

The ultimate husband in Chinese chapter 3371-3380

Chapter 3371

“It’s not good.”

At this moment, a soldier staggered in and ran in, his face turned pale, and shouted at Tian Yi: “It’s not good, a man forced his way through the city gate guard and said To save that woman!”

What? !

Tian Yi slapped the table suddenly, stood up suddenly, and yelled at the soldier, “What nonsense?! The woman has been rescued, why is there anyone else to rescue her?”

At this time, Tian Yi was in a bad mood. pole.

“

Boom!” Before he finished speaking, he heard a loud bang, and the gate of the City Lord’s Mansion was kicked open at once!

Immediately afterwards, I saw a figure, full of invincible aura, strode in.

It was Yue Feng.

At this time, Yue Feng had a determined face, and his eyes were full of anxiety.

Half a day ago, Yue Feng learned from Abel that Miaoying pretended to be the Goddess of Light and was subdued by the Twelve Paladins. She was shocked and angry at the time. Later, she learned that Miaoying was going to be executed in Storm City, and Yue Feng did not hesitate at all. , rushed directly to Storm City.

Although Miao Ying is a fairy, she is kind-hearted, and she is more affectionate and righteous to herself. Moreover, Yue Feng has been searching for Miao Ying for so long, how can something happen to her.

Yue Feng had already thought about it before he came, no matter how many troops Storm City had, he would save Miaoying.

Mad!

Someone really broke in!

This chapter is provided by . Visit for daily update.

At this moment, Tian Yi looked up and down at Yue Feng, his eyes flashing with intense anger.

At the same time, many soldiers came from all directions, all eyes focused on Yue Feng.

This person is not small, dare to break into Storm City?

“Who are you?” Finally, Tian Yi

reacted, glared at Yue Feng, and shouted, “Do you know where this place is? Do you know the consequences of trespassing on the City Lord’s Mansion?”

At the same time, looking at Yue Feng’s eyes, there is also a bit of contempt.

The person in front of him, but the strength of the Holy King, dared to break in here, he was simply courting death.

At this time, Tian Yi didn’t know that Yue Feng seemed to be in the realm of a holy king, but his real strength was beyond his imagination.

call!

Yue Feng took a deep breath and said to Tian Yi word by word, “You are the person in charge of Storm City, right? I don’t want to say more nonsense, and hand over Miao Ying immediately.” The

voice was loud, like rolling thunder, resounding through The entire Storm City.

Hearing this, Tian Yi’s face was extremely ugly, and the anger in his heart rose even more.

Before Yanhong rescued Miaoying in front of so many people, Tian Yi lost face, and is still annoyed by this matter, but at this time, the guy in front of him said that he came to save people.

Madd, is there really no one in Storm City?

The more Tian Yi thought about it, the more angry he became. He was too lazy to talk nonsense. He pointed at Yue Feng and shouted: “Take him down for me and execute him on the spot!”

Tian Yi almost shouted out the last four words.

Whoa!

The voice fell, and more than one hundred soldiers rushed over like a tide.

Nima!

Seeing that the other party didn't say a word, he immediately took action. The anger in Yue Feng's heart was instantly aroused. Looking at the hundreds of people approaching, there was no fear on his face!

If you want to fight, then come with a special code!

“Roar!”

At this moment, a loud dragon roar rose into the sky!

Seeing Yue Feng's body, a powerful aura burst out, and then, a golden light shone, and nine long dragons circled around him, like a killing god!

Chapter 3372

“The Nine Dragons Ascension!”

“Kill!” Yue Feng roared frantically, raising his hand to point at the nearly 100 soldiers in front of him.

Nine long dragons rushed over in an instant, and wherever they passed, the air was cut open by cracks!

What?

Seeing this scene, Tian Yi's heart was shocked, and he was indescribably terrified.

Isn't this kid the strength of the Holy King? How could the burst of breath be so terrifying?

Also, what are these nine huge beasts?

There are no dragons in Roland Continent, so Tian Yi didn't know the nine golden dragons transformed by Yue Feng, but he felt inexplicably panicked when he felt the terrifying aura.

At the same time, the hundreds of soldiers who rushed up also stared blankly at the nine golden dragons, all of them inexplicably horrified.

