Chapter 3321

Nima.

Seeing this scene, Yue Feng clenched his fists, and his eyes were instantly blood red.

Thea sacrificed her life to save her, if she left, would she still be a human being?

“Hahaha...”

Seeing Thea surrounded by his subordinates, Seth was full of pride: “Thea, I advise you to give up.” When he said this, Seth’s eyes swept Yue Yue contemptuously. A glance at the wind.

Originally, Seth was very jealous of Yue Feng, but seeing his weak appearance at this time, he was not afraid of him escaping at all.

Seth thought about it, grabbed Thea first, as long as he caught Thea, Yue Feng couldn’t run away.

Facing Seth’s call, Seth did not respond, but bit his lip and continued to fight with the surrounding guard soldiers, but the speed was obviously slowed down due to the consumption of holy energy.

call!

At this moment, Yue Feng took a deep breath and moved a stone from the side.

what is he doing

Seeing this scene, Seth frowned secretly. This Yue Feng knew that he couldn’t run away, and was he going to use stones to resist?

At the same time, Thea, who was in the fierce battle, was also in a hurry: “Yue Feng, why are you still not leaving? Go...” He temporarily held off the guard soldiers, he didn’t leave quickly, why did he move the stones? ?

However, Yue Feng did not respond, but continued to move stones.

In the grass outside the city gate, there are many rocks. Yue Feng can find it easily. Just when Thea keeps urging, Yue Feng is already in front of him, placing a lot of rocks.

This chapter is provided by . Visit for daily update.

Yes, Yue Feng used these stones to form a formation.

Since his injuries have not healed, he cannot help Thea to fight, so he can only use the formation.

Um?

At this moment, seeing the stones that Yue Feng placed, Seth felt something was wrong. He clearly saw that these stones seemed to be placed in a mess, but there seemed to be another mystery in them.

“Seth!”

Just when Seth was muttering in secret, Yue Feng clapped his hands with a provocative expression on his face: “The dignified city lord of Pearl City, let so many subordinates deal with a woman, I’m really ashamed for you, you don’t want to arrest me. Me? Come in if you have the guts.” The

voice fell, and Yue Feng quickly entered the stone formation.

“You’re courting death!” Seth burst into anger, “How dare you laugh at me when death is imminent?”

How could he endure being mocked by a fugitive, the dignified lord of a city?

In anger, Seth did not hesitate at all, clenched his sword tightly, and rushed directly into the stone formation.

Hahaha...

Seeing Seth breaking in, Yue Feng showed a smile, indescribably excited.

This Seth, whose IQ is not that good, was so easily provoked.

Thinking to himself, Yue Feng shouted at Xia: “Xita, bring in those guard soldiers!” When he said this, Yue Feng looked confident.

The stone formation placed by Yue Feng is called the Four-Phase Formation. It belongs to a medium formation in the Baiqi Divine Formation, but it is enough to deal with people like Seth.

Hearing Yue Feng’s cry, Thea was so anxious: “What the hell are you doing?” If you can’t go, what’s the use of getting these stones now?

At this moment, Thea was very depressed, but for some reason, seeing Yue Feng's self-confidence, she still chose to believe him. With a flash of her tender body, she led the guard soldiers into the four-phase formation.

"Yue Feng."

Seeing that his subordinates were also introduced to the stone formation by Thea, Seth shouted with disdain, "You scum, you think you can deal with us by getting some rocks? It's so naive." The

voice fell, and Seth commanded The subordinates planned to kill Yue Feng and Xia on the spot, but the next scene made him dumbfounded.

Chapter 3322

Seth was amazed to see that the stones in front of him seemed to move, blocking him from Yue Feng. Not only that, but his subordinates were also dizzy after they came in.

How could this be?

At the same time, Thea was also stunned, and saw that Seth and nearly a hundred guard soldiers were being played around by Yue Feng among these stones.

He... how did he do it?

"Thea!"

Just when Xia was secretly shocked, Yue Feng shouted with a smile: "Don't be stunned, follow me closely!"

Hearing this, Xia responded and quickly joined Yue Feng.

A few seconds later, Yue Feng took Thea away from the Four Phase Array.

And Seth and his subordinates were still inside at this time, and they were like headless flies, and they couldn't rush out.

This...

