

The ultimate husband in Chinese chapter 3161-3165

Chapter 3161

Yue Feng learned that the realm of holy power is also divided into many levels, namely holy teachers, holy kings, holy gods, holy emperors, holy spirits, and each stage is divided into three levels: lower, middle, and upper.

These soldiers who captured Yue Feng were basically the strength of middle-level saint masters, equivalent to the realm of martial masters in the Kyushu Continent.

Ten minutes later, Yue Feng and many slaves were brought to a meeting.

Yue Feng saw that the gathering in front of him was very large, and a huge wooden platform was built in the middle. At this time, many slaves were already brought on the platform, and there were signs hanging around their necks, which marked the price.

What the hell! This is to buy yourself as a slave.

Seeing this scene, Yue Feng wanted to cry without tears.

Soon, Yue Feng was also put on a sign and brought to the stage.

Whoa!

At this time, more and more people gathered around the assembly, because Yue Feng's clothes looked different, and many people's eyes gathered.

During this period, there were still many girls pointing at Yue Feng.

"This person looks stupid, so funny..."

"Looking at the clothes, it doesn't seem like we are here..."

"No matter how special, he is also a slave..."

Listening to the discussions of the people around, Yue Feng Can't laugh or cry, very depressed.

Nima, he is also the sect master of Tianmen, but in this other world, he is treated as a slave, and he is also watched by these people like animals.

No, we must find a way to return to Kyushu.

Just when Yue Feng was thinking about this, suddenly, he heard a commotion in the crowd, and immediately, the crowd split up and came out.

Not far away, I saw a beautiful figure, surrounded by a few burly soldiers, slowly walking over.

The woman is about 20 years old, wearing a yellow corset dress, her facial features are exquisite and charming, giving people a feeling of elegance and nobility. Such a woman is the focus wherever she goes.

Even Yue Feng was stunned, staring at the woman closely, his eyes unblinking, and his heart was filled with emotion.

I didn't expect that in this different world, there are such beautiful women, but it feels very proud.

The woman's name is Irene, the daughter of the city lord of Simon City, with an extraordinary status. She is also the goddess in the hearts of many men in Simon City.

"Miss Irene!"

Seeing Irene, the captain of the soldiers in charge of the rally, hurried up to meet her with a respectful look: "Why are you here?"

"Miss I can go wherever she wants, do I need to report to you?" Lin's red lips parted lightly and said lightly.

"Yes, yes..." The soldier captain responded again and again.

At this time, Irene was looking at the many slaves in the stands and continued: "I heard that you brought a lot of slaves back today, I'll come and pick two."

Hearing this, the soldier captain immediately shouted at the stage . : "Every one of them stood up, let the young lady pick." In an

instant, many slaves were trembling and stood up quickly, only Yue Feng's face was calm and calm.

Swish!

At this moment, Irene's eyes slowly swept across many slaves, and finally fell on Yue Feng: "Just him."

What?

Hearing this, Yue Feng was in a hurry, and quickly said: "Miss, I am not a slave at all, but I was caught by mistake. I..." Before the

words were finished, a burly man beside Irene The soldier came over and gave Yue Feng a slap in the face.

Snapped!

With a crisp sound, Yue Feng only felt a burning pain on his face, and the whole person was also extremely angry.

"As a slave, do you understand the rules? It's an honor for you to be selected by the lady to go to the City Lord's Mansion." The burly soldier said coldly, and when the words fell, he pulled Yue Feng off the stage and brought it to Irene.

Chapter 3162

At this time, Irene looked up and down at Yue Feng, her delicate face showing indifference: "From now on, you are my person, you can only follow my orders, understand?"

In Roland Continent, Slaves have no human rights at all, and are no different from animals.

call!

Yue Feng took a deep breath and wanted to explain, but when he saw the soldiers around him, he held back.

In the next second, Yue Feng nodded and said, "Understood!"

At this moment, Yue Feng was very aggrieved, but he had no choice. He was new here, he was unfamiliar with life, and his strength had not recovered, so he could only choose to compromise temporarily.

Irene was very satisfied with Yue Feng's attitude, and then left the meeting with Yue Feng.

On the street outside, Irene directly got into the car, the one that Yue Feng had seen before. It was similar to a carriage, pulled by two animals that looked like horses but not horses.

