Miao Ying just made eye contact, the only way to hold Duan Yu is to fight with him.

This....

Seeing this scene, Yue Feng was stunned.

"Haha!"

At this time, Duan Yu also reacted and sneered: "Fight with me? Do you think you will win? You will only lose even worse!" The voice fell, and the terrifying Yin Sha force continued to pass through far and wide. The hands burst out.

Feeling a strong force coming, both Bing Yao and Miao Ying were pale and their delicate bodies trembled, but they still resisted with gritted teeth.

In the next second, Bing Yao urged Yue Feng, "Yue Feng, hurry up!" The

Nine Heavens Saintess was almost unable to withstand the copper tripod's absorption.

Hearing this, Yue Feng gritted his teeth and flew down to the front of the eight saintess.

At this time, Yue Feng saw that the eight saintess, under the absorption of the copper tripod, all turned extremely pale, and the situation was very dangerous.

"Several saints, what should I do?" Yue Feng asked quickly, sweating profusely.

call!

At this moment, the eight saintess looked at each other with complicated expressions.

Immediately afterwards, Huanxiang breathed a sigh of relief and said slowly: "It's too late, Yue Feng, you and your friends go, leave us alone!"

This section of feathers are too strong, and the three Yue Feng are not opponents at all. More importantly, because of Lan Xin's death, his sisters misunderstood Yue Feng, and he can no longer let him take risks for his eight sisters.

"No!" Yue Feng became anxious all of a sudden: "I will never allow you to have an accident, tell me how to make that bronze tripod stop."

Seeing Yue Feng's expression, Huanxiang and several saintess are all Inexplicable emotion and guilt.

This Yue Feng was a real man, but unfortunately, he had always misunderstood him before.

"Phew!"

Finally, Huan Xiang took a deep breath and said softly to Yue Feng: "Once the Soul Melting Array is activated, it cannot be stopped, unless you have a way to form a barrier around us and cut off the copper cauldron. Absorb the power."

What? can not stop?

Hearing this, Yue Feng's brows were furrowed, his heart was burning, and he no longer hesitated, and directly urged Bailian Lenghuo to deploy a protective film around the eight saintess.

The moment the protective film was formed, it immediately protected the eight saintess and blocked the bursting suction of the copper cauldron.

It worked!

Seeing this scene, Huanxiang and the others were very happy, but when they saw Yue Feng's face, they were all worried.

I saw that Yue Feng's face was pale, and the cold sweat kept on his forehead.

The power of the soul-melting formation was unimaginably powerful. Yue Feng could only protect the safety of the eight saintess by constantly activating the cold fire of Bailian and strengthening the protective film.

But constantly urging Bai Lian's cold fire consumes a lot of internal strength.

In less than a minute, Yue Feng couldn't hold it anymore, and his legs were straight and weak.

In mid-air, Bing Yao and Miao Ying were still fighting with Duan Yu. The whole situation seemed to freeze, but it was very unfavorable for Yue Feng.

“Om...”

Chapter 3155

However, at this time, a powerful breath came from below the top, and a fiery red figure flew up to the top. The beautiful face was cold and proud, and the sexy body was filled with terror. breath.

It is Yanhong!

Swish!

Feeling Yanhong's aura, whether it was Duan Yu or the eight saintesses, they were all secretly surprised.

Yue Feng's expression changed.

Oops, Yan Hong has also come, and the situation is even more difficult to control.

Thinking to himself, Yue Feng shouted at Yan Hong: “Yan Hong, hurry up, help me deal with Duan Yu!”

“Hehe!”

Hearing this, Yan Hong's mouth twitched, revealing an indifferent smile: “Yue Feng, why should I help you? I killed Long Yaotian for you before, but you blamed me in turn, and you have to draw a clear line with me. It's only two days later, and you asked me to help you again. When will you change? It doesn't count if you have to talk?”

Uh...

Yue Feng was very embarrassed, then squeezed out a smile and said comfortably: “Yanhong, I was wrong before, I shouldn't blame you, I apologize to you now.

” The matter of the Nine Heavens Saintess is related to the safety of Kyushu, nothing can happen, and you and Miaoying have the same origin, do you want to watch her have an accident?”