At this time, Thea, her delicate body trembled faintly, and was completely shocked. Looking at Yue Feng's eyes, it was also full of inconceivable.

Just use some stones to trap the enemy. If you hadn't seen it with your own eyes, who would have believed it?

"Seth!"

At this moment, Yue Feng stood outside the stone formation, smilingly looking at Seth who was trapped inside, his tone was full of teasing: "We will have an appointment in the future, remember, I, Yue Feng, will be back."

When the voice fell, Yue Feng greeted Thea to leave.

Mad!

At this moment, Seth almost vomited blood and kept howling: "Yue Feng, you scum, I will catch you sooner or later..."

The howling came, Yue Feng ignored it, and in a blink of an eye, he disappeared into the night with Thea.

boom!

Seeing Yue Feng and Xia walking away, Seth slapped a rock hard, his face extremely ugly.

I thought I could easily intercept Thea and Yue Feng tonight, but I never thought that I would be trapped by Yue Feng with these stones.

Just a shame.

In anger, Seth roared at his subordinates: "Every one is a rice bucket, find an exit!"

At this time, the guard soldiers also wanted to cry without tears.

"Lord City Lord, it seems that there are stones all around..."

"Yeah, we can't find an exit."

In a blink of an eye, more than an hour passed, and Seth and nearly a hundred of his men were still trapped in the fourth phase. in the array.

Whoosh!

At this moment, in the night sky not far away, there was a fluctuating breath, followed by a slender figure that flew quickly.

A long black and red dress with charming curves, but the whole body is filled with icy cold.

It is Yanhong.

After sealing Yue Feng's acupuncture point during the day, Yan Hong decided to leave, intending to let Yue Feng suffer in Pearl City. Nearly ten hours have passed since then, Yan Hong felt that it was almost the same, and came over to check the situation.

From a distance, outside the city gate, Seth and nearly a hundred guard soldiers were trapped in the stone formation. Yan Hong frowned and rushed over.

Reaching the front, Yanhong asked Seth, "Where's Yue Feng?" The voice was not loud, but there was a strong aura.

Whoa!

Seeing the appearance of Yanhong, both Seth and the soldiers under him were extremely happy.

In the next second, Seth said excitedly: "Dear lady, you are so timely. Yue Feng escaped from the prison and trapped us in these stones." With

that, Seth pleaded. : "Please help, let us out."

In Seth's heart, Yan Hong was so powerful that even Yue Feng was no match, so he would definitely be able to save himself.

What?

Knowing the situation, Yan Hong's delicate face suddenly turned gloomy, and she said with contempt, "It's really a bunch of rice buckets." Yue Feng was blocked by himself and had no resistance at all, but these people in front of him could still let him run away. Now, what is not a rice bucket?

Chapter 3323 As the words

fell, Yanhong didn't bother to pay attention to Seth, her tender body flashed, and chased in the direction Yue Feng left.

Even though Yanhong is a fairy, she doesn't know anything about fighting techniques. How could it be possible for Seth to unravel the stone formation?

Uh...

Seeing this scene, Seth was embarrassed and almost wanted to cry without tears.

It's over, do you want to be stuck here forever?

...

Yue Feng and Xia walked all the way for more than two hours. After confirming safety, they slowed down.

At this time, the two came to a hillside.

call!

Yue Feng took a deep breath and completely relaxed.

Nima, it's finally safe!

"Yue Feng!"

At this time, Thea walked up and asked curiously: "How did you do it just now? What are those stones? It's amazing that they can trap so many people. It's over."

Thea couldn't hide her excitement when she thought that Seth's gang was trapped in the stone and couldn't get out.

Seeing Xia's look of anticipation, Yue Feng smiled slightly: "That's called the Four-Phase Formation, which belongs to a kind of formation. Of course, there is no formation in your world, you can't understand it, it's normal..."

To be honest, Yue Feng didn't want to say it, but Xia risked her own life to save herself. It would be inappropriate if she continued to conceal her identity.

Formation?

Hearing this, Thea frowned and looked confused.

The next second, Thea reacted and couldn't help but ask: "What formation, what are you talking about? Also, why do you say 'your world'?"

"Ow!"

Yue Feng scratched his head, To explain, suddenly, I heard a roar that shocked the soul from the forest ahead, and then, Yue Feng saw a huge black shadow appear in his sight.

Nima, what kind of beast is this?

