

The ultimate husband in Chinese chapter 3381-3390

Chapter 3381

However, Karen clenched her teeth tightly and still couldn't let go of her dignity.

He is also the best bounty hunter in the Bounty League. I apologize to this guy in front of me, how can I still have face?

call! At this moment, Yue

Feng lost his patience and sighed: "Okay, since you don't want to apologize, then forget it. Xue Mi'er, you have seen it. I gave him a chance. He is not sure about it."

Feng reached out and patted the giant dragon's head, pretending to say: "Dragon, giant dragon, you've been hungry for so long, so eat this man and put your stomach on it."

"Roar!

" The dragon let out a roar, and the huge body came directly towards Karen.

Pfft!

At this moment, Karen collapsed instantly, her legs became weak, and she slumped on the ground, shouting: "Don't... Yue Feng... I was wrong, please help me beg for mercy, don't let the dragon Eat me, I was a bastard before, I'm not a human, I shouldn't treat you like that, you are a lot of adults, forgive me..."

When he said this, Karen's face was full of horror, and he almost urinated.

To be honest, Karen didn't want to be so cowardly, but there was no way, the giant dragon in front of him was not an opponent at all.

But while pleading, Karen's heart was gloomy.

Ma De, I have no face in front of my cousin who was harmed by Yue Feng. If it falls into my hands in the future, I will definitely not forgive him lightly.

Haha...

Hearing the begging for mercy, Yue Feng showed a smile and stopped the giant dragon.

This chapter is provided by . Visit for daily update.

"Yue Feng!"

At this time, Xue Mi'er was very shocked and couldn't help but ask: "Why does this giant dragon listen to you so much?"

"I can communicate with it. Didn't I say it just now?" Yue Feng said with a smile.

Xue Mi'er bit her lip, always feeling that something was wrong.

Communicating with dragons is one thing, but getting dragons to obey your orders is another.

At this time, Yue Feng stopped talking nonsense, greeted Xue Mi'er and Karen, and jumped on the back of the giant dragon together.

At first, Xue Mi'er and Karen were very frightened, and they didn't dare to come up. Later, when they saw that the giant dragon obeyed Yue Feng's words, they jumped up cautiously.

Whoosh!

When the two reached the back of the giant dragon, Yue Feng gave an order, and the giant dragon stretched its wings and flew out of the cave.

Haha...

Soon, he flew out of the cave and reached the sky, Yue Feng was indescribably happy.

Mad, finally come up, and when I return to Storm City, I must find that Tian Yi to settle accounts.

What a beautiful scenery!

At the same time, Xue Mi'er and Karen, sitting on the back of the giant dragon, looked at the mountains and rivers below, and they were also indescribably shocked and at the same time inexplicably excited.

I really thought that when I met a giant dragon, I could still come out alive, and I never thought that I could still sit on the back of the giant dragon and fly into the sky.

Soon, on a hillside, the giant dragon slowly descended under the gesture of Yue Feng.

"Xue Mi'er."

When Xue Mi'er got off the dragon's back, Yue Feng smiled and said, "I still have important things to do, so I won't be with you."

Tian Yi of Storm City deceived himself into the underground cave, and he had to go back and find him to settle the account, and it was naturally inconvenient for Xue Mi'er to follow him.

Um!

Xue Mi'er nodded: "Okay, then let's see you again."

After saying that, she took Karen away.

Chapter 3382

"Okay!"

Watching the backs of the two go away, Yue Feng took a deep breath and turned back to the giant dragon and said, "Go find a habitat too, remember, you can't do anything wrong and harm mankind."

Yue Feng originally wanted to bring the giant dragon back to Storm City, but then he thought that the giant dragon was too big, so he gave up in order to avoid panic among the people.

"I know, Master!" The giant dragon responded respectfully, then spread its wings and flew into the distance.

Watching the giant dragon disappear into the sky in the distance, Yue Feng took a deep breath, turned and headed towards Storm City.

Half an hour later, Yue Feng arrived at Storm City.

After being trapped in the underground cave for nearly ten hours, Yue Feng was a little tired. After entering the city, he found a tavern and planned to take a break before going to Tian Yi.

It was noon at this time, and there were many people in the tavern.

As soon as Yue Feng sat down, he heard the guests at the next table talking about the fake 'Goddess of Light'.

"Have you heard? That fake goddess of light was rescued..." "More

than I heard, I was there yesterday, and the one who came to the execution ground was also a strong woman."