When he said this, Yue Feng's eyes were full of anticipation, and his body couldn't stop trembling.

Yes, continuously urging Bai Lian Leng Huo to help the eight saintess resist the power of the Soul Melting Great Array, Yue Feng's internal strength is almost exhausted, and he can't stand it anymore.

To be honest, Yue Feng was very reluctant to apologize to Yanhong.

But there is no way, the situation is getting more and more critical, if Yan Hong does not help herself, not only will the eight saintess not survive, but she and Bing Yao will also die.

However, Yan Hong's face was icy cold, and she was not moved at all.

Yue Feng was so anxious that he almost cried: "Yanhong, I beg you..."

Hearing this, Yanhong breathed a sigh of relief and nodded.

hum!

In the next second, Yan Hong's delicate body flashed, and instantly came behind Duan Yu.

At this time, Duan Yu was still fighting with Bing Yao and Miao Ying for internal strength, and his clones were lacking.

Feeling the danger approaching behind him, Duan Yu was shocked and hurriedly said: "Hey, don't listen to Yue Feng, what benefits can you get from helping him, I'm different, I'm the Pluto of the ghost world, and I will be called the Pluto King soon. The ruler of Kyushu."

"It's better that you and me join forces, as long as you help me integrate the power of the Nine Heavens Saintess, I will never treat you badly..."

Shuh!

Hearing this, Yanhong's eyes flickered and she stopped instantly: "It sounds good!"

Nima!

Seeing this scene, Yue Feng's face changed, and he hurriedly shouted: "Yanhong, don't believe him, this person is very cunning and unbelievable. You helped him today, and he will turn his head against you tomorrow.

" At that time, Yue Feng was very anxious, and he never thought that Duan Yu would tempt Yan Hong with profit.

At the same time, the eyes of Bing Yao, Miao Ying, and the eight saintess were also fixed on Yan Hong. You must know that the two sides are now deadlocked, and the only one who can break this situation is Yan Hong.

For a time, Yan Hong was suspended there, her eyebrows knitted together, and her heart seemed to be swaying.

“call!”

Finally, Yan Hong breathed a sigh of relief and looked at Duan Yu up and down: “I heard that you not only fused the power of the Nascent Soul of a Nine Heavens Saintess, but also devoured the power of the previous Hades?”

Duan Yu was stunned, not understanding for a moment. Yanhong means.

At this moment, Yanhong continued: “So, I can devour your power, right?”

Om!

The voice fell, Yan Hong’s power exploded, and the jade hand lifted up and buckled on top of Duan Yu’s head.

Yan Hong is evil by nature, Duan Yu’s words really made her very interested, but she didn’t expect to cooperate with Duan Yu, but wanted to replace him.

The ultimate husband in Chinese chapter 3156-3160

Chapter 3156

What?

Seeing this scene, both Duan Yu and Yue Feng were all shocked.

Especially Duan Yu, he was angry and panic: “You are courting death... I am the Pluto...”

At this time, Duan Yu never thought that he would throw an olive branch to Yan Hong, not only Instead of drawing Yanhong over, he also brought in a fatal disaster.

Under the howl, Duan Yu wanted to turn around and counter Yanhong.

However, the two Bing Yao in front of him were fighting with him, and Duan Yu couldn’t withdraw his palms rashly.

Huhu...

In an instant, under the swallowing of Yanhong, Duan Yu only felt that the power in his body was madly escaping, and the momentum that originally despised the world disappeared in an instant, and the whole person was also extremely weak.

What frightened Duan Yu even more was that his own soul seemed to be about to come out of his body. This body was originally intended to seize Yue Chen. At this time, all the strength of his body was swallowed up by Yanhong, and his soul gradually lost control of his body.

Om, hum, hum...

With the continuous devouring, the power of Yanhong continued to rise, causing the surrounding air to be extremely distorted and extremely terrifying.

call!

Seeing this scene, both Yue Feng and Bing Yao were inexplicably shocked.

At the same time, Bing Yao and Miao Ying also quickly returned to Yue Feng's side to help him resist the power of the Soul Melting Array.

"Bingyao!"