“Ah!” In the

next second, the hundreds of soldiers, before they could react, were swept away by the force that erupted from the Golden Dragon. They screamed constantly, and there were more than 50 people on the spot, who were directly beaten and vomited. Blood, no resistance!

hiss!

At this moment, whether it was Tian Yi or the other soldiers around, they couldn't help gasping for air.

The entire City Lord's Mansion was deadly silent, even if a needle fell on the ground, it could be heard clearly!

Everyone looked at Yue Feng as if they were looking at a monster!

Just one skill killed more than 50 people.

This...is this still human? Is this code still human? !

Under the stunned gazes of everyone, Yue Feng walked to Tian Yi step by step, and said coldly, "I'll ask you one last time, where is Miaoying?" Almost lost my mind.

"Your Excellency!"

Tian Yi wiped away his cold sweat and smiled bitterly: "To be honest, that young lady named Miao Ying has been rescued, and she is also a woman with great strength!"

When he said this, Tian Yi With a look of apprehension, the arrogance and aura of before have completely disappeared.

I thought that this person in front of me would be easy to take down, but I never imagined that the other party would hide it and kill more than 20 of his soldiers as soon as he shot.

The other party is so powerful that they have to compromise.

rescued?

Hearing this, Yue Feng frowned.

The next second, Yue Feng looked at Tian Yi coldly: "I warn you, don't play tricks with me, and tell me, where is Miaoying locked up?"

At this time, Yue Feng thought that Tian Yi was lying to himself. , Miaoying has no relatives and no reason on this road, who else can save her except herself? She must be locked up.

“Your Excellency!”

Seeing Yue Feng’s disbelief, Tian Yi almost cried: “Really, I didn’t lie to you, she was really rescued, if you don’t believe me, ask the others!” As the words

fell, the soldiers around nod.

“Yes, I was really rescued!”

“We saw it with our own eyes!”

Hearing what everyone said, Yue Feng’s brows became deeper and deeper, and the more he didn’t believe it.

“Don’t think that if you let your subordinates make false evidence together, I will believe you?” Yue Feng looked at Tian Yi coldly, with an unquestionable tone: “Do you know Wenliang? I killed him, I can’t see Miaoying today. , I’ll level Storm City.”

What?

Is he the powerhouse who killed Wenliang?

Hearing this, Tian Yi was shocked, and at the same time wanted to cry without tears.

This person is crazy, he said it so clearly, but why doesn’t he believe it?

Depressed, Tian Yi wanted to tear his face off with Yue Feng, but he held back when he thought of the opponent’s strength.

“Okay!”

Finally, under the pressure of Yue Feng’s powerful aura, Tian Yi’s heart changed, and he suddenly had an idea, and smiled bitterly: “Your anger, I shouldn’t lie to you, that Miss Miaoying, who is in the north of the city. On Stormwind Mountain.”

When he said this, Tian Yi’s face was sincere, but cunning flashed in his eyes.

Under the cliff of Storm Mountain in the north of the city, there is a huge natural cave, which is bottomless, and there are often hurricanes raging. It is precisely because of this that this city is called Storm City.

Chapter 3373

Tian Yi has thought about it, since the madman in front of him doesn’t believe in himself, he will deceive him into that cave. As long as he enters, he will not come out alive.

“Take me there!” Yue Feng couldn’t help urging.

Tian Yi nodded, accompanied with a smiling face, then took Yue Feng, walked out of the City Lord’s Mansion, and walked towards Stormwind Mountain in the north of the city. Dozens of soldiers followed behind him.

call!

Soon, when he reached the cliff on Stormwind Mountain, Yue Feng looked around and frowned.

Nima, except for the huge cave below, where can there be a shadow of Miaoying?

“Where are the people?” Yue Feng couldn’t help but ask, murmuring in his heart.

Tian Yi showed a smile and said politely: “It’s in the cave, because she pretended to be the goddess of light, and she was imprisoned in such a place.” I

have to say that Tian Yi acted very similar, and said nothing. flaw.

Hearing this, Yue Feng nodded silently: “Okay. You’d better stop lying to me, otherwise, you will be at your own risk.”

Whoosh!

The voice fell, Yue Fengqi raised his dantian, jumped, and jumped into the cave.

Seeing this scene, both Tian Yi and the surrounding soldiers were stunned.

This... this guy is really crazy.

The cave was bottomless, and he jumped directly into it.