"Yeah . . . I can also see clearly, the woman in the robbery and execution ground is very beautiful, but she looks very fierce..."

The discussion of several guests, you and I came, and Yue Feng was stunned. .

What the hell!

It turned out that Tian Yi didn't lie to him, Miaoying was really rescued.

In shock, Yue Feng smiled bitterly.

He had misunderstood that Tian Yi, and almost lost his mind at that time in order to meet Miaoying.

Afterwards, Yue Feng sat there calmly and continued to listen to the discussion of the guests next door. Through their descriptions, Yue Feng quickly determined that it was Yan Hong who rescued Miaoying.

For a time, Yue Feng was secretly worried.

Yanhong came and went without a trace, it was really difficult to find her.

Moreover, Yanhong and Miaoying had been at odds all the time. Miaoying fell into her hands, which was really unpredictable.

After resting in the tavern for a while, Yue Feng did not trouble Tian Yi, but hurried to Ziri Duchy.

Yue Feng thought about it. If he wanted to find Yanhong's whereabouts, he would need the help of Ziri Principality. After all, he had already been made a duke by the king of Ziri Principality.

.....

At this moment, Storm City, the City Lord's Mansion.

At this time, the hall was filled with representatives of the five principalities.

Tian Yi led the coalition and successfully recaptured Storm City, and at that time, the Twelve Paladins suddenly appeared and subdued Miaoying. This matter soon spread to the five major duchies, and then the five major duchies sent representatives. Discuss how to deal with the Sundial Principality.

"Everyone!"

At this time, Tian Yi, who was sitting on the main seat, looked around and smiled bitterly: "Tell you some bad news! That fake goddess of light was rescued."

What?

Hearing this, the entire hall was in an uproar.

That fake goddess of light, was rescued?

“What should I do?”

“Yeah, it is said that the fake goddess of light is very powerful. Now that she has been rescued, she will definitely go back and continue to support the Principality of Ziri in launching the war.”

“Yes, this is a big hidden danger. “

Everyone expressed their opinions, and all of them had worried expressions on their faces.

Chapter 3383

Seeing this scene, Tian Yi showed a smile and said comfortably: “Don’t worry, everyone, the fake Goddess of Light was subdued by the Twelve Paladins, that is to say, she has been targeted by the Temple of Light. Now, I can’t protect myself, how can I support Ziri Principality again? So, we don’t have to worry!”

Hearing this, the expressions of the people around them relaxed one by one.

“That’s right!”

“Since that’s the case, we don’t have to worry about it anymore. Let’s discuss how to deal with the Principality of Ziri.”

Under the discussion, everyone began to discuss how to attack the Principality of Ziri, but after discussing for a long time, they could not find a good reason. . You must know that when a war is launched in Roland Continent, it is also important to be famous.

At this moment, Tian Yi thought of something, smiled and said: “I have a way, half a day ago, a person broke into Storm City, and he also wanted to save the fake goddess of light. I found out that this person is called Feng Tao. He once killed Wenliang.”

“This person is strong and has a close relationship with the Principality of Ziri, and is also related to the fake Goddess of Light.”

“We will send envoys to let the Principality of Ziri hand over this storm, if they can’t do it. , we have a reason to send troops!”

Hearing this, everyone around looked at each other in dismay.

Finally, I don't know who shouted: "The Principality of Zuri, what if this wind wave is handed over?" The

voice fell, and the others nodded.

Haha...

Tian Yi couldn't help laughing, shook his head and said: "It's impossible for the Principality of Zuri to hand over Fengtao, because half a day ago, Fengtao was led by me to the cave under Stormwind Mountain, the place is very sinister, I'm afraid This Feng Tao has already died below. And this matter, the Principality of Zuri still doesn't know, how could they hand it over?"

Huo!

Hearing this, everyone suddenly realized one by one, and at the same time, smiles appeared on their faces.

"Haha, this method is good!"

"Not bad...."

.....

Sunday Principality.

King City Hall!

The five principalities sent envoys, proposing that the principalities should hand over Yue Feng every day, otherwise they would send troops, and the news quickly spread to the hall.

Upon hearing the news, the king was shocked and angry, and immediately summoned the major city lords to discuss the matter together.

At this moment, the king sat on the dragon chair with a bit of gloom and anger on his face, and said lightly: "Everyone, these five principalities are too deceiving. They have already recaptured Storm City, but they still want me to hand over Feng Tao. What do you think?"