Yue Feng was taken aback and squinted his eyes to take a closer look.

I saw that it was a black bear, but it was very large, more than three meters tall, with dark and shiny hair, and its sharp claws flashed with cold light.

At this moment, Thea saw the big black bear, and her body was shocked. She couldn't help but said: "Oh, we just ran away, and we came to the Giant Bear Mountain unknowingly."

Giant Bear Mountain?

Hearing this, Yue Feng was stunned.

Thea took a deep breath and continued: "The area around the Giant Bear Mountain is complex, and there are often giant bears, so it's very dangerous!"

After speaking, Thea's delicate face became solemn: "Two years ago, a group of mountain bandits It is said that they have tamed the black bears here, and they are very strong, but now, a giant bear has suddenly appeared here, it seems that the bandits are operating nearby!"

Damn, a band of bandits can tame the giant bears ?

At this moment, Yue Feng couldn't help frowning secretly.

Whoa!

That is, at this moment, I heard footsteps not far away, and then, a dozen big men came around, all of them holding long knives and looking bad.

This group of people is the mountain bandit of Giant Bear Mountain.

The one at the head, with a burly stature and a giant hammer in his hand, is very mighty. It is the leader of this gang of bandits, Ou Shan.

Nima.

Just talking about these mountain bandits, these mountain bandits appeared?

Seeing Ou Shan and the others, Yue Feng frowned.

At the same time, feeling the strength of the people like Ou Shan, Yue Feng complained even more in his heart.

All of them are even more powerful than the Holy King.

I just escaped from Pearl City, and I didn't stop all the way, so Yue Feng's strength has not fully recovered.

Chapter 3324

Mountain bandits in Giant Bear Mountain?

At the same time, Thea was also shocked, and her delicate face was full of vigilance.

“You’re not too timid, dare to break into the Giant Bear Mountain?” At this time, Ou Shan slowly walked over with a arrogant expression on his face: “When you come to our site, hehe, you guys... eh? This woman is so beautiful.”

Said Halfway through, Okuyama’s eyes fell on Thea, and his eyes suddenly lit up.

Swish!

At the same time, several accomplices behind them also looked at Thea closely, their eyes straight.

What a beautiful woman, especially this temperament, it is simply fatal.

The eyes of everyone in Okuyama made Thea very displeased, and said coldly: “We are just passing by, no offense. And I tell you, I am the female knight Thea of Pearl City, you better be honest.

” At these times, Thea looked calm, but her heart was unspeakable.

You know, the group of people in front of them are very powerful, and they can even tame giant bears.

The female knight of Pearl City?

Hearing this, everyone in Okuyama was stunned.

In the next second, Okuyama couldn’t help laughing, looked up and down at Thea, tsk tsk admiration: “It turns out to be the female knight of Pearl City, no wonder the temperament is so different.”

After saying that, Okuyama’s eyes flashed with evil: ” I heard that the female knights of Pearl City are not only sexy, but also very beautiful. When I see them now, they really deserve their reputation. To be honest, we have been entrenched in Giant Bear Mountain for so long, and we have robbed many nobles and wealthy families, but we have never robbed women. Where’s the knight.”

When Okuyama said this, a dozen companions had already surrounded Yue Feng and Xia.

“you...”

Seeing this scene, Thea was panicked and angry: “Don’t mess around.”

Yue Feng stood there, but was unusually calm.

The more nervous Thea is, the more proud Okuyama is, he laughed and said: "Beautiful knight, don't be so nervous, as long as you don't resist, we won't hurt you. Did you see the giant bear not far away? It's us. Tame, if you resist and anger the giant bear, I will not be responsible!"

When he said this, Okuyama didn't even look at Yue Feng.

This guy doesn't have any holy power at all, and he still has injuries on his body, so it's nothing to worry about.

At this moment, Thea was anxious and desperate.

I thought I had escaped from Seth's pursuit and was temporarily safe, but I didn't expect to break into the Giant Bear Mountain by mistake.

"Haha!"

At this moment, Yue Feng smiled lightly, and said to Ou Shan: "It's just a bunch of little thieves, they are really lawless, hurry up and apologize to Miss Xia, otherwise you will be at your own risk!"

When he said this, Yue Feng His face was indifferent, and there was no nervousness about being in danger at all.

What?