Under the shock, Tian Yi showed a smile, indescribably proud.

Haha...

This man actually jumped straight down, saving himself a lot of trouble.

If you jump from such a high place, you will surely die.

With pride, Tian Yi greeted dozens of soldiers and returned to Storm City.

Below the cave.

Huhuhu...

The wind whistled in my ears, Yue Feng's body fell from the cliff, and the speed was getting faster and faster, but Yue Feng did not panic, he summoned Fang Tianhuaji and stabbed it on the mountain wall to slow down the falling. strength.

Finally, after ten minutes, Yue Feng finally stepped on the ground.

If he fell from such a high place ten years ago, Yue Feng would definitely be injured, but at this time, Yue Feng's strength has reached a very high level, and he just took two steps back and stabilized his figure.

Nima!

After stabilizing his figure, Yue Feng looked around, and suddenly became angry.

Mad, cheated again.

As you can see, the cave in front of you is very large and has many forks, like a huge labyrinth. The wind was howling all around, and there was not a single person in sight.

When you go back by yourself, you have to calm down Storm City.

In anger, Yue Feng slowly walked forward.

The more he went inside, Yue Feng clearly felt that the wind blowing around was stronger, and it almost blew Yue Feng's eyes.

How can there be such a strong wind in this underground cave?

In his heart, Yue Feng didn't think much about it, just wanted to find a way out as soon as possible.

"Roar!"

I don't know how long it took, Yue Feng suddenly felt a wave of breath coming from the front. Immediately afterwards, a roar that shocked the soul followed.

What the hell!

Hearing the roar, Yue Feng's body trembled, only to feel his heart beating faster.

This roar is too shocking, it is not an ordinary beast at all, it can be issued. Could it be that this Roland Continent also has divine beasts?

Deep in this cave, is the habitat of divine beasts?

Muttering in his heart, Yue Feng subconsciously accelerated his pace.

What the hell!

After walking more than 100 meters, Yue Feng reached a huge rock, and when he saw the scene in front of him, he was shocked and completely stunned!

Chapter 3374 I

saw a huge beast lying on the open space ahead.

This giant beast is nearly 100 meters long, has no hair, is covered with black and red scales, and has a long neck and tail. At first glance, it looks like a dinosaur that has long been extinct in the Kyushu continent, but on its back there is a pair of huge wing.

A pair of eyes, flashing blood-red light, full of evil, and the whole body is filled with a terrifying aura.

Especially feeling the strength of this giant beast, Yue Feng was even more shocked.

So strong, it turned out to be the realm of the Holy Spirit...

sigh!

After staying for more than ten seconds, Yue Feng reacted and couldn't help gasping for air.

Is this... is this the dragon of this other world?

When he first arrived in this different world, Yue Feng had read many ancient books in Doug's study, and had seen records of dragons in this world in an ancient book.

Yes, in this Roland Continent, there are also dragons, but the dragons in this world are not only different in appearance from the Kyushu Continent, but also very evil in temperament.

In the ancient records of Roland Continent, dragons are powerful and greedy beings, attacking towns and maiming human beings. Two thousand years ago, the dragon suddenly disappeared, and since then, the people of Roland Continent have never seen it again.

Thinking of this, Yue Feng couldn't help taking a deep breath, unable to hide his inner shock.

Nima, I thought there was nothing in this huge underground cave, but I didn't expect that there was a dragon living here.

Under the shock, Yue Feng was not at all nervous.

Because this dragon was lying there, his eyes narrowed slightly, as if he was resting, not only that, but two long jade thorns were also nailed to the two wings on his back.

Yue Feng clearly saw that the jade thorns were engraved with runes, and there were even more strange power fluctuations.

It was these two jade thorns that restricted the dragon's movements and prevented it from flying.

This...

At this moment, Yue Feng looked at the two jade thorns carefully, and suddenly his heart was shocked, and he almost screamed out.

It looks like a dragon thorn.

When he first founded Tianmen, Yue Feng had collected a lot of ancient books and documents. He once read in a book that ancient practitioners, in order to capture dragons, Teyin invented a hidden weapon called the Dragon Prisoner. It is said that as long as the dragon is hit by the imprisoned thorn, it will lose the ability to move.

Later, the dragon disappeared in the Kyushu mainland, and the dragon thorn was also lost.