When he said this, the king was very aggrieved.

This Feng Tao, who has just been made a duke by himself, not only has a set of skills in fighting, but also has extremely high attainments in painting. How can he be handed over to the five principalities?

But if they don't pay, the five major duchies will join forces to deal with the Sun-Zhi Principality.

At this time, Zhan Chao was the first to stand up and said slowly: "Your Majesty, the messenger of the five principalities, it is very clear that the wind wave has something to do with the fake goddess of light, so we will let us hand over Yue Feng. , and it was the war we started first."

Speaking of this, Zhan Chao looked serious: "I think it's better to hand over Feng Tao and temporarily stabilize the five principalities, otherwise, they will really send troops, let's I can't stop it."

When he said this, Zhan Chao's face was selfless, but his eyes were gloomy and cold.

That Feng Tao has embarrassed himself repeatedly, so naturally he will not miss such a good opportunity now.

"you shut up."

As soon as the words fell, Abel strode out and scolded Zhan Chao: "Do you think this is worthy of your conscience? Don't forget that the coalition forces attacked Tianzhao City twice before, and it was Your Excellency Fengtao who helped to defend it. , Moreover, Your Majesty Fengtao was also named a duke by His Majesty, so he handed over him like this, how can we keep a foothold in Roland Continent in the future?"

Haha...

Zhan Chao sneered and retorted: "He can help defend Tianzhao City, it's all good luck, what's the real ability? Well, you don't advocate handing over Feng Tao. When the coalition forces of the five principalities come over, you will stop them? Can you stop them?"

"You... ." Abel's face flushed red, and he was angry.

Chapter 3384

Seeing that the atmosphere was getting more and more turbulent, the king frowned and waved his hand: "Okay, stop arguing!" The

king spoke, but Abel and Zhan Chao both closed their mouths and stepped aside.

"This matter!" The

next second, the king pondered for a while, and said slowly: "It is related to the prestige and life and death of our Principality. Let me think about it, you all should step back first!"

At this time, the king , also fell into a tangle, and my heart was very irritable.

“Yes, Your Majesty!”

The city lords who were present responded in unison and exited the hall one after another.

Zhan Chao’s eyes flickered, but he didn’t leave.

“Your Majesty!”

Seeing that everyone was gone, Zhan Chao stepped forward and respectfully said to the king, “I really don’t plan to hand over Feng Tao? In this way, the five principalities are really going to come, but we can’t stop it.”

call!

The king took a deep breath and said helplessly: “Of course I know this, but Fengtao was named a duke by me, and he is a member of our Sunrise Principality. If I hand him over to the five principalities, how will I rule in the future? Who else will obey me in the Principality of Zuri Sun?”

Hearing this, Zhan Chao smiled slightly: “It turns out that Your Majesty is worried about this, so let’s wait for Feng Tao to return, and leave this matter to me. “

“Leave it to you?” The king was stunned.

Zhan Chao nodded: “Yes, I will find a way to catch Fengtao and send it to the five major duchies. When the time comes, I will say that the whole thing is done by myself and has nothing to do with Your Majesty. In this way, Your Majesty will not l’m worried about the loss of prestige.” The

king pondered for a moment, then nodded: “Okay, then do as you said!”

To be honest, the king didn’t want to hand over Feng Tao, but there was no way, in order to avoid war, that was the only way.

.....

On the other side, after a two-hour flight, Yue Feng finally arrived at the King City of Ziri.

At this time, Abel should be resting.

Muttering in his heart, Yue Feng walked towards the manor where Abel lived.

“Your Excellency the Duke...”

When he was about to reach the manor, he saw a knight hurriedly approaching him.

“What’s the matter with you?” Yue Feng stopped and asked with a frown.

When he said this, Yue Feng looked at the knight up and down, and this outfit did not seem to belong to Abel.

“Your Excellency the Duke!” The knight said politely and respectfully: “I am a knight under the commander of City Lord Zhan Chao. City Lord Zhan Chao has something to discuss with your Excellency.”

Zhan Chao?

Hearing this, Yue Feng frowned secretly, and couldn’t help muttering in his heart, that Zhan Chao, who was against himself everywhere, suddenly sent someone to look for him, there must be nothing good.

Thinking to himself, Yue Feng shook his head and said, “Sorry, I have something to do, let’s go another day!” He was

about to leave.

