

The ultimate husband in Chinese chapter 3281-3290

Chapter 3281

Man Xiong has been around for so many years, and at this moment he understands that he has provoked a big man he shouldn't have provoked.

This Yue Feng, even the big leader of the Blood Hand Organization, is polite to him, and he is against him, isn't he courting death?

call!

Yue Feng breathed a sigh of relief and looked at Manxiong with a half-smiling smile: "Come on, we don't know each other at all, why are you going against me?"

Hearing this, Manxiong wiped the cold sweat from his forehead and said quickly: " Mr. Yue Feng, you're right, we don't know each other, and we don't have any grudges?"
After speaking

, Manxiong paused and continued cautiously: "Today's affairs are all because of that bastard Maddie... "

Made, it really is this Maddie!

At this moment, Yue Feng was expressionless, but the anger in his heart was rising.

This idiot, fighting alone is not his own opponent, and finding someone to kidnap Lolita is really despicable and shameless.

Thinking to himself, Yue Feng continued to ask: "After catching Lolita? What's your plan?"

"This..."

Manxiong scratched his head, unable to express his fear: "Maddy said, as long as I If you use Miss Lolita as a threat, you will definitely be soft, and I will tie you together by the way. After that, I will send out a firework signal, and Maddie will come over and stage a hero to save the beauty..."

Nima!

Hearing this, Yue Feng was both angry and funny.

This Tracy McGrady thinks so beautifully, and still wants to play Heroes to save the beauty?

This chapter is provided by . Visit for daily update.

Thinking to himself, Yue Feng said to Man Xiong: "In this case, wait for the fireworks signal, and let Maddie come!"

After saying that, Yue Feng ordered Olin again: "You and your subordinates, take Lolita and wait for me at the foot of the mountain. Be sure to hide your whereabouts and don't let Maddie find out!"

"Got it!" Linna nodded, greeted her subordinates, and left quickly with the unconscious Lolita.

This...

Seeing this scene, Manxiong was a little panicked and cautiously said to Yue Feng: "Mr. Yue Feng, you are..."

Before he could finish speaking, Yue Feng interrupted with a smile: "Doesn't Maddie like acting? I'll play with him." After speaking, he told his plan.

Hearing Yue Feng's plan, Man Xiong nodded again and again, daring not to violate it in the slightest.

Bang, bang, bang!

A few seconds later, Man Xiong asked his subordinates to set off fireworks, which was the signal he had agreed with Maddie before.

"Lolita!"

Not long after the fireworks were set off, they heard a loud shout from the woods not far away, and then saw Maddie clasp a big sword, rushing towards him.

At this time, McGrady, with a fake face of justice, kept shouting: "Lolita, don't be afraid, I'm here to save you!"

have to say, McGrady is very similar, but he still doesn't know, Lolita has been rescued and is not here at all.

Seeing Maddie's appearance, Manxiong didn't hesitate at all, shouting: "You're not too timid, dare to come to me to save people? Take him down!" The voice fell, and Manxiong waved his hand.

Whoa!

In an instant, the one-eyed people around him surrounded Maddie at once.

At this moment, Maddie did not panic at all, and whispered to the one-eyed: "Several brothers, it's hard for you, after this is done, I will invite you to drink!"

I discussed it with Manxiong before, and I staged a hero to save the beauty by myself, defeating Manxiong and their men, and saving Lolita. And Man Xiong and his subordinates will cooperate well with them.

However, what puzzled Maddie was that none of the one-eyed ones responded, and all of them had a gloomy expression on their faces.

Bang bang bang...

In the blink of an eye, the two sides fought, and saw a few of the one-eyed, cooperated with each other, and launched a fierce siege on Maddie, not only that, but Man Xiong also joined the battle group.

For a time, Maddie wanted to cry without tears, and at the same time was extremely puzzled.

what's going on? Didn't you say yes, Manxiong and these people, pretending to be not their opponents? Why are they all so real?

Chapter 3282

Bang!

Soon, Man Xiong found an opportunity and punched Maddie in the face. He heard Maddie howl, flew a few meters away, and fell heavily to the ground.

Immediately afterwards, a few of the one-eyed rushed over and tied Maddie.

At this time, Maddie was completely stunned. Looking at Manxiong, his face was puzzled: "Brother Manxiong, what's the situation? We agreed, let me rescue Lolita, how did you tie me up?"

"Shut up!" Man Xiong shouted loudly and cursed: "Shao Te Ma Pan relationship, who is your eldest brother?"