But Yue Feng never imagined that in this different world, he could actually see the dragon thorn.

Shasha...

Just when Yue Feng was secretly shocked, he heard the sound of light footsteps coming from another fork on the left. Immediately afterwards, two figures appeared in Yue Feng's sight.

This is a man and a woman.

The woman was wearing tight-fitting soft armor, showing the perfect curve, her facial features were exquisite and beautiful, holding an exquisite dagger in her hand, and her expression was tired.

The man is also dressed in armor, quite handsome, but also tired.

is her?

Seeing the woman, Yue Feng was stunned.

It was Xue Mi'er, the daughter of the leader of the Bounty Alliance, who had met in Arendis before. At that time, Yue Feng went to the Bounty Alliance and rescued Xue Shan by chance. Later, she and Xue Mi'er went to arrest the leader of the big bandit, Oshan.

Why is she here?

Um?

Just when Yue Feng was stunned, Xue Mi'er also found Yue Feng, and her body trembled, she was surprised.

The next second, Xue Mi'er endured the surprise in her heart, and said softly to Yue Feng: "Yue Feng? It turns out that nothing happened to you. I thought you were dead. Why are you here?"

"It was a royal knight of the Principality of Tianxing. Later, something happened, and he was chased by Arendis. Finally, he heard that he had fallen off a cliff, and his life and death were unknown.

Chapter 3375

When she got the news at that time, Xue Mi'er was also a little regretful. Although she was not familiar with Yue Feng, it was entirely due to Yue Feng that she was able to successfully catch Ou Shan at that time.

At this time, I was very happy to see that Yue Feng was all right.

"Xue Mi'er, long time no see!" Yue Feng replied with a smile.

While saying that, Yue Feng couldn't help looking at Xue Mi'er.

I have to say, this Xue Mi'er is really a top beauty. She has not seen her for a while and has become even more sexy.

"Mi'er!"

At this moment, the man next to him looked at Yue Feng up and down and frowned, "Who is this person?"

"Bounty League.

While asking, Karen looked at Yue Feng's eyes with a bit of disdain.

This guy, dressed in ordinary clothes, is not as strong as the Holy King, but he actually knew his cousin.

At this time, Xue Mi'er was excited and quickly introduced: "Cousin, this is the Yue Feng I mentioned to you, who helped me catch Auf."

What?

Hearing this, Karen was stunned for a moment, and then chuckled: "Cousin, how could he help you catch Auf? Even if it's true, it's just luck."

Seeing Karen's disbelief, Xue Mi'er pouted angrily, very charming.

Yue Feng, on the other hand, has an indifferent face. He has been used to being misunderstood by all kinds of people for so many years.

Afterwards, Yue Feng and Xue Mi'er chatted a few times and learned that Xue Mi'er and Karen were chasing a big villain recently, but they came to the area of Stormwind Mountain and were run away by the other party, while Xue Mi'er and Karen, it was by mistake that he stumbled into this underground cave.

hiss!

After chatting for a while, Xue Mi'er finally saw the dragon not far away, her body trembled and her legs went soft.

At the same time, Karen also sucked in a breath of cold air, and the whole person froze there.

"Dragon?"

Finally, Xue Mi'er was the first to react, and her voice was full of trembling: "This...there is actually a dragon here." After the

voice fell, Karen came over, put Xue Mi'er in front of him, and comforted: "Cousin Don't be afraid, it's me." He said so, but his face was pale and his legs couldn't stop shaking.

What is in front of you is the dragon who disappeared nearly two years ago. Can you not be shocked?

Swish!

At this moment, hearing the movements of the three, the sleeping dragon also woke up, and the blood-red eyes locked Yue Feng three at once.

In the next second, the dragon flapped his wings, and a strong wind swept toward the three Yue Feng.

The dragons of this world are cruel, and when they see three people in front of them, their first reaction is to kill them all.

Oops!

At this moment, both Yue Feng and Xue Mi'er's expressions changed drastically.

I saw that the raging wind, where it passed, the air was distorted, and formed wind blades, which was very terrifying.

"What should I do?" Xue Mi'er panicked.

Karen took a deep breath and said loudly: "Cousin, don't panic." The voice fell, and the holy energy exploded all over her body, intending to block this strong wind.