Knowing this, Yue Feng only knew that this kind of animal is called a unicorn. It is a unique spiritual beast on the Roland continent. It has good endurance and fast speed.

Of course, as a slave, Yue Feng couldn't sit in the unicorn car, he could only follow behind.

However, Yue Feng didn't feel depressed at all, he could just move his body and restore the inner strength of his dantian.

After ten minutes, he finally arrived at a huge castle near the sea.

At this moment, although Yue Feng was prepared, he was still stunned!

I saw the castle in front of me. It was completely made of huge stones. It was divided into five floors and was nearly 100 meters high. It was indescribably majestic. .

Huh..

After two seconds, Yue Feng realized that this is where the Lord of Simon City lives, quite domineering.

"Let's go!" Just when Yue Feng was stunned, the soldier behind him kicked him and scolded him coldly.

Nima!

Yue Feng scolded secretly, but still followed him in.

When they reached the lobby on the first floor of the castle, Yue Feng was ordered to stand at the door and not to enter.

At this moment, Yue Feng couldn't bear it anymore, and said to Irene, "Miss Irene, you brought me back, what do you want me to do?"

Irene looked lazy, sitting on the chair in the hall, faintly Said: "You don't have to do anything for the time being, just wait at the door." The

tone and expression were extremely arrogant and aloof.

Waiting at the door? Isn't this a watchdog?

Hearing this, Yue Feng was stunned for a moment, and suddenly became a little angry.

Nima, you really treat me as a slave!

"Yeah!"

That's when I saw Irene covering her head with a trace of fatigue and weakness on her delicate face. She has suffered from dizziness since she was a child, and has been maintained on medication.

"Hurry up, quickly bring Miss's medicine here." Seeing this, the soldier next to him hurriedly shouted.

The voice fell, and a maid walked over quickly, took a pill, and gave it to Irene.

Seeing this scene, Yue Feng frowned secretly.

This Irene looks weak at first glance, and the drug completely treats the symptoms but not the root cause.

Muttering in his heart, Yue Feng suddenly had an idea, standing at the door and said, "Miss Irene, do you often get dizzy and tired?"

Yue Feng thought about it, as long as this Irene's disease is cured, maybe Free again.

"Who told you to talk?" Irene frowned, very unhappy.

This slave really has no rules at all.

Swish!

The soldiers next to him also glared at Yue Feng.

Yue Feng did not panic at all, with a serious look on his face: "That's right, I have learned some medical skills, Miss Irene believes my words, why don't I help you take a look." Hearing this, Irene was stunned.

The next second, Irene couldn't help but chuckle: "Have you studied medicine?"

Chapter 3163

Haha... The

voice fell, and several soldiers around couldn't help but laugh.

"Miss Irene, this kid wants to please you."

"Looking at his flattering appearance, he is really a natural slave..."

"Hehe, Miss's symptoms, I don't know how many pharmacists have been found since I was a child, and I have never been able to. Healing, you are a slave, and you

are so shameless...” Listening to everyone’s ridicule, Yue Feng was both angry and funny, but he didn’t care, but looked at Irene and continued: “Miss Irene, let me try It’s nothing to try, what if it succeeds?”

Irene pondered for a while, nodded and said, “Okay, then you can show me.” She said so, but there was still contempt in her eyes, she didn’t believe a small Slaves who are proficient in medicine.

call!

Seeing Irene’s promise, Yue Feng breathed a sigh of relief and walked over directly.

At this moment, whether it was Irene or the soldiers around, they all frowned secretly.

What is he going to do?

It was at this moment that Yue Feng walked up to Irene, stretched out his right hand, and put it on Irene’s wrist, ready to treat the pulse. Yue Feng had studied medical theory with Shennong, and taking the pulse was a very common method.

Whoa!

However, at this moment, everyone present was taken aback.

Especially Irene, her delicate body trembled, and she threw away Yue Feng’s hand, her anger was unforgivable: “You dare to offend Miss Ben, you are very courageous, come on, catch me and chop it up!

” At that time, Irene’s face was extremely red, and her eyes were almost spitting fire.

The world in which Roland Continent is located is very different from Kyushu in medicine, and there is no such thing as a pulse, so Yue Feng’s behavior is completely regarded as a deliberate offense.

