

The ultimate husband in Chinese chapter 3171-3180

Chapter 3171

"You lost!" Yue Feng stood there with his hands behind his back, smiling at Heath and said.

Heath gritted his teeth and glared at Yue Feng. He was very unconvinced, but he didn't know how to refute it.

At this time, Irene walked over quickly and scolded Heath: "This man doesn't even have weapons, so you can't beat him. Also, what happened to you just now? Why did you stop and let him stand there? Kick?"

When she said this, Irene was very angry, she thought Heath would win, but she didn't expect to lose so embarrassingly.

"Miss Irene, I..."

Heath opened his mouth, wanting to cry without tears: "I don't know what's going on, I just suddenly couldn't move." He is famous in the entire Simon City. It was a shame for a knight to lose to an unknown soldier.

Depressed, Heath did not look at Yue Feng with admiration because of his defeat, believing that the defeat just now was just a coincidence.

"Hahaha..."

At this time, Doug came over with a big laugh and said to Irene, "Irene, did you see that Mr. Yue Feng defeated Heath and is qualified to be your teacher?"

When he said this, Doug couldn't hide his excitement.

Although the battle just now, Yue Feng won not be very brilliant, and even a little confusing, but still won in the end.

"Father!"

Irene bit her lip and said, "You saw it just now, Heath suddenly couldn't move, and obviously he was not in shape today, so this game doesn't count!"

Like Heath, Irene also felt that the comparison just now Dou, Heath suddenly couldn't move, it was an accident, otherwise, Yue Feng couldn't beat him at all.

When Doug's face changed, he was about to scold.

This chapter is provided by . Visit for daily update.

At this moment, Yue Feng laughed and said to Irene: "It's really interesting, it turns out that Miss Irene can also talk and it doesn't count. You proposed the game, and now you lose and don't admit it, Lord City Lord, you Simon The established rules have always been like this, can you not count what you have said?"

After saying this, Yue Feng's face was light.

Swish.

This time, everyone's eyes fell on Irene. Irene said just now that if Heath was going to lose, she would recognize Yue Feng as her teacher.

Is she really going to break the bet?

At this moment, looking at Yue Feng's smiling face, Irene bit her lip tightly, almost bleeding.

Doug couldn't bear his face, and couldn't help but scolded: "Irene, why don't you apologize to Mr. Yue Feng?"

He is the city lord of Simon City. If his daughter's words don't count, if the matter spreads, where will the face go?

Hearing the scolding, Irene trembled.

In the next second, Irene slowly walked over to Yue Feng, her face blushed, and she whispered: "Mr. Yue Feng, I'm sorry... in the future... please give me more guidance in the future!"

In Roland Continent, the apprentice To recognize the teacher, there is no saying of salute and kneeling, and there is no tradition of serving tea.

However, in Irene's heart, she promised to recognize Yue Feng as her teacher and apologized in public, which was already her bottom line.

At this time, Irene was full of suffocation! Seriously, at this moment, she really wanted to turn around and leave, but in this way, her reputation would be ruined, and her father's reputation would be affected. After all, it was a fact that Heath lost the fight, and there were so many people watching.

Ha ha....

However, Yue Feng was standing there, but he sneered secretly. This Roland Continent really has no rules at all. Now that he is a teacher, he doesn't even have basic etiquette.

“Mr. Yue Feng?” Seeing Yue Feng standing still, Doug realized something was wrong and quickly asked, “Do you have anything to say, sir?”

Huh!

Yue Feng took a deep breath and said lightly: “At my place, when you recognize the teacher, you must kneel down, otherwise it won’t count!” When he said this, Yue Feng looked at Irene with a half-smile.

To be honest, when Yue Feng first arrived, he didn’t want to embarrass the city owner, but thinking that she had treated herself as a slave and humiliated her in every possible way, she planned to take the opportunity to teach her a lesson.

Chapter 3172

What?

Bow down!

Hearing this, there was an uproar in the audience. All the soldiers looked at Yue Feng in astonishment, thinking that this man was crazy.

Especially Irene, her eyes widened, she glared at Yue Feng, her delicate body trembling.

You must know that in Roland Continent, only on very solemn occasions can one kneel and worship, and the object is only the supreme ruler, or one’s own parents.

I’ve never heard of it before. When you recognize a teacher, you must kneel and worship, because the atmosphere here is relatively open. Teachers and students are both teachers and friends.

This...

Doug was also stunned, but he quickly realized that Yue Feng is a descendant of Lord Fu Yi and lives on overseas islands all year round. It is normal for customs and etiquette to be different from Roland mainland.

Thinking of this, Doug didn’t hesitate, and urged Irene, “Quick, kneel.”