Karen has liked Xue Mi'er since she was a child. She recently joined the Bounty Alliance because she wants to get closer to Xue Mi'er. At this time, facing the trap, she naturally has to show it well.

In an instant, the strong wind slammed into Karen, and the whole person was shocked and flew out.

Bang!

This time, Karen slammed directly into the rock wall behind, and couldn't help spitting out a mouthful of blood, her face pale.

Chapter 3376

"Cousin!"

Seeing this scene, Xue Mi'er couldn't help exclaiming.

Until now, Xue Mi'er had not recovered from the shock. She never thought that there would be a dragon in this huge cave.

Cough cough...

Karen coughed a few times, and it was obvious that he was seriously injured just now.

The next second, Karen struggled to stand up and said anxiously at Xue Mi'er: "Cousin, this dragon is too powerful, we are not opponents at all, try to run!"

When saying this, Karen looked around quickly.

run?

Hearing this, Xue Mi'er almost burst into tears, this cave is so big, like a maze, where are you going?

Yue Feng, who was next to him, looked indifferent, looking at the dragon in front of him thoughtfully.

Boom, boom, boom!

That is, at this moment, the giant dragon stood up and approached quickly. The huge figure was like a hill. Every time it moved, it would make an earthquake-like movement, shocking people.

Seeing the dragon getting closer, Karen and Xue Mi'er were both panicked and anxious.

Click!

In the next second, Karen had an idea, activated the holy power again, and stood fiercely on the rock wall with the big sword in his hand. Suddenly, a piece of stone fell, forming a stone wall, blocking the way of the dragon.

This chapter is provided by . Visit for daily update.

Not only that, but also blocked Yue Feng inside.

Nima!

Seeing this scene, Yue Feng frowned secretly.

This Karen didn't know to say it beforehand?

"Cousin!" At the same time, Xue Mi'er was also in a hurry, and said to Karen: "Why did you block Yue Feng in? Find a way to save him."

The strength of this giant dragon is too terrifying Now, if Yue Feng can't get out, the consequences can be imagined.

However, Karen looked indifferent and said slowly: "Cousin, it's time for you, why do you still care about the lives of others? He can't run away anyway, so let him hold the dragon to delay us. "

When she said this, Karen was very serious, but her eyes flashed coldly.

Yes, Karen deliberately blocked Yue Feng inside. In this way, Yue Feng became the target of the giant dragon. As long as the giant dragon caught Yue Feng, it would not chase after himself and his cousin.

“You...”

Xue Mi'er was furious when she heard this.

My cousin was too selfish to do this, and even used Yue Feng's life to delay time for himself.

Thinking to herself, Xue Mi'er was about to criticize, but Karen didn't give her a chance. She grabbed her arm and quickly rushed into the distance.

“Cousin, let me go, let me go...”

“Cousin, don't blame me...”

Nima!

Listening to the voices of the two, getting further and further away, Yue Feng's face was extremely ugly, and he was very angry.

This Karen is too shameless. In order to survive, he sacrificed others without hesitation?

“Roar!”

At this moment, the giant dragon rushed to the front, looked down at Yue Feng, and opened his mouth wide.

At this moment, Yue Feng couldn't tell how nervous, but he quickly thought of something, took out the beast ring from his body, raised his head and shouted at the giant dragon, “Hold on.”

Um?

Chapter 3377

Hearing the shout, the giant dragon stopped instantly, looking at Yue Feng's eyes, full of doubts!

what happened? The aura on this person suddenly became very strange.

At this time, the giant dragon clearly felt that Yue Feng in front of him had an aura that made him kind, and this kind of aura was emitted by the beast-fighting ring.

call!

At this time, Yue Feng took a deep breath and continued to communicate with the dragon in front of the beast ring: "Dragon, dragon, we have no grievances and no enmity, there is no need to make you die, right!"

Seriously, with Yue Feng The current strength, and the giant dragon in front of him, is not false at all, but doing so will consume too much strength, and it is not necessary at all.

"You..."

Hearing this, the dragon's eyes flashed with brilliance, and he was very surprised: "How can you communicate with me?"

At this time, the dragon still didn't know that Yue Feng had a beast ring on his body, so he could naturally communicate with it.