Hearing this, Maddie's head buzzed and he was completely stunned!

What the hell is going on with this savage? It was discussed well before, how do you turn your face when you turn your face?

"Maddy!"

At this moment, a faint voice came, and then I saw that Yue Feng came out of the wooden house slowly, with a relaxed and comfortable expression on his face.

Um?

Seeing Yue Feng, Maddie was startled: "Why are you alright?"

Yue Feng looked at Maddie with a half-smiling smile: "Seeing me okay? Are you disappointed? Listen to Manxiong, you like acting and want to How about being a hero to save beauty? Does it feel good now?"

Yue Feng's tone made Maddie feel humiliated, and couldn't help scolding: "You are so proud of your special code..."

Just halfway through the curse, he was scolded. Barbarian interrupted!

"Dare to scold Mr. Yue Feng, you are looking for death!" Man Xiong howled, and he was a big mouth at Maddie.

Knowing the relationship between Yue Feng and the big leader of the Bloody Hand Organization, Man Xiong didn't dare to slack off. At this time, he just wanted to perform well in front of Yue Feng. Speaking of which, Maddie is the young master of the Maiwei family and has a certain status in Pearl City, but compared with the Bloody Hand Organization, it is not worth mentioning at all.

At the same time, the surrounding one-eyed people also gathered around, punching and kicking at Maddie.

"Brother Manxiong, what the hell is going on here!" Maddie wanted to cry without tears.

However, the howls of Maddie, the barbarians didn't seem to hear them, and they attacked harder each time.

"Okay!"

Seeing that Maddie was about to be beaten to death, Yue Feng waved his hand.

Seeing Yue Feng speak, the Manxions quickly stopped, and one by one they respectfully retreated to the side.

"Maddy!"

At this moment, Yue Feng sat on the chair and looked at Maddie with a half-smile: "You asked someone to teach me a lesson, and you even called my wife Lolita's attention, tell me, how to solve this problem."

At this time, Maddie was already afraid of being beaten, and was extremely terrified: “You...how do you say it will be solved?”

Haha!

Yue Feng smiled indifferently: “I heard that your Maiwei family has cooperated with the Dumen family in several industries. So, wait for you to make a letter and ask the Maiwei family to withdraw from these industries?”

What?

Let the McWay family quit those industries?

Hearing this, Maddie trembled and looked embarrassed.

You must know that the industries that the Maiwei family and the Dumen family cooperate with cover several fields, and their value is immeasurable.

“how?”

Seeing Maddie hesitating, Yue Feng sneered: “This is the last chance I’ll give you! If you don’t want to, I’ll hand you over to Manxiong to deal with.” The

voice fell, and Manxiong said coldly, “Mr. Yue Feng, don’t worry, as long as you say a word, I promise that this kid will disappear from this world forever.”

Shua!

At this moment, Maddie trembled and almost collapsed to the ground.

He and Manxiong had known each other for two years. Of course, he knew that Manxiong was ruthless. If he really wanted to kill himself, he would definitely not survive tonight.

It’s just that Maddie still doesn’t understand why Manxiong is so respectful to Yue Feng all of a sudden.

“Maddy!”

Looking at Maddie’s expression, Manxiong couldn’t help but said coldly: “Don’t blame me for being ruthless. I didn’t know Mr. Yue Feng’s identity before, and I accidentally offended him. Fortunately, at the critical moment, Mr. Yue Feng gave me a chance, otherwise, my brother and I would have died a long time ago!”

What?

Chapter 3283

At this moment, Maddie's heart trembled, Man Xiong and his subordinates almost died at the hands of Yue Feng?

This door-to-door son-in-law has such great ability?

At this time, Yue Feng was a little impatient: "Have you decided yet?"

"I write, I write..." Maddie grimaced and nodded like a chicken pecking at rice.

To be honest, Maddie was reluctant to agree to Yue Feng's conditions.

But there is no way, even the barbarians have been subdued by Yue Feng, if he insists on doing it, he is completely courting death.

Seeing Maddie's promise, Yue Feng showed a smile, and then asked Manxiong's men to bring paper and pens.

After a while, Maddie wrote the receipt. After Yue Feng read it, he felt that there was no problem, so he put away the receipt and turned to leave.

At the foot of the mountain, I saw Olina and her subordinates waiting there neatly, but at this time, Lolita had not woken up.

"It's been hard work today!"