When the words fell, Okuyama and the surrounding subordinates were stunned, thinking that they had heard it wrong.

what did he say? Want to apologize to this female knight yourself?

There's something wrong with this kid.

"Yue Feng." Xia was also in a hurry, and said to Yue Feng, "Don't talk nonsense!" These bandits, one by one, were extremely vicious, and Yue Feng was injured, but he took the initiative to provoke them.

Yue Feng smiled and signaled Thea not to be nervous.

Finally, Ou Shan reacted and glared at Yue Feng: "Boy, are you courting death?"

Yue Feng ignored it, but put his finger in his mouth and made a series of 'woohoo' sounds.

Yes, Yue Feng used ventriloquism to signal an attack to the giant bear not far away. Not only that, but Yue Feng secretly took out the beast-fighting ring.

When he observed the giant bear just now, Yue Feng could see that the bandits used special drugs to tame the giant bear, because in the Kyushu mainland, some people also used this method to tame wild beasts.

Speaking of which, this method, compared with Yue Feng's method, is completely paediatric.

Haha...

Seeing Yue Feng's actions, Okuyama and the surrounding subordinates couldn't help but burst into laughter.

Chapter 3325

"What does this kid learn?"

"Is this a fool?" In the

jeers, Okuyama was too lazy to talk nonsense, clenched the giant hammer and smashed it directly at Yue Feng.

Watching Okuyama make his move, Yue Feng didn't panic at all. He took a step back and shouted to Thea at the same time, "Xia, come behind me."

Hearing Yue Feng's call, Thea stomped her feet in a hurry.

You have angered the other party and asked me to hide behind you. Is it useful?

"Ow..."

Seeing that the giant hammer was about to smash Zhong Yuefeng, at this critical moment, I saw that the giant bear not far away suddenly became violent, and then rushed over quickly.

I saw that the giant bear's eyes were extremely blood red, and he completely lost his mind, and the target he locked was Okuyama.

what's the situation?

Seeing the giant bear rushing towards him, Ou Shan's face changed greatly, he quickly ducked to the side, and at the same time took out a packet of medicinal powder from his body and sprinkled it towards the giant bear.

Yue Feng guessed right, Ooshan and his gang were able to tame the giant bears by relying on a special medicinal powder.

However, what made Okuyama depressed was that the medicinal powder didn't seem to work at this time. The giant bear in front of him was completely insane, with a terrifying roar from his mouth, waving the bear's paw, and pounced on it again.

For a time, Okuyama dodged desperately, almost crying.

The companions around were all dumbfounded.

Why did this giant bear suddenly go crazy?

This...

Seeing the scene in front of her, Thea was also shocked and stunned.

what happened?

Wasn't this giant bear tamed by these bandits? But now, he suddenly went crazy, desperately attacking and chasing a mountain bandit leader...

Haha...

Yue Feng stood there, holding his arms, his face relaxed!

Just now, Yue Feng used ventriloquism, and at the same time he gave instructions to the giant bear, he also activated the beast-fighting ring. The beast ring can control the world's spirit beasts, and naturally it can also make this giant bear obey the instructions.

At this time, under the constant attack of the giant bear, Okuyama was extremely embarrassed.

Soon, the companions around reacted one by one and prepared to help Okuyama to restrain the giant bear. However, the giant bear was too strong and so powerful that a dozen bandits joined together and could not restrain it.

"Hey!"

At this moment, Yue Feng said with a smile: "If you don't want to be killed by the giant bear, please quickly apologize to Miss Thea."

Mad!

Hearing this, Ou Shan suddenly reacted and glared at Yue Feng: "Is it your kid?"

At this time, Ou Shan suddenly remembered that the giant bear had passed by Yue Feng several times just now, and he had no intention of attacking him. , but always look at yourself.

Obviously, the giant bear suddenly became violent, and it was his ghost.

idiot!

Yue Feng cursed inwardly, and said coldly, "I have limited patience, so make a decision quickly."

"You..."

At this moment, the anger in Ou Shan's heart rose, and this kid actually threatened him. I and my brothers have been entrenched in the Giant Bear Mountain for so long, who have they served?

However, in the face of the violent giant bear, Okuyama and a dozen companions soon couldn't stand it anymore, and they saw that the giant bear was swept away by Okuyama's shoulder, dripping blood, and it was very miserable.