This chapter is provided by . Visit for daily update.

At this moment, Yue Feng was paying attention to Yanhong's movement in midair, and anxiously said: "Quickly think of a way to stop the great formation of soul melting!" Bingyao is the former queen of the dead, and she must know the way.

Bing Yao opened her mouth and was about to speak, but was interrupted by a sneer from Yan Hong.

"Don't bother!" At this time, Yanhong completely integrated Duan Yu's power, her delicate body flashed, and she was already in front of Yue Feng, her icy face was extremely proud.

Yanhong's gaze made Yue Feng have a bad premonition, and said coldly, "Yanhong, what else are you doing?" As he

spoke, Yue Feng subconsciously looked at Duan Yu who fell from the air, and instantly I was in a cold sweat.

I saw that Duan Yu had only one sentence left at this time.

Yanhong not only fused Duan Yu's power, but also devoured his soul.

Speaking of which, although Yan Hong is powerful, it is very difficult to swallow Duan Yu's strength and soul. However, Duan Yu and Bing Yao and Miao Ying used up a lot of internal strength before, so Yan Hong took advantage of it.

"This person named Duan Yu has deployed the Soul Melting Array, so it can't be wasted!" Yan Hong said coldly, then raised her jade hand and grabbed the nearest Huan Xiang.

Yes, Yanhong swallowed Duan Yu's power and felt that it was not enough. At this time, it was necessary to integrate the power of the Nine Heavens Saintess.

"You..."

Yue Feng was so frightened that he was about to stop him, but he had consumed too much internal energy before, and he was simply powerless.

Bing Yao and Miao Ying's expressions also changed, and they rushed over to stop them at the same time, but Yan Hong's speed was too fast, and it was too late.

boom!

Seeing that Yanhong was about to grab Huanxiang, suddenly, in the Soul Melting Great Array, the huge copper cauldron exploded with a terrifying roar, causing the entire Kunlun to be filled with dust and smoke. At the same time, dark clouds rolled in the sky and lightning flashed thunder.

Obviously, Yanhong devoured Duan Yu's power, causing chaos in the soul-melting formation, and finally causing the copper cauldron to explode.

Bang bang bang...

Along with the roar, the entire Kunlun peaked and shook violently, and then, a huge black vortex appeared in the sky covered with dark clouds.

hiss!

Seeing this scene, both Yue Feng and Yan Hong were stunned.

As for the saintesses of Huanxiang, their expressions were solemn, and their eyes flashed with inexplicable panic.

Chapter 3157

What's the situation?

The next second, Huanxiang was the first to react and shouted at Yue Feng: "Quick, hurry up and leave this Kunlun Peak, this is a chaotic vortex."

Chaos vortex?

Hearing this, Yue Feng was confused and endured his fear: "What kind of chaotic vortex?"

Huanxiang quickly said: "The chaotic vortex is a special existence that can swallow everything, and once it is inhaled, it will be forever. I can't come back!"

Hearing this, Yue Feng's expression changed, and a scientific term he learned when he was young in school, cosmic black hole, also appeared in his mind.

Could it be that this chaotic vortex is a cosmic black hole?

Nima, how did this happen to Kunlun Jue Ding?

At this time, Yue Feng didn't know that Kunlun Jue Ding was the Nine Heavens Saintess, at the entrance of Mitian Spirit Realm, where Duan Yu deployed the Soul Melting Great Array, but was interrupted by Yan Hong in the middle, causing the formation to erupt, and then triggering the spiritual energy of heaven and earth Totally devastated.

In this case, the Chaos Vortex appears.

boom!

Just when Yue Feng was in shock, Yan Hong suddenly sneered and slapped Yue Feng's back with a palm. Hearing Yue Feng groan, the whole person was shocked and flew out, and the direction of the flight happened to be the chaotic vortex.

Yes, Yanhong intends to let Yue Feng be swallowed by the chaotic vortex, so that he will have no future troubles.

Nima!

Yue Feng was shocked and angry, but he reacted very quickly, grabbing Yan Hong's skirt tightly.

hum!