Yue Feng smiled at Olina when he got to the front, "Go back and rest!"

Hmm!

Olina nodded and left with her subordinates.

As soon as the forefoot left, Lolita woke up faintly.

"Yue Feng!" The moment she opened her eyes, Lolita

saw Yue Feng standing in front of her with a smile, and her body trembled: "You...why are you here?"

All around, I found myself at the foot of the barren mountain outside the city, and I suddenly remembered that I had been kidnapped before.

In response, Lolita was about to ask Yue Feng, and at this moment, she saw several figures walking down the mountain.

It's just a few barbarians.

Swish!

Seeing Man Xiong, Lolita's delicate body trembled, and she was so nervous that she quickly hid behind Yue Feng.

"Mr. Yue Feng!"

At this moment, Man Xiong approached and said respectfully to Yue Feng, "I have let that kid go, don't worry, that kid will not dare to go against you in the future!"

This...

see At this scene, Lolita was stunned.

What's the situation? This Man Xiong is ruthless and notoriously wicked, but at this time, he is so polite to Yue Feng?

Besides, Man Xiong has kidnapped himself!

What the hell is going on? What happened?

For a time, Lolita only felt her brain buzzing and her whole body was confused.

Noticing Lolita's expression, Man Xiong squeezed out a smile and explained carefully: "Miss Lolita, I really don't know. Sorry, we caught the wrong person earlier!"

Caught the wrong person?

Lolita frowned slightly and couldn't help but say, "Didn't you say that you had a holiday with Yue Feng?"

Uh...

Manxiong looked embarrassed, and quickly said: "It's all a misunderstanding, misunderstanding..."

At this time, Yue Feng waved at Manxiong: "Okay, stop talking nonsense, hurry up and leave! By the way, don't do things that hurt the world in the future, you know?"

I know, I know..."

Man Xiong nodded again and again, and then left with his subordinates.

Watching Man Xiong leave, the more Lolita thought about it, the more wrong it became.

“Yue Feng!” In the

next second, Lolita stared closely at Yue Feng and questioned, “What is your relationship with Manxiong, why is he so polite to you?”

When she said this, Lolita looked at Yue Feng’s eyes were full of scrutiny. At this time, he felt that the man in front of him seemed more and more difficult.

Chapter 3284

This...

Yue Feng scratched his head and said with a smile: “Man Xiong and I just met, but we’re not very familiar.”

“Just met?”

Lolita frowned, even more puzzled!

Yue Feng pondered for a while, and started talking nonsense: “How do you say, this man has always admired you very much, knowing that you are married to an unremarkable pharmacist, you are very unbalanced, like a lesson to me! That’s why he I’ll tell you that I had a holiday with me!”

Yue Feng knew that Lolita was full of doubts about what happened tonight, so she could only make up a lie at will.

Swish!

Hearing this, Lolita blushed instantly.

That savage man turned out to be his admirer.

Thinking to herself, Lolita couldn’t help but say, “If that’s the case, why did he kidnap me?”

Yue Feng thought while explaining: “Manxiong kidnapped you, in fact, he was testing me to see if I would ignore it. I will save you from everything, if I didn’t come today, I would be a coward and not worthy of you.”

“However, I’m here anyway, so Manxiong admires me as a real man and makes friends with me.”

Hearing this, Lolita nodded suspiciously, but couldn’t help but give Yue Feng a blank look.

This Yue Feng, who praised himself, is really thick-skinned. Thinking to herself, what did Lolita

think, she looked at Yue Feng without blinking, and asked softly, "You...are you really here to save me tonight?"

They were all in a coma and had no idea what was going on.

Yue Feng smiled and nodded!

"Why did you do this?" Lolita couldn't help but ask.

Yue Feng breathed a sigh of relief and said with a smile: "Fool, because I'm your husband!"

Phew!

At this moment, when she heard Yue Feng's answer, Lolita couldn't help trembling, and deep in her heart, there were ripples, a little moved, and a little shy.

In an instant, the atmosphere became subtle.

After a few seconds, Lolita reacted, blushing, and whispered: "It's getting late, let's go back!"

Hmm!

Yue Feng nodded and returned to the single family with Lolita.

....

Early the next morning, Du Men asked his servants to wake up Lolita and Yue Feng.

Yue Feng did what he said. Although he shared a room with Lolita, he always slept on the ground. When he learned that Du Men had something to do, he quickly got up to wash and went to the front hall with Lolita.