"Okay, I apologize, I apologize!" Under the severe pain, Okuyama hurriedly shouted.

To be honest, Xiang Yuefeng was submissive, and Ou Shan felt ten thousand unconvinced in his heart, but there was nothing he could do. If he didn't compromise, he would really die under the bear's paw.

Chapter 3326

"Miss Thea, I'm sorry." In the

next second, Okuyama begged for mercy at Thea: "I offended you a lot just now, I hope you don't remember the villain, don't care about us!"

"I know it's wrong, Please stop this giant bear."

When he shouted these, Okuyama almost cried.

If you don't stop, you will really be shot to death by the giant bear.

call!

At this moment, Thea reacted, with a bit of complexity on her delicate face, she said softly to Yue Feng: "Yue Feng, please stop the giant bear.

” But not to die.

Yue Feng smiled slightly, then whistled, and saw that the violent giant bear suddenly quieted down, and then slowly crawled towards the distance.

Phew...

Seeing the giant bear leaving, both Okuyama and the surrounding companions were relieved.

Seeing this scene, Thea was amazed and curious: “Yue Feng, how did you do it?” Before using the formation to trap the people of Seth, now, with just a whistle, you can make the A giant bear obeys orders, how many secrets does this man have?

“I’ll tell you later!” Yue Feng smiled and walked quickly towards Ou Shan and the others.

When he got to the front, Yue Feng took out an elixir from his body and stuffed it directly into Ao Shan’s mouth.

Gudong!

This chapter is provided by . Visit [for](#) daily update.

Ou Shan was exhausted from being chased by the giant bear just now, and he couldn’t react at all, so he swallowed the medicine pill directly.

“Made!”

Ou Shan was very angry and glared at Yue Feng: “Boy, what did you give me?”

“Don’t be nervous, I give you Tongshen Pill.” Yue Feng said with a smile: “This is a kind of A chronic poison, after a year, if you don’t take the antidote, your whole body will fester and die.”

“If you don’t believe me, if you press on your lower abdomen, does it hurt?”

Yue Feng said this with a relaxed expression on his face.

After what happened in Pearl City, Yue Feng realized that if he wanted to gain a foothold in this different world, he had to build his own strength, and the bandits in front of him were not weak, so it would be a pity to kill them directly.

Tong Shen Dan?

At this moment, Ou Shan’s face was hideous, and he was very unconvinced, but after reaching out and pressing his lower abdomen, his face changed greatly.

At this time, Okuyama clearly felt the pain like a needle in his lower abdomen. Obviously, what the person in front of him said was true.

Mad!

At this time, Ou Shan's subordinates were all shocked and angry, and shouted at Yue Feng.

"Boy, you are courting death!"

"Dare to poison our boss?"

"Get out the antidote, otherwise, I will teach you to die without a place to be buried." In the

roar, a dozen men quickly surrounded Yue Feng. stand up.

Yue Feng didn't panic at all, and said slowly: "Do you still want to do it? That giant bear hasn't gone far, and I tell you, the antidote for this magic pill, only I can prepare in the entire Roland Continent, you kill me. , in a year, just wait for your boss to collect the body!"

Hearing

this, more than a dozen big men looked at each other and did not dare to act rashly.

At this time, Yue Feng looked at Ou Shan and said word by word, "Actually, we have no grievances. I did this because of your strength, so I decided to accept you as younger brothers. As long as you submit to me, I will keep you safe and sound. How?"

"Of course, if you don't surrender, I won't force it. After a year, you will wait for the poison to die."

Hearing this, Okuyama's face changed, and he almost exploded with anger, but he couldn't refute it. .

Chapter 3327

"Okay!"

Finally, after more than ten seconds of silence, Ou Shan put down his arrogance and bowed his head to Yue Feng: "I surrender, from now on, you are our boss."

Immediately, he did not forget to rush He shouted at his accomplices around him, "What are you doing? Why don't you come over to see the new boss?" To

be honest, surrendering to Yue Feng, Ou Shan felt ten thousand reluctance in his heart.

But there is no way, my life is in the hands of the other party, if you don't bow your head, you will die.

For a time, more than a dozen people around also put away their weapons and bowed to Yue Feng.

"I've seen the boss!"

"Boss!"

Haha...

Seeing this scene, Yue Feng felt indescribably happy and waved: "Very good, from now on, we are our own people, my name is Yue Feng, you can call me Brother Feng in the future."