However, Irene stood there with no intention of kneeling at all.

“Father!”

Finally, Irene reacted and couldn’t help shouting at Doug: “Why? Why do you have to let me recognize him as a teacher? Kneel? I won’t kneel!”

Doug was so angry, He walked over quickly and slapped Erin on the face!

“Clap!”

This slap used almost all her strength, and Irene was immediately blinded, her face was covered with her jade hand, and her eyes were full of grievances!

“Father!” Irene cried out all of a sudden, “What kind of demon have you fallen for? What’s so good about this person?”

Doug trembled in anger, pointed at Yue Feng and said, “Do you know who he is? Don’t say it’s me, he can enjoy the highest treatment anywhere in Roland Continent!”

At this time, Doug, I wanted to say that Yue Feng was the descendant of Lord Fu Yi, but at the critical moment, he held back.

What?

Hearing this, the soldiers around were all dumbfounded.

Where can I get the best treatment? What kind of identity is this Yue Feng!

Erin is also stupid!

At this moment, her legs felt weak, and her delicate body couldn’t help but take two steps back.

She could see that her father’s expression was full of respect and politeness when he mentioned Yue Feng.

Is this man really unusual.

Pfft!

A few seconds later, under Doug’s strong pressure, Irene had to bow down, bend her knees, and kneel in front of Yue Feng.

call!

Seeing this scene, Yue Feng was indescribably happy. He walked up to Irene with a smile and patted her head: “Well, this is good, apprentice, get up.”

With Yue Feng’s action, Irene again Embarrassed and angry, her delicate face suddenly flushed red, and she secretly swore in her heart.

Yue Feng, you wait for me, it made me so embarrassed today, and I will not let you go when I have a chance in the future.

.....

On the other side, the Kyushu Continent.

Duan Yu's power of the Hades was swallowed up by Yanhong. Afterwards, Yanhong, Yue Feng, and Miaoying were swallowed up by the chaotic vortex, and the Kunlun Peak was completely destroyed.

Under such circumstances, the situation in Kyushu also changed rapidly.

At this moment, stay away from Shenlong Island outside Kyushu.

Chapter 3173 In the

hall, Xian Di was sitting on the throne in a long dress, with a gratifying smile on her beautiful face. In the seat next to her, Xiaolong Xiaoxi sat there very well-behaved.

Half a month ago, in order to protect Yue Feng, the young dragon was seriously injured and was taken away by Long Xianger who arrived in time. After returning to Shenlong Island, Xiandi used a lot of heaven and earth to heal the young dragon.

At this time, the young dragon Xiaoxi has recovered from his injuries, and with the help of Xiandi, his strength has greatly increased, and he has the ability to transform into a human form.

These days, Sandy has been accompanying the young dragon.

However, the young dragon has always been unhappy. You must know that the young dragon is the soul of Xiao Xi. When she was brought to Shenlong Island by Long Xianger before, Xiao Xi knew that the situation in Kyushu was chaotic and Yue Feng was the sect master of Tianmen. , If you want to turn the tide, you will definitely suffer many difficulties, and you must return to Yue Feng.

This matter, Xiao Xi told Xiandi more than once, but Xiandi would refuse on the grounds that Kyushu was too dangerous.

Xian Di didn't know yet that the younger sister in front of her had another soul in her body.

However, Xiandi couldn't stand Xiaoxi's soft and hard bubbles in the end, and finally decided to let Long Xianger go to Kyushu to inquire about the situation.

At this time, Xiao Xi looked at the direction outside the hall and couldn't hide her worries: "I don't know what's going on in Kyushu, what about Brother Yue Feng!"

Hearing this, Xian Di smiled lightly: "Sister, your heart is too kind, Kyushu has nothing to do with our Shenlong Island, what do you care about?" After

speaking, Xian Di thought about it and continued: "Speaking of Yue Feng, this person is not weak, and he is very witty. It shouldn't be a problem. Also, although you and Yue Feng have a relationship of recognizing the master with a drop of blood, they can't be too close, you know? You are a dragon, he is a human, how can you be called eldest brother?"

"Then, I saw a slender figure and walked quickly into the hall.

It was Long Xiang'er who went to Kyushu to investigate the news.

"Sister Xiang'er!"

Seeing Long Xiang'er, Xiao Xi quickly stood up and asked impatiently, "Is there any news about Brother Yue Feng?"

When asking these questions, Xiao Xi's eyes were full of anticipation.

call!

Long Xiang'er took a deep breath, her beautiful face was full of complexities: "Yes... it's just..."

After a pause, Long Xiang'er said word by word, "I found out that Yue Feng was finally there. The Kunlun Peak is swallowed up by the chaotic vortex, life and death are unknown, and the Kunlun Peak has also collapsed..."