Whoa...

In an instant, the surrounding soldiers rushed up and surrounded Yue Feng.

What the hell!

Yue Feng was startled, and quickly waved his hand to explain: “You guys misunderstood, I’m taking the pulse of Miss Irene, not deliberately offending.”

However, these soldiers didn’t listen at all, and they burst out with holy power, holding their weapons tightly, facing Yue Feng chop.

Yue Feng was so anxious that he flashed his body and rushed outside the hall. At this time, Yue Feng's internal strength was only slightly recovered. Facing the siege of so many people, he was not an opponent at all.

The next second, Yue Feng saw that there were many potted plants around, and these potted plants were as tall as one person, and he immediately had an idea.

Whoosh!

In the next ten seconds, Yue Feng moved the surrounding potted plants while dodging the siege of many soldiers.

Yes, Yue Feng placed these potted plants in a gossip array.

Since the people here don't know the pulse, they must know how to play, and they don't know anything.

Um?

After the gossip formation was formed, those soldiers frowned secretly. What is this kid doing? The potted plants he moved looked a little weird.

Under the doubts, many soldiers stopped.

Erin also frowned.

Seeing this, Yue Feng showed a smile and said, "Just a few potted plants scared you all?"

"You..."

Hearing this, Irene was furious and shouted: "Catch him for me!" The

surrounding soldiers no longer hesitated and rushed into the gossip array. Soon, one by one felt that something was wrong. This slave clearly Right in front of her, but she couldn't catch him.

This....

Irene, who was standing outside, also trembled with an incredible look on her face.

She could clearly see that after a dozen soldiers entered the potted plant, all of them seemed to be blind, dazed and turned around by Yue Feng.

How could this be?

Chapter 3164

For a time, Irene looked at Yue Feng closely, her eyes full of doubts.

How on earth did he do it?

At the same time, Irene was even more annoyed. More than a dozen soldiers were actually being played around by a slave. If it spread out, they would not be laughed at by the whole Simon City?

It was at this time that more soldiers in the castle came.

“Catch him.”

In anger, Irene couldn't help but shouted: “Cut off his legs for me...”

Clap...

the voice fell, and the soldiers who came to join the siege one after another. Yue Feng's ranks, in an instant, the entire castle became a mess.

Looking at the soldiers who kept rushing into the formation, Yue Feng put away his smile and frowned secretly.

Nima, this is not the way to go.

After all, this is someone else's place. Continuing to consume it is very detrimental to oneself.

“What happened?”

At this moment, a low voice came from not far away, and then, a middle-aged man, accompanied by a few soldiers, walked slowly.

The man was dressed in a dark blue robe with exquisite embroidery on the robe, with gems and agate inlaid at the corners, very gorgeous, and a powerful aura pervaded his entire body.

This man is the city lord of Simon, Irene's father, Doug.

“Lord City Lord!”

Seeing Doug, all the soldiers present hurriedly stood at attention and shouted to Doug in unison.

What the hell!

Seeing this scene, Yue Feng almost wanted to cry without tears.

Is this man the city lord? It's broken, it's a big trouble now.

At this time, Irene hurried up to meet Doug's arm: "Father, you are here."

Mmm!

Doug responded, then looked around, and finally his eyes fell on Yue Feng: "What's going on?" The

voice was not loud, but it was quite majestic.

As soon as the words fell, Irene responded angrily: "Today I was at the meeting and I just picked a slave, but this slave was too bold. He lied to me that he knew medical skills and wanted to help me see a doctor, but he touched mine. Hand, take advantage of this opportunity, I let the soldiers catch him and punish him, and he resists."

When saying this, Irene did not forget to give Yue Feng a stern look.

What?

Hearing this, Doug was immediately furious: "The slaves now are getting more and more unruly and bold."

Irene is Doug's only daughter. How can you endure being desecrated by a humble slave?

In anger, Doug looked around and scolded the soldiers: "Can't you catch so many people as a slave? You..."

Halfway through, Doug saw Yue Feng placed a potted plant The gossip array was immediately stunned, and his eyes flashed with a strange light.

This... these potted plants look like the paintings on an ancient book that I treasured...

hum!