Hearing this, everyone in Okuyama nodded quickly.

This...

Seeing this scene, Thea's delicate body trembled and was completely stunned.

To conquer these bandits so easily? Incredible.

Soon, under the leadership of Okuyama, Yue Feng and Thea came to their camp.

Originally, Okuyama was very unconvinced, but after the exchange, he was quickly convinced by Yue Feng's personality. After returning to the camp, Okuyama hurriedly asked his brothers to prepare a banquet to welcome the new boss.

"Brothers!"

At this time, at the banquet, Yue Feng picked up a glass of wine and looked around: "I am very happy to meet you brothers, this glass of wine toasts you!"

When the voice fell, everyone in Okuyama quickly raised their wine glasses.

Only Thea sat there with a bit of displeasure on her delicate face.

She was originally a female knight in Pearl City, and she was very proud. How could she sit and drink with a group of bandits, and Yue Feng's behavior also made Xia a little disgusted.

In Xia's heart, she always thought that Yue Feng was an upright person, but she never thought that Yue Feng would get along with these bandits.

Yue Feng saw Thea's abnormality, but he didn't care, and continued to drink with everyone.

It is said that the friendship of men is established at the wine table, and this sentence is indeed true. After three rounds of drinking, the relationship between Yue Feng and everyone in Okuyama suddenly became much closer.

"Boss!" At this time, Ou

Shan said to Yue Feng with the help of wine: "I heard you say that you were the son-in-law of the Dumen family in Pearl City, but you were framed and escaped?"

Very angry: "Ma De, tomorrow morning, I will take my brothers and rush into Pearl City to avenge the boss!" The

voice fell, and everyone around him echoed loudly.

"Yes, you must help the boss to vent his anger."

"Ma De, those big families in Pearl City, I have long disliked them."

Everyone shouted, you and I came, and Thea, who had been silent, suddenly became anxious. .

"Yue Feng, you can't mess around!" Thea bit her lip tightly and said to Yue Feng, "Although the major families in Pearl City are hateful, there are also good people, you..."

Before she could finish speaking, Yue Feng interrupted with a smile.

"Don't worry, I, Yue Feng, act upright and upright, and I won't mess around!"

Saying that, Yue Feng looked around at everyone in Oshan: "Brothers, don't worry about revenge on the major families, I just ask you one thing, starting from tomorrow, secretly protect Miss Lolita of the Dumen family. Remember, you must not conflict with other families, let alone reveal your identity, understand?"

When he said this, Yue Feng looked serious.

That's right, although he escaped from Pearl City, Yue Feng couldn't worry about Lolita. After all, he had promised Mr. Dumen that he would protect Lolita.

Chapter 3328

This...

Hearing this, Okuyama and everyone looked at each other and were stunned.

In the next second, Ou Shan took a deep breath, his face full of admiration: "Boss, the Dumen family is so indifferent to you, yet you have to help them secretly, this kind of mind is really admirable, okay, don't worry, we will go to Pearl tomorrow. City, as long as I am here, I will never let Miss Lolita do anything."

At the same time, Thea also trembled, staring at Yue Feng, speechless.

It turned out... He subdued these mountain bandits to protect Miss Lolita.

At the Dumen family's manor, Lolita didn't believe him so much, but he still cared about Lolita's safety, this bearing, this mind, this is a real man.

The banquet went on very late.

"Yue Feng!"

At the end of the banquet, Thea stood up and said to Yue Feng, "You don't need my protection anymore after taking in so many subordinates. I think I should go too."

"You Where are you going?" Yue Feng was stunned.

Thea smiled lightly: "When I was very young, I had a dream to travel the entire continent, but then I became a female knight, and the dream was put on hold. Now that I have left Pearl City, I can just travel around.

" Then, Yue Feng nodded and said with a smile: "Well, let's help you along the way. If you encounter trouble, you can go to the Bloody Hand Organization for help. You can say that you are my friend, and the Bloody Hand Organization will definitely help you. "

Bloody Hand Organization?

Thea was shocked and looked at Yue Feng blankly: "You are also related to the Bloody Hand Organization?"

This man is really unfathomable.

Yue Feng smiled and said: "Yes, I have some friendship with the big leader of the Blood Hand Organization." Yue Feng didn't want to say too much about the relationship with Olina.