After saying this, Long Xiang'er's eyes flickered, and she did not look at Xiao Xi, and there was some indescribable sadness in her heart.

What?

Hearing these words, whether it was Xiao Xi or Xian Di, their bodies trembled and they were completely stunned!

Especially Xiao Xi, her heart hurts like being struck by lightning!

"How could this be, did you hear it wrong?" Xiao Xi asked softly with red eyes, trying to control her emotions.

Long Xiang'er breathed a sigh of relief and said, "It shouldn't be wrong, I specially went to the Kunlun Judging Site, which is already a ruin, not only that, but Yue Feng's two sworn brothers also built a huge stone tablet on purpose. Remembering Yue Feng..."

After speaking, Long Xiang'er looked at Xiao Xi and said, "Also, the situation in Kyushu has become more complicated, you should not go, it's too dangerous!" The

voice fell, Xiao Xi's figure flickered, I almost fainted, tears welling up in my eyes!

Brother Yue Feng is dead?

No, it's not true!

"Sister!" Xian Di, who was next to him, quickly supported Xiao Xi and gently comforted him: "If something like this happened to Yue Feng, it may be his doom, so don't be too sad, that's fine, it's gone. You are also free in the relationship of recognizing the Lord with a drop of blood. In the future, you can take care of Shenlong Island with me and help my sister revive the Dragon Clan!"

"No!"

Xiao Xi shook her head with a look of grief: "Brother Yue Feng will not I'm dead, I'm in contact with his blood confession, he hasn't completely disappeared, he's not dead, he's not dead..."

When saying this, Xiao Xi's tender face showed a trace of madness.

Xiao Xi didn't lie. She clearly felt that the connection between her and Yue Feng was vague and not completely cut off. If Yue Feng really died, she would never feel this way. Therefore, Xiao Xi concluded that Yue Feng was not dead yet.

What?

Hearing this, Xian Di and Long Xiang'er were stunned.

Chapter 3174

Is there such a thing?

A few seconds later, Xian Di reacted and said softly: "Even if Yue Feng is really not dead, but he is swallowed by the chaotic vortex, it will be difficult for him to come back alive. I think you should not hope too much."

Xiao Xi did not speak. , staring blankly at the sky outside the main hall, his tender face is full of sadness and pity.

“He will definitely come back!” Xiao Xi’s eyes flashed with determination, and then she said to Xian Di: “Sister, I decided to return to Kyushu. Brother Yue Feng is not here. I want to help her protect

the Ouyang family.” Xi’s tone was firm and unquestionable.

She firmly believed that Yue Feng would definitely come back alive, and the first time Yue Feng came back, he would definitely return to the Ouyang family.

This...

Hearing this, Xian Di hesitated, but looking at Xiao Xi’s firm appearance, she reluctantly agreed: “Okay.”

After saying that, Xian Di said to Long Xiang’er: “In this case, you can Protect your sister’s safety, remember, don’t reveal the identity of your dragon clan unless it is absolutely necessary!”

“Understood!” Long Xianger hurriedly agreed

a few minutes later, under the escort of Long Xianger, Xiao Xi quickly returned to Kyushu mainland.

...

the other side. Ouyang family!

In the hall, Wen Chou Chou, Sun Dasheng, Ren Yingying and others were discussing the situation in Kyushu, and they saw that the former Queen of the Southern Cloud Continent was also there.

After the Kunlun Peak Incident was over, the queen followed everyone and returned to the Ouyang family. In the queen’s heart, she was pregnant with Yue Feng’s flesh and blood, and she was also a member of the Ouyang family.

At this time, Wen Chou Chou looked around: “Last night, I got the news that Long Qianyu has taken over the power of the Southern Cloud Continent, and she is the new Southern Cloud Queen!”

When saying this, Wen Chou Chou subconsciously looked at the Queen. .

The queen’s delicate body trembled, and there was no joy in her heart, but she couldn’t tell the complexity. She knew Long Qianyu’s personality too well. Although she was strong, she acted more willfully. Speaking of which, it’s not a good thing.

"This Long Qianyu!" Sun Dasheng couldn't help but said: "After Fengzi was swallowed by the chaotic vortex, she still hates Fengzi, thinking that Fengzi has defiled the queen. Now that she is the queen, she is afraid to deal with us.

" When he arrived at Yue Feng, Sun Dasheng felt very uncomfortable.

call!

Wen Chou Chou took a deep breath and sat there without speaking, with a hint of worry on his face.

The great sage said it well. Long Qianyu hated Fengzi before, but now that she is the queen, she will definitely not let the Ouyang family go. What's more, the queen still has Yue Feng's flesh and blood in her stomach.