When he arrived, he saw Du Men's red face, and he was very happy.

"Haha.."

Seeing Yue Feng and Lolita coming in, Du Menxing hurriedly said: "Lolita, it's a good thing, the Mai Wei family just sent someone over, and the industries we cooperated with before, spices, Seafood... they all quit!"

"Now these industries are all owned by our Dumen family? Haha..."

When he said this, Dumen couldn't hide his excitement and laughed heartily.

You must know that these industries are very profitable. Before, the Maiwei family always wanted to squeeze out the Dumen family and enjoy these industries exclusively, but today, they suddenly announced their withdrawal, which is really surprising.

But in any case, the withdrawal of the Maiwei family is beneficial and harmless to the single family. Can you be unhappy?

What?

Hearing this, Lolita's delicate body trembled, and she was also inexplicably excited.

This kind of good thing happened early in the morning. Did the Maiwei family find out by conscience?

And Yue Feng, who was standing aside, also showed a smile on his face, but he was not too excited.

Of course, Yue Feng knew what was going on. He sang with Manxiong last night and forced Maddie to write down the evidence. He thought that this kid would delay the time, but he did not expect to take action so quickly.

Chapter 3285

At this time, excitedly, Du Men thought of something, and smiled at Lolita: "Lolita, you are the executor of the family now, and many things require you to come forward. Tomorrow noon, Pearl City There is an auction, and it is said that Earl Howey will be there, and our Dumen family has been invited, why don't you go and see it?" The auction?

Hearing this, Yue Feng's heart moved. There is also an auction in Roland Continent?

Lolita seemed to have lost interest and shook her head: "Grandpa, you know my character, I don't like that kind of occasion!"

Haha...

Du Men smiled and patiently persuaded: "Of course I know, but you are a family now. The executor, many relationships have to be maintained, why don't you show up?"

After speaking, Du Men looked at Yue Feng: "In this case, let Yue Feng accompany you! It's settled!" The

voice fell, Dumen touched Lolita's forehead and walked out of the living room with a smile.

Ugh!

Seeing this situation, Lolita sighed helplessly, and then said to Yue Feng: "Tomorrow to Pearl City, everything will follow my arrangement, you know?"

This kind of auction has gathered countless celebrities and nobles, and Yue Feng is just a door-to-door son-in-law, and he cannot let him lose the face of the family.

"Okay." Yue Feng nodded.

...

on the other side, the McWay family estate.

In the splendid room, Maddie sat there, smelling of alcohol, and his face was extremely gloomy.

I thought of using Manxiong to teach Yue Feng a lesson, but I never thought that it was self-defeating, and Manxiong actually helped Yue Feng deal with him. Not only that, he was also forced to write down documents and quit several industries, causing heavy losses to his family.

This whole day, Maddie has been drinking to vent.

"Master!"

At this moment, a servant outside the door respectfully said: "The guest is here!" The voice fell, the door was pushed open, and the servant walked in with a black robe.

This black-robed man, wrapped in black robes and wearing a black hood on his head, was hidden in the darkness, and his body was filled with a cold and powerful aura.

This person is called Leng Feng, a person from the Hall of Living Beings.

In the past two months, a secret killer organization has suddenly emerged in Roland Continent. It calls itself the Hall of All Living Beings and adheres to the principle of equality for everyone. As long as they give money, they will kill anyone.

Maddie suffered a big loss from Yue Feng, and the more he thought about it, the more angry he became, so he asked his subordinates to contact the Hall of Living Beings.

"Master Maddie!"

At this moment, Leng Feng looked at Maddie indifferently: "Who are you going to deal with?"

Maddie gritted his teeth and said, "That old Du Men, and Yue Feng." As

he spoke, Maddie pointed to the two boxes of gold coins beside him. : "This is the deposit. After the matter is completed, I will pay more commissions!"

At this time, Maddie's face was full of madness.

Mad, no matter what the backing is behind this Yue Feng, he must die, and the old man Du Men, don't think about it.

"Okay!"

Looking at the two boxes of gold coins, Leng Feng's expression did not fluctuate in the slightest, and he said lightly: "This order, we have accepted the order."

When he said this, Leng Feng's face was indifferent, but the whole body was filled with lingering words. A suffocating coldness.

.....

The next morning, Yue Feng and Lolita boarded the unicorn car and headed for Pearl City.

Pearl City is the capital of the Crescent Principality, as prosperous as Arendis.