Thea is a smart person, so she didn't ask any more questions, said goodbye to Yue Feng and left.

call!

At this moment, watching Thea leave, Yue Feng's heart was up and down, and he was very emotional.

The only female knight in Pearl City, although she sometimes acts recklessly, she has a great sense of justice. In order to help herself, she lost her position as the captain of the guard, and I don't know if I will see her again in the future.

With emotion, Yue Feng looked around, and saw everyone in Oshan, all of them were very drunk. Lying there and sleeping soundly.

However, Yue Feng did not have the slightest drowsiness.

I escaped from Pearl City, and I don't know what happened to Lolita.

correct!

At this moment, Yue Feng suddenly thought of something, and took out a simple jade piece from his body.

This jade piece was auctioned for 10,000 gold coins at the auction of the Rose Manor before.

At that time, Yue Feng thought that after returning to Pearl City, he would go to Devil Island to take out the treasure left by the pirates to pay for the ten thousand gold coins. As a result, after the auction ended, Lolita helped to pay.

When Lolita appeared in Yue Feng's mind just now, he suddenly thought of this jade piece.

Um?

At this time, Yue Feng was standing on the cliff outside the camp, groping for the jade piece with his hands, and when he looked at it carefully by the moonlight, he could clearly sense that the jade piece seemed to contain a strange power.

Aware of these, Yue Feng subconsciously motivated his inner strength and injected it into the jade piece.

hum!

At the moment when the internal force was injected, the power in the jade piece was suddenly stimulated, and suddenly, a dazzling light emerged, forming a beam of light that shot straight into the sky.

What the hell!

Yue Feng subconsciously blocked his eyes and was secretly shocked.

In a small piece of jade, there is such a powerful force?

Chapter 3329

After more than ten seconds, the beam of light gradually disappeared, Yue Feng looked at the jade piece in his hand again, ready to study it in depth.

hum, hum!

However, at this time, there was a sudden aura fluctuation from the place under the cliff, and then, two figures flew quickly!

These two figures were so fast that they arrived in front of Yue Feng in the blink of an eye!

These are two young men, about twenty-five years old, well-proportioned, wearing uniform golden armor, with a strong aura all over their bodies.

Yue Feng saw that the armors of the two were very different from the knight costumes he had seen before. Not only that, there was also a hexagram on the chest.

Who are these two people? How can it appear here?

While looking at it, Yue Feng frowned secretly.

After feeling the strength of these two people, Yue Feng was even more shocked.

Nima, these two are actually the strengths of the previous Saint Emperor.

One more step up is the Holy Spirit of the highest realm.

Swish!

At this time, the two men in golden armor also looked up and down at Yue Feng, and the two of them didn't have the slightest expression, they looked very indifferent.

These two people are the Paladins of the Temple of Light.

The Temple of Light is the most sacred place in Roland Continent, and the one who rules the Temple of Light is the Goddess of Light that the people of the entire Roland Continent believe in.

The Paladins are the most powerful subordinates of the Goddess of Light. There are a total of twelve, named after the twelve constellations unique to the Roland Continent, called the twelve Paladins. The strength is very strong.

In front of Yue Feng at this time, it was the Golden Lion Paladin and the Capricorn Paladin of the Twelve Paladins.

“Who are you?”

Finally, the Golden Lion Paladin reacted and stared at Yue Feng: “Why do you have the fragments of the

sacred book in your hand?” A book of many years, it is said that it contains all kinds of things. However, a thousand years ago, the Temple of Light suffered a catastrophe, and half of the sacred book was missing.

And the jade piece in Yue Feng’s hand is the fragment of the lost part of the sacred book of jade!

Holy Book of Jade?

Hearing this, Yue Feng frowned secretly, suddenly a little stunned.

The next second, Yue Feng shook his head and said, “I don’t know what you are talking about.” The

Golden Lion Paladin was too lazy to talk nonsense, and said lightly: “If that’s the case, come with us!” The

voice was not loud, but it was unquestionable!

Recently, in the name of the Goddess of Light, the Principality of Sunrise suddenly launched a war. After the Temple of Light learned of the situation, it sent the Golden Lion Paladin and the Capricorn Paladin to investigate the situation. As a result, after passing through the Giant Bear Mountain, a ray of light broke through the sky.