"Boom!"

As he was speaking, he heard a vibration from outside.

At the same time, a disciple walked in quickly, looking flustered: "Palace Master Wen, Sect Master Sun, it's not good, Nanyun Continent sent a large army to surround the mansion."

What?

Hearing this, whether it was Wen Chou Chou or Sun Dasheng and others, their expressions changed. Nima, this Long Qianyu is quite fast. As soon as she mentioned her, the Nanyun Army came!

Frightened, Wen Chou Chou hurried out, followed by Sun Dasheng and others!

When we got outside, everyone was shocked when they saw the scene in front of them!

I saw a large army of tens of thousands of Nanyun, ready to fight, surrounding the entire Ouyang mansion like an iron barrel. These soldiers, wearing uniform armor and holding long knives, were murderous!

In front of the army, a man was riding a tall horse and holding a long spear.

It was the commander-in-chief Yan Chao.

Chapter 3175

Seeing Yan Chao, the queen has a complicated expression. This person is the captain of the palace guard. He was loyal to the queen before. It seems that after Long Qianyu became the queen, he promoted him to the commander.

However, the Queen clearly felt that Yan Chao looked at her with a look of indifference instead of the respect he used to have.

Obviously, the queen was pregnant with Yue Feng's child, which ruined the reputation of the Nanyun royal family. Yes, Yan Chao's attitude has also changed.

"Yan Chao!"

Soon, the queen reacted, took a step forward, and shouted at Yan Chao: "What are you bringing the army here for?"

Yan Chao took a deep breath and looked directly into the eyes of the queen: "I serve Your Majesty. Order, I specially asked you to go back!"

After speaking, Yan Chao took out an imperial decree from his body and read out: "The former queen Long Qianying, who had a child in private, humiliated the royal prestige, today specially ordered Yan Chao to lead the army to bring her back. , to abort the fetus, Yu Lenggong faced the wall and thought about it, there must be no mistake." Long Qianying is the real name of the queen.

After reading the imperial decree, Yan Chao said indifferently to the queen: "You have also heard the imperial decree, I am acting on my orders, I hope it will not make me embarrassed.

Dengdeng...

Hearing this, the queen's heart aches, like being struck by lightning, The delicate body staggered and took a few steps back.

Long Qianyu wanted to kill his own child and imprison himself in the cold palace?! This...this is his own sister, why is he so cruel now?

Wow!

With this At the same time, the surrounding Wen Chou Chou and others were also in an uproar.

Putting the queen into the cold palace, but also killing the children.

This is too ruthless. When Long Qianyu became the queen, has he lost any family affection?

" Hello! "

Sun Dasheng has a hot personality, he couldn't help it on the spot, and shouted at Yan Chao: "What kind of bullshit imperial decree, you can sacrifice the life of an innocent child for the sake of the royal family's face?"

"He whispered to the queen, "Are you going to follow me back?" The queen bit her lip and shook her head.

At this time, the Queen's heart was unspeakably uncomfortable. She and Long Qianyu had a deep love for each other. They had been helping each other for so many years, but she never thought that after she became pregnant, the sisters' relationship would change quietly.

Speaking of which, the queen really wanted to return to the Nanyun Palace and make it clear to Long Qianyu in person, but once she went back, the child in her belly could not be kept.

After receiving a response, Wen Chou Chou did not hesitate, and said to Yan Chao: "Go back and tell Long Qianyu, she will not go back with you." The voice was not loud, but there was no doubt.

Previously, Yue Feng was swallowed by the chaotic vortex, leaving no bones. This made Wen Chou Chou very guilty. At this time, he must not watch Feng Zi's unborn child suffer persecution.

Swish!

At this moment, Yan Chao's face became extremely ugly. The group of people in front of them dared to ignore His Majesty's decree. When the matter spread, how could they stand on the mainland of Kyushu?

In anger, Yan Chao glared at Wen Chou Chou: "You are not too timid, do you know the end of disobeying the imperial decree?"

Ren Yingying, who had been silent for a while, couldn't help shouting: "Don't do this, This is the Continent of Earth Circle, not the Continent of Southern Clouds. How can you resist the decree? On the contrary, you are leading the army to surround the Ouyang family, and you have bad intentions!"

"Okay, very good!"

"To be right, he suddenly became furious: "All the officers and soldiers obey the order and immediately take Long Qianying away. Whoever dares to stop them will be killed!"

Whoops!

The voice fell, and more than a hundred soldiers in the front row rushed towards the queen.

The ultimate husband in Chinese chapter 3176-3180

Chapter 3176

“Fuck you ma...”

Looking at the swarming Nanyun soldiers, Sun Dasheng's eyes were instantly blood red, he roared, and the opening axe instantly appeared in his hand, and a dazzling golden light burst out.