The knight did not give up, and said quickly: “Your Excellency, just see the city lord Abel? He was summoned by the king and is still in the palace! It is very important that the city lord Zhan Chao is looking for you. Please follow me. Go for a trip, otherwise, your subordinates really can’t communicate with each other.”

Abel is in the palace?

Yue Feng scratched his head: “Okay, you can go ahead and lead the way.”

Soon, under the leadership of the knight, Yue Feng arrived at Zhan Chao’s manor.

Entering the manor hall, I saw Zhan Chao already sitting there waiting.

“Aiya…”

Seeing Yue Feng, Zhan Chao quickly stood up and said with a smile: “The great painter is here, it’s really a shame to welcome him!”

“Zhan Chao, what exactly are you looking for me for?” Yue Feng was too lazy to talk nonsense and asked straight to the point.

Zhan Chao smiled embarrassingly: “Fengtao, I have been against you before, targeting you everywhere, but then I think about it, I am jealous of your talent, I really shouldn’t!”

Chapter 3385

“You are now a duke. Let’s serve His Majesty together, and we are all our own people... So, I specifically apologized to you today. Besides, I have prepared a banquet, I hope you will not refuse.”

When he said this, Zhan Chao looked urgent and sincere, but there was a hint of cunning in his eyes.

Huh...

Hearing this, Yue Feng’s eyes flickered and he muttered secretly!

Nima, this Zhan Chao has always been disgusted with himself, and suddenly showed his favor, why did he feel that something was wrong.

But it’s inappropriate to refuse directly, let’s see what tricks he’s playing.

Muttering, Yue Feng nodded: “Sir City Lord is really polite.”

Haha... Seeing that Yue Feng did not refuse, Zhan Chao smiled happily, and hurriedly said: “The banquet is at

the back, please come with me!”

Lead the way ahead.

Yue Feng responded and followed behind.

Um?

In the back room, Yue Feng was stunned.

I saw that the room was empty, not to mention the banquet, not even a table.

Click!

It was at this moment that Zhan Chao sneered, pressed a switch at the door, and heard a loud noise. Then, a huge black cage descended from the ceiling and directly covered Yue Feng.

Chi Chi...

Followed closely, cylinders were also exposed on the four walls, and a dozen palm-sized feather arrows were shot out from inside.

Nima!

All this happened too fast, and the range in the iron cage was too small, Yue Feng couldn't use it at all, and soon, he was hit with six or seven feather arrows.

"Zhan Chao..."

Yue Feng endured the pain, his anger rose, and his eyes locked on Zhan Chao: "As expected, it is nothing to be courteous, either a traitor or a thief, don't forget, I am the Duke now, you do something to me, Have you thought about the consequences?"

At this time, Yue Feng understood that Zhan Chao didn't want to apologize at all, but to deal with himself!

"Haha."

Feeling Yue Feng's anger, Zhan Chao didn't panic at all, but laughed loudly: "Even if Your Majesty finds out, he won't blame me, let me tell you the truth, the five major duchies sent envoys to negotiate the conditions, as long as the If you hand it over, you will be in peace with each other, otherwise, you will send troops to attack the Principality of Ziri!"

"For the safety of the Principality of Ziri, I can only use this method to capture you and hand it over to the Five Principalities. At that time, Your Majesty Don't blame me either."

What?

Hearing this, Yue Feng frowned secretly, and his heart was very shaken.

The five major duchies, on the condition of me, came to threaten the Principality of Zuri?

Soon, Yue Feng reacted, and he was too lazy to talk nonsense, and he would break the iron cage by urging his internal force, but what surprised him was that the iron cage was very tough. Not only that, but the whole body began to become weak.

Mad, is there poison on the feather arrow?

However, oneself is invulnerable.

At this moment, Yue Feng was furious.

Ha ha...

Seeing Yue Feng's expression, Zhan Chao sneered: "Fengtao, this cage is made of Xingxiao stone, even if you have the strength of the Holy Spirit, don't try to open it, and

also, the feather arrow in you has been wiped. A special anesthetic, one can anesthetize fifty unicorns, and if you hit six or seven, don't waste your energy!"

When he said this, Zhan Chao was indescribably proud.

It turned out to be anesthesia, no wonder he couldn't use any strength.

Hearing this, Yue Feng's eyes were blood red, completely furious, and he cursed: "Zhan Chao, you despicable and shameless villain, you'd better let me out, otherwise, you will regret what you did today!"