At that time, the two holy knights did not hesitate, and they rushed over directly. They saw the jade piece in Yue Feng’s hand and immediately recognized it. At this time, the jade piece in the sacred book.

The jade piece belongs to the Temple of Light, and naturally, it must be brought back.

go with you?

After muttering a word, Yue Feng didn’t think about it, shook his head and said, “Sorry, I’m not interested!” The

Dumen family has Ou Shan and others secretly protecting him, so he doesn't need to worry for the time being, Yanhong also has news, now what he has to do , is to find Miaoying as soon as possible, how could it be possible to go with them?

Snapped!

Hearing the answer, the Golden Lion Paladin was too lazy to talk nonsense, and suddenly shot, tightly clasping Yue Feng's wrist!

Yue Feng's internal strength did not fully recover, he couldn't react at all, he just felt like he was being held by iron tongs.

Before he could struggle, the Capricorn Paladin next to him suddenly raised his hand and slashed his palm on the back of Yue Feng's neck.

Chapter 3330 I

don't know how long I was in a coma, but Yue Feng woke up.

When he opened his eyes, Yue Feng only felt a little dizzy in his head.

Nima, those two people are sick, right?

Yue Feng's eyes were red, and while scolding inwardly, he subconsciously looked around.

At this moment, seeing the surrounding environment, Yue Feng was shocked, and the whole person was stunned!

Damn, where is this?

Yue Feng saw that there was a small island in front of him. The island was surrounded by the sea with beautiful scenery. On the seaside not far away, stood a huge statue of a goddess.

This statue is more than 100 meters high, with beautiful curves and vividness. From a distance, it is alive and vivid, as if it were real.

Snapped!

Just as Yue Feng looked at the statue and sighed secretly, suddenly, he was hit hard on the back of the head.

Yue Feng was shocked and angry, and when he looked back, he saw the Golden Lion Paladin who had kidnapped him, standing there with a cold and arrogant expression.

“This is the statue of Her Royal Highness the Goddess of Light. You dare to stare at it like this, it is blasphemy.” The Golden Lion Paladin warned coldly: “This time it is a warning, and next time, I will gouge out your eyes.”

What?

Hearing this, Yue Feng was shocked.

Is this a statue of the Goddess of Light?

Could it be that the legendary Temple of Light is on this island?

When I first came to Roland Continent, Doug told Yue Feng a lot of legends here, and the Temple of Light was one of them. However, the Temple of Light was very hidden and few people knew about it.

At this time, the Golden Lion Paladin didn't talk nonsense, and dragged Yue Feng up: “Go, follow me to see His Highness the Goddess of Light!” What the

hell!

At this moment, Yue Feng was completely shocked.

I thought that the goddess of light was the spiritual sustenance of the people of Roland mainland.

The subordinates are so powerful, this goddess of light must be very terrifying.

While Yue Feng was thinking about this, the Golden Lion Paladin dragged him and slowly walked towards a palace on the island.

Yue Feng saw that the palace in the center of the island was all made of white boulders, and the golden roof glowed in the sun, giving people a grand and solemn spirit.

In front of this palace, there is a huge square.

The square is very large, surrounded by statues of twelve paladins, which is very imposing.

Behind the square is the Temple of Light.

hiss!

The moment he entered the temple, when he saw the scene in front of him, Yue Feng couldn't help taking a deep breath.

You can see that on both sides of the temple, ten holy knights are standing neatly, and their strength is the same as that of the golden lion paladins.

In the center of the temple, there is a throne full of treasures.

On the throne, a woman sat quietly, wearing a colorful crown and a golden robe.

This woman's face is delicate, like a fairy, and her body curves are even more exquisite. Under the foil of the golden robe, her whole body is filled with a suffocating aura.

It is the goddess of light, Arina.

Gudong.

At this moment, Yue Feng was stunned, and when he felt Yarina's strength, he was even more surprised.

It's unfathomable, and you can't even perceive it...

"Your Highness Goddess!"

At this time, the Golden Lion Paladin took a step forward and respectfully said to Yarina, "When my subordinate passed through the Principality of Zuri, I accidentally found this person's hand in the hand. If there is a fragment of the sacred book of jade, I will bring it back immediately!"

After speaking, he handed over the jade piece.

"What's your name?" Yalina looked at the jade piece and asked Yue Feng, her tone soft but full of majesty.