The next second, Sun Dasheng's figure flashed, directly blocking the Queen behind him.

“As long as my Dasheng Sun lives for one day, you will never want to hurt anyone in the Ouyang family!” Dasheng Sun howled desperately, his body was filled with a strong fighting spirit, he turned and said to the people behind him: “Defend the family, kill me!”

Dasheng Sun knew clearly, the Ouyang family is the only place Yue Feng cares about, and it is his home. In any case, the Nanyun army cannot be allowed to act recklessly here.

When the voice fell, the entire Ouyang family responded.

“Defend the Ouyang family!”

“Don't let them take people away!”

“Kill!”

Speaking of which, after the great changes before, the great sage of the Ouyang family is now able to fight, with less than a hundred people, and Compared with the army of tens of thousands of Nanyun, they were like chariots, but they all looked resolute, and none of them retired.

“Kill!”

Along with the bursts of howling, Sun Dasheng held the opening axe, took the lead, and rushed into the enemy army first!

“Yan Chao, if you have an order to go back later, tell Long Qianyu that Yue Feng has helped Nanyun Continent so much before, and he has never been sorry for him. If it is because he and the queen have a child, the Ouyang family will suffer unwarranted

disasters. She will pay her blood debts with blood!" A cold voice came from Sun Dasheng's mouth.

The next second, Sun Dasheng stimulated his internal force, and the air around him was instantly distorted!

"Roar!"

This chapter is provided by . Visit for daily update.

In the next second, a sound of dragon roar resounding through the heavens and the earth came from the opening axe, and then, a golden beam burst out and slammed directly into the crowd in the Southern Cloud Continent.

boom!

In an instant, an earth-shattering sonic boom sounded, and within a kilometer radius, dust filled the air, and in the dust and smoke, hundreds of weather soldiers screamed and fell into a pool of blood.

This...

Seeing this scene, the remaining Nagumo soldiers couldn't help but gasp.

Is this the power of the opening axe? so horrible.

At this time, Yan Chao's face was also extremely ugly. It was just one move that actually killed so many of his soldiers. But soon, Yan Chao calmed down.

Yan Chao clearly felt that the power of Sun Dasheng's explosion seemed to be very strong, but in fact, he had not fully comprehended the power of the opening axe.

"Don't be afraid, everyone!"

Realizing this, Yan Chao looked around and shouted at the soldiers: "Sun Dasheng has not yet realized the power of the Heaven Opening Axe, and using the Heaven Opening Axe consumes a lot of internal energy,"

Hu!

Hearing this, the surrounding soldiers reacted, regained their strength, and rushed up again.

"Dangdangdang!" The

two sides continued to confront each other, and the sound of weapons colliding and roaring echoed over the entire Ouyang family, and the air could smell a strong smell of blood.

At this time, in the fierce melee, Sun Dasheng descended like a god of war, holding the Heaven-opening Axe and waving it constantly!

“Ah...”

Every time he swung the axe, a few Nagumo soldiers must fall.

However, gradually, Sun Dasheng became a little powerless. Yan Chao guessed right. Sun Dasheng just got the opening axe a few days ago, and he has not yet realized the power of the opening axe. In this case, the internal force is quickly consumed.

After a while, there were several more wounds on Sun Dasheng’s body, dripping with blood. In front of him, Nagumo soldiers followed one after another, rushing up and surrounding him, unable to kill him at all.

Sun Dasheng only felt that his hands were weak, and he could not grasp the axe firmly, but he still gritted his teeth and insisted with his last breath.

Chapter 3177

Not far away, the situation of Wen Chou Chou and Ren Ying Ying is also not optimistic. Under the constant charge of Nanyun soldiers, they retreated. Before fighting against the army of death at Kunlun Extreme Peak, everyone’s insides had not completely recovered. At this time, facing Yan Chao’s army of tens of thousands, it was naturally unstoppable.

Despite being at a disadvantage, no one gave up.

The queen stood there, guarded by everyone, and her delicate face was full of anxiety.

She really wanted to go up and help, but she was pregnant and couldn’t do it. If the fetal gas moved, it would be troublesome.

“Pfft!”

At this moment, Sun Dasheng was injured again, a Nanyun soldier rushed from the back, and the spear pierced Sun Dasheng’s lower abdomen at once.

Blood swarmed out all of a sudden!

Pfft!

Sun Dasheng's face was instantly pale, his body softened, and he was half-kneeling on the ground. He only felt that all the strength in his body was taken away in an instant, and the whole person was extremely weak.

"No!"

Seeing this scene, the queen's delicate body trembled, and she couldn't help exclaiming.