At this time, the chaotic vortex quickly turned, and a dazzling light burst out, covering Yue Feng and Yanhong. In this dazzling light, there was a terrifying suction force.

“Let go!” Yan Hong shouted, she never expected that Yue Feng would grab the corner of her skirt at a critical moment.

As soon as the words fell, Yanhong slapped Yue Feng on the shoulder with another palm, and she heard Yue Feng groan, and a mouthful of blood spurted out, but her hands were still clutching the corner of the skirt tightly, not letting go.

At this time, Yue Feng, under his anger, was ready to die together with Yanhong.

Mad, this Yanhong. If you want me to be swallowed by the chaotic vortex, I can't live, so don't think about it.

“Yue Feng!”

Seeing this scene, Bing Yao and Miao Ying, as well as the eight saintess, all changed their expressions and exclaimed tenderly.

Whoosh!

Immediately afterwards, Miao Ying bit her lip tightly, without any hesitation, she flew up and hugged Yue Feng.

“Miaoying, what are you doing?” Yue Feng was shocked and couldn't help asking Miaoying.

While saying this, Yue Feng's hands were holding tightly to the corners of Yan Hong's skirt.

“Yue Feng, you are finished, I am your wife.” Miao Ying bit her lip tightly, her beautiful face was extremely firm: “You admitted it before in the illusory realm, so let's live together, Die together!”

Miao Ying and Yan Hong are both fairy spirits in the illusory realm, but their personalities are two extremes.

Miaoying is kind and single-minded. She identified Yue Feng. At this time, seeing that Yue Feng was about to be sucked into the chaotic vortex, she would definitely die, and she would never live alone!

call!

Hearing this, Yue Feng was moved beyond words: “Miaoying, why are you so stupid...”

hum!

It was at this time that the suction force that erupted in the chaotic vortex became stronger and stronger, completely swallowing the three Yue Feng, and the figure disappeared.

“Yue Feng!”

Seeing this scene, whether it was Bing Yao or the eight saintesses, they all shed tears when they were sad.

Chapter 3158

Buzzing....

At this time, the violent vibration caused by the chaotic vortex is getting bigger and bigger, and the entire Kunlun Peak is shaking, as if it will collapse at any time.

“Several saintess!”

Bing Yao bit her lip and said anxiously: “Quick, let’s get out of here, otherwise, we will also be swallowed by the chaotic vortex...”

However, the eight saintess were still immersed in sadness. , as if not heard.

Because of the death of Saintess Lanxin, they tried every means to kill Yue Feng, but in the end it was found out that Yue Feng was framed. Because of this, the eight saintess have always harbored guilt in their hearts, but now , Yue Feng was swallowed by the chaotic vortex in order to save himself, how could he not be sad?

Seeing this scene, Bing Yao felt very uncomfortable, but she walked over quickly and flew down to the top with the eight saintess.

Boom...

At this moment, the power of the chaotic vortex broke out completely, and I heard an earth-shattering roar, and the entire Kunlun collapsed with a bang. For a time, there was flying sand and rocks between heaven and earth, as if the end of the world.

The movement of the Kunlun Peak eruption was even more terrifying than the movement caused by the opening of the Heavenly Axe ten years ago. For a time, the entire Kyushu was shaken by it.

.....

At this moment, Nayun Continent, Longmen Pass!

The masters of the major sects stood on the long building one by one, looking at the direction of Kunlun's peak, dumbfounded.

Just now, the major sects were still discussing, Duan Yu led the army of death to attack again, how to resist, but halfway through the discussion, suddenly the mountain shook, and everyone was stunned.

Then everyone came out to watch, and they saw the direction of Kunlun's top, a black chaos that enveloped the world.

"It seems that Kunlun is the top."

When everyone was stunned, someone shouted: "Could it be that... the situation that Yue Feng sent people to say is true? Duan Yu is really top in Kunlun?"

Wow!

The voice fell, and everyone around was in an uproar.

"It looks right..."

"Such a big movement, what happened?"

"Quickly go to Kunlun Peak and take a look..." In

shock, the masters of various sects set out one after another, facing Kunlun Go to the top direction.

...

the other side.