Yue Feng smiled slightly: "Maybe, I have a special ability." The

dragon pondered for a while, and was extremely proud: "What if you can communicate with me? In my eyes, you are just a humble human being who meets me. , even if you are unlucky."

Immediately, the giant dragon couldn't hide his greed: "I haven't eaten people for a long time, and I forgot what it tastes like. Since you broke into my place, feel free to cook my food.

" Ma!

Yue Feng frowned secretly, and at the same time, he couldn't help but curse inwardly.

Sure enough, the dragons in this different world are very evil, and they have expressed their friendship, and they even want to eat themselves.

But Yue Feng didn't panic at all, and said to the giant dragon: "Okay, I originally wanted to help you remove the dragon thorn from your body. Since you want to eat me, then forget it."

Huh?

At this moment, the giant dragon was stunned.

"What did you say?" The

giant dragon's heart-wrenching eyes showed a bit of shock, and he looked at Yue Feng closely: "Can you help me remove the two imprisoned dragon thorns?"

At this time, the giant dragon was very Excited, you must know that it was trapped here for two thousand years because of the imprisoned dragon thorns on its wings, unable to fly.

"Not bad!" Yue Feng nodded. The giant dragon pondered

for a while, and looked up and down at Yue Feng: "You humans are very cunning, you don't want to be eaten by me, so you deliberately made up this lie, right?"

The prison dragon thorn is from Fu Yizha. He is the leader of your human beings. His strength is tyrannical. For many years, no one has ever reached his realm. Can you solve it, do you think you can take it? Will I believe it?" The

last sentence fell, and the dragon's eyes flashed with evil light.

Haha...

At this moment, Yue Feng couldn't help laughing.

It turned out that the dragon thorn on its body was pierced by Fuxi, no wonder.

Thinking to himself, Yue Feng breathed a sigh of relief, and said lightly: "If you don't try, how do you know that I can't take it? Anyway, I'm here, and I can't run away." The

dragon pondered for a while, and finally nodded after a few seconds: "Okay, I'll believe you once, if you dare to lie to me, I'll tear you to pieces." This man is right, he can't escape anyway, if he really helped himself to take down the dragon thorn, he would recover by himself. Once you are free, you can leave this broken place.

Seeing the dragon agree, Yue Feng showed a smile.

The next second, the giant dragon slowly put his head down, Yue Feng did not hesitate, his feet were a little on the ground, and with a slight jump, he jumped on the back of the giant dragon.

Thorn...

However, Yue Feng did not immediately take out the prison dragon thorn, but pulled out a dagger from his body, slashed his finger, and in an instant, blood gushed out.

Immediately afterwards, Yue Feng quickly walked to the top of the dragon's head and dripped the blood from his fingers. At the same time, the internal force is motivated, and the dragon has a blood drop to recognize the master.

Yes, Yue Feng talked so much with the dragon just now. The ultimate goal is not to help it take out the dragon's thorn, but to confess the master with its blood.

Chapter 3378

Om!

At this moment, the huge body of the giant dragon trembled suddenly, and his heart was also full of anger.

While angry, the dragon was also inexplicably shocked.

It clearly felt that the strength of the person in front of him was not a holy king at all. The power surging in his body was so powerful that it was almost unfathomable.

Soon, the confession of the Lord on the drop of blood was completed.

At this moment, the giant dragon let go of his previous pride and respectfully said to Yue Feng: "Master!"

Although the giant dragon was very unwilling, but there was nothing he could do. The blood-dropping recognition of the master has been completed, and no one can change it. From now on, his own destiny is tied to the person in front of him.

Um!

Yue Feng smiled and nodded: "I know you are not convinced and feel that you have been deceived, but let me tell you, I can really help you remove the dragon thorn."

After speaking, Yue Feng turned around and said, "But, before I take down the dragon thorn, you have to promise me that after you leave here, you don't need to do anything wrong and endanger human beings."

"Yes, master." The dragon responded quickly.

Yue Feng stopped talking nonsense, jumped back on the dragon's back, recited the formula, and pulled out the prisoner's thorn. To pull out the thorn of the prisoner, you need a formula, which Yue Feng has read in ancient books.

"Roar!"

At this moment, feeling the freedom, the giant dragon raised his head and roared with indescribable excitement and excitement.

...

the other side.

Karen took Xue Mi'er and ran for more than ten minutes. After making sure it was safe, she stopped.