Afterwards, the queen shouted at Yan Chao: "Yan Chao, please let them stop, I'll go with you, I'll go with you..." When she shouted these, the queen's tears couldn't stop flowing. It hurts to see Sun Dasheng and the people of Ou Yan's family hurt for their own sake.

Especially Sun Dasheng, he is Yue Feng's sworn brother, if he died for himself, he would feel guilty for the rest of his life.

"I'm sorry!"

Hearing the Queen's cry, Yan Chao was expressionless, with a trace of indifference in his eyes: "It's too late for you to decide now, before I set off with the army, Your Majesty specifically explained that once the Ouyang family resisted the decree, no matter what, no one will be spared!"

When he said the last four words, Yan Chao's eyes were full of killing intent.

Yes, what Yan Chao said was indeed explained by Long Qianyu. Yue Feng tarnished his sister's innocence, and caused the Nayun royal family to lose face. Long Qianyu almost hated it, and naturally he would not let the Ouyang family go easily.

What?

Hearing this, Long Qianyu's delicate body trembled and was completely stunned.

My sister is going to destroy the Ouyang family? Just because he had an affair with Yue Feng? How did she become so heartless? After all, Yue Feng was once her fiancé.

At the same time, Sun Dasheng and Wen Chou Chou were also terrified.

Madd, it turns out that Long Qianyu not only wanted to take away the queen, but also to destroy the Ouyang family. Fortunately, he fought back immediately. Otherwise, the entire Ouyang family would have been imprisoned.

"Sun Dasheng! Wen Chou Chou!"

At this moment, Yan Chao showed a sneer and shouted: "In fact, Your Majesty is not too heartless, she also said that if you surrender and promise to be loyal, you will be spared for a while. How is it?"

"Fuck you Mad!"

As soon as he finished speaking, Sun Dasheng scolded angrily, his eyes blood red: "Long Qianyu, this wicked woman, thinks quite beautifully, let me and Brother Wen be his lackeys? Dreaming. Let's go!" The

voice fell, and Wen Chou Chou nodded in agreement: "That's right, we Changsheng Palace, Peach Blossom Island, Tianmen and Ouyang Clan are born from Earth Circle Continent and die as ghosts of Earth Circle Continent, we can never surrender. Nanyun Continent!"

Swish!

Hearing this, Yan Chao's face was extremely ugly, and his anger rose: "Mad, I don't know what to do, but you dare to insult Your Majesty, you all should be damned, damned!"

With the last sound, Yan Chao almost roared out, and then, the surrounding Nagumo soldiers burst into the sky again, like a tidal wave.

Seeing this situation, Sun Dasheng and Wen Chouchou looked at each other with no fear, and went up to meet them side by side.

However, the disparity between the numbers of the two sides was too great, and in the blink of an eye, the Ouyang family had killed and injured a lot of people.

"Made..."

At this moment, Dasheng Sun was so anxious that he was extremely sad and angry, and shouted up to the sky: "Even if you die today, you have to kill a few more enemies, and you can't humiliate the reputation of the Ouyang family!"

Chapter 3178

"Kill!"

Beside him, Wen Chou Chou's long shirt was also dyed red with blood.

Like Sun Dasheng, Wen Chouchou has almost exhausted his internal energy. At this time, facing the constantly rushing enemies, he completely lost his confidence, but he still clenched the long sword in his hand with high fighting spirit: "Dasheng, in today's battle, let's fight. I have done my best, and I have no regrets if I die..."

Hearing this, Sun Dasheng laughed loudly: "Yes, let's kill together today!"

After speaking, the two looked at each other and laughed, but in their hearts they said Uncomfortable.

He was at the top of Kunlun before and failed to protect Fengzi's safety. Do you have to watch the Ouyang family collapse now?

Not reconciled, so reconciled.

Listening to the brothers' laughter, Ren Yingying and everyone not far away were also desperate, and the depressing atmosphere shrouded everyone's heads.

At this moment, everyone has no hope!

However, there is one last belief in everyone's heart, that is, before the destruction of the Ouyang family, a few more Nagumo soldiers must be killed.

"Kill!"

At this time, with the determination to die, Sun Dasheng didn't know where the strength came from, waving the opening axe, like crazy, and rushed into the enemy group again.

"Brother Wen, Brother Dasheng, I'm here to help you!"

Just when the hope in everyone's heart was about to be completely shattered, suddenly, a soft and pleasant shout came from the sky not far away.

Um?

At this moment, everyone followed the voice and was stunned!

I saw a petite figure in the night sky not far away, flying quickly.

He looks like eleven or twelve years old, with exquisitely carved jade-like alchemy, a pair of eyes twinkling and agile, wearing a short skirt of feather gauze, indescribably cute, and at the same time, he has a special temperament.