Wen Chou Chou, Sun Dasheng, and Ren Yingying were originally fighting against the army of death, restraining Jade, but suddenly, they felt the ground under their feet suddenly vibrate, and immediately after the Kunlun Peak in front of them, there was also a burst of roaring, the world was full of chaos.

what's the situation?

Everyone was shocked by the scene in front of them, and then they saw the surrounding army of death, one by one, fell to the ground and turned into piles of bones.

boom!

Just when everyone was shocked, they heard a violent roar, and the entire Kunlun Peak collapsed directly. In an instant, large and small rubble fell overwhelmingly, which was amazing.

At this moment, everyone was completely stupid, standing there one by one, shocked.

“Get out of the way.”

Soon, Wen Chou Chou was the first to react and couldn't help shouting. Only then did everyone react, and they all ducked into the distance.

When they reached a safe area, everyone looked back and saw that the entire Kunlun Peak had completely collapsed, and the sky and the earth were billowing with smoke, like the end of the world.

For a time, everyone had a bad premonition.

The Kunlun Mountains collapsed, and Yue Feng...

Swish...

At this moment, I saw several figures rushing out from the billowing dust and smoke.

Chapter 3159

“Yue Feng...” Ren Yingying's face was overjoyed, thinking that it was Yue Feng who came out, and hurriedly shouted, but when she saw the person coming, she was dumbfounded.

It was Bing Yao and the eight saintess who came out of the dust and smoke, and Yue Feng was not among them.

At this moment, seeing Bing Yao and the eight saintess, Wen Chou Chou and others were also stunned.

Soon, Wen Chou Chou reacted, stepped forward quickly, and asked Bing Yao, “Where's Feng Zi?”

Shuh!

The words fell, and the surrounding Sun Dasheng and others also looked closely at Bing Yao, waiting for her answer.

“He...” Bing Yao sighed softly, her beautiful face full of complexities: “Yue Feng was sucked into the chaotic vortex, I'm afraid...”

After a pause, Bing Yao lowered her head and said "I'm afraid I won't be able to come back!"

At this time, Bing Yao felt very uncomfortable. When she was brought out by Yue Feng from Pluto Ding, Bing Yao secretly swore that she would find an opportunity to repay Yue Feng, but Yue Feng Just...

what?

When the words fell, everyone present was buzzing.

Yue Feng was sucked into the chaotic vortex?

Especially Ren Yingying and the surrounding women Xiao Yuruo were trembling as if struck by lightning!

"You...what did you say..." Ren Yingying's eyes turned red, her voice trembling, she asked Bing Yao, "What happened to Yue Feng?"

At this time, Ren Yingying was trying her best to restrain her emotions, and she was unwilling to do so. Believe in this fact.

Bingyao breathed a sigh of relief and said, "Yue Feng was sucked into the chaotic vortex. The situation was too complicated at that time, and I couldn't rescue him in time. However, that Duan Yu was already dead, and Kyushu was no longer a threat. All this was due to Yue Feng. The hero of Jiuzhou, he deserves it!" The

voice fell, Xiao Yuruo and Su Qingyan were all blacked out and almost fainted on the ground.

"Impossible!" At this moment, Ren Yingying could no longer restrain her emotions. Looking at the smoke and dust in front of her, she

cried, "This is not true, Yue Feng will not have an accident, no..."

, Ren Yingying was about to rush in to look for Yue Feng, but soon, she was stopped by the surrounding people.

"Don't go in!"

"Yeah, calm down, the chaotic vortex has not disappeared, and you won't be able to come back if you go in."

Ren Yingying was held back, she couldn't hold it any longer, and cried out with a wow.

Yue Feng, do you know that you are the only man in my life. Something happened to you, what should I do?

The few Xiao Yuruo around were even more heartbroken and burst into tears.

Beside him, Wen Chou Chou and Sun Dasheng stood side by side, looking at the crumbling Kunlun Peak in front of him, his eyes were blood red, and his heart was even more uncomfortable as a knife cut.

If I knew this was the result, I should have gone to the top of Kunlun with Fengzi.