The ultimate husband in Chinese chapter 3386-3390

Chapter 3386

"I'm afraid you won't have this chance!"

Zhan Chao smiled coldly, and then ordered to the two men outside the door: "Watch closely, and when he has no resistance, just tie it up." The

voice fell, Just walked out of the room.

Nima!

Yue Feng clenched his fists tightly and wanted to curse, but he could clearly feel that the anesthetic on the feather arrow started to attack, and waves of numbness quickly spread throughout the body.

In just ten seconds, Yue Feng lost consciousness all over his body, and at the same time, his eyes turned black, and finally fainted.

I don't know how long he had been in a coma, but Yue Feng gradually woke up and felt a little groggy.

Um?

The moment he opened his eyes, Yue Feng was stunned.

He saw that he was tied up with five flowers and locked in a prison cart. The prison cart was completely made of fine steel. At this time, he was slowly moving forward, and a team of more than ten knights was escorting the prison cart around.

Seeing the surrounding environment again, Yue Feng frowned secretly.

On the left is the continuous mountain, and on the right is the endless wilderness. Obviously, this is no longer the boundary of the Principality of the Sun.

Mad, did Zhan Chao really hand me over to the five major duchies?

Cursing inwardly, Yue Feng asked the knights outside through the iron cage of the prison cart: "Lord Knight, where are we going ?

"

This chapter is provided by . Visit for daily update.

He couldn't stop joking and said: "You have been abandoned by the Principality of Zuri, and you don't even know where you were sent?"

Having said that, the knight continued: "Let me tell you, after the negotiation of the five principalities, you will be sent to our Golden Lion Principality for trial."

Half a day ago, Yue Feng was sent by Zhan Chao to Storm City, where he was in Storm City at the time. After deliberation, the representatives of the five principalities decided to hand over Yue Feng to the Golden Lion Principality for disposal.

Nima!

Hearing this, Yue Feng's face was extremely ugly.

Do you really consider yourself a criminal?

Depressed, Yue Feng showed a smile and said, "Several knights, my name is not Feng Tao. You have been deceived by the Principality of the Sun. Why don't you let me go?"

Seriously, with Yue Feng's strength, I can easily rush out of the prison car, but the anesthesia effect on my body has not disappeared, I can only think of a way, from the knights in front of me.

Not Feng Tao?

Hearing this, the knight was stunned for a moment, and then he couldn't help laughing: "Hehe, you don't have to play this kind of thought with me. Before in Storm City, Mr. Tian Yi has confirmed that you are Feng Tao!"

At this moment, Yue Feng was very depressed.

Seeing Yue Feng's expression, the knight chuckled lightly: "Okay, let's not say more, you should honestly return to the royal city with us, and when you meet our queen, as long as you talk about your relationship with that fake goddess of light relationship, maybe Her Majesty will take it lightly."

Queen?

Yue Feng was stunned for a moment. The ruler of this Golden Lion Principality is a woman?

At this time, Yue Feng did not know that among the six principalities of Roland Continent, only the Golden Lion Principality was ruled by a queen, and it was also the only female ruler for thousands of years.

“Stop!”

Just as Yue Feng was muttering secretly, suddenly, the knight in front shouted, and the prisoner car braked suddenly.

Yue Feng didn't react at all, didn't sit still, and hit his head on the iron cage of the prison car.

What the hell!

Yue Feng endured the pain and felt depressed.

What's the matter, why did it stop suddenly?

Muttering, seeing the situation ahead, Yue Feng couldn't help taking a deep breath.

I saw that not far ahead, more than a dozen people stood quietly in the middle of the road, holding big swords and covering their faces.

These people are not low in strength, and most of them are in the realm of Saint Venerable.

Chapter 3387

“You guys are so bold.”

At this time, the captain of the knight in charge of escorting the prison van stepped forward and shouted at these masked men: “Dare to block the way of our Royal Guard, hurry up, or else there will be consequences. Be conceited.”

Yes, these knights are all members of the Royal Guard of the Principality of the Golden Lion, with extraordinary status and can freely enter and leave the palace.

At the same time, the other knights also drew their swords one after another, each with a solemn expression.

Haha...

Hearing this, the man in black at the head couldn't help sneering: "Today we robbed your royal guards! Brothers, give it to me!"

Hula!

As soon as the words fell, more than a dozen men in black burst into holy energy, thinking of these knights rushing over. In the blink of an eye, the two sides fought fiercely.