Under the shock, Doug couldn't help swallowing secretly, and then pointed to Yue Feng: "He placed these potted plants?"

"Yes." Irene nodded heavily, with a bit of anger in her tone: "It's this new slave, father, you must punish him severely, it's better to chop off his feet, no, the execution in Simon City Hang him on the stage."

Nima!

Yue Feng couldn't help but scolded, this Irene was too cruel, I just wanted to help you, and I didn't really want to take advantage of you. I had to look at my legs and hang it...

At this time, Yue Feng didn't know, in this world, although women's ideas are relatively open, there are also class restrictions. The highest are Doug and Irene, who are prominent, followed by saint power cultivators, and then there are soldiers, and then are commoners, and slaves are the lowest.

Therefore, Yue Feng, as a slave, touches Irene's hand, safety is a kind of blasphemy and disrespect.

Chapter 3165

However, Doug seemed to ignore Erin's anger.

The next second, Doug reacted and looked at Yue Feng up and down: "What's your name?"

"I..." Yue Feng hesitated and responded, "My name is Yue Feng!"

"Helplessly, he continued: "You are the city lord of Simon City, aren't you? To be honest, I really am not a slave, but I was caught by mistake."

Doug didn't seem to care about this, but looked at Yue Feng closely. : "You placed all these potted plants?"

When he said this, his eyes showed an indescribable complexity and urgency.

Um?

Yue Feng frowned secretly.

Does this city master know the formation method?

Thinking to himself, Yue Feng nodded and said, "That's right. I did it!"

When he answered, Yue Feng looked calm, but he was a little flustered for no reason.

If this Doug knew the method of cracking, then he would have no advantage, and the inner strength of his dantian had only recovered a little, and he could not stop so many soldiers at all.

"Huh!"

Just when Yue Feng was secretly worried, he saw Doug take a deep breath, and finally waved his hand: "All retreat!"

“
Hearing this, the surrounding soldiers were a little puzzled, but seeing Doug’s serious face, they didn’t dare to go against it, and they all retreated.

Irene was also stunned, and couldn’t help but say, “Father, you...”

Before she finished speaking, she was interrupted by Doug’s wave.

“Irene, you are waiting here now.” Doug said, then slowly walked down the steps towards Yue Feng.

Arriving in front of the Bagua Array, Doug said to Yue Feng, “Yue Feng, right, please come with me!” His tone was calm, and he lost all the force he had before.

With that said, Doug turned around and walked towards the study.

This....

Yue Feng was stunned, what’s the situation, this Doug not only didn’t do anything to himself, but also had a private interview with himself?

What is he going to do?

At the same time, Irene and the surrounding soldiers also looked at each other in dismay, even more astonished in their hearts.

What happened to the mayor? Even took this slave to the study? You know, Doug has a prominent identity and never looks at these slaves, but at this time, he looks at the slave in front of him so differently.

More importantly, this guy offended Miss Irene before.

Soon, when he arrived at the study, Yue Feng looked around and was stunned.

As soon as I saw the study in front of me, it was the size of a basketball court. There were several rows of bookshelves neatly arranged, and there were tens of thousands of books on it, just like a small library.

“Mr. Yue Feng!”

Just as Yue Feng sighed inwardly, Doug suddenly said, “Excuse me, what is your relationship with Lord Fu Yi, is he his descendant?”

At this time, in the study, only Doug and Mr. Yue Feng, and Doug also completely put down the shelf of the city owner, looking at Yue Feng's eyes, full of anticipation and excitement.

Lord Fuyi?

Looking at Doug's expression, Yue Feng couldn't help frowning and said, "What is Lord Fuyi?"

Mentioning Lord Fu Yi, Doug became excited all of a sudden: "Master Fu Yi is the most legendary, mysterious and greatest person in the entire Roland continent for two thousand years. His knowledge can be described as vast as the sea, and his ability, even surpassing the gods..."

"It's just that such a great person left too little and too little. A few years ago, I was fortunate enough to get a book about Lord Fu Yi, with a picture on it, and The shape you made with the potted plant just now is almost exactly the same."

As he spoke, Doug carefully took out an exquisite wooden box from the innermost bookshelf, and then took out an ancient book.

What the hell!

At this moment, Yue Feng took the ancient book and glanced at it, and the whole person was stunned.