It is Xiao Xi who has transformed into a human form.

This... who is this girl doll?

Seeing the scene in front of them, everyone in the entire Ouyang family frowned and wondered.

This girl doll has an extraordinary origin when she looks at her temperament, but she is very face-to-face, and she has never seen it before?

Especially Sun Dasheng and Wen Chou Chou looked at each other and were a little confused.

She called her brother, but she didn't seem to know her.

call!

On the other side of the battlefield, Yan Chao rode a big horse and stared at Xiao Xi, also secretly surprised.

At the same time, feeling the special temperament of Xiao Xi, Yan Chao also had a bad premonition.

“Hey!”

Just when everyone was stunned, Xiao Xi's figure fell to the ground, then pointed at Yan Chao and said, “You are the commander of this army? Soldiers leave, otherwise you will be at your own risk.”

When she said this, Xiao Xi's voice was childish, but there was an unquestionable aura.

After a long time, under the protection of Long Xianger, Xiao Xi left Shenlong Island and came to the Ouyang family. After arriving, she saw that the Ouyang family was besieged by the Nanyun army from a distance. At that time, Xiao Xi was shocked and angry, and hurried over to stop it.

What?

Hearing this, tens of thousands of Nanyun soldiers were all stunned, staring at Xiao Xi in astonishment.

Hahaha....

After a few seconds, the tens of thousands of troops burst into laughter.

“What did this girl say? You want us to retire?”

“Interesting! Whose child? He came out in a dream in the middle of the night

!

” Chao also gradually calmed down, the corners of his mouth twitched, revealing a contemptuous smile.

In the next second, Yan Chao looked at Xiao Xi up and down: “Doll girl, do you know who I’m talking to?”

An underage girl actually threatened to withdraw her troops? Just a big joke.

Chapter 3179

Call!

Yan Chao’s contempt, Xiao Xi didn’t care, he sighed lightly, and said coldly: “I’ll just say it once, you’re running out of time now, don’t wait until you’re about to die, and it’s too late to regret it.”

When he said this, Xiao Xi’s voice was immature, but her expression revealed a calmness and calmness that was inconsistent with her age.

“Looking for death!”

Xiao Xi’s attitude made Yan Chao feel humiliated, his face was extremely ugly, and then he shouted, the figure erupted, and the long knife in his hand slashed directly at Xiao Xi.

call!

Yan Chao’s strength is not weak. He saw that wherever his figure passed, the air was torn apart by the long knife, and the power was amazing.

“Be careful!”

“Be careful...”

Seeing this scene, whether it was Wen Chou Chou, Sun Dasheng, Ren Yingying and others, they couldn’t help but shout, and at the same time wanted to take the blow for Xiao Xi, but There were too many Nagumo soldiers around, and it was impossible for them to rush forward.

In the hearts of Wen Chou Chou, although this girl is very unfamiliar, she helps the Ouyang family, she is her own, and she must not watch anything happen to her.

Seeing Yan Chao burst out, Xiao Xi stood there quietly, her expression indifferent and unperturbed.

“Roar!”

Seeing that Yan Chao’s long knife was about to hit Xiaoxi, suddenly, he heard a deafening dragon roar in the sky, and then, the dark clouds rolled, the strong wind and

tiger roared, and a red giant roared. Long burst out of the air and blocked in front of Xiao Xi.

Yes, this giant dragon is Long Xiang'er.

When Long Xiang'er and Xiaoxi arrived just now, they saw that the Ouyang family was besieged by the army, and Xiaoxi was in a hurry, but Long Xiang'er was very calm, because Xiandi had said that the grievances of the Kyushu mainland had nothing to do with the Dragons.

Moreover, before leaving Shenlong Island, Xian Di explained that the identity of the dragon family should not be easily exposed, so Long Xiang'er hid it.

At this time, seeing Yan Chao's shot at Xiao Xi, Long Xiang'er couldn't help it.

hiss!

At this moment, the surrounding Nagumo soldiers were all shocked! All eyes gathered on Xiao Xi, unable to speak for a long time!

This girl is actually blessed by a giant dragon. Who is she?

Not only that, Wen Chou Chou, Sun Dasheng and everyone were dumbfounded.

Speaking of which, they have seen dragons, because there were dragon spirit beasts before Yue Feng, but apart from Yue Feng, the entire Kyushu has never seen anyone who can summon a giant dragon.

At this time, Wen Chou Chou and everyone didn't know that the female doll in front of him was Yue Feng's dragon spirit beast, not only that, but Xiao Xi's soul.

What?

At this time, seeing the giant dragon that suddenly appeared, Yan Chao was completely dumbfounded. He only felt that his legs were weak and he could not stand firmly.