After a three-hour journey, Yue Feng and Lolita arrived at the Rose Manor.

The Rose Manor is the private manor of Earl Howey, and this auction was held here.

At this time, I saw a lot of people gathered at the entrance of the manor. All of them were well-dressed. Those who were able to participate in this auction were all prominent celebrities and dignitaries in the Crescent Principality!

The ultimate husband in Chinese chapter 3286-3290

Chapter 3286

Swish!

At this moment, many men around, all focused on Lolita.

In order to participate in today's auction, Lolita deliberately dressed up, wearing a long white dress, giving people the feeling of being fresh and capable, gentle and charming.

“This is Miss Lolita of the Dumen family, right?”

“I heard that Miss Lolita is a first-class beauty, and she really is!”

“It’s a pity that she married a pharmacist, and the one next to her is her Husband? That son-in-law who came to the door? It looks nothing special!” The

surrounding discussions kept coming, and Yue Feng just pretended that he didn’t hear it.

On the other hand, Lolita’s face turned red and embarrassed.

If I knew this earlier, I wouldn’t bring him here.

Soon, the manor housekeeper came out to welcome the guests, and Yue Feng and Lolita entered the manor with many guests.

When I got inside, I saw that this manor was very big and luxuriously decorated everywhere.

When I arrived at an elegant courtyard, I saw an auction stand set up on the lawn, surrounded by dozens of elegant seats.

Yue Feng and Lolita found a seat and sat down.

“Yue Feng!”

After sitting down, Lolita looked around and asked Yue Feng, “Have you ever participated in an auction before?”

This chapter is provided by . Visit for daily update.

After a few days of getting along, Lolita felt more and more like Yue Feng. It is not simple. Behind the seemingly ordinary identity, it seems that there are many unknown secrets hidden.

“Understood!” Yue Feng responded with a smile.

Yue Feng had participated in several auctions in the Kyushu Continent before, and of course he was very familiar with it.

However, when the voice fell, I heard a sneer not far from the side: “An unremarkable pharmacist, a son-in-law who eats soft rice, also knows about the auction? It’s really ridiculous.”

Hearing the ridicule, Yue Feng and Luo Rita turned her head to look, and saw a young man sitting there with a cold and arrogant expression.

Matsuda?

The next second, Lolita frowned and her mood suddenly became worse.

Matsuda is also a family master in Pearl City, and has a good relationship with Maddie. Moreover, the two have similar tastes and often bully the weak in Pearl City, which has always made Lolita very disgusted.

At this time, seeing Matsuda at the auction, Lolita lost her mood instantly.

idiot!

Hearing Matsuda's mockery, Yue Feng chuckled and ignored it.

At the previous wedding with Lolita, Matsuda also came on behalf of the family. Yue Feng had seen it and knew it naturally.

Soon, the auction will begin.

Yue Feng noticed that this Roland Continent auction was similar to the one on the Kyushu Continent. The rules were basically the same, and the auction items were also some antiques and jewelry.

Several things were auctioned off in a row, and Lolita sat there with no interest. She came here to buy and shoot, just to socialize, and she didn't even think about taking pictures.

Yue Feng was also a little bored.

At this moment, a new auction item was presented on the stage. It was a white jade piece with some strange symbols engraved on it. Compared with the previous auction items, it was too ordinary and had no collection value.

Whoa!

Seeing this jade piece, everyone present sighed.

"What is this?"

"It's just an ordinary piece of jade, what is engraved on it?"

"This thing can also be auctioned?"

Under the discussion, everyone was indifferent.

Lolita, who was sitting there, also found it very boring.

Swish!

However, at this time, Yue Feng's eyes flashed, and he looked at the jade piece tightly, and his body trembled!

Yue Feng could clearly see that what was engraved on the jade piece was the ancient script of the Kyushu continent.

In the Roland Continent, you can find something in the Kyushu Continent, can you not be excited?

call!

Chapter 3287

After a few seconds, Yue Feng reacted, couldn't help taking a breath, couldn't hide his excitement!

He has already decided that if no one bids, he will buy the jade piece himself.

At this time, on the auction stage.

Listening to the complaints from the crowd, the man in charge of the auction said with a smile: "This piece of jade is of high quality, but the engraving on it is a little weird. This item was obtained by Earl Howey accidentally, and I don't know what it is for. Just take it out and put it up for auction!"

After saying that, the man looked around: "This piece of jade was auctioned at a low price of 1,000 gold coins, and the auction will start now."