"Cousin, why, why did you keep Yue Feng behind?" Xue Mi'er trembled with anger and heartache.

Just as he met Yue Feng, he was abandoned by his cousin.

Karen wiped away his sweat and patiently persuaded: "Cousin, that Yue Feng is just an ordinary friend of yours, why are you so worried about him? Besides, he didn't die in vain, use his life for two of ours... "

Before he could finish, he was interrupted by Xue Mi'er: "Don't say it, even if he is just my ordinary friend, isn't life not life?"

"I..."

Feeling the atmosphere of Xue Mi'er, Karen was helpless.

"Roar!"

Just as he was talking, he heard a giant dragon roar again not far away.

Hearing this roar, Karen and Xue Mi'er both trembled and panicked inexplicably.

After so long, Yue Feng must have been killed by the dragon.

Just when the two were extremely nervous, they saw the huge figure of the giant dragon coming from a distance.

I saw a proud figure standing on the top of the dragon's head. This man, with knife-like facial features, is extremely cold!

It's not who Yue Feng is!

What?

Seeing this scene, both Karen and Xue Mi'er were shocked.

He... he didn't die?

Not only that, but standing on top of the dragon, how did he do it? Simply incredible.

"Yue Feng?!"

Finally, Xue Mi'er was the first to react, stood up, and shouted at Yue Feng in surprise and joy: "So you're all right, that's great." She

thought that Yue Feng had been killed by the dragon, I was still sad for him just now, but at this time, seeing Yue Feng intact, can you be unhappy?

Karen next to her frowned.

Mad, this guy is not dead.

What a hell.

Feeling Xue Mi'er's concern, Yue Feng smiled: "How could something happen to me?"

Xue Mi'er looked curious: "What's going on here? How can you get along with this giant dragon? What?" When she said this, Xue Mi'er did not forget to pay attention to the giant dragon vigilantly.

Hehe...

Yue Feng said with a smile: "I talked to the giant dragon just now, and he said that I have rough skin and thick meat, and it's not delicious."

What?

Chapter 3379

Hearing this, Xue Mi'er trembled, and she was stunned.

After a few seconds, Xue Mi'er reacted and said in disbelief: "You... can you communicate with the dragon?"

For thousands of years, the dragon has been the strongest creature in the world, and humans can only look up to it. And this Yue Feng, can actually communicate with the dragon?

"Of course." Yue Feng smiled slightly: "Otherwise, how could I stand on its head?" To

be honest, Yue Feng wanted to tell Xue Mi'er the truth, but for some reason, seeing her curious appearance, he Couldn't help but tease him.

"Hey!"

At this moment, Karen came back to his senses and shouted at Yue Feng: "Since you can communicate with it, take him to a far place. Don't be here."

Mad.

It's good that Karen didn't speak, but when he saw him speak, Yue Feng suddenly became inexplicably angry.

Just now, this Karen, in order to save his life, even used gravel to trap me and the dragon together, which is so despicable.

With a curse in his heart, Yue Feng shook his head at Karen and said, "I just brought it here to find food, how can I leave ?

"

: "What do you mean?"

Yue Feng shrugged his shoulders with a relaxed look on his face: "It's very simple, the two of you, one of you is going to be the food for a giant dragon. Miss Xue Mi'er and I are friends, forget it."

"So, only you will become the dragon's food."

What?

When the voice fell, Karen only felt a thunderbolt sounded in her head, and the whole person was blinded.

"Can't you communicate with the dragon? Help me beg for mercy!" Karen yelled, her voice trembling.

Yue Feng smiled lightly: "Why should I plead for you?"

Mad, in order to escape, you used gravel to block my retreat, and let me help you hold down the dragon. Now that you are in danger, I thought of asking me to help you. Are you pleading? There is nothing so good in this world.

Thinking to himself, Yue Feng laughed and joked: "Aren't you very capable? Try to communicate with the dragon later, maybe, the dragon won't eat you!"

Gudong!

Karen swallowed hard, almost crying.

How can I have the ability to communicate with the dragon.

“Karen!”

At this time, Yue Feng noticed Karen's expression and said with a half-smile: "I've already lost face by your cousin, but what you did just now really made me uncomfortable, so you need to apologize to me. That's fine."

"As long as you apologize, I'll ask the dragon for mercy!"