The heart is even more shocked.

Total shock.

When Xiao Xi appeared just now, Yan Chao felt that this female doll was extraordinary, but he did not expect that she could summon a giant dragon.

Moreover, this girl doll is still aimed at the Ouyang family!

Could it be that she has something to do with Yue Feng?

Thinking to myself, Yan Chao was completely silent! Looking at Yue Feng, he was extremely shocked!

“I’ve given you a chance!”

Just when Yan Chao was secretly shocked, Xiao Xi said slowly, “It’s a pity that you didn’t grasp it properly.” The

voice fell, and Xiao Xi gestured to Long Xiang’er.

Roar!

At this moment, Long Xiang’er did not hesitate at all, and a dragon roar erupted, and the long dragon tail carried the momentum of thunder and swept directly towards Yan Chao.

Feeling the power of the giant dragon rushing towards his face, Yan Chao’s expression changed, without any hesitation, he quickly raised his long knife to resist.

Bang!

The dragon tail slammed on the long knife, and Yan Chao let out a scream, and the whole person was shocked and flew out, flying more than 100 meters before falling heavily to the ground.

Although Yan Chao is very powerful, he is only a mortal body, and facing the strongest divine beast in Kyushu at this time, he can’t resist it at all.

Chapter 3180

Hiss!

Seeing this scene, the surrounding Nagumo army all had their legs weakened and were terrified.

Is this the power of the dragon? It was really terrifying. With the strength of the commander Yan, he couldn’t even catch a single move.

“Commander!”

After being stunned for a few seconds, a few soldiers walked over quickly and helped Yan Chao up.

“Withdraw, withdraw...” Yan Chao opened his mouth, said a few words, and then sprayed a mouthful of blood, his face extremely weak.

Yan Chao clearly felt that the dragon's tail was thrown over just now, and his heart was injured. If it was more serious, he would die.

At this time, Yan Chao was directly frightened by Long Xianger's beating, and he didn't have the courage to continue to trouble the Ouyang family.

Whoa!

Hearing the order, tens of thousands of troops immediately guarded Yan Chao and fled.

call!

Seeing that the Nagumo army was withdrawing, Wen Chou Chou and everyone breathed a sigh of relief.

Sun Dasheng was still thinking about chasing, but when he thought that his internal strength was almost exhausted, he resisted the urge.

"Little sister!" At this moment

, Ren Yingying walked over slowly and looked at Xiao Xi with a smile: "Excuse me, where did you come from? Why do you want to help our Ouyang family?"

Yingying's eyes, intentionally or unintentionally, looked at Long Xiang'er in the form of a giant dragon next to her.

With a giant dragon guarding her, this girl's identity is definitely not ordinary.

The voice fell, and Sun Dasheng couldn't help but say: "Yeah, you still call me Dashengge, do we know each other?"

Swish.

At this moment, the eyes of everyone around also focused on Xiao Xi.

Xiao Xi did not answer directly, but waved her hand to let Long Xianger leave.

When Long Xianger disappeared into the clouds and disappeared, Xiao Xi turned her head, her eyes swept across the crowd, tears flashing, and she could no longer restrain her emotions.

"Sister Yingying!"

Xiao Xi shouted, and then threw herself into Ren Yingying's arms: "I'm Xiao Xi, Xiao Xi..."

His soul was integrated into the young dragon's body. Because of the young dragon's strength, he He couldn't speak for a year, and he couldn't recognize Yue Feng. Now, he can speak in a human form, but Yue Feng is no longer there, but seeing Ren Yingying's relatives, Xiao Xi is still very excited.

What?

Hearing this, whether it was Ren Yingying or Sun Dasheng and others, they were all shocked and completely stupid.

...

the other side!

Another world, Roland Continent, Simon City.

The sky was just getting brighter at this time.

As soon as Irene finished her breakfast, she went straight to her father's study!

In the study, Doug was looking at an ancient book. This ancient book was the one he showed to Yue Feng yesterday. It recorded Fuxi's innate gossip.

Yesterday, I saw that Yue Feng used some potted plants to trap more than a dozen soldiers, which opened Doug's eyes, like pondering the mystery inside, but after watching it all morning, he couldn't figure it out at all.

At this time, Irene walked forward, biting her lip, her eyes were full of grievances and displeasure: "Father, who the hell is that Yue Feng? You insisted that he be my teacher and let me be in front of everyone. , bow down to him..."

When she said this, Irene was full of resentment.

That bastard, who took advantage of himself by seeing a doctor yesterday, hadn't punished him properly, but in the blink of an eye, he became his own teacher again.

Any woman would not be able to swallow this sigh of relief.