What the hell!

Seeing this scene, Yue Feng was completely blinded.

what's going on? I've seen people robbing money halfway, and I haven't seen a prisoner car robbing halfway, and I don't know these men in black. They won't save me, right?

Thinking to himself, Yue Feng watched the battlefield situation closely.

Just seeing that these masked people are not only strong, but also cooperate very well with each other. In the blink of an eye, these knights are rushed to pieces.

Bang bang bang...

Ten minutes later, the knights around the prison van were all knocked to the ground by these masked men, losing their combat effectiveness one by one, and passed out.

call!

It was at this moment that the masked man in the lead tore off his face towel and strode over thinking about the prison car.

At this moment, Yue Feng took a deep breath and tried his best to calm himself, but at the same time, countless thoughts were spinning in his mind.

Did they save themselves?

Or... secretly instructed by Zhan Chao to kill himself.

"Hello."

At this moment, the man walked to the prison van and said coldly to Yue Feng: "Don't worry, we won't hurt you, but you have to promise to cooperate with us later, otherwise, I will be the first. I'll kill you!"

When he said this, his face was fierce.

This man is called Qiangxiong, and he is the biggest bandit leader in the Golden Lion Principality.

Cooperate?

Hearing this, Yue Feng looked confused, but nodded and said, "Okay, I understand."

If it was a day ago, Yue Feng would never have put these people in his eyes, but now, the anesthesia effect on his body It hasn't disappeared yet, you can only choose to compromise.

Seeing Yue Feng's agreement, Qiangxiong was too lazy to talk nonsense, and urged the surrounding men: "Quick, put on these knights' clothes, we are running out of time."

Hearing the order, the masked people around hurriedly put those knights in a coma. The knight's clothes were stripped off and put on himself.

This...

Seeing this scene, Yue Feng was secretly surprised, and at the same time vaguely guessed something.

The group of people in front of them seem to be pretending to be the royal guards and infiltrating the palace. What is their purpose in doing this?

A few minutes later, Qiangxiong's group, all changed their clothes, and then escorted the prisoner's cart to the King City of the Golden Lion Principality.

Along the way, Qiangxiong and his surrounding subordinates were indescribably excited, talking and laughing.

"Boss!"

At this moment, one of his subordinates smiled at Qiangxiong: "It's a great idea to fake the royal guard and sneak into the palace, but the palace is so big, can we find the half volume of the holy book? ?" The

voice fell, and everyone around was worried.

Qiangxiong had a confident look on his face, and said lightly: "What are you panicking, as long as we sneak into the palace, we will find a way to find the queen. As long as we catch the queen, are we afraid that we won't be able to find out the whereabouts of the sacred book?

" At that time, Qiangxiong looked confident.

Chapter 3388

Yes, Qiangxiong led his men to raid the Royal Guard today, the purpose is to infiltrate the palace and find the sacred book.

Three days ago, Qiangxiong inadvertently got news that the second half of the lost volume of the sacred scriptures of the Temple of Light was in the palace of the Principality of the Golden Lion. According to legend, the sacred scriptures hid a huge secret. Got the secrets inside, what you want.

Knowing this situation, Qiangxiong called his subordinates to discuss how to infiltrate the palace. Just half a day ago, he learned that the royal guard was going to escort a prisoner back to the palace. Qiangxiong took someone and stopped him halfway.

What?

Hearing the conversation between Qiangxiong and everyone, Yue Feng was shocked.

It turned out that this group of people mixed into the palace to find the holy book of jade?

Could it be that the second half of the lost sacred book of the Temple of Light is in the palace of the Golden Lion Principality?

Muttering in his heart, Yue Feng was inexplicably excited.

When he was in the Temple of Light before, Yue Feng had read the first half of the sacred book, the contents of which were passed down by Fuxi, and the second half of which recorded how to leave this world.

If you get the second half of the volume and find Miaoying again, you can leave.

After several hours of traveling, Qiangxiong and others escorted Yue Feng and finally arrived at the King City of the Golden Lion.

At this time, the world was already dark.

Because Qiangxiong and the others were all wearing knight armor and tokens on their bodies, the palace guards did not stop them at all.

Haha....

At this moment, Qiangxiong and his subordinates were indescribably excited.

“Boss!”

At this moment, one of them glanced at Yue Feng and couldn't help saying: "What about this guy? He was on the road before, and he listened to our plan."