The Kunlun Peak collapsed, and the dust and smoke caused by it floated for three days and three nights before it completely dissipated. In this way, the top of Kyushu completely ceased to exist. After the dust and smoke completely disappeared, Wen Chouchou and Sun Dasheng ordered people to be on the site of Kunlun Peak. , A huge stone tablet with a height of 100 meters was erected, with the eight characters of 'The Lord of Tianmen, upright and noble' written in memory of Yue Feng.

...

the other side.

In the chaotic vortex, Yue Feng, who was almost crushed by the huge suction and pulling force, was out of breath, and finally had to let go of Yanhong's skirt.

Before helping the eight saintess to resist the power of the soul-melting formation, Yue Feng almost exhausted his inner strength. At this time, he was sucked into the chaotic vortex and could no longer hold it. After releasing Yanhong, he quickly fainted.

In a coma, Yue Feng felt as if he had fallen into the sea, his body was light and fluttering, ups and downs...

I don't know how long it took, it seemed like a century, and it seemed like a moment, Yue Feng gradually woke up.

What the hell!

Didn't you die?

The moment he regained his senses, Yue Feng couldn't help taking a deep breath, surprised and happy.

Chapter 3160

Hiss...

And then, there was a shock of pain all over his body, Yue Feng couldn't help taking a breath.

Nima, the power in the chaotic vortex is so terrifying that he almost was torn apart.

By the way, I'm fine, Miaoying and Yanhong, aren't they fine?

Thinking to himself, Yue Feng slowly opened his eyes, looked around, and suddenly the whole person was stunned.

Nima!

where is this?

Yue Feng could clearly see that he was lying on the seaside. Not far from the seaside was a seaside city, but the buildings here were so peculiar, with round and pointed roofs, and the streets were very lively, but there was not a single car. .

The vehicle you see is a special kind of carriage, because the horse pulling the carriage has a long horn on its head.

Not only that, the people on the street and their clothes were very different from what Yue Feng had seen.

Where is this?

At this moment, Yue Feng was completely stunned. He had never seen such a place in the Kyushu Continent.

The scene in front of me is like a fantasy world seen in a movie.

Could it be that... through the chaotic vortex, he was transported to another space world?

Whoa!

Just when Yue Feng was stunned, he heard footsteps behind him, and when he looked back, he saw several men in ragged clothes running over in a panic.

Behind these men, a group of soldiers chased after them. These soldiers, wearing heavy armor and helmets covering their entire faces, only exposed one pair of eyes, looking a bit funny.

"Damn slave, how dare you run away? Take them all back!" The

leading soldier shouted, and soon he and his companions captured the men.

What the hell, slave?

Are there still slaves in this world?

Seeing this scene, Yue Feng was secretly shocked.

“There’s another one here!”

At this moment, these soldiers rushed over when they saw Yue Feng and shouted. Yue Feng’s clothes were tattered, just like those slaves.

What the hell!

Yue Feng was startled and wanted to turn around and run away, but he was too weak. Before he could run two steps, he was pressed to the ground by these soldiers and tied up.

“Several military lords, I was passing by, not a slave, you arrested the wrong person.” Yue Feng couldn’t help shouting.

At this time, Yue Feng was very depressed. If it weren’t for the exhaustion of internal energy, the soldiers in front of him would not have to be taken seriously.

Hearing this, several soldiers looked at each other and frowned.

“What military lord?”

“Don’t talk nonsense with him, take it away.”

After a few soldiers scolded, they took Yue Feng and other slaves and walked towards the seaside city not far away.

Yue Feng was in a hurry and wanted to struggle, but when he felt the strength of these soldiers, he was surprised again.

At this time, Yue Feng clearly sensed that these soldiers had no internal strength, but there was a strange aura around them, which should not be underestimated.

When walking through the city street, Yue Feng also found that the people here seem to be similar to those from Kyushu, but there are some differences in subtleties, and the eyes are dark blue.

Soon, Yue Feng gradually understood his situation through the conversation of these soldiers.

The place where Yue Feng is located is Roland Continent, and the coastal city in front of him is located at the westernmost end of Roland Continent, called Port Simon, which belongs to a medium-sized coastal city.

At the same time, Yue Feng also learned that the people here also cultivate, but the cultivation method is very different from that of Kyushu.