1,000 gold coins?

Hearing this, many people around shook their heads and chuckled.

It's just a piece of jade, how can it be worth so much?

The guests present are all celebrities, powerful and well-informed. Who would be willing to bid on a useless thing?

For a while, the atmosphere was a little cold, and none of the people present made a bid.

Seeing this situation, the man in charge of the auction was a little embarrassed, so he was about to take down the jade piece!

“I’ll give you a thousand gold coins!”

However, at this moment, a faint voice sounded, it was Yue Feng!

Swish!

In an instant, the eyes of the audience converged on Yue Feng.

This. . . This door-to-door son-in-law wants to bid for this jade piece?

Have a problem with your brain?

“Ha ha...”

Finally, Songtian , who was sitting not far away, was the first to react and laughed loudly at Yue Feng: “One thousand gold coins, buy a jade tablet, should you take medicine?” Abuse, he continued: “Also, you are a son-in-law who comes to the house, can you get a thousand gold coins? You won’t let your wife pay for you?”

Haha... The

voice fell, and the surrounding was full of laughter.

Seeing this scene, Lolita couldn’t help but pull Yue Feng: “Why are you buying this jade piece?”

“I’m useful!” Yue Feng responded seriously: “Don’t worry, I won’t let you pay, a thousand Gold coins, I can get them out!”

Hearing this, Lolita was very anxious.

One thousand gold coins is not a small amount, and since Yue Feng has no source of income, how can he get it?

I thought, Lolita was about to ask, but because of the current situation, she held back.

“This gentleman!”

At this moment, the man in charge of the auction looked at Yue Feng in surprise: “Are you sure you want to bid on this jade piece?”

No one bid for this jade piece, and he was about to give up, but he didn’t. Thinking that this door-to-door son-in-law actually made an offer, I was really surprised.

Yue Feng nodded: "Yes, I'll give you a thousand gold coins!"

"Okay..."

The man in charge of the auction nodded with a smile: "It seems that this gentleman has a very unique taste, a thousand gold coins, this thing is yours That's it."

After saying that, the man looked around: "I don't think anyone is bidding, right?"

As soon as he finished speaking, he heard a voice: "Who said no one bid?"

It was Matsuda!

At this time, Songtian gave Yue Feng a playful look, and said loudly: "I bid two thousand gold coins!"

Yes, Songtian was not optimistic about this jade piece, but when he saw that Yue Feng was going to bid, he deliberately raised the price.

Whoa!

The voice fell, and there was an uproar around.

Yue Feng was also stunned for a moment, his eyes and Matsuda looked at each other, and a faint anger rose in his heart.

Mad, this idiot has a sick mind!

"Everyone!"

At this time, the man in charge of the auction shouted excitedly: "Master Matsuda from Pearl City, offered two thousand gold coins, is there anyone else who has increased the price?"

Chapter 3288 The

voice fell, and everyone around looked at each other, and no one responded.

They could all see that Songtian's bid just now was deliberately aimed at Yue Feng.

Swish!

For a time, everyone's eyes were focused on Yue Feng, and every face was full of jokes!

"Oh!"

At this time, Songtian looked at Yue Feng with a half-smile, "Son-in-law, do you still have money to increase the price? If it's not enough, ask your wife to ask for it, haha..."

Yue Feng ignored him and gently He breathed a sigh of relief and shouted, "I'll give you 10,000 gold coins!"

Today, no matter what, I want to get this jade piece.

What?

When the voice fell, there was a sudden exclamation around, and everyone was stunned.

This jade piece is not worth 500 gold coins. The son-in-law who came to the door actually sold 10,000 gold coins. You must know that the highest price of the previous auction items was only 8,000 gold coins, and this jade piece, he actually sold 10,000 gold coins. .

Crazy?

At the same time, Lolita, who was sitting beside her, trembled, and couldn't help but say, "Yue Feng, are you crazy? How can you have 10,000 gold coins? Also, what's so special about this jade piece?"

Yue Feng smiled lightly: "I can read the words above!"

What?

Hearing this, Lolita was stunned.

he. . . Can he read the words on it?

"Ha ha..."

At this moment, Song Tian, who was not far away, also reacted, and couldn't help sneering at Yue Feng: "It's really interesting, it's just an ordinary piece of jade, and this son-in-law who came to the door is also regarded as a treasure!

" For those who are soft-hearted, let his wife help him with 10,000 gold coins and buy a piece of jade."