Qiangxiong did not hesitate, and said coldly: "Find a corner and kill it directly. Just don't let anyone find out." As the biggest bandit leader in the Golden Lion Principality, Qiang Xiong is ruthless, and in his heart, Yue Feng is just a criminal and has no value at all.

What the hell!

Hearing this, Yue Feng was shocked, shocked and angry.

These people are too cruel, aren't they going to kill without saying a word?

Thinking to himself, Yue Feng hurriedly said to Qiangxiong: "This boss, don't kill me, aren't you looking for the queen? I know where her bedroom is. As long as you promise to let me go, I can take you there. "

Yue Feng doesn't know where the Queen lives at all. He said this to delay time for himself.

Um?

Hearing this, Qiangxiong and the surrounding men looked at each other with a strange light in their eyes.

The next second, Qiangxiong endured the excitement in his heart and looked at Yue Feng: "Do you really know the Queen's bedroom?" If this person knew, he would save a lot of trouble.

"I know, I was caught because I broke into the Queen's palace at night." Yue Feng nodded.

When he said this, Yue Feng had a serious face, but he was secretly laughing in his heart.

Haha...

I'm just talking nonsense, these people really believe it.

"Okay!"

Qiangxiong was overjoyed and patted Yue Feng's shoulder: "You will take us to the Queen's Palace later. As long as our plan is successful, you will be the one who will benefit."

With that, Qiangxiong asked his subordinates to give Yue Feng The chains on the hands and feet were undone.

call!

The moment the chains of hands and feet were undone, Yue Feng couldn't help sighing in relief, Nima, he was finally free.

Muttering, Yue Feng showed a smile, and then walked around the palace with Qiangxiong and others. Qiangxiong and others were all dressed in knight costumes, and the guards in the palace would not interrogate them at all.

After turning around for ten minutes, Yue Feng saw the lights in a palace not far ahead, and quickly said: "The Queen's bedroom is in front!"

Qiangxiong waved his hands without any doubt: "Brothers, rush in. , grab the queen." The

voice fell, Qiangxiong rushed into the bedroom first, followed by a dozen of his men.

Haha... a bunch of idiots!

Seeing this situation, Yue Feng didn't hesitate at all, turned around and ran.

After Qiangxiong and the others broke into the palace, they saw a priest's table inside. There was no sign of the queen at all. Obviously, this was a palace dedicated to priests.

"Huh?"

"Boss, there is no queen here."

"Made, I was deceived by that kid."

Chapter 3389 In shock,

Qiangxiong hurriedly led people out of the palace, but where is Yue Feng's figure outside?

boom!

At this moment, Qiangxiong's face was extremely ugly, and he slapped the stone statue at the gate of the palace fiercely. That kid dared to lie to himself, and when he caught him, he must be smashed into pieces.

Whoops!

At this moment, a team of patrolling guards came over and frowned when they saw Qiangxiong and others standing at the door of the Priest's Hall.

"What are you doing here? Don't you know that the Priest's Palace is not allowed to enter?"

"Why do these guards look so good?"

"They seem to be fake."

Soon, these patrolling guards realized that something was wrong and shouted. Below, he rushed over.

Mad! Identity revealed!

Seeing the patrolling guards from before, Qiangxiong and the others had no time to escape, so they had to bite the bullet and fight fiercely with the other party.

For a time, the sound of fierce fighting and shouting resounded through the sky above the entire palace.

the other side!

After Yue Feng ran for a while, he heard the sound of fighting in the direction of the priest's hall, and then, many patrolling guards kept rushing over.

Haha...

These idiots must have their identities revealed.

Yue Feng showed a smile, his body relaxed, and he took advantage of the night to walk towards the direction outside the palace.

Yue Feng thought about it, and waited until the paralysis on his body disappeared completely, and then came back to explore the palace. After all, knowing that the sacred book of jade is here, you can't come here for nothing.

After walking for a while, Yue Feng felt that his head was getting bigger.

This palace is really big, and it was still night, Yue Feng felt that he had entered a huge labyrinth, and he couldn't find the palace gate no matter how he walked.

Nima.

You wouldn't be trapped here, would you?

Depressed, when he heard a bedroom in front of him, the lights were still on, Yue Feng lightly walked in and walked in slowly.

Forget it, grab a palace maid and ask.

hiss!

As soon as he walked in and saw the scene inside, Yue Feng was shocked and couldn't help taking a breath.