After taunting a few words, Matsuda waved his hand: "Since they want to buy 10,000 gold coins, I don't want it!"

When he said this, Matsuda looked smug. He didn't really want to bid for this jade piece at first, just to raise the price. Now that the goal has been achieved, he naturally stopped shouting.

call!

At this moment, everyone looked at Yue Feng, each with a playful expression, as if they saw a bad guy.

"Everyone!"

At this time, the man in charge of the auction shouted excitedly on the stage: "This gentleman has bid 10,000 gold coins, is there anything else to increase the price?" The voice fell, and there was a sudden boing around, all of them were impatient.

"It's alright, alright, let's drop the hammer!"

"That's right, no one has increased the price, so don't waste your time!"

Amid the urging of the crowd, Matsuda also shouted: "Hurry up and sell it to this son-in-law who came to the door, who else but him? Will you be foolish to spend money on this useless thing?"

Haha. . .

Many people laughed again.

The surrounding laughter came, Yue Feng just pretended not to hear it, stared at the jade piece, and was secretly relieved.

Mad, finally got the auction successfully.

At this time, the man in charge of the auction ordered someone to wrap the jade pieces, and then began to bid for the next exhibit.

At this time, Song Tian had a playful look on his face, and shouted at Yue Feng: "My son-in-law, you are very courageous. It cost 10,000 gold coins, but can you get the 10,000 gold coins? Would you like to beg me? , I can lend you some!"

Yue Feng looked at him quietly, and said lightly: "Thank you for your kindness, no need!"

Hehe!

Matsuda sneered and stopped talking.

At this time, Lolita couldn't help but say, "Yue Feng, where did you get ten thousand gold coins?"

Chapter 3289

"Don't worry!" Yue Feng's face was light and cloudy, and he said with a smile: "I have a way." The pirates on Devil Island were exterminated before, and the biggest treasure trove inside was sealed by Yue Feng. , 10,000 gold coins are just a drop in the bucket.

Seeing Yue Feng's serious face, Lolita stopped talking.

.....

This moment, the other side!

Pearl City, in the Dumen family garden.

Du Men dressed in loose casual clothes, sitting by the pond, fishing leisurely!

All the family business was handed over to Lolita, and Du Men was relaxed and could enjoy the happiness.

"Mr. Du Men?"

Just as he was at ease, suddenly, a cold voice came from behind.

Du Men was stunned for a moment, and immediately turned around to see that a man in a black robe was standing quietly behind him, his whole body was filled with a gloomy and cold aura, like a dormant poisonous snake.

The man in black robe is the killer hired by Maddie, Leng Feng of the Hall of Living Beings.

"You..."

Finally, Du Men reacted and looked up and down the black robe man: "Who are you?"

Leng Feng was expressionless, and said lightly: "Mr. Du Men, have you heard of the Hall of Living Beings?"

Hall of Living Beings?

Hearing this, Du Men's heart was shocked, and he suddenly panicked. The Hall of All Living Beings is a secret killer organization that has recently emerged. How could he not know?

In the next second, Du Men couldn't help but say, "What are you doing in the Hall of Living Beings looking for me?"

Leng Feng said lightly: "Of course someone paid for us to deal with you, but before I take action, I hope you can cooperate and tell me the origin of that Yue Feng!"

After being entrusted by Maddie, Leng Feng began to investigate Yue Feng. Feng, the result was nothing, this Yue Feng, like suddenly appearing in this world, is very mysterious.

However, Yue Feng is the son-in-law of the Dumen family, and the old man of Dumen must know his origin.

"You want to deal with Mr. Yue Feng?" Du Men was shocked and angry, and said coldly: "I think your Hall of Living Beings is beyond your control. I know the origin of Yue Feng, but I will never tell you, please leave me immediately. Manor!" The

voice was not loud, but there was no doubt.

He promised Yue Feng that he was tight-lipped about his origins, and naturally he had to do what he said.

More importantly, Yue Feng promised himself that he would protect Lolita for three years, help her stabilize the Dumen family, and he would not betray him.

Swish!

Seeing Du Men's refusal to cooperate, Leng Feng's eyes flickered with coldness, and he said coldly, "If you don't cooperate, don't blame me!" The

voice fell, Leng Feng took out a packet of powder from his body, raised his hand and sprinkled it in front of Du Men's face.

At this moment, Du Men wanted to dodge, but Leng Feng's shot was too fast to dodge.

hum!

In an instant, after inhaling the powder, Du Men's body trembled, and he felt that the world was spinning. What was even more surprising to him was that his hands and feet seemed to be out of control.

What are these powders?

At this time, Du Men was very frightened, and at the same time, his consciousness gradually became blurred.

Leng Feng stood there quietly, without the slightest emotion on his face, and silently chanted a spell in his mouth.

Whoa whoa. . .

At this time, Du Men was completely confused, his eyes were empty, and his face was dull. After hearing those incantations, Du Men stepped forward and walked slowly towards the pond.

In just a few seconds, Du Men's whole body was submerged in the pool water.

Yes, the powder used by Leng Feng is a special kind of magic medicine. As long as you inhale it, you will lose consciousness and your body will be controlled.

"Interesting!"

At this time, Leng Feng was expressionless and said to himself: "This old man Du Men would rather die than tell the origin of Yue Feng. It seems that this Yue Feng is indeed unusual, but he is loved by all of us. If the temple is watching, you can't escape death."

After saying this, Leng Feng looked at the pond and made sure that Du Men had been drowned, so he quickly turned and left.

Chapter 3290

Not long after Leng Feng left, Du Men's body also floated up from the pond.

hiss!

At this time, a passerby saw it, his face turned pale with fright, and his legs were weak.

"Someone...Old...Master is dead..."

After a few seconds, the servant screamed in horror, and the entire manor was in chaos.

.....

the other side!

Pearl City, in the Rose Manor.

The auction was about to end. At this moment, there was a commotion in the crowd, and a man in a gorgeous robe was seen walking slowly, accompanied by the guards.

The man is about forty years old, with a gentlemanly and elegant manner, and a powerful aura pervades his body.

It is the owner of the Rose Manor, Earl Howey.

“Your Excellency Earl, long time no see!”

“The Earl is really the same.”

“I have seen Your Excellency Earl!”

Seeing the appearance of Earl Howey, everyone present rushed forward to say hello! You must know that Earl Howey is the head of the guard of Pearl City. He is the most powerful person in the Crescent Principality under one person and more than 10,000 people. Except for the king, everyone present is trying their best to curry favor.

Yue Feng and Lolita stood aside, watching quietly.

“Everyone!” In

the face of everyone’s compliments, Earl Howey showed a smile and said slowly: “I’m a little late, I’m sorry everyone. I heard that today’s auction was very successful and exciting.”

When the words fell, Matsuda couldn’t help laughing and said: “It’s really wonderful, there is a fool who spent ten thousand gold coins to buy an ordinary jade piece, can’t it be wonderful?”

Haha... The

voice fell, and many people around He laughed and looked at Yue Feng in unison.

In their hearts, Yue Feng spent 10,000 gold coins to buy that jade piece, which was completely out of his mind.

Nima!

Seeing Matsuda picking up trouble again, Yue Feng secretly frowned and became angry.

This idiot is over, isn’t it?

Swish!

At this time, Earl Howe couldn’t help but looked at Yue Feng and said curiously, “This is a very good-looking friend, I don’t know where he is from.”

“Your Excellency Earl, my name is Yue Feng!” Yue Feng replied.

At this time, Matsuda answered again: “Your Excellency, the son-in-law of the Dumen family in Pearl City at this time. It is said that before he joined the Dumen family, he was just a poor pharmacist.”

Hearing this, Earl Howey nodded. He looked away from Yue Feng.

A door-to-door son-in-law, nothing worth noting.

“Your Excellency Earl!”

At this moment, someone in the crowd shouted: “I haven’t seen Your Excellency Earl for a long time. I have shown alchemy. It’s so lively today, can it open our eyes?”

” The field suddenly boiled, and everyone’s eyes were focused on Earl Howey, with incomparable expectations.

alchemy?

Hearing this word, Yue Feng was stunned.

At this time, Yue Feng did not know that the alchemy of Roland Continent was the metal casting of the Kyushu Continent, and the alchemist was also the forging division.

Earl Howey has a distinguished status and is also an alchemist. He has a unique understanding of alchemy since he was a child. Before he was named an earl, he had a good achievement in alchemy.

Of course, the reason why these people present were so enthusiastic was not to see Earl Howey’s alchemy, but to please and flatter him.

Especially Matsuda, when he walked up to Earl Howey at this time, he complimented him: “I have never seen the alchemy of Your Excellency the Earl. If I am lucky enough to see it today, it will be worthwhile to come to Pearl City this time.”