I saw that inside this bedroom, the decoration was very luxurious and resplendent, and even the bed was carved from ivory.

Holy crap...it wouldn't be so coincidental.

Is this the queen's bedroom?

Yue Feng took a deep breath and continued to look inside, and he was stunned!

I saw a beautiful and sexy woman sitting on the ivory bed. The woman had long blond hair, delicate facial features, and was wearing a pale golden nightgown. Her charming curves made people unable to take their eyes off her.

Beside them, two beautiful palace maids waited quietly.

What the hell!

Really queen.

Feeling the powerful aura on the woman, Yue Feng realized that this is the queen of the Golden Lion Principality.

After watching for more than ten seconds, Yue Feng gradually reacted and couldn't help but pat himself.

I was going to leave the palace in the chaos, how could the queen be fascinated by it? !

Muttering in his heart, Yue Feng was about to turn around and leave.

At this moment, the movement outside grew louder and louder.

"What's going on outside?" The

Queen frowned, and ordered the two palace maids beside her, "Go out and see!!"

"Yes." The two palace maids responded in unison and walked out of the palace quickly.

call!

At this moment, Yue Feng didn't have time to think, and quickly hid behind the pillar to avoid being discovered by the two palace maids.

Chapter 3390

Hula!

As soon as the two palace maids left, a team of patrolling guards ran over and guarded around the palace.

"There are assassins infiltrating the palace!"

"Protect Her Royal Highness!"

Seeing this situation, Yue Feng wanted to cry without tears.

Nima, I can't leave now.

Swish!

At this moment, the queen stood up suddenly, walked to the door, and asked, "What's the matter?"

"Go back to Your Majesty." to the palace." The

queen frowned, "You must catch them, and never let them run away."

"Yes!"

While the queen asked the guards, Yue Feng walked in quietly and hid behind the ivory bed. Now there are guards everywhere outside, and in a short period of time, it is definitely impossible to leave. It is better to hide in the Queen's palace and watch the changes.

At this time, the queen returned and sat on the ivory bed.

At this moment, through the hollowed-out ivory bed, Yue Feng admired the Queen up close and couldn't help but sigh.

I really did not expect that there is such a beautiful queen in Roland Continent.

"Protect the queen, catch the assassin!"

Just as Yue Feng was secretly admiring the queen, suddenly, a loud shout came from outside, and then, a man in golden armor walked in quickly.

“Mengyi?”

Seeing the person coming, the queen frowned and looked very displeased: “What are you doing here?”

The man’s name is Mengyi, and he holds the title of Marquis. His status is second only to the Queen. One person is below ten thousand people. It can be said that he is powerful. Recently, he has secretly cultivated his own power, which seriously threatens the Queen’s status.

In the past few days, the Queen is trying to figure out how to get rid of Meng Ying, so seeing him at this time will naturally not have a good face.

“Your Majesty!”

Feeling the Queen’s displeasure, Meng Yi did not panic at all, and said hypocritically, “I just heard that an assassin broke into the palace, so I rushed over to escort me.” The

Queen exhaled softly and said coldly: “Assassins are outside, if you are really loyal to me, go over and catch them all. Also, this is my bedroom, there is no summons, and you are not allowed to enter, understand?”

However, Mengyi didn’t seem to hear, Standing there smiling without saying a word.

Seeing this scene, the queen became even more angry: “Meng Yi, you can’t hear me?”

Hehe...

Meng Yi didn’t answer, but clapped her hands!

Whoa!

In an instant, a dozen people broke in from outside and surrounded the Queen.

The queen was extremely frightened and shouted: “Mengyi, what do you mean? Are you going to commit the following crimes, treason?”

“

At the same time, Yue Feng, who was hiding behind the ivory bed, was secretly taken aback.

This guy named Meng Yi is so daring, he actually wants to do something to the queen.

With a proud face, Meng Yi smiled and said, "Yes, I'm going to rebel today. Anyway, you're ready to get rid of me. It's better to take the initiative to attack, right?"

Said, Meng Yi glanced outside and continued: "I didn't plan to do it today, but the assassins created perfect conditions for me, hehe, now the guards of the entire palace are attracted by the assassins to the priest's hall. Now, no one will bother to come here, and these guards guarding your palace are all my people."

"If you are a little bit sensible, give your place to me, otherwise, don't blame me for being rude!"

What? ?

The guards outside are also his people?
